Update 1/21/08 LTel:

Pastor Slaton called me asking to be reconnected to the storage container donor. He lost the message of the dealer that called him that is in Reno. Thinks it might have been a "Tim Pulitz" (he's not sure of last name).

So far, they are providing direct assistance to a few families that have driven out the 30 miles from Fernley, but are not currently providing any addition food deliveries to other org's or churches.

I reminded Pastor Slaton that the donations for storage containers are strictly for disaster relief efforts.

Per phone call to Pastor Paul Slaton 1/10/08:

They are assisting with Food Distribution in coordination with Living Faith Church in Fernley for Flood Survivors.

On 1/9/08 he delivered 12 cases of mostly fresh dairy products and some non–perishables.

They will continue to assist Fernley on an as needed basis.

They are the only Food Pantry in Fallon. Just approved by the No. Nevada Food Bank.

They do not turn anyone away and don't have eligibility requirements other than what the No. Nevada Food Bank expects.

Pantry Operations Hours are:

Thursdays – 11:30 a.m. till everyone is served
Mondays & Fridays – 10 a.m. to 12 p.m.
Sundays after church services

Their current biggest need is:

A large stationary Refrigerated Unit for Pantry Operations

Ongoing needs are:

Perishable/Non Perishable Foods

(The pastor gave me a URL that doesn't work for their facility)

Services offered: Food Distribution, Emergency/Disaster Food Distribution; Food Distribution, Food Pantry (Distributes to the Public); Support for "All" Disasters

UPDATE 1/7/08:

Per the Director, as a result of the Fernley levee breech, this site has rescued:

2 horses that were in 8 foot of water
22 dogs
7 cats (4 have been released to their owners)

2 of the cats were floating on mattresses

They expected more livestock rescue but it seems most horse owners were able to get them out and place them on surround ranches/farms from friends, family and generous community members willing to assist in this emergency.

They expect more animals to be coming in and rescued in the following days.

PetCo & Petsmart were very generous with food, but they can use Litter Scoopers for their kitties.

Otherwise all is under control and they are good.

They are going to get back to us regarding the need for a container. This has to be approved.

With all the food they received, the concern is that rodents will infest the barn where it's being stored. The container would be very beneficial to them temporarily.

The director is also contacting many other local sites to secure Storage Container donation destinations. She's been

extraordinarily helpful in CAT's efforts to assist this community.

Desert Lakes Community holds Pancake Breakfast Fundraiser
January 26, 2008
Submitted by Mike Logue

The Desert Lakes Golf Community Pancake Breakfast to benefit
the Grace Food Pantry of The Living Faith Christian Church
was held on Saturday morning January 26th.

The purpose of the breakfast fundraiser was to replenish the food pantry not only for the recent flood victims but for the ongoing service that Grace Food Pantry provides the citizens of Fernley.

The breakfast was held in the clubhouse at the Golf Club at Fernley and was an overwhelming success. Over $5,000 was raised from attendees and their generous donations.

The breakfast was organized by a committee headed by Larry & Jennifer Ashworth and was made successful through the help of many friends and neighbors. Some of the generous donations were made by The Golf Club at Fernley and Thrivent of the Lutheran Fellowship.

LTel 1/7/07:

Per Pastor Matt McCreary of Living Faith Church, their distribution operations (Food–non perishables / Clothing) was moved today to the Community Ctr. on Main St.

He is grateful to accept the offer of a donated storage container and is checking with 4 families impacted by the floods in his congregation today and will get back to me.
