Medical Facility · Open

Haiti Gospel Mission HQ: 134 Watson Dr.,; Bremen, GA 30110; Confirmed Commune and GPS Coord. from map on website. Lpar 2/4/11; 18 37 22.25 N, 72 12 41.39 W; Haiti, Depinos

Web www.haitigospelmission.org
Hours 4 days a week
Service Temporary

FROM THE SITE:

With the recent earthquake in Haiti, the Haiti Gospel Mission's Medical Clinic is one of the largest functional health care centers available. Supplies are absolutely scarce, and financial support is desperately need. Please, please, please consider helping with a financial donation because lives WILL be saved with your financial sacrifice.

NON–EARTHQUAKE NEEDS

Here's a list of items sent to me from Joel and April. These are things that they're needing at the Haiti Gospel Mission.

* Sheets, pillow cases
* Sandals (regular) or flip flops
* Soap, shampoo, and feminine products
* Money for rebuilding
* Tools: Hack saws, drills (corded and battery powered), hammers, tape measure, sledge hammers, chisels, wheel barrows, pick axe.
* Vehicle: We are in need of a lug wrench and floor jack for the Chevy.
* Tents of all sizes
* Mosquito nets
* Candles
* Plastic Dishes
* Umbrellas tor raincoats
* Towels, wash cloths, dish towels, dish rags.
* Clorox wipes for sterilizing
* Matches
* Vitamins for children & adults

* Multi Purpose Building (can be used for teams, bible studies, children services)
o Pouring the roof, putting in the electricity, put in bathroom showers, toilets and sinks
o Doors

* Children's Chapel (used for Children's Church and Chapel)
o Expanding walls, pouring cement floor, installing 4 fet forge windows, new tin roof, floating and painting.

* Mission Compound House (aka Hess Home, Guest House)
o Finish upstairs bathroom (flooring, painting)
o Finishing floating on first floor
o Kitchen Cabinets
o Painting, Ceramic (especially downstairs)
o Floating outside, painting

* Jesse's House (aka guest house #2)
o Floating walls, ceramic, painting inside and out
o Glass windows (6 windows)
o Enclosing the entire property with a security wall. (the empty field)
+ Once this is accomplished, we can plant a garden, raise our own goats and pigs for eating, chickens etc. we would like to become more self sufficient, but our property is open to the public right now.
+ Our future plan is to possibly open an orphanage, and training school on this properties.

RELIEF PROJECTS listed at:

http://www.haitigospelmission.org/index.php?option=com_content&view=category&layout=blog&id=10&Itemid=34

We thank the Lord that the compound did not sustain much damage during the earthquake.

The damage that was done is very fixable and fairly inexpensive. All four corners are falling apart, and will need cement poured in and columns. The addition that we had just added to the walls a few months ago has crumbled as well. It will need to be fixed all the way around.

We also have major damage in the upstairs stair well going to the roof. It will need to be knocked down and rebuilt, and then have some columns put in. It is unsafe to walk through right now. It will not hold many more tremors.

Medical Ministry

Medical outreach is an important part of our ministry. Through our medical clinic at Despinos and our mobile clinics, the missionaries and national staff are healing–the–hurting as well as sharing the love of Jesus through skilled hands and compassionate hearts.

(state of the HGM Medical Clinic)

NOTE:
VEHICLE NEED

We cannot thank God enough for our good ole' suburban. This truck has been amazing; it has saved many many lives, running as an ambulance. However it has been very hard to only have this one machine. Our little Mazda has been giving us many problems and during this crisis, we have really been needing another vehicle. Because the suburban was being used as a ambulance at all hours day and night, we have had to rent a car a few times, which is very expensive. The mission is in great need of another vehicle, so that much can be accomplished. Help us pray for the needed funds for a second vehicle

Vehicle: We are in need of a lug wrench and floor jack for the Chevy.
