Tornado Relief
Teyn Yad Update 6/14/11

Current Critical Information for Volunteers

All volunteers must sign the attached agreement– click & download here (on website)

For a list of available activities– click & download here
Need–To–Know Info (on website)

Not all activities are available at any given time. The more notice the volunteer groups give us the better.

There is a limit to how many volunteers we can house at any given time. The more notice the better

There are age limits to certain jobs. Construction, demolition, and cleanup are 18 years or older

15 years old is the minimum and some activities require 16 year minimum

For correspondence and info about our Teyn Yad Efforts, please email: teetornadorelief@gmail.com

Volunteer assignments will be made through Habitat for Humanity and the Red Cross. Please check this page frequently for updates about all our projects and needs.

Current Needs–

1. Housing summer Volunteers
We are expecting volunteers from synagogues all across the United States to arrive in Birmingham ready to join our relief efforts during the summer.

We still have a need for more TEE host families to house them for the months of June through September. Please email Bob Gross for more info and to sign up.

2. Organizing summer children's activities
The children of families displaced by the storm will need something to keep them occupied and happy during the summer months while their families try to rebuild their homes and their lives. Volunteers will be needed to create, provide and supervise these programs.

Services offered: Construction, * Volunteers (ANY/ALL types); Housing, Volunteer Housing * (ANY/ALL Types); Housing, Volunteer Housing (FREE); Volunteers, Misc. * (ANY/ALL Types)

5/11/11 Phone conversation with David Tubbs
No longer a RC shelter. As a church they are housing 2 people. No longer feeding. They are a POD and have lots of supplies. They are doing debris removal and assessments. Will need a bobcat next week. lpar

5/7/2011 Phone conversation with Sylvia Robinson
They have an urgent need for heavy equipment for large tree removal. Contact Daive Tubbs. See contact info above. If you can not see the contact information use the "Contact" button or email capbham @ aol.com

5/1: TF called, talked to Rev Fred. He says that they have about 30 overnight guests, but are feeding a lot more people during the day. He doesn't know for sure, but it might be hundreds. Gave me Gene's number, who is helping directly at the shelter (which seems to be in another building). Gene said that they are Ok for water and supplies for a couple days. Gave him Matt Lacey UMC supply contact info. Gene will call if he needs anything. He's got no power, so email won't work.

Montgomery Area Voluntary Organizations Active in Disaster
What is a VOAD – and Why?

When disaster comes, what if:

We had a plan? We knew what others were doing? We were networked and organized to respond?

On June 20th, 58 citizens representing 18 voluntary and community organizations met to form the Montgomery Area Voluntary Organizations Active in Disaster, or Montgomery Area VOAD.

A VOAD is a network that brings together all organizations (voluntary, faith–based, churches, non–profit, governmental, civic, medical community, and others) that take a role in meeting the needs of people impacted by a disaster. Our consortium of voluntary and community organizations is committed to providing effective, efficient and compassionate service to those imperiled or impacted by disaster.

The National VOAD has proven that VOADs foster cooperation, coordination, communication, and collaboration between all associated organizations responding to disaster.

We started a local VOAD because it will be community based and community sensitive, able to mobilize quickly and on the scene even before disaster declaration.

All disasters are local and local voluntary/faith based organizations are the First to Arrive and Last to Leave in providing vital services to people in need – and they are committed to stay until recovery is complete.

Montgomery area churches, faith–based groups, agencies and organizations that respond in time of individual need are encouraged to join the VOAD. Open the attached file for a membership application and survey form.

Montgomery Area VOAD is a community team that is committed to make a positive difference in the lives of survivors and evacuees.

The Montgomery Area has been a traditional destination for hurricane evacuees. Until Hurricane Katrina came we would open up shelters for three or four days and then our visitors would go back home and life would return to normal for us. Of course, we had a few interruptions when Hurricanes Opal and Ivan came, but hosting a few hundred evacuees was the typical way of hurricanes for Montgomery.

Hurricane Katrina broke the mold. More than 4,000 evacuees came to the Montgomery area and stayed for a very long time – many are still with us and some have even made Montgomery their new home. As we look ahead to this year's expected storm season we know we must prepare to receive evacuees again, likely in large numbers again. We will have shelters, hotels and

motels. The VOAD is bringing together the givers and helpers to create a mosaic of response. Networked and communicating together we will work together to give an even better welcome to our visitors this year.

Who Are We?

With a grant from the McCormick Tribune Foundation, we were able to begin organizing in April. Leaders from Family Guidance Center, American Red Cross, Salvation Army, Frazer Church, EMA, DHR, Volunteer & Information Center, and United Way developed a vision, a strategy, and a plan. Our structure and operations are based on the National VOAD model. The first general meeting of the VOAD was on June 20th. Below are the organizations which have applied to join the VOAD, thus far. Numerous others are processing the applications with their various boards. Voting members are non–profit organizations; government and business partners are non–voting members.

VOAD is here to help others
Published 10:16am Tuesday, February 8, 2011

In Shelby County, we have several entities involved in disaster response. Coordination between these agencies and organizations is critical.

Following national and state models, Shelby County has put together Voluntary Organizations Active; in Disasters. VOAD is a group of community organizations working together to be prepared when disasters strike Shelby County, reduce the effects of disasters and promote the rebuilding of lives and communities after disasters. This cooperative effort has proven to be the most effective way for a wide variety of volunteers and organizations to work together during a crisis.

Having an active VOAD chapter at the county level enables organizations to better meet the community's needs because the stakeholders and their resources are identified ahead of time. This helps to accelerate the speed and impact of volunteer organizations. The ultimate goal of the VOAD is smooth collaboration that results in providing organized and beneficial service during a disaster.

The VOAD includes representatives from the following agencies and organizations: Shelby County American Red Cross, Children's Policy Council, Chilton–Shelby Mental Health, Girl Scouts of North Central Alabama, Hands on Birmingham, Middle Alabama Area Agency on Aging (M4A), North Shelby Baptist Church, Salvation Army, Shelby Baptist Association, Shelby County Amateur Radio, Shelby County Board of Education, Shelby County Chaplains Association, Shelby County Dept. of Human Resources, Shelby County Emergency Management, Shelby County Family Resource Center, Shelby County Juvenile Court, Shelby County Dept. of Public Health, Shelby Emergency Assistance, Shelby Humane Society, Southern Baptist Disaster Relief and United Way of Central Alabama.

Shelby County VOAD would like to remind everyone that now is the time to prepare for disasters. Once a disaster strikes, it is too late. Reduce your risk by preparing now. Your disaster preparedness kit should include: water, non–perishable food, a flashlight, medications, important personal documents and first–aid supplies.

VOAD wants you to know that, in the event of a disaster, assistance will be made available to the public in the most efficient and effective way possible.

Mary Kinard is the executive director of the Shelby County Red Cross and the VOAD chairperson.

Catholic Charities To Provide Meals For Waldo Canyon Fire Evacuees
June 26th, 2012

Catholic Charities has been asked by the Salvation Army in Colorado Springs and the Red Cross in Divide to begin providing daily breakfast for the Waldo Canyon Fire evacuees at Cheyenne Mountain High School in Colorado Springs as well as breakfast,

lunch and dinner for the evacuees at Summit Elementary School in Divide, Colorado. Meal service will begin Wednesday, June 27 and will continue until evacuees are allowed to return to their homes.

“Providing meals for the evacuees will require Catholic Charities’ Marian House to prepare about 450 meals more per day. This will be in addition to the 600+ noon time meals we already provide on a daily basis,” said Mark Rohlena, President & CEO of Catholic Charities. “We are pleased to be able to help in this way to make life a little easier for those who have been displaced by this disaster in our community. We ask that everyone continues to pray for those battling this fire, as well as those who are displaced or in harms way.”

To deliver an additional 450 meals per day, Catholic Charities is asking the community for help. The following items are needed:

Monetary donations
In–kind donations
Sliced fruit (fruit trays)
Frozen Potatoes: hash browns or tater tots
Boxes Frozen waffles or frozen pancakes
Breakfast pastries
Cereal
Butter/margarine
Syrup
Oatmeal
Disposable Aluminum pans – 9 x 13 or larger
Heavy duty / industrial Aluminum foil
Sugar, creamer, condiment packets (mayo, mustard, ketchup), salt & pepper packets
Paper Products to include: Plates, napkins, coffee cups, bowls, and forks, knives, and spoons (restaurant packs would be ideal)
Volunteers to help prepare meals –Call Doug at 719–866–6286 to volunteer

12:00 pm – 4:00 pm to help with daily pre–preparation of meals
Donations can be dropped off at the Marian House, 14 West Bijou Street (west side of building at the dock), from 7:00 am – 2:00 pm.

To make a donation on–line, go to www.ccharitiescc.org and click on the donate button. Once there, please specify Waldo Canyon Fire / Disaster Relief on the donation form.

We want to thank Care & Share for providing cartons of eggs and breakfast meats for the meal preparation. They will be delivering the needed items to the Marian House each day.

All food preparation for the Cheyenne Mountain High School shelter will take place at Marian House and be transported to the shelter. At this time, it is unclear if Catholic Charities will be preparing food at their 14 West Bijou location for the evacuees in Divide, or if food will be transported to be prepared at Summit Elementary. Catholic Charities is working to get access to Highway 24 for the purpose of providing this service to those evacuees in Divide.

Any support the community can give is greatly appreciated.

Colorado State University's Johnson Hall Room #222; DIRECTIONS: http://maps.colostate.edu/#b=46, Fort Collins, CO

Serves Larimer County, CO
Service Temporary

The Larimer County Disaster Recovery Center, which will provide support, assistance, and resources for all victims of the High Park Fire, will be hosted at Colorado State University's Johnson Hall beginning Friday. The Disaster Recovery Center is a service of Larimer County.

Beginning at 7 a.m. Friday, June 15, the center will be open in Room 222 in Johnson Hall from 7 a.m.–7pm. weekdays and 9 a.m.–3p.m. on Saturdays and Sundays. Designated free parking for users of the Disaster Recovery Center will be available in the meter parking lot just south of the Administration Building.
Services are coordinated by Larimer County and include information about temporary assistance, health and safety information, housing, counseling, mental health services and other services. CSU–employee specific information also will be available.

For more information about the services available, visit www.larimer.org beginning Thursday, June 14.

2012–03–03 – Severe Storms Pound Kentucky

The community of West Liberty was devistated by tornadoes on Friday, March 2. Click here to see photos of the damage.

The American Red Cross is on the scene providing shelter to those who have been effected. We are also providing care and comfort to our first responders. Over the next days we will be conducting damage assessments, distributing clean–up supplies, and conducting mobile feeding.

You can help people affected by disasters like this tornado, as well as countless crises at home and around the world, by making a donation to support American Red Cross Disaster Relief. Your gifts enables the Red Cross to prepare for and provide shelter, food, emotional support and other assistance in response to disasters. Visit redcross.org or call 1–800–REDCROSS. You may also drop off a contribution at any Central Bank or Fifth Third Bank in Central Kentucky.

Services offered: Demographic Served: Survivors, Natural Disaster Impacted Communities; Distribution, Cleaning/Clean Up Supplies (Post Disaster); Food Distribution, Emergency/Disaster, Mobile; Services, Disaster, Post Disaster Needs Assessment; Support for "All" Disasters
Campaigns: 2012 Spring – Tornadoes; American Red Cross; VOAD – Voluntary Organizations Active In Disaster (this Org is a State Level Member)

PRESS BRIEFING
FRIDAY, SEPTEMBER 26, 2008 - 10:30 A.M.

SHELTERS
** State will be closing the special needs shelter on Friday, September 26, 2008. Approximately 180 residents are currently sheltered in Terrebonne Parish. The remaining shelter sites are Schriever Recreation Center, Dumas Auditorium. The remaining evacuees are primarily those individuals whose homes were severely damaged by the storms and will need to seek more long term housing. Officials are working with FEMA to locate transitional housing.

Last Modified: Friday, September 5, 2008 at 10:42 p.m.

HOUMA –– The American Red Cross will be opening at least one shelter in Terrebonne, hopefully tomorrow, officials said.

The shelter will be at Dumas Auditorium, officials said at a press conference this afternoon.

Ashlee Gunter, program manager for the Bayou parishes, explained about the program.

“It’s going to be a safe place for people to stay,” Gunter said. “We’ll feed them three meals a day.”

But she cautioned that people should stay with family if possible. “We encourage them to use that option and use shelters as a last resort.”

While it’ll be safe, it won’t be the lap of luxury, Gunter said. People should bring changes of clothes, bedding, and emergency supplies like medications, formula, and diapers.

The buildings have some generator power for lights, but workers are doing their best to get the capacity necessary to run air conditioning, Gunter said.

Last Modified: Thursday, September 11, 2008 at 10:25 a.m.

Terrebonne Parish President Michel Claudet has called a voluntary evacuation beginning at 10 a.m. today for bayou communities from Pointe-aux-Chenes to Dularge.

“The traditional areas that take on water,” said Bill Dodd, a Terrebonne Parish Sheriff’s Office attorney acting as a spokesman for the Emergency Operations Center. “They know who they are.”

Houma Junior High, which was used as a shelter after Hurricane Gustav, will remain open for evacuees. It has a capacity of more than 300, Dodd said.

FROM THE SITE – 5/11 MS River Floods:

2011-05-09 – Red Cross Moving Supplies To Help People Along the Mississippi River. Seeks Volunteers.

The American Red Cross is prepared for the possibility of severe flooding in the Southeast Louisiana area. Trained Red Cross workers have been in constant communication with local emergency management officials to prepare for a response if flooding occurs. The Red Cross has shelter plans and locations in place and has been distributing flood preparedness information to residents that could be impacted by flood waters.

The American Red Cross is seeking volunteers to help families that might be impacted by flooding in the upcoming weeks. The Southeast Louisiana Chapter will present two shelter operations training classes. The training will help prepare volunteers for the work they will do. The first class is from 1:00p.m. to 4:00p.m. and the second is from 6:00p.m.-9:00p.m.on Thursday May 12, 2011 at the Red Cross Bayou Parishes Regional Office, 1233 Canal Blvd. in Thibodaux, LA 70302.

To register for the training, contact Louis Truong at (504) 620-3126.

Meanwhile, Red Cross relief efforts are continuing across the South, where deadly tornadoes destroyed or damaged as many as 13,000 homes in recent weeks. The Red Cross estimates the costs of its responses to the April tornadoes, flooding and other disasters since March 31 could reach $31 million-with the response to the Mississippi River flooding expected to drive relief expenses even higher. As of Thursday, May 5, the Red Cross had raised about $16 million for disaster response since March 31.

The American Red Cross is ramping up to help people along the Mississippi River, where forecasters are predicting potentially catastrophic flooding may occur starting later this week. The Red Cross is sending trained volunteers, cots, blankets and vehicles to areas of Arkansas, Tennessee, Mississippi and Louisiana threatened by the record flooding. Shelters are already opening in some parts of those states.

"The Red Cross is preparing for a large disaster response to major flooding along the Mississippi, even as we continue to assist thousands of people affected by the recent tornadoes," said Kay Wilkins, CEO of the American Red Cross Southeast Louisiana Chapter. "In the coming days and weeks we will need the support of this community to help our neighbors around the country."

The Red Cross is preparing to launch a prolonged shelter and feeding operation for people living along the Mississippi, sending in disaster workers and pre-positioning thousands of cots, blankets and other relief supplies. Experts are warning that flood waters could remain in areas for as long as two weeks, forcing people to stay in shelters for more than a month.

University Officials Preparing for Gustav
Northwestern State University officials are developing and implementing emergency preparedness plans to assist students, evacuees, storm response personnel and others as Tropical Storm Gustav moves toward the Gulf of Mexico.

NSU[1]s Health and Human Performance Building is being prepared as an emergency evacuation shelter if requested by the American Red Cross. The facility has served as a shelter for evacuees from Katrina, Rita and other storms that hit the South Louisiana Gulf Coast in recent years.

Depending on the track of Gustav, students from McNeese State University in Lake Charles, the University of New Orleans and other South Louisiana schools could be housed in a vacant dormitory at Northwestern that is being prepared as a possible shelter for students from campuses that could be affected by the approaching storm.

Emergency response personnel from utility companies in Louisiana and other states have also contacted Northwestern officials about the use of university facilities, and efforts are being made to accommodate those workers who will be dealing with possible power outages in the region.

NSU officials are coordinating storm preparedness plans with the American Red Cross, Natchitoches Parish Sheriff¹s Office and other local law enforcement and emergency response agencies and personnel.

Student services personnel at Northwestern are continually tracking Gustav in preparation to provide assistance to students if heavy winds and rains from the approaching storm reach the Natchitoches area and disrupt electrical power or create other problems.

NSU faculty, staff and students are advised to monitor the storm¹s progress through media outlets, the Internet and other sources and to obtain specific information on the impact of the storm on Northwestern by going to http://www.nsula.edu.

Northwestern officials will decide the status of Tuesday classes at the university by Monday.

Northwestern State University president Dr. Randall Webb is also encouraging students, faculty and staff to sign up for the university¹s emergency alert system, which includes notification of crisis situations by text messaging, e mails and calls to campus landlines.

Registration for this ³Purple Alert² system can be completed by going to http://www.nsula.edu/purplealert. There is no charge to sign up from the emergency alert system although some people without unlimited text messaging may be charged for receiving a notification.

Students, faculty and staff may enter cell phone numbers, primary and secondary e–mail addresses and secondary phone numbers at which they can be notified of emergencies.

NSU is also accommodating online students who residential areas may be affected by Gustav. If the storm causes a disruption in service preventing or limiting access to the Internet, online students will have the opportunity to complete online classes without penalties if they attempt to contact class instructors within 72 hours.

Northwestern¹s website includes a link to the Governor¹s Office of Homeland Security and Emergency Preparedness, which is providing continual information, updates and emergency plans related to the storm.

Parents, students, families of evacuees and others who need to make emergency calls to Northwestern State University should phone University Police at (318) 357–5431.

Watching Gustav –– and making preparations
Created: August 28, 2008 11:44 AM
Modified: August 28, 2008 06:39 PM

A decision on evacuations from South Louisiana in advance of Tropical Storm Gustav will not be made before Sunday morning, Shreveport Mayor Cedric Glover and the local head of homeland security said today.

If evacuations are ordered for Louisiana's Gulf Coast area, the city will have a huge influx of evacuees, homeland security director Sandy Davis said late this morning at a news conference at Government Plaza.

There is a lot of uncertainty about what will happen in the next few days because forecasters don't know what the storm's path will be as it moves across the Gulf of Mexico. Forecasts have called for landfall from Texas to Florida's panhandle early next week.

But state officials were in high gear on evacuations plans –– mindful of the botched state and federal response to Hurricane Katrina three years ago and determined not to repeat it. The state's handling of Katrina sunk the administration of Gov. Kathleen Blanco.

"Don't wait until this storm comes into the Gulf," Gov. Bobby Jindal said at a news conference.

The city of Shreveport is also making preparation in case Gustav makes landfall in Texas or western Louisiana and dumps huge amounts of rain here as it moves inland.

Crews from the streets and drainage department today were clearing debris and vegetation from drainage ditches. They want to reduce the changes of the ditches being clogged as water pours into them.

The state has lined up hundreds of buses to carry people out of New Orleans and other parts of South Louisiana who don't have transportation. Shelters would be set up at Hirsch Coliseum at the fairgrounds, the old Sam's Club on Jewella Avenue and the former Sports Mall off Interstate 20 in far west Shreveport.

Caddo Parish prisoners were at Hirsch today, unloading 5,000 crates that will be used to hold pets that would be evacuated For people who have their own transportation, shelters will be set up at LSU–Shreveport and Southern University–Shreveport. Those with medical needs will go to the Bossier City Civic Center.

American Red Cross requesting Medical Reserve Corps assistance

Dear MRC Unit Leaders,

The American Red Cross has requested assistance. ARC is facing significant gaps in staffing for shelters in the gulf area, for current operations with the tornadoes as well as anticipated operations for flooding. The pool of local ARC volunteers has been tapped, but is insufficient. ARC is currently looking for licensed or certified health and mental health volunteers who may be willing, able and approved to deploy as a ARC volunteer to support general shelter operations. ARC health/mental training is a plus, but they are willing to take individuals without the training (and will provide just in time training). Note: This is not a Federal or State deployment of MRC volunteers. This is a voluntary activation to support a partner organization.

If you have volunteers that you would approve for deployment, please tell them to contact the local Red Cross chapter (www.redcross.org) to begin the activation process and to receive just–in–time training. Note that these MRC volunteers must meet the following Red Cross eligibility criteria. For Disaster Health Services the individual must:

a. Have an active and unrestricted license (i.e. RN, LPN, LVN, NP, EMT, MD, DO) AND b. Current CPR For Disaster Mental Health the individual must: a. Have an active and unrestricted independent license and masters degree as a clinical social worker, psychologist, professional counselor, marriage and family therapist, psychiatric nurse, or psychiatrist OR b. Have an active and unrestricted state license/certification and masters degree as a school psychologist or school counselor OR c. Have an active and unrestricted state license and a bachelors degree (BSN) as a registered nurse and American Nurses Credentialing Center (ANCC) certification in mental health nursing ARC has agreed to accommodate groups who wish to deploy together. Any questions should be directed to the local ARC chapter. Thank you for your consideration and willingness to help.

Massachusetts Tornado Help - Call 211
Posted on June 2, 2011 by admin

Thank you to all who have contacted Massachusetts VOAD to help victims of yesterday's tornadoes with donations and services. Coordination of all help and donations is now running the United Way's 211 service so please call 211
You may also donate to Mass. VOAD member organizations if you wish. They are linked under "organizations" on this web site.
Sincerely,
Chris Farrand (Chair), Luis Matnog (Vice-Chair), Kevin Hall (Secretary)

Below is an update (June 2, 2011) on the Massachusetts Tornado situation from FEMA (Federal Emergency Management Agency)

Massachusetts Tornadoes, Wednesday, June 1, 2011

At around 4:30 EDT on Wednesday, June 1, 2011 a line of severe weather crossed from western part Massachusetts heading east. Damaging tornadoes passed through the Springfield area. A second tornado is reported to have later struck the same region. It was reported that hundreds of homes were damaged and thousands of trees were down.

Massachusetts Governor Deval Patrick declared a state of emergency effective at 7:10PM on June 1. Nineteen (19) communities are reported affected including the towns of: Westfield, Springfield, West Springfield, Monson, Agawam, Charlton, Oxford, Palmer, Sturbridge, and Wilbraham, among others. The Governor has directed that all non-emergency Executive Branch employees living or working in Hampden, Hampshire, Franklin and Worcester Counties should not report to their workplaces Thursday, June 2. In addition, 23 schools were closed and 21 businesses in the affected communities on Thursday.

The National Guard has called up approximately 1,000 troops to assist in rescue and response efforts. Troops are being dispersed from three locations, one in Springfield, one in Ware, and one in Worcester.

At least four people have died as a result of the tornado. One person was killed in West Springfield when his car overturned, two in Westfield, and one in Brimfield. Details of those 3 fatalities have not yet been released.

Jane Albert of Baystate Medical Center told 22News that the hospital is caring for 25 people who are injured, 10 of whom are in the trauma unit. There are at least 20 other reports of injuries.

In Springfield, Mayor Domenic Sarno said that the South End, East Forest Park, and Sixteen Acres were the sections of the city that were hit the hardest. The Indian Orchard neighborhood also saw damage.

There was a total of more than 60,000 power outages in communities serviced by Western Massachusetts Electric Company. As of 8:49am Thursday, June 2, about 14,000 are still without power. Sandra Ahern from Western Massachusetts Electric Company reports that there are more than 80 utility poles down in the Sixteen Acres and East Forest Park neighborhoods, where she said that they do not anticipate power will be restored for a couple of days.

Voluntary Agency Efforts

Local volunteers are currently supporting relief efforts in Springfield and communities throughout the jurisdiction with sheltering, canteen and mental health counseling.

The American Red Cross reports 5 open shelters as of Thursday morning, with populations in each. Of the 5 shelters reported open, the Red Cross is managing 2 in Springfield, and 1 in Monson. In addition there are 2 Red Cross-supported shelters in collaboration with local emergency officials, and 1 community shelter that the Red Cross is looking to assist with. The Mass Mutual Center in Springfield reported approximately 400 people being sheltered at its height late Wednesday night, with

approximately 200 people remaining this morning. There are approximately 45 people at the West Springfield location and 35 in Monson. Pet sheltering has not been set up at any of the shelters as of Thursday morning.

The Red Cross is supporting feeding efforts at the open shelters, in addition to feeding approximately 300 first responders at the Basketball Hall of Fame in Springfield, in collaboration with the Salvation Army, and approximately 150 first responders in Monson. The Red Cross is not engaged in mobile feeding at this time.

The Salvation Army has set up a canteen service at the Command Post in Westfield to support first responders, and a canteen is also stationed in Brimfield. Canteen drop offs are occurring in Monson. The Salvation Army is also supporting canteen efforts at the Basketball Hall of Fame in collaboration with the Red Cross. The Salvation Army is beginning mobile canteen services, driving around affected communities, and providing psychological first aid as of 10am Thursday morning. 11 volunteers are currently engaged in Salvation Army activities, with approximately 5 additional volunteers working in the kitchens to prepare meals. 2 facilities in Springfield are on standby as possible temporary shelters if needed.

SPRINGFIELD, Mass. (WWLP) – In the aftermath of Wednesday's tornado damage , several major Western Massachusetts roads are closed for the Thursday morning commute. Here is a list of some major roadways that are closed.

SPRINGFIELD:

· Avoid downtown in general, South End; the less cars on the street the better for emergency crews working to assess threats (power lines, gas leaks) and remove obstructions (tree, debris)

Major closures:

· Plumtree Road from Allen Street onwards– impassible

· Main Street from State Street and southward

· Tinkham Road

· Parker Street from Wilbraham Road to Cooley Street

· Island Pond Road from Allen Street to Roosevelt Ave

WEST SPRINGFIELD:

· Union and Main run parallel– this is where the main impact occurred; basically the path of the tornado itself– this area is called the Merrick section of W. Spfld

· From Park and Union to Park and Main

· Union St. from Memorial Ave. to Park St.

· Main and Memorial

· All closed to all except emergency vehicles

· Police are essentially sealing off that entire area

· All obstructions are contained within that grid

WESTFIELD:

· Shaker Road– closed from Little River Road to Cardinal Lane

· Shaker Road closed at Canal Drive when coming in from Tannery Road/Ponders Hollow

· Entire section of Pontoosic Road from Feeding Hills Road to Crescent Circle (nearly the entire run of this road in the city)

WILBRAHAM:

· Tinkham Road is closed from Stony Hill Road to Bolles Road

· Monson Road is blocked–off from Main Street to Ridge Road

· Main Street and Stony Hill Road are open, but you are asked to use extreme caution

MONSON:

· Just avoid the entire downtown area of Monson

· There was significant damage to police building

BRIMFIELD

· Route 20 closed through the entire length of town

· Route 19 closed for the entire length of town

American Red Cross requesting Medical Reserve Corps assistance

Dear MRC Unit Leaders,

The American Red Cross has requested assistance. ARC is facing significant gaps in staffing for shelters in the gulf area, for current operations with the tornadoes as well as anticipated operations for flooding. The pool of local ARC volunteers has been tapped, but is insufficient. ARC is currently looking for licensed or certified health and mental health volunteers who may be willing, able and approved to deploy as a ARC volunteer to support general shelter operations. ARC health/mental training is a plus, but they are willing to take individuals without the training (and will provide just in time training). Note: This is not a Federal or State deployment of MRC volunteers. This is a voluntary activation to support a partner organization.

If you have volunteers that you would approve for deployment, please tell them to contact the local Red Cross chapter (www.redcross.org) to begin the activation process and to receive just–in–time training. Note that these MRC volunteers must meet the following Red Cross eligibility criteria. For Disaster Health Services the individual must:

a. Have an active and unrestricted license (i.e. RN, LPN, LVN, NP, EMT, MD, DO) AND b. Current CPR For Disaster Mental Health the individual must: a. Have an active and unrestricted independent license and masters degree as a clinical social worker, psychologist, professional counselor, marriage and family therapist, psychiatric nurse, or psychiatrist OR b. Have an active and unrestricted state license/certification and masters degree as a school psychologist or school counselor OR c. Have an active and unrestricted state license and a bachelors degree (BSN) as a registered nurse and American Nurses Credentialing Center (ANCC) certification in mental health nursing ARC has agreed to accommodate groups who wish to deploy together. Any questions should be directed to the local ARC chapter. Thank you for your consideration and willingness to help.

HURRICANE SANDY RESPONSE 10/12:
http://www.nechama.org/index.php/news/85–nechama–takes–action–responds–to–sandy

Hurricane Sandy has dramatically impacted the Mid–Atlantic region of the United States. NECHAMA staff will arrive in the NY & NJ area later today. We will begin assessing cleanup needs and meeting with local partner organizations once first responders and utility crews have secured the affected communities.

We will work as rapidly as possible to determine where NECHAMA can be of service and then establish a base of operations. At that point we will provide details on how to volunteer with us on the ground. NECHAMA has deployed a disaster response trailer from our headquarters in Twin Cities, MN to support this effort.

Though we are still gathering info and working the logistics regarding volunteer opportunities, you can register your interest and availability via this webform:

https://docs.google.com/spreadsheet/viewform?formkey=dDZjcFNjeklFOGptZWNiQmJ0by0yUXc6MA#gid=0

Please donate. Your gift strengthens our ability to quickly bring critical aid and comfort. We will provide additional updates as our response to Hurricane Sandy develops . Thank you for your support of NECHAMA and your generous donation to support these efforts.

2012 HURRICANE ISAAC –
http://www.nechama.org/index.php/news/71–hurricane–response–volunteer–opportunity

Initially we are focused on assisting Jackson County and other hurricane–affected communities in southern Mississippi with flood cleanup, clearing damaged trees, and temporary roof repairs. These volunteer services offered by NECHAMA will support ongoing recovery efforts across Southern Mississippi. NECHAMA continues to be in regular contact with our voluntary organization partners working in Louisiana and anticipates assisting communities there as well.

We are planning on working in Mississippi and Louisiana until Sept. 14, 2012. We have established a base of operations in Biloxi, MS, a coastal community with a history of welcoming volunteers from across the country. If in the coming weeks there are still pressing needs to be addressed and if we are able to raise funds to stay longer, we will consider extending our deployment.

Heavy Rainfall
June 20th, 2012
We are looking into reports of 6+ inches of rain overnight & flash flooding in Duluth, MN area. Mostly reports of road damage thus far. We will update our Facebook page and website as we know more.

Red Cross shelter for tornado–displaced families moves to North Commons Rec Center
posted May 28, 2011 6:54 AM by mpls tornado [updated May 28, 2011 6:56 AM]

The temporary shelter set up for individuals and families who were displaced from their homes after the May 22 tornado is being moved Friday, May 27 to the North Commons Recreation Center in Minneapolis. The new shelter location is closer to the areas hardest–hit by the tornado, so families will be closer to home as they continue the recovery process following this devastating storm.

The City of Minneapolis and the American Red Cross opened a jointly operated shelter immediately following the tornado at the Northeast Armory on Sunday night to provide temporary shelter for people displaced from their homes. Beginning today at 10 a.m., the shelter is moving to the North Commons Recreation Center at 1801 James Ave. N. in Minneapolis.

The Red Cross will provide shelter residents with a safe place to sleep, food and beverages, health services, mental health services, resource referrals, and long–term recovery planning. Red Cross workers will also be supporting additional feeding in the affected neighborhoods.

People at the shelter will have access to the computer lab, shower and locker room facilities at North Commons Recreation Center. The recreation center will be closed to the general public while being used as a temporary Red Cross shelter; however, outdoor amenities including playgrounds, outdoor basketball and tennis courts, and baseball and soccer fields will be available to both the general public and people staying overnight at the shelter.

The American Red Cross will operate the facility with the support of the Minneapolis Park and Recreation Board and the City of Minneapolis.

Individuals and families who were displaced from their homes after the tornado may call the Red Cross at (612) 871–7676 for details about the temporary shelter at North Commons Recreation Center which is served directly by bus route 14G, and routes 5M and 5F stop within a few blocks. For bus information, visit www.metrotransit.org or call (612) 373–3333.

To support Red Cross disaster relief, visit redcrossmn.org or call (612) 460–3700. Please note, the Red Cross cannot accept donations of goods.

Existing, trained Red Cross volunteers are working to shelter, feed, and support residents affected by the storm. As of now, it's unlikely the Red Cross will be requesting spontaneous volunteers for this disaster response.

August 2012 – Volunteers are still needed for work in Pamlico County. Approximately 30 homes have been repaired with many more to go. To volunteer, click on "Volunteer Now"

ON GOING PROJECTS AT:
http://www.baptistsonmission.org/Projects/United–States

April 25, 2011– NCBM Disaster Relief men and women are working in more than 12 different locations across North Carolina. Over 700 jobs have been completed by several thousand volunteers. Over 55,000 meals have been provided so far. Thank you for praying, giving and going.

April 20, 2011 – NCBM was one of several organizations featured on a fundraiser hosted by WRAL and UNC–TV. We are thankful for the generosity of those that gave. The work continues for us in 12 locations in the eastern half of NC. Over 400 jobs have been completed using almost 3,000 volunteer days. In addition, feeding teams have produced over 21,500 hot meals in partnership with the American Red Cross and The Salvation Army.

April 19, 2011 – Volunteers continue to respond to the needs of those affected by the recent tornado's. Chainsaw debris removal and mass feeding volunteers with support from Chaplaincy, Administration and others are helping in a number of locations including: Bertie, Bladen, Craven, Cumberland, Greene, Halifax, Johnston, Lee, Robeson, Onslow, Sampson, and Wake counties. So far over 140 jobs have been completed and 16,280 meals have been prepared by 1,644 volunteers. Thank you for serving!

April 18, 2011 –Update – The following report is what occured today as NC Baptist Men coordinates volunteer response to the severe weather and tornado damage:

Wake County – 100+ volunteers today. Prepared approximately 2000 meals for ARC and TSA. Assessors in Holly Springs.

Lee County – 150+ volunteers plus two skid loaders. Needs assessment volunteers.

Halifax County – 20 people today.

Bertie/Hertford County – 38 people working in recovery work.

Craven County – 9 people putting on blue tarps and doing recovery work.

Johnston County – 100+ volunteers today. 78 job requests completed. Moving to Four Oaks soon. Some of the teams are already working there.

Bladen County – Teams still working in the area.

Wilson County – projects developing.

Greene County – Several teams working in Snow Hill, Will be back there tomorrow.

Cumberland County – Have been feeding first responders and volunteers. Assessment started today and recovery work should start tomorrow.

Harnett County – Working to get some assessment started in that area.

Onslow County – will work with people in the Jacksonville area on disaster recovery.

April 16, 2011 8 p.m. Update – On Saturday, April 16, 2011 a series of devastating tornadoes hit many areas of Central and Eastern North Carolina. NC Baptist disaster relief volunteers began doing assessment and disaster recovery as soon as the storms passed. There are still many areas where volunteers cannot safely get into due to downed power lines. NCBM is setting up disaster recovery sites in many of the affected areas, in the next few hours and days based on the assessments. Right now disaster relief team leaders are setting up or assessing operations in Wake, Johnston, Lee, Bladen, Wilson, Cumberland, Person,

Northampton, Bertie and Robeson Counties.

Serves Little Ferry and Moonachie, Hoboken and along the Jersey shore, from Belmar to Toms River in New Jersey
Eligibility Survivors impacted by Hurricane Sandy 2012
Service Temporary

FROM THE SITE /HURRICANE SANDY:

First and foremost, we are concerned about your safety and well being. All of us at Islamic Relief USA pray that you and your loved ones are safe and secure in the aftermath of Superstorm Sandy. Unfortunately, so many of us have been affected by the devastation––that is why it is so important that we stand unified in our comittment to rebuild.

As neighbors helping neighbors, we will get the job done!

Islamic Relief USA staff and volunteers, from our New Jersey office and from around the country, helped at two shelters set up at Rutgers University. Working closely with the Red Cross, FEMA, and other local relief groups, we were able to register and assist some 600 evacuees.

Insha'Allah we will begin clean up efforts––with our partners Church of Jesus Christ Latter–day–Saints––in these hard hit areas: Coney Island, Staten Island, Little Ferry and Moonachie, Hoboken and along the Jersey shore, from Belmar to Toms River.

To donate go to:
http://a.cdn.irusa.org/content/uploads/2012/11/Screen–Shot–2012–11–02–at–5.57.17–PM.png

If you can volunteer, please connect with us to let us know:

1. Send an email with your name and contact information to:
ne@ irusa.org
2. Call us at: 973–774–3702

And, if you are volunteering, please bring shovels or any supplies you may have––the more resources we have the better. And please share this email, and encourage your friends or family to join these efforts too.

Together we will get through this.
Your family at Islamic Relief USA

HOW ISLAMIC RELIEF USA IS HELPING
IRUSA's Disaster Assistance Response Team (DART) met with members from the American Red Cross, the Federal Emergency Management Agency (FEMA), VOAD and other relief workers met on Oct. 27 to strategize about the most efficient

aid delivery methods in anticipation of the storm. The DART team then mobilized to New Jersey, where the storm was predicted to make landfall, to help with relief efforts. IRUSA's DART staff and volunteers provided shelter management services and helped however else needed at two separate hurricane shelters on the campus of Rutgers University until the shelters closed on November 2. The team was able to help more than 600 people.

Here are some of the specific ways IRUSA has been helping:

Providing situational reports
Providing support to the American Red Cross.
Providing cleaning services, dormitory patrol, child care, front–desk support, answering phones, and setting up cots.
Distributing blankets, clothing, food to evacuees
Interviewing evacuees to assess needs

IRUSA, in collaboration with the Church of Jesus Christ of Latter–day Saints, will also be helping with clean–up efforts across New Jersey and New York, specifically in Coney Island, Staten Island, Little Ferry and Moonachie, Hoboken and along the Jersey shore, from Belmar to Toms River. Please see the flier above if you'd like details about volunteering for these efforts.

From NVOAD notes:

Islamic Relief USA: DART arrived in New Jersey late Saturday October 27, 2012. The DART localized its response to individuals that live within the region. Islamic Relief USA has been in conversation with the Disaster Response community; conference calls have taken place with FEMA, American Red Cross and the VOAD. DART has reached out to its local membership to assist in this effort with the realization that this event may require a long term deployment. The DART has formed a group that will meet at the IR office at 3pm this afternoon. From this location, the team plans to move to the Command Center in Tinton Falls, New Jersey.

FROM THE SITE 11/14/12:

UNITED SIKHS AID: Hurricane Sandy Relief Efforts

Hurricane Sandy's economic toll is poised to exceed $20 billion after the biggest Atlantic storm slammed into the Eastern U.S., damaging homes and offices and flooding subways in America's most populated city.

Sandy, spanning 900 miles, slammed into southern New Jersey at about 8 p.m. local time and brought a record storm surge of 13.88 feet (4.2 meters) into Manhattan's Battery Park. Flooding, high winds and fallen trees cut power to about 8 million

customers from South Carolina to Maine, and travelers were stranded as U.S. airlines grounded more than 16,000 flights. U.S. stock trading closed in the first back–to– back shutdown for weather since 1888. Over 50 deaths have been attributed to the storm and thousands have been rendered homeless.

The storm may cut economic output by $25 billion in the fourth quarter, according to Gregory Daco, a U.S. economist at IHS Global Insight in Lexington, Massachusetts. He said that could reduce the annual pace of growth to between 1 percent and 1.5 percent from his earlier estimate of 1.6 percent.

After direct engagement with the Office of Emergency Management (OEM) and scores of VOAD agencies, UNITED SIKHS has initiated a call for warm clothing, blankets, diapers, baby formula, hygiene supplies and cleaning supplies. Also due to the closure of markets and stores there is an urgent need for fresh and hot meals as well as water.

UNITED SIKHS First Response Team is in direct contact with shelters to assess needs and Gurdwaras to facilitate the preparation of the hot meals and is also in coordination with the Red Cross. We urgently need volunteers to administer the distribution of supplies and meals and the preparation of the hot meals.

Donate what you can so that emergency supplies and materials can be purchased locally, saving time and resources!!

10/29/12 Hurricane Sandy
100 Volunteers Urgently Needed in New Brunswick, NJ

Contacts: Lisa Orloff: 917-566-3908 lorloff@worldcares.org<mailto:lorloff@worldcares.org>
FOR IMMEDIATE RELEASE

Shelter Volunteers needed in New Brunswick, New Jersey to fill shifts NOW!!
World Cares Center Assists NYC and NJ in Hurricane Sandy Response

NEW YORK-NEW JERSEY (October 29, 2012) – As hurricane Sandy bears down on the Tri-State region, World Cares Center (WCC) is coordinating unaffiliated volunteers and volunteer groups who wish to help. Unaffiliated volunteers are those who wish to help but are not part of a pre-established group ahead of time. Currently there is an urgent need for volunteers to assist Shelter Operations in New Brunswick NJ for morning shifts.

World Cares Center provides two online briefings daily, "Disaster Volunteering" and "Disaster Management for Grassroots Leaders" Both events can be accessed through the WCC website at: www.worldcares.org<http://www.worldcares.org>.

In addition, online applications, information on volunteering can be found at www.worldcares.org<http://www.worldcares.org>.

Organizations needing volunteers can access request through the "get involved" section of the website.

World Cares Center, formed in the aftermath of September 11, 2001 is a critical organization for the emergency response community, providing training programs for community leaders to organize volunteers in times of crisis. WCC also trains grassroots organizations and individual citizens with specialized emergency preparedness programs for seniors and youth. WCC's training and volunteer coordination efforts and cleanup were instrumental to the recovery from Hurricane Irene.

Lisa Orloff
World Cares Center

Hurricane Sandy update – Newsletter dated 10/26/12 (LT):

Dear Friend and World Cares Center Supporter,

I am writing to you with a sense of urgency as Hurricane Sandy is on its way. In 2011-2012 World Cares Center was called upon to coordinate volunteers and volunteer groups across the state of New Jersey to muck out survivors homes and help them reclaim their lives from Hurricane Irene. There were not enough groups to help so our teams trained local groups and led them into the field. All total, together we helped 1220 of the neediest residents and reclaimed over 600 homes. The work continues still.

The irony is that WCC received no funds to do this work and we will be hard pressed to help again without funding. We have a small, highly effective and passionate team that is an integral part of the relief effort and they need your support.

I am calling on our long time partners who know who we are and what we do. Our partners who know that more than 85% of the money we raise goes to our programs. Our supporters get pictures and reports from the field telling them where their dollars are being put to good use. If you or your company will be donating to help those affected by Hurricane Sandy I implore you to consider donating even a small portion of those dollars to World Cares Center.

Thank you for you kind consideration and continued support.

NEWSLETTER DATED 8/29/11:

We hope that you and your family are safe and that your homes have weathered the storm. Over the past few days, Hurricane/ Tropical Storm Irene ripped across the eastern United States from North Carolina to Vermont, including New York City and the Tri-State Area. As these events unfolded, we at World Cares Center witnessed the tremendous human spirit and resilience displayed by residents in New York, New Jersey, and Connecticut. World Cares Center has played an active role working with its fellow Relief agencies including local, state, and federal emergency management authorities who have activated plans, conducted evacuations when necessary, and sheltered tens of thousands of people and trained volunteers to help. The collaboration, coordination, and resiliency act as an inspiration and we extend our sincere thanks all of those who are helping.

World Cares Center's "just in time" training has been offered throughout the weekend to prepared managers to set up reception centers and screen and manage spontaneous volunteer in a safe and effective manner. We have coordinated volunteers to support our partners efforts and will work with NJ211 and the NJ Governor’s office of Volunteerism to match the incoming calls requesting help with organizations that will deploy to provide assistance. This is an important coordinative role that World Cares Center is familiar with from September 11, 2001 to Haiti 2010 and we are honored to be serving in this capacity. We remain active with our New York partners as well.

Although Irene may have passed, much remains to be done. Hundreds of roads are closed in the Tri–State area, thousands of buildings and homes have basements and ground level floors that remain flooded, and inland flooding is expected to be a major ongoing problem for New Jersey in the coming days. As we continue to strive toward promoting a safe and effective recovery alongside volunteers and voluntary organizations, World Cares Center asks that you stay informed and determine what role you have in the recovery effort. If you are interested in organizing a training for your group or being a part of a regional or national training, please contact us at via e–mail at lcampese @ worldcares.org or by calling 212–563–7570 .

Best Regards,
Lisa Orloff and The World Cares Center Team

World Cares Center empowers communities to work toward their own disaster preparedness and long–term recovery by:

• Collaborating with community–based organizations to provide educational and resilience–building services to communities preparing for and recovering from disasters, emergencies and trauma;
• Working with Homeland Security leadership, emergency managers and relief agencies to effectively integrate and utilize Spontaneous Unaffiliated Community Volunteers (SUCVs) into their disaster response plans;
• Preparing SUCVs to safely and effectively contribute to local emergency response; and
• Supporting long–term recovery and resiliency in communities affected by disaster.

WCC implements its vision of community preparedness and resilience through the work of its Disaster Preparation and Trauma Mitigation (DPTM) program. WCC has provided training and supportive services to more than 40,000 individuals affected by disaster.

The DPTM program provides volunteer management and self–care training for the entire responder community. WCC addresses a gap in training and support by working specifically with SUCVs and the emergency managers who utilize them. Since 2001, WCC has lent its unique perspective to the local, state and national Voluntary Organizations Active in Disaster (VOAD) as well as the Human Services Council in efforts to further gain support and understanding of this crucial aspect of disaster response. The actual preparation of individuals who may help in their neighborhoods and the manner in which official agencies look at managing this resource is critical to having the best possible relief effort.
Trainings and workshops have been presented nationwide including efforts in:

• Alexandria, VA
• Baton Rouge, LA
• Bloomington, IL
• Chicago, IL
• Fort Lauderdale, FL
• Harrisburg, PA
• New York, NY
• New Orleans, LA
• Oklahoma City, OK
• Paramus, NJ
• Raleigh, NC
• San Diego, CA
• Washington, DC

Seminars have included:
• Forums for Communities for a Resilient Future (operated jointly with Oklahoma's National Memorial Institute for the Prevention of Terrorism),
• Leading and Managing Spontaneous Community Volunteers in Response to Terrorism and Disaster (presented to members of NYC–OEM, Chicago OEM, Salvation Army, and American Red Cross)
• Self–Care Modular
• Disaster Volunteering.

In addition, WCC is among the agencies selected by NYC–OEM to staff Volunteer Disaster Centers in the event of an emergency. Major efforts were extended in New Orleans to help support the communities devastated by Hurricane Katrina. International consultation has also been provided to communities in Bermuda and New Zealand.

All of World Cares Center's efforts are underscored by our lessons learned from 9/11, the Gulf Coast hurricanes, and other disasters. The World Cares Center board, advisors and partners (including FEMA, NYC–OEM, American Red Cross, National Memorial Institute for the Prevention of Terrorism, and members of the New York City Fire and Police Departments) lend expertise and guide program development. Based upon the recommendations of WCC's advisors, DPTM continually improves its approaches to volunteer preparation and management, and responder self–care.

The relationships and lessons learned developed through World Cares Center's September Space program live on through our Disaster Preparation and Trauma Mitigation program.
The September Space experience has been monographed and is now shared through the Leading and Managing III training under the Disaster Preparation and Trauma Mitigation program. The September Space Community resiliency center model has been shared nationally, most recently with the committee developing the "Welcome Home Centers" in New Orleans.

Serves Coney Island, Staten Island, New York
Eligibility Survivors impacted by Hurricane Sandy 2012
Service Temporary

FROM THE SITE /HURRICANE SANDY:

First and foremost, we are concerned about your safety and well being. All of us at Islamic Relief USA pray that you and your loved ones are safe and secure in the aftermath of Superstorm Sandy. Unfortunately, so many of us have been affected by the devastation––that is why it is so important that we stand unified in our comittment to rebuild.

As neighbors helping neighbors, we will get the job done!

Islamic Relief USA staff and volunteers, from our New Jersey office and from around the country, helped at two shelters set up at Rutgers University. Working closely with the Red Cross, FEMA, and other local relief groups, we were able to register and assist some 600 evacuees.

Insha'Allah we will begin clean up efforts––with our partners Church of Jesus Christ Latter–day–Saints––in these hard hit areas: Coney Island, Staten Island, Little Ferry and Moonachie, Hoboken and along the Jersey shore, from Belmar to Toms River.

To donate go to:
http://a.cdn.irusa.org/content/uploads/2012/11/Screen–Shot–2012–11–02–at–5.57.17–PM.png

If you can volunteer, please connect with us to let us know:

1. Send an email with your name and contact information to:
ne@ irusa.org
2. Call us at: 973–774–3702

And, if you are volunteering, please bring shovels or any supplies you may have––the more resources we have the better. And please share this email, and encourage your friends or family to join these efforts too.

Together we will get through this.
Your family at Islamic Relief USA

HOW ISLAMIC RELIEF USA IS HELPING
IRUSA's Disaster Assistance Response Team (DART) met with members from the American Red Cross, the Federal Emergency Management Agency (FEMA), VOAD and other relief workers

met on Oct. 27 to strategize about the most efficient aid delivery methods in anticipation of the storm. The DART team then mobilized to New Jersey, where the storm was predicted to make landfall, to help with relief efforts. IRUSA's DART staff and volunteers provided shelter management services and helped however else needed at two separate hurricane shelters on the campus of Rutgers University until the shelters closed on November 2. The team was able to help more than 600 people.

Here are some of the specific ways IRUSA has been helping:

Providing situational reports
Providing support to the American Red Cross.
Providing cleaning services, dormitory patrol, child care, front–desk support, answering phones, and setting up cots.
Distributing blankets, clothing, food to evacuees
Interviewing evacuees to assess needs

IRUSA, in collaboration with the Church of Jesus Christ of Latter–day Saints, will also be helping with clean–up efforts across New Jersey and New York, specifically in Coney Island, Staten Island, Little Ferry and Moonachie, Hoboken and along the Jersey shore, from Belmar to Toms River. Please see the flier above if you'd like details about volunteering for these efforts.

From NVOAD notes:

Islamic Relief USA: DART arrived in New Jersey late Saturday October 27, 2012. The DART localized its response to individuals that live within the region. Islamic Relief USA has been in conversation with the Disaster Response community; conference calls have taken place with FEMA, American Red Cross and the VOAD. DART has reached out to its local membership to assist in this effort with the realization that this event may require a long term deployment. The DART has formed a group that will meet at the IR office at 3pm this afternoon. From this location, the team plans to move to the Command Center in Tinton Falls, New Jersey.

Children's Disaster Services deploys volunteers

Judy Bezon, associate director of Children's Disaster Services (CDS), traveled to New York on Tues., Oct. 30 to coordinate the CDS response with the Red Cross and assess where CDS volunteers are most needed in the heavily impacted areas. As of Nov. 2, nineteen CDS volunteers are serving in shelters on Long Island and in New Jersey.

CDS' trained and certified volunteers set up childcare facilities in shelters and other sites in cooperation with the Red Cross and FEMA, providing care for children and families affected by disasters.

11/6/12: Heart to Heart Activities Include supplying and distributing health supplies as well as setting up 2 mobile clinics*

Shipped 2,016 hygiene kits to a New Jersey food bank in partnership with Americares.

Shipped 702 hygiene kits to the Lord Stirling School for distribution by the New Brunswick, NJ OEM.

Heart to Heart has shipped 1,080 hygiene kits to Americares for distribution.

Shipped 4,044 hygiene kits and 8 pallets of bottled water for distribution. Partner: Metro Ministries

Shipped 360 hygiene kits,
one pallet of bottled water, 20 cases of Pedialyte, 20 cases of Ensure, 948 flashlights & 11 cases of batteries. Partner: Nazarene Disaster Response

Heart to Heart International shipped 2,040 hygiene kits to the Salvation Army for distribution. Partner: Salvation Army

Delivered nearly 200 hygiene kits, and worked with a Red Cross nurse providing medicine and care for Sandy evacuees in Red Cross Manhasset shelter.

After the Locust Valley* shelter closed, the MMU moved with about 120 evacuees to this larger shelter on November 1, 2012, increasing the population to about 300. The Mobile Medical Unit became a ER–type clinic, providing not just medications, but a medical workspace for area doctors and nurses to work in, giving care to those in the shelter.

Nassau Community College – Red Cross Shelter
After the Manhasset shelter closed November 5, 2012, Heart to Heart supported the transfer of approximately 200 Sandy evacuees to a larger shelter at the Nassau Community College.

Robert Frost Middle School – Red Cross Shelter
Heart to Heart supported a smaller Red Cross shelter in Deer Park.
Among the supplies delivered to a grateful volunteer staff: Hygiene kits, complete glucose testing kits, feminine hygiene products and OTC medications

The website link above is updated and kept current with volunteer needs for the Red Cross – Check it frequently. LTel 11/20/12

How You Can Help: Volunteer for Hurricane Sandy Shelters
October 29, 2012

The Red Cross expects this to be a large, costly relief response across several states, one that continues for several days, and we need your help now.

The Red Cross needs your help. Once Hurricane Sandy passes through our region, we may need to open up and maintain many shelters for those who were forced to evacuate their homes.

If you'd like to volunteer at a Red Cross shelter and are…

Over the age of 16
Available for 12 hour shift from Wednesday, Oct 31 to Friday, November 2.
Be ready to deploy to a shelter location outside of New York City and stay for up to 72 hours.
Able to lift and carry 30–40 lbs
Comfortable working with people in stressful situations

If you meet these requirements, please fill out our Spontaneous Volunteer Application: https://www.nyredcross.org/?nd=intake&logout=1&keeppage=1&ep=10650.

If shelters are needed, trainings for new volunteers will occur post–landfall.

What kind of donations are needed?

Unfortunately we are not able to accept individual donations or collections of items such as clothing, food or cleaning supplies. The cost to sort, package and distribute these types of donations to disaster victims is usually greater than the cost of purchasing the items locally, and it is logistically impossible to distribute a wide variety of individual items in a meaningful and equitable way.

The best way to donate is to make a financial gift. Visit www.redcross.org, call 1–800–RED CROSS (1–800–733–2767) or text the word REDCROSS to 90999 to make a $10 donation. Your gift enables the Red Cross to get prepared and provide shelter, food, emotional support and other assistance to those affected.

Those affected by the disaster should consider registering themselves at the Red Cross Safe and Well website to let loved ones know you are safe during this stressful time. Safe and Well is available 24 hours a day, 365 days a year, and is accessible in both English and Spanish.

RESOURCES AVAILABLE FOR ARCHIE CREEK FIRE EVACUEES
The American Red Cross and other organizations continue to provide resources and assistance to those forced to flee their homes from the Archie Creek Fire.

Posted: Sep 13, 2020 8:32 PM
Updated: Sep 13, 2020 10:06 PM
Posted By: Emma Jerome
DOUGLAS COUNTY, Ore. –– The American Red Cross and other organizations continue to provide resources and assistance to those forced to flee their homes from the Archie Creek Fire.

RELATED: ARCHIE CREEK FIRE: LATEST NUMBERS, EVACUATIONS AND MORE

The Red Cross has an emergency shelter set up at the Douglas County Fairgrounds, but they aim to set up anyone who comes by with a free stay in an area motel. Plus, evacuees don't need to worry about paying the bill either.

"As long as (evacuees) at a level 2 or 3 evacuation they are allowed to stay and we just work it out with the national Red Cross administration to block out those rooms in contract with the hotels so they are allowed to stay until they can go back to their homes," said Judi Mahoney, a volunteer with the Red Cross.

She says they've found rooms for 100 people.

The Red Cross is still accepting donations but they want it to be known they can only accept commercially packaged products that are brand new and not expired if they are food. You can bring donations to the Douglas County Fairgrounds.

The Red Cross site was initially set up in Glide but once people started being evacuated they moved to the Douglas County Fairgrounds.

Both those in need of help as well as people who want to donate can call the Douglas County Health Services COVID and fire hotline where people are being matched together based on what they can offer and what others need.

There is also a 24/7 Red Cross hotline. That number is 1-888-680-1455.

Oregon wildfire survivors
Oregon Wildfires And Straight-line Winds (DR-4562-OR)
If you sustained uninsured losses or damage due to wildfires beginning Sept. 7, 2020, you may be eligible for disaster aid. Federal funds are available to help eligible individuals recover from wildfire in Clackamas, Douglas, Jackson, Klamath, Lane, Lincoln, Linn and Marion Counties.

To apply, call 1-800-621-FEMA (3362)

Shelter Designations: When a Voluntary evacuation is recommended, Voluntary Relocation Shelters are those that will open first. Mandatory Relocation Shelters will be opened when a Mandatory Evacuation is ordered by the Governor or as needed to provide additional sheltering space. Additional Shelters are available and will be opened as needed. Stay tuned to local radio and TV stations for shelter openings, locations, and updates. NEVER go to a shelter unless you know it is open.

Public Shelters Address Designation:

Cainhoy Elem/Middle School 2434 Cainhoy Road – Huger – Voluntary
Goose Creek High School 1137 Red Bank Road – Goose Creek – Voluntary
Hanahan Middle School 5815 Murray Drive – Hanahan – Voluntary
Berkeley High School 406 W. Main Street – Moncks Corner – Voluntary
St. Stephen Elem. School 1053 Russellville Road – St. Stephen – Voluntary

Cross Elementary School 1325 Ranger Drive – Mandatory
Sangaree Elementary School 1460 Royle Road – Sangaree/Ladson – Mandatory
Westview Primary School 98 Westview Blvd. – Goose Creek – Mandatory
Macedonia Middle School 200 Macedonia Foxes Circle – Mandatory

Special Medical Needs Shelter:

Berkeley Intermediate School
777 Stoney Landing Rd. – Moncks Corner

ITEMS YOU SHOULD TAKE TO THE SHELTER
Shelters are not prestocked with personal comfort items. For your personal comfort, it is highly recommended you arrive at the shelter prepared for a three day stay. The following is a recommended list of essential items:

One blanket or sleeping bag, and pillow per person. If you have a cot or air mattress bring it, as well.

Lawn chair / chaise lounge.

Any special dietary requirements. Non–perishable packed or canned food, including high energy snack items.

One gallon of water per person per day, in clean plastic containers. Do not bring glass containers.

Any required medicines, especially prescription drugs. The style & serial number of special medical devices such as pace makers.

Personal hygiene and sanitary items.

A change of clothing, rain gear and sturdy shoes.

Special items for infants, elderly or disabled family members.

An extra set of car keys.

Credit cards and cash. (not for use at the shelter, you'll need these when you return home).

Important family papers and documents (Birth & Marriage certificates, Insurance polices, etc.).

Flashlights, with extra batteries.

Battery powered radio or TV, with extra batteries.

Books and games.
Shelter Rules

1. You MUST sign in upon arriving and sign out upon leaving
2. No alcohol or non–prescriptions drugs
3. No smoking is permitted inside of the shelters
4. No guns or weapons
5. No pets
6. No disorderly or disruptive behavior
7. Shelter users must be respectful of the building and grounds being loaned to them as a shelter. Somebody else owns the facility. You are their guest.
8. Be courteous and respectful others

Volunteers are needed to manage and provide assistance in our emergency shelters. Excellent training is provided. If you are willing to help your community, contact American Red Cross Disaster Services at 843–764–2323.

Disaster Alert: Severe Weather and Wildfire in South Dakota
July 22, 2012

Disaster Alert

South Dakota- A severe storm with possible tornado activity destroyed homes, damaged others and left residents in the Pine Ridge Reservation without power late Saturday night.

The Black Hills Area Chapter communicated with local officials deployed team members and provided individual assistance to disaster victims.

Additionally, the Iron Shell Fire burned hundreds of acres, closed roads, threatened homes and prompted the evacuation of residents within the affected area of Todd County on Saturday.

The Black Hills Area Chapter deployed Disaster Action Team members, dispatched a disaster trailer, opened a shelter and provided Mass Care for scores of evacuees.

Safe and Well

After a disaster, letting your family and friends know that you are safe and well can bring your loved ones great peace of mind. This website is designed to help make that communication easier.

Register Yourself as “Safe and Well”
Click on the “List Myself as Safe and Well” button to register yourself on the site.

Search for Loved Ones
Concerned family and friends can search the list of those who have registered themselves as “safe and well” by clicking on the “Search Registrants” button. The results of a successful search will display a loved one’s first name, last name and a brief message.

Greater Austin/Bastrop Fire Relief

On Sunday, September 4th, fires broke out across Central Texas. Authorities say 38,000 acres have burned in Bastrop, destroying over 750 homes, 300 acres in Leander/Cedar Park destroying 15 homes/trailers, 7,000 acres in Pedernales destroying 30 homes/damaging 20 homes, 175 acres in Pflugerville damaging two homes, and 150 acres in Steiner Ranch, destroying 24 homes and damaging over 20 homes (Austin, Tx). ADRN will be assisting several of these families that did not have insurance or suffient coverage to meet their immediate needs. If you would like to make a cash donation to the Greater Austin/Bastrop Fire Relief Fund, in order to begin rebuilding the lives of those affected by this catastrophic disaster, please click on the donate button below or mail your check to:

The goals of ADRN are to:
• Build a communication infrastructure
among local churches, ministries and
businesses that will enable and empower
the Body of Christ to adopt and provide for the physical, emotional and spiritual needs
of families affected by disaster.

• Organize resources needed in
times of disaster.

• Collaborate with the City of Austin, Surrounding Counties, VOAD and all other disaster relief organizations.

• To provide Shelter Training to equip and prepare volunteers within each participating organization within the network.

• For the Body of Christ to be prepared before the next disaster strikes.

Round Rock Express Baseball Club – 2011 TX WILDFIRES (DONATION COLLECTION)

Donor · Open

The Railyard, Round Rock, TX

Service Temporary

FROM THE SITE 9/6/11:

ROUND ROCK, Texas – The Round Rock Express Baseball Club today partnered with the American Red Cross of Central Texas to provide aid to local residents affected by recent wildfires in Central Texas. Beginning Wednesday at 10:00 a.m., The Dell Diamond, home of the Express, will become a central drop–off point for household items and clothing intended for victims of the fires.

All items can be dropped off at The Railyard, the official team store of the Express, from 10:00 a.m. to 4:00 p.m. weekdays and during upcoming playoff games.

In addition, the Express are offering any resident displaced due to recent wildfires free admission to Pacific Coast League American Conference Championship Series games held at The Dell Diamond. Round Rock hosts the Omaha Storm Chasers at 7:05 p.m. Wednesday and Thursday in the first round of the PCL playoffs. To qualify, proof of residency is required in person at The Dell Diamond ticket office.

To provide the most effective response, the Red Cross recommends the following items for donations: sleeping bags, blankets, pillows, towels, shampoo, body wash, toothpaste, paper plates, cups, napkins, plastic utensils, spray deodorant, disposable razors, shaving cream, baby diapers, baby wipes, baby shampoo and hand sanitizer.

For more information, contact Round Rock Express Communications and Baseball Operations Manager Tim Jackson at 512.238.2217 or tjackson@rrexpress.com.

The Disasters Emergency Committee (DEC) Member Agencies
The Disasters Emergency Committee (DEC) is made up of 13 member agencies who provide humanitarian aid in times of disaster.

The 13 member agencies are:

* ActionAid
* Age UK
* British Red Cross
* CAFOD
* Care International UK
* Christian Aid
* Concern Worldwide
* Islamic Relief
* Merlin
* Oxfam
* Save the Children
* Tearfund
* World Vision

The agencies are the leading UK registered humanitarian charities that fulfil certain criteria. DEC agencies have the profile to ensure successful national appeals and expertise in the delivery and provision of aid.
