Hurricane Helene [2024] response: https://www.americares.org/crisis–alerts/us–hurricane–helene/

Americares: Americares focuses on medical aid, helping communities recover from disasters with access to medicine and providing personal protective equipment and medical supplies. To help Hurricane Helene victims, Americares has set up a donation page.

source: https://eu.statesman.com/story/weather/hurricane/2024/09/27/hurricane–helene–how–help–victims–relief–organizations–charities/75412916007/

Gaza Response: https://www.americares.org/emergency–program/israel–gaza–war/

FROM THE SITE 10/28/12 (LTEL):

As Hurricane Sandy blasts its way north from the Caribbean, where it claimed more than five dozen lives, AmeriCares stands prepared to rush emergency aid and, if needed, deploy relief workers to areas hardest hit by the oncoming storm.

Our U.S. and ER teams have reached out to 130 response partners in several states to assess potential needs and will be in continued contact as the storm progresses. In the meantime, our stock of targeted medicines and supplies is positioned for immediate shipment, with special focus on chronic care meds, first aid, water, family emergency kits, and other relief supplies.

“This storm is going to affect the densely populated Eastern seaboard, and is likely to cause significant damage to homes and businesses and disrupt transportation systems,” said Garrett Ingoglia, AmeriCares vice president of emergency response. “This is going to be a very serious storm, and we are ready to help in any way we can.”

The monstrous, Category 1 storm is predicted to make landfall on the mid–Atlantic shore on Monday, October 29, merging with a powerful cold front as it pounds its way northward and inland. Damaging 60–80 mph winds, torrential rains, dangerous storm surges, flooding, heavy snow in higher elevations and widespread power failures are expected. Officials estimate that the slow–moving system could affect 50–60 million people from the East Coast to the Great Lakes.

A state of emergency has been declared in 8 states, and mass evacuations ordered in many coastal areas. The New York City mass transit and subway system are closing at 7:00 pm October 28 in anticipation of the storm's wrath.

Hurricane response continues in Haiti
Regardless of the hurricane's track, preparation is essential for people living in the storm’s path.

In Haiti, where the storm caused severe flooding this week, AmeriCares responded swiftly with deliveries of cholera treatment and prevention supplies. The Haiti team also prepared hundreds of family emergency kits with disinfectants, cleaning products and first aid supplies, and replenished a dwindling stock of emergency medicines at a major hospital in Port–au–Prince.

Support AmeriCares relief efforts as we prepare for and continue to respond to Hurricane Sandy.

/// Occupy Sandy ///
Hey all —

The tornado that hit Oklahoma earlier this week has left a 17 mile long and 1.5 mile wide path of devastation. Over 90 people lost their lives and 3000 homes have been destroyed.

You can help from NY!

We will open our Occupy Sandy Staten Island warehouse to drop off donations for Oklahoma. We will accept donations until noon Saturday, when a tractor trailer will be packed to leave at 3pm. Supplies will be delivered to locations identified by #OpOK Relief, Occupy Norman and Occupy OKC.

Unneeded supplies will be turned away (no clothing!!).

Occupy Sandy Staten Island Unity Hub

551 Midland Avenue (corner of Freeborn)

Staten Island, NY 10306

occupysandystatenisland @ gmail.com

347-201-0670

Drop off hours:

Friday: 10am – 4pm

Saturday: 9 am – 12 noon (sharp!).

Here is a list of the items that will be accepted:

Infant Formula
Baby Food
Diapers and Wipes
Water
Gatorade

Non–Perishable Food
Protein Bars
Chainsaws
Generators
Axes
Hammers
Heavy Work Gloves
Five Gallon Buckets
Heavy Duty Trash Bags
Face Masks
Sunscreen
Boots
Toiletries
Baby Food
Disposable diapers
Bleach
Mops
Phone chargers
Power strips
Extension cords
Small riding luggage
Cleaning Supplies
Dog treats
Blankets for animals
Fresh pillows
depends (XL)
new underwear
lysol wipes
baby powder
baby spoons
itch ointment
chapstick
spray deodorant
clorox wipes
washcloths
tampons
razors
garbage bags
shaving cream
body wash
floss
mouth wash
hand soap
Infant Formula
Baby Food
We need volunteers on Saturday 5/25 from 9am to help packing, and the following packing supplies:

extra large moving cartons
shrink wrap
tape
magic markers
pallets
Call 347–201–0670 or email occupysandystatenisland @ gmail.com with any questions.

Thank you!

Occupy Sandy Staten Island

Feed the Children (Distribution Points (GET SUPPLIES), Meals, Donation Collection, etc)

Walk–in Resource · Open

Various, OK

Service Temporary

Feed The Children has set up a distribution point at the Multi–Agency Relief Center at Little Axe Schools, 2000 168th Ave. NE in Norman. On Sunday, the organization conducted a large distribution beginning at Platt College, 201 N Eastern Ave., in Moore.

Also, six locations are now accepting donations: Feed The Children McCormick Distribution Center, 29 N McCormick; First Baptist Church, 1201 N Robinson; Faith Church, Interstate 40 and Portland Ave.; Thermal Windows, 6405 NW 23, Bethany; Cornerstone Church, 9900 SE 15, Midwest City; Fox & Hound Restaurant, 3031 W Memorial Road.

Items that will be accepted at these locations are diapers, canned goods, nonperishable food and snack items, water and sports drinks. Monetary donations are also welcome. To donate to Feed The Children in other ways, call (800) 627–4556, go online at www.feedthechildren.org/disaster, or text “DISASTER” to 80888.

Convoy of Hope Oklahoma Tornado Response @ Crossings Community Church

Walk–in Resource · Open

2208 W Hefner, OK

Service Temporary

Crossings Community Church, 2208 W Hefner, is now a donation site for bottled water and energy/sports drinks; nonperishable items, including protein and granola bars, diapers and work gloves. Drop off items between 7:30 a.m. and 7 p.m. weekdays. Also, financial donations can be made online at crossingsokc.org/giving. Sign in or create an account, select “missions” and then select “disaster relief fund” to send your donation directly to tornado relief.

Crossings is also working with The international humanitarian relief organization Convoy of Hope, which has sent a team to Moore with supplies from its World Distribution Center in Springfield, Mo., and is accepting additional items at Crossings' south Oklahoma City location at 8900 Shields Blvd. Drop off items from 10 a.m. to 7 p.m. daily. To make a contribution to Convoy of Hope, go online to www.convoyofhope.org. Donate $10 via cellphone by texting the word CONVOY to 50555.

Caitria, thanks for all your work, the site looks fantastic.

FYI that we have published a map with shelters, traffic, weather, and other info for the tornado:
http://google.org/crisismap/2013–oklahoma–tornado

Feel free to share that link broadly, or share your modified view of the map using the Share button. You are also welcome to embed the map on the site if you want (see embed code behind Share button). Let me know if you have any questions about that.

Let us know if it's useful, or if you're aware of other datasets which would be helpful to include on the map.

Thanks, –Christiaan

Important Links:

Other helpful links for victims:

**Drive only if necessary and avoid flooded roads and washed out bridges. Stay off the streets. If you must go out watch for fallen objects; downed electrical wires; and weakened walls, bridges, roads, and sidewalks. Keep away from loose or dangling power lines and report them immediately to the power company.

**Walk carefully around the outside your home and check for loose power lines, gas leaks and structural damage before entering.

**Stay out of any building if you smell gas, floodwaters remain around the building or your home was damaged by fire and the authorities have not declared it safe.

**Inspect your home for damage. Take pictures of damage, both of the building and its contents, for insurance purposes. If you have any doubts aboutsafety, have your residence inspected by a qualified building inspector or structural engineer before entering.

**Use battery-powered flashlights in the dark. Do NOT use candles. Note: The flashlight should be turned on outside before entering - the battery may produce a spark that could ignite leaking gas, if present.

**Watch your pets closely and keep them under your direct control. Watch out for wild animals, especially poisonous snakes. Use a stick to poke through debris.

**Avoid drinking or preparing food with tap water until you are sure it's not contaminated.

**Check refrigerated food for spoilage. If in doubt, throw it out.

**Wear protective clothing and be cautious when cleaning up to avoid injury.

**Use the telephone only for emergency calls.

**NEVER use a generator inside homes, garages, crawlspaces, sheds, or similar areas, even when using fans or opening doors and windows for ventilation. Deadly levels of carbon monoxide can quickly build up in these areas and can linger for hours, even after the generator has shut off.

Feed The Children has set up a distribution point at the Multi-Agency Relief Center at Little Axe Schools, 2000 168th Ave. NE in Norman. On Sunday, the organization conducted a large distribution beginning at Platt College, 201 N Eastern Ave., in Moore.

Also, six locations are now accepting donations: Feed The Children McCormick Distribution Center, 29 N McCormick; First Baptist Church, 1201 N Robinson; Faith Church, Interstate 40 and Portland Ave.; Thermal Windows, 6405 NW 23, Bethany; Cornerstone Church, 9900 SE 15, Midwest City; Fox & Hound Restaurant, 3031 W Memorial Road.

Items that will be accepted at these locations are diapers, canned goods, nonperishable food and snack items, water and sports drinks. Monetary donations are also welcome. To donate to Feed The Children in other ways, call (800) 627-4556, go online at www.feedthechildren.org/disaster, or text "DISASTER" to 80888.

Science Museum Oklahoma, 2100 NE 52, is serving as a drop-off point for relief donations, including bottled water, Gatorade-type sports drinks, diapers, baby wipes, baby formula and canned foods at the museum box office during operating hours. Hours are 9 a.m. to 5 p.m. weekdays, 9 a.m. to 6 p.m. Saturdays and 11 a.m. to 6 p.m. Sundays.

For more information, call 602-6664 or www.sciencemuseumok.org.

The Tuttle FFA is having a donation drive from noon to 5 p.m. Sunday in the old Williams parking lot on Main Street. People are asked to bring bottled water, Gatorade, diapers, work gloves, baby wipes, individually wrapped snacks, baby formula, hand towels and nonperishable items.

Crossings Community Church, 2208 W Hefner, is now a donation site for bottled water and energy/sports drinks; nonperishable items, including protein and granola bars, diapers and work gloves. Drop off items between 7:30 a.m. and 7 p.m. weekdays. Also, financial donations can be made online at crossingsokc.org/giving. Sign in or create an account, select "missions" and then select "disaster relief fund" to send your donation directly to tornado relief.

Crossings is also working with The international humanitarian relief organization Convoy of Hope, which has sent a team to Moore with supplies from its World Distribution Center in Springfield, Mo., and is accepting additional items at Crossings' south Oklahoma City location at 8900 Shields Blvd. Drop off items from 10 a.m. to 7 p.m. daily. To make a contribution to Convoy of Hope, go online to www.convoyofhope.org. Donate $10 via cellphone by texting the word CONVOY to 50555.

Oklahoma State University's Parking and Transit Services will be accepting donations from 7 a.m. to 7 p.m. through Friday in the parking lot at the intersection of Hall of Fame and Washington in Stillwater. Water, nonperishable food items, diapers, toiletries, snack foods, work gloves, Gatorade, sunscreen, baby wipes, hand sanitizer, ibuprofen, shovels, rakes and buckets are needed. No clothing is needed. All items will be donated to the American Red Cross. For more information, call (405) 744-6260.

The Oklahoma City Repertory Theatre will solicit donations for disaster relief during its run of "Greater Tuna," scheduled through June 16 at the Civic Center Music Hall's Freede Little Theatre, 201 N Walker. For more information, call 848-3761.

Toy Base 10, 4028 NW 10, and Vintage Stock, 7407 N May, are collecting toys for those displaced by the Moore tornado. Toy Base 10 is open from 1 to 5 p.m. Wednesdays through Saturdays. Vintage Stock is open 10 a.m. to 9 p.m. Mondays through Saturdays and noon to 7 p.m. Sundays.

Quail Springs Baptist Church, 14613 N May, is requesting donations of water, Gatorade, wipes, individually wrapped snacks, hand sanitizer, diapers, baby formula, hand towels, work gloves and sunscreen. Items can be dropped off on the north side of the building. Checks can be made payable to QSBC Storm Relief. For more information, call 755-9240.

The Oklahoma City Ballet, 7421 N Classen, is accepting donations of baby wipes, paper towels, gallons of water, individually wrapped snack and food items and work gloves. Drop-off hours are 9 a.m. to 5 p.m. weekdays. Donations will also be accepted from 6 to 9 p.m. Thursday at Oklahoma City University, 2501 N Blackwelder. For more information, call 848-8637.

The City of Yukon is accepting donations to help Moore tornado victims at the Yukon Police Department, 100 S Ranchwood Blvd. Bottled water, Gatorade, baby wipes, diapers, baby formula, hand towels, individually wrapped snacks, work gloves, shovels and dog food can be dropped off 24 hours a day through May 31. Checks will also be accepted. For more information, call 354-1711 or go to www.cityofyukonok.gov.

Rose State College's Office of Student Activities is accepting donations of bottled water, canned goods, diapers, sports drinks and nonperishable food items at 6420 SE 15 in Midwest City. Monetary donations will be forwarded to the Oklahoma Red Cross. For more information, call 733-7458.

The Oklahoma Farm Bureau and Affiliated Companies' main office at 2501 N Stiles, is accepting donations for those affected by the recent tornado. Items needed are bottled water, sports drinks, paper towels, disinfectant wipes, individually wrapped snack food, diapers, baby formula and work gloves. A trailer on the office's west side will accept donations for as long as needed. For more information, call 523–2347.

Plaza Mayor at the Crossroads, the former Crossroads Mall, 7000 Crossroads Blvd., has opened its doors to organizations working to provide supplies to those displaced by the Moore tornado. In addition to being a command post for the Red Cross, and a delivery, sorting and distribution point for the Salvation Army, Plaza Mayor is accepting donations at the mall's southwest corner near the old J.C. Penney loading dock. For more information, call 631–4422.

The Kerr Foundation, working with volunteers Laura Ogle and Christy Coyle with a new organization called XO, is collecting professional clothing for women affected by the tornadoes. The group will accept blouses, dresses, pocketbooks and other wardrobe items for women preparing to return to work after losing their wardrobes in the weather disaster. The group will pick up items or you can drop them off at 12501 N May or On a Whim at Classen Curve. For information, call 209–4777.

Graceway Baptist Church, 1100 SW 104 (www.gracewayokc.org), will serve as a drop–off location for donations of bottled water, ready–to–eat food items, ibuprofen, adhesive bandages, gloves, batteries and hand sanitizer.

Infant Crisis Services needs basic necessities for families with babies and toddlers affected by the tornadoes.

The agency is requesting items from its disaster relief wish list, which includes: Good Start Gentle formula, Good Start Soy formula, diapers (sizes 1–6), wipes, sippy cups, bottles, baby wash and blankets or quilts. All in–kind donations received in the coming weeks will be used to give direct and immediate support to babies and toddlers affected by the May 20 tornado.

Those interested in participating in the relief efforts should drop off items from Infant Crisis Services' wish list at the following locations: Infant Crisis Services, 4224 N Lincoln Blvd., Kelly–Moore Paint Company, 108 24th Ave. SW, Norman; Platt College, 2727 W Memorial Road; Upsy Daizy, 6930 Northwest Expressway; Collected Thread, 1706 NW 16; and all Oklahoma City metro Sprint locations.

Environmental Management Inc. in Carney has set up a donation drop–off at its facility at 5200 NE State Highway 33 for items needed in Carney, where 37 homes were demolished and about 60 others are damaged.

Current needs are: leather work gloves, shovels, rakes, Gatorade and contractor trash bags. They do not need water or clothes.

Cherokee Hills Christian Church, 6228 NW 39 in Bethany, is a donation receiving center for work gloves, bottled water and Gatorade. Donations are also being accepted there. Make checks to CHCC and put “tornado relief” in the memo.

Oklahoma City University has organized several relief efforts, including some to benefit about 20 members of the OCU community affected by the storms. Ongoing efforts and ways to help are listed at www.okcu.edu/relief. Items to aid victims can be dropped off at OCU's Kramer School of Nursing East in the student lounge located at NW 27 and Blackwelder Avenue between 7 a.m. and 8 p.m. weekdays. Donations needed as part of this student–led effort include nonperishable food, bottled water, sunscreen, work gloves, dust masks and flashlights.

As Catholic Charities, Archdiocese of Oklahoma City, mobilizes for long–term disaster recovery in Carney, Little Axe, Moore, Shawnee and other areas affected by the recent tornadoes, the organization is in need of donated 10–gallon storage tubs. The tubs, which will be used for recovering possessions lost in the storms, can be delivered to Catholic Charities' main office in Oklahoma City, 1501 N. Classen Blvd.

Catholic Charities is open Monday to Friday from 8 a.m. to 4:30 p.m. Catholic Charities' Disaster Recovery Services offer aid to Oklahomans with immediate and long–term needs during the recovery process.

To learn more about or make a monetary donation to Catholic Charities' Disaster Recovery Fund, visit www.catholiccharitiesok.org or call 523–3000.

The Southgate Baptist Church at 740 SW 4 in Moore is seeking items to help with relief efforts: body soap, adult socks, children's socks, underwear of all sizes, men's shoes, hand sanitizer, wipes, plastic bins, denture cream, work gloves, towels and washcloths, heavy–duty trash bags, sun block, aloe vera, water, Gatorade, deodorant, feminine hygiene products, push brooms, rakes, shovels, basic medical supplies.

For information, call Sarah Marshall at 627–0558.

Operation BBQ Relief has mobilized a disaster response team to Moore to serve meals to displaced families, emergency workers and volunteers. The group is currently stationed at Hillsdale Baptist College, 3701 S Frontage Road, in Moore and needs donations and volunteers. Donations can be made online at OperationBBQrelief.org. To register to volunteer, go to the charity's Facebook page at Facebook.com/OperationBBQRelief. Donations needed include aluminum foil, aluminum pans, extra–large disposable Nitrile gloves, three–compartment clamshell containers, flatware combo packs, gallon–size cans of vegetables and beans, and meat (such as chicken and pork butts).

DonorsChoose.org partners with Sooner and Quail Springs malls to help rebuild Moore schools. DonorsChoose.org will use donations to fund classroom recovery projects for critical supplies, such as clothing, food, books, therapy resources, teaching materials, technology and classroom furniture. Visit www.donorschoose.org/OKschools to support the effort.

Uptown Kids at The Classen Curve has established a children's clothing drop off location. Bring items to 5840 N Classen Blvd, Suite 3, and the store will get them to the Red Cross and other organizations.

RescueNet, an international disaster relief team, is working with Emmanual Baptist Church in McLoud to help victims of the Shawnee tornado by serving meals, distributing items and dispatching cleaning crews. The group needs baby items, water, gift cards, fuel donations and more. For information, go to the church, 16901 S Fishmarket, or call 273-0040.

The Oklahoma City-County Health Department is asking that medical personnel and others who want to volunteer to help with disaster relief in the OKC-Moore area to go to the Oklahoma Medical Reserve Corps (OKMRC) website at www.okmrc.org.

OKMRC is designed to bring together different healthcare-related organizations and members of the community, including physicians, nurses, public health workers, and other medical professionals. In addition, volunteers without a background in medical training are needed.

To volunteer, go to www.okmrc.org and click on “OKMRC Inquiry” and click on the opportunity link for more information about volunteering.

The Moore Tornado Recovery Task Force is accepting bulk item donations from 8 a.m. to 7 p.m. daily. Bulk and corporate donations arriving in semi-trailers need go to the Lloyd Noble Center located at 2900 S Jenkins Avenue in Norman. Trucks will exit off of Interstate 35 onto Highway 9 East at exit 108A and proceed to Jenkins Avenue. Signage will direct drivers to where staging area is located.

Give the task force 24-hour notice about item delivery by calling (866) 484-3500 to tell what items you are bringing and estimated time of arrival.

If you want to help support the hub of volunteers and distribution at Journey Church in Norman, go online to helpmoorerebuild.com to sign up for shifts. The site also will accept donations for long-term recovery needs.

Hurricane Helene response:

Direct Relief: Direct Relief brings long–term medical aid specifically needed by local officials and agencies. The organization has just made more than $74 million in medicines and medical supplies available for healthcare providers in the path of Hurricane Helene, according to an email. You can donate to their general fund or choose Hurricane Helene Response in the dropdown at their donation page.

source: https://eu.statesman.com/story/weather/hurricane/2024/09/27/hurricane–helene–how–help–victims–relief–organizations–charities/75412916007/

5/23/2013: From DRI Blog
Relief's Emergency Management Team landed in Oklahoma last night to assess the needs of healthcare partners responding to the deadly tornadoes. The team is reporting that severe thunderstorms soaking the town of Moore are inhibiting the response to the needs of people affected by the tornadoes.

Direct Relief has sent seven emergency medical deliveries valued at over $211,000 (wholesale) to three health center sites serving people affected. Direct Relief is in contact with more than 300 clinic and health centers in storm–affected areas and more priority shipments are planned over the next several days.

Lighthouse Medical Ministries, located just five miles outside of Moore, Oklahoma, have opened their clinic to assist with the response. In the absence of typical transportation options, vans are being sent out to collect people with medical needs and bringing them to the clinic. To reduce the risk of tetanus in the aftermath of the disaster, Lighthouse Medical Ministries requested Tdap (Tetanus, Diphtheria, Pertussis) Vaccine. Donated by GlaxoSmithKline, 210 doses of Tdap vaccine were shipped immediately and delivered yesterday.

SEMO Health Network also requested and received Tdap vaccine. Direct Relief is sending today an additional shipment of personal care items, anti–inflammatory drugs, diabetes supplies, wound care, gloves, and eye care products. These items will support the deployment of a mobile medical unit to Oklahoma on Friday. The mobile medical unit was donated by Direct Relief after the tornadoes that devastated Joplin, Missouri in 2011.

Community Health Center, Inc in Spencer, Oklahoma was not damaged in the tornadoes and is providing care to people who are displaced or injured. Direct Relief has delivered Similac, Family Dental Kits, pelican cases, blankets and infant hats, and prescription medications and supplies to Community Health Center to help with their response.

Additional medical aid to five clinics are planned this week, including medications, medical supplies, personal care items, and 170 vials of Lantus insulin shipped directly from Sanofi US.

11/8/2012: From Website
International, announced today that they have joined together and established a special fund to support the patients and nonprofit health centers and clinics in areas affected by Hurricane Sandy.

All contributions to the Sandy Safety–Net Fund will be used exclusively to support nonprofit healthcare safety–net facilities and related activities in affected communities.

DRI is currently working with partners in Brooklyn, Queens, Manhattan, Staten Island, Red Hook, Rockaway and throughout New Jersey.

Jesusita Fire: Direct Relief Delivers Protective Masks to First Responders
May 6, 2009

5:50 p.m. In response to the rapidly expanding Jesusita fire, Direct Relief has furnished N95 particulate respirators at the request of local emergency response for use by responders to the Jesusita Fire in Santa Barbara County. Watch a video about our response.

The request for protective masks was made to Direct Relief Emergency Response Coordinator Brett Williams, who was meeting at the Santa Barbara County Emergency Operations Center as sundowner winds fanned the flames, forcing more evacuations. See a map of the evacuation area.

Direct Relief has a formal agreement with the County of Santa Barbara to assist in public emergencies, and Williams participates in meetings and drills routinely to ensure smooth coordination in the event of an emergency. The current situation is being described as an “extreme fire emergency.”

Direct Relief Provides $12,000 in Grants to Tea Fire Victims
100% of all Tea Fire contributions going directly to residents
January 29, 2009

Direct Relief International has approved cash grants totaling $12,000 to residents affected by the devastating November 2008 Tea Fire, which destroyed 210 homes in the foothills of Santa Barbara and Montecito. The grants are being paid with designated contributions Direct Relief received to support Tea Fire victims.

Aid recipients were identified through the Tea Fire Long Term Recovery Committee, an interagency working group coordinating assistance among local nonprofit organizations including the American Red Cross and the United Way. A caseworker hired by the committee has assisted the residents with their aid requests and confirmed the extent of their loss.

Among the grant recipients are Lance and Carla Hoffman. The couple escaped through the flames but suffered serious burn injuries that have required specialized care in Orange County since the fire. The cash grant will help them cover medical expenses, which surpass $95,000. Other grants have been approved for uninsured residents identified as being in extreme financial hardship directly caused by losses in the fire.

These cash grants were made possible by generous donors who contributed to Direct Relief's response and recovery efforts, including the leading software company QAD, based in Santa Barbara.

During the incident, Direct Relief tapped internal funds from its general emergency account to purchase and distribute thousands of protective N95 particulate masks to residents and emergency personnel. Tea Fire contributions were not used for those expenses or internal personnel costs related to the response because the organization determined the actions were the type of activities for which it raises general funds.

As a result, Direct Relief is using 100% of all contributions specifically designated for the Tea Fire for direct financial assistance to fire victims. "In all emergencies that generate restricted contributions, we believe it important to articulate very clearly how such contributions are used, including explaining our internal accounting practices," said President and CEO Thomas Tighe. "We are very fortunate to have supporters who understand that emergencies are difficult to predict and allow us the discretion to use funds as needed.

"Because of that general support to Direct Relief," he continued, "we were able to respond fast and, in this case, use every designated dollar we received to support local residents only and precisely for that purpose."

Remaining Tea Fire funds will be allocated to affected residents identified and approved through the interagency process. People affected by the Tea Fire may contact Pamela Voge, Long Term Recovery Coordinator, at the Santa Barbara Chapter of the American Red Cross to apply for assistance: (805) 687–1331 ext. 107.

QAD Makes Computer Workstations Available for Tea Fire Residents
In–kind donation supports those who lost home offices

January 5, 2009
For Santa Barbara and Montecito residents who lost their home offices in the Tea Fire, QAD has made a generous in–kind donation through Direct Relief International of temporary computer workstations at QAD's headquarters in Summerland.

Between 20 and 30 temporary workstations outfitted with Internet–accessible laptop computers will be available to applicants on a first come, first served basis. The work stations are available starting January 5, 2009, from 8 a.m. to 5 p.m. Monday through Friday. Users are asked to respect a 30–day limit per person, with laptops available for in–office use only.

To apply for a QAD temporary workstation, contact Damon Taugher at Direct Relief: (805) 964–4767, or dtaugher @directrelief.org.

Please Note: Direct Relief sends medical aid to areas affected by emergencies. We cannot send volunteers to assist with emergencies

Next C.A.R.E. Clinic will be in Washington State!
The NAFC is happy to announce the first 2011 C.A.R.E. (Communities Are Responding Everyday) Clinic!

This clinic will be held in Washington State at the Tacoma Dome on Saturday, April 30th. The NAFC is excited to bring this event to the west coast to Tacoma, WA to help the area's uninsured get free quality medical care and to get connected to the many valuable area resources available to them.

SEE BLOG for more details!

Membership Benefits

The National Association of Free Clinics is the only national non–profit whose mission is solely focused on the needs of free clinics and the populations they serve. When the NAFC was founded in 2001, the leaders envisioned a network of local free clinics brought together to create a voice much more powerful than could be realized on either a community or even a state–wide basis.
