2010 Gulf Oil Spill

NVOAD Sitrep 6/16/10

The Alaska VOAD has taken the initiative to hold two conference calls to share the lessons they learned from the Exxon Valdez oil spill in Alaska. The Alaska VOAD Chair and Vice-Chair have moderated these conversations which have included topics surrounding the long-term implications of an oil spill and the emotional impact on the community. The in-depth question-and-answer period allowed listeners from the Gulf Coast region to ask more specific questions of the panelists and, hopefully, prepare themselves for some of what they may face in the coming months.

AKVOAD Establishes Spring Flood Donations Management System

Anchorage, Alaska – Alaska Volunteer Organizations Active in Disaster (AKVOAD) established donation collection points in Anchorage and Eagle River. People who want to help victims of the recent flooding are asked to call one of their local Adventist Community Services (ACS) donation points and ask what items have been requested by the communities.

“Alaskans can be very generous when other Alaskans are in need. We have established a system that will ensure that when an item is donated it is delivered to someone that needs that item,” said Richard Whetsell, chairperson for AKVOAD. “One challenge of donations management is to avoid providing unneeded assistance to one community while another community goes without.”

Cash donations are the most effective way to directly help those in need. Cash donations can be made at any Alaska USA Federal Credit Union. Make donations to Donations Account 2009 Spring Flooding, Account #118722. The money will be used by the Alaska Long Term Recovery Committee, which is a cooperative effort between volunteer organizations to address unmet disaster recovery needs.

Montgomery Area Voluntary Organizations Active in Disaster
What is a VOAD - and Why?

When disaster comes, what if:

We had a plan? We knew what others were doing? We were networked and organized to respond?

On June 20th, 58 citizens representing 18 voluntary and community organizations met to form the Montgomery Area Voluntary Organizations Active in Disaster, or Montgomery Area VOAD.

A VOAD is a network that brings together all organizations (voluntary, faith-based, churches, non-profit, governmental, civic, medical community, and others) that take a role in meeting the needs of people impacted by a disaster. Our consortium of voluntary and community organizations is committed to providing effective, efficient and compassionate service to those imperiled or impacted by disaster.

The National VOAD has proven that VOADs foster cooperation, coordination, communication, and collaboration between all associated organizations responding to disaster.

We started a local VOAD because it will be community based and community sensitive, able to mobilize quickly and on the scene even before disaster declaration.

All disasters are local and local voluntary/faith based organizations are the First to Arrive and Last to Leave in providing vital services to people in need – and they are committed to stay until recovery is complete.

Montgomery area churches, faith-based groups, agencies and organizations that respond in time of individual need are encouraged to join the VOAD. Open the attached file for a membership application and survey form.

Montgomery Area VOAD is a community team that is committed to make a positive difference in the lives of survivors and evacuees.

The Montgomery Area has been a traditional destination for hurricane evacuees. Until Hurricane Katrina came we would open up shelters for three or four days and then our visitors would go back home and life would return to normal for us. Of course, we had a few interruptions when Hurricanes Opal and Ivan came, but hosting a few hundred evacuees was the typical way of hurricanes for Montgomery.

Hurricane Katrina broke the mold. More than 4,000 evacuees came to the Montgomery area and stayed for a very long time – many are still with us and some have even made Montgomery their new home. As we look ahead to this year's expected storm season we know we must prepare to receive evacuees again, likely in large numbers again. We will have shelters, hotels and motels. The VOAD is bringing together the givers and helpers to create a mosaic of response. Networked and communicating together we will work together to give an even better welcome to our visitors this year.

Who Are We?

With a grant from the McCormick Tribune Foundation, we were able to begin organizing in April. Leaders from Family Guidance Center, American Red Cross, Salvation Army, Frazer Church, EMA, DHR, Volunteer & Information Center, and United Way developed a vision, a strategy, and a plan. Our structure and operations are based on the National VOAD model. The first general meeting of the VOAD was on June 20th. Below are the organizations which have applied to join the VOAD, thus far. Numerous others are processing the applications with their various boards. Voting members are non-profit organizations; government and business partners are non-voting members.

Press Release December 2009
What is ASVOAD and why is it important to know about them?

After a period of inactivity, the local American Samoa Voluntary Organizations Active in Disaster (ASVOAD) reconstituted immediately to foster necessary services to the people affected by the tsunami–earthquake disaster of 29 September. ASVOAD began to bring in new members and opened invitations to faith–based, voluntary, and non–profit organizations to spearhead relief and recovery efforts.

The Congregational Christian Church of American Samoa (CCCAS) has established and donated administrative support for ASVOAD, providing workspace and telephone lines. The CCCAS has made available the grounds, staff, and resources of the Church to accommodate the needs of the ASVOAD. The ASVOAD meetings are generally held at the CCCAS compound which also houses the multi–agency donation warehouse (MADW) and facilitates collection, sorting and distribution of in–kind donations.

Reverend Samuelu T. Tialavea, Jr., General Secretary of the CCCAS currently serves as ASVOAD's Chairman. The remaining executive officers are Vice Chair, Mr. Jim Mahoney, President, Rotary Club of Pago Pago, American Samoa; Secretary, Mrs. Faaalu Faletoese Iuli, Executive Director, American Samoa Coalition Against Domestic and Sexual Violence; and Treasurer, Dr. Falema'o "Phil" Pili, American Samoa Community College's Chief Financial Officer.

Other volunteer staffing supporting the executive board are: National VOAD (NVOAD) Point of Contact, Mrs. Evelyn Sa'o–Stevens from the Pualele Foundation; Public Information Officer, Pastor Vickie Haleck, Founder & Executive Director, Teen Challenge; the Territorial Voluntary Agency Liaison (TVAL) & Donations Coordination Team Chair, Mrs. Easter Asi–Bruce, Program Manager, American Samoa Disaster Relief and Recovery Program; and the FEMA VAL, Mr. Charles Craig.

The unique partnerships of ASVOAD and NVOAD enables the leveraging of resources providing the capability to implement the Long Term Recovery Plan (LTRP). The italicized text in the following paragraphs are snapshots from the recently published LTRP detailing ASVOAD activities that have already been accomplished.

The Mennonite Disaster Service (MDS) and the Christian Reformed World Relief Committee (CRWRC) established a strong working relationship with the CCCAS to begin the groundwork for long–term recovery efforts. The MDS has secured housing quarters at one of the CCCAS housing units.

The Church of Jesus Christ of Latter Day Saints (LDS) responded opening their church halls as shelters. LDS members transported evacuees to nearby shelters, delivered food and water, as well as securing durable medical equipment. The LDS brought in 15 wheelchairs, 20 crutches, and 2 walkers.

FEMA supported ASG by providing a short term housing kit consisting of a two–person tent (Yurt), with a liquid fuel two burner stove, fuel container and fuel lantern and flashlights. 1200 tents were distributed to 657 families. American Red Cross (ARC) also complemented this with a cooler that contained comfort kits, work gloves, hammer and flash lights along with cots. Off–island groups distributed lots of food and supplies.

World Vision, with the Alofa Tunoa Ministries has been in the villages with donations of food, water and personal care packages. The Southern Baptist Convention Disaster Relief provided purified water at the disaster sites to families with 5–gallon water bottles; they bought the islands entire stock.

The ARC, through the national organization, brought 87 volunteers in from their Disaster Services Human Resource (DSHR) system. ARC also had Americorps volunteers' plus 273 local volunteers. ARC distributed tuna, powdered milk, crackers, spam,

sugar, flour, potatoes, onions, rice, 446 cases of dry ramen noodles, 8,721 cases of water and 99,490 snacks. Additionally, ARC strategically distributed by implementing the “Hot Shot” approach, 2,205 blue tarps, 548 sleeping mats, 12,500 trash bags, 443 empty 50–quart coolers and 120 pallets of bulk supplies from Hawaii. ARC was able to serve 65, 288 persons through its bulk distribution efforts.

Catholic Charities USA (CCUSA) also brought in volunteers to support the on–island affiliate Catholic Social Services (CSS). CCUSA also gave $10,000 to CSS.

Save the Children (STC) also distributed 270 kits of school supplies in addition to setting up Child Friendly Spaces at several locations including the DRC.

Tzu Chi Foundation (TCF) distributed debit cards to families identified by ASG. TCF provided $89,400 to 481 families. In–kind donations to various local agencies and to ASG, including food and clothes have also been distributed.

Convoy of Hope and Hands On Disaster Relief groups were on the ground assisting in the relief efforts and bridging relations with ASVOAD to help with recovery initiatives.

Feed the Children one 40–foot container and one 20–foot container, containing 672 mid–weight sleeping bags, 504 duffle bags, 2,304 four–person Coleman dome tents w/carry bag and 5,760 flashlights w/o batteries.

Five Community Resource Sites (CRS) were established in the harder hit villages by ASVOAD through coordination by CCUSA and served as points of distribution for in–kind goods to all villages. The CRS were opened for five days when first launched.

To recap, what is ASVOAD? In a nutshell, ASVOAD is comprised of a diverse and talented mix of experienced, humanitarian, compassionate Samoans anxious to help our island heal by helping to rebuild homes and lives. Why is it important to know about them? The composition of their organization, partnership with American Samoa Disaster Relief & Recovery Program and the national resources at their fingertips gives them the most strategic advance in quality expedition of implementing recovery efforts as outlined in the recently published LTRP.

The Long Term Recovery Committee (LTRC) recently formed as well as sub–committees to begin rebuilding homes and lives for our disaster survivors. Look for follow on articles pertaining to the recent creation of the LTRC and sub–committees.

The American Samoa Voluntary Organizations Active in Disaster is appealing to any families with wheelchairs, bedpans and crutches that are not being used, to please donate them for tsunami victims.

She says the organization has been able to provide for some victims but there’s still a waiting list. Today the AS VOAD is receiving 15 wheelchairs and crutches donated from Samoa. Haleck says these were arranged by the Church of Jesus Christ of Latter day Saints.

Pasor Haleck thanked the LDS church and the people of Samoa who donated the equipment even though they were also affected by the tsunami.

She said they have already lined up people to receive the wheelchairs and crutches from Samoa and they still need more. If you’re able to help please call VOASD at 699–9809 and 254–0554

FROM THE WEBSITE:

BRACE – the Be Ready Alliance Coordinating For Emergencies – is a local network for linking organizations active during disasters and interested persons. BRACE brings the community together to address emergency management issues and thus helps reduce loss of life, injury, property damage, environmental impact and economic loss due to disasters. Through fostering communication, cooperation, collaboration and coordination among a partnership of private, public and non–profit organizations, BRACE will help our community become more prepared, resilient and self–sufficient.

Who We Are

BRACE launched on March 31, 2006 with more than 200 present at Pensacola Junior College when Craig Fugate, director of the Florida Division of Emergency Management, addressed a "Culture of Preparedness" and subject matter experts presented information about preparedness, response, recovery and mitigation. Recognizing that recovery from Hurricane Ivan was delayed because of the absence of an organization focused on disaster preparedness and response, the leadership of the Long Term Recovery Committee served as a catalyst for the establishment of BRACE.

Former Gov. Jeb Bush set a budgetary priority to establish a "Culture of Preparedness" to ensure Floridians and their local governments take the necessary safety measures in preparation for hurricanes.

WHO WE ARE

"BRACE's first priority is promoting personal responsibility and self–sufficiency in times of emergency," said Greg Strader, interim executive director. "This is especially critical due to the National Hurricane Center's prediction of a decade or more of frequent and intense hurricanes."

Disaster planning and preparedness enhances the effectiveness of response and speeds recovery. Engaging all sectors of the community will provide additional resources for disaster preparedness, response, recovery and mitigation.

The Mission of BRACE is to have every individual, church, business, nonprofit and civic organization involved in ensuring that our community is able to respond to and quickly recover from any type of disaster. The Escambia County Office of Emergency Management is responsible for managing emergencies, but they cannot do it alone. There are many critical services needed to address the impacts of disaster that require the involvement of community based organizations. In partnership with Escambia County Office of Emergency Management, BRACE coordinates that involvement.

The current BRACE Program of Work includes services such as promoting personal responsibility and self–sufficiency during disasters, providing childcare to first responders (emergency management personnel) and continuing life–saving services to the homebound (persons with disabilites and frail elderly) during and after a disaster.

Become a Partner with BRACE today and find out how you can make a difference. Email us at BRACE@BeReadyAlliance.org or call 850–444–7135 for more information.

DISASTER RESPONSE MINISTRY
Adventist Community Services is on site in Southern Louisiana, seeking ways to best help those who have been affected by Hurricane Isaac. In some areas there was water eight feet deep in the houses, and it has now receded to three and a half feet. The residents have not been allowed to return home yet, some are still in shelters, while others are staying with family or friends.

Several churches and schools have asked what they can do to be of assistance. One project to help following a disaster is making a variety of supply kits. The kits help provide basic necessities to people who lack ready access to essential everyday supplies. By making these kits, a group can make a direct, tangible difference in sustaining people's lives. Below are four kits, and each description contains a list of specific items needed. Gathering and assembling kit materials as a group can be a great hands–on activity for a church, school, Pathfinder or Adventurer club, or youth group.

Minnesota Responds to Red River Valley Flooding

By Stacy Hilde, 4/15/09

In response to the major flooding in the Red River Valley of Minnesota and North Dakota, the MN Community Services Federation and Moorhead Seventh–day Adventist Church have been operating a Distribution Depot in Moorhead, MN. The facility has been generously donated by D&M Industries. The team of volunteers has been working hard to provide clean–up equipment, protective gear, and cleaning solutions to survivors. Bob Hilde, the MN ACS/DR Coordinator, and Les Morrison, Assistant Coordinator, take turns running the depot with faithful volunteers Joyce Meyer and Vicki Turner. Les Morrison was able to deliver 13 pallets of supplies to a particularly devastated area in Oakport Township on Sabbath, April 11. Les thanks God for the opportunity to serve 157 people that day, and knows he couldn't do it without the local volunteers. During the period of April 3 through April 13, 339 families representing 687 people were served in the name of Christ!

Adventist Community Services Disaster Response

NEWS RELEASE – May 23, 2011

Adventist Community Services Disaster Response (ACS DR) teams are rapidly responding to the devastating tornado that struck Joplin, Missouri yesterday. This morning, ACS DR coordinators Jody Dickhaut and Roy Weeden began surveying damage, assessing needs and identifying safe locations to begin operations. The Federal Emergency Management Agency and the state of Missouri have requested that ACS DR take the lead in collecting, sorting and warehousing donated goods that have already begun streaming into the area. Warehouse space has been identified and operations are anticipated to begin tomorrow. Goods processed by the warehouse will be delivered to disaster survivors through emergency distribution centers and by mobile distribute units.

These teams in Missouri join ACS DR teams currently responding in Tennessee, Alabama, Georgia, Arkansas, Virginia, and Alaska to provide aid to individuals affected by tornadoes, flooding and other disasters. Tons of donated goods are being processed and provide aid to thousands of individuals in need.

If you are interested in helping ACS DR and the many survivors attempting to put their lives back together, please pray for them and consider making a donation to Adventist Community Services Disaster Response.

To donate:

1) Go to www.communityservices.org,

Current Updates:
March 26, 2009

Currently, Lutheran Social Service of Minnesota is calling on congregations statewide to mobilize volunteer teams to prepare for deployment to the Red River Valley for clean–up and longer–term recovery work.

Following a significant natural disaster, Lutheran Social Service of Minnesota works in affected–areas over many months, sometimes years, to help Minnesotans in the immediate aftermath of a disaster and longer–term rebuilding recovery.

We provide case management services to help local residents navigate paperwork, access loans, make important decisions about their future and coordinate volunteer teams to rebuild homes over the long–term. Volunteers may be needed for this work in coming weeks.

Lutheran Social Service of Minnesota also trains volunteer teams to offer Camp Noah, a week–long, faith–based day camp designed to help elementary–age children recover emotionally and spiritually after a flood disaster.

Congregations that are interested in assembling a Camp Noah team or volunteering for clean–up and rebuilding recovery efforts are encouraged to sign up with us above.

Individual contributions from the community are how Lutheran Social Service of Minnesota funds its disaster relief efforts. Donations can be received online or by mailing a check payable to Lutheran Social Service of Minnesota, 2485 Como Avenue, Saint Paul, MN 55108. Please designate the gift to Disaster Relief.

Thank you for all your gifts of support as we help our neighbors in the Red River Valley.

From the NYVOAD Member Directory:

Organizational Structure

The state disaster program is coordinated through the Community Service Director with assistance of state and area disaster coordinators. Adventist Community Service Disaster Response of New York plays an important role in the NYS Donations Management Plan.

Disaster Program

The following services are provided to disaster victims, their families and communities in cooperation with the other government and voluntary disaster response agencies. Services are provided without regard to any person's race, color, language, age, religion, or gender.

1. Emergency Distribution Centers –– Drinking water, groceries, blankets, personal comfort kits, disposable diapers, cleaning supplies, hand tools, plastic sheeting, felt paper, and clothing are provided to meet the immediate needs of families. Donations of groceries, blankets, clothing and other supplies are accepted from the general public and processed for distribution by ACS volunteers and through cooperating agencies. Relief Centers are often based in community facilities such as a high school gym or church hall. At times distribution is done from mobile units.

2. Warehouse Operations –– Inter–agency "Reception Centers" for truckloads of donated goods are operated by ACS under contracts with state and local governments on behalf of and in collaboration with the other voluntary disaster relief agencies and local service organizations. Volunteers sort donations, log them into a computerized inventory for emergency managers, and re–package them for effective use by local distribution sites.

3. Donations Coordination Center –– Groups, corporations and individuals who want to provide donated goods or volunteers are encouraged to "call ahead" to ascertain the real needs and coordinate safe arrival of needed items and helpful volunteers. ACS works closely with the state emergency management agencies and FEMA when Donations Coordination Teams (DCT) Organizational

are convened. It also maintains a backup, national clearinghouse at (800) 381–7171 which operates immediately, 24–hours–a–day in any emergency.

4. Community Collection Centers – ACS works with radio stations, churches, and civic groups to gather donated goods when emergency needs exist. Its national, grass–roots network enables ACS to quickly generate supplies and help when needed. Any interested person, business or group is invited to get involved.

5. Listening Posts and Door–to–Door Visitation –– The emotional and spiritual needs of disaster victims, their relatives and neighbors are addressed by providing opportunities for them to ask questions, chat informally or request prayer and pastoral care. Door–to–door visits are designed to provide useful information about the full range of disaster services and agencies. Listening Posts are established with interfaith groups of pastors and trained lay pastoral workers.

6. Disaster Child Care –– ACS provides trained volunteers who participate in the Disaster Child Care program, an interagency collaborative project that provides temporary day care centers for victims of disasters as they deal with reorganizing their personal affairs. To maintain the security of the children in the program, all volunteers are supervised from one central registration office.

Conference Structures: There are two overlapping Adventist Conferences that cover New York State, The New York Conference (which is divided into the Greater New York Territory and the New York Conference), and the Northeastern Conference.

Greater New York Conference Territory: New York City and the Counties of Columbia, Dutchess, Greene, Nassau, Orange, Putnam, Rockland, Suffolk, Sullivan, Ulster and Westchester.

New York Conference: All remaining New York State Counties.

Northeastern Conference: All New York State

old notes:
From the NYVOAD Member Directory:

Activation of NYSVOAD

NYSVOAD recognizes the independence of each of its member organizations and does not dictate agency response. However, NYSVOAD endeavors to serve as a catalyst of cooperation and communication between each of its members.

In the event of a disaster, any member agency may request initiation of NYSVOAD response coordination. Response coordination may be accomplished through conference calls, local meetings, or electronic communications.

It is important to maintain the regularly scheduled NYSVOAD communications (i.e. monthly conference calls, executive meetings) during the disaster timeframe.
Activation of any one member organization may be done directly by that organization or may be requested through the leadership of the NYSVOAD.

Activation through NYSVOAD will ensure that all member organizations are informed of the situation. Once activated, NYSVOAD will encourage a cooperative and coordinated voluntary response.

Disaster Coordination Plan

The purpose of the NYSVOAD is to bring together organizations active in disaster services to foster more effective preparedness, response and disaster recovery in New York State. Direct service to impacted communities is provided by the member agencies of the NYSVOAD, not by the NYSVOAD itself. NYSVOAD is a coordinating agency whose goal is to enhance planning, training and communications between organizations active in disaster mitigation, response and recovery. With this in mind, NYSVOAD shall support the response to level 3 & 4 disasters, as appropriate, in the following manner:

I. NYSVOAD Officer (or designee) will report to the State Emergency Operations Center and become the liaison for all VOAD members not then represented in the EOC, and will call and facilitate a NYSVOAD meeting or conference call as soon as practical and needed to do so.

II. NYSVOAD EOC Liaison will meet with the State Donation Coordination Manager (or designee), the State Director of Human Services and FEMA VAL (Voluntary Agency Liaison), and will convene meetings or conference calls with VOAD member agencies to identify and assist with immediate needs, and coordinate with member agencies on their planned responses.

III. NYSVOAD Officer (or designee) will provide updated reports of voluntary agency activities to the New York State Office of Emergency Management (State OEM) at regular intervals or when necessitated by changes in service or location, and will provide member agencies with information regarding the state response. The Liaison will also communicate any issues or concerns that member agencies are reporting in the field to the state.

IV. NYSVOAD Executive Committee will facilitate the development of Long Term Recovery Committee(s) as appropriate, in coordination with the State OEM Director of Human Services and the FEMA VAL.

V. At the close of an operation, NYSVOAD Chairperson or Vice–Chair will request a consolidated report from each voluntary organization assisting in disaster response. This report is to include recommendations that will enable NYSVOAD to encourage and implement corrective actions that will enhance future response and recovery operations. Reports will be brought as an agenda item at the next NYSVOAD meeting following the disaster.

NYSVOAD shall support the response to disasters of a level two or less, as appropriate, in the following manner:

I. NYSVOAD Officer (or Designee) will convene a conference call with member agencies and government partners to evaluate the nature and extent of damages. Under special circumstances the VOAD Liaison may be requested to support EOC operations.

II. NYSVOAD Member agencies will support local response agencies as appropriate.

III. NYSVOAD Executive Committee will facilitate the development of Long Term Recovery Committee(s) as appropriate, in coordination with the State OEM Director of Human Services.

IV. At the close of an operation, NYSVOAD Chairperson or Vice–Chair will request a consolidated report from each voluntary organization assisting in disaster response. This report is to include recommendations that will enable NYSVOAD to encourage and implement corrective actions that will enhance future response and recovery operations. Reports will be brought as an agenda item at the next NYSVOAD meeting following the disaster.

NOTE: The primary goal of the NYSVOAD and its member organizations is to work in partnership and support of local VOAD's, disaster response networks, local human services councils and other response organizations, and when required act as a conduit to national resources. It is not the role of the NYSVOAD nor its member organizations to replace local networks or their services.

Solidarity

We would like to take a moment to acknowledge that while the COVID-19 pandemic is consuming a lot of our attention, it has not stopped the violence and injustice that exists in the world, and this is very much true for the deep injustices that the black community is facing in the United States.

We stand in solidarity with our colleagues who are feeling the pain of violence and injustice in our state and in our country. We welcome any input as to how we can ensure that ORVOAD acknowledges, listens and acts to make meaningful change around systemic racism.

Transitions

The time between June and July will mark a transition of leadership for ORVOAD. Michelle and Susan are so happy to welcome Rashad Bauman as the new President of ORVOAD.

ORVOAD – Working Cooperatively in a Crisis

Following a disaster, ORVOAD convenes its members and other agencies to discuss how they will work together cooperatively in the crisis. ORVOAD does not itself deliver services. Instead, its members independently meet relief and recovery needs within the cooperative framework the organization makes possible.

ORVOAD coordinates planning by the many voluntary agencies responding to a disaster so they provide more effective service with less duplication when a disaster strikes.

MEMBERS:
Oregon Voluntary Organizations Active in Disaster is not intended to be a competing agency but an umbrella organization of existing agencies. Each member organization maintains its own identity and independence yet works closely with other agencies to improve services and eliminate unnecessary duplication.

ORVOAD consists of voluntary and state government organizations with disaster relief roles. VOAD functions include animal control, building repair, child care, clean up, clothing, communication, counseling, damage assessment, disaster welfare inquiry, financial assistance, food, human relations, mass care, sheltering, transportation, volunteer staffing, and warehousing and bulk distribution.

States in the Pacific Northwest are the latest to be struck by raging fires. NAD ACS is in communication with the North Pacific Union Conference ACS leadership on how to best assist the affected communities. Upper Columbia Conference ACS DR has received a request from Spokane Regional Health District for volunteers to assist at the Spokane Convention Center which is housing evacuees.

In the state of Oregon, small fires that started September 7th night in the Clackamas County last week continued to spread rapidly. The county had suggested using the Gladstone Campground as an evacuation site for RVs. Laura Pascoe, the executive director of PACS, and Andy Villanueva, ACS DR director of Oregon Conference, got together with the leadership at the conference to make it happen. The campground is currently housing over 125 RVs and trailers.

Every day more and more residents from the community are showing up asking for help. "When someone drives up and asks, 'Do you still have room for us?' and we say yes, you can see the relief come over them. Today is a crazy day, but because we're able to help our neighbors, it's a great day, too," said Villanueva. Several people from the community are also dedicating their time and services to bring relief to those affected. Volunteers are leading evacuees into RV spots. Donations of food, water, children's board games, coloring books, and crayons have come in for evacuees. A truckload of food was brought in by the owners of Hue Vegan Cafe. On September 11th and 14th morning, free pancakes were distributed thanks to Chris Cakes Northwest. World Central Kitchen has also delivered food today for all the evacuees and volunteers.

Disaster Response

Whenever and wherever disaster strikes in the Northwest and around the nation, Adventist Community Disaster Response is there to help. The Northwest Disaster Response teams are organized in connection with North Pacific Union Conference coordinator Dennis Olson. Regional training events are held which help prepare interested members to serve their communities through disaster relief work.

For more information contact:

Adventist Community Services Disaster Response (ACS DR)
ACS DR has an agreement with Federal Emergency Management Agency (FEMA) to provide donations management in times of a Presidentially–declared disaster. This means any Adventist is welcome to help in all types of disaster if they are licensed responders. FEMA is currently drawing up guidelines which will require all volunteers to be licensed with an affiliated organization in order to be allowed to help in the disaster area.

Volunteers are encouraged to become licensed so they can be used immediately and more extensively in disaster. Training events are provided for Seventh–day Adventist members to be ready for disaster here or to deploy to other areas of the country. Please refer to the training schedule listed for the Disaster Response training near you.

The role of the Dallas County VOAD is to coordinate planning and preparedness efforts in advance of a disaster. The Dallas County VOAD is not designed for operational management, and is not itself a service delivery organization. Instead, its members operate independently to provide disaster relief and recovery services, and do so cooperatively through the Dallas County VOAD. The Dallas County VOAD is committed to the idea that the best time to prepare, train, and become acquainted with one another is prior to the actual disaster response.

The Texas Gulf Coast Regional (TGCR) VOAD is a consortium of recognized voluntary organizations active in disaster relief. Its mission is to foster more effective service to people affected by disasters. VOADs support and facilitate the delivery of disaster services by their members. They do not themselves deliver response and recovery services. Member organizations support the efforts of federal, state, and local agencies and governments.

TGCR VOAD bases its mission on these four values:

Cooperation. By this we mean that we need each other, that no member organization has all the answers for the challenges we face. We treat members as partners.

Communication. Here we mean the regular sharing of information about our member organizations—their capacities, accomplishments, and commitments. We try to maintain good channels for sharing information, listen carefully to each other, and deal openly with concerns.

Coordination. We commit ourselves to work together and not competitively toward our goal of effective service to disaster victims. We seek to match services to need. Through planning and preparation, we equip our organizations to behave in a coordinated fashion in time of disaster.

Collaboration. We dedicate ourselves to work together to achieve specific goals and to undertake specific projects at disaster sites. We form partnerships during the disaster response.

Organizations wishing to coordinate their efforts with TGCR VOAD members are encouraged to register on the web site and add their organization to the list of VOAD members.
