For DBASE Ops, go to
https://reliefdb.org/shelters/246

FUTURE DISASTERS: We stand ready to gather. See FIRST RESPONSE ITEMS under the items list.

February 2008 Update:

We are currently collecting:
– sporting goods (for the FEMA trailer kids, who have no playground equipment or after school programs)
– computers for community centers (Pentium II or better, Macs: G3 or better)
– monitors (nothing over 19", unless you bring a box that's big enough)
– printers (with disks only, please)
– faxes (no monster faxes, small faxes only)
– household items, linens (clean, no stains, like what you'd buy at a garage sale)
– household items, kitchenware, small tables, lamps
– books (kids, especially)
– $ for fuel costs (100% of donations go directly to fuel)

We will start gathering coats and blankets in August, for when it starts getting to 30 degrees in the gulf in October. We will start gathering new toys starting in September, for the holiday rush.

***NOTE: We are also so seeking to organize sharing of computer parts by encouraging others to list their parts in our database. Call:

We always need packing supplies and help, and transport to Methuen warehouse.

We help people gather donations and ship them to the gulf. $50/pallet for properly packed and labeled boxes from Methuen, Massachusetts (by New Hampshire) to anywhere in the gulf region. Less than $200/pallet from other locations that are serving hurricane victims from the West Coast. Less than $100/pallet from the MidWest.

We are currently focusing on RECYCLED BUILDING MATERIALS, including kitchen cabinets, courtesy of the Boston Recycled Materials Resource Center. And we are focusing on computers/office equipment for community groups, as well as focusing on sporting equipment for the FEMA camps. Let's keep these kids occupied!

And thanks to Katie and Ann Brainard! They will be making it possible to create a steady stream of these supplies to the gulf by raising $$$!

Yippee! Gotta love fundraisers!

ALL financial donations go to fuel costs. Please make checks out to United Way of Tri–County and mail to:

Citizen Action Team
PO Box 2525
Acton, MA 01720

The United Way is a 501c3, thus allowing you the tax deduction. The United Way, in cooperation with CAT, and Barrett Industries has arranged for shipping via UPS/Overnite Transportation. ALL monies goes through the United Way directly to UPS Freight. UPS Freight is doing this for barely the cost of fuel, by letting the pallets go through the system in the "excess" space of the shipping hub system. The cost per pallet from Massachusetts to anywhere in the gulf, for example, is $50/pallet. This is part of an innovative humanitarian shipping system designed by Tim Barrett of Barrett Industries. Please give these folks a BIG round of applause.

If you want details about how your community group can use this program to ship your gathered donations, please contact us at:

978 266 2778, or terra@citizenactionteam.org

Service	Permanent

U.S. Gulf Coast — September 12, 2008 — As Hurricane Ike bears down on the Gulf Coast, IRD is preparing to provide case management and other assistance to those in its path. Staff from IRD's Gulfport–based Gulf Coast Community Service Center is already in Baton Rouge to assist with Gustav response. drawing on the experience from providing case management services to victims of Hurricane Katrina for the past three years.

Your donation will help us bring emergency relief to the victims of this disaster.

The IRD Gulf Coast Community Service Center (GCCSC) has been rebuilding the lives of the citizens of the Mississippi Gulf Coast since October 2005, opening its doors a little more than one month following the devastation of Hurricane Katrina. The goal of the Center is to reach out to the community and assist in the organization and facilitation of an often–difficult recovery process. Located in West Gulfport, the Center serves the entire Mississippi Gulf Coast, representing most of the Coastal cities as well as the three Coastal counties.

The GCCSC began it work on the Gulf Coast by administering emergency relief, but has transitioned its services to focus on sustainable, long–term recovery. The Center was one of the first agencies in the area administering needs assessments and mapping the most affected areas. The goal of the multi–faceted needs assessment and community mapping process conducted by the Center was to identify potential applicants for assistance following the hurricane. As the recovery cycle progressed from assessing needs to managing needs on an individual basis, the GCCSC has changed its focus to assisting citizens in need through case management. Case managers facilitate the recovery process for survivors by identifying ways to maximize their access to community resources.

The Center hosts a walk–in center for assessments administered by the Harrison County Long Term Recovery Coalition (LTRC), and has developed a resource guide printed by Federal Emergency Management Agency (FEMA) to provide to other relief agencies as a reference.

The Center also provides financial counseling to hurricane victims and MDA Phase II grant recipients seeking to purchase or rebuild homes through funding from the Enterprise Corporation of the Delta. This counseling not only prepares beneficiaries for homeownership, but gives them tools for long–term financial security. And in partnership with the Mennonite Economic Development Association (MEDA), the Center will create and manage a micro–enterprise capital fund which will finance start–up businesses along the Mississippi Gulf Coast. Additionally, the GCCSC will support the development of an open–air market in its Gulfport neighborhood.

IRD also participates in YouthBuild, a program that provides comprehensive programs for vocational development, workforce training and career counseling with Gulf Coast youth. YouthBuild teaches local at–risk high school students how to assist in rebuilding homes while helping them get their GED.

Helping people rebuild their lives, their relationships, and their sense of self–sufficiency, is equally as important to their long–term recovery and that of their communities as their physical needs. It is the human side of recovery that the GCCSC addresses, for thousands of Katrina survivors.

Services:

1)Case management for Katrina survivors. Eligibility: affected by the hurricane and still have unmet needs

2) Fincancial Counseling. Eligibility: Open to everyone

3) Housing Counseling. Eligibility: Open to everyone

4) Youth Build Program will start in January. Eligibility: youth ages 16 to 24 who do not have a high school diploma/GED

Applications are still being accepted for Katrina survivors and programs. To obtain an application: Monday – Thursday 9:00 – 3:00
