HURRICANE SANDY RESPONSE 10/12:
http://www.nechama.org/index.php/news/85-nechama-takes-action-responds-to-sandy

Hurricane Sandy has dramatically impacted the Mid-Atlantic region of the United States. NECHAMA staff will arrive in the NY & NJ area later today. We will begin assessing cleanup needs and meeting with local partner organizations once first responders and utility crews have secured the affected communities.

We will work as rapidly as possible to determine where NECHAMA can be of service and then establish a base of operations. At that point we will provide details on how to volunteer with us on the ground. NECHAMA has deployed a disaster response trailer from our headquarters in Twin Cities, MN to support this effort.

Though we are still gathering info and working the logistics regarding volunteer opportunities, you can register your interest and availability via this webform:

https://docs.google.com/spreadsheet/viewform?formkey=dDZjcFNjeklFOGptZWNiQmJ0by0yUXc6MA#gid=0

Please donate. Your gift strengthens our ability to quickly bring critical aid and comfort. We will provide additional updates as our response to Hurricane Sandy develops . Thank you for your support of NECHAMA and your generous donation to support these efforts.

2012 HURRICANE ISAAC –
http://www.nechama.org/index.php/news/71-hurricane-response-volunteer-opportunity

Initially we are focused on assisting Jackson County and other hurricane-affected communities in southern Mississippi with flood cleanup, clearing damaged trees, and temporary roof repairs. These volunteer services offered by NECHAMA will support ongoing recovery efforts across Southern Mississippi. NECHAMA continues to be in regular contact with our voluntary organization partners working in Louisiana and anticipates assisting communities there as well.

We are planning on working in Mississippi and Louisiana until Sept. 14, 2012. We have established a base of operations in Biloxi, MS, a coastal community with a history of welcoming volunteers from across the country. If in the coming weeks there are still pressing needs to be addressed and if we are able to raise funds to stay longer, we will consider extending our deployment.

Heavy Rainfall
June 20th, 2012

We are looking into reports of 6+ inches of rain overnight & flash flooding in Duluth, MN area. Mostly reports of road damage thus far. We will update our Facebook page and website as we know more.
