The Glendale Humane Society is a private non–profit 501(c)(3) humane rescue and education organization, founded in 1924. For more than 80 years, the GHS has worked to find safe, loving homes for lost, unwanted and abandoned companion animals in Southern California.

We are a no–kill facility. The majority of our animals come from city and county shelters that routinely euthanize adoptable animals due to over–crowded conditions. Once at Glendale Humane Society, these animals remain in our care until placed in loving, permanent homes.
