DONATION DRIVE –

The distribution will be ongoing. For right now the Outreach Center is open from 5pm to 7pm every day this week. But there are so many people in need for so many different reasons that we will continue past this storm. Hours will be based on need.

SHOUT OUT TO CONVOY OF HOPE
Just wanted to thank Convoy of Hope, and especially Nick and Ryan for coming up to Jersey City with supplies. We'd also like to thank the North Precinct JCPD for their wonderful help –– couldn't do it without them. To the small army of HCT volunteers that showed up – You are shinning!!!! We have a community distribution scheduled for this evening at 7:00pm at our East Campus, 43 Charles Street. We still need supplies!!! We're particularly concerned about baby formula and diapers. Please keep it coming in. Luv u guys. ;–)

Thursday.THIS LITTLE LIGHT OF MINE | EMERGENCY SUPPLIES
Matthew 5:16 – Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven.

As you are all aware, the situation is pretty dire. The needs
...throughout the state and in our communities are overwhelming. We thank God that there has been limited loss of life. On a positive note, Convoy of Hope is on its way to us now with a half a trailer load of items. But this will not be enough to meet our needs and that of our surrounding communities (Jersey City, Union City, West New York, Hoboken, Weehawken & Edgewater). Below is a non–exhaustive list of items that we have assessed as necessary under our current circumstances. We will be setting up 43 Charles Street as a makeshift warehouse.

PLEASE CONTACT church staff to coordinate where you can bring items on the list below as they become available. For the most part, we will be able to receive the goods at our west campus [the Cambridge facility], as staff is available during the day. Its time for us to shine. ;–)
