CWS Situation report: Spring storms 2011
Thursday, April 14, 2011

A series of disasters in recent weeks have marked the end of winter and beginning of spring in the continental United States.
Situation:

A series of disasters in recent weeks have marked the end of winter and beginning of spring in the continental United States.

Among the disasters CWS has been tracking:

* Flooding in several New Jersey counties, with major damage to some 400 homes.
* A tornado in Greensburg, PA, south of Pittsburgh; some 60 homes affected, half of them destroyed. As well, a tornado in Rayne, LA, damaged about 100 homes.
* Wildfires in Colorado; New Mexico; Oklahoma; Texas; Washington.
* Preparations underway for spring flooding in the Upper Midwest, including the Red River Valley, particularly Fargo and Grand Forks, ND, as well as Devil's Lake, ND. The lake at Devil's Lake is close to overflowing and has no outlet; it has quadrupled in size in the last 20 years.
* Preparations are also under way for possible spring floods in Iowa where the Mississippi River may exceed 1993 record levels at Davenport and elsewhere. The citizens of Iowa were also impacted by severe storms and tornadoes on April 9th and 10th.

CWS response:

Partners in Fargo, including the American Red Cross, Lutheran Disaster Response and UMCOR, have asked CWS for CWS Blankets as a pre–positioning move. In addition, CWS plans to allocate $2,000 for spiritual care and other community–based efforts in Devil's Lake. CWS staff are expected to assist efforts in Devil's Lake later this year.

CWS is monitoring the impact of spring storms in Iowa and elsewhere to determine if we can assist with immediate material support (CWS Emergency Clean–up Buckets, Hygiene Kits, or Blankets) as well as with Long Term Recovery training and support.

HOW TO HELP: Contributions to support CWS emergency response efforts may be made online, sent to your denomination, or to Church World Service, P.O. Box 968, Elkhart, IN 46515.

Japan Earthquake and Tsunami: CWS Situation Report #2; 03–13–11

Source: Church World Service (CWS)
Date: 13 Mar 2011

CHURCH WORLD SERVICE
DEVELOPMENT AND HUMANITARIAN ASSISTANCE PROGRAM

SITUATION: Rescue efforts continue in Japan following the March 11 tsunami and earthquake that in recent days has taken another potentially deadly turn as the country tries to deal with a growing nuclear crisis.

Japan's prime minister, Naoto Kan, is describing the situation as the worst in the country since World War II, with several nuclear plants in danger of melting down.

As for the direct tsunami and earthquake responses, authorities said the official number of those confirmed dead is nearly 1,600 but is expected to rise substantially; the death toll alone in the Miyagi region could exceed 10,000.

Some 310,000 people have been evacuated to emergency shelters, the BBC reported.

The two immediate needs for affected families include rescue for those who are trapped and the mobilization of relief goods to evacuation sites. Rescue interventions are primarily being carried out by the Self–Defense Force of Japan and other specialized agencies including the Japan Rescue Association. The Japanese government has requested international assistance in response to this massive disaster.

"Although Japan is considered among the most advanced countries in terms of disaster risk reduction measures, the damage caused by the unprecedented scale of this disaster is beyond imagination," said Takeshi Komino, the head of emergencies for CWS Asia Pacific.

"The government is currently focusing on the search and rescue operations as well preventing a catastrophic nuclear crisis from two severely damaged nuclear power plants," he said. "Increasing humanitarian needs are being reported from evacuation sites including a lack of ready–to–eat food, water, health and sanitation kits and blankets."

RESPONSE: CWS has been in contact with the Japan Platform, a coalition of 32 non–governmental organizations, government service agencies and media outlets. CWS may provide support and channel contributions to individual members of the Japan Platform. The Platform has historically been a vital partner to CWS in previous lobbying efforts towards the Japanese government for disaster risk reduction activities in Afghanistan.

Eight member non–governmental organizations of the Japan Platform have already started assessing needs and initiated emergency response activities. These members include Association for Aid and Relief Japan, Adventist Development and Relief Agency, Civic Force, Institute of Cultural Affairs, JEN, Japan Rescue Association, Nippon International Cooperation for Community Development and Peace Winds Japan. CWS is also coordinating with other ACT Alliance members in the Asia–Pacific region as the international response to this disaster scales up.

"Building upon accumulated CWS and ACT Alliance experience in the region, CWS hopes to mobilize support to Japanese NGOs that are on the ground," Komino said. "Contributions from partners and supporters will be used to fill critical gaps in meeting the basic needs of victims in and around the evacuation sites."

Church World Service is also prepared to support, if needed, efforts of faith–based partners in Japan, including the National Christian Council of Japan and the United Church of Christ of Japan.

CWS anticipates issuing an appeal for this disaster once more specifics are known about precise partnerships and response efforts.

HOW TO HELP: Contributions to support CWS emergency response efforts may be sent to your denomination or to Church World Service, P.O. Box 968, Elkhart, IN 46515.

Church World Service is a member of the ACT Alliance, a global coalition of churches and agencies engaged in development, humanitarian assistance and advocacy.

For further information about disasters to which Church World Service is responding please visit www.churchworldservice.org or call the CWS Hotline, (800) 297–1516.

HURRICANE DOLLY

Shelter update 7/25/08:

Sheltering of Displaced Individuals Remains a Priority
Shelters remain open in Hidalgo County, staffed by Texas Military Forces, city, county and school district personnel. These are not Red Cross shelters, as the humanitarian organization refused to open shelters in Hidalgo County due to the levees being decertified by FEMA. Food was provided by the Salvation Army yesterday to four shelters and school lunches and school district kitchen staff and/or ready–made meals provided by the city were utilized at the other shelters. Food will be available at the shelters today. Cots may be made available only to the elderly and individuals with special needs later today.

Catholic Charities USA gearing up Hurricane Dolly response

Alexandria, VA—To deal with the aftermath of Hurricane Dolly, which is has already started to make landfall along the Texas Gulf Coast, Catholic Charities USA (CCUSA) is gearing up its response efforts, collaborating with the local Catholic Charities agency and the Diocese of Brownsville to preposition supplies and prepare to open shelters if needed.

'Catholic Charities USA is working with Catholic Social Services to ensure our network's response will be aiding the most vulnerable populations, including a large migrant population, in the impacted areas,' said Kim Burgo, senior director of disaster response for Catholic Charities USA.

A disaster response team of expert staff from CCUSA, Catholic Charities of Baton Rouge, LA, and Catholic Charities of Southeast Texas is being deployed to the region to help the local agency assess post–storm damages, human needs, and recovery efforts.

Families must provide their own transportation to the shelters. Food, water and other basic necessities like toiletries will not be provided. Residents are advised to bring medications, supplies for babies and the elderly and bedding materials.

FOR IMMEDIATE RELEASE
July 22, 2008, 4:00 p.m.

WHAT YOU NEED TO KNOW ABOUT SHELTERS:

• A shelter will not provide the comforts of a hotel or motel.
• The shelter is not a medical shelter; only basic first aid will be available.
• The shelter does not accept responsibility for storing valuable personal property.
• Parents are required to be in control of their children at all times.
• Persons needing medical assistance of personal attendants cannot be left unattended.
• Shelters may be equipped with generators, but they may or may not be air–conditioned. If electrical power is interrupted, portable generators will not be able to keep air conditioners running.
WHAT TO BRING TO A SHELTER (plan for up to three days):
• Non–perishable food and snacks (it may not be provided at the shelter)
• personal hygiene items
• beddings such as cots, air mattresses, blankets and pillows for their own use (none will be provided)
• water (rule of thumb: 1 gallon per day per person)
• extra change of clothing
• personal items (medications, eyeglasses, hearing aid, flashlights, toothbrushes, battery–operated radio, special diet foods, if appropriate)
• baby supplies: ample amounts of baby food, formula, juice, diapers and wipes, and a stroller, portable crib or play pen
• driver's license, other identification
• cash, traveler's checks
• important documents

WHAT NOT TO BRING TO THE SHELTER:
• Pets
• Firearms or explosive devices
• Intoxicating or alcoholic beverages
• Illegal drugs

BEFORE YOU LEAVE YOUR HOME:
• Board your windows.
• Have a good meal.
• Turn off electricity at the fuse box (to prevent possible fire).
• Turn off water at the outside line.
• Turn off gas for gas water heaters (to prevent possible fire

7/25/08 Shelter Update:

Sheltering of Displaced Individuals Remains a Priority
Shelters remain open in Hidalgo County, staffed by Texas Military Forces, city, county and school district personnel. These are not Red Cross shelters, as the humanitarian organization refused to open shelters in Hidalgo County due to the levees being decertified by FEMA. Food was provided by the Salvation Army yesterday to four shelters and school lunches and school district kitchen staff and/or ready–made meals provided by the city were utilized at the other shelters. Food will be available at the shelters today. Cots may be made available only to the elderly and individuals with special needs later today.

This shelter site is "FULL" per the Hidalgo Co. website shelter update

"As of 2 p.m Wednesday, 7/23/08, Hidalgo County has nine shelters open and a total and 2,179 people sheltered at these locations."

The American Red Cross will not open shelters in Hidalgo County, claiming risk from the FEMA decertified levees. For this reason, Hidalgo County officials, in coordination with area cities, school districts, law enforcement, fire departments and the Texas Military Forces, have begun to open shelters.

Families must provide their own transportation to the shelters. Food, water and other basic necessities like toiletries will not be provided. Residents are advised to bring medications, supplies for babies and the elderly and bedding materials. Please see the attached handout for more information on what to bring and what not to bring to a shelter.

FOR IMMEDIATE RELEASE
July 22, 2008, 4:00 p.m.

WHAT YOU NEED TO KNOW ABOUT SHELTERS:

• A shelter will not provide the comforts of a hotel or motel.
• The shelter is not a medical shelter; only basic first aid will be available.
• The shelter does not accept responsibility for storing valuable personal property.
• Parents are required to be in control of their children at all times.
• Persons needing medical assistance of personal attendants cannot be left unattended.
• Shelters may be equipped with generators, but they may or may not be air–conditioned. If electrical power is interrupted, portable generators will not be able to keep air conditioners running.

WHAT TO BRING TO A SHELTER (plan for up to three days):
• Non–perishable food and snacks (it may not be provided at the shelter)
• personal hygiene items
• beddings such as cots, air mattresses, blankets and pillows for their own use (none will be provided)
• water (rule of thumb: 1 gallon per day per person)
• extra change of clothing
• personal items (medications, eyeglasses, hearing aid, flashlights, toothbrushes, battery–operated radio, special diet foods, if appropriate)
• baby supplies: ample amounts of baby food, formula, juice, diapers and wipes, and a stroller, portable crib or play pen
• driver's license, other identification
• cash, traveler's checks
• important documents

WHAT NOT TO BRING TO THE SHELTER:
• Pets
• Firearms or explosive devices
• Intoxicating or alcoholic beverages
• Illegal drugs

BEFORE YOU LEAVE YOUR HOME:
• Board your windows.
• Have a good meal.
• Turn off electricity at the fuse box (to prevent possible fire).
• Turn off water at the outside line.
• Turn off gas for gas water heaters (to prevent possible fire

The Upper Valley Humane Society was established in 1973 by a group of concerned citizens. After approaching the city of McAllen, the Society took over the operation of the McAllen-based shelter. In 1981, UVHS received a donation of 2 1/2 acres of land located on Trenton in Edinburg. An additional 2 1/2 acres was purchased for a total of 5 acres. Contributions from the surrounding cities as well as donations from local citizens, including $50,000 from Bob Sobel and a $100,000 bequest from L.L. Rowan, secured the construction of the current facility. On October 31, 1983, the new shelter opened, containing 56 dog runs and 60 cat cages.

In recent years, additions have been made to the shelter to accommodate the increasing influx of animals each year. In 2000, the Weslaco Humane Society closed and UVHS became the only animal care facility for the entire Hidalgo County area. On average, UVHS receives 80 to100 animals every day and we house 250 dogs and 130 cats on a daily basis. For the last two years, the shelter received more than 40,000 animals each year.

These astronomical figures, along with a vision of controlling pet overpopulation, inspired our spay/neuter clinic. The clinic opened in June 2001 with Dr. Nance presiding as veterinarian, and provided low-cost spay and neuter services to the public. Unfortunately, Dr. Nance relocated in November 2003, and the clinic is temporarily closed. We are currently searching for a new veterinarian and maintain a positive perspective that we will have a new veterinarian soon.

As the population of McAllen and surrounding cities increases, so does the number of unwanted pets. The needs of UVHS also increase on a daily basis. We appreciate all your support and generous contributions to help our facility keep its doors open.

Email: sharvill@myharlingen.us

Bite incident investigations take priority over all other responsibilities. Officers investigate and impound animal(s) involved in a bite incidents at the City Animal Shelter located at 1106 Markowsky Street in Harlingen where they are monitored for signs of rabies as per State requirements.

Animal Control Officers are also responsible for patrolling all city streets on a daily basis in an effort to address animals running at large and remove dead animal carcasses.

Once a year the city offers low–cost rabies clinics to citizens at a number of convenient locations throughout the City. These clinics are historically held during the months of March and/or April of each year. We encourage all citizens to take advantage of these low cost clinics. Remember keeping your pet vaccinated is also the LAW.

The City's Animal Control Department is staffed by one Sr. Officer and three animal control officers who under the direction of the Environmental Health Director promote responsible pet ownership through education and enforcement of the City's Animal Control Ordinances. The Department is responsible for impounding dogs/cats involved in bite incidents for proper monitoring as per State requirements. Animals that are captured or turned over to the Animal Control Officers are taken to the Animal Shelter located at 1106 Markowsky in Harlingen where they are monitored by the Harlingen Humane Society staff. Officers also respond to citizen concerns regarding stray and/or vicious animals, provide assistance to the Harlingen Police Department in the investigation and disposition of possible cruelty to animal cases, investigate and address citizen bee call complaints, and patrol City streets in an attempt to address animals running at large and remove dead animal carcasses.

7/25/08 Shelter Update:

Sheltering of Displaced Individuals Remains a Priority
Shelters remain open in Hidalgo County, staffed by Texas Military Forces, city, county and school district personnel. These are not Red Cross shelters, as the humanitarian organization refused to open shelters in Hidalgo County due to the levees being decertified by FEMA. Food was provided by the Salvation Army yesterday to four shelters and school lunches and school district kitchen staff and/or ready–made meals provided by the city were utilized at the other shelters. Food will be available at the shelters today. Cots may be made available only to the elderly and individuals with special needs later today.

The American Red Cross will not open shelters in Hidalgo County, claiming risk from the FEMA decertified levees. For this reason, Hidalgo County officials, in coordination with area cities, school districts, law enforcement, fire departments and the Texas Military Forces, have begun to open shelters.

Families must provide their own transportation to the shelters. Food, water and other basic necessities like toiletries will not be provided. Residents are advised to bring medications, supplies for babies and the elderly and bedding materials. Hours	8 am – 5 pm M–Fri.
Checks payable to	Food Bank of the Rio Grande

The emergency food assistance program is the main program of the Food Bank RGV. Through our member agencies, we are able to help families in need of food throughout the Valley. The service area of the Food Bank RGV consists of four counties. There are over 194 member agencies throughout these four counties. The Food Bank RGV delivery trucks are constantly on the road delivering agency orders, picking up donated product, and food drives.

These agencies consist of food pantries, on site feeding centers, soup kitchens and shelters.

Emergency Food Assistance

In 2004, the Food Bank RGV distributed over 20 million pounds of non–perishable, fresh produce, and frozen product through over 194 member agencies.

Through these member agencies families and individuals were fed 38,258 times in Acute Emergencies, 256,927 times in Chronic Emergencies, 31,495 times in Supplemental Nutrition programs and 1,511,083 meals were served to hungry persons.

The Emergency Food Assistance Program utilizes USDA commodities through the TEXCAP program. In addition, the Food Bank RGV receives product from national food retailers such as KRAFT, Nabisco, and Del Monte through America's Second Harvest. Also off–the–shelf product from food retailers like H–E–B are shipped to FBRGV monthly. In addition, FBRGV distributes fresh produce, bread, and frozen products.

Services offered: Food Distribution, Food Bank ONLY (No Walk–In Service); Food Distribution, Food Bank (This Site Supplies Food Pantries/Agencies); Food, Virtual Food Drive ; Hotline, Food Bank/Pantry Hotline (Find Emergency Food Help); Services, Family, Children, Recreation, Kid's Cafe Program (Youth); Training Classes, Cooking/Nutrition Education Classes; Volunteer Opportunities, In General * (ANY/ALL Types); Volunteers, Groups of Volunteers (This facility accomodates Groups of Volunteers); Volunteers, Individual Volunteers (This facility accomodates Individuals Volunteers)

Salvation Army Seeking Warehouse Space For Use During Dolly Recovery

The Salvation Army in McAllen, currently running as the Incident Command Post for Dolly disaster recovery, has power once again. Electricity was restored to the facility at approximately 5:30 p.m. on Thursday night.

Along with the restoration of power, comes an increased need for a warehouse facility to use as a storage and distribution center as The Salvation Army continues assisting victims, and first responders of Hurricane Dolly.

If you can be of assistance in helping The Salvation Army acquire warehouse space until recovery efforts conclude, please contact Major Dan Ford, Incident Commander for Dolly Recovery Efforts in McAllen, TX. He can be reached by calling 956–821–0382.

RECOVERY EFFORTS CONTINUE

The Salvation Army of Texas is continuing their dedicated recovery efforts to victims and first responders of Hurricane Dolly, despite a lack of electricity.

The Salvation Army has kept the doors open to its shelter in McAllen, TX, despite losing power around 11:30 p.m. The shelter hosted 188 people on Wednesday night . In Addition to serving those staying in the McAllen Salvation Army shelter, mobile feeding units responded to the public's cry for help, serving over 2,000 meals to people in shelters across Hidalgo County.

Major Dan Ford, Incident Commander for The Salvation Army recovery efforts said, "We've been impressed with the cooperation of those we are helping, their patience and understanding of our limitations and the appreciation they have expressed for our services to the community."

• Shelters may be equipped with generators, but they may or may not be air–conditioned. If electrical power is interrupted, portable generators will not be able to keep air conditioners running.

WHAT TO BRING TO A SHELTER (plan for up to three days):
• Non–perishable food and snacks (it may not be provided at the shelter)
• personal hygiene items
• beddings such as cots, air mattresses, blankets and pillows for their own use (none will be provided)
• water (rule of thumb: 1 gallon per day per person)
• extra change of clothing
• personal items (medications, eyeglasses, hearing aid, flashlights, toothbrushes, battery–operated radio, special diet foods, if appropriate)
• baby supplies: ample amounts of baby food, formula, juice, diapers and wipes, and a stroller, portable crib or play pen
• driver's license, other identification
• cash, traveler's checks
• important documents

WHAT NOT TO BRING TO THE SHELTER:
• Pets
• Firearms or explosive devices
• Intoxicating or alcoholic beverages
• Illegal drugs

BEFORE YOU LEAVE YOUR HOME:
• Board your windows.
• Have a good meal.
• Turn off electricity at the fuse box (to prevent possible fire).
• Turn off water at the outside line.
• Turn off gas for gas water heaters (to prevent possible fire

7/25/08 Shelter Update:

Sheltering of Displaced Individuals Remains a Priority
Shelters remain open in Hidalgo County, staffed by Texas Military Forces, city, county and school district personnel. These are not Red Cross shelters, as the humanitarian organization refused to open shelters in Hidalgo County due to the levees being decertified by FEMA. Food was provided by the Salvation Army yesterday to four shelters and school lunches and school district kitchen staff and/or ready–made meals provided by the city were utilized at the other shelters. Food will be available at the shelters today. Cots may be made available only to the elderly and individuals with special needs later today.

The American Red Cross will not open shelters in Hidalgo County, claiming risk from the FEMA decertified levees. For this reason, Hidalgo County officials, in coordination with area cities, school districts, law enforcement, fire departments and the Texas Military Forces, have begun to open shelters.

Families must provide their own transportation to the shelters. Food, water and other basic necessities like toiletries will not be provided. Residents are advised to bring medications, supplies for babies and the elderly and bedding materials. Please see the attached handout for more information on what to bring and what not to bring to a shelter.

FOR IMMEDIATE RELEASE
July 22, 2008, 4:00 p.m.

WHAT YOU NEED TO KNOW ABOUT SHELTERS:

• A shelter will not provide the comforts of a hotel or motel.
• The shelter is not a medical shelter; only basic first aid will be available.
• The shelter does not accept responsibility for storing valuable personal property.
• Parents are required to be in control of their children at all times.
• Persons needing medical assistance of personal attendants cannot be left unattended.
• Shelters may be equipped with generators, but they may or may not be air–conditioned. If electrical power is interrupted, portable generators will not be able to keep air conditioners running.
WHAT TO BRING TO A SHELTER (plan for up to three days):

Serves State Declared Southern TX Counties
Eligibility Impacted by Hurricane Dolly, Gustav & Ike
Service Temporary

The American Red Cross has played an active role in the Hurricane Ike disaster response in San Antonio and our surrounding counties – providing shelter support and serving meals to thousands of evacuees. Here are the stories we've collected from Red Cross volunteers from San Antonio and the rest of the country who are working tirelessly to help all those impacted by Hurricane Ike, families who were able to safely evacuate, the doctor and volunteers who helped deliver a beautiful baby, and more.

From www.kwtx.com 7/23/08:

American Red Cross: Operations Headquarters and warehousing facility is established in San Antonio. Four Emergency Response Vehicles (ERV) are being deployed to Weslaco; 6 ERVs will go to Laredo; 29 ERVs are en–route to San Antonio. One ERV is pre–positioned in Laredo and 6 are already pre–positioned in San Antonio. Six shelter trailers are in position in Laredo for post–hurricane sheltering. Shelter teams are being recruited for post hurricane sheltering. The ARC has recruited and deployed 250 disasters workers to Texas

San Antonio Area Chapter update on Hurricane Dolly
Written by : San Antonio Area Chapter
7/23/2008 –

The American Red Cross, San Antonio Area Chapter is fully engaged and ready to support Hurricane Dolly operations which is currently affecting the Red Cross Chapter jurisdictions headquartered in Harlingen and Corpus Christi. Our support includes being represented at the City of San Antonio Emergency Operations Center/Alamo Regional Command Center at Brooks City–Base. Red Cross mass care volunteers and emergency response vehicles (ERVs) are being staged in San Antonio and are prepared to deploy to assist in disaster response efforts. We are also making preparations for any after–storm sheltering that might occur locally and keeping close watch on the hurricane to see whether flooding, tornadoes or wind damage becomes an issue.

The American Red Cross encourages residents of South Texas affected by Hurricane Dolly to:

Monitor media reports. Watch TV, listen to AM/FM or NOAA weather radio and check the Internet for updates.
Review or develop a family communication plan so you will know how to contact each other and where to meet. Identify an out–of–area contact person that family members and friends can call if you are separated from one another.
Register with the Red Cross Safe and Well Web site. If you are affected by a disaster, this public site provides a way for you to register yourself and communicate your well–being to your family members. You can input information directly or via phone. The site is accessible via www.redcross.org.
Update or create your disaster supplies kit. Your kit should have the following items: 3–day supply of water (1 gallon per person, per day), nonperishable food, manual can opener, flashlight, battery–operated or crank radio, extra batteries, first aid kit, prescription and non–prescription medications, cash, and copies of important documents such as bank account numbers, social security card, driver's license and insurance policies.
Prepare your home. Bring inside: bicycles, lawn furniture, trash cans, hanging plants, outdoor decorations or ornaments, or anything else that can be carried by the wind. Close windows and doors, then close hurricane shutters or cover windows with plywood.
Stay away from floodwaters. If you come upon a flooded road, turn around and go another way. If you are caught on a flooded road and waters are rising rapidly around you, get out of the car quickly and move to higher ground. The floodwaters may still be rising and the car could be swept away at any moment.
Plan your evacuation route. Use local maps and identify alternate evacuation routes from home, work and/or school. Know where you are going and how you plan to get there before you leave home.
Evacuate immediately if advised to do so. Follow the direction of local authorities on which routes to take, which evacuation shelters to seek and other important advice.
Take your pets with you. If it is not safe for you, it is not safe for them. Red Cross emergency shelters cannot accept pets unless they are service animals. Prepare a list of family, friends, pet–friendly motels and boarding facilities that could shelter your animals.

What is the Public Health Preparedness Team?

It is a program funded by the Centers for Disease Control through the Texas Department of State Health Services due to recent terrorist events. The purpose of this program is to work together with other agencies, such as Texas DSHS, law enforcement agencies, local hospitals, medical providers, city health departments, first responders, and school districts in establishing a public health response team to cover Cameron County and to prepare the public when dealing with terrorism and other public health threats and emergencies. Another main objective of this program is the proper surveillance and monitoring of highly infectious diseases such as meningitis and hepatitis.
