Metropolitan Ministries faithfully reaches out to poor, hungry and homeless men, women and children in their time of need ? providing life–changing answers.

Within our care, people find food, clothing, shelter and other vital services. But more importantly they find compassion and hope ? hope for a brighter day and future.

The need in our community continues to grow, as it has since the Ministries began in 1972, and the Ministries? commitment continues to grow as well.

We are committed to reaching out and providing answers that:

help prevent homelessness
ease hunger
offer life–changing answers leading to self–sufficiency
support to transition back into our community
