United Methodist Volunteers in Mission
March 9, 2010

Alabama Rural Ministries is still accepting team registrations for 2011.

Alabama Rural Ministry coordinates home repair efforts and children's day camps in rural parts of Alabama. We are interdenominational but are connected to the United Methodist Church. All denominations are welcome to come and serve!

"For the service that you give is not only supplying the needs of everyone but is an expression of many thanks to God." 2 Corinthians 9:11–12

Home Repair – The ARM staff assists teams coming to do home repair by purchasing materials, introducing teams to their families, and serving as technical assistants. Typical ARM projects include repairing and/or replacing roofs, ceilings, floors and walls. We also build steps and wheelchair ramps for elderly or disabled individuals. We match our projects with the skills of our volunteers, maximizing the services we are able to provide. Our service extends to plumbing and electrical work when our volunteers are able to do such work. If you are involved in a group with any of these skills, please consider a trip to ARM to help the elderly and disabled families of rural Alabama.

Day Camps – Teams working with the day camp work with the ARM day camp staff to plan Bible studies, songs, recreation activities and much more! Day camps are run similarly to Vacation Bible Schools and other day camp programs. Our volunteers are able to enhance the children's experiences through interaction, whether it be fellowship, playing games, going on field trips, or presenting Bible stories and devotions. The children of the Sonshine Day Camp are truly remarkable in their ability to show love to so many volunteers that come in and out of their lives each summer. We invite anyone with a love for children to join us for this amazing experience this summer.

ARM is an UMVIM GO! Project Site– www.umvim.org/domestic.htm

Tuskegee Site (Home Repair Only):
Week long dates: June 12–18, 19–25, 26–July 2, July 10–16, 24–30

5/11/11 Phone conversation with David Tubbs
No longer a RC shelter. As a church they are housing 2 people. No longer feeding. They are a POD and have lots of supplies. They are doing debris removal and assessments. Will need a bobcat next week. lpar

5/7/2011 Phone conversation with Sylvia Robinson
They have an urgent need for heavy equipment for large tree removal. Contact Daive Tubbs. See contact info above. If you can not see the contact information use the "Contact" button or email capbham @ aol.com

5/1: TF called, talked to Rev Fred. He says that they have about 30 overnight guests, but are feeding a lot more people during the day. He doesn't know for sure, but it might be hundreds. Gave me Gene's number, who is helping directly at the shelter (which seems to be in another building). Gene said that they are Ok for water and supplies for a couple days. Gave him Matt Lacey UMC supply contact info. Gene will call if he needs anything. He's got no power, so email won't work.

old notes:
From the NYVOAD Member Directory:

Activation of NYSVOAD

NYSVOAD recognizes the independence of each of its member organizations and does not dictate agency response. However, NYSVOAD endeavors to serve as a catalyst of cooperation and communication between each of its members.

In the event of a disaster, any member agency may request initiation of NYSVOAD response coordination. Response coordination may be accomplished through conference calls, local meetings, or electronic communications.

It is important to maintain the regularly scheduled NYSVOAD communications (i.e. monthly conference calls, executive meetings) during the disaster timeframe.
Activation of any one member organization may be done directly by that organization or may be requested through the leadership of the NYSVOAD.

Activation through NYSVOAD will ensure that all member organizations are informed of the situation. Once activated, NYSVOAD will encourage a cooperative and coordinated voluntary response.

Disaster Coordination Plan

The purpose of the NYSVOAD is to bring together organizations active in disaster services to foster more effective preparedness, response and disaster recovery in New York State. Direct service to impacted communities is provided by the member agencies of the NYSVOAD, not by the NYSVOAD itself. NYSVOAD is a coordinating agency whose goal is to enhance planning, training and communications between organizations active in disaster mitigation, response and recovery. With this in mind, NYSVOAD shall support the response to level 3 & 4 disasters, as appropriate, in the following manner:

I. NYSVOAD Officer (or designee) will report to the State Emergency Operations Center and become the liaison for all VOAD members not then represented in the EOC, and will call and facilitate a NYSVOAD meeting or conference call as soon as practical and needed to do so.

II. NYSVOAD EOC Liaison will meet with the State Donation Coordination Manager (or designee), the State Director of Human Services and FEMA VAL (Voluntary Agency Liaison), and will convene meetings or conference calls with VOAD member agencies to identify and assist with immediate needs, and coordinate with member agencies on their planned responses.

III. NYSVOAD Officer (or designee) will provide updated reports of voluntary agency activities to the New York State Office of Emergency Management (State OEM) at regular intervals or when necessitated by changes in service or location, and will provide member agencies with information regarding the state response. The Liaison will also communicate any issues or concerns that member agencies are reporting in the field to the state.

IV. NYSVOAD Executive Committee will facilitate the development of Long Term Recovery Committee(s) as appropriate, in coordination with the State OEM Director of Human Services and the FEMA VAL.

V. At the close of an operation, NYSVOAD Chairperson or Vice–Chair will request a consolidated report from each voluntary organization assisting in disaster response. This report is to include recommendations that will enable NYSVOAD to encourage and implement corrective actions that will enhance future response and recovery operations. Reports will be brought as an agenda item at the next NYSVOAD meeting following the disaster.

NYSVOAD shall support the response to disasters of a level two or less, as appropriate, in the following manner:

I. NYSVOAD Officer (or Designee) will convene a conference call with member agencies and government partners to evaluate the nature and extent of damages. Under special circumstances the VOAD Liaison may be requested to support EOC operations.

II. NYSVOAD Member agencies will support local response agencies as appropriate.

III. NYSVOAD Executive Committee will facilitate the development of Long Term Recovery Committee(s) as appropriate, in coordination with the State OEM Director of Human Services.

IV. At the close of an operation, NYSVOAD Chairperson or Vice–Chair will request a consolidated report from each voluntary organization assisting in disaster response. This report is to include recommendations that will enable NYSVOAD to encourage and implement corrective actions that will enhance future response and recovery operations. Reports will be brought as an agenda item at the next NYSVOAD meeting following the disaster.

NOTE: The primary goal of the NYSVOAD and its member organizations is to work in partnership and support of local VOAD's, disaster response networks, local human services councils and other response organizations, and when required act as a conduit to national resources. It is not the role of the NYSVOAD nor its member organizations to replace local networks or their services.
