FROM THE SITE:

Prodisee Pantry is providing love, hope and comfort to some 600 families per month through emergency food and referrals. As the recession has deepened so has the feeling of despair among a growing number of Baldwin County families in need. So many say they never thought they would ever have to ask for help. Prodisee Pantry gives HOPE by Helping Ordinary People Everyday!

Prodisee Pantry is staffed by volunteers. Our client base continues to grow and so does our need for additional volunteers to handle this increase.

* Monday: a basic workday when volunteers, sort, shelve and pre-box food items. Hours: 8:30 to 11:00am
* Tuesday: Greeting families, filing applications, interviewing clients, bagging and boxing groceries, stocking shelves, assisting clients to their cars and securing community support through contributions of food items and/or cash donations. Hours: 8:30am to Noon.
* First Monday of the Month: general work night. Hours: 6:30 to 8:30pm.
* Wednesday: general work night. Hours: 6:00 to 7:30pm
* Weekdays: secretarial assistance. Hours: 8:30am to 2:30pm

For more information on how you can help, call Deann Servos at 626-1334, ext 124 or 626-1720 or director @prodiseepantry.org.

The Bay Area Food Bank has prepared its warehouse by stocking enough food for relief and preparing for the possible not–so–calm after the storm. But due to reports from the National Hurricane Center that make the Food Bank community in the middle of Gustav's path, the Bay Area Food Bank is working with America's Second Harvest and Food Bank's across the Gulf Coast to prepare for the worst–case scenario.

The Food Bank is a member of America's Second Harvest, the Nation's Food Bank Network. And, because the Food Bank serves 24 counties across over 300 miles of the Mississippi, Alabama, and Florida coast, this hurricane has the potential to have an impact on its service area.

The 205 Food Banks in the America's Second Harvest network have already worked together following the Midwest flooding and Hurricane Dolly and stand ready to assist on the Gulf Coast if needed.

Community Food Bank (CFB) serves as the center of a vast network of agencies located throughout Fresno, Madera, and Kings counties. These agencies are food pantries, residential shelters, community kitchens, adult and child day care centers, and so much more! Community Food Bank is involved in the solicitation, acquisition, warehousing and distribution of the food that these agencies acquire and serve to those in need. Currently, CFB has 150 member agencies. For information about becoming a member agency and qualifications click here.

Community Food Bank began in May of 1992, with the name Food Opportunities Organization and Distribution, Inc. (or, FOOD, Inc.). It was formed from through the efforts of a steering committee of the United Way. In 1994, FOOD Inc. became the local management agency for the USDA Emergency Assistance Food Program (EFAP). CFB currently manages 50 EFAP sites for Fresno County. In 1995 it merged with Fresh Food Link, and acquired a larger facility. In 1997 FOOD, Inc. became Community Food Bank, and we have continued to grow ever since.

In November of 2005 CFB kicked–off the Mobile Pantry Program. This program directly distributes fresh produce and healthy foods to children, families, families with infants, and the elderly. Eating a healthy diet is very important for the community, this is why our Mobile Pantry Program includes nutrition education in the food distribution.

Los Angeles Regional Foodbank is a nonprofit charitable organization that has been serving the disadvantaged of our community for 35 years. We are at the heart of a charitable food distribution network that includes nearly 900 charitable agency sites in Los Angeles County. A voluntary board of directors provides guidance and oversight for Foodbank activities.

The Los Angeles Regional Foodbank is a partner with Feeding America (formerly America's Second Harvest) Feeding America is the nation's largest non–governmental, domestic hunger relief organization. As a partner, we follow the guidelines put forth by the network and are subject to monitoring. Los Angeles Regional Foodbank upholds the highest standards of charitable food distribution. We are also connected to and cooperate with food banks throughout the country.

Los Angeles Regional Foodbank is the only Feeding America affliated food bank in Los Angeles County.

From Warehouse to Table
Food is donated to Los Angeles Regional Foodbank from local and national food manufacturers, wholesalers, supermarkets, restaurant suppliers, packers, processors and brokers. Once a shipment of food is received at our warehouse, it is sorted, inspected, and if necessary, repacked for distribution to participating charities in Los Angeles County.

We sort, inspect, repackage and distribute thousands of pounds of food each day with the help of dedicated volunteers. Last year, 13,000 volunteers contributed over 60,000 hours of service.

Charities order and pick up the products they need from the Foodbank on a weekly basis. They then serve the food to needy families, children and individuals free of charge. Through these charities, over 674,000 people receive healthy meals each year.

Volunteer:

Without volunteers, the Foodbank would not be able to provide food for thousands of hungry people every week. Get together with a social, church or work group and spend a day with us.

To learn more about becoming a Foodbank volunteer, contact our volunteer coordinator at (323) 234–3030, extension 144 or amartinez@lafoodbank.org.

Feeding America San Diego is the newest Feeding America member food bank and the only non–profit in San Diego County that has access to Feeding America nationally donated food by national manufacturers such as Kraft, Del Monte, and Kellogg's.

The donated food is free to Feeding America San Diego. We only have to pay for the transportation costs. Consequently, we can access food for only 10 cents per pound.

This makes us one of the most effective and efficient hunger–relief non–profits in San Diego County

Feeding America San Diego is one of Feeding America's newest member food banks with our very first distribution occurring on October 9th, 2007.

Shortly after our first distribution, fire storms struck San Diego County and we responded by bringing in 27 truckloads of food and other emergency supplies to assist with the relief efforts all within the first seven days. Since then we have continued to help those most in need – young children, working families, the elderly, and the homeless.

We are proud to say that within our first year of operations we will have provided nearly three million pounds of emergency food to hungry families in San Diego County with most of our food being distributed without a warehouse, forklift, or pallet jack. We project that next fiscal year we will distribute over 10 million pounds of food to those most in need.

We are currently rolling out several initiatives: The Healthy Food Initiative, the Children's Nutrition Initiative, and the Senior Nutrition Initiative. Other programs include the BackPack Program, Fresh Rescue, Food Stamp Outreach, Mobile Food Pantry, and our Reclamation Project.

But we can't do it alone. We need your help. More than 35.5 million Americans –12% of the population and 17% of our children don't have enough food. Locally, we have over 309,000 people experiencing poverty in San Diego County with over 600,000 people living in San Diego County living in Food Insecure households – please help us help them.

Thank you for your assistance.

Hunger hurts. Second Harvest Food Bank can help.

Following are programs which serve as vehicles for feeding people.

Partners in Need provides food assistance to low–income Food Bank volunteers. Call 1–800–984–FOOD (3663) for information about registration times and locations. Photo identification and proof of household income is requested to register.

Food Assistance Program provides a variety of grocery items to hundreds of non–profit agencies in Santa Clara and San Mateo county neighborhoods. These hot meal programs, emergency food pantries and shelters serve a culturally diverse clientele of individuals, families with children and seniors. Call 1–800–984–FOOD (3663) for a referral to food resources near you.

Operation Brown Bag is a self–help program that gives low–income seniors a weekly bag of groceries. Seniors must be 60 and older or 55 and disabled. For locations and how to register, call 1–800–984–FOOD (3663). (You may also volunteer for Operation Brown Bag.)

Family Harvest provides monthly groceries to low–income families with minor dependent children. For locations and how to register, call 1–800–984–FOOD (3663). (You may also volunteer for Family Harvest in Santa Clara County or San Mateo County.)

Second Harvest Food Bank of Santa Clara and San Mateo Counties is a private non–profit organization that collects and distributes more than 30 million pounds of food each year to low–income children, adults and seniors. The Food Bank currently serves an average of 162,000 individuals each month; nearly 60% are families with dependent children. Click here to see how we work.

Our Mission

Providing food for people in need in our community.

Brief History

The Food Bank, Inc. of Santa Clara County was formed in 1974 by Economic and Social Opportunities, and incorporated as a non–profit agency in 1979. In 1988, the San Mateo County Food Bank merged with The Food Bank, Inc. of Santa Clara County to become Second Harvest Food Bank of Santa Clara and San Mateo Counties.

Second Harvest Food Bank is a certified member of America's Second Harvest, a network of food banks and food distribution programs in the United States. This membership allows Second Harvest Food Bank to cooperate with other member food banks, to receive food from national corporate food donors, and to benefit from national publicity and mutual support.

In 1992, Second Harvest Food Bank moved into a new 65,000 square foot warehouse in San Jose which serves as its main food distribution center. In June of 1995, the Peninsula Distribution Center began serving San Mateo County in a newly renovated 22,000 square foot warehouse in San Carlos.

Mission Statement

FoodLink is committed to ending hunger by providing healthy food and nutrition education to those in need through community involvement.

Who We Are

FoodLink for Tulare County, a nonprofit organization, has been working to end hunger in Tulare County since 1978. FoodLink warehouses and distributes millions of pounds of food annually to a network of more than 80 local nonprofit agencies, which directly feed needy families. In 2005, food distributed through FoodLink's efficient network of food collection, preservation,

and distribution reached more than 80,000 people, with more than half of those served being children.

But food distribution alone is not enough to end hunger in our area. FoodLink also works to combat hunger through hunger–relief advocacy, and to eliminate its long–term effects through proper nutrition and health education.

Food Donations Critically Needed for Flood Relief
Posted 07/02/2008
Freedom from Hunger food asks for help due to the flood

CEDAR RAPIDS, Iowa (July 3, 2008) – Freedom from Hunger organizers say the need is greater than ever to collect food this summer because of the increased demand caused by historic flooding in Eastern Iowa.

Under normal circumstances, nearly 3,000 Linn County households seek emergency food assistance each month, but that number is expected to soar due to the flood.

“Several of our major donors were severely impacted by the flood and we need employers who were not affected to help in any way they can,” said Barb Elsasser, director of the HACAP Food Reservoir and co–chair of the Freedom from Hunger planning committee. “The number of families needing food assistance has increased dramatically due to the fact that 25,000 people were displaced by the flood.”

Area businesses or other employers interested in participating can call Elsasser at (319) 393–7811.

During July and August, employers are encouraged to collect all non–perishable items, but there is a specific need for beef stew, tuna, macaroni and cheese, chili with meat, peanut butter and canned fruit. Donations of pasta, instant potatoes and canned soup are also especially encouraged. All items should be consumer–sized, as employees must remember these food items are going to families, and large items are impractical and unusable for them. Please do not donate glass, outdated or perishable items.

Last year, 48 area companies or organizations participated in or supported the drive, which raised a record 84,972 pounds of food.

BankIowa, the Linn County Supervisors Witwer Trust, the United Way of East Central Iowa, area Veterans, the Cedar Rapids Kernels, HACAP Food Reservoir, the Linn County Continuum of Care Planning and Policy Council and the Cedar Rapids Freedom Festival are again teaming up to sponsor this year’s Freedom from Hunger food challenge, which is in its sixth year.

The Food Reservoir Program:

The HACAP Food Reservoir is located at our corporate site (1515 Hawkeye Drive in Hiawatha, Iowa). It currently serves food pantries and related programs in Benton, Cedar, Iowa, Johnson, Jones, Linn and Washington Counties. You can contact us at info@hacap.org. If you live outside our service area, please call 2–1–1 and request information on food pantries in your community.

As a member of America's Second Harvest, the Nation's Food Bank Network, the HACAP Food Reservoir channels donated products to area soup kitchens, pantries, senior & child care centers, drug & alcohol centers and other non–profit food programs that feed the needy.

Distributes approximately 1.3 million pounds of food to local organizations;
Provides over 5,000 food boxes a year for families in need;
Serves as a clearinghouse and food distributor for Holiday Assistance Programs, which help over 2,800 families annual;
Operates the HACAP Adopt–a–Family Program that links over 300 families with individuals and organizations wishing to donate food and gifts to needy families; and
Saves the 116 member agencies over $2,000,000 in food costs, based on wholesale costs, thereby allowing them to spend those funds on other program activities and services.

Feeding America, through Ozarks Food Harvest and six network members serving Missouri, is responding to the emergency food assistance needs of people impacted by tornadoes that devastated Joplin, MO on May 22

The majority of residents have no power, and most areas, including the local hospital, has no running water. Many people are moving in with family and friends, but food is starting to spoil. We anticipate a dramatic increase in need for food for the weeks and months ahead as people try to pick up the pieces of their lives. Our food bank network has assembled supplies estimated at $650,000 in just the past two days. As shelters disband, many people will be looking for food assistance for the very first time.

Feeding America has been working to support relief efforts in the regions impacted by record flooding and tornado outbreaks since April. As the men, women, and children effected by these storms attempt to put their lives back together our network will continue to be in emergency mode to address the additional demand for food and grocery items for many months to come.

Below is an update (June 2, 2011) on the Massachusetts Tornado situation from FEMA (Federal Emergency Management Agency)

Massachusetts Tornadoes, Wednesday, June 1, 2011

At around 4:30 EDT on Wednesday, June 1, 2011 a line of severe weather crossed from western part Massachusetts heading east. Damaging tornadoes passed through the Springfield area. A second tornado is reported to have later struck the same region. It was reported that hundreds of homes were damaged and thousands of trees were down.

Massachusetts Governor Deval Patrick declared a state of emergency effective at 7:10PM on June 1. Nineteen (19) communities are reported affected including the towns of: Westfield, Springfield, West Springfield, Monson, Agawam, Charlton, Oxford, Palmer, Sturbridge, and Wilbraham, among others. The Governor has directed that all non-emergency Executive Branch employees living or working in Hampden, Hampshire, Franklin and Worcester Counties should not report to their workplaces Thursday, June 2. In addition, 23 schools were closed and 21 businesses in the affected communities on Thursday.

The National Guard has called up approximately 1,000 troops to assist in rescue and response efforts. Troops are being dispersed from three locations, one in Springfield, one in Ware, and one in Worcester.

At least four people have died as a result of the tornado. One person was killed in West Springfield when his car overturned, two in Westfield, and one in Brimfield. Details of those 3 fatalities have not yet been released.

Jane Albert of Baystate Medical Center told 22News that the hospital is caring for 25 people who are injured, 10 of whom are in the trauma unit. There are at least 20 other reports of injuries.

In Springfield, Mayor Domenic Sarno said that the South End, East Forest Park, and Sixteen Acres were the sections of the city that were hit the hardest. The Indian Orchard neighborhood also saw damage.

There was a total of more than 60,000 power outages in communities serviced by Western Massachusetts Electric Company. As of 8:49am Thursday, June 2, about 14,000 are still without power. Sandra Ahern from Western Massachusetts Electric Company reports that there are more than 80 utility poles down in the Sixteen Acres and East Forest Park neighborhoods, where she said that they do not anticipate power will be restored for a couple of days.

Voluntary Agency Efforts

Local volunteers are currently supporting relief efforts in Springfield and communities throughout the jurisdiction with sheltering, canteen and mental health counseling.

The American Red Cross reports 5 open shelters as of Thursday morning, with populations in each. Of the 5 shelters reported open, the Red Cross is managing 2 in Springfield, and 1 in Monson. In addition there are 2 Red Cross–supported shelters in collaboration with local emergency officials, and 1 community shelter that the Red Cross is looking to assist with. The Mass Mutual Center in Springfield reported approximately 400 people being sheltered at its height late Wednesday night, with approximately 200 people remaining this morning. There are approximately 45 people at the West Springfield location and 35 in Monson. Pet sheltering has not been set up at any of the shelters as of Thursday morning.

The Red Cross is supporting feeding efforts at the open shelters, in addition to feeding approximately 300 first responders at the Basketball Hall of Fame in Springfield, in collaboration with the Salvation Army, and approximately 150 first responders in Monson. The Red Cross is not engaged in mobile feeding at this time.

The Salvation Army has set up a canteen service at the Command Post in Westfield to support first responders, and a canteen is also stationed in Brimfield. Canteen drop offs are occurring in Monson. The Salvation Army is also supporting canteen efforts at the Basketball Hall of Fame in collaboration with the Red Cross. The Salvation Army is beginning mobile canteen services, driving around affected communities, and providing psychological first aid as of 10am Thursday morning. 11 volunteers are currently engaged in Salvation Army activities, with approximately 5 additional volunteers working in the kitchens to prepare meals. 2 facilities in Springfield are on standby as possible temporary shelters if needed.

SPRINGFIELD, Mass. (WWLP) – In the aftermath of Wednesday's tornado damage , several major Western Massachusetts roads are closed for the Thursday morning commute. Here is a list of some major roadways that are closed.

SPRINGFIELD:

· Avoid downtown in general, South End; the less cars on the street the better for emergency crews working to assess threats (power lines, gas leaks) and remove obstructions (tree, debris)

Major closures:

· Plumtree Road from Allen Street onwards– impassible

· Main Street from State Street and southward

· Tinkham Road

· Parker Street from Wilbraham Road to Cooley Street

· Island Pond Road from Allen Street to Roosevelt Ave

WEST SPRINGFIELD:

· Union and Main run parallel– this is where the main impact occurred; basically the path of the tornado itself– this area is called the Merrick section of W. Spfld

· From Park and Union to Park and Main

· Union St. from Memorial Ave. to Park St.

· Main and Memorial

· All closed to all except emergency vehicles

· Police are essentially sealing off that entire area

· All obstructions are contained within that grid

WESTFIELD:

· Shaker Road– closed from Little River Road to Cardinal Lane

· Shaker Road closed at Canal Drive when coming in from Tannery Road/Ponders Hollow

· Entire section of Pontoosic Road from Feeding Hills Road to Crescent Circle (nearly the entire run of this road in the city)

WILBRAHAM:

· Tinkham Road is closed from Stony Hill Road to Bolles Road

· Monson Road is blocked–off from Main Street to Ridge Road

· Main Street and Stony Hill Road are open, but you are asked to use extreme caution

MONSON:

· Just avoid the entire downtown area of Monson

· There was significant damage to police building

BRIMFIELD

· Route 20 closed through the entire length of town

· Route 19 closed for the entire length of town

Subsidiary Food Banks–Seventy–four counties in Mississippi and 12 parishes in Louisiana make up the MFN's assigned service area. In order to locate food bank warehouses closer to the charities, three subsidiary food banks have been established as follows:

The Food Bank of South Central Mississippi in Brookhaven. This food bank serves charities in 9 south central Mississippi counties.

Details: http://www.msfoodnet.org/memberagencies.htm

Partners:

Membership is limited to religious organizations or to out–reach programs recognized by the Internal Revenue Service as being non–profit 501(c)3, and who meet certain standards. These standards deal with such things as determining legitimate need, not charging the needy for food; non–discrimination in any form; proper record–keeping; food handling procedures and avoiding duplication of service.

There is no charge to become a member, nor is there a minimum order size. Periodic visits to member charities are conducted by both Mississippi Food Network (MFN) personnel and personnel

of the Mississippi Department of Human Services for the purpose of monitoring performance. There are over 400 organizations that are member charities of MFN.

Great Plains Food Bank accepting donations for Minot flood victims
The Great Plains Food Bank serve as the central collection point for donations of nonperishable food, personal care items and cleaning supplies to help residents in Minot and the surrounding area affected by flooding.

FARGO — The Great Plains Food Bank announced Thursday it will serve as the central collection point for donations of nonperishable food, personal care items and cleaning supplies to help residents in Minot and the surrounding area affected by flooding.

The products will be used for those seeking help at shelters and mobile feeding units, during clean–up efforts and at food pantries and other charitable feeding programs expected to see increased demand because of the flood.

“Whether it’s a few items or a few pallets, we know how passionately the Cass–Clay community responds to crisis,” Steve Sellent, program director for the food bank, stated in a news release. “With the severity of this disaster, we know that a tremendous amount of resources will be needed in the Minot region in the days and weeks ahead.”

Items may be dropped off at the Great Plains Food Bank at 1720 3rd Ave. N. in Fargo. Hours are 8 a.m. to 8 p.m. Friday and Saturday, noon to 5 p.m. Sunday and during regular business hours starting Monday.

The items will be sorted, and the first truckload of food is scheduled to arrive this morning in Minot.

An estimated 15 or more semi–loads will be distributed to the Minot region through donations from various food banks, food industry donors and items collected from the community, the release stated.

To volunteer for the effort, call the Great Plains Food Bank at (701) 232–6219.

Food donations also will be collected through July at Fargo–Moorhead’s six Hornbacher’s stores, four Sunmart stores, two Cash Wise Foods stores and three Walmart stores. Collection barrels will be clearly marked at the stores’ front entrances.

Food Pantries & Feeding Sites Directory:

Feeding Hope
The Great Plains Food Bank touches the lives of more than 52,000 children, seniors and working families each year who struggle with, or are at risk of hunger. Each year over 5 million pounds of surplus food is donated by local, regional and national food industry partners. This food is then distributed to people in need through our statewide network of 230 member food shelves, emergency shelters, soup kitchens and other charitable feeding program in 80 communities.

Red River Flooding: Update

Red Cross Moves Supplies into North Dakota as Rising Flood Waters Threaten
Trailers Filled with Cots, Blankets, Meals Begin Arriving in Fargo

As residents of the Red River valley prepare for potentially record flooding, the American Red Cross is moving into position to provide help where needed. More than 24,000 prepackaged meals are expected to arrive today, along with thousands of cots, blankets and toiletry kits.

These supplies are expected to be used for evacuation shelters, which may open within the next 48 to 72 hours, depending on weather conditions. In addition, the Red Cross is gearing up for an extended relief operation, placing volunteers from around the nation on stand by to move to North Dakota when needed.

The Red Cross already has five mobile feed trucks in the area providing food and drinks for the volunteer crews racing to fill 1.9 million sandbags needed to fight the flood waters. The city has set up Sandbag Central, where machines fill sandbags around the clock. About 400,000 to 500,000 bags must be filled each day to reach the goal of 1.9 million by the end of the week, according to local officials.

Major flooding hit the area in 1997, after which a levee system was built to protect the city of Fargo. However, weekend storms increased the flood threat and sped up emergency preparations in the Red River Valley. Flood stage is 18 feet, and some forecasters are reporting the river could rise as high as 52 feet above flood level over the next week, worse than conditions in 1997.

The FoodBank Brings Healing And Hope To The Jersey Shore
The FoodBank of Monmouth and Ocean Counties distributes approximately 7 million pounds annually through a network of 260 feeding programs, such as soup kitchens, food pantries, and shelters. One out of every ten people living in Monmouth and Ocean Counties receives food from The FoodBank.

Since Superstorm Sandy struck the Jersey Shore on October 29, 2012, The FoodBank has been actively involved in the work to bring relief and comfort to the communities we serve.

Working shoulder to shoulder with relief agencies, government programs and others involved in the recovery effort, we distributed food for approximately 1 million meals.

Here are some of the ways The FoodBank has helped in the recovery process:

We provided food for hot meals prepared by emergency feeding programs for displaced residents in communities across Monmouth and Ocean Counties.

Our Culinary Kitchen prepared hot meals daily for churches and civic organizations serving storm–stricken communities.

Disaster kits and other critically–needed items were delivered to some of the region’s most hard–hit areas.

We are working to rebuild agencies that were damaged by the storm. Several food pantries incurred heavy losses of food and equipment. Many others are coping with the influx of hundreds of additional families in need of emergency food.

Our work is far from over. Helping our neighbors as they rebuild their homes and their lives will take months, if not years. Our

most critical need at this time is financial support – a $1 donation can provide 3 meals. In partnership with all of our supporters, we will continue to deliver food and hope to all those in need in Monmouth and Ocean Counties.

If you need assistance, click on the “Need Help” tab on the website. To find out how you can help, click on “How to Help” above or call us at (732) 918–2600.

FROM THE SITE 11/20/12:

Hurricane Sandy Relief Efforts
So far, 150 truckloads––or 4.9 million pounds––of food and grocery items have been secured. Feeding America food banks have generously provided 22 of those truckloads. Feeding America food banks have been incredibly generous through offers for products and personnel—and members in the affected areas have expressed their deep gratitude for the outpouring of support from across the network.

From the NYVOAD Member Directory:

Organizational Structure

The New York State Feeding America Network (formerly named America’s Second Harvest) is comprised of the ten regional food banks and food rescue organizations working together statewide to reduce statewide hunger. The NYS Feeding America Network rescues over 145,993,883 pounds of food annually and redistributes it to over 5447 agencies providing food to an estimated 3 million people annually.

In addition, the members provide leadership to improve hunger relief services including advocacy, education, technical assistance, and nutritional training statewide. The ten regional food banks and food rescue organizations, along with their subsidiary distribution organizations and branch warehouses, supply food through a variety of programs including soup kitchens, food pantries, emergency shelters, and senior meal programs, as well as numerous other charitable organizations. Additional information on the New York State members can be found at www.endhungryny.org.

Disaster Program

The NYS Network provides a central location and established system to allocate emergency food and services. The NYS Network provides combined resources of a large exiting food inventory, warehousing expertise, accessible warehouse space, certified warehouse personnel, fleets of refrigerated trucks, and expansive volunteers.

Feeding America Prepares for and Responds to Hurricane Earl

Feeding America food banks in North Carolina, Virginia, Maryland, Delaware, New Jersey and Massachusetts have been preparing for Hurricane Earl’s potential landfall. Our network continues to work together to support each other so that our vital services continue helping those most in need, and to provide assistance to those newly in need as a result of this storm.

At this time, Feeding America has moved product ranging from disaster food boxes, nutritional supplements, water and other hydration drinks to areas of potential impact. Our work is closely coordinated with other nonprofits responding to this event and with government at all levels. The full scale of needed response is not yet known but if you are interested in making a donation, please go directly to local food bank websites to see how you can help. Your help is greatly appreciated for both this disaster and the everyday disaster of hunger in America.

From the NYVOAD Member Directory:

Activation of NYSVOAD

NYSVOAD recognizes the independence of each of its member organizations and does not dictate agency response. However, NYSVOAD endeavors to serve as a catalyst of cooperation and communication between each of its members.

In the event of a disaster, any member agency may request initiation of NYSVOAD response coordination. Response coordination may be accomplished through conference calls, local meetings, or electronic communications.

It is important to maintain the regularly scheduled NYSVOAD communications (i.e. monthly conference calls, executive meetings) during the disaster timeframe.
Activation of any one member organization may be done directly by that organization or may be requested through the leadership of the NYSVOAD.

Activation through NYSVOAD will ensure that all member organizations are informed of the situation. Once activated, NYSVOAD will encourage a cooperative and coordinated voluntary response.

Disaster Coordination Plan

The purpose of the NYSVOAD is to bring together organizations active in disaster services to foster more effective preparedness, response and disaster recovery in New York State. Direct service to impacted communities is provided by the member agencies of the NYSVOAD, not by the NYSVOAD itself. NYSVOAD is a coordinating agency whose goal is to enhance planning, training and communications between organizations active in disaster mitigation, response and recovery. With this in mind, NYSVOAD shall support the response to level 3 & 4 disasters, as appropriate, in the following manner:

I. NYSVOAD Officer (or designee) will report to the State Emergency Operations Center and become the liaison for all VOAD members not then represented in the EOC, and will call and facilitate a NYSVOAD meeting or conference call as soon as practical and needed to do so.

II. NYSVOAD EOC Liaison will meet with the State Donation Coordination Manager (or designee), the State Director of Human Services and FEMA VAL (Voluntary Agency Liaison), and will convene meetings or conference calls with VOAD member agencies to identify and assist with immediate needs, and coordinate with member agencies on their planned responses.

III. NYSVOAD Officer (or designee) will provide updated reports of voluntary agency activities to the New York State Office of Emergency Management (State OEM) at regular intervals or when necessitated by changes in service or location, and will provide member agencies with information regarding the state response. The Liaison will also communicate any issues or concerns that member agencies are reporting in the field to the state.

IV. NYSVOAD Executive Committee will facilitate the development of Long Term Recovery Committee(s) as appropriate, in coordination with the State OEM Director of Human Services and the FEMA VAL.

V. At the close of an operation, NYSVOAD Chairperson or Vice–Chair will request a consolidated report from each voluntary organization assisting in disaster response. This report is to include recommendations that will enable NYSVOAD to encourage and implement corrective actions that will enhance future response and recovery operations. Reports will be brought as an agenda item at the next NYSVOAD meeting following the disaster.

NYSVOAD shall support the response to disasters of a level two or less, as appropriate, in the following manner:

I. NYSVOAD Officer (or Designee) will convene a conference call with member agencies and government partners to evaluate the nature and extent of damages. Under special circumstances the VOAD Liaison may be requested to support EOC operations.

II. NYSVOAD Member agencies will support local response agencies as appropriate.

III. NYSVOAD Executive Committee will facilitate the development of Long Term Recovery Committee(s) as appropriate, in coordination with the State OEM Director of Human Services.

IV. At the close of an operation, NYSVOAD Chairperson or Vice–Chair will request a consolidated report from each voluntary organization assisting in disaster response. This report is to include recommendations that will enable NYSVOAD to encourage and implement corrective actions that will enhance future response and recovery operations. Reports will be brought as an agenda item at the next NYSVOAD meeting following the disaster.

NOTE: The primary goal of the NYSVOAD and its member organizations is to work in partnership and support of local VOAD's, disaster response networks, local human services councils and other response organizations, and when required act as a conduit to national resources. It is not the role of the NYSVOAD nor its member organizations to replace local networks or their services.

Help fill the Oregon Food Bank Network's empty warehouse shelves - 09/21/07
PORTLAND, Ore. (Sept. 21, 2007) - The Oregon Food Bank Network needs your help.

"Oregon Food Bank's warehouse shelves are as empty as I've ever seen them," said Rachel Bristol, OFB's CEO.

On average, OFB normally has 300,000 pounds of new donations to offer the OFB Network weekly and delivers about 700,000 pounds of food each week from its warehouse to its network of regional food banks and local helping agencies throughout Oregon and Clark County, Wash. But in the last few weeks, weekly offerings have dropped by 25-75% and statewide deliveries are down 200,000 pounds per week.

"The entire statewide Oregon Food Bank Network of regional food banks and the 900 local agencies we serve throughout Oregon and southwest Washington are feeling the impact," Bristol said.

The situation

• OFB is shipping available food to regional food banks and local agencies as quickly as it comes in.

• Salvaged product (dented cans from retailers) is disappearing. OFB has depleted its salvaged inventory.

• OFB's has depleted its frozen-food inventory, product that in recent history has served as OFB's safety net.

• U.S.D.A. commodities: OFB continues to see a severe decline in U.S. Department of Agriculture commodities. During the last two months, U.S.D.A. commodities dropped an additional 300,000 pounds. Overall, during the last four years USDA commodities have dropped 52 percent or more than six-million pounds.

• Food industry: Food-industry donations are down 1.1-million pounds in comparison to the same period last year. The combination of a strong consumer market, high commodity prices, increased biofuel demand, increased efficiency in food manufacturing and international markets mean both national and local sources of food are way down.

• Food recall: Last month, due to a major, nationwide recall of products from a food-processing plant, OFB returned two-and-a-half truckloads of product to the manufacturer and has additional two-and-a-half truckloads of product on hold that OFB can't distribute.

"All of this means we have a big gap to fill - even before the holiday giving season - and need your support more than ever to help people in need," Bristol said.

This situation isn't unique to Oregon," Bristol notes. "Food banks across the country - Oklahoma, California, New York - report similar shortages." (See New York Times, Sept. 20, 2007)

How to help

• Donate funds.

Donate on line at www.oregonfoodbank.org. OFB will use funds to help acquire, store and move food.

• Food industry (farmers, processors, distributors, retailers and wholesalers)

OFB welcomes donations from all sectors of the food industry. Please call Mike Moran, OFB's food resource manager, (503) 282-0555, Ext. 209.

• Cans Film Festival Food Drive

Participate in Cans Film Festival Food Drive, Thursday, Sept. 27. Bring three cans – more if possible – of nonperishable food to any Regal Cinemas theater and see a free movie and get free popcorn. Don't have time to see a movie? You can still drop off food at Regal Cinemas, Sept. 27.

• Organize a food drive

Organize your own food drive. OFB can help. Please call Maryann Brunner, (503) 282-0555, Ext. 226. Drop off donations at OFB facilities or call us for the location of an OFB Network agency near you.

• Donate part of your harvest

Harvesting your garden? Donate part of your harvest to your local food pantry or soup kitchen. Call OFB, (503) 282-0555, to find out the local hunger-relief agency in your neighborhood.

• Write U.S. Senators

Write your U.S. Senators. Ask them to support increased funding for TEFAP (USDA emergency food) in the farm bill.

Thank you for collecting food for people who are hungry. Please bring your food donations to one of Oregon Food Bank's two warehouses:

DISASTER RELIEF

Nationally
As a member of Feeding America, Harvest Hope is actively involved in responding to disasters that affect member food banks. Harvest Hope works in partnership with the national office to ensure that our response is tailored to the specific needs of affected communities. From fundraising locally to shipping needed supplies from our warehouse, we are committed to relief efforts as long as the need persists.

In September of 2005, Harvest Hope provided over 40,000 pounds of food to food banks damaged by Hurricane Katrina and 16,000 pounds of food to Katrina evacuees who relocated to South Carolina.

For more information on Disaster Relief at Harvest Hope, please contact Bill Shinn (803) 254–4432, Ext. 1105.

Statewide
Harvest Hope Food Bank plays a vital role in responding to emergencies that impact South Carolina and our nation. As one of four food banks in the South Carolina Food Bank Association, Harvest Hope provides millions of pounds of food to hundreds of food assistance programs throughout 20 counties in the state. This creates the potential for Harvest Hope to provide significant aid to people affected by disasters. By coupling the Food Bank's expertise and efficiency in food distribution with the capabilities of the South Carolina Emergency Management Division, SC Department of Social Services, the Seventh Day Adventist, and the Red Cross's in responding to disasters, these organizations are prepared to deliver nourishing food, water and supplies quickly to South Carolinians affected by crises including terrorist acts.

Update from the VT Foodbank's COO on the Foodbank's response to Irene –– The VT Foodbank picked up 6 pallets of water from W. Mass Food Bank & 10 pallets from NH Food Bank, both were sent to Brattleboro. Hannaford Supermarkets sent a direct shipment from NY state into Brattleboro today of water, ice, granola bars and power bars. We are also getting a full tractor trail load on Friday from Hormel of canned meals. VT Emergency Management has been notified that we are in need of more water.
