We have a variety of terrific pets that are looking for loving homes. Please consider adopting one.

Many people do not realize that purebred animals can be found at Shelters. If you are interested in providing a loving home for a purebred … Check out our Purebred Request page.

We will be offering our low cost Spay and Neuter Clinic every Friday. The cost is $61 for Dogs and $56 for cats, rabies vaccination is included. If your pet is current on vaccinations please bring proof and we will discount the price $5. Please call the shelter @ 812–446–5126 for an appointment. All animals should be at the shelter between 7 and 8:30 am on Friday, and may be picked up Saturdays between 10 and 12 am. There will be other services such as micro chipping and other vaccinations available, please ask for details.

––Adoption Policy––
Dog adoptions are $85.00 which includes alter and all shots. Cat adoptions are $65.00 which includes alter, all shots, and microchip. In the event that the animal is too young for a Rabies shot, the fees are reduced $6.00. ALL animals are to be altered before leaving the shelter.

In the event that the adoptee has driven a distance to adopt a pet and does not wish to make the drive back for the animal after alter, there will be a $50.00 deposit required in addition to the adoption fee. When proof of alter is returned to the shelter's director, the deposit will be reimbursed. The alter is the responsibility of the adoptee and must be done within 90 days from the date of adoption as stated in the contract.
