We always have a wonderful selection of loving pets that need a forever home. Our community depends on us just as we depend on our community to make sure great pets get out of bad situations and into the arms of great people.

With adoption, new pet parents receive a voucher for spay/neuter and rabies shot and a city license. We also offer micro–chipping for new adoptions from the shelter (and a reduced lifetime city license rate) to help keep your new loved one safe for his or her lifetime! If your new pet is already spayed or neutered, your total adoption fee is also reduced.

The total adoption costs range from $20 to $100 depending on whether your new addition to your family is a cat or dog, spayed or neutered, lives in the city, and is or needs to be microchipped.

Please don't wait to find your perfect companion and stop by our shelter, sign in, and take a look around. Uhlhorn is off of First Avenue (at the Goodwill Store) and off of Fulton Avenue (at the Corner Pocket). There is plenty of parking in our lot and on the street and we welcome you Monday through Friday from 11:00 am to 5:45 pm and on Saturdays from 11:00 am to 4:45 pm.
