Wiregrass Organizations Gear Up to Help Those in Need after Gustav

Donations are needed to help meet local disaster needs
Posted: 5:23 PM Aug 28, 2008
Last Updated: 5:23 PM Aug 28, 2008

As Tropical Storm Gustav continues to make its way toward the Gulf Coast, local organizations are gearing up for the possible aftermath.

These groups are depending on you to help them make a difference.

Hurricane season is here and that means it's time to make sure you and your family are prepared for when a storm hits.

Susan Holmes with the American Red Cross said, "Prepare yourself ahead of time in case you get trapped in your house by a tree or the power is out. Be sure you have what you and your family need to sustain you for a day or two."

Families in need often times look to non–profit organizations for food and supplies after a storm hits. Those organizations count of the public to donate those items so they can distribute them after a disaster.

David Hanks with the Wiregrass Area Food Bank said, "Mainly we handle food products, but during a disaster we need anything; tarps, bedding, blankets and sheets because people who have been affected don't have anything."

Even if the affects of Gustav aren't felt here at home, resources from the Wiregrass will go to help those in need.

"We'd be a resource if there's a storm that hits in that area," Hanks said. "We were a resource during Katrina to Biloxi and Louisiana."

Blood is always an immediate need during a disaster. Both Lifesouth and the Red Cross are hoping to increase their supplies before Gustav makes landfall.

Here is the information you need to know to help those in need. If you'd like to donate non–perishable food items or disaster supplies you can visit the food bank on Twitchell Road in Dothan.

For information on how you can better prepare for disasters, visit redcross.org.

And, if you'd like to volunteer or need help after a disaster, you can call 211 to get in contact with numerous agencies.

E–mail: wauwfb@aol.com

The Wiregrass Area United Way Food Bank is a non–profit hunger relief charity that solicits and collects surplus food. The Food Bank stores and distributes this food to agencies primarily feeding the needy in a five–county service area that includes Houston, Henry, Dale, Geneva and Coffee counties, as well as parts of northwest Florida and southwest Georgia.

We are an independent non–profit, with paid staff, volunteers, and a board of directors. Operating from an 18,000 square food warehouse with refrigerated storage, and networked through America?s Second Harvest (the nations food bank network), the Food Bank can access food and other assorted grocery products, and operate at a minimal cost. As a result, member non–profit agencies that utilize the Food Bank are able to conduct their food programs in a cost effective manner. No donated food is ever sold by the Food Bank or by any
member agency. Food recipients incur no cost for food assistance.

A shared maintenance fee (SMF) assessed to affiliate agencies helps to support the Wiregrass Area United Way Food Bank. Additional financial support is generously donated from churches, civic clubs, businesses and concerned citizens.

Who we serve:

Food is distributed free by affiliate agencies to the hungry, the elderly and children either through on–site meals or by emergency food boxes.

The ultimate beneficiaries of the Food Bank are the people who receive the food we distribute, though much could be said of the benefits received by volunteers, donors and supporters.

Some programs which benefit are:

Churches
Food Pantries
Soup Kitchens
Group Homes
Assisted–living Homes
Half–way Houses
Day Care Centers
Senior Citizen Programs
Developmental Centers
Emergency Shelters
Neighborhood Centers
Nutrition Centers
Health Care Centers and Programs
Homeless Shelters
Brown Bag of the Wiregrass

Services offered: Food Distribution, Food Bank ONLY (No Walk–In Service); Food Distribution, Food Bank (This Site Supplies Food Pantries/Agencies); Volunteer Opportunities, In General * (ANY/ALL Types); Volunteers, Elder/Senior Volunteers (This facility accomodates Elder Volunteers); Volunteers, Groups of Volunteers (This facility accomodates Groups of Volunteers); Volunteers, Individual Volunteers (This facility accomodates Individuals Volunteers); Warehouse, Warehouse Space

FACEBOOK –
http://www.facebook.com/pages/Bay–Area–Food–Bank/109667279967

SOURCE: Sun Herald / Friday, Aug. 29, 2008

The Bay Area Food Bank has prepared its warehouse by stocking enough food for relief and preparing for the possible not–so–calm after the storm. But due to reports from the National Hurricane Center that make the Food Bank community in the middle of Gustav's path, the Bay Area Food Bank is working with America's Second Harvest and Food Bank's across the Gulf Coast to prepare for the worst–case scenario.

The Food Bank is a member of America's Second Harvest, the Nation's Food Bank Network. And, because the Food Bank serves 24 counties across over 300 miles of the Mississippi, Alabama, and Florida coast, this hurricane has the potential to have an impact on its service area.

The 205 Food Banks in the America's Second Harvest network have already worked together following the Midwest flooding and Hurricane Dolly and stand ready to assist on the Gulf Coast if needed.

Rescue Task Force was founded in 1988 - Over 20 years of alleviating suffering and bringing support, relief and love. RTF goes where others do not, doing what others will not – From the jungles of Central America to the mountains of Kosovo, from tsunami ravaged Thailand and Sri Lanka and the interior of Afghanistan to hurricane and fire disaster stricken communities in the United States RTF wipes away tears of those that have all but been forgotten.

RTF brings hope to those that are often without anything… RTF to so many is life… Precious Life.

CWS Situation report: Spring storms 2011
Thursday, April 14, 2011

A series of disasters in recent weeks have marked the end of winter and beginning of spring in the continental United States. Situation:

A series of disasters in recent weeks have marked the end of winter and beginning of spring in the continental United States.

Among the disasters CWS has been tracking:

* Flooding in several New Jersey counties, with major damage to some 400 homes.
* A tornado in Greensburg, PA, south of Pittsburgh; some 60 homes affected, half of them destroyed. As well, a tornado in Rayne, LA, damaged about 100 homes.
* Wildfires in Colorado; New Mexico; Oklahoma; Texas; Washington.
* Preparations underway for spring flooding in the Upper Midwest, including the Red River Valley, particularly Fargo and Grand Forks, ND, as well as Devil's Lake, ND. The lake at Devil's Lake is close to overflowing and has no outlet; it has quadrupled in size in the last 20 years.
* Preparations are also under way for possible spring floods in Iowa where the Mississippi River may exceed 1993 record levels at Davenport and elsewhere. The citizens of Iowa were also impacted by severe storms and tornadoes on April 9th and 10th.

CWS response:

Partners in Fargo, including the American Red Cross, Lutheran Disaster Response and UMCOR, have asked CWS for CWS Blankets as a pre–positioning move. In addition, CWS plans to allocate $2,000 for spiritual care and other community–based efforts in Devil's Lake. CWS staff are expected to assist efforts in Devil's Lake later this year.

CWS is monitoring the impact of spring storms in Iowa and elsewhere to determine if we can assist with immediate material support (CWS Emergency Clean–up Buckets, Hygiene Kits, or Blankets) as well as with Long Term Recovery training and support.

HOW TO HELP: Contributions to support CWS emergency response efforts may be made online, sent to your denomination, or to Church World Service, P.O. Box 968, Elkhart, IN 46515.

Japan Earthquake and Tsunami: CWS Situation Report #2; 03–13–11

Source: Church World Service (CWS)
Date: 13 Mar 2011

CHURCH WORLD SERVICE
DEVELOPMENT AND HUMANITARIAN ASSISTANCE PROGRAM

SITUATION: Rescue efforts continue in Japan following the March 11 tsunami and earthquake that in recent days has taken another potentially deadly turn as the country tries to deal with a growing nuclear crisis.

Japan's prime minister, Naoto Kan, is describing the situation as the worst in the country since World War II, with several nuclear plants in danger of melting down.

As for the direct tsunami and earthquake responses, authorities said the official number of those confirmed dead is nearly 1,600 but is expected to rise substantially; the death toll alone in the Miyagi region could exceed 10,000.

Some 310,000 people have been evacuated to emergency shelters, the BBC reported.

The two immediate needs for affected families include rescue for those who are trapped and the mobilization of relief goods to evacuation sites. Rescue interventions are primarily being carried out by the Self–Defense Force of Japan and other specialized agencies including the Japan Rescue Association. The Japanese government has requested international assistance in response to this massive disaster.

"Although Japan is considered among the most advanced countries in terms of disaster risk reduction measures, the damage caused by the unprecedented scale of this disaster is beyond imagination," said Takeshi Komino, the head of emergencies for CWS Asia Pacific.

"The government is currently focusing on the search and rescue operations as well preventing a catastrophic nuclear crisis from two severely damaged nuclear power plants," he said. "Increasing humanitarian needs are being reported from evacuation sites including a lack of ready–to–eat food, water, health and sanitation kits and blankets."

RESPONSE: CWS has been in contact with the Japan Platform, a coalition of 32 non–governmental organizations, government service agencies and media outlets. CWS may provide support and channel contributions to individual members of the Japan Platform. The Platform has historically been a vital partner to CWS in previous lobbying efforts towards the Japanese government for disaster risk reduction activities in Afghanistan.

Eight member non–governmental organizations of the Japan Platform have already started assessing needs and initiated emergency response activities. These members include Association for Aid and Relief Japan, Adventist Development and Relief Agency, Civic Force, Institute of Cultural Affairs, JEN, Japan Rescue Association, Nippon International Cooperation for Community Development and Peace Winds Japan. CWS is also coordinating with other ACT Alliance members in the Asia–Pacific region as the international response to this disaster scales up.

"Building upon accumulated CWS and ACT Alliance experience in the region, CWS hopes to mobilize support to Japanese NGOs that are on the ground," Komino said. "Contributions from partners and supporters will be used to fill critical gaps in meeting the basic needs of victims in and around the evacuation sites."

Church World Service is also prepared to support, if needed, efforts of faith–based partners in Japan, including the National Christian Council of Japan and the United Church of Christ of Japan.

CWS anticipates issuing an appeal for this disaster once more specifics are known about precise partnerships and response efforts.

HOW TO HELP: Contributions to support CWS emergency response efforts may be sent to your denomination or to Church World Service, P.O. Box 968, Elkhart, IN 46515.

Church World Service is a member of the ACT Alliance, a global coalition of churches and agencies engaged in development, humanitarian assistance and advocacy.

For further information about disasters to which Church World Service is responding please visit www.churchworldservice.org or call the CWS Hotline, (800) 297–1516.

Feb 5, 2010
I have just returned home from our 2nd trip into the area. We were able to go into Haiti four times, spending the night once. I am currently preparing for our 3rd trip, leaving Miami Tuesday, 9th, AM and returning the 18th PM. We are looking for medical personnel to join us.
We will also be moving more supplies into the area and helping Calvary Chapel Port–au–Prince begin a ministry that takes the Bread of Life along with rice and beans, into the tent cities in the area.

Current pressing needs that need to be purchased/donated in the US:
Diabetes Pills
High Blood Pressure Meds
Asthma Inhalers
Sutures
Items that help stabilize bones–splints etc

Morphine/Pain Killer
Financial Assistance

You can sign up for our email updates by clicking the contact tab to the right. Thanks for your continued prayers and support.

If you are interested in giving towards the relief efforts in Haiti, please click on the How To Donate link on the left

1/10
Major Earthquake Hits Haiti

As of this evening, I am heading to the Dominican Republic with Agape and Rachel Lataillade. From the Dominican we will try to get to Haiti, where we hope to set up an on–going relief effort. If you are interested in joining this effort, contact us. We will be working with other ministries and going where the Lord leads us. Please keep all those affected by the disaster in your prayers.

If you have any information or contact info for anyone in Haiti, please contact us at once.

Please keep us in your prayers as we go through the doors that the Lord has opened.

If you are interested in giving towards the relief efforts in Haiti, please click on weblink.

ELCA News Service (September 27, 2010):
Lutheran Disaster Response Provides Initial Grant
for Wisconsin floods

CHICAGO (ELCA) –– Lutheran Disaster Response (LDR) provided an emergency grant of $10,000 to LDR–Wisconsin to help with initial responses to flooding in parts of the state, according to the Rev. Kevin A. Massey, LDR director.

–––

Lutheran Disaster Response (LDR) is a collaborative ministry of the Evangelical Lutheran Church in America (ELCA.org) and The Lutheran Church–Missouri Synod (LCMS.org).

Following a major domestic disaster, LDR seeks to minister holistically to the unmet needs of those affected, regardless of faith or creed.

Lutheran social ministry organizations serve as LDR affiliates providing:

[1] Spiritual and Emotional Care
[2] Hardship Grants
[3] Long–term Recovery
[4] Volunteer Coordination

MISSION STATEMENT:

To demonstrate Christ's compassion for people by promoting hope, healing, and wholeness for disaster survivors.

2010 ASSISTING REBUILD FOR–
2008 CEDAR RAPIDS FLOOD

This spring, Lutheran Disaster Response joins nine other denominations in the second–ever Church World Service "Ecumenical Rebuild" project. This year's project will take place in Cedar Rapids, Iowa from April 12 through May 21.

In the interest of having a mix of volunteers from each participating church, we are limited to a certain number of volunteers per week, and slots will be filled on a first–come, first–serve basis. If you have a group from your congregation interested in participating, be sure to contact Pastor Mike Stadie, with Lutheran Services in Iowa, as soon as possible.

The attached flyer will help you promote the project, and also includes contact information for Pastor Stadie. I would like Lutherans to be well–represented at this year's project, and I hope you will strongly consider putting together a team of volunteers to participate.

Thank you for your ongoing support of this important ministry of our church!

2010 Oil Spill

http://blog.feedingamerica.org/2010/06/vicki–escarra–writes–about–oil–spill–on–huffington–post/

NVOAD – Situation Report 6/16/10

Feeding America has been active in Louisiana, Alabama, and the Panhandle of Florida, opening their food banks and working with the State VOADs. They have formed a working group at their National Office, which will meet for the first time this Friday, to get a better handle on the situation along the Gulf Coast. This working group is assessing the situation and considering the future need for full involvement of their organization, and will provide support current with the coastal food banks.

FROM THE WEBSITE 9/5/08:

The Food Bank of Central Louisiana is responding to the effects of Hurricane Gustav. In addition to working with shelters and government agencies, the Food Bank continues the partnership with our network of agencies who will be among the first to respond with emergency hunger relief.

The public can help by supporting the Food Bank's disaster relief efforts, both with donations of food and funds. We had just begun to replenish our stock when we learned about Gustav. We will definitely rely on the community's help during this situation.

Another way the public can assist the food bank is by volunteering to help pack emergency food boxes. If anyone is interested in supporting the Food Bank of Central Louisiana, please call 318–445–2773.

When disaster strikes, the Food Bank of Central Louisiana is prepared to respond with food assistance and emergency supplies.

It is the goal of the Food Bank of Central Louisiana to act as a conduit for donated food and other essential grocery items for the purpose of disaster relief. This will be done with the support of America’s Second Harvest – the Nation’s Food Bank Network, and in coordination with other relief organizations. In times of national disaster, the Food Bank of Central Louisiana may be a collection point for local donations.

The Food Bank of Central Louisiana will be responsible for solicitation, handling, storage and distribution of products to an established network of more than 80 agencies in Central Louisiana. In addition, distribution will extend to state, city, military, American Red Cross, and other VOAD (Voluntary Organizations Active in Disaster) sites, as necessary, during an emergency. The extent of service the Food Bank provides will vary in accordance with the scope of the disaster and availability fo resources.

Whether the emergencies are on an individual level such as the loss of a job, or for larger disasters as seen with Hurricanes Katrina and Rita, the Food Bank of Central Louisiana and their partner agencies provide direct food assistance to the most vulnerable.

A disaster is defined as an occurrence such as a terrorism attack, hurricane, tornado, storm, flood, high water, wind driven water, tidal wave, earthquake, drought, blizzard, pestilence, fire, famine or other natural situation that causes human suffering or creates human needs that the victims cannot alleviate without assistance.

SOURCE: http://www.cnn.com/2008/US/weather/08/27/gustav.nola/index.html

"Nagin will order a mandatory evacuation if a hurricane of a Category 3 intensity or higher approaches the city, Sneed said. However, an evacuation could be ordered for a less intense hurricane if it were particularly slow–moving and carried greater flooding potential, he said.

New Orleans estimates that 30,000 residents would need help evacuating, Sneed said. He said that only 7,000 people have signed up to get that help.

Sneed said buses and trains were ready to take evacuees to shelters in Shreveport, Alexandria and Monroe, Louisiana, and in Jackson, Mississippi."

HURRICANE UPDATE: LSUA has upgraded the alert status for Hurricane Gustav to a WARNING. Please monitor this web site and local news for updates.

In order to provide for optimal safety for all concerned and as a result of Hurricane Gustav, all offices will be closed and all classes at Louisiana State University at Alexandria will be cancelled on Tuesday, September 2, 2008 and Wednesday, September 3, 2008. This applies to the main campus at Highway 71 South, the Allied Health Building, the Alexandria Museum of Art in downtown Alexandria and the Business Education Center and the Learning Center for Rapides Parish.

"It's also possible we could use a new facility built in Alexandria," the governor said, even though it is not technically ready for occupancy. He said he believes it is "completed sufficiently" to be utilized if the 68,000 other spaces are filled.

SOURCE: http://www.thetowntalk.com/apps/pbcs.dll/article?AID=/20080829/NEWS01/808290359

Cenla could bear brunt of evacuations
By Tom Bonnette • tbonnette@thetowntalk.com • August 29, 2008

Hurricane Katrina, which struck the Louisiana Gulf Coast three years ago today, sent tens of thousands of New Orleans evacuees to hurricane shelters in neighboring communities across South Louisiana in search of higher ground.

Many who sought refuge in South Louisiana in 2005 might end up in Central Louisiana should Tropical Storm Gustav develop into a powerful hurricane and follow a trajectory similar to Katrina.

A new state law forbidding hurricane evacuation shelters below the Interstate 10 corridor in the event of a Category 3 hurricane or stronger leaves Alexandria–Pineville as the closest metro area above Interstate 10 that could accommodate a large influx of evacuees.

Shelters would not operate in much of Baton Rouge and Lafayette, as well as all of the Houma–Thibodeaux region and Lake Charles –– all of which saw massive migrations of refugees after Katrina.

As of late Thursday, the National Weather Service was projecting that the storm would move into the Gulf of Mexico by Sunday and head toward the Louisiana coast with an expected landfall of Tuesday morning.

If Gustav were to strike the Louisiana Gulf Coast early next week, the Alexandria area would be first in line to accept evacuees, said Sonya Wiley–Gremillion, executive director of the Rapides Parish Office of Emergency Preparedness

"We are going to get the brunt of it. As our general population shelters start to fill up, we will start to fill up shelters to the north of us in the Shreveport and Monroe area," she said.

She cautioned that the situation remains fluid but that in a worse–case scenario –– a powerful storm causing a mass evacuation in the New Orleans area –– Rapides Parish shelters alone might take in as many as 15,000 evacuees.

That number doesn't count 3,500 evacuees who could be housed at the recently completed shelter at Louisiana State University at Alexandria.

The 230,000–square–foot LSU AgCenter shelter, which was completed two weeks ago, is functional but not yet equipped to accommodate evacuees, said John Barnett, regional AgCenter director.

"We thought it would be equipped by November," Barnett said. "We thought that we would have a couple of months to get it ready, not two weeks."

Currently, the shelter has electrical power and running water, but that's about it, Barnett said.

There are no beds, furniture, kitchen supplies, toiletries or other items that would be needed to house people. The shelter would be turned over to the Louisiana Department of Social Services in the event of a hurricane evacuation.

On Thursday, Gov. Bobby Jindal requested federal help to assist in preparing the shelter to accept hurricane evacuees.

State officials were on hand Thursday at LSUA readying the gymnasium at the school's fitness center to be used as a special needs shelter.

Wiley–Gremillion said a meeting will take place this morning at the Rapides Parish Police Jury office to be attended by agencies that are assisting in hurricane shelter plans, including the Red Cross and representatives from local municipalities.

STORM UPDATE: Roof–patching program starts in 13 parishes

September 6, 2008

BATON ROUGE (AP) — Operation Blue Roof is under way.
Advertisement

Gov. Bobby Jindal says the U.S. Army Corps of Engineers has opened up its roof–patching program for 13 parishes impacted by Hurricane Gustav. Under the program, the Corps puts up free blue tarps to cover roof damage as a temporary fix until repairs can be made.

Jindal says there's demand for 25,000 such tarps. If demand grows in other parishes, he says the Corps will be willing to expand the program.

More information is available at 1–888–ROOF–BLU.

The parishes covered under the Blue Roof program include Ascension, Assumption, East Baton Rouge, Iberville, Lafourche, Livingston, St. Charles, St. James, St. John the Baptist, St. Martin, St. Mary, Terrebone, and West Baton Rouge.

Phone Office: 985–986–0822
Serves LA
Eligibility Hurricane Evacuees
Service Temporary

All disaster relief supplies for all three WA Parish shelters should be delivered to this location's address.

LTel 9/3/08

LTel 2 pm PST 9/2 – NEEDS A GENERATOR URGENTLY (Referred to EMA/FEMA)
DNug 2pm PST – 9/2 Reports that the roof came off the food pantry!

LTel 6:23 pm CST 8/30/08:

Spoke to Donice of WRAP.

They have two shelter facilities.

The WRAP building is at capacity with 140 evacuee population. They have 3 bathrooms and 3 showers and 2 fully operational kitchens.

The second shelter is an unmarked bldg. provided by a community member that is currently at capacity with 60 evacuees. Its location is: Varnado High School located next to our shelter across the street. They have a fully operational kitchen, 2 bathrooms and 1 shower.

2nd Harvest will not be delivering food until Tues. at the earliest (9/2). They are on the FEMA shelter list but FEMA will not provide any support or assistance "until there is a hurricane", so like 2nd Harvest, no assistance until Gustav is done. Red Cross is not helping.

They are currently in great need of Flashlights/Batteries because the smaller building doesn't have a generator. 2 weeks ago they received a good generator for the WRAP building so they are set there. They are also in great need of Toiletry Kits as many folks are showing up with "nothing, not a blanket or a toothbrush".

They are turning away a lot of folks that are just driving in without calling ahead and they "don't know where to go or what to do".

They have received evacuee's mostly from Orleans Parish, Slidell and Baton Rouge.

Donice was at the store purchasing food to feed evacuee's to cover until Tues. when I called and they have plenty of folks to help with cooking and shelter operations. They will be providing hot meals but no snacks.

During Katrina, they lost power for 6 weeks so they are preparing for no utilities for a lengthy period and she'll be able to get calls

Services offered: Shelter * (ANY/ALL Types); Shelter, Evacuation Shelter; Support for "All Local" Disasters

From the Site 6/10 – OIL SPILL UPDATE:

Since 2006 the Community Center of St Bernard has been here to help St Bernard families get the assistance they need, whether it's food, clothes, medical care, legal aid, counseling, or other services. Today the residents of St Bernard Parish, who have already survived Hurricane Katrina, are facing another disaster as the Gulf Oil Spill spreads, moving ever closer to their coastline. The oil spill is threatening the fish and seafood that many St Bernard families depend on to earn their living. A commercial and recreational fishing ban is currently in effect, and fishermen are signing up for our food pantry so that they will be able to feed their families until they can find other work. The Community Center is here, ready to help them in any way we can. But we can't do it alone. Please donate now so that we can continue to provide essential services like food and clothes to families in need.

With government estimates showing that more than 800,000 gallons of crude oil are now spilling out every day, the situation is becoming increasingly desperate. The federal fishing bans now cover one–third of the Gulf Coast, and commercial fishermen and other St Bernard residents who depend on the commercial and recreational fishing industries are signing up for the Community Center's food pantry so that they will be able to feed their families until they can find other work. The demand for basic services like food, clothes, and information are all up by more than 20% for the past month, with more families needing help every day.

9/5/08 LTel:

Spoke to Iray, they will be back to full operation Mon. 9/8 and are ramping up to distribute to the St. Bernard Parish community with the expecationt that the many evacuees returning will have a need to replace spoiled food and be financially challenged as a result of evacuation.

Americorps is delivering water, but he's going to assess if other hot spots need it more than they do before accepting it.

He's put in a request through the state for volunteers to assist next week with food distribution.

He asks that once Gustav efforts settle down to conference to update his facility entry in the database.

Services Available from the CCSTB:
(see schedule for services at www.ccstb.org)

Free local and long–distance phone service
Free fax send and receive
Free internet access with technical assistance if needed
Wireless internet access
Distribution center for food, clothes and toiletries

Space for neighborhood gatherings, community meetings and support groups
Satellite office space for other agencies
Laundry facilities (coming soon!)
Community suppers
Family movie nights and other family–oriented gatherings
Yoga classes

Free Legal Clinics
Free Mobile medical van stops at CCSTB weekly

The Community Center of St. Bernard Parish is a grassroots, nonprofit organization that is committed to creating a vital community space for residents and volunteers who are working together to rebuild the Parish, post–Katrina.

Socialization is key to the rebuilding of St. Bernard Parish. Isolation is one of the most damaging effects of Katrina. Residents need a place to come together daily, to share a meal as well as their unbelievably surreal stories with others who understand. It's natural and human to eat together, especially in New Orleans where food is so much a part of the culture. Residents need free phones and the internet to rebuild their businesses.

They need a respectful place to feel comfortable taking donated supplies that arrive for them from all over the world. And they need to feel that they're contributing to the recovery process, too. No matter how hard they hurt inside.

The Community Center of St. Bernard will offer a non–political, non–denominational, safe and inclusive space to assist residents in their return home, where they can gather to reconnect as they rebuild their lives, businesses and neighborhoods.

The Community Center of St. Bernard
R.M. Iray Nabatoff
Executive Director

Donations Welcome!
The Community Center welcomes donations of canned foods, used clothing and books, personal hygiene items, cleaning supplies, and baby care items for free distribution to local residents through our Mustard Seed program. All items should be in good condition and food should not be opened or spoiled. For more information about making a donation, please contact Mustard Seed Distribution Manager Jason Horwitz at 504–281–2512.

The Community Center is currently seeking computers, Pentium IV or better, and flat panel monitors to upgrade the media lab, which provides free computer classes and internet access, as well as free telephone, printing, copying and faxing services.

Office needs: copier paper, Pentium IV or newer computers, flat panel monitors.

Mustard Seed needs: receipt printer (with usb connection), nonperishable food items, toiletries, cleaning products, donated or discounted forklift, and 14–16' box truck. Also clothing (good quality), toys and baby products.

There are also many hands–on volunteer opportunities available at the Community Center. To learn more, please go to www.ccstb.org/images/volunteers.pdf or phone the Community Center Office at 504–281–2512.

Hurricane Gustav Relief and Recovery Fund
Sept. 5, 2008 (Day 4 after storm)
Some Foundation staff members surveyed the devastation across South Louisiana yesterday to gather information for tuning our Hurricane Gustav response. Following the trail of Gustav, they found that Houma and Baton Rouge appear to have suffered the most damage. In each city, winds had swept away roofs, particularly of houses near open spaces, where the 110–mile gusts had clear paths of attack. Also battered were Thibodaux and Donaldsonville, while Morgan City, Franklin and Lafayette were in relatively good shape.
South Louisiana residents are rightly proud of their resilience. For example, Donaldsonville city employees had worked through all their official clothes and resorted to wearing T–shirts to cut and remove trees. Louisiana National Guardsmen from Belle Chasse, after evacuating people in school buses from Houma to Shreveport before the storm, turned around quickly to create a drive–thru line for food, ice, water and tarps at Stephenville, north of Morgan City (see above). “We’re gypsies,” said one guardsman.

The people are tough, but that doesn't mean they can’t use a little help. To aid them, the Foundation has established a Hurricane Gustav Relief and Recovery Fund. Join us in helping them rebuild a stronger South Louisiana by donating to GustavLouisiana.org at this link: http://www.braf.org/site/c.jfISK0OxFkG/b.4453149/

The Fund

The Hurricane Gustav Relief and Recovery Fund will benefit all individuals impacted and/or displaced by Hurricane Gustav, as these individuals will face numerous challenges related to housing, food, education, healthcare, and other basic necessities. This fund will support organizations and programs that endeavor to meet the critical needs of these residents, assist communities impacted by a sudden influx of displaced individuals, and assist in the planning and rebuilding of infrastructure to provide basic human services to residents as they return to impacted areas. The Foundation will work with leadership from both governmental and private entities to provide resources to programs and projects that benefit impacted communities in their recovery processes.

Donations to the Hurricane Gustav Relief and Recovery Fund can be made using any of the following options:

https://www.kintera.org/site/c.jfISK0OxFkG/b.4453155/apps/ka/sd/donor.asp?c=jfISK0OxFkG&b=4453155&en=enKCIJMuHaIyFNMuF9JzEKPmGhJTISPnHcLFIQOwGeIELJPrFrH

Secure Online Donations to the Hurricane Gustav Relief and Recovery Fund can be made using all major Credit Cards, your PayPal account, or an Electronic Check.

By Check

Donations by check to the Hurricane Gustav Relief and Recovery Fund should be made payable to the Baton Rouge Area Foundation, and can be mailed or delivered to the Foundation's physical address:

Baton Rouge Area Foundation
402 North Fourth Street
Baton Rouge, Louisiana 70802

By Phone

We expect our phone service to return this Friday, September 5th, at which time we will be able to accept contributions by phone.

From the website 9/24/08:

Teams are needed that can wield chain saws and clear trees and/or debris. There will be some mucking out to be done as well.

9/4/08 FROM THE WEBSITE:

LA Conference of the UMC Disaster Response, Inc. (LCUMCDR)

Due to Possible Hurricane, we are asking all volunteers NOT to come to Louisiana. Please call after Wednesday for more information!

Region/Location: All of Louisiana

Speciality: Recovery and rebuilding from 2005 Hurricanes Katrina
and Rita

Description of volunteer needs: Non–skilled and skilled labor needed for debris cleanup and removal; gutting, cleaning, and repairing and rebuilding houses. Also administrative and case assessment needs.

Skills volunteers are required to have: Strong hearts and hands

Useful Skills: Carpentry, construction, trade skills, case
assessment

Rural/Farm related volunteers needed: Yes. Fencing repair is one type of need.

Tools or supplies volunteers should bring: Personal hand tools, if possible. See Web site for additional information.

Will volunteers need to bring any money or material, such as for housing: Yes. $10/day/person for housing.

Length of time volunteer can help: One day or more

Size of volunteer team: Varies according to job but usually around 8 people

Are individual volunteers welcome? Yes

Age restriction, if any: 14 and older wth a 3:1 adult ratio.

Denomination/affiliation, if any: United Methodist but all are welcome

Any other restrictions: Tetanus and Hepatitis C shots are recommended. For nsurance needs, see Web site for information.

Housing provided for volunteers, if any: Yes. Kitchens and showers are also available.

Meals provided for volunteers, if any: No

Any additional notes: "Recovery is a marathon, not a sprint."

Approximate date the project started: Oct–01–2005
Estimated date the project will end: Oct–31–2010
Information Updated: Aug–02–2006

2012 Hurricane Season
Due to renovations, University Presbyterian Church will not be available for he 2012 hurricane season.

It is possible that later in the fall the facility may be available.

Please check back to see our new and improved facility that will be available in 2013.

9/2/08
Presbyterian Disaster Assistance said it "has taken steps to evacuate the Presbyterian Volunteer Villages in Louisiana and Mississippi" and that it "stands ready to respond to Hurricane Gustav."
Source:
http://www.disasternews.net/news/article.php?articleid=3748

Q: Describe your sleeping facilities:

A: We have 12 beds (bunk style) in the main dormitory room.
We also have extra space for air matresses/cots (church has

6 on hand) but groups should contact us about their trip before assuming that this space will be available. Rooms are unisex.

Q: Does the dorm have showers/bathrooms? (how many?):

A: Yes, 1 shower (for larger groups we have access to the local YMCA for extra showers). Bathrooms we have 4 stalls for men, 6 stalls for women, and one unisex bathroom.

Q: Are meals served for volunteers?:

A: The church provides one day of breakfast, and at least one dinner. If groups need more meals, contact the church to discuss possibilties.

Q: If no meals, do you have kitchen facilities for volunteers to prepare their own meals?:

A: We have a kitchen, but no stove. We do have electic burners, grills, microwave, refrigerator, dishwasher, sink, dishes and flatware.

Q: Does Univ. Presbyterian Church have a rebuilding program and will volunteers be given work orders through the church or is this strictly housing for volunteers?:

A: We do organize trips upon request. We often work with youth groups who cannot gut due to age limitations, but are able to do other hurricane relief work around Baton Rouge. If groups already have a mission trip planned, and just need a place to stay, that is fine too.

Q: Is there a list of your churches needs (ie. building materials, distribution items for the community, etc.)?:

A: No – but if you want to bring something, contact the church for details prior to your trip.

Q: Is your church doing any community distribution?:

A: No

Q: Do you allow underage volunteers? If so, what are the specific age restrictions?:

A: We try to limit the groups to having members of at least senior high age. We would expect that any senior high group would come accompanied by sufficient adult supervision (try for 1 adult to 5 senior highs)

Q: Do volunteers need to provide their own bedding?:

A: We provide bedding for the bunks, but if bedding is borrowed, we expect volunteers to launder, fold and bag the bedding just as it was found. Some volunteer groups find it easier to just bring their own as they leave early in the morning and do not have time to do laundry.

Q: Do volunteers need to pay a fee for staying at the dorm? What does the cost include if so?:

A: Stay is free.

Q: Do volunteers need to provide their own transportation?:

A: Yes

Q: Does your church have a website address?:

A: Yes. Please visit: www.upcbr.org and click on "hurricane relief" to see information, policies, and waivers for the dormitory

OTHER NOTES: Additional programs the church has been involved in have been running several summer camps for relocated children over the summer '06 (Camp Noah) and other programs as well.

Michelle emailed Megan waiting for response. Call you have to enter in a mailbox number if you have one on the system

Woman's Hospital

Medical Facility · Standby

Baton Rouge, LA 70815

Phone	225.927.1300
Web	womans.org/giving_opportunities/hurricane.php
Serves	New Orleans, Houma, Morgan City, and other communities in southeast Louisiana
Checks payable to	Hurricane Relief Fund
Service	Temporary

How can you help? There are two significant ways that you can provide needed assistance:

1. Make a donation to our Hurricane Relief Fund, which was established to assist in this effort. You may make your tax deductible donation online or via mail. If you prefer mail, please make your gift payable to Woman's Hospital and mail it to:

Woman's Hospital
Hurricane Relief Fund
9050 Airline Highway
Baton Rouge, LA 70815

2. Donate new and unopened items (see list below) that are needed for our patients and their families. We cannot accept used items. When dropping off donated items, please do not bring them to the main hospital. Instead, go to the Materials Management building, located on the Connell's Drive side of the hospital campus. If you ship your donated items, please use the above address, with attention to Social Services.

Thank you for your interest and support. We feel honored to be able to provide the needed healthcare and support services to the women, infants, and families impacted by Hurricane Gustav. It is yet another way we are working to fulfill our simple but profound mission – to improve the lives of women and infants.

Services offered: Medical, Facility, Hospital, Acute Care Hospital; Services *0* (Choose this if You Provide or Need ANY Type of Social Services)

Public Notice
August 29, 2012
After looking at the latest storm projections, Plaquemines Parish officials, Plaquemines Parish Fire Department and Sheriff's Department along with GOHSEP, the Governor's Office, CPRA, the National Guard, state police, the Coast Guard, the US Army Corps of Engineers, have decided to order a mandatory evacuation from the Oakville Flood Gate on Hwy 23 to Venice. Residents are urged to evacuate this area.

A shelter will open at the YMCA in Belle Chasse located at 8101 Hwy 23. The shelter will open at noon today.

Hwy 23 is open to traffic. If you can get to the shelter on your own please do so. If there is water on your street and you feel unsafe traveling on your own please call 911 and a sheriff's deputy will transport you and your family to the shelter safely.

Water will start rising this afternoon and could exceed the height of the levees. The new models are a result of the storm continuing to push water for long periods of time. Please heed warnings and evacuate as soon as possible or call 911 for assistance.

Phone 504 392–1601
Web www.paws4life.org
Service Temporary

P.A.W.S. is only one of two NO KILL SHELTERS (the other is ARNO) in the Gulf Region of Louisiana.

2012 HURRICANE ISAAC –
http://paws4life.org/?page_id=894

On August 30, 2012, Plaquemines Animal Welfare Society (PAWS), a no–kill shelter partnered with Plaquemines Animal Control and opened it's doors as a safe–haven shelter for all of the displaced, lost and abandoned dogs and cats from Plaquemines Parish that have been adversely affected by Hurricane Isaac.

FACEBOOK POST – Posted 6/12/2010
http://www.facebook.com/pages/PAWS–Plaquemines–Animal–Welfare–Society/104507814178

P.A.W.S. – Plaquemines Animal Welfare Society Free pet food for the residents of Plaquemines Parish affected by the oil spill. We want you to keep your pet so this is one way we can help. The food will be distributed on Saturday from 10–2 at the Pointe Celeste Therapeudic Riding Center. For more info please call Paws at 392–1601.

Plaquemines animal shelter helps those left unemployed by Gulf of Mexico oil spill

From the Website:

http://www.angelfire.com/la3/paws–site/

P.A.W.S. (Plaquemines Animal Welfare Society)has moved to a larger facility Feb. 2004.This is great for our dogs, they now have room to go out and run and play.

WHO WE ARE AND WHAT WE DO

We are a non–profit organization. Our main goal has been the spaying and neutering of animals in order to control the population of unwanted animals, thus reducing euthanasia, starvation and cruel death in our area.

Our group goes into the pound each Wed. and pull whatever adoptable animals we can care for. We then take these animals directly to a veterinarian where they are checked, sterilized and "fixed up" when needed.

Without our adoption program, all of the animals you see pictured on our site would not have had the opportunity to find their forever home.

We need more helping hands to keep P.A.W.S. running. We need foster homes for cats, dogs, kittens and puppies. We urgently need assistance from people who are experienced in grant–writing and fund–raising so that we can continue to expand our facility. We're always ready to take donations for dog food,"we are now using Hills Science Diet "for all our dogs,puppies,cats and kittens. Kitty litter, vet medicines, old, clean towels and blankets as well as leashes and collars.

If you would like to help in any way, may it be as: Foster parent, Writing Grants, Fund Raising Activites, Cleaning, Walking dogs, Feeding and Cleaning Cat Cages, Donations of money, Time, Supplies. Please do not hesitate to contact us. 392–1601. Or e–mailing us at: paws2003@bellsouth.net.

Hours 8 am –5 pm, M–F, CST
Serves WA Parish
Eligibility Survivors of Hurricane Katrina & Gustav

Checks payable to TRIANGLE OF HOPE MINISTRIES
Service Temporary

9/1/08 FROM THE WEBSITE:

In the event that Hurricane Gustav has a dramatic impact on the Bogalusa area, we will:

Post updates on the type of damage that has occured and the present condition of the city

Provide information on how our partners might best be able to assist this community if they feel led to do so

Begin to coordinate and facilitate any groups that might be interested in partnering with us to make a difference for Christ in tangible, practical ways

How are we preparing now:

We are meeting with city and parish officials every morning at 9 AM to make necessary, coordinated plans to ensure that we can effectively respond to any disaster that might occur

Pastor Marcus, Westside Emmanuel, has already made arrangements with the disaster relief teams from the Salvation Army who partnered with Westside as first responders after Katrina. These folks will provide hot meals to our community (last hurricane they served over 1000 meals a day). Westside will also serve as a distribution site for dried goods, water, and personal items.

Pastor Bob Adams, FBC Bogalusa, has secured a feeding unit from the SBC, along with a chain saw crew if activated to our area

Local pastors have met and begun to establish procedures for communicating with one another in the event that we lose phone capabilities again

Serves: Bogalusa, LA (10 mile radius)

Families/Orgs That Want to Adopt Families – SEE WEBSITE AT:
http://www.trihope.homestead.com/Adopt.html

Adopt A Project
These are just some of the over 400 projects available for you to choose from as you partner with us in changing the city of Bogalusa – from the inside out. If you do not see a specific project on this page, please feel free to email us and find out more information about the other projects available for you to participate in during your trip to Bogalusa. We have demolition jobs, roofing, sheet rock, painting, ceiling installation, plumbing, electrical work... you get the idea. Based on your groups skills, we will be able to connect you with a project that will not only change the resident, but the members of your group as well.

~~~~~~~~~~~~~~

Speciality: Rebuilding & recovery from Hurricane Katrina

Description of volunteer needs: All trade skills for rebuilding homes including but not limited to: carpentry, drywall, roofing,Electricians,Plumbers etc.

Skills volunteers are required to have: Wilingness to work

Useful Skills: Electricians, plumbers, any and all trade skills

Tools or supplies volunteers should bring: Personal tools, if possible

Will volunteers need to bring any money or material, such as for housing: $50/week/person for housing. Call for more details.

Length of time volunteer can help: 1 day, 1 week preferred, or longer

Size of volunteer team: 30

Are individual volunteers welcome? Yes

Age restriction, if any: 15–18 yrs. need adult supervision

Denomination/affiliation, if any: Interdenominational, all are welcome

If yes, must volunteer be a member: No

Any other restrictions: Tetanus shot required

Housing provided for volunteers, if any: Yes – included in $50 fee is dorm housing with air conditioning. May need to bring sleeping bags; please call for details.

Meals provided for volunteers, if any: No, but we have a full kitchen for meal preparation.

Any additional notes: Bogalusa is a small but very loving community that appreciates their "Red T–shirt" volunteers. Please come and be a part of our rebuilding.
~~~~~~~~~~~~~~

Approximate date the project started: Oct–10–2005
Estimated date the project will end: Oct–10–2008

Watching Gustav –– and making preparations
Created: August 28, 2008 11:44 AM
Modified: August 28, 2008 06:39 PM

A decision on evacuations from South Louisiana in advance of Tropical Storm Gustav will not be made before Sunday morning, Shreveport Mayor Cedric Glover and the local head of homeland security said today.

If evacuations are ordered for Louisiana's Gulf Coast area, the city will have a huge influx of evacuees, homeland security director Sandy Davis said late this morning at a news conference at Government Plaza.

There is a lot of uncertainty about what will happen in the next few days because forecasters don't know what the storm's path will be as it moves across the Gulf of Mexico. Forecasts have called for landfall from Texas to Florida's panhandle early next week.

But state officials were in high gear on evacuations plans –– mindful of the botched state and federal response to Hurricane Katrina three years ago and determined not to repeat it. The state's handling of Katrina sunk the administration of Gov. Kathleen Blanco.

"Don't wait until this storm comes into the Gulf," Gov. Bobby Jindal said at a news conference.

The city of Shreveport is also making preparation in case Gustav makes landfall in Texas or western Louisiana and dumps huge amounts of rain here as it moves inland.

Crews from the streets and drainage department today were clearing debris and vegetation from drainage ditches. They want to reduce the changes of the ditches being clogged as water pours into them.

The state has lined up hundreds of buses to carry people out of New Orleans and other parts of South Louisiana who don't have transportation. Shelters would be set up at Hirsch Coliseum at the fairgrounds, the old Sam's Club on Jewella Avenue and the former Sports Mall off Interstate 20 in far west Shreveport.

Caddo Parish prisoners were at Hirsch today, unloading 5,000 crates that will be used to hold pets that would be evacuated

For people who have their own transportation, shelters will be set up at LSU–Shreveport and Southern University–Shreveport. Those with medical needs will go to the Bossier City Civic Center.

August 2012: sent email asking for update. Noticed that their website doesn't work. A quick search showed them as a "member" on the Committee for Plaquemines Recovery (CPR), which doesn't have much up to date status on their own website: http://cprrebuilds.org/home.html Nothing about Isaac. Email to ptplisko@yahoo.com bounced.

People for Plaquemines is a non–profit entity devoted to ongoing Hurricane Recovery in Plaquemines Parish Louisiana.

People for Plaquemines is a start–up non–profit assuming the mantle of another relief organization that has lost its funding and whose departure from Plaquemines Parish is immenent– End of June '07.

Recovery is just now gaining a toe–hold in South Plaquemines Louisiana. Nearly all of the homes still need rebuilding, many still need gutting and clean–up.

It is unclear at this time what, if any, supplies and materials will be left for the start up operations of the People for Plaquemines Community Center and Residential Rebuilding operations.

Thank you for all you do. Good works anywhere count everywhere...

FROM THE UNITED WAY SITE 6/10:

United Way Impact Partners At Work

St. Bernard Project, a United Way partner agency, is responding to the spill by expanding their mental health clinic to Lower St. Bernard and Plaquemines and creating jobs for fisherman through their Good Work Good Pay (GWGP) program. The Center for Wellness and Mental Health will have increased hours of operation and will attempt to hire local shrimpers and/or their spouses as community outreach workers and peer counselors. The GWGP program will hire, train and pay livable, union–level wages with full benefits to local fishermen affected by the oil spill (as well as other local under– and unemployed individuals and war veterans.)

The Oil Spill and SBP (From the site)

The immediate ramifications of the oil spill and the long–term impact will result in mental health problems for the residents of St. Bernard, Plaquemines and Orleans parishes reports Michelle Many, Licensed Clinical Social Worker and Professor in LSU's Department of Psychiatry. The recent oil spill has already brought a blow to the prolonged recovery from Katrina, and LSU clinicians report that residents are suffering from re–traumatization. "Much research has shown that people who have a history of PTSD (as a quarter of Katrina survivors do), have an increased risk to develop PTSD again."

Uncertainty about the scope of the spill and the impact on residents' livelihoods, is causing increased stress. Receiving assistance checks makes many fishers feel a sense of shame. These feelings, along with the loss and anxiety about the worsening situation in the Gulf, can be triggers for major depression, anxiety and other acute mental health problems. Finally, because many shrimpers and fisherman are self–employed, they do not have health insurance and cannot afford to seek services from the other mental health providers in the community.

Via focus groups, we have learned:

1. fishermen are desperately afraid that they will not be able to support their families, and that generation–surviving employment, lifestyle and recreational pursuits will be forever foreclosed;
2. fishermen are staying away from home because they fear they will contaminate their families if they participate in cleanup and because they do not know how to healthily communicate with their family members about their anguish;
3. wives/partners do not know how to communicate with their husbands/partners to allay their own fears or to sooth/comfort their

husbands;
4. suicidal ideations, debilitating anxiety and depression are increasing dramatically for people whose lives intertwine with a water–based culture; and
5. residents are amenable to receiving mental health and wellness services because they know that their current mental status will further debilitate them.

SBP's Proposed Solutions: Expand mental health services and create jobs

1. Conduct training and provide support for a Peer–to–Peer wellness and counseling program using a model that was effective post 911 in NYC;
2. Provide 42 additional clinical hours of free licensed mental health and wellness services
3. (one–on–one and group sessions) in current Chalmette location of our Center for Wellness and Mental Health; Replicate our Center for Wellness and Mental Health in Lower St. Bernard and in Plaquemines Parish and provide at least 70 clinical hours each week in each location;
4. Hire wives and family members of fishermen to conduct community outreach and referral services.

FROM THE SITE:

St. Bernard Project's Center for Wellness and Mental Health

Three years after Hurricanes Katrina and Rita rendered uninhabitable all 27,000 homes in St. Bernard Parish, less than 50% of the population has returned. Even for those who have returned, many are not yet living in their homes. Nearly 2,000 families still reside in FEMA trailers, and thousands of others live in FEMA/DHS supported housing (ending in March 2009) or in over–crowded family houses. In St. Bernard nearly 75% of the 25,000 homeowners did not have adequate insurance. These homeowners, following the recommendations outlined by FEMA’s flood maps, did not purchase flood insurance because they were told that their communities were not at risk of flooding.

Nearly two years after the federal government initiated its Road Home program to help families return and rebuild, an unacceptable number of homeowners are still waiting for assistance. According to a report published by the Brookings Institution in August 2008, only 70% of all qualified applicants for federal Road Home assistance have received funding through the program. To further compound the problems with the Road Home program, an independent study determined that the majority of Road Home recipients did not receive sufficient funds to rebuild. The small size and slow pace of the grants being awarded has resulted in an unnecessarily slow recovery for residents in St. Bernard Parish.

St. Bernard Project's Rebuilding Program is succeeding where others have failed. Our program serves financially challenged clients in three categories: elderly, disabled, and families with small children. By utilizing volunteer labor, skilled supervisors and affordable building supplies, we are able to return clients to their homes by completing volunteer labor in just 12 weeks. The cost to the Project is approximately $12,000 per home. To date the Rebuilding Program has completely rebuilt 167 families’ homes. We are currently at work on more than 30 damaged homes.

In order to further contribute to the health and stability of the area, SBP developed a partnership with LSU to open the Center for Wellness and Mental (CMWH). The CWMH will be offered from a private section of the St. Bernard Project’s office, a place that residents have visited to access our Rebuilding Program and in which they have developed strong institutional thrust. By operating the CWMH under the same roof as the Rebuilding Program, residents will benefit from a one–stop shopping model that will minimize the stigma that is often associated with accessing mental health services.

The CWMH will begin offering services January 19, 2009 for participants in the St. Bernard Project and other St. Bernard residents including children, adolescents, adults and families. The CMWH will offer both group and individual services including The Welcome Home Program, which will be available to all new participants/families of the St. Bernard Project as they begin the rebuilding process to encourage and support the “psychological rebuilding” that optimally should accompany the structural rebuilding of homes.

St. Bernard Project's Good Work Good Pay Program PDF Print E–mail

SBP recognizes the immense value of our 20,000+ volunteers. The work they have done in the past and will continue to do in the future is a vital component of our mission. However, we realize that a disaster relief model relying solely on volunteers –– and a disaster relief model that takes four and a half years (and counting) to return families to their homes can become even more effective. SBP believes it has found an innovative and replicable solution.

Our newest program, the Good Work Good Pay (GWGP) Program, will hire returned war veterans and other local under and unemployed individuals to build and rebuild affordable housing units. We will pay our new employees livable, union–level wages with full benefits. This will give us the skilled and consistent workforce needed to not only rebuild homes more efficiently for those who owned their homes before Hurricane Katrina, but also to create brand new affordable housing for our lowest income clients.

GWGP will not replace the volunteer–driven rebuilding model that is so essential to our mission but, rather, will work in tandem with it. By using the two programs to complement each other, SBP will be able to keep costs low while substantially increasing the number of units it can complete in a single year. In 2009, SBP was able to return 100 families home. In GWGP's first year, we anticipate completing a minimum of 186 homes. In that same first year, SBP will create over 30 living wage–paying jobs for veterans returning from the wars in Iraq and Afghanistan.

Executive Director, Zack Rosenburg, explains how SBP arrived at this innovative solution: “In New Orleans there is an unmet demand for 20,019 affordable housing units and at the same time, we have an unemployment crisis which is amplified in the case of veterans. One in nine veterans are currently unemployed. Our country’s returned veterans are not just statistics – they are people who have faced great danger and put themselves at great risk during their tours of duty. This is a solvable problem and we intend to solve it.”

Veterans face a variety of challenges when trying to reenter the workforce upon returning home. Robert Pearson, 23 years of age and a former paratrooper explains, “A job counselor once told me that some employers consider a military record ‘almost like having a felony’ because of the negative, unstable emotional health issues associated with armed service.”

While many employers avoid hiring veterans, SBP sees this as an incredible opportunity. A recent study showed that 88% of veterans surveyed said that disaster relief is something they, personally, consider to be “very important” as they move forward in their civilian lives.

“True, some may suffer from post traumatic stress disorder,” admits SBP’s Director of Construction and himself a veteran, Jim MacQueen. “But veterans are mature, accustomed to following directions, understand the advantages of teamwork, are problem solvers and I am so excited to begin working with them. It will do great things for our organization.”

Zack believes SBP is creating a program that can be replicated around the country. “While our city had the misfortune of Katrina, cities across the United States are struggling with the same blighted properties, high unemployment rate, and lack of affordable housing as New Orleans. We believe we are creating a model for recovery that will not only help New Orleans and other natural disaster–affected areas, but will also help any city suffering from the deterioration that accompanies economic disaster.”

The St. Bernard Project is a grassroots, nonprofit rebuild organization that provides direct rebuilding, financial and community support to families in St. Bernard Parish, La. who were displaced and devastated by Hurricanes Katrina and Rita. Our mission is to break down barriers that hinder families from returning to their homes and community.

The St. Bernard Project offers the following services to residents of St. Bernard Parish:

Support A Family Network: Provide building supplies (mainly drywall, roofing and electrical materials) and/or volunteer assistance to help families rebuild their homes.

Tool Co–op: Loan tools and equipment to residents.

Community Center: Provide vital meeting, leisure and computer use space for residents whose community centers have disappeared.

How You Can Help
Volunteer! We can?t operate without volunteers to assist in rebuilding these homes. There is no experience required ? we will teach you everything you need to know!

To sign up, please contact Volunteer Coordinator Janie Strachan at janie @stbernardproject.org or (504) 261 0345. If space is available, please download and read the Volunteer Arrival Packet.

The Southeast Louisiana Chapter serves 13 parishes including:

Assumption, Lafourche, Terrebonne, St. Mary's, Plaquemines, St. Charles, St. John, Orleans, Jefferson, St. Bernard, St. Tammany, Tangipahoa and Washington

Affected by Hurricanes Katrina, Rita or Wilma? We may be able to help you. Please contact Al Hamilton (ahamilton@arcno.org) so that we can set you up with case management.

Interested in receiving hurricane preparedness or hurricane recovery education? Please contact Brenda Singelmann at bsingelmann@arcno.org.

Part of a community organization and interested in helping to create a plan for long–term recovery? Please contact Paul Timmons at ptimmons@arcno.org.

Preparedness needs training!!

The Health & Safety department of the Southeast Louisiana Chapter offers a variety of high–quality, low–cost training courses for people of all ages. These courses are designed to help family, friends, and co–workers respond properly to health–related emergencies. Last year our intructors trained local people in life–saving courses, such as First Aid/CPR, Aquatics and HIV/AIDS education.

See link below for available training courses!

http://www.arcno.org/index.php?pr=Health–Safety_Courses

We will update this site during emergencies to provide you with information about local evacuations, shelters locations and distribution sites, as well as any other important information.

SHELTER, Covington High School

Shelter · Standby

Evacuation Shelter, School, Special Needs
73030 Lions Dr, Covington, LA 70433

Phone (985) 892-3422
Serves St. Tammany Parish
Eligibility Hurricane Evacuees
Service Temporary

The parish will open its first two emergency evacuation shelters at 2 p.m. Sunday (8/31/08) at Creekside Junior High School , 65434 Hwy 41, Pearl River, and William Pitcher Junior High School , 415 S. Jefferson St. , Covington . Additional shelters will be opened as these reach capacity, Davis said.

The parish's special needs shelter at Covington High School, 73030 Lion Drive, Covington, will open at 4 p.m. Sunday. Those with special needs do not need to register for the shelter and should call the Council on Aging St. Tammany at 985-327-0185 if they need transportation to the shelter.

Davis said parish officials are waiting until after today's 4 p.m. forecast before issuing any evacuation orders.

Posted at 230

Citizens living in travel trailers, mobile homes should evacuate to these shelters. Tropical Storm Force winds are expected in St. Tammany Parish beginning Monday. Trailers and Mobile Homes will not be safe during tropical storm force winds.

The St. Tammany Special Needs Shelter at Covington High School will open Sunday, August 31 at 4pm. There is no reason to pre-register for the Special Needs Shelter at this time. St. Tammany residents who have special needs and CANNOT EVACUATE due to health issues should monitor the news, radio & website for special needs shelter opening announcement. Those needing transportation to the Special Needs Shelter should call COAST at 327-0185.

The State of Louisiana Special Needs Shelter in Hammond is now open. The phone number there is 985-549-5870.

Citizens should bring all personal items they might need to the shelter, including bedding.

9/9/08 LTel:

Spoke to Pastor Ken Smith and they have exhausted their financial resources at this point to provide Gustav relief.

They continue their local operations in providing volunteer housing and work orders to finish up recovery for Katrina.

9/4/08 Per call to Pastor Kenneth Smith:

The pastor is on his way to with relief supplies he's delivering to Baton Rouge (tarps/gasoline/biz queen – plastic polyetheline rolls).

They are also securing a refrigerated trailer that is being picked up in MS that will be delivered to Gonzalez, LA in order to make ice and keep perishables.

A volunteer team is arriving Sat. 9/6 to assist with first response efforts and he is coordinating their stay in Baton Rouge, LA.

Two church members traveled to Houma/Terrebone Parish on 9/3/08 and he's waiting for an assessment report of needs in that region that should come today once they get into good cell reception.

Pastor Smith will keep me informed of any unmet needs or regions.

9/3/08 LTel Per Call to Pastor Vic Warrick:

No changes, same as stated below as relates to Volunteer Housing.

They do not get work orders for Katrina repairs/rebuilds. They serve their community as needed.

They have zero volunteers being housed at this time and are not booked out.

They are getting ready to build a drug/alcohol rehab center for their community.

They are currently working on coordinating relief efforts in Baton Rouge as relates to Gustav. Left my contact info with Pastor Vic to let me know if he ID's any unmet/underserved needs.

4/2/07: No changes/Same as stated below

CIA
CHRISTWAY IN ACTION

As a service to the community, CIA provides cold water, gas cards, and sometimes, food to the people of DeRidder and surrounding areas.

For whoever gives you a cup of water to drink in My name, because you belong to Christ, assuredly, I say to you, he will by no means lose his reward. Mark 9:41

Pasado's Safe Haven rescued 1200 animals during Hurricane Katrina and hope to do even more good this time around.

Pasado's Safe Haven rescues dogs, cats, horses, as well as livestock. They provide medical care as well as look for new homes for these animals.

FROM THE DISASTER RESPONSE CENTER
at Pasado's Safe Haven

We procure everything our field responders in Louisiana need from our sanctuary in Washington State – from trucks, to kennels, to food for the animals (or the humans!) it ALL happens HERE, round–the–clock.

Also, the hundreds of animals who reside on 80 acres at Pasado's Safe Haven's sanctuary in the Pacific Northwest still need help.

We sent many of our FEMA–certified disaster responders (on staff at Pasado's) to help in Louisiana.

We need extra hands now at the sanctuary to help with Hurricane Gustav OR with our animals!
Who can help? We'll ask you to help in the office, with the dogs in Dog Towne, in Kitty City, or with all the farm animals.

State Announces Distribution Points in Lafourche, Iberia, St. Mary, and Terrebonne Parishes

September 2, 2008 – 4:32 pm by Heidi VanderVelde

Baton Rouge (September 2, 2008) – The National Guard has now opened six supply distribution points throughout Lafourche, Iberia, St. Mary, and Terrebonne Parishes. These points will distribute water, ice, food, and tarps to residents affected by Hurricane Gustav.

The points will be located at:

Lafourche Parish
. Matthews: 4876 Hwy 1 (located adjacent to the new Wal–Mart.)
Iberia Parish
. New Iberia: 1202 E. Admiral Doyle Drive
. Jeanerrette: Abandoned Piggly Wiggly on Hwy 182.
Terrebonne Parish
. Houma: Behind the Civic Center at 346, Civic Blvd.
St. Mary Parish
. Franklin: Patterson Civic Center 116 Cotton Rd.
. Morgan City: Morgan City Auditorium, 725 Myrtle St.

The National Guard, along with local Office of Emergency Preparedness' , are currently working to open locations in the Baton Rouge and Alexandria areas. As soon as locations are finalized they will be released.

2012 HURRICANE ISAAC –

Donations Urgently Needed to Repair Shelter

(9/03/2012) We sheltered in place running on two generators, and three of us were there 24 hours a day from Tuesday thru Friday night. Friday night our power was restored. All the animals are fine. Twenty dogs were put in foster homes and a few cats to give us the room to keep all animals under the main warehouse roof. Animals remained calm through the storm, as they all saw us every five minutes and we think the 'white noise' of the generators kept them from hearing the roaring winds and rain.

Service	Temporary

June 2010: TF: This site and its sister sites appear to be very active in rebuilding still.

Nice prayer for their communities:

the silence in the coastal communities
is almost deafening,

as shrimp boats lie still in
the harbor waters,

the nets on fishing trawlers wave gently
in the soft breeze,

the crews standing on the docks
staring into the hopeless
future,

their livelihoods snatched away
when Leviathan slipped off
the hook set for him
in the deep sea.

the marshlands
echo with the cries of
the egret and heron,
the pelican and seagull,
who find their sheltered
home
a dumping station
for human greed;

the turtle with its young
plods slowly along,

knowing they cannot outrun
terror's tide about
to sweep over them.

your heart is over the waters,
Tender God,
broken,
aching,
weeping,
longing,
your keening voice
joining the anitphonal
soundings of the whales
from the depths of despair.

(c) 2010 Thom M. Shuman

Council on Aging, Terrebone Parish Branch

Walk–in Resource · Open

State Agency
995 West Tunnel Boulevard, Houma, LA 70360

Web goea.louisiana.gov/area_agency_on_aging.html
Serves Terrebonne Parish
Eligibility Elders impacted by Hurricane Gustav, Ike
Service Temporary

In order to help the elderly, Council on Aging staff have been trained to administer Disaster Food Stamps. People 60 years of age or older should contact their local parish Councils on Aging for the nearest Disaster Food Stamp Assistance Application Site for seniors. If the local Council on Aging is not available, seniors should contact the Governor's Office of Elderly Affairs at 1–877–340–9100.

DSS Secretary Williamson emphasized that the Disaster Food Stamps program has strictly defined income eligibility and can only be used for the purchase of food, and reminded participants in the regular Food Stamp Program that they do not need to apply. Their benefits will automatically be lifted to the maximum amount allowable for September and their August benefits have been increased by 20 percent in order to replace lost food.

Serves Houma, LA – Terrebone Parish
Eligibility Impacted by Hurricane Katrina/Gustav
Service Temporary

9/15/08 LTel:

Spoke w/Penny at the PDA Call Ctr.

This site is on standby and they are not expecting to get their PODS (military type blue and white tents) back up and the volunteer camp functioning until either Nov. or Dec. of '08. They are diverting all Houma scheduled volunteers to their Luling, LA site just outside of New Orleans.

Officially on standby till further notice.

9/4/08 Update per PDA Email Newsletter:
Houma (Good Earth) - Houma, LA

There is as yet no information on the status of Houma. PVV staff will go and do an assessment as soon as they are cleared to visit the area.

VOLUNTEERS
Our hope is not only to honor all volunteer work team reservations, but to be able to support others responding to Gustav as well.

Volunteer teams interested in serving in the Gulf Coast are encouraged to contact the PDA Call Center at 866–732–6121 to pre–register. Penny and the call center volunteers will have information about opportunities to serve as it becomes available. Thanks for your patience while we wait for more information.

Please pray for those who have been forced to evacuate, those who are anxious to return to their homes, the leaders and those responding to this crisis.

9/2/08
Presbyterian Disaster Assistance said it "has taken steps to evacuate the Presbyterian Volunteer Villages in Louisiana and Mississippi" and that it "stands ready to respond to Hurricane Gustav."

Source:
http://www.disasternews.net/news/article.php?articleid=3748

For Volunteer Coordination please contact:

Andrea Mitchell houvg8a@ctr.pcusa.org (601) 695–2190
or Penny Noel and the volunteers at the PDA Call Center, (866) 732–6121

You can also register online at: http://www.pcusa.org/pda/register/team.jsp

Age limit is 18 years and up. Ask specifically for a reservation at HOUMA, LA. Ask for a confirmation call to confirm the assigned camp and date. PDA will send medical form, release of liability form and info package on what to bring to camp. PDA sends daily list to Camp Manager on occupancy status.

The Good Earth Camp can house 100 people and a work team must have at least 5 people. The facility has showers and a large mess tent. There is a $20/day charge for room and board. Meals are provided and there are restaurants near by.

Needs as of December 2007: Greatest needs are for rebuilding and skilled labor such as roofing, drywall, carpentry, plumbing and electrical work. Less skilled volunteers can be helpful in jobs such as scraping and painting. They can also learn from and work alongside skilled volunteers in jobs such as drywall and roofing.

Volunteer groups are faced with the challenge of taking more responsibility on the worksite. Groups function most effectively when one of their own can work onsite to delegate tasks and manage the daily activities.

Additional information: The Village is in the heart of Cajun country, and volunteers who come learn about the environmental and cultural aspects of the area. They can also get a taste of Cajun cuisine and hospitality. In addition to the time spent on work sites, volunteers help with projects needed to keep the village running smoothly, such as cleaning and organizing.

Many volunteers have helped with the construction of a permanent building on site, the result of collaboration among PDA, the local Elks lodge, and the Presbytery of Giddings–Lovejoy. The building has been completed and opened for use in the village. It provides an indoor kitchen with two gas ovens/stoves, range hoods, air–conditioned gathering space, indoor bathroom facilities and a TV that receives local channels. The hall will also be used for community events sponsored by the Elks.

Services offered: Construction, Rebuilding, Volunteer Services; Facilities: Bathroom Facilities (For Volunteers); Facilities: Shower Facilities * (ANY/ALL Types); Facilities: Shower Facilities for Volunteers; Housing, Volunteer Housing ($ NOT FREE); Housing, Volunteer Housing * (ANY/ALL Types); Management, Volunteer Placement; Meals * (ANY/ALL Types) ; Meals, Volunteers, Meals for Volunteers; Volunteer Opportunities, In General * (ANY/ALL Types); Volunteers, Groups of Volunteers (This facility accomodates Groups of Volunteers); Volunteer, Volunteer Registry, Online; Volunteer Work Orders/Projects (provided by this facility)

LTel 9/11/12:
SOURCE: http://www.dailycomet.com/article/20120911/ARTICLES/120919957

Charity organizations are asking for donations in the aftermath of Hurricane Isaac as they work to feed, clothe and shelter some southeast Louisiana residents who lost everything in the storm.

Melodia Benoit said that local food banks saw an influx of families seeking help after the storms. Benoit is manager of the Raceland Good Samaritan Food Bank and co–manager of the Thibodaux food bank. Both food banks are run by Catholic Charities.

With some already struggling due to the tight economy, the loss of a week of work or a freezer full of food was enough to send already struggling people searching for help, she said.

“People who already live paycheck to paycheck are struggling a lot after this storm,” said Terri Kaupp, a spokeswoman for Second Harvest Food Bank of Greater New Orleans and Acadiana. The food bank works with churches in Terrebonne and Lafourche to set up food banks.

Second Harvest has already distributed more than 873,000 pounds of food, water and cleaning supplies.

Kaupp said that the nonprofit's supply of nonperishable food items is perilously low, at about 330,000 pounds. The food bank is currently distributing about 100,000 pounds a day of supplies.

Items needed include canned fruits and vegetables, tuna, soups, stews, chili, beans, rice, pasta, cereals, juices and shelf–stable milk. Cleaning supplies such as bleach, disinfectants, and other multi–purpose cleaners are also needed.

To help, drop items at the Terrebonne Good Samaritan Food Bank, 254 Magnolia St., Houma; the Raceland Good Samaritan Food Bank, 2084 La. 182; or the Thibodaux Good Samaritan Food Bank, 100 Birch St.

There are many programs that TRAC provides that could use your support. Visit the WHAT WE DO section of the site to find out more about the work TRAC is doing for the people of Louisiana. Then we encourage you to contact TRAC and see how you and/or your company/organization can support TRAC.

How Is TRAC Making A Difference In Louisiana?

GEOGRAPHICAL AREA SERVED
TRAC provides all of its disaster recovery services to affected families in Terrebonne and Lafourche parishes. TRAC is also providing FEMA/NFIP/SBA appeal advocacy to any family in need throughout the Gulf Region. We are the recognized LA Road Home Advocacy Agency for this area. We serve 21 Southern Parishes with Disaster Preparedness Education Programs.

ORGANIZATIONAL CAPACITY
TRAC, a community based 501(c)3, has worked in the areas of long–term disaster recovery, disaster preparedness education, residential mitigation assistance and year round individual support services since Hurricane Andrew in 1992. TRAC serves as the network convener in coordinating donations, volunteer labor, and financial contributions from the faith, civic, social, business, government groups and individuals that participate in long–term disaster recovery in Terrebonne and Lafourche parishes.

TRAC PROVIDES
– Client Advocacy
– Construction Supervision, Volunteer Worksite Supervision, Construction Estimation
– Volunteer Management, Volunteer Project Management
– Sustainable Housing Development and Technical Assistance - “The LA Lift House”
– Development, Management of all existing programs and those developed organically in the future in conjunction with recovery.

http://www.tpcg.org/oep/emergencies.asp

SHELTERS

331 residents are currently sheltered in Terrebonne Parish. The remaining shelter sites are Gibson Gym, Schriever Recreation Center, Dumas and The First United Pentecostal for special needs individuals. Staging will continue at Houma Jr. High until 5:00 p.m. today at which time that site will close.

9/13/2008 12:14:29 PM
TERREBONNE PARISH, UNIFIED COMMAND STRUCTURE
PRESS BRIEFING
SATURDAY, SEPTEMBER 13, 2008
10:00 AM

SHELTERS
As of 8:00 a.m. today, there are approximately 480 people being sheltered in the parish. Dumas Auditorium, Houma Jr. High are full. Houma Jr. High will be used as a staging area for people who want to be sheltered and they will be transported to shelters that have available space. Schriever Recreation Center, at this time, has 30 available spaces and Evergreen Jr. High is being made ready for evacuees and will be open today. Special needs evacuees continue to be housed at the First United Pentacostal Church at 215 Hollywood Road, Houma. Parish Officials have two (2) additional sites for shelters if needed.

PRESS BRIEFING
9/13/08 LTel:

This site is being evac'ed due to flooding from Ike to "Evergreen".

FRIDAY, SEPTEMBER 12, 2008
10:00 AM

Presently, two (2) shelters are open for evacuees from Hurricane Ike; those being Houma Jr. High and First United Pentacostal Church at 215 South Hollywood Road for special need evacuees. Approximately 100 people evacuated to Houma Jr. High last night and the total number of people being sheltered at this time is 224. An unofficial shelter is open at the East Park Recreation Center and Red Cross personnel will go to that location today to assist the East Park personnel.

Published: Thursday, September 11, 2008 at 10:24 a.m.
Last Modified: Thursday, September 11, 2008 at 10:25 a.m.

Terrebonne Parish President Michel Claudet has called a voluntary evacuation beginning at 10 a.m. today for bayou communities from Pointe-aux-Chenes to Dularge.

“The traditional areas that take on water,” said Bill Dodd, a Terrebonne Parish Sheriff’s Office attorney acting as a spokesman for the Emergency Operations Center. “They know who they are.”

Houma Junior High, which was used as a shelter after Hurricane Gustav, will remain open for evacuees. It has a capacity of more than 300, Dodd said.

9/13/08

Leslie Teltoe
leslie@citizenactionteam.org

These events all took place on 9/13/08:

Received an urgent call from Natalie Bergeron of Bayou Grace asking for 10 – 5 gallon or more gas cans and lifejackets to help run the 4 wheelers to the recent Chauvin/Ward 7 potential levee breech.

While speaking to Natalie, she received a call from LEAN out of New Orleans. They advised they put lifejackets on a credit card after hearing the plea on HTV10 for them and they were on their way over.

I called Jerrold Richard, Homeland Security & Office of Emergency Preparedness Director. I was on hold too long and gave up. I called back and was passed to Pat Babin (a Sheriff).

He had a very annoyed demeanor and said "We have it covered. Were staged at Ward 7 at the VFW, you must be getting a call from a citizen, tell her we have it covered. We have 4 wheelers there and they have everything they need."

I called Natalie back, thinking this was good news and she said "well I'm at the Chauvin fire station next door to the staging site and we don't have gas cans, we don't have lifejackets for 300 volunteers risking their lives to save this community and we don't have shovels." I gave her Pat Babin's number.

I assumed her call to him would take care of everything since there was clearly a lack of communication from "his operation/ staging site".

3:10 CST: I called Natalie back to see if Mr. Babin was able to help. He refused to take her call earlier.

Here's the rundown per Natalie & what I was able to put together:

EOC had no sandbags in the spots they expected to need to shore up the levees. When they asked for them the day before knowing they would be needed, they were "laughed at." They said "we aren't going to need sandbags" and belittled them for asking.

Mr. Babin communicated to me in such a way that made it 'appear' that the operation was overseen by him and that the "4 wheelers are ours and we are taking care of it and we have all the supplies needed to take care of the situation".

In conclusion, he basically did not want to be bothered with a citizen asking for gas cans so that they could continue to run the 4wheelers back and forth to the breech. There were "no lifejackets, no sandbags, no shovels in place" ahead of time at the ready for what was clearly and obviously a preparedness need prior to protect the bayou communities.

Also, the only reason local fire stations have Lanset Radio's and Repeating Stations is because a citizen (Laura Crochet) made it happen.

The latest word from Natalie is they won't be needing the gas cans because they had to pull the 300 CITIZEN volunteers because it's no longer safe or effective to sandbag. Apparently, the pumping station fell over and was actually a help in plugging up a portion of the levee. There were some scary moments with the large gas tank. Those citizens (including children) put their lives on the line to protect their community and there wasn't one lifejacket available until a citizen showed up with them.

There was no coordination by the EOC or Sherriff's office on this operation other than basically putting out a call to citizens in the community for the 4 wheelers. These were not emergency management or parish employees. Apparently, when your own fire rescue and active citizens are trying to save their community, Pat Babin of the Terrebonne Parish is too busy to take a live emergency call and he's got it "covered".

In addition to this account, an officer manning the barracade not 100 yards from the Chauvin Fire Station where the gas cans, lifejackets and shovels were needed, citizens answering the call for help with these supplies were turned away. The officer told them they could not enter, and it never occurred to him that folks could leave the urgent supplies on the side of the road and volunteers could walk over from 100 yards away to retrieve them without putting anyone in danger (allowing them through the

barracade. One resident who brought over 4 of his personal lifejackets tosses them out the window and told the officer "Than you take care of it!".

The officer never radioed or called the Fire Station to let them know that the supplies were starting to arrive. For a detailed account of the phone conversation that took place at approximately 5:30 pm CST between Natalie Bergeron and Sherriff Pat Babin, please contact her directly.

9/12/08 LTel:

I learned today that Jerrold Richard no longer works for the EOC and is assisting in the Sherriff's dept. I have no idea who has replaced him or if he has been replaced.

SEARCH AND RESCUE EFFORTS

Last night, the Terrebonne Parish Sheriff's Office, in conjunction with the Houma Police Dept, La. National Guard, and the La. Dept. of Wildlife and Fisheries, began search and rescue efforts which are continuing and will continue until all residents in need due to the flooding/high water have been removed from their homes and/or other locations. The Sheriff's Office is receiving numerous calls for help. The National Guard has directed three (3) helicopters to assist in the search and rescue efforts. Wildlife and Fisheries has indicated that they have six (6) boats in the parish with an additional seven (7) being brought in today. If you have information about individuals who are in need of help and/or may be missing in the flooded areas of the parish, please call the Unified Command Center (985) 873-6357 or the Terrebonne Parish Sheriff's Office at (985) 876-2500.

State Announces Distribution Points in Lafourche, Iberia, St. Mary, and
Terrebonne Parishes

September 2, 2008 – 4:32 pm by Heidi VanderVelde

Baton Rouge (September 2, 2008) – The National Guard has now opened six supply distribution points throughout Lafourche, Iberia, St. Mary, and Terrebonne Parishes. These points will distribute water, ice, food, and tarps to residents affected by Hurricane Gustav.

The points will be located at:

Lafourche Parish
. Matthews: 4876 Hwy 1 (located adjacent to the new Wal–Mart.)
Iberia Parish
. New Iberia: 1202 E. Admiral Doyle Drive
. Jeanerrette: Abandoned Piggly Wiggly on Hwy 182.
Terrebonne Parish
. Houma: Behind the Civic Center at 346, Civic Blvd.
St. Mary Parish
. Franklin: Patterson Civic Center 116 Cotton Rd.
. Morgan City: Morgan City Auditorium, 725 Myrtle St.

The National Guard, along with local Office of Emergency Preparedness' , are currently working to open locations in the Baton Rouge and Alexandria areas. As soon as locations are finalized they will be released.

Pet shelters emptying cages as Gustav approaches

Associated Press – August 28, 2008 8:14 PM ET

NEW ORLEANS (AP) – An animal shelter sent dozens of stray cats out of towns while pet owners bought pet food and travel crates in case they have to evacuate ahead of Tropical Storm Gustav.

When Hurricane Katrina threatened, and even after it hit, some pet owners refused to go to shelters because their pets couldn't come. Other animals, left with food and water for three days, died because it took nearly a month to pump out the flooded city.

Governor Bobby Jindal says that if there's an evacuation, a hurricane shelter in Shreveport will take pets as well as people.

Lee Anne Matherne, director of the Jefferson Parish Animal Shelter, says one reason shelter animals are leaving so early is in case the staff is needed to help evacuate busloads of pet owners. About 625 animals are leaving the two Jefferson Parish shelters and the Louisiana SPCA shelter in New Orleans on Friday.

Matherne says that if there's a bus evacuation for pet owners, pets weighing less than 15 pounds can go on their owners' laps if they are in small crates or soft–sided carriers. Others will follow the buses in temperature–controlled tractor trailers.

Matherne says owners need to bring carriers for those pets, too.

June 2010: TF: Their website looks like they will still host a vol work group. But not much other activity in terms of recovery.

9/4/08 LTel:

Spoke to Pastor Seay. Their parish experienced a few major hits with roofs being damaged but nothing widescale as a result of Hurricane Gustav.

The church is at least 1.5 hours from any damaged Gustav locations and there is no plan to be involved in clean up/repair/ rebuilds for those areas.

They are NOT and never have been and have no intention of being a public shelter for any hurricanes or other natural disasters. Periodically they have sheltered church members during storms.

Pastor Seay was in a recovery meeting for his parish last week and the consensus was that this Parish has about one more year to complete recovery efforts from Hurricane Rita. Volunteers are still needed to assist in that recovery.

They receive their work orders for Hurricane Rita damage through United Methodist Storm Station (locally).

This facility is wide open with volunteer spots with no booking out.

This volunteer camp site house up to 25 people.

The church has a kitchen, showers, 1 washer and 1 dryer.

No meals provided by this church but there are also restaurants nearby.

Habitat for Humanity is also housed at the church.

HURRICANE ISAAC RESPONSE UPDATE:
The Friend Ships Disaster Relief Team is working in Jean LaFitte and there is much to do. They are serving alongside the city personnel and National Guard to start initial clean–up. We will be ready to start providing meals tomorrow. If you would like to help us financially to continue assisting those in need, please click here to donate now. (http://www.friendships.org/Donate.html)

CURRENT HURRICANE ISAAC NEEDS LIST: If you are in the local community and want to help us with items, here is a list of what we need–Generators, chain saws, plastic cutlery, styrofoam cups, toilet paper, napkins, extension cords–commercial 15 amp (any length), 10' x 20' tents, 10' x 10' tents, garden hoses–RV or food grade–50' or 100' (2000' total required), hot dogs, sausage, hot dog buns, condiments (mustard, ketchup, relish), cooking oil, sugar, creamer, beans, fuel–propane, gas & diesel..

SEE CAT FACILITY RECORD for Haiti Operations at: https://reliefdb.org/shelters/5906

READY TO RESPOND

When a situation calls for Friend Ships services, we are uniquely set up to respond like none other!

Some disasters will occur for which Friend Ships help is not appropriate, either because other response groups are closer to the situation, others are more suited to respond or because the help we offer is not needed in that particular situation. We will not respond in those cases, but commit to making the best use of donor support by responding when our specific services are required and we feel led by God that our work will be effective and blessed.

See Website for more details!!!
E–mail: info@friendships.org

Friend Ships role has returned to supporting other faith based groups in their roles. We are not directly working with the public now, but are behind the scenes, supporting other groups (churches, food banks, etc.) to do their tasks.

St. Tammany declares state of emergency; offers public info
2:46 PM Fri, Aug 29, 2008
Mike Sanders

(COVINGTON)–––St. Tammany Parish President Kevin Davis has declared a state of emergency in anticipation of some type of effect from Hurricane Gustav.

"It's still too early to tell exactly how Gustav will impact St. Tammany," said Davis. "However, we must be prepared."

A Storm Information Line has been activated at 985.809.2300. Recorded information is available regarding sandbags, shelters, evacuation orders, and other pertinent information.

No shelters are open at this time. No evacuation has been ordered. Decisions regarding these possibilities will be made when the storm has taken a more definitive path.

• There is no reason to pre–register for the Special Needs Shelter at this time. Those with special needs and cannot evacuate due to health issues should monitor the media for shelter opening announcements.
Those needing transportation to the Special Needs Shelter should call COAST at 985.327.0185.

"Nagin will order a mandatory evacuation if a hurricane of a Category 3 intensity or higher approaches the city, Sneed said. However, an evacuation could be ordered for a less intense hurricane if it were particularly slow–moving and carried greater flooding potential, he said.

New Orleans estimates that 30,000 residents would need help evacuating, Sneed said. He said that only 7,000 people have signed up to get that help.

Sneed said buses and trains were ready to take evacuees to shelters in Shreveport, Alexandria and Monroe, Louisiana, and in Jackson, Mississippi."

HELP THE POINTE–AU–CHIEN INDIAN TRIBE REBUILD FROM HURRICANES AND PROTECT FUTURE LAND LOSS

1. Immediate Needs for recovery and rebuilding efforts after Hurricane Gustav
2. Help our voice to convince leaders that we need to rebuild the barrier islands, and we need a levee!
3. Help us to protect our burial grounds that are threatened from the loss of land.
4. Help us to obtain federal acknowledgment from the federal government so that we can have a real voice in responsing to emergency disasters. This is also important in maintaining our culture and livelihood.

Pointe–au–Chien Indian Community Damage Report
September 3, 2008

Second Chairman Donald Dardar and Chairman Charles "Chuckie" Verdin have traveled through the Pointe–au–Chien Indian Community documenting visible damage to each home. The assessment is not good. Tribal leaders report that the damage to the Pointe–au–Chien Indian Community by Hurricane Gustav is worse than the damage caused by Rita and Katrina in 2005. Almost

every house in lower Pointe–au–Chien has water (from flooding and/or wind damage) and/or wind damage. Some houses are totally destroyed; some homes were moved or pushed off of their blocks by the wind/rain. Our tribal building fell off of the blocks and many resources within the building were destroyed. Thankfully, the two houses built by the Mennonite Disaster Service after the 2005 hurricane season withstood the storm.

It appears that the Pointe–au–Chien Indian Community, not protected by a levee, received a huge onslaught of water and mud that rushed in and, perhaps rushed out, causing houses to be pushed, picked up, and moved. There is still a significant amount of thick mud in the community and in tribal members' homes. As of today, the pumps in lower Pointe–au–Chien were still pumping water out of the community. Tribal leaders have been in contact with the neighboring Indian community, Isle a Jean Charles Band of Biloxi–Chitimacha. Chief Naquin of Isle a Jean Charles has reported that the Island is still under water because the pumps failed.

Tribal members would like to start cleaning up, but there is no water in the Community to allow for tribal members to begin the clean up process. It is unknown when water or power might be available. Lafourche Parish was working today to clear the mud off of Oak Pointe Road to make the road passable. Tribal leaders expect most tribal members to return to asses the damage to their homes by Saturday.

Further complicating the situation, Second Chairman Donald Dardar believes that the local fishermen, who rely on the shrimping season, will not have that source of income this season. Price's Factor owned by tribal member, Price Billiot and other factories in Terrebonne Parish were impacted by Gustav.

Other tribal members living in upper Pointe–aux–Chenes, Montegut, and Bourg also received wind damage from the storm.

An initial assessment reveals that tribal members need water, rakes, shovels, gloves, baby wipes, first aid supplies, generators, fans, cleaning supplies, towels, tarps, building supplies, window units, hygiene products, diapers, formula, and nonperishable food items. WE ALSO NEED A LEVEE!

Donations to assist in the relief effort can be sent to the Pointe–au–Chien Indian Tribe, PO Box 416, Montegut, LA 70377.

State Announces Distribution Points in Lafourche, Iberia, St. Mary, and
Terrebonne Parishes

September 2, 2008 – 4:32 pm by Heidi VanderVelde

Baton Rouge (September 2, 2008) – The National Guard has now opened six
supply distribution points throughout Lafourche, Iberia, St. Mary, and
Terrebonne Parishes. These points will distribute water, ice, food, and
tarps to residents affected by Hurricane Gustav.

The points will be located at:

Lafourche Parish
. Matthews: 4876 Hwy 1 (located adjacent to the new Wal–Mart.)
Iberia Parish
. New Iberia: 1202 E. Admiral Doyle Drive
. Jeanerrette: Abandoned Piggly Wiggly on Hwy 182.
Terrebonne Parish
. Houma: Behind the Civic Center at 346, Civic Blvd.
St. Mary Parish
. Franklin: Patterson Civic Center 116 Cotton Rd.
. Morgan City: Morgan City Auditorium, 725 Myrtle St.

The National Guard, along with local Office of Emergency Preparedness' , are
currently working to open locations in the Baton Rouge and Alexandria areas.
As soon as locations are finalized they will be released.

University Officials Preparing for Gustav
Northwestern State University officials are developing and implementing emergency preparedness plans to assist students, evacuees, storm response personnel and others as Tropical Storm Gustav moves toward the Gulf of Mexico.

NSU[1]s Health and Human Performance Building is being prepared as an emergency evacuation shelter if requested by the American Red Cross. The facility has served as a shelter for evacuees from Katrina, Rita and other storms that hit the South Louisiana Gulf Coast in recent years.

Depending on the track of Gustav, students from McNeese State University in Lake Charles, the University of New Orleans and other South Louisiana schools could be housed in a vacant dormitory at Northwestern that is being prepared as a possible shelter for students from campuses that could be affected by the approaching storm.

Emergency response personnel from utility companies in Louisiana and other states have also contacted Northwestern officials about the use of university facilities, and efforts are being made to accommodate those workers who will be dealing with possible power outages in the region.

NSU officials are coordinating storm preparedness plans with the American Red Cross, Natchitoches Parish Sheriff[1]s Office and other local law enforcement and emergency response agencies and personnel.

Student services personnel at Northwestern are continually tracking Gustav in preparation to provide assistance to students if heavy winds and rains from the approaching storm reach the Natchitoches area and disrupt electrical power or create other problems.

NSU faculty, staff and students are advised to monitor the storm[1]s progress through media outlets, the Internet and other sources and to obtain specific information on the impact of the storm on Northwestern by going to http://www.nsula.edu.

Northwestern officials will decide the status of Tuesday classes at the university by Monday.

Northwestern State University president Dr. Randall Webb is also encouraging students, faculty and staff to sign up for the university[1]s emergency alert system, which includes notification of crisis situations by text messaging, e mails and calls to campus landlines.

Registration for this [3]Purple Alert[2] system can be completed by going to http://www.nsula.edu/purplealert. There is no charge to sign up from the emergency alert system although some people without unlimited text messaging may be charged for receiving a notification.

Students, faculty and staff may enter cell phone numbers, primary and secondary e–mail addresses and secondary phone numbers at which they can be notified of emergencies.

NSU is also accommodating online students who residential areas may be affected by Gustav. If the storm causes a disruption in service preventing or limiting access to the Internet, online students will have the opportunity to complete online classes without penalties if they attempt to contact class instructors within 72 hours.

Northwestern[1]s website includes a link to the Governor[1]s Office of Homeland Security and Emergency Preparedness, which is providing continual information, updates and emergency plans related to the storm.

Parents, students, families of evacuees and others who need to make emergency calls to Northwestern State University should phone University Police at (318) 357–5431.

NOTE: This would be a good spot for volunteers as it's logistically closeby to Gustav damage but the parish where responders would stay has commerce/services available.

9/4/08 LTel:

Spoke to Jenni at the church. Jim Wyche is cooking for the National Guard. Tried him on his cell, no answer.

Per Jenny, Lafayette Parish is slowing getting power up. She couldn't answer to specifics but is pretty sure they will be assisting with clean up efforts in Houma/Terrobone Parish. She asked me to have Jim answer the specifics.

No damage to the church and very little damage to Lafayette Parish.

5/30/07 DNN Article:

Skilled volunteers needed in Iberia Parish, La.

If you're researching hurricane recovery volunteer opportunities, don't forget about the thousands of people still recovering from 2005's Hurricane Rita. This week I spoke with Jim Wyche, community outreach coordinator for First United Methodist Church in New Iberia, La. Wyche's church houses volunteers in town for Rita recovery, and he said more help is needed.

"I've still got hurricane (jobs) piled up," said Wyche. "If I had a steadier volunteer base and some more funding, we could do more. I'm sure there's two years' worth of work out there, if not three. And that's provided we don't get any more storms."

Wyche and the church work with the Iberia Parish long–term recovery committee on the many homes still in need of repair. The church can house 36 people and Wyche said he's especially looking for volunteers who are skilled in rebuilding work.

"Our little church has worked on over 60 homes. The demolition time is just about over and now we're in the rebuilding stages. I would prefer some people with carpentry skills."

If you're interested in working with Jim, you can reach him at First United Methodist Church at 337–369–3721.

Per call to facility (4/17/07):

Has capacity for 36 volunteers. No fee to stay at their facility but donations are WELCOME! No need to bring bedding, they have bunks, bedding, pillows and full kitchen priveleges. Some meals are provided off & on throughout the year by the church but none during the summer when school is out.

Currently assisting 8 families with long term recovery/rebuilding volunteer services, but their list has gone up to as high as 100 families and varies dependent on the current community needs.

Long term recovery rebuilding projects currently include drywall and insulation installation and some general construction services provided by volunteers. Right now, the NOMAD Missionaries are present volunteering from 4/2–5/7/07 (see their website at: http://www.nomadsumc.org/revolving_team.htm)

They have some bedding on hand to distribute to local community members if needed currently. There is no regular distribution available unless they are in a current disaster crisis.

Needs volunteers to help clean out houses, tear out carpet, cut trees and more. Also needs cleaning supplies.

able to take breaks. Snacks, meals and beverages will be provided. Register here:http://community.evacuteer.org/isaac–evacuteer–training.

Those who need help to leave can call
by The Times–Picayune Thursday August 28, 2008, 10:27 PM

Officials across southeast Louisiana advised residents Thursday to prepare evacuation plans and contact local government offices as soon as possible if they will need help getting out of harm's way should Gustav threaten.

New Orleans

Residents who need help getting out of town should gather at 17 designated sites across the city, where they would be picked up by Regional Transit Authority buses and taken to the Union Passenger Terminal. From there, they would board state–chartered buses bound for shelters in Shreveport, Monroe, Alexandria and Memphis, Tenn., or Amtrak trains, which could carry as many as 7,242 people to Jackson, Miss.

Residents who cannot get to the loading sites on their own should register for a program that will pick them up from their homes. To sign up for New Orleans' city–assisted evacuation plan, residents should call 311, 877.286.6431 or 800.981.6652.

So far, 13,000 people have signaled that they plan to use the city–assisted evacuation program, officials said.

Residents living in travel trailers, which are not designed to sustain winds stronger than 40 mph, are urged to make evacuations plans immediately.

St. Bernard Parish

In a late night news conference Thursday, St. Bernard Parish President Craig Taffaro Jr. said that residents with special needs who had registered with the parish by midnight would be given an appointment for evacuation today.

He said the parish anticipates ordering a mandatory evacuation some time Saturday, depending on the latest data on Gustav.

Residents needing transportation assistance would be ferried by buses to staging areas where they will board other buses bound for state–run shelters today between 6 a.m. and noon, Taffaro said.

The pickup spots are:

–– Celebration Church, 7500 W. Judge Perez Drive, Arabi

–– Our Lady of Prompt Succor Church, 2320 Paris Road, Chalmette

–– Chalmette High School, 1100 E. Judge Perez Drive, Chalmette

–– Corinne Missionary Baptist Church, 5620 E. Judge Perez Drive, Violet

–– Beauregard Middle School, 1201 Bayou Road, St. Bernard

–– Fanz Mobile Home Park, 2100 W. Fanz, St. Bernard.

St. Charles Parish

The parish's two nursing homes will evacuate residents today on orders of the parish Office of Emergency Preparedness.

St. Charles Parish school buses will be used to transport less critical patients, said Brian Freemin, an administrator at Ormond Nursing and Care Center in Destrehan, which planned to evacuate 133 residents. The Luling Living Center planned to evacuate 77 residents.

A mandatory evacuation for parish residents could be ordered as early as Sunday morning after State Police late Thursday moved up the timeline for implementing Contraflow by 26 hours, said Renee Allemand, parish public information officer.

St. John the Baptist Parish

Officials asked residents to stop cutting down branches and trees that could impede water flow into storm drains.

Naval Air Station–Joint Reserve Base

Leaders at the Belle Chasse facility are expected to decide early today whether they will evacuate the installation, which is home to hundreds of military personnel and their families, 34 tenants and about 50 aircraft, from helicopters to fighter jets.

Pets

The Louisiana SPCA's evacuation is expected to end today, and the shelter in St. John Parish, which is no longer accepting animals, is sending its tenants elsewhere.

No pet shelters will be set up in New Orleans, said Ana Zorrilla, the Louisiana SPCA's chief executive officer.

People with special needs who cannot get out of the area on their own can bring their pets to pickup points, "but we stress very strongly that this should be a last resort, " she said.

Evacuees looking for pet–friendly hotels can find them at www.petswelcome.com or www.tripswithpets.com.

What is 311?
311 is the non–emergency information line for the city services of New Orleans. 311 is designed to be your one call to City Hall to gain information or inquire about city services. The 311 Call Center also serves as the information center during emergencies or disasters affecting the City of New Orleans. Residents who require evacuation assistance must register with the 311 Call Center.

The specially trained 311 representatives are available from 7AM to 11PM Monday – Friday, and 8AM to 5PM on Saturday. Outside these hours, you can leave a message and a representative will return your call within 48 hours.

What Happens When I Call 311
Dial 311

Simply dial 311 from a phone with a 504 area code. Outside New Orleans, dial 658–2299 or 1–877–286–6431. OR 866.205.6485 in addition to 311, 877.286.6431 and 800.981.6652. All lines ring the same call center.

The hearing impaired can dial 504–658–2059 or 1–800–981–6652. Spanish and Vietnamese language assistance available.

Make a Request
311 representatives can record information and service requests for:

Phone numbers for city departments and agencies
Street maintenance
Streetlight and traffic light malfunctions
Debris removal
Trash pick–up
High grass and tree trimming requests for city owned properties
311 representatives submit requests to the appropriate departments.

311 On–Line Services Now Available!
You can now submit information or service requests on–line. Click below to report potholes, report illegal dumping, submit a request for debris removal, or report a housing code violation. Complete on–Line Form at: http://www.cityofno.com/portal.aspx?portal=128&tabid=7

Follow Up
Each caller is given a tracking number for a work request. Call 311 and use the tracking number to follow up on your request.

Post–Ike Report from Bayou DuLarge
by The Rev'd Canon Scott Albergate

Dear Brothers & Sisters in Christ:

I was finally able to make it down to Bayou du Large yesterday where I was met by about a dozen parishioners of St. Andrew's. Their spirits are high and unbroken despite water and wind damage to their church, parish hall and rectory. Many also experienced flooding to their homes and do not yet have power. This is a familiar experience for them, though their senior warden Allen Marcel said they had eight more inches of water this time than Rita.

With the dedicated assistance of the ODR team, we will help these good people come back. This weekend we will send down gift cards for Lowe's and Walmart. ODR will probably need volunteers to assist with gutting work in their church and rectory as well as the homes of parishioners. I am still in the process of compiling a list of other needs, but so far they will need new Prayer Books and Hymnals, possibly new pews, and new appliances.

Please call me if you can lend a hand in some way and I will be glad to coordinate. This is a proud and wonderful group of people who are a mainstay of their community.

Many thanks.

Scott Albergate
225-615-0065

Before Hurricanes Katrina and Rita, Chapel House was a single family dwelling rented out to college students by Chapel of the Holy Spirit. Now, thanks to the generosity of individuals and churches, Chapel House is functioning strictly as a volunteer housing base.Space available to volunteers includes sleeping space for 20 beds, a kitchen and three functioning showers, two toilets and three vanities. There is a common area with a dining table.

Army beds with foam mattresses are provided for each resident. When staying in this house, individuals will need to bring sleeping bag/bedding, pillow and pillow case and personal items.

As in all of our volunteer housing spaces, volunteers are responsible for their own meals and transportation. When teams are scheduled into Chapel House, they will be provided with more detailed information on the house as well as a variety of resources (grocery, laundry, restaurants, etc.) are nearby, most within walking distance.

See complete volunteer details/packet at:

9/7/12: (Excerpt from Newsletter)

Algiers & Isaac

Here on Teche Street in Algiers Riverview, CGHC was very fortunate with regard to the impacts of Hurricane Isaac. We never lost power at the clinic, so we were able to re-open quickly and are operating on our usual schedule, seeing patients by appointment, Monday through Thursday. Isaac has had an economic impact on our patient community, however, directly affecting access to food and medication for many people. Donations of supplies and funds are being collected on our behalf through InterOccupy, and any support you are able to give is appreciated.

http://interoccupy.net/occupyisaac/common-ground-clinic-medical-supplies-needs-list/

Support the cause:
http://www.causes.com/causes/235416-support-the-common-ground-health-clinic-in-new-orleans

9/5/12: Although their area was not generally flooded with Hurricane Isaac, they had flooding because of the heavy rain and lost their refrigerator along with refrigerated meds. lpar

8/23/07:

Puppet Contact: Greg: imjustgreg@gmail.co
If you want puppets, act fast, they only have 12 and I know of someone that's going over there to get a couple asap.

Computer Contact: Greg: imjustgreg@gmail.co
If you want computers, you need to get on the waiting list that Greg has. These computers are just for community groups, not for individuals.

8/23: 1400 Teche street full. Ship to secondary site, address listed above in "other contacts".

FROM THE SITE 9/23/12 (LTel):

Hurricane Isaac Response and Recovery

How To Volunteer

As residents of New Orleans and its neighboring parishes pull together to recover from the effects of Hurricane Isaac, HandsOn New Orleans is launching an online Volunteer Opportunity Calendar and will host a statewide, virtual Volunteer Reception Center. HandsOn New Orleans is certified by the Louisiana Serve Commission to act as the official Volunteer Response Center for southeast Louisiana during emergencies. Since the storm, HandsOn New Orleans has reached out to several nonprofit partners and other groups seeking support to compile post–Isaac recovery project opportunities in one place.

REGISTER your interest to volunteer:
http://www.handsonneworleans.org/HOC__Volunteer_Registration_Page

FIND a volunteer opportunity:
http://www.handsonneworleans.org/HOC__Volunteer_Opportunity_Search_Page?p=vct

We are working with volunteerlouisiana.gov to facilitate volunteer response.

For questions, email volunteer@ handsonneworleans.org

Prior to coming to Louisiana to help the impacted region, PLEASE identify a volunteer opportunity AND secure housing. We do have a volunteer bunkhouse, but you MUST make reservations to have your space secured. For more information call our office at (504) 304–2275

Services offered: Cleanup, House Gutting, Volunteer Services; Construction, Rebuilding, Volunteer Services; First Responder, Gulf Region; Housing, Volunteer Housing * (ANY/ALL Types); Management, Volunteer Placement; Meals, Volunteers, Meals for Volunteers; Training Classes, Disaster Volunteer Orientation; Volunteer Opportunities, In General * (ANY/ALL Types); Volunteers, Groups of Volunteers (This facility accomodates Groups of Volunteers); Volunteers, Individual Volunteers (This facility accomodates Individuals Volunteers); Volunteers, Misc. * (ANY/ALL Types); Volunteer, Volunteer Registry, Online; Volunteer Work Orders/Projects (provided by this facility)
Campaigns: 2005 Hurricane Katrina; 2008 Hurricane Gustav; 2010 Oil Spill Gulf of Mexico; 2012 Hurricane Isaac; American Red Cross / Int'l Federation of RC / ICRC / IFRC; Government, FEMA / Department of Homeland Security; Hands On Network; Points of Light Foundation; Salvation Army; VOAD (this org is not a member, but is "affiliated")

https://la-spca.org/SSLPage.aspx?pid=740

The Morganza Spillway has been opened for the first time in 30 years and the communities within the Atchafalya Basin are expected to flood. The LA/SPCA has reached out to affected parishes. We will transport as many animals as possible from lower lying and affected parishes out of Louisiana. So far, the partners who have accepted or will accept animals affected by the Mississippi River's flood waters are:

The Houston SPCA
The San Antonio Humane Society
The SPCA of Texas

A message from Wildlife and Fisheries: Wildlife and Fisheries is asking residents who need assistance with the removal of black bears forced into populated areas by floodwaters to call 800.442.2511, and to contact their local field office to report the location of any stranded wildlife - see phone numbers in this link: http://www.wlf.louisiana.gov/wildlife-field-offices-and-telephone-numbers

New Orleans, Louisiana 70116

DONATE ONLINE: http://www.muttshack.org/donate.htm

Our Mission Statement:

Disaster Response: To ensure that the animal holocaust that was Katrina is never repeated. To be there when a disaster is imminent and to see to the evacuation of the pets of those who can least afford to leave their homes – the sick, the elderly and the poor. Their animals may be all that they have and ensuring that they are safe may mean saving their very lives as well.

Disaster Training: Train Volunteers to be FEMA qualified to enter disaster zones.

Shelter Rescue: To create foster homes for abandoned and abused animals.

To rescue, rehabilitate and nurture them to health and find them quality, permanent homes.

To stop the killing of healthy animals in overcrowded shelters by teaching and implementing spaying and neutering.

Our commitment to Evacuate Animals From The Path of Future Hurricanes:

MuttShack is committed to evacuate 15,000 animals from local Parishes when a hurricane is imminent and a State of Emergency is declared in the State of Louisiana. We need your help now.

MuttShack Foundation is a non–profit animal rescue organization dedicated to dog rescue, cat rescue animal rehabilitation and dog, cat and pet care.

MuttShack is Active in Disasters, Animal Rescue Training and Certification and Rescue from Shelters.

Muttshack Animal Rescue Foundation

The MuttShack Animal Rescue Foundation is a volunteer driven organization.

MuttShack, established in 1968, is non–profit, and a project of the National Heritage Foundation.

'Muttshackers' rescue animals from shelters, rehabilitate and nurture them to health in homes ('MuttShacks') and find them quality, permanent new families.

In the aftermath of Hurricane Katrina, the MuttShack Foundation rescued over 3,000 animals. Like Pugsley the Pug who swam to the top of his owner's refrigerator where he survived for seven weeks, eating the mold on the surrounding walls as the flood waters receded. And the German shepherd, Katrina's longest recorded survivor – trapped in her home for 71 days only to be discarded when her owners returned home to collect their "valuables".

MuttShack is active in assisting with Louisianna disaster evacuation planning to make sure no pets are left behind during a disaster.

MuttShack provides an online Animal Rescue Certification FEMA class to train volunteers to assist animals in disasters.

In 2005, founder Amanda St. John was honored with special awards from the House of Representatives and the City of Los Angeles for rescue efforts and community service.

What Makes MuttShacks Different?

We don't spend our money on buildings, staff and infrastructures. We don't maintain a work force to feed and walk animals. Instead our shelters are created in homes. Many people have already experienced a dog rescue. It is no different, except this time they have the support of experts, and a network of support to promote the re–homing of their rescued pet.

MuttShack actively supports creations of dog parks, pet friendly venues, pet–friendly hotels and apartments and a society that loves to share their lives with animals.

United Way, Greater New Orleans – 2010 Oil Spill

Info/Hotline · Open

2515 Canal Street, New Orleans, LA 70119

Phone	(504) 822-5540
Web	www.unitedwaynola.org

Serves Greater New Orleans
Service Temporary

FROM VOAD:

The United Ways in the Gulf Coast are actively monitoring and assessing the needs of the region through community agencies. As a whole, the United Way has been registering volunteers with 211. Individual United Ways have responded in the following ways.

The United Way of South Mississippi sent out a survey to gather information regarding the effects of the oil spill on local non–profit organizations. The United Way of Greater New Orleans established a fund, which they may broaden to serve as a regional fund.

FROM THE SITE:

Need Assistance?

2–1–1 is available to disseminate information regarding the relief efforts surrounding the recent Gulf Coast Oil Spill. Call 2–1–1 from any cellular or land line 24–hours a day, 7 days a week for more information about:

* Volunteer Opportunities
* Job Training and Employment Opportunities
* Reporting Damaged Property or Injured Wildlife

"Neighbors Helping Neighbors"

Meanwhile, on Friday, May 7, United Way joined forces with Winn–Dixie Stores, Inc. and Second Harvest Food Bank of Greater New Orleans and Acadiana. Winn–Dixie launched its "Neighbors Helping Neighbors" program, where shoppers at any of its 36 New Orleans area stores can contribute to United Way's fund to help those impacted by the Gulf Coast Oil Spill. Winn–Dixie donated over 28,000 gallons of bottled water and 42,000 pounds of food items –– enough to fill three semi–trailers.

United Way and Catholic Charities Archdiocese of New Orleans Partner for Help

United Way is also working in partnership with Catholic Charities Archdiocese of New Orleans [CCANO] to assist Plaquemines and St. Bernard Parish residents who are already feeling the effects of the Gulf Coast Oil Spill. If you need assistance, please call 2–1–1 for more information or to find a location for help near you. You can also reach the Catholic Charities CARE LINE at (866) 891–2210 to learn about available assistance, as locations for on–site help are subject to change.

CCANO is currently providing services at the following locations:

* St. Bernard Parish
o St. Bernard Catholic Church
2805 Bayou Road
* Plaquemines Parish
o St. Patrick Catholic Church
28698 Highway 23 in Port Sulphur
o St. Thomas Catholic Church
17605 Highway 15 in Pointe A la Hache
* Orleans Parish
o Mary Queen of Vietnam Community Development Corporation
4626 Alcee Fortier Blvd.
o There is also a liaison at the BP Claims Center in New Orleans East
* Jefferson Parish
o St. Anthony Catholic Church
2653 Jean Lafitte Boulevard

United Way Impact Partners At Work

St. Bernard Project, a United Way partner agency, is responding to the spill by expanding their mental health clinic to Lower St. Bernard and Plaquemines and creating jobs for fisherman through their Good Work Good Pay (GWGP) program. The Center for Wellness and Mental Health will have increased hours of operation and will attempt to hire local shrimpers and/or their spouses as community outreach workers and peer counselors. The GWGP program will hire, train and pay livable, union–level wages with full benefits to local fishermen affected by the oil spill (as well as other local under– and unemployed individuals and war veterans.)

Since 2006, the Community Center of St Bernard (CCSTB), a United Way partner agency, has been open to help all St. Bernard families get assistance they need, whether it's food, clothes, medical care, legal aid, counseling, or other services. CCSTB is also helping those affected by the Oil Spill. With the commercial and recreational fishing ban currently in effect, many St. Bernard commercial fishermen have signed up for CCSTB’s food pantry so that they will be able to feed their families until they can find other work.

Since May 1, more than 6200 individuals who have been affected by the oil spill in the Gulf of Mexico have received emergency assistance through Catholic Charities Archdiocese of New Orleans, a United Way partner agency. By the numbers, through June 1, 2010:

* 6227 people (1883 families) have received emergency assistance from Catholic Charities;
* $102,900 in gift cards and/or food vouchers have been distributed to affected families;
* 845 emergency food boxes from Second Harvest Food Bank have been distributed;
* 173 cans of baby formula have been distributed along with 77 boxes of diapers and 186 ½ packs of diapers;
* 748 people have undergone mental health assessments; and
* 503 people have received individual counseling and 28 have taken part in group counseling with Catholic Charities crisis counselors.

Volunteering

United Way is working to ensure those affected by the Gulf Coast oil spill have access to information and resources. That's why United Way is now providing communications and community coordination expertise to British Petroleum during the Deepwater Horizon cleanup. BP says it will pay for all necessary clean–up costs.

BP is contracting with the Louisiana Association of United Ways (LAUW) and Louisiana 2–1–1; the recognized 'go to' information and referral system. The easy to remember three–digit telephone number connects people to health and human services as well as volunteer opportunities.

There have been a significant number of calls and emails to BP, government agencies, elected officials and nonprofits from people all over the country wanting to help or get involved in the cleanup. Training is required to volunteer. Unannounced, untrained volunteers can create an additional burden on those coordinating response efforts. LA 2–1–1 will serve as an important part of the Louisiana Volunteer Pipeline registering those who want to help with the oil spill efforts at www.volunteerlouisiana.gov to assist the LA Serve commission of the Lieutenants Governor's office with volunteer coordination.

United Way for the Greater New Orleans Area has also created and is distributing 2–1–1 pocket cards. One side is in English and the reverse side is in Vietnamese or Spanish. This is part of an ongoing effort to reach those who may not be aware of the 24/7 helpline.

How You Can Help

BP's spill response "includes efforts to protect the Gulf coast, to contain the spill offshore at the surface and to stem the flow of oil into the water from the sub–sea well," but there exists an immediate need for assistance in the lower Louisiana parishes. At the request of Plaquemines Parish President Billy Nungesser and St. Bernard Parish President Craig Taffaro, United Way has set up a fund to meet the health and human service needs of Louisiana residents impacted by the oil spill.

FROM CRAIGSLIST DATED 9/2/08:

While we all appreciate your concern for the Greater New Orleans Area, we need to ask for your patience as we take time to assess the damage within the region prior to engaging spontaneous, unaffiliated volunteers.

We are currently asking that all interested volunteers register with www.volunteerlouisiana.gov or www.volunteerneworleans.com so that we can contact you once we confirm all volunteer needs and opportunities from our non–profit partner organizations throughout the region.

For a list of agencies that we work with please refer to www.gnodrp.org. Click on "About GNODRP" then "Member Agencies". There are currently more than 80 organizations that have joined this partnership to collaboratively address the recovery in this region.

Once again, we appreciate your commitment to our recovery and we appreciate your patience as we thoroughly assess the post–Gustav landscape.

If you have any questions regarding this matter please contact me via e–mail at volunteer@voagno.org, as cell phone service is limited.

Sincerely,

Woody Hosler –

2021 Hurricane Ida response:

Hi everyone –– our team is safe from Hurricane Ida (including Abita)! But we know there's a long road ahead.

As we have more information about storm impacts, we will announce specifics about how we will support food distribution, debris removal, and roof tarping efforts in the Lower Ninth Ward and throughout Southeast Louisiana. We look forward to supporting our community and neighbors as much as we can.

For now:
– If you are a SELA resident, submit requests for cleanup help at crisiscleanup.org, and let us know what needs you see on the ground (generators, gas, water, solar chargers, hot meals, MREs, tarps??). If you are in need of financial support for evacuation or relief, request funds via this mutual aid form bit.ly/3zt3bG8 set up by our amazing team member Alaina and their partner Quinn
– If you want to help SELA, please consider offering your time or funds. Complete our volunteer interest form here https://forms.gle/vGZfZJ8ub9LfR57LA or sign up to volunteer with city–led relief efforts here https://ready.nola.gov/volunteer/. You can donate to the above mutual aid fund by sending funds to $maneatingpearl via Cash App. Donate to Common Ground Relief using the link on our page; funds will go towards immediate food and shelter relief, food security, and environmental restoration in SELA.

2016 FLOOD RESPONSE: best info at their Facebook page:

construction volunteer coordinator at 504.218.6613

From their website June 2010:

Common Ground Relief is run by a staff of long–term volunteer coordinators, based in the Lower 9th Ward of New Orleans. Each coordinator focuses on a specific project area and facilitates the work of the thousands of short–term volunteers from all walks of life who have come to work with us since 2005.

We are looking for skilled individuals, both short and long term, to come and volunteer with us in the Lower 9th Ward. We are particularly looking for those with expertise in one of our project areas. If you have experience in construction, dry wall hanging, carpentry, painting, roofing, plumbing, electric work, legal aid, environmental science, media/PR, computer technology, education or any other field that you think may be helpful to our work, please let us know!

Evacuation Shelter, School
65434 Hwy 41, Pearl River, LA 70452

Phone (985) 863–5882
Serves St. Tammany Parish
Eligibility Hurricane Evacuees
Service Temporary

The parish will open its first two emergency evacuation shelters at 2 p.m. Sunday at Creekside Junior High School , 65434 Hwy 41, Pearl River, and William Pitcher Junior High School , 415 S. Jefferson St. , Covington . Additional shelters will be opened as these reach capacity, Davis said.

The parish's special needs shelter at Covington High School, 73030 Lion Drive, Covington, will open at 4 p.m. Sunday. Those with special needs do not need to register for the shelter and should call the Council on Aging St. Tammany at 985–327–0185 if they need transportation to the shelter.

Davis said parish officials are waiting until after today's 4 p.m. forecast before issuing any evacuation orders.

Posted at 230

http://www.stpgov.org/topics.php?id=817

Citizens living in travel trailers, mobile homes should evacuate to these shelters. Tropical Storm Force winds are expected in St. Tammany Parish beginning Monday. Trailers and Mobile Homes will not be safe during tropical storm force winds.

The St. Tammany Special Needs Shelter at Covington High School will open Sunday, August 31 at 4pm. There is no reason to pre–register for the Special Needs Shelter at this time. St. Tammany residents who have special needs and CANNOT EVACUATE due to health issues should monitor the news, radio & website for special needs shelter opening announcement. Those needing transportation to the Special Needs Shelter should call COAST at 327–0185.

The State of Louisiana Special Needs Shelter in Hammond is now open. The phone number there is 985–549–5870.

Citizens should bring all personal items they might need to the shelter, including bedding.

In order to help the elderly, Council on Aging staff have been trained to administer Disaster Food Stamps. People 60 years of age or older should contact their local parish Councils on Aging for the nearest Disaster Food Stamp Assistance Application Site for seniors. If the local Council on Aging is not available, seniors should contact the Governor's Office of Elderly Affairs at 1-877-340-9100.

DSS Secretary Williamson emphasized that the Disaster Food Stamps program has strictly defined income eligibility and can only be used for the purchase of food, and reminded participants in the regular Food Stamp Program that they do not need to apply. Their benefits will automatically be lifted to the maximum amount allowable for September and their August benefits have been increased by 20 percent in order to replace lost food.

SOURCE: http://www.dailycomet.com/article/20120911/ARTICLES/120919957

Charity organizations are asking for donations in the aftermath of Hurricane Isaac as they work to feed, clothe and shelter some southeast Louisiana residents who lost everything in the storm.

Melodia Benoit said that local food banks saw an influx of families seeking help after the storms. Benoit is manager of the Raceland Good Samaritan Food Bank and co-manager of the Thibodaux food bank. Both food banks are run by Catholic Charities.

With some already struggling due to the tight economy, the loss of a week of work or a freezer full of food was enough to send already struggling people searching for help, she said.

“People who already live paycheck to paycheck are struggling a lot after this storm,” said Terri Kaupp, a spokeswoman for Second Harvest Food Bank of Greater New Orleans and Acadiana. The food bank works with churches in Terrebonne and Lafourche to set up food banks.

Second Harvest has already distributed more than 873,000 pounds of food, water and cleaning supplies.

Kaupp said that the nonprofit's supply of nonperishable food items is perilously low, at about 330,000 pounds. The food bank is currently distributing about 100,000 pounds a day of supplies.

Items needed include canned fruits and vegetables, tuna, soups, stews, chili, beans, rice, pasta, cereals, juices and shelf–stable milk. Cleaning supplies such as bleach, disinfectants, and other multi–purpose cleaners are also needed.

To help, drop items at the Terrebonne Good Samaritan Food Bank, 254 Magnolia St., Houma; the Raceland Good Samaritan Food Bank, 2084 La. 182; or the Thibodaux Good Samaritan Food Bank, 100 Birch St.

Provides food & household items and other support to families in crisis.

9/12/08 News Article:

Sunday evening in Lafourche Parish, New Orleans–based Besh Restaurant Group answered the governor's call and served meals to residents at the Raceland Recreation Center.

Besh Restaurant Group's General Manager Octavio Mantilla said the group expected to serve nearly 20,000 meals over a two–day stretch.

Beyond that, "if the residents need us to keep cooking then we will," Besh said.

SOURCE: http://www.cnn.com/2008/US/weather/08/27/gustav.nola/index.html

"Nagin will order a mandatory evacuation if a hurricane of a Category 3 intensity or higher approaches the city, Sneed said. However, an evacuation could be ordered for a less intense hurricane if it were particularly slow-moving and carried greater flooding potential, he said.

New Orleans estimates that 30,000 residents would need help evacuating, Sneed said. He said that only 7,000 people have signed up to get that help.

Sneed said buses and trains were ready to take evacuees to shelters in Shreveport, Alexandria and Monroe, Louisiana, and in Jackson, Mississippi."

UPDATE 6:58 p.m., Local emergency officials: Prepare for fallout from Gustav

Saturday, critical needs and medical needs shelters are set to open, including the PMAC at LSU.

SOURCE: http://www.ktbs.com/news/Watching–Gustav and–making–preparations–15972/

Watching Gustav –– and making preparations
Created: August 28, 2008 11:44 AM
Modified: August 28, 2008 06:39 PM

A decision on evacuations from South Louisiana in advance of Tropical Storm Gustav will not be made before Sunday morning, Shreveport Mayor Cedric Glover and the local head of homeland security said today.

If evacuations are ordered for Louisiana's Gulf Coast area, the city will have a huge influx of evacuees, homeland security director Sandy Davis said late this morning at a news conference at Government Plaza.

There is a lot of uncertainty about what will happen in the next few days because forecasters don't know what the storm's path will be as it moves across the Gulf of Mexico. Forecasts have called for landfall from Texas to Florida's panhandle early next week.

But state officials were in high gear on evacuations plans –– mindful of the botched state and federal response to Hurricane Katrina three years ago and determined not to repeat it. The state's handling of Katrina sunk the administration of Gov. Kathleen Blanco.

"Don't wait until this storm comes into the Gulf," Gov. Bobby Jindal said at a news conference.

The city of Shreveport is also making preparation in case Gustav makes landfall in Texas or western Louisiana and dumps huge amounts of rain here as it moves inland.

Crews from the streets and drainage department today were clearing debris and vegetation from drainage ditches. They want to reduce the changes of the ditches being clogged as water pours into them.

The state has lined up hundreds of buses to carry people out of New Orleans and other parts of South Louisiana who don't have transportation. Shelters would be set up at Hirsch Coliseum at the fairgrounds, the old Sam's Club on Jewella Avenue and the former Sports Mall off Interstate 20 in far west Shreveport.

Caddo Parish prisoners were at Hirsch today, unloading 5,000 crates that will be used to hold pets that would be evacuated

For people who have their own transportation, shelters will be set up at LSU–Shreveport and Southern University–Shreveport. Those with medical needs will go to the Bossier City Civic Center.

(Opened 8/29/08 afternoon – Bussed in residents of St. Bernard's Parish for Hurricane Gustav)

SOURCE: http://www.ktbs.com/news/Northwest–Louisiana–Shelters–Prepare–For–Evacuees––16066/

The old Sam's Club warehouse on Jewella has been transformed into a hurricane shelter for evacuees getting out of the way of Gustav. Louisiana's Department of Social Services decided it could be one of many buildings best used to house almost 3500 evacuees that may be bused in from coastal parishes.

A decision on evacuations from South Louisiana in advance of Tropical Storm Gustav will not be made before Sunday morning, Shreveport Mayor Cedric Glover and the local head of homeland security said today.

If evacuations are ordered for Louisiana's Gulf Coast area, the city will have a huge influx of evacuees, homeland security director Sandy Davis said late this morning at a news conference at Government Plaza.

There is a lot of uncertainty about what will happen in the next few days because forecasters don't know what the storm's path will be as it moves across the Gulf of Mexico. Forecasts have called for landfall from Texas to Florida's panhandle early next week.

But state officials were in high gear on evacuations plans –– mindful of the botched state and federal response to Hurricane Katrina three years ago and determined not to repeat it. The state's handling of Katrina sunk the administration of Gov. Kathleen Blanco.

"Don't wait until this storm comes into the Gulf," Gov. Bobby Jindal said at a news conference.

The city of Shreveport is also making preparation in case Gustav makes landfall in Texas or western Louisiana and dumps huge amounts of rain here as it moves inland.

Crews from the streets and drainage department today were clearing debris and vegetation from drainage ditches. They want to reduce the changes of the ditches being clogged as water pours into them.

The state has lined up hundreds of buses to carry people out of New Orleans and other parts of South Louisiana who don't have transportation. Shelters would be set up at Hirsch Coliseum at the fairgrounds, the old Sam's Club on Jewella Avenue and the former Sports Mall off Interstate 20 in far west Shreveport.

Caddo Parish prisoners were at Hirsch today, unloading 5,000 crates that will be used to hold pets that would be evacuated

For people who have their own transportation, shelters will be set up at LSU–Shreveport and Southern University–Shreveport. Those with medical needs will go to the Bossier City Civic Center.

Web www.sgfellowship.org/homeland.shtml
Serves Slidell community, New Orleans/Northshore Area and Gulf Coast region
Service Temporary

This group is up and running for Isaac support, to include a volunteer camp for gutting and rebuilding, as well as supply PoD:

Hi, Terra, thank you so much for contacting us here at Homeland Missions. Yes, we are beginning to assess the local needs since Isaac passed through, and to form our response.

If you are interested in helping with supplies, what we require will be in two main categories: personal needs, and rebuilding needs.

Personal needs include such things as: shelf stable food (hardest to get are protein sources); basic clothing (jeans, underwear/socks, tennis shoes); personal hygiene items (soaps, toothbrushes, etc.); paper products (toilet paper, paper towels, etc.)

Rebuilding needs would include: hand tools & power tools; building materials & supplies, etc.

Of course, if it's easier, funds to purchase the needed items would be acceptable as well.

Our address is 2021 Gause Blvd East, Slidell, LA 70461. Any donations (funds or materials) can be sent to this address.

If you know of anyone who'd like to come in to help, please have them go to our website for more information: HomelandMissions.org

Thank you,
Laura Hudson

SEEK: food donations for relief center in Slidell
Posted by: "Jenni" lifeontwofeet@gmail.com inchainsforchrist
Sun Sep 28, 2008 2:12 am (PDT)
Hi all...I've posted before, but my church's (Sovereign Grace Fellowship in Slidell) relief center is continually in need of food donations for our pantry, which seeks to help those in need. And especially now, in the wake of Hurricanes Gustav and Ike, the need has increased again.

The foods we need are basic, like dry beans, rice, pasta, mashed potato flakes, cereals (cold and hot), canned meats, soups, canned veggies & fruits. Other things are also welcome, but those are the things we mainly stock. If you can help with any of this, please email me or call me at the church (985–643–8215) , and we can either arrange for you to drop off, or us to pick up.

[NOTE: I'm picking up one donation on the east end of Slidell Sunday afternoon, 9/28. If anyone else has something available now, I can make a pick–up run around Slidell on that one day...east end of town early afternoon, and west end later afternoon or evening. If you can't do it Sunday, either I could pick up another time, or we have a box for donations available at the church, 2021 Gause Blvd, East – at the side door of the main building.

In addition, we'd like to find places to put food collection bins, perhaps an independent grocery, a school food drive, a bank, etc. If

anyone could give me leads to possible placements, that would be fantastic.

Thanks!
Laura
Sovereign Grace Fellowship

Post–Ike Report from Bayou DuLarge
by The Rev'd Canon Scott Albergate

Dear Brothers & Sisters in Christ:

I was finally able to make it down to Bayou du Large yesterday where I was met by about a dozen parishioners of St. Andrew's. Their spirits are high and unbroken despite water and wind damage to their church, parish hall and rectory. Many also experienced flooding to their homes and do not yet have power. This is a familiar experience for them, though their senior warden Allen Marcel said they had eight more inches of water this time than Rita.

With the dedicated assistance of the ODR team, we will help these good people come back. This weekend we will send down gift cards for Lowe's and Walmart. ODR will probably need volunteers to assist with gutting work in their church and rectory as well as the homes of parishioners. I am still in the process of compiling a list of other needs, but so far they will need new Prayer Books and Hymnals, possibly new pews, and new appliances.

Please call me if you can lend a hand in some way and I will be glad to coordinate. This is a proud and wonderful group of people who are a mainstay of their community.

Many thanks.

Scott Albergate

Charity organizations are asking for donations in the aftermath of Hurricane Isaac as they work to feed, clothe and shelter some southeast Louisiana residents who lost everything in the storm.

Melodia Benoit said that local food banks saw an influx of families seeking help after the storms. Benoit is manager of the Raceland Good Samaritan Food Bank and co–manager of the Thibodaux food bank. Both food banks are run by Catholic Charities.

With some already struggling due to the tight economy, the loss of a week of work or a freezer full of food was enough to send already struggling people searching for help, she said.

“People who already live paycheck to paycheck are struggling a lot after this storm,” said Terri Kaupp, a spokeswoman for Second Harvest Food Bank of Greater New Orleans and Acadiana. The food bank works with churches in Terrebonne and Lafourche to set up food banks.

Second Harvest has already distributed more than 873,000 pounds of food, water and cleaning supplies.

Kaupp said that the nonprofit's supply of nonperishable food items is perilously low, at about 330,000 pounds. The food bank is currently distributing about 100,000 pounds a day of supplies.

Items needed include canned fruits and vegetables, tuna, soups, stews, chili, beans, rice, pasta, cereals, juices and shelf–stable milk. Cleaning supplies such as bleach, disinfectants, and other multi–purpose cleaners are also needed.

To help, drop items at the Terrebonne Good Samaritan Food Bank, 254 Magnolia St., Houma; the Raceland Good Samaritan Food Bank, 2084 La. 182; or the Thibodaux Good Samaritan Food Bank, 100 Birch St.

Hurricane Gustav and Ike Update

Update as of Thursday, September 18th at 4:30: Unfortunately, I must now add Hurricane Ike to this update. While Hurricane Ike made landfall in Texas, the southern region of the Bayou Area Habitat service area received devastating flooding. After Hurricane Rita in 2005, it was estimated that Terrebonne Parish (where the Bayou Blue subdivision is located) had approximately 10,000 homes, businesses and structures in the southern part of the parish take on flood waters. Current estimates for Hurricane Ike is that over 15,000 have taken on water and some estimates are upwards of 20,000. Needless to say, we have been getting quite a few calls. Fortunately, no Bayou Area Habitat homes are included in those numbers.

Like many in this area, we are still assessing the needs while also still continuing to build for those affected by Katrina and Rita in 2005. We are anticipating an increase to our current building pace; however, this pace will be based on the amount of funding that is received and the amount of volunteers that offer their services.

If someone would like to donate funding, please email:

Jarrett Hawkins at: jhawkins@bayouhabitat.org or call at (985) 447–6999 ext 227

To volunteer, please email:

Aimee Bourgeois at: labourgeois@bayouhabitat.org or call at (985) 477–6999 ext 224.

Update as of Friday, September 12 at 11:00 AM: As you can see from the picture above, not all Bayou Area Habitat homes survived Hurricane Gustav. This home belongs to Shanell Henderson and is located at 811 Church Street in Thibodaux. Despite the total loss, Shanell, who has been in the home since 2002, has a great outlook even though she was told by FEMA that they will be unable to assist her. We are staying in touch with Shanell and assisting her through the insurance process.

Other than Shanell's home, Bayou Area Habitat homes faired well as approximately 60 - 70% of homes had no damage at all and of the homes that did have damage it was limited to siding, shingle and soffits. For the many volunteers who came to work as part of Hurricane Recovery from Katrina and Rita in Bayou Blue, the subdivision looks great considering what took place. Furthermore, the office regained power on Tuesday and is up and running.

All in all, things could have been much worse for Bayou Area Habitat and this region, but we still have plenty of work to do. The staff is currently working on a needs assessment for the area as we have begun to get quite a few phone calls from families in need of housing following Gustav and we also anticipate many calls because of the flooding that is currently taking place with Ike.

We are extremely grateful for all of the prayers that we received for us to get through Gustav and we are additionally grateful for the donors and volunteers who have contacted us. If someone would like to donate funding, please email [Jarrett Hawkins] or call at (985) 447–6999 ext 227 or if someone would like to volunteer, please email [Aimee Bourgeois] or call at (985) 477–6999 ext 224.

Thanks again for your prayers and support and please keep the Texas and Southwestern Louisiana coast in your prayers with Hurricane Ike currently on track to make landfall there.

Update as of Saturday, September 6 at 2:00 PM: I have been able to make it back to the area to check on my, other family members and Bayou Area Habitat homes, and while the damage to homes and businesses is not overwhelming, it is still very bad. There were too many power lines snapped in half or trees leaning on them to count. The current report is that by October 1, all power will be returned, but as I type this I am hearing about more and more areas with electricity being returned. All in all, I

thought the damage would be much worse, but the damage was still bad enough that Bayou Area Habitat will be extremely busy with many, many phone calls for assistance and I am positive that the staff will be ready.

As for the Bayou Area Habitat office building, one office had a window broken with a good bit a water getting in and even worse, two big lights in the front office are filled with water from a roof leak I presume. On a good note, the ReStore appears to have survived without damage and will be open for business once electricity on returned.

Since I have been getting quite a few emails about the subdivision in Bayou Blue, it did do fairly well as there were quite a few homes with siding and shingle damage but nothing that appeared structural. Residents were finally allowed back into Terrebonne Parish Friday morning, so we will likely starting hearing more about damage. I hope to get a report on all of our Bayou Area Habitat homes very soon.

Please keep this area, and all areas along the Gulf Coast, in your prayers as the current projected path of Hurricane Ike is not very favorable for Bayou Area Habitat or many other Habitat affiliates along the coast.

Jeremy

Update as of Tuesday, September 2 at 8:30 AM: I, and the entire staff, are all currently still out of the area as no one is being allowed back into the area with Terrebonne Parish not allwoing residents back in until Friday at noon. Power is out for up to a couple of weeks according to some reports and cell phone usage is in and out. From the reports that I have recieved, none of the homes in the subdividision in Bayou Blue received any major damage, although there are many with shingles, siding and some awning damage. As of now, unless I, or another staff member get word, about Bayou Area Habitat homes, there will likely not be another update until early next week as staff will have to also assess the damage to their and their families homes. All in all, I think we have come through this with mostly bumps and bruises, but we will not know the full story until the entire staff is back.

Thanks for the prayers and best wishes,

Jeremy

Habitat for Humanity's Gulf Coast Recovery program needs volunteers to help with rebuilding efforts along the Gulf Coast . HFH is looking for energetic volunteers who want to make a difference in the lives of hurricane–affected families, meet other people dedicated to eliminating substandard housing, and rebuild communities in areas devastated by hurricanes Katrina and Rita. Volunteers, either skilled or unskilled, are needed to help with framing, roofing and painting. Volunteers must be at least 18 years old.

Services offered: Construction, Rebuilding, Volunteer Services; Demographic Served: Low Income Folks; Demographic Served: Survivors, Natural Disaster Impacted Communities; Volunteer Opportunities, In General * (ANY/ALL Types); Volunteers, Groups of Volunteers (This facility accomodates Groups of Volunteers); Volunteers, Individual Volunteers (This facility accomodates Individuals Volunteers)

SOURCE: Houmatoday.com http://www.houmatoday.com/article/20100531/ARTICLES/100539905?Title=Protecting–your–pets–starts–now
Protecting Your Pets Starts Now
Published: Monday, May 31, 2010 at 5:20 p.m.

Hurricanes of the past have taught emergency officials a clear lesson: People’s safety is often linked to pets’ safety.

“Owners may fail to evacuate because they cannot take their animals with them, or owners who left their animals behind will later try to reenter the disaster area to rescue them,” says a plan put together by Lafourche Parish government. “By providing shelters for pets, human lives will be saved.”

Preparation now is key to making sure you’re prepared to evacuate your pet in the event of a Category 3 or higher storm, authorities say.

This year, Terrebonne and Lafourche residents who need parish help to evacuate will be going to a shelter in Monroe and will be allowed to bring their pets with them. Once arriving in Monroe, animals will be housed in an agricultural arena next door to the Civic Center, where the people will be housed.

“The general policy will be that pet owners will be allowed to bring their pets, but they must be in a cage or kennel and they must bring their own pet food, water and medications, as well as vaccination records, with them,” said Brennan Matherne, spokesman for Lafourche Parish government. “Once they get to the shelter in Monroe, the owners are responsible for taking care of the pet.”

Smaller pets will ride on the buses along with the people, while the larger ones will be loaded onto another vehicle that will follow, said Valerie Robinson, manager of the Terrebonne animal shelter.

“They can ride on their laps so long as they can fit in a small carrier,” she said.

News
We are happy to announce the opening of our new building to house tame cats, kittens and puppies. The new building also has a separate room to house feral cats.

Who We Are
We are the Lafourche Parish Animal Shelter. The shelter is open Monday thru Friday 8:00 a.m. until 4:00 p.m. The animals that you see on this site have been either picked up throughout the Parish or turned in by their owners who could no longer care for them.
The shelter holds stray animals for ONLY 5 days. Animals turned in by their owners do not have to be held for any amount of time. They can be euthanized, adopted, or sent to a rescue group at any time after they are signed over.

The shelter is a great place to find a pet. We have puppies and kittens of all sizes. We often have purebred dogs that are turned in or surrendered.

Adopting a friend
Adoptions are based primarily on applications. We try to match the animal with the most suitable home.
Please click HERE to fill out our online adoption form.

Adoption fees for dogs are $30.00 for males and $35.00 for females.
Adoption fees for cats are $15.00 for males and $25 for females.

If your application is approved you sign a contract stating that you will have the animal spayed or neutered within 30 days of adoption for an animal over 6 months of age. If the animal is a puppy or kitten you have until it is 6 months of age. The shelter is currently providing a certificate for $50.00 off of the spay/neuter procedure.

The shelter does have a "foster" program where the prospective adopters can take the animal home for up to 1 week and see if it fits in with their lifestyle and family. If the animal is a match then the new adopters come into the shelter and do the official adoption paperwork.

Shelter Staff reserves the right to refuse adoption to anyone.

Come Visit Us!
We are located next to the Lafourche Parish Detention Center at 934 Highway 3185, Thibodaux, La 70301

OPENED 8/28/08 for Gustav

Pet shelters and pet-friendly shelters have been set up across Louisiana to deal with the influx of owners with pets and livestock who might be displaced if Gustav hits the Gulf Coast early next week.

The state began making emergency evacuation plans for pets following hurricanes Katrina and Rita, when owners were forced to leave their pets behind during the evacuation process.

The plan likely will be tested for the first time since it was hatched.

"There are a lot of plans in place around the state for pet owners," said Becky Adcock of the State Animal Response Team. "The most important message for pet owners is that they include their pets in their family evacuation plan and under no circumstances leave their pets at home."

The first step for pet owners planning to evacuate is to know where they are going and find out if their pet is welcome, whether it is a hotel, relative or an evacuation shelter.

Jim Rundell, a Monroe veterinarian who was instrumental in developing the state plan, said pet shelters have been set up in Monroe and Shreveport adjacent to human shelters. When the pet shelters are at capacity, pets will be sent to Bastrop.

"For people who are self-evacuating, Monroe is probably going to be their first stop," Rundell said. "Monroe has traditionally been the main shelter because of the experience we've had in the past."

Shelters will be set up at the Shreveport fairgrounds and the Monroe Civic Center.

The Ike Hamilton Expo Center in West Monroe began accepting evacuees with livestock on Thursday. The facility's manager, Ramona Martin, said the center is set up ideally to handle horses.

"They are the ones that need to be leaving (today) because of the large trailers that must be used for transport," Adcock said.

UPDATE 6:58 p.m., Local emergency officials: Prepare for fallout from Gustav

The city of Monroe has also begun preparing its Civic Center facility as an evacuee shelter. Community Affairs director Johnny Riley said organizers of the Cottonland Cluster Dog Show have agreed to move the event to an outdoor tent at the facility if an overwhelming influx of evacuees arrive over the weekend.

“At this point, the first stage of evacuees will be housed in the Convention Center and the second phase will be the B.D. Robinson Conference Hall,” Riley said. “If those two are full, the third phase will be for us to use the Civic Center arena.”

– ACCEPTING PRIVATE CARS/SELF EVACUATORS – OPENED 8 PM Sat. 8/30 – SITE FULL)

Spoke w/Pastor Dave at 4:40 CST 8/31 LTel:

Yesterday their max capacity was 200. They've upped it to 300 as so many evacuees are coming into their parish. Right now their pop. is 260 but he expects it to be at 300 by this evening based on the call aheads he's received today.

They NEED FOOD ASAP. Went to Sam's & bought $1000 worth of food supplies but expects that to hold out for only 2–3 days max.

Also confirmed that the Horse Barn across the street is NOT charging a boarding fee.

INFO FOR EVACUEES:

CONTACT: Main Church Number for Evacuees: (318) 435 9200

CAPACITY: They can take up to 200 people, but it is VITAL that you call ahead to check if there are any available shelter spots left. This facility will FILL UP FAST SO DO NOT DELAY.

OPENING: This Hurricane Gustav Shelter is OPENING AT 8 PM Sat. 8/30/08. This shelter will remain open for AS LONG AS NECESSARY (They stayed open for 6 weeks with Katrina). This shelter is one of few, if not the only available to private cars/self evacuators in the Monroe area (Franklin Parish).

BEDDING: They have bedding (ie. pillows/blankets/sheets) for up to 100 beds. So if you can bring your own bedding/blankets/sheets/pillows this would be a great help. They have enough beds/roll out beds to cover up to 200 people so no air mattresses are necessary.

CHILDREN/FAMILIES: The Pastor will do his best to give families with children a Sunday School room to stay in to provide safety/privacy and comfort.

MEALS: Cooked meals will NOT BE AVAILABLE UNTIL MONDAY 9/1/08. If you arrive at the shelter prior to that date, you will be responsible for your own meals, so either bring non perishable food or expect to dine out until Monday.

SHOWERS/RESTROOMS: There are four church showers available (2 for ladies 2 for men) and restroom facilities available for evacuee's.

LAUNDRY: One of the church members owns a local laundromat and it will be available for use by evacuee's if extended stays are necessary. You will be required to pay for the laundry loads.

ANIMALS: Pets are accepted but they must be in a crate or kennel. The church has a small playground with a 3 foot fence and animals will be KEPT OUTSIDE as it's not safe to keep them inside the church with the main evacuee populace. You must supply feed and any other pet needs, none will be provided.

HORSES: There is a Horse Barn across the street available to evacuee's with horses. There will be no one to maintain them, so evacuee's are responsible for bringing feed and watering/feeding them.

MINISTERING: This is a non–denominational church and you are to expect that the pastor and church members will minister to you during your stay.

URGENT NEEDS:

Non–perishable foods & canned food (ie. beans, pasta, rice, large industrial cans of veggies/large boxed mashed potatoes/rice, etc.)

Water (They have NONE)

Toiletry Kits (they currently only have about 30–40 kits on hand if not less)

Bath Towels/Washcloths

(Information confirmed by phone call from Terra at 7:10 am CST on Sat. 8/30 & Leslie on Sat. 8/30 1 pm CST)

Services offered: Demographic Served: Survivors, Natural Disaster Impacted Communities; Shelter * (ANY/ALL Types); Shelter, Evacuation Shelter; Shelter, Evacuation Shelter, Accepting Evacuee's In Private Cars; Support for "All Local" Disasters

HUD, FEMA Extend Disaster Housing Assistance Program In Louisiana And Texas For Gustav And Ike
Mon, 17 May 2010 12:22:48 –0500

WASHINGTON,D.C. –– U.S. Housing and Urban Development Secretary Shaun Donovan and Federal Emergency Management Agency Administrator Craig Fugate announced today a second extension to the Disaster Housing Assistance Program–Ike (DHAP–Ike), giving families who were displaced by Hurricanes Ike and Gustav more time to transition to long–term housing solutions. This extension increases the total length of the program to two years for eligible families.

Louisiana Disaster History (Shows Current Active)
http://www.fema.gov/news/disasters_state.fema?id=22

Abstract Report gives details to frustrations & bureaucratic process:
Katrina/Rita/Gustav/Ike

April 13, 2010
http://www.heritage.org/Research/Reports/2010/04/Federalizing-Disasters-Weakens-FEMA-and-Hurts-Americans-Hit-by-Catastrophes

...
Conclusion

Astounding as it may seem, Louisiana has only completed about one-quarter of the construction work to restore the public facilities damaged by Hurricanes Katrina and Rita. There remains approximately $4 billion in eligible work that has to be captured in PWs to allow the remaining construction to continue. Few of the repairs to restore facilities damaged by Hurricanes Gustav and Ike have even begun.

NOTE: If you need first response disaster supplies, you must go through your local Regional Coordinator and complete a request. GOSHEP cannot deliver supplies without it. If your coordinator cannot help you, go to the local Regional Coordinator. If none of them can help you, contact Citizen Action Team for support:

leslie@citizenactionteam.org

Parish Emergency Management Websites:
http://ohsep.louisiana.gov/linkpages/parishpa.htm

Each of the State's 64 parishes have an emergency management program. Louisiana is divided into nine emergency management and homeland security planning districts which GOHSEP uses in conjunction with its Regional Support program. The map below (see website for map) will assist you in determining who the Regional Director (Parish) is for a particular area and how to contact them. In addition, each district has a state Regional Coordinator (a GOSHEP employee) whom acts as a liaison between the parish emergency operations center (EOC) for their region and the state EOC.

Regional Directors:

Each Region is represented by a Regional Director selected from a Parish Emergency Manager or Director, by the Parishes within the particular Region. The Regional Director provides a leadership role for the Parishes within the Region. They serve as a voice for the Region to raise issues at the State level, providing recommendations to the GOHSEP staff on issues that are pertinent to the Parishes. The Directors work closely with the Regional Coordinators to determine overall strategy for the Region.

Regional Coordinators:

Each Region is supported by a Regional Coordinator who is a GOHSEP employee. The Coordinators assist their regional Parishes with training and resourcing, provide technical expertise on Homeland Security grants, assist in coordinating State and Local activities within their Region and provide direct support during disaster activations.

For more information on the Regional Support program, please contact:
Brant Mitchell

Gustav: Shelters and Emergency Numbers

Information on shelters as well as numerous emergency numbers are available on this page.PLEASE NOTE: All information is being updated as quickly as possible, but please be sure to note the date and time the info was last updated.

SHELTERSDepartment of Social Services Urges Evacuees to Use 211 and Toll–Free Number to Find Shelters (updated 8/31 – 1:30 pm)
Baton Rouge –Department of Social Services Secretary Ann Silverberg Williamson is urging all citizens who are evacuating in advance of Hurricane Gustav to dial 211 if they are seeking a shelter inside Louisiana . Residents who are looking for a shelter in another state should call the toll–free number 1–866–Get Info (1–866–438–4636) for the location of Red Cross shelters in another state.
DHH, DSS (Last updated 08/31 – 7:00 pm)
The Department of Social Services announced the following information today: DSS has four state–run Critical Transportation Needs Shelters open right now with a capacity of approximately 10,000 people. They are full. The locations are: Shreveport (2), Bastrop, Monroe
FEMA, with the support of Red Cross Critical Transportation has two Critical Transportation Needs Shelters open filled right to capacity with approximately 5,500 people.
The locations are:
Shreveport, Alexandria
Five Medical Special Needs Shelters are open with approximately 1,000 patients taking refuge. Several hundred spots remain.
The locations are:
Baton Rouge, Alexandria, Bossier City, Hammond, Monroe
Five other states are currently sheltering Louisiana residents.
They are:
Texas–11,000, Oklahoma–4,000, Alabama – 3,000, Arkansas –3,000, Tennessee–1,050
Louisiana has agreements with three other states:
Missouri, Georgia, Kentucky
General Population Shelters:
123 are open in Louisiana with at least 25,500 taking shelter right now. The shelter information points are working well and the Shelter Information Task Force says people did listen to warnings and started to appear in shelters earlier than they usually see during a storm. DSS continues to encourage those who are on the road to stop at the shelter information point below in order to receive a reservation and ensure they have a spot in the nearest general population shelter available.

The shelter–information points (also listed on the Louisiana evacuation guides) are located at:
Tourist Welcome Center, U.S. 65 & 84, 1401 Carter St. , Vidalia.
Tourist Welcome Center , 836 I–20 West, Tallulah.
Sammy's Truck Stop, I–49, Exit 53, 3601 La. 115 West, Bunkie.
Med Express Office, 7525 U.S. 71, Alexandria .
LSU–Shreveport, P.E. Gym, One University Place , Shreveport .
Pickering High School , 180 Lebleu Road , Leesville.
Tourist Information Center , 8904 U.S. 165, Oberlin,

La DSS Secretary Ann Silverberg Williamson strongly encourages mobile home residents in non–evacuation areas, to contact their local emergency officials to receive information on available in–parish shelters.

For the latest on Hurricane Gustav, you can log onto emergency.louisiana.gov or call the state's emergency hotline at 1–866–288–2484 to hear a recorded message with the most up–to–date information.

TANGIPAHOA PARISH
The Tangipahoa Emergency Operations Center is currently tracking Hurricane Gustav and making preparations for a potential impact of rain, wind, and flooding of low–lying areas Monday morning. Tangipahoa Parish President Gordon Burgess signed a declaration of emergency effective 8:00 a.m. Thursday, August 29th. The Parish EOC is working in cooperation and consultation of all state and local agencies.

In anticipation of this storm:
A Special needs shelter has opened at the Southeastern Louisiana University Kinesiology Building as of 8am this morning. Anyone needing special needs sheltering should call 866–280–7724.
Hurricane Gustav is predicted to be a large storm possibly as high as a Category 4 Hurricane prior to making landfall. The current track puts Tangipahoa on the Eastern side of the eye wall. Residents should expect the potential for hurricane force winds, a significant storm surge, heavy rains, flooding in low lying areas, and extensive power outages. Residents choosing to stay in Tangipahoa Parish should make preparations for at least 72 hours of self sufficiency regarding food, water, and medications. Tangipahoa Parish is recommending all citizens living in travel trailers, mobile homes or in low lying areas to make preparations to evacuate. Anyone planning to evacuate to a shelter should bring food, water, medication, bedding, and any other items needed. The shelters are only able to provide housing. Please monitor local media for upcoming announcements regarding evacuations, shelter openings, and office/school closures for Tangipahoa Parish. Any Tangipahoa residents which will need transportation assistance in order to evacuate should call 985–748–3211 immediately to make arrangements their evacuation. It is currently anticipated that transportation assisted evacuation will begin on Sunday August 31st.

We continue to encourage all citizens to make final preparations. This includes checking on the elderly, disabled, and other neighbors that may need assistance. Please do not wait until the last minute, keeping in mind that Tangipahoa Parish will serve as a major evacuation route for most of southeastern Louisiana . Should Contra–flow be deemed necessary by Governor Jindal, I–55 from I–12 to the Mississippi line will be closed to southbound traffic beginning at 6am on Sunday.

EMERGENCY INFO.The American Red Cross encourages all Hurricane Gustav evacuees to register online to post a "Safe and Well" message at https://disastersafe.redcross.org. (updated 8/31 – 1:30 pm)
The Safe and Well website is designed to help concerned family and friends check on the well–being of a loved one affected by a disaster. Evacuees can post first and last name, an "As of Date," and the "safe and well" message selected.Safe and Well is available in Spanish, and users who speak other languages can register by calling 866–GET–INFO and a Call Agent will connect the caller to AT&T's language line for translation.Registration for the hearing impaired can be supported by dialing the TTY number.

For the latest on Hurricane Gustav, you can visit emergency.louisiana.gov or call the state's emergency hotline at 1–866–288–2484 to listen to a recorded message with the most up–to–date information.

Toll–Free Number for Spanish–Speaking Residents (updated 8/31 – 12:30 pm)The Governor's Office of Homeland Security and Emergency Preparedness (GOHSEP) has activated a toll–free number Spanish–speaking residents of the state may call to get the latest information regarding Hurricane Gustav.Citizens may dial 1–866–288–4539 to listen to a recorded message with the most up–to–date information state officials have on the storm and preparations for it.

Citizens with internet access can also visit www.emergency.louisiana.gov for the latest information related to Hurricane Gustav.For the latest on Hurricane Gustav, you can visit emergency.louisiana.gov or call the state's emergency hotline at 1–866–288–2484 to listen to a recorded message with the most up–to–date information.The state of Louisiana is posting critical transportation, sheltering and safety information related to Hurricane Gustav online at emergency.louisiana.gov and through mystateusa.com. (updated 8/31 – 12:30 pm)The site is a central portal for all of the state's Gustav information, including:
Press releases from state agencies responding to the storm; Contraflow maps and routes; Lists of parishes with evacuations; The latest hurricane track; Links to other emergency Web sites; Information about medical volunteers; Dates and locations of school closures; Important phone numbers; Information about shelters for residents; Pet evacuation tips.

In addition to being viewed on computers, the site is optimized for viewing on PDAs and Smartphones for residents who are using mobile devices on the road while evacuating.Citizens without access to the internet can call the state's emergency hotline at 1–866–288–2484 to listen to a recorded message with the most up–to–date information. Unaccompanies Minors : Governor Jindal added that DSS has established a phone number to be used for the reporting of any unaccompanied minor children in shelters, which can be accessed by calling 1–888–LAHELPU (1–888–524–3578). This phone number is currently active and is available 24 hours a day.GUSTAV HOTLINE ACTIVATED The Governor's Office of Homeland Security and Emergency Preparedness (GOHSEP) has activated a toll–free number citizens may call to get the latest information regarding Hurricane Gustav. Citizens may dial 1–866–288–2484 to listen to a recorded message with the most up–to–date information state officials have on the storm and preparations for it.

Residents are asked to continue to monitor local media for updates as the state continues to prepare for possible landfall of Hurricane Gustav. The message will be updated as news warrants. Online visit www.emergency.louisiana.gov for the latest

information related to Hurricane Gustav. The site is a central portal for all of the state's Gustav information, including:
Press releases from state agencies responding to the storm; Contraflow maps and routes; Lists of parishes with evacuations; The latest hurricane track;
Links to other emergency Web sites; Information about medical volunteers;
Dates and locations of school closures; Important phone numbers; Information about shelters for residents; Pet evacuation tips

"Safe and Well" Internet Registry: The American Red Cross encourages all Hurricane Gustav evacuees to register online to post a "Safe and Well" message at https://disastersafe.redcross.org.Coast Guard Hurricane Response Public Info. Website www.uscgstormwatch.comEvacuation guides for Southwest and Southeast Louisiana can be viewed at : www.GetaGameplan.orgDepartment of Social Services : Check DSS's Hurricane Center at www.dss.state.la.us for the most updated information on DSS efforts.The LA Dept of Agriculture and Forestry Animal Evacuation Information Center Website is located at www.ldaf.state.la.us.

Others may call 1–800–558–9741 toll free or 225–925–3980 for more information.Cancer Patients: As Hurricane Storm Gustav nears the Gulf Coast, the American Cancer Society wants to remind cancer patients that: It's important to contact your treatment facility to know whether it's open or closed, Know your health information in case you are displaced by the storm, And take your medication with you if you are displaced. The American Cancer Society is available 24 hours a day, 7 days a week by calling 1–800–ACS–2345 or visiting www.cancer.org.DEMCO Members: to report a power outage or downed line to DEMCO, members should call 261–1160 or 1–800–262–1160.

(edited format to fit the format of this record)

SHELTER INFORMATION–DIAL 211

We have been advised that shelters around the state will open as they are needed. Remember if you are stranded without shelter, and are having to seek shelter while on the road, dial 2–1–1 from your cell phone to reach the State Information Line for Shelter Information.

DSS Announces Shelters to Prepare for Evacuees

BATON ROUGE – The Department of Social Services (DSS) has state operated shelters ready to house evacuees today. Medical Special Needs Shelters in Baton Rouge and Alexandria and a Critical Transportation Needs Shelter are ready to accept people now. All others will be prepared by 6 p.m. Also, in working with Parish Emergency Preparedness officials, DSS expects general population shelters will be prepared today as well.

People who are evacuating on their own and who do not have an alternative shelter should stop at shelter–information points along the evacuation route to receive a reservation for the nearest shelter with openings. They will open as mass–scale evacuations begin.

The shelter–information points (also listed on the Louisiana evacuation guides) are located at:
Tourist Welcome Center, U.S. 65 & 84, 1401 Carter St., Vidalia.
Tourist Welcome Center, 836 I–20 West, Tallulah.
Sammy's Truck Stop, I–49, Exit 53, 3601 La. 115 West, Bunkie.
Med Express Office, 7525 U.S. 71, Alexandria.
LSU–Shreveport, P.E. Gym, One University Place, Shreveport.
Pickering High School, 180 Lebleu Road, Leesville.
Tourist Information Center, 8904 U....S. 165, Oberlin, La

Medical Special Needs Shelters are designed for individuals who are homebound, chronically ill, or who have disabilities and are in need of medical or nursing care, and have no other place to receive care. The intent of the Medical Special Needs Shelter is to provide, to the extent practical, an environment in which the current level of health of evacuees with special needs can be sustained. Electrical power for support equipment like oxygen converters will be provided by generators if local power fails....

Those seeking a medical shelter should call the number below for their area to be screened by nurses to determine the level of care needed. If they meet admissions criteria, they will be sheltered. If their condition is too critical, they will be referred to a hospital for sheltering, or admission. If their condition is not severe enough

for Medical Special Needs Sheltering, they will be referred to a general shelter.

GUSTAV INFO FROM 2008 below here
Open Gas Stations – 7:06 p.m. September 3, 2008
The State of Louisiana is collecting the locations of gas stations that are confirmed to have both power and fuel, which will be here. The public is encouraged to help by going to the Web site and submitting information on open gas stations

http://emergency.louisiana.gov/Releases/GasStations.html

Mapping of POWER OUTAGES
http://entergy-neworleans.com/outages/nola.aspx

Each of the State's 64 parishes have an emergency management program. Louisiana is divided into nine emergency management and homeland security planning districts which GOHSEP uses in conjunction with its Regional Support program. The map below will assist you in determining who the Regional Director (Parish) is for a particular area and how to contact them. In addition, each district has a state Regional Coordinator (a GOSHEP employee) whom acts as a liaison between the parish emergency operations center (EOC) for their region and the state EOC.

http://www.ohsep.louisiana.gov/regions/regionsindex.htm
(SEE WEBSITE for each regional contact Info)

Basic Government Info, Contacts, Maps: http://www.louisiana–parish.com
Population/demographics info: www.census.gov

For a list of current evacuation information go to:
http://www.emergency.louisiana.gov/Releases/Evacuations.html

St. James Parish:
The special needs population should cal 1–800–228–9409 or 985–447–0916 should they need to go to a special needs shelter.

St. Tammany Parish:
The parish has activated a storm information line at 985–809–2300. Recorded information is available regarding sandbags, shelters, evacuation orders and other pertinent information

Tangipahoa Parish:
A special needs shelter has been opened at the Southeastern Louisiana University Kinesiology Building as of 8:00 am Friday morning. Anyone needing special needs sheltering should call 866–280–7724.

St. Bernard Parish:
Evacuation for residents with special and medical needs, who have registered with the parish, will begin Friday by appointment. Any special needs residents must register before midnight tonight by calling 504–278–1593.

St. Charles Parish
St. Charles residents needing transportation who have not signed up are asked to call (985) 783–5050 immediately.

Orleans Parish: 1–877–286–6431

Plaquemines Parish:
Contact the Plaquemines Parish Health Department at (504) 394–3510

Jefferson Parish: 504 349–5360

Please understand that these numbers could change at the last minute and of course could become out of service. They were retrieved from Parish websites on Fri. 8/29/08.

I grabbed these numbers from individual Parish sites on the internet today.

http://www.tangiparishohsep.org/phlscontact.html

Medical Special Needs Shelters are specifically for individuals who need medical attention and cannot evacuate the areas that may be affected by Hurricane Gustav. The phone lines are for individuals to call BEFORE attempting to access these shelters, to ensure that you or your loved one meet the admissions criteria, and also to ensure that the shelter is OPEN.

These shelters are designed for individuals who are homebound, chronically ill, or who have disabilities and are in need of medical or nursing care, have no other place to receive care, and cannot evacuate on their own.

The phone numbers to assist those in need of a medical shelter were activated this morning. They include:

Region 1, New Orleans 866 280 2068 Local Number 504 599 0800

Region 2, Baton Rouge 800 349 1372 Local Number 225 925 7910

Region 3, Thibodaux 800 228 9409 Local Number 985 447 0879

Region 4, Lafayette 800 901 3210 Local Number 337 262 1150

Region 5, Lake Charles 866 280 2711 Local Number 337 475 3001

Region 6, Alexandria 800 841 5778 Local Number 318 487 5611

Region 7, Shreveport 800 841 5776 Local Number 318 676 5015

Region 8, Monroe 866 280 7287 Local Number 318 362 5001

Region 9, Mandeville 866 280 7724 Local Number 985 871 1308

State of Louisiana Shelters
The State of Louisiana and the American Red Cross have collaborated to provide a public view of current shelters listed in the Red Cross National Shelter System. This information is updated as regularly as possible and may be immediately out of date. Due to the complexity of a disaster response, anyone who uses this information should be prepared to make adjustments to their immediate plans.

The LA/SPCA is the designated support agency overseeing pet evacuation and rescue functions for the city of New Orleans and the Office of Homeland Security. The LA/SPCA joined with city, parish, state and federal agencies to develop operational procedures to care for companion animals before, during, and after a hurricane or other disaster. Households must pre–register with the City of New Orleans if they will need assistance. However, evacuees with pets utilizing city assistance are not guaranteed space on transport or at shelters.

Pet owners may call for information or to request assistance by calling 311, or 1–877–286–6431. There is no limit to the number of pets. The service is free to Orleans Parish residents, but they must meet certain criteria. It is only available to people who do not own a mode of transportation or the mode of transportation is too small to accommodate the entire family.

Note:
Website listed a number of hotels but the links don't function on the referring site.

Preparing Your Pets

* If you are a pet owner, your family's disaster plan must include your pets. Bring pets indoors at the first sign of danger. If you must evacuate, the best thing you can to protect your pet is to evacuate them too.
* Identify boarding facilities, veterinarians, or hotels outside of the affected areas that can accept your pets. If you have notice of an impending disaster, call ahead for reservations.
* Pet–friendly shelters may be opened during an evacuation. This information will be available at shelter information points.
* Create a disaster readiness kit for your pet including food, water, first aid supplies, feeding dishes,

leashes, carrier, blanket, etc.
* Make sure all family members are aware of these preparations.
* Animal Shelter: 225–578–6111
* Pet Shelters – LSU 1–800–928–5862
* Pet Shelter at LSU Parker Agricultural Center, 225–578–6111
* Pet Shelter at Blackham Coliseum in Lafayette, next to the Cajundome call Lafayette Parish Animal Control at 337–291–5644 for more information. Food and supplies available, but owners must tend their pets.
* Louisiana Veterinary Medical Association is accepting donations to help animals in need.
* AKC Companion Animal Recovery/Canine Support and Relief Fund Phone 1–800–252–7894. American Kennel Club providing crates, water food, and other animal supplies at staging areas in Louisiana, Mississippi, Alabama, and Texas.
* The Humane Society of the United States Promoting the protection of all animals
* National List of Animal Shelters at Petfinders.org animal emergency response
* PetNeighbor.Net Toll free number: 866–673–4705 and photo gallery of displaced pets.

Emergency Relief Services
Emergency Relief Services are based on a long term case management structure. A case manager helps identify the client's need, and by addressing this need, helps bring the client to self–sufficiency. Services include referral, budgeting tips, employment training and spiritual counseling. Financial assistance is available based on the client's greatest need, which could include rent, food, utilities, prescription drugs, furniture, crisis counseling, and miscellaneous assistance.

Community Centers provide long term case management, with direct assistance as part of a holistic approach to recovery.

New clients are only taken on the 1st or 2nd day of each month. Please call for an appointment. Only clients with an appointment will be seen.

Services offered: Assistance, How to Find, Emergency Food Assistance; Assistance, Referrals, Case Management Referrals; Case Management, Hurricane Survivors; Case Management, Long–Term Case Management; Case Management, * (Providers of ANY Type of Case Management); Counseling, Crisis Counseling; Counseling, Financial/Budget Counseling; Counseling (Free or Sliding Scale) * (ANY/ALL Types of Counseling); Counseling, Spiritual; Demographic Served: Low Income Folks; Financial Assistance, Case Management for Financial Matters; Financial Assistance, Emergency Financial Assistance; Financial Assistance, ** Financial Assistance (ANY/ALL Types); Financial Assistance, Housing, Rental Assistance; Financial Assistance, Medical, Prescription Assistance; Financial Assistance, Utility Bill Assistance; Furniture * (ANY/ALL Types); Training * (ANY/ALL Types of Instruction) ; Training, Services, Employment /JobTraining

FROM THE SITE:

Parish President Craig P. Taffaro, Jr. would like to welcome you to St. Bernard Parish

St. Bernard Parish is located just five miles from downtown New Orleans with easy access to all that the city offers. St. Bernard has much to offer on its own as a place to live or visit. St. Bernard has a rich history with its most famous occurrence being the site of the Battle of New Orleans which effectively ended the War of 1812.

DSS UPDATE on Shelter Locations:

People who are evacuating on their own and who do not have an alternative shelter should stop at shelter–information points along the evacuation route to get the most up–to–date information about which shelters are open.

The shelter–information points (also listed on the Louisiana evacuation guides) are located at:

Tourist Welcome Center, U.S. 65 & 84, 1401 Carter St., Vidalia.
Tourist Welcome Center, 836 I–20 West, Tallulah.
Paragon Casino, 711 Paragon Place, Marksville.
Sammy's Truck Stop, I–49, Exit 53, 3601 La. 115 West, Bunkie.
Med Express Office, 7525 U.S. 71, Alexandria.
LSU–Shreveport, P.E. Gym, One University Place, Shreveport.
Pickering High School, 180 Lebleu Road, Leesville.
Mowad Civic Center, Fifth Avenue and 10th Street, one block off U.S. 165, Oakdale.
DSS also will assist with the registration of New Orleans area evacuees who require city and/or state assistance in evacuation at the Union Pacific Terminal in New Orleans.

Additional Information

DHH UPDATE on Special Medical Needs Shelters:
Five locations are preparing to open as Special Medical Needs Shelters, located in Baton Rouge, Alexandria, Monroe, Bossier, and Hammond. Hirsch Coliseum in Shreveport is being prepared for Critical Transportation Needs populations and for pets, should this population be asked to evacuate.

Agriculture and Forestry UPDATE on pet evacuations:
A pet evacuation center for residents with critical transportation needs will be open in Shreveport in accordance with the timeline set by the local parish OEP officials. It is only for evacuees with critical transportation needs, and those residents are instructed to coordinate with their local OEP offices to arrange transportation for themselves and their pets to the shelter.

Pets under 15 pounds that are carried in a pet carrier will be allowed to travel with their owners on the bus transports (soft–sided carriers are preferred). Larger pets will be placed in size–appropriate pet carriers and bussed separately from their owners to the pet/owner shelter.Other shelters for self–evacuators for pets and owners will open as storm and evacuation conditions dictate.

Pets must have proper identification – preferably something permanent like a microchip or tattoo. Dogs and cats need to have proof of annual rabies and other vaccinations. It's also very important to have collars, leashes, harnesses and kennels for confining animals when necessary. Muzzles may be appropriate for animals that are apprehensive in unfamiliar settings. Pet owners should bring at least a three–day supply of food, water and medications for their animals.

Senior citizen pickup sites are:
Arthur Moody Center, 1111 Newton Ave., Algiers;
Kingsley House, 1600 Constance St., Lower Garden District;
Central City Senior Center, 2020 Philip St., Central City;
and Mater Dolorosa Catholic Church: 1226 S. Carrollton Ave., Carrollton.

General population pickup sites are:
Smith Library bus stop, 6300 Canal Blvd., Lakeview;
Palmer Park, South Claiborne and South Carrollton avenues, West Carrollton;
McMain High School, 5712 S. Claiborne Ave., Broadmoor;
Lyons Community Center, 624 Louisiana Ave., Irish Channel;
Dryades YMCA, 1924 Philip St., Central City;
Warren Easton High School, 3019 Canal St., Treme;
Municipal Auditorium, 801 N. Rampart St., 7th Ward;
O. Perry Walker High School, 2832 Gen. Meyer Ave., Algiers;
Stallings Community Center, 4300 St. Claude Ave., Bywater;
Sanchez Center: Caffin and Claiborne avenues, Lower 9th Ward;
Gentilly Mall parking lot, Chef Menteur and Press Drive, Gentilly;
Walgreen's, Lake Forest and Read Blvd., eastern New Orleans;
and Mary Queen of Vietnam, Catholic Church, 14001 Dwyer Rd., eastern New Orleans.

residents should call 311, 877.286.6431, 800.981.6652 or 866.205.6485.

from website:

UPDATE – HURRICANE ISAAC RELIEF SERVICES

8/31/12, am: Sorry we were not able to post updates as expected during the storm. We have resolved those problems and are again able to provide regular updates throughout the early recovery. We were however able to provide regular posts on the United Houma Nation's Facebook page and you can access that information at http://www.facebook.com/#!/pages/United–Houma–Nation/190278573408

KUHN faired very well during Isaac and shows no signs of obvious damage. As soon as electrical service returns to the Golden Meadow area, the tower will be raised again and live broadcasting and streaming will resume. We will notify you here when services resume as this will be the fastest way to communicate with tribal citizens about relief services as they become available. Unfortunately the UHN Tribal Office in Golden Meadow did not fair as well and has extensive roof damage on the south–side of the building. There are currently no electrical services to that office and it will be closed until further notice. At this point, please contact the Houma Office for all your needs. That number is (985)223–3093.

We are talking with several organizations regarding relief services. We will notify you of any services that become available as soon as we have confirmed information. Thanks for your patience while we work on securing services for you during this disaster.

We know we have many families in Plaquemines, Lafitte and Grand Isle that are currently displaced from Isaac. Please contact our office in Houma (985)223–3093 to notify us of your needs as well as report contact information.

Also for all citizens with disaster needs, please email info @ unitedhoumanation.org so that we can begin a registry of affected citizens. Please include your name, tribal roll number if possible, address, contact information including telephone number and the extent of your hurricane damage as much as possible. Thanks everyone this will be essential in helping us connect the appropriate relief services with the right people.

After the Storm: Oxfam takes stock, rushes aid to projects that can't wait
4 September 2008

by Elizabeth Stevens

The side of a mobile home stands upright against a tree. Countless utility poles, festooned with useless wires, lie flat on the pavement, leaving 1.5 million people without electricity. A man ferries belongings from his car to his house in a neighbor's boat.

"At least a third of the houses we've seen have sustained wind damage," says Oxfam's Kenny Rae, who has visited many of the towns south of Thibodaux, Louisiana.

If Hurricane Gustav visited our home towns, most of us would consider it a major disaster, but in coastal Louisiana, Katrina set the bar of dread so high that this level of destruction is a huge relief.

Yet, when it comes to questions of poverty and vulnerability, Gustav picked up where Katrina left off. An Oxfam assessment team touring the most troubled areas is finding that solid homes held up relatively well in this storm, and that the worst destruction was visited on trailers and more vulnerable houses.

The Native American community of Isle de Jean Charles, which is located in what may be the most exposed location in the hard–hit parish of Terrebonne, has experienced "terrible damage," according to Oxfam's Kenny Rae. "Houses have been ripped off their foundations. We saw one leaning on a levee."

Since the hurricanes of 2005, Oxfam America has been working with a network of local partners on the Gulf Coast, focusing on poor communities whose needs have fallen through the gaps in the government response. Hurricane Gustav is a new chapter in the same story.

"Oxfam will work with our partners in the area to ensure that these communities receive the federal funds they need to rebuild their homes and their communities," said Minor Sinclair, who directs Oxfam America's development programs in the United States.

"We'll work on ensuring that temporary housing assistance gets to those who need it most—and quickly. And that rebuilding dollars prioritize low–income communities."

But first, the short–term needs. Damaged roofs, for example, need to be covered quickly with tarps before rain destroys home interiors. And community aid providers have their own problems: many have to repair their offices immediately or find new ones. As partner organizations begin to gear up their work, Oxfam is standing by to support them for projects that can't wait.

“Thousands of Louisiana families are returning home today to find their homes damaged by Gustav,” says Sinclair. “I hope that this country’s generous spirit—whether through FEMA or through private donations—continues to stand with these families in their time of need.”

Issues We Work On
While Oxfam specializes in helping communities realize individualized solutions to their problems, our work takes on universal themes. From community to community and region to region, we see people facing like challenges?and pursuing like solutions to their needs.

Making a Living
Working largely with rural communities, Oxfam helps people understand their rights, build skills and assets, and find new ways of working?to move beyond poverty towards greater security.

Learn more about these issues:

Small Farmers
Workers' Rights
Saving For Change
Natural Resources
With powerful interests vying for some of the world?s most valuable commodities, many natural resources are being polluted or dangerously depleted. Oxfam empowers farmers, fishers, and others to defend their right to life–sustaining resources.

Learn more about these issues:

Oil, Gas, and Mining
Access to Land
Water
Fisheries
Peace & Security
Oxfam helps communities analyze the root causes of conflict and find creative ways to build peace. >>

Equality of Women
About 70 percent of the 1.2 billion people who live in extreme poverty are women and girls. Oxfam recognizes the inherent value of women, both individually and within their communities, and promotes investments in women as an investment in families and communities. >>

Indigenous & Minority Rights
Diversity should be a social asset, but in many places there is little respect for indigenous people and minorities. Oxfam specializes in strengthening organizations to overcome racism and discrimination. >>

Trade
World trade could be a powerful force for reducing poverty, if poor people could sell their products at a decent price. Oxfam and our partners are joining together to ensure international trade provisions benefit all people.

Learn more about this issue through Oxfam's ongoing trade–related campaigns:

Make Trade Fair
2007 Farm Bill Campaign
Coffee
Access to Medicines
Free Trade Agreements
Workers' Rights

Urgent Appeal for Emergency Clean–up Buckets

The recent onslaught of coastal storms and flooding has created an urgent need for CWS Emergency Clean–up Buckets. The need for these kits will be even greater after the anticipated 20–foot storm surge from Hurricane Ike hits the Texas coastline this weekend.

"Church World Service has allocated all the buckets we had in the warehouse," said Lorette Wolf, director of Church of the Brethren Material Resources in New Windsor, Md. "We're down to a zero level and they don't have enough."

The buckets are kits that may be assembled by congregations, other groups, and individuals, and donated to the disaster clean–up effort.

Go to www.churchworldservice.org/kits/cleanup–kits.html for information about how to assemble the Emergency Clean–up Bucket kits.

http://www.brethren.org/genbd/BDM/CurrentNews.html

The Mission:
When disaster strikes, Church of the Brethren Disaster Response provides volunteers to clean up debris and to repair or rebuild homes for disaster survivors who lack sufficient resources to hire a contractor or other paid
labor. The presence of these volunteer work teams helps to ease the trauma that is felt in the aftermath of a disaster.

Each Church of the Brethren district has an appointed disaster coordinator who issues district–wide appeals for volunteers when they are needed for specific disaster response projects. The coordinators gather biennially in New Windsor to receive training in various aspects of disaster response and volunteer recruitment. Also, there are now several dozen trained, volunteer project directors who provide on–site management of the disaster projects.

Over the years, the Brethren have become known for providing capable, caring and hard–working volunteers on behalf of disaster survivors who are incapable of helping themselves. The existing records indicate that, from 1973 through 2001, Brethren Disaster Response initiated a total of 162 recovery projects following major disasters, mostly in the United States and US territories. And from 1978 through 2001, our gracious Lord has enabled 18,263 volunteers to answer the \call by sharing their talents for a total of 90,876 workdays,
or 727,000 work hours, on disaster response projects. The total value of this donated labor in the present–day economy is $11,188,530.

Services offered: Cleanup, Disaster Debris Removal, Volunteer Services; Construction, Home Repair, Volunteer Services; Construction, Rebuilding, Volunteer Services; Construction, Skilled Labor, Volunteer; International Disaster Response: South America; Management, Project Managers, Volunteer; Services, Family, Children, Emergency Child Care; Training Classes, Disaster Response; Volunteer, Child Care ; Volunteers, Groups of Volunteers (This facility accomodates Groups of Volunteers); Volunteers, Individual Volunteers (This facility accomodates Individuals Volunteers)

ACS volunteers in Jackson, MS are taking supplies to the local shelter to assist with the 3,000 evacuees that have arrived so far. The North Alabama Federations are working with Red Cross in helping with the 5,400 evacuees. ACSDR volunteers are partnering with the City of Memphis to assist with the 3,000 evacuees coming to that city.

AIM, Adventist Information Ministry, has been activated to accept calls regarding the disaster response. They will be able to accept donations for the relief effort. Their number is 1–800–381–7171.

FROM THE WEBSITE:

What is ACS Disaster Response?

ACS Disaster Response is a voluntary service provided by Adventist Community Services to assist individuals, families and communities victimized by natural disasters and unforeseen tragedies.

Who comprises the ACS Disaster Response Network?

The ACS Disaster Response operation comprises volunteers who form local disaster response teams that are organized by state disaster response coordinators. State disaster response coordinators and teams assist regional disaster response coordinators to respond to multi–state calamities. The national disaster response coordinator manages the national program.

Who are ACS Disaster Response Partners?

ACS Disaster Response operates under a Memorandum of Understanding with the Federal Emergency Management Agency, the American Red Cross and many state emergency management agencies. It is also a founding member of the inter–agency compact called National Voluntary Organizations Active in Disaster (NVOAD) and the affiliated state VOADs.

Services Provided

The following services are provided to disaster survivors, their families and communities in cooperation with ACS Disaster Response partners:

Emergency distribution of relief supplies – a service that provides goods necessary for victims' survival such as drinking water, groceries, clothing and more.

Warehouse operations – a service where volunteers sort, package and store donated goods for distribution.

Donations coordination center – locations where donors can ascertain the real needs of disaster victims and donate goods.

Community collection centers – locations where community members can volunteer for disaster response.

Crisis response counselors – emotional and spiritual care providers who provide disaster victims, their relatives and neighbors opportunities to ask questions, chat informally or request prayer.

Find Local ACS
http://www.communityservices.org/SiteResources/Data/Templates/templateb.asp?docid=519&DocName=Find%20Local%20ACS

Training

ACS Disaster Response offers a multi–step training to equip volunteers to effectively respond to disasters. Completion of the training modules qualifies volunteers as skilled disaster response workers.

Service Temporary

June 2010, TF: Their website references several worksites, including Rwanda.
Here are the ones that talk to the gulf:

http://www.limitlessboundaries.org/Relief/NewProperty.html

http://www.limitlessboundaries.org/Relief/Relief.html

It's not clear if they are still operating worksites in the gulf, except for churching services. Note that I found this reference to a ministry called "Committed Relief":

http://www.committedrelief.org/WhoWeAre.htm

and

http://www.committedrelief.org/ResponseHistory.htm

It talks to a history of moving around addressing disasters for a year or two "onsite". Not sure how that relates to this Calvary Church site in the gulf.

***

(4/2/07) Via call to James Hon they are still assisting with long–term recovery/rebuilding projects and are accepting volunteer teams 1–2 weeks of the month. The avails/needs remain the same as listed. They are active in community outreach.

Building Youth Center & Community Cafe

Beginning September 1, 2006, we will only be receiving teams on the last week of each month. The new property can accommodate up to 40 at a time. For the next few months the primary focus of the teams will be to assist in the development of the new property, the establishing of the church and the assisting to the immediate needs of the locals who are now attending the church.

Team Responsibilities

Each team must make arrangements prior to setting flights in order to see what dates are available. You can do this by calling 714.446.6222 and registering for the dates by giving – Dates, Amount of people desiring to come and individual talents of each person. Once you've registered, please forward the following info to us @ calvaryrt@aol.com

Name of each team member , m or f , gifts/occupation

This info will be forwarded to the relief center host to assist in planning out the week, while your team is there.

Each team must have a leader from their home church on grounds to oversee all activities that involve their church. The trip lengths are one week at a time from Monday to Monday.

Ministry Opportunities:

Food Ministry
Personal Evangelism
Cleaning out houses and yards
Chain Sawing Trees
Chaplaincy
Construction

We ask that each team member be flexible with the needs of the ministry and especially the community. Things change from week to week and our desire is to serve the city and their needs as well as attempt to accommodate your church's ministry.

1. What can you expect to do at CCR?

We start our days early. First shifts for breakfast prep begin at 5:30 AM. Other opportunities for serving in the food line, maintenance, camp care, home demo/restoration begin from 6:30 AM ?

8:00 AM. There is also an evening shift from 5:00 PM ? 2:00 AM. Work days can be from 8 ? 10 hours and can often be physically demanding. You will be on your feet a lot.

2. How many members comprise a team?

We can accommodate up to 40 on the site. Each team should be made up of at least 5 people. The average number of the teams that we are scheduling is 15. For churches trying to book more than 15 we are encouraging them to spread there people out over multiple weeks. Each team must have a team leader. This will allow each church to lead and develop the teams adequately on ground. Each group leader is responsible for communicating with the Camp Host for a daily schedule. There is a need for worship leaders as well, so we are asking each team to do there best to bring a worship leader along.

3. Can the team be mixed (men and women)?

Yes, both men and women are encouraged to come. Along with assisting in the camps kitchen, moderate clean up of homes that are still standing, many of the women are being used to reach out to the mothers and children that are coming to the camp to eat.

4. Will the team assignments be restricted to the command center for now?

The teams are asked to receive direction from the Camp Host and Construction Leader...to maintain the work we have committed to do for the city each week.

5. Who and what determines placement of team members to a specific job?

The schedules as well as the atmosphere are changing from day to day, and the desire is to place people with certain talents in the areas that compliment them. But at times there may be needs to fill other spots; we are continually trying to maintain flexibility.

6. What are the team leader's responsibilities?

The team leader responsibilities consist of the following:

1. Maintaining group communication, health and needs
2. Communicating with those that are working at the command center
3. Gathering group for prayer, and possibly devotions, as well as gathering them for larger meeting that may develop through the week.

7. Who should act as team leaders?

Because of the nature of the ministry we are asking churches to send leaders that either serve in a pastoral, elder, or head/assistant of a ministry role. This ensures they will be mature enough to develop, maintain and lead their own teams.

8. How long will CCCR be in the South?

CCR has a long term agreement with the city of Bay St. Louis to stay as long as our services our needed. We continue to operate out of a temporary facility but are open to a more permanent operation center. Teams traveling to the area are required to stay for a week. To help with travel logistics on the ground, we are asking teams to arrive and depart on Mondays or arrive and depart on Saturdays.

Services offered: Cleanup, Mud–Out, Muck–Out, Flood Cleanup, Volunteer Services; Community Outreach Programs; Construction, Rebuilding, Volunteer Services; Facilities: Shower Facilities for Volunteers; First Responder, Gulf Region; Housing, Volunteer Housing * (ANY/ALL Types); Meals * (ANY/ALL Types) ; Meals, Volunteers, Meals for Volunteers; Services, Disaster Recovery ; Tools * (ANY/ALL Types); Training * (ANY/ALL Types of Instruction) ; Training Classes, Volunteer Orientation & Training; Volunteer Opportunities, In General * (ANY/ALL Types); Volunteers, Groups of Volunteers (This facility accomodates Groups of Volunteers); Volunteers, Individual Volunteers (This facility accomodates Individuals Volunteers)

Bethel Free Health Clinic, Inc.

Medical Facility · Open

Free Health Clinic, Inc.
1650 Carrol Drive, Biloxi, MS 39531

Phone	228–594–3640
Web	www.bethelfreeclinic.org
Hours	8:30 AM – 5:00 pm Monday thru Friday
Serves	Mississippi Coastal Counties
Eligibility	Uninsured or underinsured
Checks payable to	Bethel Free Health Clinic, Inc.
Service	Permanent

The Bethel Free Health Clinic, Inc. is a registered charity in the State of Mississippi. We are a 501(c) 3 nonprofit, founded within days of Hurricane Katrina to meet the medical needs of Coast residents.

Today the clinic continues to provide quality health care services, at no charge, to people without access to basic care.

Our new clinic is complete! We are leasing space from the Biloxi Housing Authority and located in the SunCoast Villa complex at 1650 Carrol Drive, just off Rodenberg Avenue in Biloxi (north of the railroad tracks and south of Pass Road).

The Bethel Free Health Clinic, Inc. is a member of the National Association of Free Clinics and the Mississippi Center for Nonprofits.

Clinic Hours:

Mondays through Fridays: 8:30 AM—Noon and 12:30 PM–5:00 PM
Saturday and evening hours announced per special event/project.

The clinic is open on the days/hours provided above; call for provider schedule as clinic hours are based upon the number of providers who join our team each week.

We ask for your prayers for those who volunteer at the Bethel Free Health Clinic, Inc. We also ask that you pray for Him to lead other volunteer providers to us. We especially need physicians, nurses, social workers, psychologists, and dentists.

Services:

We are a FREE walk–in clinic that provides health care for uninsured and underinsured Gulf Coast residents. We treat an average range of 30 patients a day. Patients are mainly adults, children are also seen.

We provide medicines that we have in–house.

We have developed relationships with other service providers to whom we refer patients for needed specialty health care.

HISTORY:

The Bethel Free Health Clinic, Inc. began in response to the dire need for health care immediately following Hurricane Katrina. One of the first volunteers to arrive at Bethel Lutheran Church was Cassie Brown from Northern Virginia. She was the first nurse to respond to the needs of the Katrina survivors at Bethel Lutheran Church.

The clinic provided care for those injured during the storm and those injured while trying to salvage their homes and belongings. Then the clinic treated those who suffered from the living conditions left by the storm - living out in the elements, living with black mold, etc. Then the clinic began treating the chronic illnesses. This because many reported not being able to locate their physicians and others reported not being able to get an appointment. With the loss of jobs and subsequent health insurance as well as the strained finances to replace items lost during the storm, many are in need of help with treatment and/or costly medications.

When Bethel opened their doors to the community following Hurricane Katrina, we didn't anticipate the on–going needs of the uninsured and underinsured.

The need for free medical services continues as many Coast residents still suffer gross socioeconomic hardships caused by financial downturn of our national economy.

For two and one–half years Bethel Lutheran Church provided a home for the Bethel Free Health Clinic. This wonderful church allowed their library, nursery, narthex and hallways to be used as a doctor's office, waiting room, exam room and a dispensary.

Our clinic was staffed with volunteer physicians and nurses who obtained temporary licenses through the Mississippi State Board of Medical Licensure and the Mississippi Board of Nursing. Because of the number of professionals willing to give of their time, talents, and skills, our clinic was open five days a week, 8–9 hours per day.

When Governor Haley Barbour did not renew the state of emergency on January 11, 2008, Mississippi State Board of Medical Licensure stopped issuing temporary licenses for physicians. Several local physicians responded to the call to volunteer in our clinic.

Our patients are Coastal residents who are uninsured or underinsured without financial resources to pay for medical care, medications, and/or medical supplies with post–disaster financial burdens. These low income and working poor continue to struggle to bring their lives and healthcare to pre–Katrina status. Because these needs are so strong, the Bethel Free Health Clinic, Inc. continues to offer free health care services to the Mississippi Gulf Coast community.

Through 2009, with the help of "at least" 267 providers , 568 nurses, 177 student nurses and 405 volunteers with other skills, our clinic has provided treatment for "at least" 26,500 clinic visits. "At least" is used because before we had a Clinic Director, clinic records were not routinely kept.

In July 2008, the clinic moved from the Bethel Lutheran Church location, so the congregation could resume use of their space for worship and fellowship.

The Biloxi Housing Authority offered the long term lease of space at its 1650 Carrol Drive location. We submitted a grant request and received funding from the Gulf Coast Community Foundation to renovate and add on to this space so that we can optimally serve our community. Fuller Center ReBuilders (formerly Project REHAB), from the Bethel Volunteer Ministry provided volunteer construction manpower.

Services offered: Assistance * (ANY Type of: Referrals or "How to" Assistance); Assistance, Referrals, Medical Resources Referral; Cleanup, * Volunteer Services (ANY/ALL Types); Counseling, Crisis Intervention Counseling; Counseling, Emotional; Demographic Served: Low Income Folks; Demographic Served: Survivors, Natural Disaster Impacted Communities; Financial Assistance, Medical, Prescription Assistance; Medical, Diagnostic, Diabetic Testing Supplies (Test Kit); Medical, Facility, Clinic, Free Clinic; Medical, Services, Medical Care * (ANY/ALL Types); Mental Health Services; Volunteer Opportunities, In General * (ANY/ALL Types); Volunteers, Elder/Senior Volunteers (This facility accomodates Elder Volunteers); Volunteers, Groups of Volunteers (This facility accomodates Groups of Volunteers); Volunteers, Individual Volunteers (This facility accomodates Individuals Volunteers)

Harrison Co. Shelters Open Sunday

Published: Sat, August 30, 2008 – 9:35 pm
Last Updated: Saturday, August 30, 2008 – 9:39 pm

Harrison County – The County Emergency Management Agency (EMA) has announced nine sites for public shelters from Hurricane Gustav. Shelters will open to the public at 6:00 pm tomorrow (Sunday, August 31).

Shelters will be at:
• Saucier Elementary School, 24052 First Street in Saucier
• West Wortham K–8 School, 20199 West Wortham in Saucier
• North Woolmarket K–8 School, 16237 Old Woolmarket Road in Biloxi
• D'Iberville High School, 3320 Warrior Drive in D'Iberville
• Gulfport Central Elementary School , 1043 Pass Road in Gulfport
• Harrison Central High School , 15600 School Road in Gulfport
• Harrison Central Elementary School , 15451 Dedeaux Road in Gulfport
• Lizana Elementary School , 15341 Lizana School Road north of Gulfport
• North Bay Elementary School , 1825 Popps Ferry Road in Biloxi .

EMA director Rupert Lacy identified items shelter occupants should bring with them and items that are not allowed in a shelter. .

Water: Bring one gallon of water per person, per day.

Food: Bring non–perishable food that needs little or no cooking, such as ready–to–eat meats, fruits, vegetables, and canned juices. Also recommended are high energy foods such as peanut butter, jelly, crackers, granola bars, trail mix and other snack foods. Also bring any specialty foods required, such as for diabetics, people on low salt or liquid diets and baby food and formula. Bring a manual can opener and eating and drinking utensils including paper plates. Bring a portable ice chest with ice.

Clothing and bedding: Bring study shoes, rain gear and one complete change of clothing. Also bring a sleeping bag, blanket and pillow. For an elderly person, bring a cot. Shelters do not provide cots.

Personal items: Bring a washcloth, small towel, soap, toothbrush, toothpaste, sanitary napkins, tampons, paper towels, toilet paper and towelettes.
Medications, first–aid supplies: Bring your medications, clearly marked with your name, dosage, type of medication and prescribing physician. You must be able to take all medications by yourself. Also bring a first–aid kit in a waterproof box.

Baby supplies: Bring baby clothes, diapers, formula, bottles, nipples, food and blankets.

Important papers: Bring names and addresses for your doctors and your nearest relative not living in your area. Bring identification and valuable papers.

Miscellaneous: Bring games, cards, toys, battery powered radios, flashlights (no candles or lanterns), batteries and other reasonable items you may need. Please bathe and eat before you leave home. Register immediately upon entering the shelter. Obey shelter rules. Keep the building safe and sanitary.
Items not allowed: You may not bring to the shelter any pets, alcoholic drinks or weapons. Harrison County EMA will issue a separate news release about a pet shelter that will be provided.

ULM Relief Site Vandalized
October 29, 2009, 11:10 pm

Restoring hope – Rebuilding lives

At ULM Relief in Biloxi there have been many changes made to our accommodations . We can now house over 150 people in facilities with wood floors, bunks and electric. We have a great kitchen and dining room that can comfortably feed everyone. We provide wireless Internet, cable TV, a copy machine and office computer for volunteers to stay in touch with their work, friends and family back home. We even provide laundry facilities. We can also boast about an unparalleled view of the Gulf with a private walkway down to the beach.

We have streamlined our construction process utilizing over 10,000 Sq feet of on site warehouse space along with our fleet of vans, pick up trucks and flatbed delivery vehicles to keep our work crews supplied with the materials they need to keep construction progress moving efficiently.

The costs to stay with us here in Biloxi are only $10.00 per person per day. The satisfaction of seeing the faces of the people you'll come to help are priceless. Let's not ask the folks down here to wait any longer, contact us today and arrange your trip down to Biloxi.

MS: central MS has 6 churches slated for shelters
Evacuees fleeing Hurricane Gustav will prompt shelters to open in central Mississippi — possibly by Sunday— if local American Red Cross officials receive the go–ahead from state and local government.

Volunteers with the organization will staff shelters beginning with those in the northern part of the state, then stagger acceptance of evacuees southward, Vicksburg Area Chapter executive director Beverly Connelly said.

"We will follow the protocol of the state," Connelly said, confirming six area churches will house Red Cross shelters once Warren County Emergency Management receives directives from the Mississippi Emergency Management Agency.

Eligibility Hurricane Gustav Evacuees
Service Temporary

(Opened 7 am Sun. 8/31/08 for Hurricane Gustav)

JACKSON COUNTY, MS (WLOX)– The Gautier Convention Center will open its doors at 7:00 Sunday morning, to anyone who believes they need shelter from Tropical Storm Fay. The shelter will be run jointly by Jackson County and the American Red Cross. The Red Cross will provide cots, blankets, snacks and meals all day long, or until the shelter isn't needed anymore. The shelter is also equipped with a generator, so it can cater to people with special needs, in case of a power outage.

Jackson County EOC Director Butch Loper has been tracking Fay for days. He doesn't predict major damage from the storm, but he is working with the American Red Cross, turning the Gautier Convention Center into a shelter.

"This is strictly just open for those that feel uncomfortable, or perhaps know they are in an area prone to flooding," he said, "We just wanted to make sure something was available for them."

The shelter is a precautionary measure, but it will be open to anyone who needs it and will remain open until need runs out.

"It's certainly not meant to be the Hilton; it's certainly not supposed to be an entertaining place," said Southeast Mississippi Red Cross Director Paige Roberts. "But it is meant to be a safe place to give you the feeling of security that you need."

If you go to the shelter, there are some things you should bring with you. They include blankets, pillows, snacks, activities for children and medication.

The Red Cross will be available to the community throughout the storm.

"We're here for you, if you have any questions at all, you can always call the office or call the Emergency Management Agency," Roberts said. "And just know that you have a plan and you're comfortable with your plan."

The Southeast Mississippi American Red Cross can be reached at 228–762–2455, or click here for their website.

Update 9/5 11:48 am

Hello all,

I have just received a request for Volunteers to assist in debris removal, water extraction, and general house and yard cleaning up in Biloxi, Woolmarket, and surrounding areas.

We ask that people commit to working at least a half day but prefer a full day for planning purposes.

Individuals or groups welcome and no prior experience necessary.

Anyone under 18 needs to have a parent or guardian with them. You must be 13 or older to volunteer with us.

Volunteers will be given instruction on site prior to work beginning.

If you can help please call Holly at 228–697–3714

Post Hurricane Isaac Update!

Update: 9/1 10:30 am

U.S. Gulf Coast — September 12, 2008 — As Hurricane Ike bears down on the Gulf Coast, IRD is preparing to provide case management and other assistance to those in its path. Staff from IRD's Gulfport–based Gulf Coast Community Service Center is already in Baton Rouge to assist with Gustav response. drawing on the experience from providing case management services to victims of Hurricane Katrina for the past three years.

Your donation will help us bring emergency relief to the victims of this disaster.

The IRD Gulf Coast Community Service Center (GCCSC) has been rebuilding the lives of the citizens of the Mississippi Gulf Coast since October 2005, opening its doors a little more than one month following the devastation of Hurricane Katrina. The goal of the Center is to reach out to the community and assist in the organization and facilitation of an often–difficult recovery process. Located in West Gulfport, the Center serves the entire Mississippi Gulf Coast, representing most of the Coastal cities as well as the three Coastal counties.

The GCCSC began it work on the Gulf Coast by administering emergency relief, but has transitioned its services to focus on sustainable, long–term recovery. The Center was one of the first agencies in the area administering needs assessments and mapping the most affected areas. The goal of the multi–faceted needs assessment and community mapping process conducted by the Center was to identify potential applicants for assistance following the hurricane. As the recovery cycle progressed from assessing needs to managing needs on an individual basis, the GCCSC has changed its focus to assisting citizens in need through case management. Case managers facilitate the recovery process for survivors by identifying ways to maximize their access to community resources.

The Center hosts a walk–in center for assessments administered by the Harrison County Long Term Recovery Coalition (LTRC), and has developed a resource guide printed by Federal Emergency Management Agency (FEMA) to provide to other relief agencies as a reference.

The Center also provides financial counseling to hurricane victims and MDA Phase II grant recipients seeking to purchase or rebuild homes through funding from the Enterprise Corporation of the Delta. This counseling not only prepares beneficiaries for homeownership, but gives them tools for long–term financial security. And in partnership with the Mennonite Economic Development Association (MEDA), the Center will create and manage a micro–enterprise capital fund which will finance start–up businesses along the Mississippi Gulf Coast. Additionally, the GCCSC will support the development of an open–air market in its Gulfport neighborhood.

IRD also participates in YouthBuild, a program that provides comprehensive programs for vocational development, workforce training and career counseling with Gulf Coast youth. YouthBuild teaches local at–risk high school students how to assist in rebuilding homes while helping them get their GED.

Helping people rebuild their lives, their relationships, and their sense of self–sufficiency, is equally as important to their long–term recovery and that of their communities as their physical needs. It is the human side of recovery that the GCCSC addresses, for thousands of Katrina survivors.

Services:

1)Case management for Katrina survivors. Eligibility: affected by the hurricane and still have unmet needs

2) Fincancial Counseling. Eligibility: Open to everyone

3) Housing Counseling. Eligibility: Open to everyone

4) Youth Build Program will start in January. Eligibility: youth ages 16 to 24 who do not have a high school diploma/GED

Applications are still being accepted for Katrina survivors and programs. To obtain an application: Monday – Thursday 9:00 – 3:00

Camp Hope

Although it is now closed, "Camp Hope" was a blessed ministry of our church, whose purpose was to meet the physical and spiritual needs of those in our community who had been affected by Hurricane Katrina.

Volunteers from our denomination, and from others around the world, gave of their time and talents to help us rebuild and restore the homes and the lives of people on the Mississippi Gulf Coast. This ministry was established in September 2005 and closed officially in December 2007. While it was in operation, Camp Hope had over 3,600 volunteers and helped over 300 families.

Camp Hope Closing

Dear Friends,

It is with mixed emotions that we announce that Camp Hope will be closing, effective December 1, 2007, after almost 2 ½ years of ministry in our community. I say “mixed” emotions, because although we are saddened at the transition away from a ministry that has deeply impacted so many lives, we are excited about the possibilities of beginning a new chapter in the life and focus of our church. This is not to lessen the sorrow that we will all experience at losing what has been a huge part of the life of not only our congregation but the church at–large as well. There is no doubt but that closing Camp Hope will be difficult. Since its inception in the early weeks after the hurricane, it has given our congregation a purpose and a way to show the transforming love of Christ to others, a way to be different—and isn’t that the true meaning of the “holiness” to which God calls His people. I cannot remember how many times perplexed homeowners asked us the question, “Why are y’all doing this?” Few of them could understand why it was Christians who were doing all the work, even the foulest work too. Camp Hope gave us the opportunity to say both in word and in deed, “We love, because, in Christ, God first loved us” (1 John 4:19). It gave us the opportunity to show the compassion of Christ to those around us who were like sheep without a shepherd (Matthew 9:36).

But we knew this day had to come sooner or later. We knew at some point that we would not have the financial means or the volunteer support to continue this ministry. And, sadly, that day has arrived. We are thankful to the Lord for providing for us and for not leaving us nor forsaking us; and we are thankful to you for partnering with us for so long, for praying for us, and for encouraging us to press on after the most devastating natural disaster in our nation’s history. Many of you have become quite close to us, and we have grown to look forward to seeing you again on repeat visits. This, too, will be difficult, as we may never see one another again this side of glory. But, that too, is in our good Lord’s hands.

Please continue to pray for us. The work here is by no means finished. We have a long way to go both in the church and in our community. We are embarking upon a building campaign to replace the church facility that we lost in the storm. Please pray that God would provide the means for us to do this. Please pray also for the work of the gospel here on the Coast. We still have contact with many homeowners. Pray that God will open eyes, ears, hearts, and minds and that many will come to faith in Christ. Pray that we as a congregation will shift our focus on outreach and that new avenues for ministry and, with them, new leaders for those avenues, will arise, so that we can continue to strive to reach our community for Christ.

Please continue to support us financially, if you are able. Although Camp Hope is closing, we still have financial needs—chief of which is replacing our church facility. From the outset, we made a conscious decision as a church to put the needs of the people of our church and community ahead of our need for a building. This means that, with the increase in building costs and labor costs, we are still almost $3 million short of even being able to build a facility that is ½ the size of what we had before the storm.

Please continue to encourage us. Many here are tired; it has been 2 years, and there is still no end in sight. Pray that we will not grow weary in doing good (Galatians 6:9). Plus, with yet another hurricane season upon us, folks here are understandably anxious. Pray that we will rest in Christ and be able to pass that on to our community.

Thank you again for your faithfulness to us! May the Lord bless you and keep you all until we can at last meet again.

Guy

Work camp of 1st Presbyterian Church of Gulfport

Presbyterian Disaster Assistance said it "has taken steps to evacuate the Presbyterian Volunteer Villages in Louisiana and Mississippi" and that it "stands ready to respond to Hurricane Gustav."

Harrison Co. Shelters Open Sunday

Published: Sat, August 30, 2008 – 9:35 pm
Last Updated: Saturday, August 30, 2008 – 9:39 pm

Harrison County – The County Emergency Management Agency (EMA) has announced nine sites for public shelters from Hurricane Gustav. Shelters will open to the public at 6:00 pm tomorrow (Sunday, August 31).

Shelters will be at:
• Saucier Elementary School, 24052 First Street in Saucier
• West Wortham K–8 School, 20199 West Wortham in Saucier
• North Woolmarket K–8 School, 16237 Old Woolmarket Road in Biloxi
• D'Iberville High School, 3320 Warrior Drive in D'Iberville
• Gulfport Central Elementary School , 1043 Pass Road in Gulfport
• Harrison Central High School , 15600 School Road in Gulfport
• Harrison Central Elementary School , 15451 Dedeaux Road in Gulfport
• Lizana Elementary School , 15341 Lizana School Road north of Gulfport
• North Bay Elementary School , 1825 Popps Ferry Road in Biloxi .

EMA director Rupert Lacy identified items shelter occupants should bring with them and items that are not allowed in a shelter. .

Water: Bring one gallon of water per person, per day.

Food: Bring non–perishable food that needs little or no cooking, such as ready–to–eat meats, fruits, vegetables, and canned juices. Also recommended are high energy foods such as peanut butter, jelly, crackers, granola bars, trail mix and other snack foods. Also bring any specialty foods required, such as for diabetics, people on low salt or liquid diets and baby food and formula. Bring a manual can opener and eating and drinking utensils including paper plates. Bring a portable ice chest with ice.

Clothing and bedding: Bring study shoes, rain gear and one complete change of clothing. Also bring a sleeping bag, blanket and pillow. For an elderly person, bring a cot. Shelters do not provide cots.

Personal items: Bring a washcloth, small towel, soap, toothbrush, toothpaste, sanitary napkins, tampons, paper towels, toilet paper and towelettes.
Medications, first–aid supplies: Bring your medications, clearly marked with your name, dosage, type of medication and prescribing physician. You must be able to take all medications by yourself. Also bring a first–aid kit in a waterproof box.

Baby supplies: Bring baby clothes, diapers, formula, bottles, nipples, food and blankets.

Important papers: Bring names and addresses for your doctors and your nearest relative not living in your area. Bring identification and valuable papers.

Miscellaneous: Bring games, cards, toys, battery powered radios, flashlights (no candles or lanterns), batteries and other reasonable items you may need. Please bathe and eat before you leave home. Register immediately upon entering the shelter. Obey shelter rules. Keep the building safe and sanitary.
Items not allowed: You may not bring to the shelter any pets, alcoholic drinks or weapons. Harrison County EMA will issue a separate news release about a pet shelter that will be provided.

Hurricane Shelter For Pets: Harrison County
By Harrison County Emergency Management Agency
Published: Sat, August 30, 2008 – 10:06 pm
Harrison County, Miss. – The Humane Society of South Mississippi will provide a shelter from Hurricane Gustav for domesticated pets on the grounds of Harrison Central High School, at 15600 School Road north of Gulfport, starting at 6:00 pm tomorrow (Sunday, 8/31/08). The school will open a shelter for humans at the same time.

A society spokesman said pet owners who use the storm shelter for animals must

• stay at the shelter for people inside the high school
• bring the pet in a kennel or crate
• provide the pet's medical record
• provide enough food and water for each pet to last three days
• bring and use plastic bags for the pet's waste
• bring a photo of the pet with the owner or some other proof that the pet belongs to the person
• provide the pet some attention and exercise while the owner and pet are in their shelters
• bring the pet's microchip file, if available.

Pet owners will not be able to bring their pets into the high school.

The society also recommends bringing the pet's toy or a favorite object.

Owners should follow signs on the high school grounds to reach the pet shelter and check with in with a representative of the humane society.

Twelve Baskets Food Bank (Subsidiary of Bay Area Food Bank)

Warehouse · Open

Non–Profit Food Bank
Old address – 29th Ave.; 39501; NEW –; 16364 Highway 67, Gulfport, MS 39532
Phone (228) 863–1759
Web www.biloxidiocese.org

The search for a new home for Twelve Baskets Food Bank, our affiliate in Gulfport, Mississippi, has come to an end. During Hurricane Katrina, the building housing Twelve Baskets sustained damage that hindered the response to recovery efforts on the Mississippi Gulf Coast.

It is with great pleasure and pride that Jennifer Keegan, executive director, and the staff at Twelve Baskets Food Bank announce their new facility located at 16364 Highway 67, Biloxi, MS 39532. They have a new freezer and a new cooler measuring 24' x 24' and a significantly larger warehouse that will allow them to expand product line and service to the many organizations in the eight south Mississippi counties they serve. We, along with Twelve Baskets, invite you to give them a call at (228) 863–1759 to set up an appointment and see the facility for yourself.

Twelve Baskets is a subsidiary of the Bay Area Food Bank. The Twelve Baskets warehouse is located in Gulfport, Mississippi.

At the Bay Area Food Bank, we like to say we're not just a warehouse. We offer many hunger relief programs to help our communities. From child nutrition to community food assistance, we offer programs for every population, for every food and nutrition need. Please explore our different programs and learn why the Bay Area Food Bank is not just a warehouse.

There are many ways that people can become a part of the food bank family. You can donate money online or using one of our direct mail pieces if one is mailed to you. You or your company can donate food, or organize a food drive. You can raise money by organizing a fundraiser or helping us with one of ours. You can volunteer, either as a long term permanent volunteer who comes in a few days a week, or you can organize a group of people to come volunteer during the day, sorting food and doing other important work at the food bank. Please check the sections on volunteering, raising money, donating money, donating food, and organizing a food drive for more information.

One very important and easy way you can help the food bank is by using your voice. You can write to legislators about hunger–related issues, you can make phone calls or write emails. You can become a hunger advocate for your community by checking our Use Your Voice section and finding out what needs to be said, and who needs to hear it.

Services offered: Food Distribution, Food Bank (This Site Supplies Food Pantries/Agencies); Hotline, Food Bank/Pantry Hotline (Find Emergency Food Help); Services, Disaster Relief; Volunteers, Groups of Volunteers (This facility accomodates Groups of Volunteers); Volunteers, Individual Volunteers (This facility accomodates Individuals Volunteers)

By J.R. WELSH – SUN HERALD

The county's sole emergency shelter will remain open at Hancock North Central Elementary School north of Kiln off Mississippi 603.

These folks responded quickly after Katrina. They are considered to be "standby" for shelter in a disaster.

In the meantime, they are "open" as a school.

In Hancock County, the lone shelter at Hancock North Central Elementary School
will open as soon as officials call for any evacuations, said EMA Director Brian Adam.

Hancock: Voluntary evacuations will be issued for
low-lying areas and people in vulnerable housing 72
hours before landfall. Mandatory evacuations will be
called depending on the strength of the storm and
projected landfall location. A shelter will be opened
as soon as any evacuations are called.

Old Note:
Combined with and relocated to Charles B Murphy Elem Sch

MS: central MS has 6 churches slated for shelters
Evacuees fleeing Hurricane Gustav will prompt shelters to open in central Mississippi — possibly by Sunday— if local American Red Cross officials receive the go–ahead from state and local government.

Volunteers with the organization will staff shelters beginning with those in the northern part of the state, then stagger acceptance of evacuees southward, Vicksburg Area Chapter executive director Beverly Connelly said.

"We will follow the protocol of the state," Connelly said, confirming six area churches will house Red Cross shelters once Warren County Emergency Management receives directives from the Mississippi Emergency Management Agency.

Aug 2011: Reportedly the only org in the region housing vols. Closing in a few months. Running out of money...

Donations needed immediately for help restoring CVM's roof damage from Hurricane Gustav! (Our roof needs repairs that are estimated to cost $10,000 in labor and supplies. We need to fix the roof so that our volunteers have safe, clean and dry housing at CV.)

Please send donations to Camp Victor at the attention of: Dawna Howell

Volunteers needed immediately for help restoring CVM's roof and dorm rooms after Hurricane Gustav!

Please contact the volunteer manager to help with this response at reservations@campvictor.org

or 228–282–3754.

SEE Policy Changes for Volunteers:
http://www.campvictor.org/index_Page856.htm

5/28/07 Update:

All operations were moved from Christ Victor Lutheran Church to The Swingster Bldg. (which was renovated to be a volunteer camp and distribution center).

Camp Victor is staffed and maintained by volunteers. As such, you can expect to be asked to perform chores around the building, including emptying trash cans, stocking paper towels, cleaning the bathrooms, cooking and other maintenance activities.

4/2/07 UPDATE through Matt Herzberg (Reservations Coord.):

They now have 212 beds/bunks and full operational volunteer accomodations services.

Strictly serving Jackson County, MS.

Primary needs for Distribution to Community:

Building Supplies/Materials

Primary Volunteer Needs:

Skilled Construction Trade Volunteers (NOTE: They generally ask if coming in groups that 1 in 5 of volunteers are skilled tradespersons & they DO NOT turn away unskilled construction volunteers and can use help in the office as well as sorters and helpers to distribute to the community in their warehouse).

They've had a steady flow of approximately 200 volunteers on site since Christmas '06 consistently but recently has reduced to about 80–100 at a time and they expect it will pick back up again summer '07.

LDR is currently operating through three locations along the Mississippi Gulf Coast:

Camp Victor, at Christus Victor Lutheran Church and the Swingster warehouse building in Ocean Springs, is currently accepting up to 200 volunteers each week with overflow for an additional 80 at Tent City.

Volunteers are provided with beds, showers, and three meals each day. The majority of the work being done involves rebuilding and distribution of relief supplies to local residents. No volunteers under the age of 16 are allowed.

For Online Registration & details go to:
http://www.ldr.org/volunteer/hurricanevols.html

– September 2009 –
PEARLINGTON RECOVERY CENTER CLOSES DOWN

One House at a Time Still at Work

FROM THE WEBSITE 4/09:

CURRENT NEEDS

Volunteer –

One House at a Time and the Pearlington Recovery Center are still able to house and feed volunteers – groups and individuals – for rebuilding projects in Pearlington as a result of Hurricanes Katrina and now Gustav. Please consider joining us for a week or more or for just a weekend as you are able.

From the website:

Where We Are
To date, One House at a Time has 11 projects under construction. Of these, four will be ADA handicapped units, which will allow some of Pearlington?s disabled residents to return to a fuller life after being confined in FEMA trailers. An additional three homes are currently ordered, and they are due to arrive over the next two weeks. With existing funds, the project will have the capacity to build approximately 10 more homes. To learn more about our existing projects, please visit the Current Projects page.

The project is particularly essential because very few organizations, whether public or private, are willing to build in FEMA flood zones. While many have expressed reservation about rebuilding in a flood zone, it is important to remember that all of Hancock County is part of this flood zone. The only hurricane other than Katrina to flood this part of the country with such force was Camille in 1969. Camille only brought 2 feet of water into town; Katrina brought 20. Prior to Camille, no comparable disaster had been recorded for nearly 200 years. Furthermore, it appears that few, if any, state funds will be allocated for residents in flood zones in Mississippi. While Louisiana will serve this segment of the population because of the external and internal pressure to rebuild New Orleans, which sits 9 feet below sea level, no such forces exist to serve the people of

Mississippi. Pearlington, which is an average of 6.5 feet above sea level, will likely get no public funding to rebuild.

One House at a Time is currently seeking $500,000 to insure that it can continue to build homes in Pearlington for the next year. While the ultimate goal is to raise $2 Million to build 200 homes, the first step is raising funds for the next year. The funds will be used to hire to on the ground coordinators, as well as to insure that money for some 35 homes will be available for the following year.

Disaster Relief Program:

To provide immediate housing for families and individuals in need, NHC has designed transitional housing units: bunkhouses, cottages, and lodges to house families and volunteers. These units cost between $15,000 to $20,000 and come furnished with kitchen appliances, living room, dining room, and bedroom furniture. Units are portable and can be set up on any lot. As a family/individual reaches sustainability, receives insurance settlements, etc. the unit can be passed on to another family or the unit can be converted to permanent housing.

Hurricane Katrina Relief

Hurricane Katrina Relief Efforts in Hancock County, Mississippi New Hope Construction (NHC) has teamed up with the South Walton Hurricane Helpers and the Seaside Community Foundation. Hancock County is ground zero of Hurricane Katrina.

New Hope Construction's first efforts at disaster relief have been focused in Hancock County, Mississippi. Bunk Houses have been erected for volunteers assisting with the construction of transitional housing units for disaster victims. These Bunk Houses are designed for housing multiple volunteers at a time. Our Transitional Housing Units also include Cottages which are designed to be inhabited by families or individuals until sustainability can be achieved. At which point the cottages may then be passed on to another family or converted into permanent housing.

To ensure immediate housing for families and individuals in need, NHC's transitional housing units: bunkhouses, cottages, and lodges are now available for housing families and volunteers. The units cost between $15,000 to $20,000 and come furnished with kitchen appliances, living room, dining room, and bedroom furniture. Units are portable and can be set up on any lot.

How can you get involved?

Financially: Units start at $15,000 – you can sponsor a unit or partner with other groups to sponsor a unit or several units. Please call NHC at 866-396-4673 to donate.

Provide Volunteers: To volunteer please call Shannon Erwin at (850) 835-0067.

Spread the Word: Tell a friend. . .let others know how to get immediate help to hurricane victims.

With funds already donated, we have already shipped truckloads of these units. On November 14, 2005, with our partners and volunteers, we began building these units in Hancock County, Mississippi.

In Mississippi alone, over 70,000 units are needed to shelter families/individuals.

Call now to offer your assistance to this overwhelming IMMEDIATE need!

Services offered: Construction, Rebuilding, Volunteer Services; Housing, Volunteer Housing * (ANY/ALL Types); Volunteer Opportunities, In General * (ANY/ALL Types); Volunteers, Groups of Volunteers (This facility accomodates Groups of Volunteers); Volunteers, Individual Volunteers (This facility accomodates Individuals Volunteers)

Serves Pearlington, West Hancock County
Service Temporary

http://www.westhancockfirerescue.org

The West Hancock Fire Rescue is the first responder to 18 miles of US Interstate 10 and is responsible for the emergency response to an industrial port – Port Bienville, in Mississippi in addition to handling the wide range of emergency calls that come in to assist the residents of both Pearlington and West Hancock County . Pearlington was Ground Zero for Hurricane Katrina?s landfall. The town and its residents lost 100% of their homes. The neighboring cities in Hancock County were also virtually wiped out, so they cannot help remedy this situation.

West Hancock Fire Rescue is a 100% volunteer department. The doors that they used to knock on for donations are all now gone, although many of the residents remain as they try to rebuild. The fire department is ineligible for grant monies because they do not have the 10% match of funds required to receive grants. It will be two more years before their tax base is rebuilt and they're eligible for distribution of any local county funds. Meanwhile they have several complex situations they must be prepared for and respond to so that they can be there for their community.

As of today the West Hancock Fire Rescue Department has about a three week supply of fuel left. They have been donated several fire trucks from mid to small sized fire departments throughout the country. They will need assistance in sustaining a fuel supply in order to continue to be able to respond to emergency calls.

These firefighters are also in need of everything from basic response equipment and supplies on up to things such as an extraction tool, Haz Mat suits, a ram and VHF radios. They unfortunately do not have the funds to fix anything that needs even just a little fixing. As they stabilize and rebuild they are in need of their firefighter brothers and sisters, paramedics and EMT?s to come to the area and support them in responding to calls, as they have lost more than 60% of their department. They need help with funds to rebuild at least one of their two fire stations which were completely destroyed by Hurricane Katrina. Every department member has lost their own home and struggles to juggle their paying jobs, rebuilding their own home and responding to the needs of a community that has already lost so much.

I know that the men and women of West Hancock Fire Rescue are so grateful for the outreach they have received in the weeks and months after Hurricane Katrina. They are determined to move themselves and their community past this situation. The reality is that they are in great need of physical and financial support in order to stabilize and rebuild – in what has now become an extraordinary situation, on top of an extraordinary situation. Today they deploy to their calls out of a trailer with the limited firefighting and rescue equipment that they have.

The immediate priorities of the West Hancock Fire Rescue are as follows (Any and all support that you are able to provide in remedying this critical situation will be greatly appreciated).

1–Fuel (gasoline and diesel) $1,900 at per month x 24 months

2–EMT and Medic Supplies – The needs are various and ongoing until the community & department are stabilized

3–Grant Match Support of $11,000 – Currently they have been approved for a Fire Grant and will remain eligible for only a short while longer unless they are able to provide the match. The $11,000 would be the required match to then receive a $110,000 Fire Grant that would be provided to them by the government to buy much needed Fire Safety and Prevention equipment.

4–Firefighting & Personal Safety Equipment – All of there equipment/assets were destroyed and need to be replaced (Today this Fire Department does not even have one Jaws of Life). As you know this tool is critical to saving lives on Interstate–10 and in places that other serious auto accidents occur Delayed removal of victims from an automobile in a serious accident can literally be the difference between life and death. It will also greatly raise the moral of the department, so that they are not in a situation where they leave scene thinking "If only I'd had a Jaws??")

5–Fire House Funds – The cost to rebuild the West Hancock Fire Station is $345,000

6–Firefighter, Paramedic & EMT Support – West Hancock Fire Rescue is in need of trained professionals to volunteer come to the area to help them respond to calls, they are currently down to 9 department members who are providing round–the–clock response to all of their calls. This is a Call to Action to all First Responder brothers and sisters everywhere who would be willing to spend a day, a weekend or more down in Pearlington at the West Hancock Fire Rescue. Your presence would be of great physical and emotional help to this department. (Please contact the Department directly via the information on website below to let them know when you can come to help them.)

A basic website has been reestablished at: www.westhancockfirerescue.org Donations can be made directly to the Department. They are a non–profit. Anyone that you know who is interested in helping out, can also contact me via email or phone as

indicated below with questions, to request a list of needed supplies or to coordinate support to this department. I have gotten FedEx to agree to assist with free shipping to Pearlington for those willing to donate supplies or equipment to WHFR. Anyone needing help with shipping should contact me directly to facilitate this.

Warmest Regards,

Suzanne Stahl

Pre–Summer Update
Urgently Need Volunteers

As we move into the summer of the fifth year – there is still so much work left to be done. Volunteers have come time and time again – and the work is both grueling and rewarding.

With the Zero by Five campaign on the part of FEMA and MEMA – we have to have residents out of cottages and all temporary housing by the anniversary. That is the State's goal. They are issuing eviction notices and clients are being forced out of their temporary housing and their homes are not complete. We are going to court to stand with these clients; we are offering to help them pack and move; we critically need volunteers to finish some of these homes. We need you!

And we are so critically in need of volunteers, especially skilled volunteers. Many of the homes have funding – but we need those skilled workers to get those skilled tasks complete: carpenters, plumbers, electricians, sheetrock finishers.

The most critical need is for estimators. For that we can use retired construction people who are not able to do the physical work anymore – but are needed to go out and assess these homes so we can submit the clients for grants. It is a critical need and we are having a tough time finding people who can do this one critical task.

If you have some time now, some time this summer – we need to talk to you and schedule you in.
Despite the oil spill in the Gulf – this is still a tourist haven and maybe you can make this a working vacation. The Gulf Coast has so much to offer and New Orleans is so close – just down HW 59 from the facility about 60 miles.

And north of us – they urgently need volunteers to assist with the tornado damage in Yazoo – 689 homes were destroyed or damaged.

On the BP oil spill – they are telling us they are not going to use volunteers but, regardless, we are all preparing in case plan changes. And the ! scenario for the BP oil spill is constantly in flux – as they do not know where the oil will land, if it will land, or how much work we have to do with the wildlife. Anyone working on that project is going to have to have specific OSHA training and that has not been put in place yet.

For the day to day operations – check out the blog:

http://www.reliefvolunteers.com/hancockdailyblog.html

For all of you who have come prior, have come multiple times, still continue to support us – I personally thank you.

IF you are interested in volunteering – and you have questions, please call my cell phone at:
(228) 344–8616

The new facility is pictured to the right – it is very comfortable and you will find all that it has moved far beyond the rough volunteer camp of past.

Looking forward to hearing from you.

Kathleen Johnson
Director:
Katrina Relief

Thrift Store Opening

Katrina Relief will be operating a thrift store for furniture out of the Poplarville facility. The purpose is to provide free or very lost cost basic furniture for those moving back into their rehabilitated or rebuilt homes (with an emphasis for those moving out of FEMA trailers).

We will be accepting donations of good usable furniture with an emphasis on beds, chests of drawers, tables, chairs, and living room furniture including couches/coffee tables.

We are also accepting donations of left over building supplies or usable used building materials such as doors, cabinets etc. One 2x4 or 20 – we will accept it all!

If you have a donation could you please call the following numbers at:
(601) 795–9979
(228) 344–8616 (Kathleen's cell phone).
Location of Store: 2272 HW 53, Poplarville. Ms. 39470
Donations at the Poplarville site can be dropped off M–F with appointment
(Donations can be dropped off at 700 Tabor St., Waveland with appointment only as that is a warehouse for storage only)

Harrison Co. Shelters Open Sunday

Published: Sat, August 30, 2008 – 9:35 pm
Last Updated: Saturday, August 30, 2008 – 9:39 pm

Harrison County – The County Emergency Management Agency (EMA) has announced nine sites for public shelters from Hurricane Gustav. Shelters will open to the public at 6:00 pm tomorrow (Sunday, August 31).

Shelters will be at:
• Saucier Elementary School, 24052 First Street in Saucier
• West Wortham K–8 School, 20199 West Wortham in Saucier
• North Woolmarket K–8 School, 16237 Old Woolmarket Road in Biloxi
• D'Iberville High School, 3320 Warrior Drive in D'Iberville
• Gulfport Central Elementary School , 1043 Pass Road in Gulfport
• Harrison Central High School , 15600 School Road in Gulfport
• Harrison Central Elementary School , 15451 Dedeaux Road in Gulfport
• Lizana Elementary School , 15341 Lizana School Road north of Gulfport
• North Bay Elementary School , 1825 Popps Ferry Road in Biloxi .

EMA director Rupert Lacy identified items shelter occupants should bring with them and items that are not allowed in a shelter. .

Water: Bring one gallon of water per person, per day.

Food: Bring non–perishable food that needs little or no cooking, such as ready–to–eat meats, fruits, vegetables, and canned juices. Also recommended are high energy foods such as peanut butter, jelly, crackers, granola bars, trail mix and other snack foods. Also bring any specialty foods required, such as for diabetics, people on low salt or liquid diets and baby food and formula. Bring a manual can opener and eating and drinking utensils including paper plates. Bring a portable ice chest with ice.

Clothing and bedding: Bring study shoes, rain gear and one complete change of clothing. Also bring a sleeping bag, blanket and pillow. For an elderly person, bring a cot. Shelters do not provide cots.

Personal items: Bring a washcloth, small towel, soap, toothbrush, toothpaste, sanitary napkins, tampons, paper towels, toilet paper and towelettes.
Medications, first–aid supplies: Bring your medications, clearly marked with your name, dosage, type of medication and prescribing physician. You must be able to take all medications by yourself. Also bring a first–aid kit in a waterproof box.

Baby supplies: Bring baby clothes, diapers, formula, bottles, nipples, food and blankets.

Important papers: Bring names and addresses for your doctors and your nearest relative not living in your area. Bring identification and valuable papers.

Miscellaneous: Bring games, cards, toys, battery powered radios, flashlights (no candles or lanterns), batteries and other reasonable items you may need. Please bathe and eat before you leave home. Register immediately upon entering the shelter. Obey shelter rules. Keep the building safe and sanitary.
Items not allowed: You may not bring to the shelter any pets, alcoholic drinks or weapons. Harrison County EMA will issue a separate news release about a pet shelter that will be provided.

MS: central MS has 6 churches slated for shelters
Evacuees fleeing Hurricane Gustav will prompt shelters to open in central Mississippi — possibly by Sunday— if local American Red Cross officials receive the go–ahead from state and local government.

Volunteers with the organization will staff shelters beginning with those in the northern part of the state, then stagger acceptance of evacuees southward, Vicksburg Area Chapter executive director Beverly Connelly said.

"We will follow the protocol of the state," Connelly said, confirming six area churches will house Red Cross shelters once Warren County Emergency Management receives directives from the Mississippi Emergency Management Agency.

VICKSBURG, MS (WLBT) – 5/6/11:

In light of the flood waters creeping closer by the hour, we've seen a lot of people packing up their trucks and vehicles in neighborhoods along the Mississippi River. Most are heading out to stay with friends and relatives.

But for some, it's not that easy.

"I got nowhere to go, I got to look for somewhere to go," says Elvis Kidd, Jr., whose house on Eva Street in Vicksburg will probably flood.

For cases like that, the Red Cross has opened up a shelter at Hawkins United Methodist Church on Halls Ferry Road in Vicksburg. There's also a Red Cross shelter in Tunica, which has been open since the tornadoes. Flood evacuees can eat, shower, and sleep at the shelters.

As of Friday morning, no one had registered to stay at the Vicksburg shelter. "We've had some people drop in to inquire. We had some folks, they were coming from Eagle Lake north of town," says shelter manager Bob Athow.

Forty eight cots are set up inside the recreation room. There is room for 125. Bring your own pillows and sheets if you can. If not they will be provided for you. Pets are not allowed at the Red Cross shelters.

Services offered: Facilities: Shower Facilities, Disaster Survivors (Available To); Meals, Shelter Served Meals (Evacuation/Emergency); Services, Church/Worship Services; Shelter * (ANY/ALL Types); Shelter, Emergency Shelter; Support for "All Local" Disasters; Water, * Bottles (ANY/ALL Types of Bottled Water)

If you're in Warren County, you can take your pet to the Vicksburg Warren Humane Society. They're already housing dogs, cats, even chickens and goats that need a safe place to ride out the flood. "We're able to house them temporarily until the flood recedes, no charge for the people who bring them in," says Kenny Moore, livestock manager. "We'll take any donations, food, treats, cat litter."

Call your local humane society if you're looking for a place to house your pets.

Voices of Hope – Crisis Response Team Updates.

As Hurricane Gustav continues its track inland, the Disaster Relief ministry is in full swing. From the Mississippi Conference headquarters to district offices to local churches to neighborhoods across the state, the remnants of Gustav are alive and well. Bad weather is predicted to impact much of the state through Wednesday night.

Churches and pastors are calling into the conference office to report their status. Our district coordinators are working to assess the damages in their areas. By most reports, the damages are much more limited than they could have been. By Thursday, we will have some more boots on the ground and continue with how we are responding.

We are also working with our brothers and sisters in Louisiana as they assess and share needs. We are looking for folks to receive ERT training who may be requested for help in those areas hit hardest. We will make that information available as we receive it.

The call center is housed at the conference office: 601-354-0515 or 866-647-7486.

How You Can Help
• Pray
• Give to the response efforts earmarked for hurricane response. Send to Mississippi Conference, Mississippi Gustav Response, P.O. Box 1201, Jackson, MS 39205
• Volunteers contact Robert McCoy at 662-213-6400
• Donations and resources contact Brenda Hiatt at bhiatt@comast.net or 601-917-7094 or Rex Hiatt at rahiatt@comcast.net or 601-917-9201.
• If you want to set up a collection point for donations, contact Roger Shock at 662-397-2626.

Water, Water, Everywhere!
Although you have worked so graciously over the last many months collecting them, we can still use flood buckets. They are a very popular item because of their practicality.

Contact: Brenda Hiatt at Brenda Hiatt at bhiatt@comast.net or 601-917-7094.

Thank you for your gracious spirit and loving care.

Site description:
http://ms.brickriver.com/files/oFiles_Library_XZXLCZ/Camp_Gulfside_description2_XQ3PCMRF.doc

History:

Camp Gulfside is located on the grounds of what was Gulfside Assembly, one of our two United Methodist retreat centers on the Mississippi Coast. Established in 1923 by Bishop Robert E. Jones, the first black bishop to serve as a general superintendent of the Methodist Episcopal Church, it is a site of approximately 70 acres right on the Gulf. In 1980, Gulfside was dedicated as the 97th historical site of The United Methodist Church. Unfortunately, Katrina completely devastated this once-beautiful facility, and now plans are being made to rebuild, though it will be some time in the future.

Facilities:

Camp Gulfside is a 6,000 sq ft modular structure with multiple rooms, each holding 2 - 4 sets of bunk beds. There are no coed rooms. Volunteers will need to bring basic bed linens or sleeping bag and pillows. There are showers and restrooms onsite. Volunteers will want to bring towels and toiletries that they will use on their trip. There is a fully equipped kitchen, large dining area, and small lounge. The site has space for fellowship, along with Wireless internet access available nights and weekends.

Meals:

There is a kitchen and dining hall at Camp Gulfside for teams to prepare meals during the week. The Site Coordinator provides a stocked pantry and will help teams in meal planning. Teams will designate persons from their group to prepare meals.

Where we serve:

Teams at Camp Gulfside can do much good in the communities of Pearlington, Waveland, Bay St. Louis, and all over Hancock County.

Services offered: Case Management, Hurricane Survivors; Case Management, * (Providers of ANY Type of Case Management); Case Management, UMCOR ; Cleanup, House Gutting, Volunteer Services; Cleanup, Mold Removal/Remediation, Volunteer Services; Cleanup, Tree Cutting and Removal, Volunteer Services; Construction, Home Repair, Volunteer Services; Construction, Rebuilding, Volunteer Services; Facilities: Bathroom Facilities (For Volunteers); Facilities: Shower Facilities * (ANY/ALL Types); Facilities: Shower Facilities for Volunteers; Housing, Volunteer Housing ($ NOT FREE); Housing, Volunteer Housing * (ANY/ALL Types); Kitchen, Kitchen Privileges (For Volunteers); Meals * (ANY/ALL Types) ; Meals, Volunteers, Meals for Volunteers; Services, Disaster Recovery ; Tool Lending; Training * (ANY/ALL Types of Instruction) ; Training Classes, Volunteer Orientation & Training; Volunteer Opportunities, In General * (ANY/ALL Types); Volunteers, Groups of Volunteers (This facility accomodates Groups of Volunteers); Volunteers, Teen Volunteers (This facility accomodates Teen Volunteers); Volunteer Work Orders/Projects (provided by this facility)

Please review our web site at www.disastercorps.org to review our volunteer camp and work being done in the recovery process.

Building homes from ground up.

Disaster Corps fundamental concept was born after our directors were victims were the horrific flooding from Hurricane Floyd in 1999. While we were in the nation's spotlight a few times we struggled for the daily needs to sustain life. Never once during this ordeal did we meet anyone assisting that had been a survivor of a disaster, someone who knew how it was to deal with all the difficult decisions made daily by victims. We know how it is to struggle daily for food, water, ice, clothing, shelter. We know there are times you need nothing more than a friendly shoulder to cry on. We know that it is difficult to go through the mounds of paperwork and understand what rebuilding your life entails. We know the countless hours you spend on the telephone trying to find assistance, we know, we have been there, we want to be there for you.

We will be there at the time the disaster strikes and will stay with you while you rebuild. Our mission to be there, day in and day out, and pay forward the kindness of many strangers that help us during our bleakest hours.

Stephanie Spencer
Chairman, Disaster Corps

Disaster Corps in a Nonprofit with 501 (c) (3) charitable organization status with the Internal Revenue Service. Details on website.

9/5/08:

Just spoke to Aaron Funk. They are deploying to Baton Rouge and should arrive by 9/6/08. They will set up at least one kitchen in that location, and assess the need on arrival for any additional kitchens. They are also assessing The Houma Indian Nation in Terrebonne for hot meals needs.

They will have to double back to FL in 1 1/2 weeks to serve post Ike and are on standby for both Hanna and Ike.

ARRR is a grassroots emergency response network organized to provide first wave relief kitchens, safe drinking water, medical assistance, and a child safe playarea to communities immediately after a disaster.

We are dedicated to mobilizing our assets and resources toward these goals. Utilizing the collective experience of mass feeding in some of the most remote areas of the American wilderness. Coupled with the over whelming success of the New Waveland Cafe during the ultimate test of Katrina. We are prepared to respond.

Currently we are working to create a broad platform for other grassroots reliefs efforts to work in concert. During a disaster it can be very difficult to coordinate even the most basic logistics needed to actually deliver direct aid. We would like to invite other grassroots relief groups and community based organizations to join our network. We are much more powerful together than alone. And an efficient , coordinated, and comprehensive approach is the only way to guarantee success.

The impending threat of Hurricane Irene to the eastern coast of North Carolina and the Eastern US Seaboard has caused Hearts With Hands™ to alert all volunteers to contact Hearts With Hands™ immediately at (855) 435–7494 in preparation for possible mobilization. Due to responses to tornadoes throughout the country, Hearts with Hands™ is critically low on food and relief supplies and is collecting these supplies to send to hurricane victims as well. Bill Bradley, Executive Director of Hearts With Hands stated, “We are requesting that all of our volunteers call the office and let us know of their availability for the next couple of weeks or so. We are also activating all of our teams throughout North Carolina, South Carolina, and Florida for possible deployment. We have also extended our hours of operation at the warehouse on Sand Hill Road to accommodate those who may want to drop off supplies after work to 7:00 pm, Wednesday, Thursday, and Friday. We will make a determination later as to

weekend hours.
Hearts With Hands™ needs the following items:

• Non–perishable Food Items/Convenience Foods
• Flashlights/Batteries
• Bottled Water
• Hygiene Items
• Camping Supplies
• Toothbrushes/Toothpaste
• Plastic Plates, Forks, Knives, Spoons
• Diapers/Wipes/Baby Food
• Cleaning Supplies, Trash Bags
• New Clothes, Underwear, and Socks
• First Aid Supplies/OTC Medications
• Tarps and Plastic Sheeting

No Used Clothing, please!

Donated Items may be dropped off at the Hearts With Hands Warehouse located at:

951 Sand Hill Road, Asheville, NC.

Donations call also be dropped off at:

URGENT HELP NEEDED FOR HURRICANE GUSTAV SURVIVORS
Pointe–au–Chien Indian Tribe and Isle de Jean Charles Band of Biloxi–Chitimacha–Choctaw Take Direct Hit From Gustav Eyewall

THE SITUATION
Despite the rosy media reports of light damage from Hurricane Gustav, several of southern Lousiana's coastal Indigenous communities are reeling from a direct hit by Hurricane Gustav's 115mph winds and large storm surge. Their communities lie in shambles.

The communities of lower Pointe–au–Chien, home of the Pointe–au–Chien Indian Tribe (PACIT), and the Isle de Jean Charles ("The Island") Band of the Biloxi–Chitimacha–Choctaw Confederation of Muskogees (BCCM) are still trying to assess the severe damage and what it will take to rebuild after Gustav's devastating winds and storm–surge flooded homes, knocked buildings off their foundations, and decimated the primary source of income in the early season commercial shrimp harvest. The Island is still inaccessible due to prevailing flood waters. (the most recent update from community leaders follows this action alert)

PLEASE TAKE ACTION NOW
Please assist these communities in their time of need! These communities, historically are underserved and ignored

DONATIONS CAN BE SENT DIRECTLY TO:
PACIT and IJC BCCM
c/o Chief Albert Naquin
100 Dennis Street
Montegut, LA 70377

Four Directions Solidarity Network brings native and non–native people together to work respectfully with Indigenous communities to solve problems and preserve culture through times of hardship and change. In the aftermath of hurricanes Katrina and Rita, Four Directions facilitated more than 75 tons of food and material aid, 26 large and small appliances; 30 classroom teaching kits to the most damaged elementary schools, collected 4 tons of trash, organized two community–led `free' stores, and contributed over 5000+ volunteer hours in the community. We maintain a policy of free and equal distribution of storm aid to any person in need within the

affected area regardless of race, ethnicity or tribal affiliation.

2011 JOPLIN Tornadoes
http://katrinasangelsblog.blogspot.com/2011/05/tornado–assistance–information–is–there.html

2011 April Tornadoes

This past week, Iowa and Wisconsin were hit with a series of destructive tornadoes. While we have been assisting Neighbors Across the Land Disaster Relief & Recovery (NATLDRR) in those areas, Katrina's Angels has been contacted by a group of people in West Fargo, North Dakota in need due to the constant flooding in their area. They are once again sand–bagging and pumping to keep the waters at bay. Katrina's Angels has stepped in to help.

The people of this area of North Dakota are devastated. The economy is already strained, and many are without flood insurance because they simply couldn't afford it. Many children are without everyday necessities like underwear, sox, pacifiers, diapers, toys and books. We need donations so that we may purchase items for those children as well as for the adults who care for them. We currently have a team led by a Katrina's Angels Community Coordinator who lives in the area. She is being joined by several volunteers on the ground.

SEE WEBSITE FOR FULL DETAILS!

11/6/2010
There has been flooding in various parts of the country, and Katrina's Angels (http://www.katrinasangels.org/) has a request. Can anyone please donate to Katrina's Angels (http://www.katrinasangels.org/Donate.asp) so we can get school supplies, slippers, and socks for kids affected by the recent flooding? These would make great Christmas gifts.

Katrina's Angels, Inc. is a 501(c)3 non–profit disaster relief organization so all donations are tax–deductible.

Also needed is money and/or flood bucket clean–up supplies like bleach and mops. And if anyone has drywall or flooring you can donate, please contact info@katrinasangels.org.

Episcopal Relief & Development Reaches Out to Partners in Hurricane's Path

November 20, 2012

Eight deacons from the Episcopal Diocese of New Jersey gathered at the diocesan center in Trenton on November 19 to learn how to facilitate FEMA (Federal Emergency Management Administration) disaster assistance registration. The training was held by members of Episcopal Relief & Development's US Disaster Program and Partners in Response team as part of the organization's response to Hurricane Sandy.

December 31 is the deadline for registering with FEMA. Individuals in impacted areas should first check the published disaster declarations to see if their county is eligible for federal assistance. Once eligibility is established, residents should register with FEMA before December 31 in order to be able to apply for assistance as it becomes available.

"FEMA registration is fairly straightforward, but getting people to jump into the process can be a challenge" said Dave Baylor, Diocesan Disaster Coordinator for the Episcopal Diocese of Olympia and member of the Partners in Response team. "Some people just need encouragement, but others need assistance filling out the forms or getting their materials organized ahead of time. This is where deacons and parish volunteers can really be of help."

Deacons from around the diocese were encouraged to identify and recruit volunteers from their congregations who could accompany people through application processes for disaster assistance funds, including from FEMA, insurance agencies and others.

The FEMA registration assistance training session in New Jersey came at the end of a week–long visit by members of the Partners in Response team to areas that were impacted by Sandy. Episcopal Relief & Development is also working with the Episcopal dioceses of New York, Long Island, Newark and Connecticut. In addition, the agency continues to support its Church partners in the Caribbean as they distribute water, food and supplies for home reconstruction.

The immediate relief phase of the response is now winding down, but the need for local volunteers, cleaning supplies, construction materials, furniture and appliances will continue well into the recovery phase. Please support these efforts by contributing to the Hurricane Sandy Response Fund, which will ensure that help reaches where it is most needed.

We knew this would be a massive storm. Today and over the next few days we will learn of the destruction caused and find more and more ways to respond. Please keep evacuees and the many communities affected across our great state––in your prayers. And let's all stay in touch so that by working together we can coordinate the many gifts and resources that will be needed.
I thank the many of you who have helped evacuees, our guests, in some very creative ways! Keep the creativity flowing.

We are currently collecting funds to meet the varied unmet needs of evacuees, which can range from gas cards to personal items. These funds will go to helping disaster survivors in the Austin area. To make a donation, please go to the Donate section on our website.

Ike and the Aftermath of Gustav

TIDR Respond to Gustav
Many thanks to our many faith–based partners who assisted in helping evacuees from Hurricane Gustav. With your help, TIDR was able to provide clothing for several persons, air mattresses for sleeping at one of the local shelters, and gas cards to purchase at least one tank of gas for 104 cars with evacuee families.

A special word of thanks to Eastside Baptist Church, Pastor Leland Dandridge and members, and the St. John's District Association, and Shepherd of the Hills Christian Church (Disciples of Christ), Pastor Rod Coleman and Rev. Lucinda Valenti, for their quick response to address special needs to families who evacuated to the Austin area.

Our other Hurricane Gustav partners include:

Bethany Christian Church (Disciples of Christ)
Brentwood Oaks Church of Christ
Central Baptist Church
Eastside Baptist Church
First Baptist Church
Cal and Donna Elder
Gary Kansteiner and Debra Monroe
Grace Apostolic Temple
High Point Fellowship
Hill Country Bible Church
St. John's District Association
St. John's United Methodist Church
St. William's Catholic Church
Shepherd of the Hills Christian Church (Disciples of Christ)
Unity Church of the Hills
Week of Compassion of the Christian Church (Disciples of Christ)
Worship Life Inc.

TIDR works to bring coordination among Austin's faith community around issues of emergency and disaster. TIDR works through all phases of the cycle of disaster: response, recovery, preparedness and mitigation.

Collaborating with TIDR, Congregations and Houses of Worship are involved with a unique program that involves a Disaster Contact Person (DCP). The DCP receives updates and specific information about disaster–related situations that affect our communities. If you would like more information about TIDR and how your House of Worship can participate, please go to the Donate section under Volunteers or contact TIDR at (512) 458–8848.

A repeat of 2005 when Reed Arena was set up for evacuees of Katrina and Rita could happen. Local officials say Reed could be utilized as a special needs shelter.

If the storm continues towards Louisiana and Texas A&M is called upon for help, set up of the arena could begin this weekend.

Gustav spurs local plans

County prepares for possible gulf evacuations

By Bob Belcher

With landfall of Hurricane Gustav still several days away, and a storm path that can still vary widely, local and state emergency management officials are wasting no time preparing for a potential disaster.

Representatives from several aid and law enforcement agencies met Thursday for briefings at the Office of Emergency Management in Corsicana to sit in on statewide conference calls detailing plans and “what if?” scenarios to respond to a possible hurricane strike along the Gulf Coast.

City, county, state and local relief agencies and medical personnel took part in the briefings, designed to get possible strike areas on alert, and locations along evacuation routes — such as Corsicana — prepared for a possible influx of evacuees. As part of a plan developed in the post-Katrina days, Corsicana has been designated as the “destination city” for evacuees from La Porte in that statewide plan.

“What we are preparing for is a point-to-point evacuation procedure for the city of La Porte,” explained Eric Ryan Meyers, the county’s emergency management coordinator. “Our agreement is to take up to 650 evacuees.”

Should the hurricane’s path necessitate such an evacuation of the coastal city, shelter will be provided at Cornerstone Baptist Church, and if needed, Northside Baptist Church, Meyers said.

Navarro County officials have requested supplies from the state to help with hosting possible evacuees, including sleeping cots, food and water and personal supplies evacuees may need. Those supplies are “standing by” and ready to be trucked to Corsicana should an evacuation appear imminent.

Also being planned for — the evacuation of household pets. Should it be needed, the Navarro County Youth Exposition Center could be utilized, Meyers said. Plans were being drawn up for that possibility Thursday.

Another part of the state’s emergency plan is the possible “contra-flow” of Interstate 45, last seen during Hurricane’s Katrina and Rita. Should a large-scale evacuation of the Texas coast be ordered, all lanes of Interstate 45 would be converted to northbound lanes, starting in the Houston-Galveston area and working north through Navarro County and into Ellis County, Meyers explained. State officials said that order could come as early as Sunday, based on what path Gustav eventually takes.

All of that is still a series of lines on a forecast map — lines that can change by the hour based on the latest satellite data and computer projections. Those projections show a “possible” strike zone stretching from Mississippi to South Texas. Gustav’s move over the warmer Gulf Coast waters could not only alter the path, but strengthen the storm as it approaches the United States.

More conference calls with state emergency management personnel will take several times daily as the storm’s path becomes more defined, and areas at risk more clearly identified.

Texas Governor Rick Perry on Thursday declared a state of disaster in 61 Texas counties including Navarro County. Situated on Interstate 45, one of the primary evacuation routes and a relocation point for Gulf Coast evacuees prompted the inclusion of the county. Perry also called on the White House to issue a federal disaster declaration.

12:00 AM CDT on Sunday, August 31, 2008

Texas agencies and local officials ramped up evacuation readiness across the state's coastal region Saturday. And Gov. Rick Perry said Texas could receive 45,000 Louisiana residents in advance of Gustav, now expected to become a Category 5 storm and bash that state's coast Monday afternoon.

Of those, some 4,100 New Orleans residents are due to arrive in North Texas beginning today. About 1,000 will be sheltered at the Dallas Convention Center downtown, with the rest spread across smaller sites in Fort Worth and area suburbs.

Dallas officials, along with staff and volunteers from the American Red Cross, worked Saturday to prepare the convention center. But First Assistant City Manager Ryan Evans, who is coordinating Dallas' response, said it wasn't clear exactly when today the evacuees would arrive.

07:14 AM CDT on Friday, August 29, 2008
Dallasnews.com

The city of Dallas is making sure it's ready to receive up to 900 evacuees at the Dallas Convention Center.

"Hopefully, that won't happen. But if it does, the convention center will have cots, three squares a day, movies, a recreation area and as many other comforts as possible," said Kenny Shaw, the city's emergency management director.

Disaster Relief 2008/2009/2010

Volunteers are an essential component to disaster recovery efforts. Unlike government agencies recovery volunteers do not need to have victims fill out forms and answer a bunch of questions to qualify for assistance. When we see a person in need we only ask one question "How can we help?" The residents of these areas continue to struggle each and every day. They face life threatening stress and depressing hardships in the wake of these disasters. When contending with such a terrible tragedy it is clear that there is one thing keeping everyone going and that one thing is hope. Over 2000 CC International volunteers have participated in the recovery effort since December of 2005.

Food and Lodging
Disaster zones present unique logistical challenges because of constantly changing circumstances and the severe lack of housing for displaced residents and volunteers. CCInternational develops its own volunteer accommodation facilities when

necessary and also develops long term agreements with local providers to deliver safe, sanitary and cost effective accommodations for volunteers.

Work Projects
Our efforts are varied and widespread. We work on roofs, helping in animal shelters, restoring parks, making children smile in overcrowded schools, gutting homes, installing drywall, raising homes, framing...the list goes on and on. The impact that CCInternational volunteers have had on these areas is truly phenomenal.

Note: CC International will be deploying volunteers in response to Hurricane Ike in Texas and Louisiana November 2008 – May 2009.

CC International volunteer facilites in each location provide a place to sleep, recreation space, wireless internet, meeting space, and 3 meals a day.

Rooms are divided by gender, dormitory style, and each has 12–15 bunks. You must bring your own bedding; sheets, pillows, blankets, and/or sleeping bag.

Vegetarian options are available at every meal. During the breakfast hours we provide sandwiches, fruit, and water for volunteers to pack for lunch.

We are accepting Group Sign Up Forms from programs interested in participating in CC International's Projects. Early sign ups get top priority on available space.

We are asking all volunteers to start early and do some homework before their session. Home Depot and Lowes offer free construction training programs in local communities. We encourage volunteers to attend sessions on basic construction, painting, insulation, window and door installation, or sheetrock hanging and taping. Lowes has a great home improvement library as well http://www.lowes.com/lowes/lkn?action=topicSelect&topic=buyGuide.

Interfaith Ministries for Greater Houston responds after Hurricane Ike.

Even though the Category 2 storm left most of Houston in the dark, IM was able to respond through the Ready Houston! program, which was instrumental in registering faith based shelters with the Red Cross, and helping get shelf–stable food to Meals on Wheels for Greater Houston clients. IM had to incur an unplanned expense in the aftermath of the storm, but is hopeful that everyone who finds value in IM's programs will make a donation today to help us continue to assist the most at–risk members of our community.

IM works with 10 communities of faith, including Baha'I, Buddhist, Christian, Hindu, Jain, Jewish, Muslim, Sikh, Unitarian Universalist and Zoroastrian communities of faith. Together they provide the foundation upon which IM builds collaborative partnerships to serve seniors and refugees. Our programs advocate for the needs and rights of at–risk and special needs children, enhance the independence and dignity of low–income seniors, and improve the quality of life for refugees.

Collaboration among people of different faiths strengthens what IM accomplishes and bridges misunderstandings among people of diverse beliefs. IM serves individuals in a ten–county, greater Houston area with the help of over 2,000 volunteers. All of IM's Board of Directors and staff give support through IM's annual fund drive, and 100% of staff give to the United Way.

(Opened 7/22/08 – Hurricane Dolly)

7/25/08 Shelter Update:

Sheltering of Displaced Individuals Remains a Priority
Shelters remain open in Hidalgo County, staffed by Texas Military Forces, city, county and school district personnel. These are not Red Cross shelters, as the humanitarian organization refused to open shelters in Hidalgo County due to the levees being decertified by FEMA. Food was provided by the Salvation Army yesterday to four shelters and school lunches and school district kitchen staff and/or ready–made meals provided by the city were utilized at the other shelters. Food will be available at the shelters today. Cots may be made available only to the elderly and individuals with special needs later today.

The American Red Cross will not open shelters in Hidalgo County, claiming risk from the FEMA decertified levees. For this reason, Hidalgo County officials, in coordination with area cities, school districts, law enforcement, fire departments and the Texas Military Forces, have begun to open shelters.

Families must provide their own transportation to the shelters. Food, water and other basic necessities like toiletries will not be provided. Residents are advised to bring medications, supplies for babies and the elderly and bedding materials. Please see the attached handout for more information on what to bring and what not to bring to a shelter.

FOR IMMEDIATE RELEASE
July 22, 2008, 4:00 p.m.

WHAT YOU NEED TO KNOW ABOUT SHELTERS:

• A shelter will not provide the comforts of a hotel or motel.
• The shelter is not a medical shelter; only basic first aid will be available.
• The shelter does not accept responsibility for storing valuable personal property.
• Parents are required to be in control of their children at all times.
• Persons needing medical assistance of personal attendants cannot be left unattended.
• Shelters may be equipped with generators, but they may or may not be air–conditioned. If electrical power is interrupted, portable generators will not be able to keep air conditioners running.

WHAT TO BRING TO A SHELTER (plan for up to three days):
• Non–perishable food and snacks (it may not be provided at the shelter)
• personal hygiene items
• beddings such as cots, air mattresses, blankets and pillows for their own use (none will be provided)
• water (rule of thumb: 1 gallon per day per person)
• extra change of clothing
• personal items (medications, eyeglasses, hearing aid, flashlights, toothbrushes, battery–operated radio, special diet foods, if appropriate)
• baby supplies: ample amounts of baby food, formula, juice, diapers and wipes, and a stroller, portable crib or play pen
• driver's license, other identification
• cash, traveler's checks
• important documents

WHAT NOT TO BRING TO THE SHELTER:
• Pets
• Firearms or explosive devices
• Intoxicating or alcoholic beverages
• Illegal drugs

BEFORE YOU LEAVE YOUR HOME:
• Board your windows.

• Have a good meal.
• Turn off electricity at the fuse box (to prevent possible fire).
• Turn off water at the outside line.
• Turn off gas for gas water heaters (to prevent possible fire

The Humane Society/SPCA of Bexar County is currently involved in relief efforts to aid areas being affected by Hurricane Ike. Over 230 animals have been transferred to our facility from Houston, Galveston, and Corpus Christi, including, 50 baby squirrels that we transported from Houston to be transferred to the San Antonio Wildlife Rescue.

All healthy evacuated shelter animals are available for the Hurricane Adoption Special of $25!

Cathy McCoy,
Director of Volunteer Services and Public Relations
226–7461 ext. 125

Volunteer Orientation Schedule 2007

You do not need to sign up or reserve a spot for Volunteer Orientation. Please see the following dates for orientation. August 4th 9am–11am, August 15th 6pm–8pm, September 1st 9am–11am, September 19th 6pm–8pm, October 6 9am–11am and October 17th 6pm–8pm.

The $20 Orientation Fee

Orientations require a $20.00 fee per person, that will cover your volunteer T–shirt, badge and insurance coverage in case of injury and your HS/SPCA membership

Adoption Counselors / Customer Service Representatives
226–7461 ext. 100

The Humane Society/SPCA employs part–time and full–time adoption counselors / customer service representatives to help in the care of our animals. They are responsible for preparing pets and their paperwork for adoption, providing accurate information and friendly service to the public, and screening potential pet adopters.

Our mission at the Humane Society/SPCA of Bexar County is to be the community?s primary resource for promoting the humane treatment of companion animals by providing education and adoption services.

Humane Society SPCA of Bexar County Goals

Find homes and provide temporary shelter for abandoned and unwanted animals.
Prevent cruelty to animals.
Promote the spaying and neutering of dogs and cats.
Educate the community on responsible animal care. Ultimately reducing the number of stray and unwanted animals!

HISTORY

The HS/SPCA is a non–profit organization that has served Bexar County and its surrounding areas since 1952. In the past 50 years, the HS/SPCA has found homes for over 157,000 animals. We also help make our community a safer place by providing shelter for hundreds of lost pets and strays each year. Eighty percent of the animals

at the HS/SPCA are pets that people have given up. Reasons vary as to why they surrender their pets; some owners move and do not want to take their animals with them, other pets are given up because owners get new furniture or carpet and don't want their pets to walk on them. The remaining 20% of animals in our shelter are either lost or abandoned pets or strays.

FUNDING

The HS/SPCA relies entirely on private donations, self–generated income (adoption and receiving fees), foundations and corporations for all funding. The HS/SPCA is not a branch of any national organization, such as the Humane Society of the United States, nor do we receive funds from any city, county, state or federal source.

POPULATION SERVED

The HS/SPCA serves the Bexar county area covering 1,247 square miles with a population of 1.5 million people and San Antonio.

Web	www.saredcross.org
Serves	State Declared Southern TX Counties
Eligibility	Impacted by Hurricane Dolly, Gustav & Ike
Service	Temporary

The American Red Cross has played an active role in the Hurricane Ike disaster response in San Antonio and our surrounding counties – providing shelter support and serving meals to thousands of evacuees. Here are the stories we've collected from Red Cross volunteers from San Antonio and the rest of the country who are working tirelessly to help all those impacted by Hurricane Ike, families who were able to safely evacuate, the doctor and volunteers who helped deliver a beautiful baby, and more.

From www.kwtx.com 7/23/08:

American Red Cross: Operations Headquarters and warehousing facility is established in San Antonio. Four Emergency Response Vehicles (ERV) are being deployed to Weslaco; 6 ERVs will go to Laredo; 29 ERVs are en–route to San Antonio. One ERV is pre–positioned in Laredo and 6 are already pre–positioned in San Antonio. Six shelter trailers are in position in Laredo for post–hurricane sheltering. Shelter teams are being recruited for post hurricane sheltering. The ARC has recruited and deployed 250 disasters workers to Texas

San Antonio Area Chapter update on Hurricane Dolly
Written by : San Antonio Area Chapter
7/23/2008 –

The American Red Cross, San Antonio Area Chapter is fully engaged and ready to support Hurricane Dolly operations which is currently affecting the Red Cross Chapter jurisdictions headquartered in Harlingen and Corpus Christi. Our support includes being represented at the City of San Antonio Emergency Operations Center/Alamo Regional Command Center at Brooks City–Base. Red Cross mass care volunteers and emergency response vehicles (ERVs) are being staged in San Antonio and are prepared to deploy to assist in disaster response efforts. We are also making preparations for any after–storm sheltering that might occur locally and keeping close watch on the hurricane to see whether flooding, tornadoes or wind damage becomes an issue.

The American Red Cross encourages residents of South Texas affected by Hurricane Dolly to:

Monitor media reports. Watch TV, listen to AM/FM or NOAA weather radio and check the Internet for updates.
Review or develop a family communication plan so you will know how to contact each other and where to meet. Identify an out–of–area contact person that family members and friends can call if you are separated from one another.
Register with the Red Cross Safe and Well Web site. If you are affected by a disaster, this public site provides a way for you to

register yourself and communicate your well–being to your family members. You can input information directly or via phone. The site is accessible via www.redcross.org.
Update or create your disaster supplies kit. Your kit should have the following items: 3–day supply of water (1 gallon per person, per day), nonperishable food, manual can opener, flashlight, battery–operated or crank radio, extra batteries, first aid kit, prescription and non–prescription medications, cash, and copies of important documents such as bank account numbers, social security card, driver's license and insurance policies.
Prepare your home. Bring inside: bicycles, lawn furniture, trash cans, hanging plants, outdoor decorations or ornaments, or anything else that can be carried by the wind. Close windows and doors, then close hurricane shutters or cover windows with plywood.
Stay away from floodwaters. If you come upon a flooded road, turn around and go another way. If you are caught on a flooded road and waters are rising rapidly around you, get out of the car quickly and move to higher ground. The floodwaters may still be rising and the car could be swept away at any moment.
Plan your evacuation route. Use local maps and identify alternate evacuation routes from home, work and/or school. Know where you are going and how you plan to get there before you leave home.
Evacuate immediately if advised to do so. Follow the direction of local authorities on which routes to take, which evacuation shelters to seek and other important advice.
Take your pets with you. If it is not safe for you, it is not safe for them. Red Cross emergency shelters cannot accept pets unless they are service animals. Prepare a list of family, friends, pet–friendly motels and boarding facilities that could shelter your animals.

The San Antonio Food Bank (SAFB) is a non–profit organization that serves as a clearinghouse by receiving and storing truckloads of donated food, produce, and other grocery products. SAFB distributes these items in manageable quantities to approximately 350 service agencies that help people in need. The San Antonio Food Bank service area reaches north to Kerrville, south to LaSalle County, west to Uvalde, and east to Seguin. This large territory includes the following 16 counties Atascosa, Bandera, Bexar, Comal, Edwards, Frio, Guadalupe ,Karnes, Kendall, Kerr, La Salle, Medina, Real, Uvalde, Wilson, Zavalaat.

Every month, the Food Bank distributes 40–pound food boxes to more than 40,000 families facing emergency or financial calamity. Each box contains approximately a week's supply of food for a family of four.

Mission

SAVOAD's mission is to bring together voluntary organizations that
provide services during times of disaster so we can all provide a
more effective response to people affected through Communication,
Cooperation, Coordination, Education, and Planning.

The Purpose is to bring together City, State, and National agencies
with volunteer Agencies, provide direction, and inform about volunteer organizations. SAVOAD guiding principles are central to achieving
effective response to disaster. Those principles defined are:

Communication

We will periodically publish and disseminate information through
directories or member organizations and resources.

Cooperation

We will seek to create a climate for cooperation by meeting together periodically and sharing information.

Coordination

We will seek to have common understanding about how we serve, and develop advocacy and liaison with public officials.

Education

We seek to increase awareness on two levels. First, we will seek to have a mutual understanding of each organization providing disaster services and, secondarily, we will seek to inform the public (especially public officials) regarding the work of member organizations.

Planning

We seek to be better prepared for disasters when they occur by planning in advance ways in which we may better serve those who are affected by disaster.

HUD, FEMA Extend Disaster Housing Assistance Program In Louisiana And Texas For Gustav And Ike
Mon, 17 May 2010 12:22:48 –0500

WASHINGTON,D.C. –– U.S. Housing and Urban Development Secretary Shaun Donovan and Federal Emergency Management Agency Administrator Craig Fugate announced today a second extension to the Disaster Housing Assistance Program–Ike (DHAP–Ike), giving families who were displaced by Hurricanes Ike and Gustav more time to transition to long–term housing solutions. This extension increases the total length of the program to two years for eligible families.

FREDDIE MAC EXTENDS MORTGAGE RELIEF TO BORROWERS AFFECTED BY HURRICANE GUSTAV

McLean, VA – Freddie Mac (NYSE: FRE) today reminded its servicers of the disaster relief options available to borrowers with Freddie Mac–owned mortgages who were affected by Hurricane Gustav. Freddie Mac is one of the nation's largest investors in residential mortgages.

"Freddie Mac and the nation's mortgage servicers will work together to bring some measure of financial relief to homeowners affected by Hurricane Gustav" said Ingrid Beckles, vice president of servicing and asset management at Freddie Mac. "Borrowers affected by Hurricane Gustav should contact their mortgage servicers for mortgage relief if their homes have been damaged or destroyed."

Servicers can offer relief under Freddie Mac guidelines to borrowers whose homes were damaged or destroyed, as well as borrowers who may be unable to make their mortgage payments because they were evacuated to avoid the storm. Servicers should assess each case individually to determine if relief is warranted and which option best fits the homeowner's circumstances.

In addition, Freddie Mac gives servicers the discretion to reduce or suspend mortgage payments or foreclosure proceedings for up to 12 months for borrowers with Freddie Mac–owned mortgages in federally declared major–disaster areas where individual assistance was provided.

Freddie Mac also strongly encourages servicers to extend several other measures to help affected borrowers with Freddie Mac–owned loans:

Waiving assessments of penalties or late fees against borrowers with disaster–damaged homes; and,
Not reporting borrowers to the nation's credit bureaus when a forbearance or repayment plan has been extended because of the disaster.
For more information on Freddie Mac disaster relief policies, see freddiemac.com/singlefamily/relief.html.

Freddie Mac is a stockholder–owned corporation established by Congress in 1970 to provide liquidity, stability and affordability to the nation's residential mortgage markets. Freddie Mac raises capital on Wall Street and throughout the world's capital markets to finance mortgages for families across America. Over the years, Freddie Mac has made home possible for one in six homebuyers and more than five million renters.

Note from 2008 Gustav/Ike support:

As you well know by now, Louisiana and Texas have started recovery efforts from the major damage from Hurricanes Gustav and Ike. Over 2 million people were evacuated from Louisiana before the 100 mph winds of Gustav raged through Louisiana. In

response to this disaster, and in close coordination with the Federal Emergency Management Agency (FEMA) and Department of Homeland Security (DHS), Operation HOPE and our HOPE Coalition have begun reconstructing the lives of those living in Houma, Louisiana and Galveston, Texas . This organizational structure will utilize a trained network of HOPE Corps volunteers to provide financial information, guidance and other services by phone and in Disaster Recovery Centers operated by FEMA to those who are directly affected by this devastating storm.

For individuals affected by Hurricanes Gustav and Ike and ready to seek assistance in rebuilding their financial lives by obtaining lost or destroyed personal identification documents, assistance with deferring mortgage payments and obtaining copies of destroyed financial documents, call 888–388–HOPE (4673). For more information about our services and other available services, visit our Services and Resources section.

For small business owners affected by Hurricane Gustav and Ike please visit the Project Restore HOPE/Small Business section of our site. Project Restore HOPE/Small Business is a partnership between Operation HOPE and the U.S. Small Business Administration to bring relief to small businesses affected by Hurricanes Gustav and Ike.

For those willing to serve as trained HOPE Corps volunteers for recovery efforts for Hurricanes Gustav and Ike, please go to Be A Hero to volunteer.

For those willing and able to make a financial contribution to offset costs to provide relief support, please make a contribution to Operation HOPE allocating your support to our effort to provide assistance to those affected by Hurricanes Gustav and Ike.

To support our response activity fo to:

HOPE Responds to Hurricanes Gustav and Ike
Last update: 6:31 p.m. EDT Sept. 22, 2008

LOS ANGELES, CA, Sep 22, 2008 (MARKET WIRE via COMTEX) –– Operation HOPE, through its HOPE Coalition America division, is responding to Hurricanes Gustav and Ike, continuing the disaster preparedness and recovery activities initiated after 9/11. During the past seven years HOPE has established written cooperative agreements with the Department of Homeland Security, the Federal Emergency Management Agency, the American Red Cross and is a national member of Citizen Corps (http://www.citizencorps.gov/) and Volunteer Organizations Active in Disasters (http://www.nvoad.org/). These relationships allow HOPE Coalition America to engage with individuals and families encouraging them to complete the Emergency Financial First Aid Kit (EFFAK) and the Personal Disaster Preparedness Guide (PDPG) prior to an emergency or disaster.

Free recovery assistance, including the Disaster Recovery Budget, Paying a Mortgage on a Destroyed Home, Home Inspections and Repair Contracts, Assistance Working with Your Creditors, Referrals to Government and Private Agencies, Assistance with Obtaining Copies of Destroyed Financial Documents, Insurance Claims Assistance, Recovery Seminars, and Case Management, is available to individuals affected by Hurricanes Gustav and Ike. Individuals needing financial recovery information and guidance should call 888–388–HOPE (4673). Assistance counselors can also help individuals access the services of all volunteer agencies providing assistance. For immediate health and safety needs, individuals should call the American Red Cross at 800–975–7585 or http://www.redcross.org/, and to register for FEMA assistance, please call 800–621–FEMA (3362) or apply on–line at http://www.fema.gov/, under Apply for Assistance.

Individuals with experience in the financial services industry can volunteer to assist families through the recovery process on HOPE's website http://www.operationhope.org/, under Be A Hero, on the bottom left hand corner of the home page.

For additional information on how you can help, visit HOPE Responds to Hurricanes Gustav and Ike (http://www.operationhope.org/smdev/pressrelease2.php?id=1524).

COMPREHENSIVE LIST of ANIMAL RESOURCES IN DISASTER ZONES FROM HURRICANES IKE AND GUSTAV; NATIONWIDE DATABASE USING FLICKER SO OWNERS CAN ID THEIR PETS FROM HOME

HELP REUNITE EVACUEES WITH THEIR PETS *

There is an online group that helped reunite well over one thousand animals with their families after Katrina. We fear that a crisis is also developing with Ike, not only with the people who have lost homes, electrical power and things like water and phones and communication that we depend on, but also with those animals who were left in the expectation that Galveston would be reopened and who are now in need of food, water, and possible medical attention. To restore an animal to its family is to restore love to the heart of people who have learned the hard way what is important to them.

Please consider volunteering online with the Stealth Volunteers to collect information on lost and found animals in the Ike–affected areas and to reach out and educate people on the best way to find pets or owners.

Please respond to stealthvolunteers@yahoo.com

HURRICANE SANDY: OPERATION BLESSING PREPARES DOMESTIC DISASTER RELIEF TEAM IN VIRGINIA

Group Will Pre-Stage In Virginia Beach In Case Local Effort Needed, With Eye To The North

VIRGINIA BEACH, VA (October 26, 2012) - The domestic disaster relief team of Operation

Blessing International (OBI) is preparing for relief efforts as Hurricane Sandy sets its course on the East Coast.

The team is pre-staging equipment, staff and supplies at its Virginia Beach headquarters in case relief efforts are needed in the Hampton Roads area, with the possibility of a deployment in the north should that be needed. The equipment includes:

--Mobile Kitchen – Capacity to feed approx. 2,000 meals per day with enough provisions on board for 6,000 meals before new supplies are needed
--Mobile Command Center with communication technology such as VHF radio, satellite,
satellite news feed, and a base of operations for the team
--2 Construction Trailers with tools and safety equipment to equip our construction foremen and volunteers with the tools needed for debris removal, tarping roofs, flood clean-up and gutting homes
--Box Truck with 100 cots, tarps and firing strips for 50 homes, water, MREs, and kerosene
heaters
--CAT 924 Loader for debris removal
--100 heaters in the event that cold weather comes in during power outages
--OBI's fleet of Semi-Trailer Trucks (75 trailers and 18 power units) from its Hunger Strike force are also standing by and will be utilized as needed
--Shower Trailer for volunteers

The team, under the direction of Jody Herrington-Gettys, director of U.S. disaster relief, will monitor the storm over the weekend and decide on Sunday where to deploy based on the projected track of the storm. "Our first priority is to serve the Hampton Roads community," said Herrington-Gettys.

Should deployment be needed further north, however, OBI has already planned with partner organizations in NY, NJ and Rhode Island.

Operation Blessing's Haiti office is currently responding to massive flooding in that country after then-Tropical Storm Sandy dumped upwards of 12 inches of rain. Today, OBI will deliver food, water filtration units, chlorine, and toiletries to 55 families that lost their homes due to severe flooding along the river Grise near Croix de Mission, Haiti.

2010 Chile Earthquake
http://www.salvationarmynw.org/news/articles.asp?StoryID=850

Immediate Salvation Army response to devastating earthquake in Chile

Following a devastating 8.8 magnitude earthquake in Chile during the early hours of Saturday morning, Salvation Army emergency Services were immediately mobilized to provide support and comfort. International financial assistance is already on the way. The Salvation Army has had a presence in Chile since 1909 and today offers social services including hospitals, schools for impoverished children and adult rehabilitation.

The immediate response is to provide food, water, first aid kits, emergency packets, blankets, candles and other urgently required supplies. A recently arrived mobile canteen (a donation From The Salvation Army in the United States) is one of the key relief vehicles.

Donors can visit www.salvationarmyusa.org to make a donation to support ongoing relief efforts in Chile. Also, they can text the word "chile" to 52000 to make a one–time $10 donation billed to their cell phone account.

The Salvation Army personnel on the ground has placed tents to house 60 displaced families on the grounds of a Salvation Army center near Concepcion. Salvation Army officers are traveling from Puerto Montt and Osorno, in Southern Chile, to Concepcion to join The Salvation Army emergency relief response team.

The earthquake epicenter was approximately 90 miles North west of the city of Concepción in Southern Chile. This is approximately 350 miles from the capital of Santiago. Nevertheless, according to officials on the ground, the quake was of a 7.0 magnitude in the Santiago metropolitan region.
People have flocked to the streets as numerous aftershocks continue to pummel the country, severely affecting older buildings in the more historical areas of the larger cities.

The Salvationists I met have no unusual skills or training that distinguish them from many others. They do have, though, a commitment to dash in, and remain in, places where the natural instinct would be to flee. They soldier on. ––Kathryn Jean Lopez, Organization Trends February 2002

The Salvation Army's Disaster Services program began 100 years ago in response to a hurricane that devastated Galveston, Texas and has grown into a nation–wide network involving thousands of volunteers and trained personnel. In following with our holistic ministry, we provide services that meet the immediate as well as long term physical, emotional and spiritual needs of disaster victims.

These services include: food, shelter, grief counseling and financial assistance. Our disaster response teams are often the first to appear on the scene of a tragedy and the last to leave, making certain that the needs of all have been met.

Services offered: Services, Disaster Relief; Volunteer Opportunities, In General * (ANY/ALL Types); Volunteers, Individual Volunteers (This facility accomodates Individuals Volunteers)
Campaigns: 2005 Hurricane Katrina; 2007 California Wildfires; 2007 Hurricane Flossie; 2007 Pacific Northwest Flooding; 2008 Hurricane Gustav; 2008 Hurricane Ike; 2009 Pacific Northwest Flooding; 2010 April, Mississippi Tornado; 2010 Chile Earthquake; 2010 Haiti Earthquake; Salvation Army

Will you help fill a truck with essentials for hurricane evacuees? Feed The Children is uniquely able to take your company's donated goods directly to the people who need them most. Our unique network of warehouses, coupled with our fleet of 18–wheelers, makes it possible to connect donor companies to the intended recipients. Because the need is acute, and our trucks are on the road 24 hours a day during and after crises like Hurricanes Katrina and Rita, we are asking for full truckloads of relief supplies at this time. For more than 25 years, Feed The Children has been caring for America's poor and hungry children and their families. So in times of natural disaster we are already positioned, equipped, and trained to make every donated item count.

This is what we do 365 days a year, every year. Because we never forget donor intent or recipient need, we operate at exceptionally high efficiency and coordinate our efforts with Federal, state, and local governments as needed. Our national and international experience also earns us the trust of the Army and National Guard who play important roles in times of crisis.

If you would like to help, complete a brief online form and we will call you. On behalf of America's families, thank you.

If you are interested in doing any type of special project for Feed The Children, or discussing an ongoing project:

Oklahoma City, Oklahoma 73101–0036

How gifts in kind are used

Feed The Children receives product donations from many of America's largest packaged good companies for use in providing relief to underprivileged children and their families.

We pick up truckload donations from corporate warehouses and transport them to one of our regional distribution centers located in Ontario, CA; Nashville, TN; Oklahoma City, OK; Houston, TX; Elkhart, IN; and North Brunswick, NJ.

Typical commodities appropriate for donation are food and beverages, nutritional, personal care, household goods, medicine and medical supplies, new clothing, educational supplies, toys and construction materials.

Some of the donations are distributed in bulk. Others are processed into individual relief boxes weighing about 25 pounds. Each box typically contains canned and non–perishable food items or personal care and hygiene items, and a toy or book.

Feed The Children never charges fees to recipients at any step in the process.

Services offered: Demographic Served: Children; Demographic Served: Families, w/Young Children; Demographic Served: Survivors, Natural Disaster Impacted Communities; Distribution * (ANY/ALL Types); Distribution, Supplies, National Distribution of Supplies; First Responder, Gulf Region; First Responder, MidWest Region; First Responder, Nationwide (All U.S. Regions); First Responder, Worldwide; Food Distribution, Emergency/Disaster Food Distribution; Food, Distribution, Emergency Food Program; Food Distribution, Food Bank (This Site Supplies Food Pantries/Agencies); Services, Disaster Relief; Support for "All" Disasters; Transportation, Transportation Assistance, Volunteer; Vehicle, Truck * (ANY/ALL Types); Volunteer Opportunities, International

2012 HURRICANE SANDY –

Response to Sandy

We express gratitude to the several volunteers who have already offered to serve, however, right now, all response efforts for Hurricane Sandy remain to be in the emergency and rescue stage.

UMVIM will continue to communicate via email, Facebook posts, and Twitter any news that we receive. Rebuilding is a long and arduous process. We will continue to keep those affected in our prayers and ask that you do the same.

UMCOR Cleaning Buckets:

We encourage churches, mission groups, and individuals to spend a day creating cleaning buckets. The need for cleaning buckets and also school kits are currently being requested by the Northeastern Jurisdiction and UMCOR staff. Instructions can be found at www.umcor.org

PREPARE –
Cleaning Buckets or School Kits

For more information for shipping, please email our office or contact your Annual Conference. Several Annual Conferences will have collection points set up and we can connect you with those contacts.

Regional contacts:

INFO From website:
http://new.gbgm-umc.org/about/us/mv/programs/disasterresponse/

The first contact point for volunteers after a disaster is the United Methodist Committee on Relief (UMCOR) Volunteer Hotline, 1-800-918-3100. Your name will be registered to receive information on volunteering at a site. You will be contacted as the area is able to receive volunteers.

Disaster Relief Link:
http://www.umvim.org/Disaster_Response.htm

Update on hurricane relief:
http://new.gbgm-umc.org/umcor/work/emergencies/ongoing/hurricane2005/

For the latest information on breaking Disasters see the UMCOR Hotline.

Disaster areas that receive volunteer teams for long term recovery require sufficient time to assess damage and coordinate a response. Potential teams must be patient in the early stages of disaster, as the only persons allowed into such areas are Emergency Management Agency and certified personnel and law-enforcement officials.

The first contact point for volunteers after a disaster is the UMCOR Volunteer Hotline (800) 918-3100. Your name will be registered to receive information on volunteering at a site. You will be contacted as the area is able to receive volunteers.
