UPDATE 1/7/08:

Per the Director, as a result of the Fernley levee breech, this site has rescued:

2 horses that were in 8 foot of water
22 dogs
7 cats (4 have been released to their owners)

2 of the cats were floating on mattresses

They expected more livestock rescue but it seems most horse owners were able to get them out and place them on surround ranches/farms from friends, family and generous community members willing to assist in this emergency.

They expect more animals to be coming in and rescued in the following days.

PetCo & Petsmart were very generous with food, but they can use Litter Scoopers for their kitties.

Otherwise all is under control and they are good.

They are going to get back to us regarding the need for a container. This has to be approved.

With all the food they received, the concern is that rodents will infest the barn where it's being stored. The container would be very beneficial to them temporarily.

The director is also contacting many other local sites to secure Storage Container donation destinations. She's been extraordinarily helpful in CAT's efforts to assist this community.

Desert Lakes Community holds Pancake Breakfast Fundraiser
January 26, 2008
Submitted by Mike Logue

The Desert Lakes Golf Community Pancake Breakfast to benefit the Grace Food Pantry of The Living Faith Christian Church was held on Saturday morning January 26th.

The purpose of the breakfast fundraiser was to replenish the food pantry not only for the recent flood victims but for the ongoing service that Grace Food Pantry provides the citizens of Fernley.

The breakfast was held in the clubhouse at the Golf Club at Fernley and was an overwhelming success. Over $5,000 was raised from attendees and their generous donations.

The breakfast was organized by a committee headed by Larry & Jennifer Ashworth and was made successful through the help of many friends and neighbors. Some of the generous donations were made by The Golf Club at Fernley and Thrivent of the Lutheran Fellowship.

LTel 1/7/07:

Per Pastor Matt McCreary of Living Faith Church, their distribution operations (Food–non perishables / Clothing) was moved today to the Community Ctr. on Main St.

He is grateful to accept the offer of a donated storage container and is checking with 4 families impacted by the floods in his congregation today and will get back to me.

Services offered: Distribution, Clothing Distribution (To the Public); Food Distribution, Emergency/Disaster Food Distribution; Food Distribution, Food Pantry (Distributes to the Public); Support for "All" Disasters
