Algiers & Isaac

Here on Teche Street in Algiers Riverview, CGHC was very fortunate with regard to the impacts of Hurricane Isaac. We never lost power at the clinic, so we were able to re-open quickly and are operating on our usual schedule, seeing patients by appointment, Monday through Thursday. Isaac has had an economic impact on our patient community, however, directly affecting access to food and medication for many people. Donations of supplies and funds are being collected on our behalf through InterOccupy, and any support you are able to give is appreciated.

About The Resource Guide

This electronic version of the New Orleans Community Resource Guide is the result of a partnership between the Common Ground Health Clinic and VOTE (Voice Of The Ex–offender).

Our purpose is to create a web–based clearing house of information that is accessible to community members as well as service providers. Our hope is simple and straightforward: That more people who need these resources will be able access them.

The New Orleans Community Resource Guide began as a one–page information sheet distributed by the volunteer staff of the Common Ground Health Clinic in the immediate post–Katrina period of 2005. With the support of REACH NOLA, and the labor of numerous staff and volunteers over the years, the guide has grown into a comprehensive document with over 300 listings of agencies providing social services across Greater New Orleans.

The Common Ground Health Clinic publishes updates to our guides twice yearly, and collaborates with other organizations to produce editions that focus on particular neighborhoods or topics. Our intention with our resource guides is to increase public access to information and services that are free or low–cost. Most of our listings are for locations in Orleans & Jefferson Parishes. Our staff and volunteers check the information for all listed services for accuracy every 2–6 months.

Every attempt has been made to make this guide as complete and accurate as possible. However, should you have any questions, additions or suggestions you feel should be included in the next edition, please contact Coleen Murphy at the Common Ground Health Clinic, 504–365–8800, cghcguide@gmail.com
About the Common Ground Health Clinic

Founded by volunteers during the aftermath of Hurricane Katrina on September 9, 2005, the Common Ground Health Clinic sees 450–500 patients each month, and works in the community to address societal factors that contribute to ill health, such as systemic racism and poverty.

Patient services include primary care, herbal medicine, social work, acupuncture, dermatology, endocrinology, referrals to behavioral health and cardiology services and Spanish language interpreting.

Although fees for service are requested on a sliding scale, no patient is turned away for inability to pay. Additionally, our Latino Health Outreach Project mobile unit sees patients in varying areas of the city each week, and serves as patient advocates for Spanish speakers.

CGHC's mission is to provide quality health care for the greater New Orleans community, and develops and provides programs to address community health care needs through collaborative partnerships.

Our goals are to: provide quality integrative healthcare; provide quality healthcare education for preventive self–care; create an environment conducive to patient, staff and volunteer learning; work in an anti–racist paradigm.

2021 Hurricane Ida response:

Hi everyone -- our team is safe from Hurricane Ida (including Abita)! But we know there's a long road ahead.

As we have more information about storm impacts, we will announce specifics about how we will support food distribution, debris removal, and roof tarping efforts in the Lower Ninth Ward and throughout Southeast Louisiana. We look forward to supporting our community and neighbors as much as we can.

For now:
- If you are a SELA resident, submit requests for cleanup help at crisiscleanup.org, and let us know what needs you see on the ground (generators, gas, water, solar chargers, hot meals, MREs, tarps??). If you are in need of financial support for evacuation or relief, request funds via this mutual aid form bit.ly/3zt3bG8 set up by our amazing team member Alaina and their partner Quinn
- If you want to help SELA, please consider offering your time or funds. Complete our volunteer interest form here https://forms.gle/vGZfZJ8ub9LfR57LA or sign up to volunteer with city-led relief efforts here https://ready.nola.gov/volunteer/. You can donate to the above mutual aid fund by sending funds to $maneatingpearl via Cash App. Donate to Common Ground Relief using the link on our page; funds will go towards immediate food and shelter relief, food security, and environmental restoration in SELA.

Devoted and kind long term volunteers wanted to help at the Ninth Ward Women's Center in New Orleans. It's a family–style shelter that houses 18–20 women and children of all ages and backgrounds. The goal is to provide our residents with resources to find permanent jobs and housing with the eventual goal of independent living for each woman.

The volunteer positions vary from case management to house manager and assistant manager. You do not need to have lots of experience (or any experience!) working in a shelter, but you do need to have patience and enthusiasm for sometimes stressful tasks.

This job is incredibly rewarding, and while we can not offer any pay, we can offer room and board and a lovely time in the city of New Orleans!

Please email with further inquiries and interest...tell a friend and see the Crescent City from a new point of view!

PROJECT DESCRIPTION: The Upper 9th Women's Center challenges systems that put female hurricane survivors and their children in harm's way. We are a resource center, emergency housing facility, and provide assistance with obtaining social services, such as help finding housing, FEMA, WIC, food stamps, and other available benefits.

Application Process (for all types of volunteers): Send us an email about who you are, how long you plan to volunteer, and why you are interested in working with the Common Ground Women's Center. You may email Caroline Heldman at heldman(at)oxy.edu, with questions.

2 weeks minimum required for all volunteers.

Volunteers are currently steering projects such as Free Breakfast, home schooling, after-school activities, daycare, tutoring, gardening, and bike building through RUBARB's Earn-A-Bike Project for youths at the center. As a center, we continue to work on building infrastructure, communication skills and solidarity with the women and children of New Orleans and the Common Ground community.

Volunteers assist women in finding jobs, housing, social benefits, house and yard work. They are able to get involved in home schooling and after school activities with the children at the center, and support media work by writing press releases, letters, editing videos, and setting up events.

Understand that if you come here you are assisting a pre-existing community and culture, not trying to change it.

Terra talked to Evan. They want to be volunteer coordinators. Not clear how many people they've got, or if they actually get their hands dirty or not.

Not sure if it's an "official" outshoot of the Common Ground people in Louisiana or not. But then again, CG is so loosely organized, perhaps it doesn't matter. Perhaps anyone can establish a CG operation anywhere. Wouldn't that be nice...
