The VBA is putting together a list of attorney volunteers willing to assist Vermonters who have suffered losses as a direct result of tropical storm Irene. If you are willing to lend a hand please fill out the volunteer form (link below) and fax to the VBA (802–223–1573) or email to Tami Baldwin at tbaldwin@vtbar.org indicating what areas of the law you would be comfortable volunteering and geographical areas you are willing to cover. Once we have a geographically diverse core group we'll get word out through press channels of the availability of legal help for those harmed by the effects of Irene. Thank you in advance for helping the VBA in its mission of "Serving the Public and the Profession."
