Web www.petfinder.com/shelters/IN93.html
Hours Monday – Friday 9 a.m. to 5 p.m.
Serves Anderson
Service Temporary

You must sign an adoption contract to have the pet spayed or neutered within a specified amount of time. The amount of time allowed will depend on the animal's estimated age at the time of adoption.

There are several other specifications that are on the contract. Including notification of the shelter if your address changes, you must return the pet to the shelter if it doesn't work out, etc. Please make sure to read the contract thoroughly before signing the agreement.

It is $30.00 to adopt a cat, dog or puppy. Kittens are available for $15.00. These fees reflect vaccinations, deworming and medical tests such as heartworm for canines and feleuk/fiv for felines. You must also purchase a city license if you live in the city of Anderson.

All pitbulls, amstaffs and all purebred dogs/cats will be spayed or neutered before going home after an adoption. The cost of the spay/neuter must be prepaid. New owner will be responsible to pick up the adopted animal at the vet clinic used.

It is suggested that you take your new pet to the vet as soon as possible after adoption to make sure that they are healthy.

Three Things You Can Do To Make a Positive Change For Homeless Shelter Animals!

ADOPT OR RESCUE the next time you choose to add a new pet to your family. When you buy from a pet shop you are encouraging puppy mills to produce more puppies that will add to the pet overpopulation problem that already exists. SAVE A LIFE! Shelters and rescue organizations always have pure–breeds in addition to loving and wonderful mixed breeds.

SPAY AND NEUTER Every Pet That You Have. Please don't add to the existing pet overpopulation problem. Millions of homeless animals housed in US Shelters die each year due to the lack of responsible owners. SAVE LIVES! SPAY AND NEUTER YOUR PETS! Look for low cost spay and neuter services at www.indiana–paw.com

KEEP YOUR PETS for Their Entire Lifetime! Choosing to own a pet is a lifetime commitment. Honor your promise to love and provide a safe and healthy life for the pet you choose. When challenges arise such as family structure change, moves, pet behavior issues, heath or financial change, seek out the resources that can help keep you and your pet together. Animals are living beings that bond with you, offering a lifetime of unconditional love
