Wed, 5 Sep 2012 –
Currently our teams are supporting the Plaquemines, East Baton Rouge, and St. John the Baptist parishes.

We are supporting State government and volunteer/clean up coordination. Muck out teams are standing ready.

We are not distributing water at this time. But if you would like to donate, or need water for volunteers, please let me know and I would be glad to point you, according to where (which parish) the need is.

Also, info may be (?) found at LAVOAD website.

– FOR IMMEDIATE RELEASE –

JAMAICA, New York (November 4, 2012) ICNA Relief USA Launches Million Dollar “Muslim Response to Hurricane Sandy Survivors (MRTS)” Campaign.

More than 8 million people have been affected by Hurricane Sandy and approximately 300,000 of them are Muslims. Approximately, 150,000 Muslims, who live in the areas affected, have moderate to severe damage. There are 26 Masjids and 5 Muslim schools that have been identified with mild to severe damage. ICNA Relief USA (Islamic Circle of North America) has set up “Muslim Response to Hurricane Sandy Survivors”. This plan would cost more than a million dollars and ICNA Relief has established the “MRTS FUND” for this purpose. Speaking to volunteers on this occasion, Executive Director Maqsood Ahmad said that our donor community is very caring and generous and will support ICNA Relief in its efforts to help fellow citizens, Muslims and Non–Muslims alike, in this testing time.

Three broad areas of service have been identified in this regard:

Immediate Needs

Food and Clothing

Cleanup and Repair

Individual crew teams each consisting of case managers, fully trained to handle necessary paperwork, plan and execute repair /cleanup work, at least one skilled volunteer per team, who can handle power tools, and at least three able bodied volunteers to assist.
Rented/owned vehicle to transport volunteers and equipment.
Equipment would include generator, pressure washer, chain saw,

and safety equipment such as helmets, goggles, gloves, etc. Necessary Insurance coverage for the vehicle, volunteers and other liabilities.

Case Management

In Federally declared disasters, several types of funding are available for house repair, business loss, job placement, educational support, emotional and spiritual care, etc. However, the paperwork in such cases is very intensive and time consuming. Over all the red tape and complications make it very difficult for the average person to navigate.

ICNA Relief USA has developed specialized expertise in this field. ICNA Relief USA is recognized as the leading national Muslim organization which partnered with CCUS and LSSDR in two federally funded Disaster Case Management Projects i.e., National Recovery Consortium (NRC) in the aftermath of Hurricane Gustav in Louisiana and Recovery for Ike Survivors Enterprise (RISE) in the aftermath of Hurricane Ike in Texas.

Summary of Proposed Supplies and Services:

Immediate Needs (Food and Clothing)
$400,000
10,000 Meals @ $5/meal = $50,000
5,000 Food Baskets @ 25/basket = $125,000
500 Gas and Gift card@$50/card= $25,000
10,000 Blanket/comforters @ $20/blanket = $200,000

Cleanup and Repair
$320,000 400 houses @ $800/house = $320,000

Case Management
$300,000 400 cases @$ 750/case = $300,000

The Texas Gulf Coast Regional (TGCR) VOAD is a consortium
of recognized voluntary organizations active in disaster
relief. Its mission is to foster more effective service
to people affected by disasters. VOADs support and
facilitate the delivery of disaster services by their members.
They do not themselves deliver response and recovery services.

Member organizations support the efforts of federal, state, and local agencies and governments.

TGCR VOAD bases its mission on these four values:

Cooperation. By this we mean that we need each other, that no member organization has all the answers for the challenges we face. We treat members as partners.

Communication. Here we mean the regular sharing of information about our member organizations—their capacities, accomplishments, and commitments. We try to maintain good channels for sharing information, listen carefully to each other, and deal openly with concerns.

Coordination. We commit ourselves to work together and not competitively toward our goal of effective service to disaster victims. We seek to match services to need. Through planning and preparation, we equip our organizations to behave in a coordinated fashion in time of disaster.

Collaboration. We dedicate ourselves to work together to achieve specific goals and to undertake specific projects at disaster sites. We form partnerships during the disaster response.

Organizations wishing to coordinate their efforts with TGCR VOAD members are encouraged to register on the web site and add their organization to the list of VOAD members.
