If you would like to volunteer for the U.M. Disaster Warehouse please review the calendar below then fill out and submit the form below it.
We have tasks for everyone and anyone. We do have some tasks for folks with limited mobility. Our volunteers range from youth to retirees. The warehouse itself is not climate controlled, however we do have some tasks in a climate controlled area. Also, bring a camera. You will have fun! If it is a group coming in the winter, a pound cake would be graciously shared with all. We can provide the coffee, plates and utensils. We always have cold bottled water available. Just about any type of food for lunch is available nearby the warehouse. Campers and RV's are welcome at Point Mallard Camp Ground, just three–and–a–half miles away. (Nice full hook ups.) Thanks, U.M. Disaster Warehouse Staff 256–341–9961 U.M. Disaster Warehouse is located at 3220 Hwy 31 South, Building "F", Decatur, AL 35603.

MARIETTA, Ga.–– It's not home, but it's dry. The 215 people sleeping on cots at the Cobb County Civic Center have similar stories: when everything you own is underwater, you pack what you can and head for safety.

The Red Cross now expects to keep shelters open for up to two weeks. Spokesman Ruben Brown says, "We'll be here as long as they need us. This is their home right now, and we want them to be safe."

There are several Red Cross Shelters up and running right now: The Cobb County Civic Center in Marietta, Clairmont Hills Presbyterian Church is Decatur, The First United Methodist Church in Lawrenceville, The Cherokee Recreation and Parks Agency in Woodstock, and the Pentecostal Worship Center in Summerville. Brown says the Red Cross will open more shelters if needed.

Cobb County Sheriff Deputies were on duty at the Civic Center. They say it was a quiet night. Just before 5:00AM, a shelter volunteer handed 11Alive's Julie Wolfe a list. "This is what they really need right now," he said. The shelter has run out of: soap, socks, towels, toothpaste, pampers, sanitary napkins, and mouth wash. You can drop off donations at the Civic Center. You can also donate money to the Red Cross at www.redcross.org.

To donate to the American Red Cross Disaster Relief Fund, call 1–800–RED–CROSS (1–800–733–2767) or 1–800–257–7575 (Spanish) or mail your donation to the American Red Cross at P.O. Box 37243, Washington, DC 20013.

MUST Ministries
Type of Project: Work Team
Location Category: Local
Location: Marietta, Georgia
Country: USA

MUST Ministries cannot survive without the support of people like you – people who care about the needs of their neighbors. Most of the day–to–day work at MUST is provided by volunteers who give hundreds upon hundreds of hours to serve others. Last year alone volunteers like you contributed over 255,000 hours of their time to MUST to assist their neighbors in need. That means that for every 1 hour of MUST staff time volunteers donated 3 hours 30 minutes of their own time!

MUST provides a wide range of volunteer opportunities in all three program office locations(Marietta, Smyrna, Cherokee). Even if you have a busy schedule, have children, or have a large group you want to volunteer, there is always some way to volunteer with MUST. Our daily volunteer positions are listed here on our website, as well as group service project ideas, but please contact one of our volunteer coordinators today to learn about other opportunities to serve!

MUST's Group Project Coordinator can help you to organize your efforts for a great outreach experience.

Contact Patrick Riley 770–427–9862 x1101 to schedule a project at one of MUST's service locations.

To schedule a project at MUST's Donation Center, contact Jenaila Hawkins 770–790–3872.

Wesley Community Centers
Type of Project: Work Team
Location Category: Local
Location: Atlanta, Georgia
Country: USA
Wesley Community Centers offers deeply fulfilling opportunities to make a difference. We treasure our volunteers.

Bethlehem Senior Center
Call Bingo ... teach crafts ... lead a Bible study ... share computer skills ... or just "hang out" with seniors who provide delightful company.

Project Extend
Skilled and unskilled volunteers are welcomed. Companies, service organizations and churches provide teams who work under the supervision of an expert leader. Teams of 6–12 persons are ideal for typical projects. Tools are provided, although many of our "regulars" prefer to bring their own. Training is available for volunteers interested in coordinating repair teams.

Camp Wesley
Be part of creating an exciting new camp to serve children and youth. Contact us to learn more about the type of work involved, from clearing brush, to building cabins, to planning programming.

Wesley Walk for Others
Gather a few friends for an invigorating 6 mile walk around Stone Mountain, or a trek around the grounds of Atlanta Motor Speedway. Walkers who collect pledges of $25 or more earn one of our popular "Giving Feet to the Faith of the Church" tee shirts, plus the satisfaction of helping important ministries.

Wesley Community Centers Board and Committees
We encourage the interest of volunteers who desire to apply their skills and expertise on our board or one of our committees.

UMCOR Helps Kansans Rise from Statewide Damage

NEW YORK, May 10, 2007—Storm damage in Kansas is widespread from a violent weather system that blew through the Midwest May 4 –5. “An entire community was destroyed in Greensburg but nearly the entire state is suffering insult from the powerful phenomena of nature,” report Shirley and Joe Edgerton in a statewide assessment. They are UMCOR–trained disaster response volunteers for the Kansas East Annual Conference.

Wind and rain caused severe damage in the state prompting 25 counties to declare local disaster emergencies from flooding alone. Steve Burnett, another UMCOR–trained disaster responder, is working to set up a disaster response office and is locating housing for the many volunteers who will be needed not only to rebuild Greensburg, which lost 600 homes in a tornado on May 4,

but also for other areas affected by the severe weather. “Not only do we need teams preparing to rebuild a town, but somehow we can’t lose all those folks living on the country roads hidden by broken trees, or the ones in their basements tearing up carpets,” comment the Edgertons.

Throughout this process UMCOR disaster consultant Bob Baer has been providing support to the conference disaster coordinators.

UMCOR will continue to provide financial and personnel support to the areas affected by these severe storms for as long as it is needed.

HOW YOU CAN HELP:

Cash gifts will help provide for recovery. Checks can be mailed to UMCOR PO Box 9068, New York, NY 10087. Write “UMCOR Advance #901680, Midwest Tornado Response,” on the memo line of your check. One hundred percent of every donation to any appeal, including appeals for Kansas recovery, goes to support the designated program.

VOLUNTEERS:

If you are interested in volunteering to help in the storm recovery effort, please call the VOLUNTEER HOTLINE at:

1–800–918–3100

Volunteer In Mission teams will also be needed. A temporary volunteer coordination office has been set up in Wichita.

Contact:

Bev Weber at 800–745–2350 or bweber@kswestumc.org

A volunteer coordination office closer to Greensburg will be set up as soon as possible.

UPDATE/VOAD MEETING NOTES – 5/22/07
http://www.ksvoad.org/pdf/5_22_2007%20VOAD%20NOTES.pdf:

Bryan Walker:
Still diverting donations to the KS Food Bank in Wichita to avoid overwhelm. KS Food Bank will be available for long term needs and supply food for as long as it takes. In addition to, rakes and wheelbarrows are being sent from KS City.

From the KS FOOD BANK website:

In addition to donations of money, a limited amount of supplies is being sought for the victims of last weekend's tornadoes.

Bath towels, for example, are needed by people even if they're staying with relatives, said Monique Garcia, a volunteer working with the Salvation Army in Haviland.

Denture cleaner is another item that has been requested by the older population of Greensburg than, say, the diapers that have already been donated, she said.

But kind–hearted people should keep in mind that the population of Greensburg is small, and if one person donates a case of denture cleaner, that will probably do it, said Brian Walker of the Kansas Food Bank, which is serving as a drop–off site for the items. People can call ahead before donating items to be sure they are still needed, Walker said. The phone number is:

316–265–4421.

The Food Bank, 1919 E. Douglas in Wichita, is storing the goods and sending them out as they're needed, controlling the amount that is delivered to Haviland, where storage space is limited, Walker said.

"That eliminates a disaster within a disaster," he said.

No clothing is being accepted for donation. Deliveries can be made to the Food Bank from 6:30 a.m. to 7 p.m. through Saturday. If you want to take something out Sunday, call first.

Here is the list of needed items. They should be new, not used.

? Bath towels

? Bedding

? Pillows

? Laundry detergent

? Dog and cat food

? Denture cleaner

? Canes

U.S. Gulf Coast — September 12, 2008 — As Hurricane Ike bears down on the Gulf Coast, IRD is preparing to provide case management and other assistance to those in its path. Staff from IRD's Gulfport–based Gulf Coast Community Service Center is already in Baton Rouge to assist with Gustav response. drawing on the experience from providing case management services to victims of Hurricane Katrina for the past three years.

Your donation will help us bring emergency relief to the victims of this disaster.

The IRD Gulf Coast Community Service Center (GCCSC) has been rebuilding the lives of the citizens of the Mississippi Gulf Coast since October 2005, opening its doors a little more than one month following the devastation of Hurricane Katrina. The goal of the Center is to reach out to the community and assist in the organization and facilitation of an often–difficult recovery process. Located in West Gulfport, the Center serves the entire Mississippi Gulf Coast, representing most of the Coastal cities as well as the three Coastal counties.

The GCCSC began it work on the Gulf Coast by administering emergency relief, but has transitioned its services to focus on sustainable, long–term recovery. The Center was one of the first agencies in the area administering needs assessments and mapping the most affected areas. The goal of the multi–faceted needs assessment and community mapping process conducted by the Center was to identify potential applicants for assistance following the hurricane. As the recovery cycle progressed from assessing needs to managing needs on an individual basis, the GCCSC has changed its focus to assisting citizens in need through case management. Case managers facilitate the recovery process for survivors by identifying ways to maximize their access to community resources.

The Center hosts a walk–in center for assessments administered by the Harrison County Long Term Recovery Coalition (LTRC), and has developed a resource guide printed by Federal Emergency Management Agency (FEMA) to provide to other relief agencies as a reference.

The Center also provides financial counseling to hurricane victims and MDA Phase II grant recipients seeking to purchase or rebuild homes through funding from the Enterprise Corporation of the Delta. This counseling not only prepares beneficiaries for homeownership, but gives them tools for long–term financial security. And in partnership with the Mennonite Economic Development Association (MEDA), the Center will create and manage a micro–enterprise capital fund which will finance start–up businesses along the Mississippi Gulf Coast. Additionally, the GCCSC will support the development of an open–air market in its Gulfport neighborhood.

IRD also participates in YouthBuild, a program that provides comprehensive programs for vocational development, workforce training and career counseling with Gulf Coast youth. YouthBuild teaches local at–risk high school students how to assist in rebuilding homes while helping them get their GED.

Helping people rebuild their lives, their relationships, and their sense of self–sufficiency, is equally as important to their long–term recovery and that of their communities as their physical needs. It is the human side of recovery that the GCCSC addresses, for thousands of Katrina survivors.

Services:

1)Case management for Katrina survivors. Eligibility: affected by the hurricane and still have unmet needs

2) Fincancial Counseling. Eligibility: Open to everyone

3) Housing Counseling. Eligibility: Open to everyone

4) Youth Build Program will start in January. Eligibility: youth ages 16 to 24 who do not have a high school diploma/GED

Applications are still being accepted for Katrina survivors and programs. To obtain an application: Monday – Thursday 9:00 – 3:00

New Points of Hope

December 1, 2008—After months of research, anticipation and community support, the United Methodist Committee on Relief (UMCOR) has finalized plans to establish a material supply depot in the western part of the United States.

Sam Dixon, UMCOR's top executive, announced today that a lease has been signed on warehouse space where the depot will be developed in Salt Lake City, Utah. The facility is scheduled to open on January 1.

The proposal to open a UMCOR center in the Western Jurisdiction of the United Methodist Church was approved by the UMCOR board of directors in March. The initial idea was to locate it San Diego or Denver. According to Global Ministries executive, Rachel Lieder Simeon, as they explored different regions, Salt Lake City soon emerged as the most logical place. The city is central within the jurisdiction and there is an international airport as well as a hub for cargo trains.

The depot will operate as a satellite of UMCOR Sager Brown in Baldwin, LA. Sager Brown executive, Kathy Kraiza will oversee the two person Utah staff. Interviews for the program director position are being scheduled for early December. Those interested in the position may view the criteria here.

Increased Opportunity for Mission
The material resources depot will serve as a warehouse to store UMCOR supply kits. When a major disaster affects a community in the US or another country, cases of supplies are sent to those in need. The new depot will help reduce shipping costs and efficiency when the affected areas are in the western part of the US or in Asia.

The facility will provide new opportunities for kit ministry at churches in the Western Jurisdiction. Dixon says some of the contents might change to reflect the needs of the types of disasters that affect the region. For example, instead of flood buckets, the depot may stock resources to help following a blizzard, earthquake or wildfire.

In addition to providing a new avenue for material distribution and serving as a field office and training center for disaster response, the location will establish a new point of communication for UMCOR which could be particularly important should a disaster strike on the east coast. Dixon recalls the 2003 Northeast blackout and its effect on the New York City office, "It took nearly a week to be fully functional again. Having a regional office in the west allows us to have improved communication and because of the time difference, gives us extended coverage for business hours."

According to UMCOR executive Lisa Jackson, The United Methodist community has expressed notable excitement that there will be a visible UMCOR presence in the city. United Methodists, who are a minority denomination in Salt Lake City, are active disciples in their communities and looking forward to this new opportunity to serve. In addition, Crossroads, an ecumenical organization in an adjacent space, is welcoming its new neighbor. The two organizations are looking at ways to collaborate in serving the needs of the poor in Utah. Jackson says they will also work together to share resources.Crossroads and UMCOR Sager Brown are part of the network of national mission institutions.

While Sager Brown has served as the primary storage site for UMCOR supplies, the relief agency also collaborates with material centers related to annual (regional) conferences of the denomination. These facilities both supply resources in times of disaster and receive supplies from UMCOR.

About UMCOR's Relief Supplies Ministry

UMCOR Supply Kits help to care for the most vulnerable people during times of crisis. They also help to sustain everyday life by providing basic necessities to people who lack ready access to essential supplies. These kits provide vital support for the work UMCOR does throughout the world. By donating kit supplies or financial gifts to purchase the supplies, you make a direct, tangible difference in sustaining people's lives. Detailed information about assembling kits can be found here.
