Food Crisis Ausell Nonprofit Need Warehouse In Georgia
Our nonprofit organization is seeking a conveyance of a warehouse/ and or monetary funds to purchase in Atlanta, Ga to help us assist with our on–going disaster relief efforts. We have offers of support with in–kind goods, however we are in dire need of a warehouse to be able to store and distribute these items. Our past disaster relief outreach involved 911, Hurricane Katrina, and Georgia Flood victims. Our present on–going outreach also includes the following states: New York, Virginia, North Carolina and Georgia.

DISASTER RELIEF AGENCY
Our disaster relief program is provided through in–kind assistance to individuals, and families in locations whose property has been damaged or destroyed and whose losses are not covered by insurance. It is meant to help them with household and clothing that cannot be covered in other ways.

Our crisis relief agency that was instrumental in the 911 relief efforts. Our nonprofit was awarded "New Yorker of the Week" for the efforts in which we reached out to the youths who had lost parents/and or relatives in this horrific act.
We were also instrumental in assisting Hurricane Katrina victims with clothing, books, toys, that had relocated Georgia. There are still many of these individuals who are in need of training and employment. With our training expertise we expect to be able to train and offer employment in the future.

Our P.L.U.S. (Positive Learning Understanding Self Program) is a program that we are seeking donors who will through either financial/and or new in–kind donations help us with our programs for obese public school high school young girls. There has been a rapid increase in the prevalence of youth overweight and its resulting health and academic problems have signaled an alarm for those of us who are invested in our children's health and development. The severity of the problem calls for entities to work together toward the prevention of overweight among youth and to more effectively intervene when a young person has been identified as overweight or at risk of overweight. More than 18 million young people in this country are overweight or obese. In fact, the U.S. now has the highest percentage of overweight youth in the nation's history. The excess pounds are not just a cosmetic concern. Recent research has helped us understand the multiple tolls that excess weight takes on both mental and physical health. Our after school program is designed to assist these young girls awareness in nutrition, physical fitness, self–esteem, make–up and a beauty pageant finale. Your freely willed tax–deductable donations will help us make a difference in changing the lifestyles of these young overweight teens.

Volunteer Work that Makes a Difference
Right now, Lions are performing volunteer work to improve communities around the world. We're meeting to plan a local project. We're sponsoring international exchanges for young people. We're bringing clean drinking water to a remote village. We're building. We're sharing. We're repairing. And we're having fun.

==

We have community clubs that meet in person. Cyber clubs that meet online. And special interest clubs that can be based on your profession, a hobby or anything you care about. Each club matches the needs of its members to help them support their community – right now.

A local Lions club in or near your community may sponsor a program that provides assistance for the purchase of eyeglasses, hearing aids, health–related services, scholarships or educational needs.

Contacting a Local Lions Club
To find a Lions club near you, access our Club Locator. Clubs are generally named for the community in which they serve. You may also wish to contact your local Chamber of Commerce or library to find a Lions club near you.

From its inception, The Salvation Army has relied heavily on volunteers who support its programs. Often referred to as "the army behind The Army," volunteers play a crucial role in The Salvation Army's ability to provide quality social services for the entire community.

Volunteers are valuable assets in The Salvation Army's efforts to meet the changing needs of our world. Through the skills and experience they bring to The Army, volunteers make significant contributions to society by positively impacting the lives of those

they assist. Salvation Army volunteers change lives, uplift families and support communities throughout the Greater New York area everyday.

The Salvation Army in Greater New York has many locations over the 14 counties we serve:

* Operations are run from Divisional Headquarters at 120 West 14th Street in Manhattan. The Divisional Commander, Major Guy D. Klemanski, and his staff of officers and non–Army professionals see to the health of the division through financial management, fundraising, communications and more.
* There are 39 corps community centers: places for worship, community life, program and assistance. Each center is run by one or more Salvation Army officers — also called pastors or corps officers — assisted by other Salvation Army staff and volunteers. The programs at each center are unique to each location. They reflect the needs and richness of the communities they serve.
* The division has county development offices as well in Suffolk County, Nassau County and the Hudson Valley.
* Two residences — The Markle and The Williams — provide housing for women and seniors in New York City.
* Social Services Headquarters is at 132 West 14th Street in Manhattan. From here, social service programs all over the division are supervised.
* Salvation Army Thrift Stores support 7 Adult Rehabilitation Centers in the Greater New York Division.
