Salvation Army of the Keys

Shelter · Standby

Faith–based Disaster Relief & Recovery

1920 Flagler Ave., Key West, FL 33040

Phone 305–294–5611
Web www.uss.salvationarmy.org/uss/www_uss_keys.nsf/vw–dynamic–arrays/6246D91AB658A149802572FA002696B8?openDocument
Serves Florida Keys, Monroe County, FL
Eligibility Impacted by Natural Disasters
Service Temporary

In disaster, provides:

Mobile & Fixed Feeding

Relief Supply Collection & Distribution

Transportation

Recovery/Rebuilding

Spiritual Ministry

Shelter

Comfort Station Management

The Salvation Army works very closely with the Monroe County Office of Emergency Management. When disaster events occur, The Salvation Army rolls into action. With formal working agreements to manage Emergency Support Functions 6, 11 & 15, The Salvation Army is tasked with duties relating to the disbursement of food, water and other mass care supplies as well as soliciting for and managing the onslaught of volunteers following a disaster occurrence.

During category one & two hurricanes, The Salvation Army manages and operates disaster shelters throughout the Keys.

Services offered: Construction, Rebuilding, Volunteer Services; Counseling (Free or Sliding Scale) * (ANY/ALL Types of Counseling); Counseling, Spiritual; * KITS, CLEANING/CLEAN UP KITS; Long Term Recovery Committee (LTRC), Case Management Roundtable Meetings; Meals * (ANY/ALL Types) ; Meals, Mobile Meals, Disaster Survivors (Available To); Services, Disaster Recovery ; Services, Disaster Relief; Shelter * (ANY/ALL Types); Shelter, Evacuation Shelter; Support for "All" Disasters; Volunteer Opportunities, In General * (ANY/ALL Types); Volunteers, Individual Volunteers (This facility accomodates Individuals Volunteers)
Campaigns: 2008 Hurricane Fay; EMA (Emergency Management Agency) Regional/County; Government, FEMA / Department of Homeland Security; Salvation Army

Hours 9 am – 4:30 pm M–Fri.
Service Temporary

Volunteer Opportunities:
Although the hurricane seasons of 2004 and 2005 have long passed, in many communities the damage is not quickly or easily repaired. This is where the work of the long–term recovery organizations offers a lifeline of hope to those still struggling to put their lives back together. These organizations work with the disenfranchised in their communities ? the least and the lost who often "fall between the cracks" in receiving other types of assistance. Volunteer work teams play a vital role in completing the physical tasks of rebuilding and recovery. The Storm Recovery Center works closely with local long–term recovery organizations

to assist in recruiting and placing volunteers.In all cases, volunteer teams can serve for as long as they are able ? from a weekend to a week or longer. In most cases, housing is available.

Please contact the Storm Center to learn more about specific opportunities or to schedule a team:
1–800–282–8011 ext. 149 or stormrecovery@flumc.org

As of January 2007:

Charlotte County:
The Interfaith Interagency Network of Charlotte County (IINCC) is in need of teams with skilled labor, including carpenters, roofers, tile and carpet installers and concrete workers. Electricians are also needed but must be locally licensed due to code and permitting requirements in Charlotte County.
As of the Summer of 2007, we are "standing down" until the next disaster, having completed the projects we were tasked with. While we do not have an active staff, our Board of Directors meet regularly to ensure we are prepared for the next disaster. (Statistics and updates will be included in this site hopefully by the end of 2007!)

Hendry and Glades Counties:
Community Rebuilding Ecumenical Workforce (CREW) is in need of teams with both skilled and unskilled labor. They have over 250 homes still needing repairs including dry walling, flooring, ceiling work, roofing, demolition, window and/or door replacement.
Also see CAT Facility entry at: https://reliefdb.org/shelters/1062

Monroe County (Florida Keys):
Paradise Interfaith Network (PIN) is working with families on Big Coppitt Key to repair and harden mobile homes damaged by storm surge from Hurricane Wilma. Work includes repairing and/or replacing dry wall and fiber board as well as repairing metal roofs.

Palm Beach County:
Christians Reaching Out to Society (CROS) needs volunteer teams who have at least one team member experienced in construction. Work includes dry walling, roofing, flooring, etc.

Tornado Opportunities February 2007:
Please submit a team application to Storm Recovery if you are interested in helping with the long term recovery in the tornado damaged areas. There is an anticipated need for work teams in the tornado affected areas for the next six months.

The Florida Conference has established a central location for coordinating Storm Recovery efforts. Our Storm Recovery Center is located in the United Methodist Building in Lakeland, Florida and is set up to receive calls from volunteer work teams offering assistance to those in need. These work teams will be matched with requests from those in the storm–affected areas. You will be contacted by the Storm Recovery Center or the site coordinator to work out the details of your assignment location and date. The site coordinator will provide support and direction for you and your team prior to and upon arrival.

Contact person: Pam Garrison
Phone number: 800–282–8011 ext. 149
Best hours to call: 9:00 am – 4:30 pm, M–F, EST
Fax number: 863–688–7233

Location/Region: All Florida except Panhandle

Speciality: Storm Recovery from 2004 & 2005 Hurricanes

Description of volunteer needs: Cleanup, home repair and reconstruction. Case Managers also needed.

Skills volunteers are required to have: Willingness to work

Useful Skills: Carpentry, drywalling and construction

Tools or supplies volunteers should bring: Please refer to www.flumc.org for list of useful tools.

Will volunteers need to bring any money or material, such as for housing: Please call for further information.

Length of time volunteer can help: 1 day to many months

Size of volunteer team: No restrictions

Are individual volunteers welcome? Yes

Age restriction, if any: Must be 18 or older

Denomination/affiliation, if any: United Methodist and all others welcome

If yes, must volunteer be a member: No

Any other restrictions: No

Housing provided for volunteers, if any: Please call for further information.

Meals provided for volunteers, if any: Please call for further information.

What You Need to Bring:
Old Work Clothing (long pants) Sleeping bag/twin sheets/pillow
Long Sleeved shirts/blouses Water bottle/jug/cooler
Cotton & plastic work gloves Changes of clothing for after work
Disposable face masks First aid supplies (Band–aids, disinfectant)
Safety goggles (may be a team item) Medical releases
Personal hygiene items Use–of–equipment releases
Towels & washcloths Name tags durable enough for the work site
Heavy work shoes/boots Insect Repellant
Any personal hand tools you like using Gel Hand Sanitizer
Note: If your team is being housed in one of our refurbished homes, mobile homes, or churches, each person needs to bring his or her own twin sheets (and blanket if coming in the winter).

Any additional notes: Training for Early Response, Case Management and Spiritual & Emotional Care workshops held periodically. Visit website for more info on workshops or to volunteer.

Services offered: Case Management, Hurricane Survivors; Case Management, * (Providers of ANY Type of Case Management); Cleanup, House Gutter, Volunteer; Construction, Rebuilding, Volunteer Services; Construction, * Volunteers (ANY/ALL types); Housing, Volunteer Housing * (ANY/ALL Types); Support for "All" Disasters; Training * (ANY/ALL Types of Instruction) ; Training Classes, Disaster Response; Volunteer Opportunities, In General * (ANY/ALL Types); Volunteers, Groups of Volunteers (This facility accomodates Groups of Volunteers); Volunteers, Individual Volunteers (This facility accomodates Individuals Volunteers); Volunteer, Volunteer Registry, Online

CWS Situation report: Spring storms 2011
Thursday, April 14, 2011

A series of disasters in recent weeks have marked the end of winter and beginning of spring in the continental United States.
Situation:

A series of disasters in recent weeks have marked the end of winter and beginning of spring in the continental United States.

Among the disasters CWS has been tracking:

* Flooding in several New Jersey counties, with major damage to some 400 homes.
* A tornado in Greensburg, PA, south of Pittsburgh; some 60 homes affected, half of them destroyed. As well, a tornado in Rayne, LA, damaged about 100 homes.
* Wildfires in Colorado; New Mexico; Oklahoma; Texas; Washington.
* Preparations underway for spring flooding in the Upper Midwest, including the Red River Valley, particularly Fargo and Grand Forks, ND, as well as Devil's Lake, ND. The lake at Devil's Lake is close to overflowing and has no outlet; it has quadrupled in size in the last 20 years.
* Preparations are also under way for possible spring floods in Iowa where the Mississippi River may exceed 1993 record levels at Davenport and elsewhere. The citizens of Iowa were also impacted by severe storms and tornadoes on April 9th and 10th.

CWS response:

Partners in Fargo, including the American Red Cross, Lutheran Disaster Response and UMCOR, have asked CWS for CWS Blankets as a pre-positioning move. In addition, CWS plans to allocate $2,000 for spiritual care and other community-based efforts in Devil's Lake. CWS staff are expected to assist efforts in Devil's Lake later this year.

CWS is monitoring the impact of spring storms in Iowa and elsewhere to determine if we can assist with immediate material support (CWS Emergency Clean-up Buckets, Hygiene Kits, or Blankets) as well as with Long Term Recovery training and support.

HOW TO HELP: Contributions to support CWS emergency response efforts may be made online, sent to your denomination, or to Church World Service, P.O. Box 968, Elkhart, IN 46515.

Japan Earthquake and Tsunami: CWS Situation Report #2; 03-13-11

Source: Church World Service (CWS)
Date: 13 Mar 2011

CHURCH WORLD SERVICE
DEVELOPMENT AND HUMANITARIAN ASSISTANCE PROGRAM

SITUATION: Rescue efforts continue in Japan following the March 11 tsunami and earthquake that in recent days has taken another potentially deadly turn as the country tries to deal with a growing nuclear crisis.

Japan's prime minister, Naoto Kan, is describing the situation as the worst in the country since World War II, with several nuclear plants in danger of melting down.

As for the direct tsunami and earthquake responses, authorities said the official number of those confirmed dead is nearly 1,600 but is expected to rise substantially; the death toll alone in the Miyagi region could exceed 10,000.

Some 310,000 people have been evacuated to emergency shelters, the BBC reported.

The two immediate needs for affected families include rescue for those who are trapped and the mobilization of relief goods to evacuation sites. Rescue interventions are primarily being carried out by the Self-Defense Force of Japan and other specialized agencies including the Japan Rescue Association. The Japanese government has requested international assistance in response to this massive disaster.

"Although Japan is considered among the most advanced countries in terms of disaster risk reduction measures, the damage caused by the unprecedented scale of this disaster is beyond imagination," said Takeshi Komino, the head of emergencies for CWS Asia Pacific.

"The government is currently focusing on the search and rescue operations as well preventing a catastrophic nuclear crisis from two severely damaged nuclear power plants," he said. "Increasing humanitarian needs are being reported from evacuation sites including a lack of ready-to-eat food, water, health and sanitation kits and blankets."

RESPONSE: CWS has been in contact with the Japan Platform, a coalition of 32 non-governmental organizations, government service agencies and media outlets. CWS may provide support and channel contributions to individual members of the Japan Platform. The Platform has historically been a vital partner to CWS in previous lobbying efforts towards the Japanese government for disaster risk reduction activities in Afghanistan.

Eight member non-governmental organizations of the Japan Platform have already started assessing needs and initiated emergency response activities. These members include Association for Aid and Relief Japan, Adventist Development and Relief Agency, Civic Force, Institute of Cultural Affairs, JEN, Japan Rescue Association, Nippon International Cooperation for Community Development and Peace Winds Japan. CWS is also coordinating with other ACT Alliance members in the Asia-Pacific region as the international response to this disaster scales up.

"Building upon accumulated CWS and ACT Alliance experience in the region, CWS hopes to mobilize support to Japanese NGOs that are on the ground," Komino said. "Contributions from partners and supporters will be used to fill critical gaps in meeting the basic needs of victims in and around the evacuation sites."

Church World Service is also prepared to support, if needed, efforts of faith-based partners in Japan, including the National Christian Council of Japan and the United Church of Christ of Japan.

CWS anticipates issuing an appeal for this disaster once more specifics are known about precise partnerships and response efforts.

HOW TO HELP: Contributions to support CWS emergency response efforts may be sent to your denomination or to Church World Service, P.O. Box 968, Elkhart, IN 46515.

Church World Service is a member of the ACT Alliance, a global coalition of churches and agencies engaged in development, humanitarian assistance and advocacy.

For further information about disasters to which Church World Service is responding please visit www.churchworldservice.org or call the CWS Hotline, (800) 297–1516.

Disaster Ministries and Response

The Florida Conference United Church of Christ Disaster Ministries assists communities in the Florida Conference geographic area affected by natural disasters (hurricanes, tornadoes, floods, earthquakes) and technological disasters when they arise. We provide assistance in natural disasters through financial assistance and more importantly with volunteers who assist to facilitate the rebuilding efforts. The ministry provides financial assistance through participation in the work of the long-term recovery committees that exist at the county level.

Skilled and unskilled volunteers assist with clean up and repairs from roofing to debris removal. By using volunteers, we are able to help communities in leveraging limited financial resources that are available following disasters.

Our recovery efforts date back to the 2004 and 2005 hurricane seasons and also include the tornados of 2006 and 2007. With a projected 3-5 year recovery time, there are residents in parts of Florida that still need help to rebuild their homes and lives. We need volunteers in a number of communities.

To volunteer, please download the "Volunteer Information Packet" at our web site and contact the Florida Conference Disaster Response Ministry at 305-758-4845.

Urgent Appeal for Emergency Clean–up Buckets

The recent onslaught of coastal storms and flooding has created an urgent need for CWS Emergency Clean–up Buckets. The need for these kits will be even greater after the anticipated 20–foot storm surge from Hurricane Ike hits the Texas coastline this weekend.

"Church World Service has allocated all the buckets we had in the warehouse," said Lorette Wolf, director of Church of the Brethren Material Resources in New Windsor, Md. "We're down to a zero level and they don't have enough."

The buckets are kits that may be assembled by congregations, other groups, and individuals, and donated to the disaster clean–up effort.

Go to www.churchworldservice.org/kits/cleanup–kits.html for information about how to assemble the Emergency Clean–up Bucket kits.

http://www.brethren.org/genbd/BDM/CurrentNews.html

The Mission:
When disaster strikes, Church of the Brethren Disaster Response provides volunteers to clean up debris and to repair or rebuild homes for disaster survivors who lack sufficient resources to hire a contractor or other paid
labor. The presence of these volunteer work teams helps to ease the trauma that is felt in the aftermath of a disaster.

Each Church of the Brethren district has an appointed disaster coordinator who issues district–wide appeals for volunteers when they are needed for specific disaster response projects. The coordinators gather biennially in New Windsor to receive training in various aspects of disaster response and volunteer recruitment. Also, there are now several dozen trained, volunteer project directors who provide on–site management of the disaster projects.

Over the years, the Brethren have become known for providing capable, caring and hard–working volunteers on behalf of disaster survivors who are incapable of helping themselves. The existing records indicate that, from 1973 through 2001, Brethren Disaster Response initiated a total of 162 recovery projects following major disasters, mostly in the United States and US territories. And from 1978 through 2001, our gracious Lord has enabled 18,263 volunteers to answer the \call by sharing their talents for a total of 90,876 workdays,
or 727,000 work hours, on disaster response projects. The total value of this donated labor in the present–day economy is $11,188,530.

Services offered: Cleanup, Disaster Debris Removal, Volunteer Services; Construction, Home Repair, Volunteer Services; Construction, Rebuilding, Volunteer Services; Construction, Skilled Labor, Volunteer; International Disaster Response: South America; Management, Project Managers, Volunteer; Services, Family, Children, Emergency Child Care; Training Classes, Disaster Response; Volunteer, Child Care ; Volunteers, Groups of Volunteers (This facility accomodates Groups of Volunteers); Volunteers, Individual Volunteers (This facility accomodates Individuals Volunteers)
Campaigns: 2005 Hurricane Katrina; 2005 Hurricane Rita; 2008 Hurricane Fay; 2008 Hurricane Gustav; 2008 Hurricane Hanna; 2008 Hurricane Ike

SHELTER, Gautier Convention Center

Shelter · Standby

Red Cross Hurricane Evacuation Shelter
2012 Library Lane, Gautier, MS

Phone Southeast Mississippi American Red Cross: 228–762–2455
Eligibility Hurricane Gustav Evacuees
Service Temporary

(Opened 7 am Sun. 8/31/08 for Hurricane Gustav)

JACKSON COUNTY, MS (WLOX)– The Gautier Convention Center will open its doors at 7:00 Sunday morning, to anyone who believes they need shelter from Tropical Storm Fay. The shelter will be run jointly by Jackson County and the American Red Cross. The Red Cross will provide cots, blankets, snacks and meals all day long, or until the shelter isn't needed anymore. The shelter is also equipped with a generator, so it can cater to people with special needs, in case of a power outage.

Jackson County EOC Director Butch Loper has been tracking Fay for days. He doesn't predict major damage from the storm, but he is working with the American Red Cross, turning the Gautier Convention Center into a shelter.

"This is strictly just open for those that feel uncomfortable, or perhaps know they are in an area prone to flooding," he said, "We just wanted to make sure something was available for them."

The shelter is a precautionary measure, but it will be open to anyone who needs it and will remain open until need runs out.

"It's certainly not meant to be the Hilton; it's certainly not supposed to be an entertaining place," said Southeast Mississippi Red Cross Director Paige Roberts. "But it is meant to be a safe place to give you the feeling of security that you need."

If you go to the shelter, there are some things you should bring with you. They include blankets, pillows, snacks, activities for children and medication.

The Red Cross will be available to the community throughout the storm.

"We're here for you, if you have any questions at all, you can always call the office or call the Emergency Management Agency," Roberts said. "And just know that you have a plan and you're comfortable with your plan."

The Southeast Mississippi American Red Cross can be reached at 228–762–2455, or click here for their website.
