Cuba

Give to Cuba [Direct Mutual Aid]

Donor · Open

Web www.givetocuba.org
Service Temporary

from the website:

Your monetary contribution will go towards purchasing food, medicine and personal hygiene for Cuban families on the island. In addition, these donations will also help cover the cost of sending these items to Cuba via air as well as maritime transfers. Donations can also be used to recharge mobile phones and share VPN access with Cubans on the island. Your support will help amplify and connect the voices of the Cuban people through greater access to technology.

People enter their needs. People respond.

NOTE: the site isn't very well organized in that, you can't go to the main org page and find the response to a specific disaster. It's organized by "map" or "campaign". Here's the page for the 2022 Hurricane Season:

https://crowdsourcerescue.org/campaigns/view/289?scope_campaigns=289
