CRAIGSLIST POST:

Kitty Foster Parents Needed ASAP
Date: 2007–09–25, 2:22PM CDT

Hi, it's awfully hard dictating this to my administrative assistant, but a cat's gotta do what a cat's gotta do and I'm in a real bind, along with my 300 plus buddies over here.

It's like this. The world was really treating us rough. We thought our nine times three hundred lives were up. Then this kind lady came along and took us ALL (at different pick–up times) to her safe, clean and cool shelter so we could have a chance to find a REAL home with some loving person like you.

We're waiting so patiently, but no one comes. We can't understand why, because our shelter is a GOOD one, a 501 3c humane society. We desperately need foster parents who can help our dear shelter angel care for us until permanent homes can be found. Won't you please, please help us? We're awfully cute. We'll listen to all your problems, we'll make you laugh, and we'll love you no matter how you look! We don't talk back or watch too much tv. either.

To be a foster mom or dad, just talk to Lynn at Spaymart in Picayune: 601–749–0268; lynnchiche@cox.net

You can also contact Kathy Sweeney: kathybsweeney@yahoo.com

Won't you come soon? We'll be counting the hours.

From Volunteer Match website:

Mission Statement:
To reduce the number of unwanted, surplus animals through aggressive spay/neuter and adoption programs.

Description:
SpayMart is an all volunteer, non–profit organization that seeks to reduce pet and feral cat overpopulation in the Greater New Orleans area by a low–cost spay/neuter program, an adoption program, and a feral cat program.

SpayMart is looking for volunteers to come to their animal sanctuary and help care for some of the many cats that were rescued after Hurricane Katrina. Spaymart is in the process of trying to find permanent homes for these cats and kittens – – and we need your help in caring for them till then. If you can spare 2 or 3 hours a week – or more, please contact us! Spaymart participated heavily with water rescue in the weeks following Katrina, and personally salvaged over 200 animals; Please help us in caring for them.

From craigslist 7/30/07:

SpayMart is in great need of volunteers to help at their Cat Sanctuary in Picayune, MS. Volunteers are needed to feed, change litter, give fresh water, and clean and care for rescued cats. (Most of these cats were rescued during and after the flood.)

If you can give a few hours of your time, it would mean the world to us!
We could also use some volunteers to help with our computer work – data entry. (Very easy work – we will walk you through what needs to be done.)
SpayMart's mission is to reduce the number of unwanted animals through aggressive spay/neuter assistance programs, and to educate the public regarding responsible pet ownership.
