HAITI EARTHQUAKE NEWS

Our clinic in Juampas, Haiti and the home in which we stay were undamaged during the earthquake on Tuesday, Jan. 12, 2010. The clinic is serving victims of the earthquake from Port–au–Prince and other areas and more than 150 earthquake refugees are being housed in Juampas.

There has been an overwhelming outpouring of donations and support for CCHMP and we are very grateful! Rebuilding in Haiti began almost immediately, but recovery take a long, long time. Monetary donations to CCHMP can be sent to CCHMP, 111 E. Broad, Mt. Carroll, IL 61053. Only monetary donations are being sought at this time.

Please Pray for the People of Haiti.
