In Broward County, the American Red Cross has designtated 12 regional hurricane shelters and several special needs shelters. In event of a storm, more shelters may be assigned as needed.

Broward insists on advance registration for the special needs shelters and does not publicize their locations because the county determines in advance which people with disabilities can be served at standard shelters, special shelters or at a hospital. The phone number to register for Special Needs Evacuation in Broward is 954–537–2888.
