Article 29 Organization (A29) is an international development and relief organization that creates substantive change in the lives of poor people in the domains of education, public health, sustainable agriculture, access to water, reforestation, women's rights, and areas where economic or social rights are implicated. Through community empowerment, advocacy, and policy analysis, and in partnership with individuals and groups in Haiti, A29 works to eliminate all forms of violence, especially poverty.

Article 29 Organization is the local contact for health clinics in the second section of Commune Anse Rouge, including clinics in Lagon, La Source Chaude, and Coridon.
