Email from PIH/ZL through HEAS 11/8/10:

Hi all,
As of last night we had 48 patients hospitalized in Hinche at the CTC at hospital St Therese that the MSPP is running in collaboration with Partners In Health, J/PHRO, and Medishare. We have had a steady stream of new cases, with approximately 20 a day being discharged and 20 new admitted.

11/02/2010
Haiti: Operational Biosurveillance

Cholera Outbreak: Maissade–Hinche Area
A Cholera Treatment Center (CTC) is being stood up in response to the abrupt presentation of 40 patients beginning two days ago to the hospital in Hinche from the Maissade region. MSPP is engaged with PIH, JPHRO, Medishare, and others, and the Hinche CTC will be operational by tomorrow. The Mirebalais CTC should be ready by Thursday or Friday.
