Eligibility Farm families that have experienced a major illness, injury or natural disaster
Service Temporary

We are a one–of–a–kind nonprofit organization that plants and harvests crops free of charge for family farmers who have suffered a major illness, injury or natural disaster. Our ability to help families on the land is 100% dependent upon some pretty amazing people – volunteers, sponsors and individual donors. They give of their time, talents and financial resources to help put a crop in the ground or harvest its bounty for families that are in crisis. Selfless acts. Selfless people. It doesn't get much better than that in our book!

Farm Rescue is fortunate to have the world's best volunteers! They come from all over the country with different talents and abilities – all with a heart of gold.

Many volunteer their services in the field operating farm equipment, while others are behind the scenes. They provide professional services, such as graphic design and accounting expertise, to help Farm Rescue operations run smoothly.

Volunteers provide their own transportation to the state where they are needed or the closest airport. We cover lodging and meal expenses.

All volunteers must have an application on file (http://www.farmrescue.org/get_involved/volunteer/volunteer_application.html) and will be contacted if needed.
