* CALIFORNIA SENIOR LEGAL HOTLINE
The Senior Legal Hotline exists to provide seniors with fast, accurate advice on any legal subject, by phone and internet. We aim to empower callers to solve the problems they face, and when needed, we may offer limited extra assistance. When clients need more help than we can offer - representation in court, for instance - we do our best to help them find it. We also engage as much as we can in educational efforts to help seniors prevent legal problems before they occur.

* MEALS ON WHEELS & SENIOR MEAL PROGRAMS

Meals on Wheels is the most recognized name brand of senior nutrition programs. But other senior meal programs by various names are in many communities of the U.S. and around the world and often go by names other than Meals on Wheels (a generic term generally reserved for home delivered meal programs). While Meals on Wheels programs are delivered to the home, seniors may also find congregate meal programs at local senior centers, churches, or community centers. Many communities have both Meals on Wheels and congregate senior meal programs through senior centers available to local residents. You should always contact your local meal program directly to find out what senior services are offered.

FROM CRAIGSLIST DATED 9/2/08:

While we all appreciate your concern for the Greater New Orleans Area, we need to ask for your patience as we take time to assess the damage within the region prior to engaging spontaneous, unaffiliated volunteers.

We are currently asking that all interested volunteers register with www.volunteerlouisiana.gov or www.volunteerneworleans.com so that we can contact you once we confirm all volunteer needs and opportunities from our non–profit partner organizations throughout the region.

For a list of agencies that we work with please refer to www.gnodrp.org. Click on "About GNODRP" then "Member Agencies". There are currently more than 80 organizations that have joined this partnership to collaboratively address the recovery in this region.

Once again, we appreciate your commitment to our recovery and we appreciate your patience as we thoroughly assess the post–Gustav landscape.

If you have any questions regarding this matter please contact me via e–mail at volunteer@voagno.org, as cell phone service is limited.

Sincerely,

Woody Hosler –

The St. Louis MetroMarket

The St. Louis MetroMarket is a 501 (c)(3) non–profit mobile farmers' market that is restoring access to healthy, affordable food to St. Louis City food deserts.

We have transformed a donated city bus into a grocery store on wheels to bridge physical, financial, and educational barriers in food deserts in order to have the greatest potential towards increasing the supply and demand for healthy foods in these low–income, high need communities.

food desert
/fo͞od · dəˈzərt/
noun

1. urban neighborhoods and rural towns without ready access to fresh, healthy, and affordable food. Instead of supermarkets and grocery stores, these communities may have no food access or are served only by fast food restaurants and convenience stores that offer few healthy, afforable food options. The lack of access contributes to a poor diet and can lead to higher levels of obesity and other diet–related diseases, such as diabetes and heart disease.

2. a problem

Lord Is My Help Receives Grant

LORD IS MY HELP RECEIVES $35,000 GRANT FROM UNITED WAY

OCEAN SPRINGS, MS—The Lord Is My Help, a non–profit organization specializing in providing meals to those in need, has been awarded a $35,000 grant from the United Way. This money will pay for 16, 000 additional meals.

Sonia Cowart, the Centers Private Sector Involvement Coordinator, said Ocean Springs Mayor Connie Moran first notified her of the Phase 25 Emergency Food and Shelter Program funded by the United Way. We would never have found that money on our own. I'm so thankful that Mayor Moran thought of us when she learned of it, said Cowart.

The Lord Is My Help provides 55,000 meals a year to needy residents. They are open every day for lunch for anyone who has no money for a meal elsewhere. Most meals, however, do not stay on the property. Instead, they are delivered to people who cannot leave their homes because of age or illness.

Until now the Center has relied largely on private donations. They get $1,500 yearly from Jackson County and some USDA federal surplus food, but the vast majority of funding comes straight from the citizens of Ocean Springs.

Cowart hopes the grant will be awarded annually, enabling the service to expand and provide even more meals to needy residents.

Mayor Moran says she was more than happy to help. The Lord Is My Help provides a vital service that reflects well on our community commitment to help those in need. My hat goes off to the many volunteers that make thatorganization so effective. I am delighted they were awarded this significant grant from United Way.

For more information, please call Sonia Cowart at (228) 872–1801.

Overview

Meals–On–Wheels are hot, nutritious lunches that are delivered Monday through Friday between 11:00 a.m. and 1:00 p.m. to the homebound elderly who meet the requirements. Meals–On–Wheels are delivered by friendly volunteers, many of whom are the only people the homebound elderly see during the day. Weekend and Holiday meals are also available to seniors at the highest risk of malnutrition.

Meals are provided on a donation basis and participants are encouraged to donate toward the cost of their meals as they are able. The suggested donation is $2.75 per meal.

Volunteer Opportunities

Loaves & Fishes Centers could not exist without the help of more than 350 volunteers every weekday. Our volunteers help prepare and serve meals to seniors in 30 different Meals–On–Wheels volunteer meal sites throughout Multnomah, Washington and Clark counties, as well as deliver nearly 2,700 Meals–On–Wheels to homebound elderly on an average day.

Starting in July, Loaves and Fishes had to comply with new, stricter state regulations for background checks on volunteers in all types of federal– and state–funded programs.

Background check requirements means no more spur–of–the–moment volunteers

I'd encourage anyone who would like to help the Meals–On–Wheels program – even if you only want to be an "emergency" driver – to call Loaves and Fishes and get signed up right now. That way, the background check can be completed and you will be cleared to work when the weather is bad. L&F is a great organization and deserves your support.

Interfaith Ministries for Greater Houston responds after Hurricane Ike.

Even though the Category 2 storm left most of Houston in the dark, IM was able to respond through the Ready Houston! program, which was instrumental in registering faith based shelters with the Red Cross, and helping get shelf–stable food to Meals on Wheels for Greater Houston clients. IM had to incur an unplanned expense in the aftermath of the storm, but is hopeful that everyone who finds value in IM's programs will make a donation today to help us continue to assist the most at–risk members of our community.

IM works with 10 communities of faith, including Baha'I, Buddhist, Christian, Hindu, Jain, Jewish, Muslim, Sikh, Unitarian Universalist and Zoroastrian communities of faith. Together they provide the foundation upon which IM builds collaborative partnerships to serve seniors and refugees. Our programs advocate for the needs and rights of at–risk and special needs children, enhance the independence and dignity of low–income seniors, and improve the quality of life for refugees.

Collaboration among people of different faiths strengthens what IM accomplishes and bridges misunderstandings among people of diverse beliefs. IM serves individuals in a ten–county, greater Houston area with the help of over 2,000 volunteers. All of IM's Board of Directors and staff give support through IM's annual fund drive, and 100% of staff give to the United Way.
