AT LAST – RELIEF COMING TO FONDWA
(27 January 2010)
Sr. Kay from Leavenworth was able to get through by telephone to Sr. Carmelle in Fonwa. The Sisters are OK, but feeling the stress of their circumstances. Sr. Kay reports “good news” though!

Sr. Judy Dohner, HM (who before the earthquake lived with the Sisters in Fondwa and worked in the medical clinic there) was able to get to Fondwa with two tents (and a crew to set them up) that will provide temporary shelter for the Sisters! Sr. Judy is also arranging for additional, substantial relief to be delivered by helicopter tomorrow!!

We also heard from the good people at Heart to Heart International (KS) that they were attempting to deliver more food and water to the Sisters and others in Fondwa. Heart to Heart is the first (and so far only) relief agency that has been to Fondwa.

We expect additional news from Fondwa in the next day or so. The Sisters know that many people here are continuing to pray for them and that we love them. Let us continue to remember them and so many others in our prayers. Thank you all.

(As of January 20, 2010)

None of the reports contained specific information about the Fatima House Orphanage, and the children there or the Sisters’ Motherhouse, although one report suggests that they are also collapsed.
