Serves Haiti
Service Temporary

Welcome to World Harvest Missions and the home of the New Life Children's home.

New Life Children's Home is located in Port–au–Prince, Haiti. It has been an orphanage/rescue center since 1977. We have brought hundreds of children over the years who were severely malnourished or dying from every disease known to mankind. Many children were brought to us because they were abandoned and had no where to go.

Today we have 115 children living at New Life Children's Home. The children s Home is located near the airport in Port–au–Prince and rests on 5 acres which was enclosed by a 13 foot security wall before the earthquake. Currently we need to rebuild the security wall as soon as possible. We have a team of medical workers who arrived at the compound who are using our land to set up a much needed make–shift ER room and a temporary shelter to house orphaned and injured children from the surrounding area.

We are sending containers from the states loaded with medical supplies and equipment to operate the ER. We also are filling up containers to supply other orphanages and villages in desperate need of food, meds, and supplies. We are shipping through St. Marc as the Port–au–Prince wharf is temporarily closed for repairs.

We want to thank you for your prayers, supplies and monetary donations. Please keep standing with us as it will be a long term effort to minister to and to help rebuild such a vastly devastated area of people.
