Providence Health Services / Sr. Outreach Program is providing Sayre/Sesnon/Marek Wildfire survivors with Case Management and is part of the San Fernando Valley Long Term Recovery Group.

Faith Community Health Partnership (Senior Outreach Program offered through Providence Health Services)
Description of the program:

The Parish Nurse or Faith Community Nurse, Mary Munchi, provides ongoing health screenings to members of the community such as blood pressure, glucose, cholesterol, referrals and personal health counseling at St. Didacus Church.
Understanding at this time there may not be an immediate need for these services (for fire families); we would like to address the senior population affected by the Marek/Sayre Wildfires. We are offering access to our Senior Peer Counseling Program as a

Long–Term Recovery service. Our senior Peer Counselors are volunteers who have been extensively trained and are supervised by a mental health professional. They provide one–on–one counseling designed to support and assist seniors in the community who may be facing challenging or difficult circumstances in their lives….such as the fire.

Services Provided:

>Being depressed, sad or anxious
>Facing difficulties with getting older
>Grieving the loss of a loved one, or loss of their home
>Increased difficulty managing at home
>Adjusting to chronic health conditions
>Coping with family conflict
>Loneliness

Volunteers for Seniors provide valuable services for frail, home–bound seniors who have no other resources. Volunteers for seniors provide access to medical care and help to maintain independence in the home, which enhances and maintains the quality of life for seniors. Services include: transportation to medical appointments, shopping for groceries, light housekeeping, cooking a meal and friendly visiting.

Carolyn Young, LCSW does the initial intake before assigning a counselor and B.J. Valencia, Case Manager, does the initial home visit assessment before a service is provided.

Anyone can refer or be referred. Contact information for Senior Peer Counseling:

Below is an update (June 2, 2011) on the Massachusetts Tornado situation from FEMA (Federal Emergency Management Agency)

Massachusetts Tornadoes, Wednesday, June 1, 2011

At around 4:30 EDT on Wednesday, June 1, 2011 a line of severe weather crossed from western part Massachusetts heading east. Damaging tornadoes passed through the Springfield area. A second tornado is reported to have later struck the same region. It was reported that hundreds of homes were damaged and thousands of trees were down.

Massachusetts Governor Deval Patrick declared a state of emergency effective at 7:10PM on June 1. Nineteen (19) communities are reported affected including the towns of: Westfield, Springfield, West Springfield, Monson, Agawam, Charlton, Oxford, Palmer, Sturbridge, and Wilbraham, among others. The Governor has directed that all non–emergency Executive Branch employees living or working in Hampden, Hampshire, Franklin and Worcester Counties should not report to their workplaces Thursday, June 2. In addition, 23 schools were closed and 21 businesses in the affected communities on Thursday.

The National Guard has called up approximately 1,000 troops to assist in rescue and response efforts. Troops are being dispersed from three locations, one in Springfield, one in Ware, and one in Worcester.

At least four people have died as a result of the tornado. One person was killed in West Springfield when his car overturned, two in Westfield, and one in Brimfield. Details of those 3 fatalities have not yet been released.

Jane Albert of Baystate Medical Center told 22News that the hospital is caring for 25 people who are injured, 10 of whom are in the trauma unit. There are at least 20 other reports of injuries.

In Springfield, Mayor Domenic Sarno said that the South End, East Forest Park, and Sixteen Acres were the sections of the city that were hit the hardest. The Indian Orchard neighborhood also saw damage.

There was a total of more than 60,000 power outages in communities serviced by Western Massachusetts Electric Company. As of 8:49am Thursday, June 2, about 14,000 are still without power. Sandra Ahern from Western Massachusetts Electric Company reports that there are more than 80 utility poles down in the Sixteen Acres and East Forest Park neighborhoods, where she said that they do not anticipate power will be restored for a couple of days.

Voluntary Agency Efforts

Local volunteers are currently supporting relief efforts in Springfield and communities throughout the jurisdiction with sheltering, canteen and mental health counseling.

The American Red Cross reports 5 open shelters as of Thursday morning, with populations in each. Of the 5 shelters reported open, the Red Cross is managing 2 in Springfield, and 1 in Monson. In addition there are 2 Red Cross–supported shelters in collaboration with local emergency officials, and 1 community shelter that the Red Cross is looking to assist with. The Mass Mutual Center in Springfield reported approximately 400 people being sheltered at its height late Wednesday night, with approximately 200 people remaining this morning. There are approximately 45 people at the West Springfield location and 35 in Monson. Pet sheltering has not been set up at any of the shelters as of Thursday morning.

The Red Cross is supporting feeding efforts at the open shelters, in addition to feeding approximately 300 first responders at the Basketball Hall of Fame in Springfield, in collaboration with the Salvation Army, and approximately 150 first responders in Monson. The Red Cross is not engaged in mobile feeding at this time.

The Salvation Army has set up a canteen service at the Command Post in Westfield to support first responders, and a canteen is also stationed in Brimfield. Canteen drop offs are occurring in Monson. The Salvation Army is also supporting canteen efforts at the Basketball Hall of Fame in collaboration with the Red Cross. The Salvation Army is beginning mobile canteen services, driving around affected communities, and providing psychological first aid as of 10am Thursday morning. 11 volunteers are currently engaged in Salvation Army activities, with approximately 5 additional volunteers working in the kitchens to prepare meals. 2 facilities in Springfield are on standby as possible temporary shelters if needed.

SPRINGFIELD, Mass. (WWLP) – In the aftermath of Wednesday's tornado damage , several major Western Massachusetts roads are closed for the Thursday morning commute. Here is a list of some major roadways that are closed.

SPRINGFIELD:

· Avoid downtown in general, South End; the less cars on the street the better for emergency crews working to assess threats (power lines, gas leaks) and remove obstructions (tree, debris)

Major closures:

· Plumtree Road from Allen Street onwards– impassible

· Main Street from State Street and southward

· Tinkham Road

· Parker Street from Wilbraham Road to Cooley Street

· Island Pond Road from Allen Street to Roosevelt Ave

WEST SPRINGFIELD:

· Union and Main run parallel– this is where the main impact occurred; basically the path of the tornado itself– this area is called the Merrick section of W. Spfld

· From Park and Union to Park and Main

· Union St. from Memorial Ave. to Park St.

· Main and Memorial

· All closed to all except emergency vehicles

· Police are essentially sealing off that entire area

· All obstructions are contained within that grid

WESTFIELD:

· Shaker Road– closed from Little River Road to Cardinal Lane

· Shaker Road closed at Canal Drive when coming in from Tannery Road/Ponders Hollow

· Entire section of Pontoosic Road from Feeding Hills Road to Crescent Circle (nearly the entire run of this road in the city)

WILBRAHAM:

· Tinkham Road is closed from Stony Hill Road to Bolles Road

· Monson Road is blocked–off from Main Street to Ridge Road

· Main Street and Stony Hill Road are open, but you are asked to use extreme caution

MONSON:

· Just avoid the entire downtown area of Monson

· There was significant damage to police building

BRIMFIELD

· Route 20 closed through the entire length of town

· Route 19 closed for the entire length of town

U.S. Gulf Coast — September 12, 2008 — As Hurricane Ike bears down on the Gulf Coast, IRD is preparing to provide case management and other assistance to those in its path. Staff from IRD's Gulfport–based Gulf Coast Community Service Center is already in Baton Rouge to assist with Gustav response. drawing on the experience from providing case management services to victims of Hurricane Katrina for the past three years.

Your donation will help us bring emergency relief to the victims of this disaster.

The IRD Gulf Coast Community Service Center (GCCSC) has been rebuilding the lives of the citizens of the Mississippi Gulf Coast since October 2005, opening its doors a little more than one month following the devastation of Hurricane Katrina. The goal of the Center is to reach out to the community and assist in the organization and facilitation of an often–difficult recovery process. Located in West Gulfport, the Center serves the entire Mississippi Gulf Coast, representing most of the Coastal cities as well as the three Coastal counties.

The GCCSC began it work on the Gulf Coast by administering emergency relief, but has transitioned its services to focus on sustainable, long–term recovery. The Center was one of the first agencies in the area administering needs assessments and mapping the most affected areas. The goal of the multi–faceted needs assessment and community mapping process conducted by the Center was to identify potential applicants for assistance following the hurricane. As the recovery cycle progressed from assessing needs to managing needs on an individual basis, the GCCSC has changed its focus to assisting citizens in need through case management. Case managers facilitate the recovery process for survivors by identifying ways to maximize their access to community resources.

The Center hosts a walk–in center for assessments administered by the Harrison County Long Term Recovery Coalition (LTRC), and has developed a resource guide printed by Federal Emergency Management Agency (FEMA) to provide to other relief agencies as a reference.

The Center also provides financial counseling to hurricane victims and MDA Phase II grant recipients seeking to purchase or rebuild homes through funding from the Enterprise Corporation of the Delta. This counseling not only prepares beneficiaries for homeownership, but gives them tools for long–term financial security. And in partnership with the Mennonite Economic Development Association (MEDA), the Center will create and manage a micro–enterprise capital fund which will finance start–up businesses along the Mississippi Gulf Coast. Additionally, the GCCSC will support the development of an open–air market in its Gulfport neighborhood.

IRD also participates in YouthBuild, a program that provides comprehensive programs for vocational development, workforce training and career counseling with Gulf Coast youth. YouthBuild teaches local at–risk high school students how to assist in rebuilding homes while helping them get their GED.

Helping people rebuild their lives, their relationships, and their sense of self–sufficiency, is equally as important to their long–term recovery and that of their communities as their physical needs. It is the human side of recovery that the GCCSC addresses, for thousands of Katrina survivors.

Services:

1)Case management for Katrina survivors. Eligibility: affected by the hurricane and still have unmet needs

2) Fincancial Counseling. Eligibility: Open to everyone

3) Housing Counseling. Eligibility: Open to everyone

4) Youth Build Program will start in January. Eligibility: youth ages 16 to 24 who do not have a high school diploma/GED

Applications are still being accepted for Katrina survivors and programs. To obtain an application: Monday – Thursday 9:00 – 3:00

The Great Plains Food Bank serve as the central collection point for donations of nonperishable food, personal care items and cleaning supplies to help residents in Minot and the surrounding area affected by flooding.

FARGO — The Great Plains Food Bank announced Thursday it will serve as the central collection point for donations of nonperishable food, personal care items and cleaning supplies to help residents in Minot and the surrounding area affected by flooding.

The products will be used for those seeking help at shelters and mobile feeding units, during clean–up efforts and at food pantries and other charitable feeding programs expected to see increased demand because of the flood.

“Whether it’s a few items or a few pallets, we know how passionately the Cass–Clay community responds to crisis,” Steve Sellent, program director for the food bank, stated in a news release. “With the severity of this disaster, we know that a tremendous amount of resources will be needed in the Minot region in the days and weeks ahead.”

Items may be dropped off at the Great Plains Food Bank at 1720 3rd Ave. N. in Fargo. Hours are 8 a.m. to 8 p.m. Friday and Saturday, noon to 5 p.m. Sunday and during regular business hours starting Monday.

The items will be sorted, and the first truckload of food is scheduled to arrive this morning in Minot.

An estimated 15 or more semi–loads will be distributed to the Minot region through donations from various food banks, food industry donors and items collected from the community, the release stated.

To volunteer for the effort, call the Great Plains Food Bank at (701) 232–6219.

Food donations also will be collected through July at Fargo–Moorhead’s six Hornbacher’s stores, four Sunmart stores, two Cash Wise Foods stores and three Walmart stores. Collection barrels will be clearly marked at the stores’ front entrances.

Current Updates:
March 26, 2009

Currently, Lutheran Social Service of Minnesota is calling on congregations statewide to mobilize volunteer teams to prepare for deployment to the Red River Valley for clean–up and longer–term recovery work.

Following a significant natural disaster, Lutheran Social Service of Minnesota works in affected–areas over many months, sometimes years, to help Minnesotans in the immediate aftermath of a disaster and longer–term rebuilding recovery.

We provide case management services to help local residents navigate paperwork, access loans, make important decisions about their future and coordinate volunteer teams to rebuild homes over the long–term. Volunteers may be needed for this work in coming weeks.

Lutheran Social Service of Minnesota also trains volunteer teams to offer Camp Noah, a week–long, faith–based day camp designed to help elementary–age children recover emotionally and spiritually after a flood disaster.

Congregations that are interested in assembling a Camp Noah team or volunteering for clean–up and rebuilding recovery efforts are encouraged to sign up with us above.

Individual contributions from the community are how Lutheran Social Service of Minnesota funds its disaster relief efforts. Donations can be received online or by mailing a check payable to Lutheran Social Service of Minnesota, 2485 Como Avenue, Saint Paul, MN 55108. Please designate the gift to Disaster Relief.

Thank you for all your gifts of support as we help our neighbors in the Red River Valley.

Red River Flooding: Update

Red Cross Moves Supplies into North Dakota as Rising Flood Waters Threaten
Trailers Filled with Cots, Blankets, Meals Begin Arriving in Fargo

As residents of the Red River valley prepare for potentially record flooding, the American Red Cross is moving into position to provide help where needed. More than 24,000 prepackaged meals are expected to arrive today, along with thousands of cots, blankets and toiletry kits.

These supplies are expected to be used for evacuation shelters, which may open within the next 48 to 72 hours, depending on weather conditions. In addition, the Red Cross is gearing up for an extended relief operation, placing volunteers from around the nation on stand by to move to North Dakota when needed.

The Red Cross already has five mobile feed trucks in the area providing food and drinks for the volunteer crews racing to fill 1.9 million sandbags needed to fight the flood waters. The city has set up Sandbag Central, where machines fill sandbags around the clock. About 400,000 to 500,000 bags must be filled each day to reach the goal of 1.9 million by the end of the week, according to local officials.

Major flooding hit the area in 1997, after which a levee system was built to protect the city of Fargo. However, weekend storms increased the flood threat and sped up emergency preparations in the Red River Valley. Flood stage is 18 feet, and some forecasters are reporting the river could rise as high as 52 feet above flood level over the next week, worse than conditions in 1997.

FROM THE WEBSITE:

The STORM may be over, but the DISASTER is still with us!

Hurricane Rita hit the shores of southeast Texas and southwest Louisiana on September 24, 2005 and is the fourth most intense Atlantic hurricane ever recorded. Rita made landfall as a Category 3 storm with winds reaching 180 mph and caused 10 billion dollars in damages. Over 475,000 families in Texas requested FEMA assistance, of those 200,000 live in Jefferson, Orange and Hardin counties.

Over 42,000 damaged homes are owned by persons 60 years of age or older and had no insurance 19,000 of those families live in Jefferson, Hardin and Orange counties.

There are currently 1,800 families in Jefferson, Hardin and Orange counties living in FEMA trailers, of these 962 are elderly

Most of these families are trapped in leaking, mold infested homes with little hope of recovery. Hundreds of homes have been transformed by volunteers and donated materials, but thousands more need to be repaired. Please... help us assist them!

Volunteer Today!!

If you live in Port Arthur and are in need of assistance with home repairs caused by Hurricane Rita, please contact 409–982–1510.

What is SETIO?

Southeast Texas Interfaith Organization for Disaster Recovery (SETIO) is a faith based long–term disaster recovery organization serving Jefferson, Orange and Hardin counties. SETIO was created in the Fall of 2005 in the aftermath of Hurricane Rita by local clergy and community members with a mission to help those most vulnerable members in the community especially the uninsured and underinsured elderly, disabled and single parent families.

Due to the destruction of Hurricane Rita, SETIO's current focus is addressing the needs of the most vulnerable families in Southeast Texas by working as a catalyst to expand the scale and pace of recovery. This is accomplished through increasing coordination with community service providers, sustained mobilization of outside and local volunteer resources, and utilization of both commercial contract and volunteer labor.

Today SETIO consists of diverse local congregations, faith–based community service organizations, businesses, state and local government agencies and national disaster recovery organizations such as Catholic Charities, Christian Reformed World Relief Committee, Disciples of Christ, Lutheran Social Services Disaster Response, Presbyterian Disaster Assistance, United Methodist Committee On Relief along with many others

Hurricane Sandy: US Impact

Greetings!

Our thoughts, prayers and best wishes go out to all those who were affected by Hurricane Sandy and the violent storms it caused. We grieve with those who lost loved ones and homes.

We at Lutheran Disaster Response are in contact with synods and affiliate organizations in areas impacted by Sandy. We have heard that congregations were damaged by the storm but we are waiting to share the information until we have a more complete list.

Yesterday afternoon we hosted a conference call with our LDR network coordinators to hear reports of the damages in their area and to begin planning how we will respond to the needs. In the midst of the reporting of affects from Sandy we also heard stories of Lutherans already doing important work, helping to clean up, providing pastoral care, feeding and sheltering those affected. It was a strong reminder that whenever Lutherans respond, that is Lutheran Disaster Response!

As we move through this phase of immediate relief and into the long–term recovery, please continue to check back and to share this information with your friends and family! As a church called to serve, the ELCA through Lutheran Disaster Response will continue to be present, for as long is as needed.

Gracious God, you are our refuge and strength, a very present help in time of trouble. In the wake of Hurricane Sandy reveal your presence to those in the Caribbean and the eastern region of our country so that all may know your healing, hope, and love. As one community on earth bound together by your grace, inspire us to pray, serve, and help all those who suffer. Amen
