Per call to Corey at this site:

They house volunteers in two trailers, capacity is 28 total. The trailers are fully equipped with bathrooms and showers. Volunteers are responsible for their own meals.

Work orders are through both the city and their organization for rebuilds.

AS OF 11/07: BOOKED THROUGH 2008, TAKING INQUIRIES FOR 2009

Back Bay Mission was founded in 1922 as an outreach effort of the First Evangelical Church of Biloxi (later United Church of Christ), whose members responded with compassion and service to the needs of poor "fisher folk" living in deplorable conditions along the Back Bay of Biloxi, Mississippi. Since then, Back Bay Mission has continually grown its services and ministries, always keeping the impoverished and marginalized at the center of its concern. Although there were no longer any UCC congregations in Biloxi or in the state of Mississippi by the early 1970s, Back Bay Mission remained to offer a witness of the United Church of Christ. Its commitment is to be faithfully responsive to the emerging and critical needs of God's people, ever seeking a day of greater justice and peace. Program Areas of Back Bay Mission.

Following the crippling Hurricane Katrina in August 2005, Back Bay Mission found itself with no habitable facilities. In fact, of the seven buildings, six have been demolished and the seventh is awaiting a complete interior rebuild. All ministries were discontinued for a few weeks before receiving two donated work trailers from which the staff resumed work and began shaping services to fit the space and the post–Katrina reality.

Within a few months workcamping, now more accurately called "disaster relief/recovery," began receiving work teams from across the country to help the Mississippi Gulf Coast dig out and rebuild. Three mobile homes now serve as housing for these inspired and inspiring groups.

Because of the incredible outpouring of support from UCC churches, individuals, and organizations, Back Bay Mission is recovering more quickly than many locally based agencies. The staff of seven full time employees and four part time persons provide direct services to poor families while creating new independent service agencies. Because of past and current UCC investment in Back Bay Mission's work, over $10 million in vital services are delivered annually to South Mississippians in such diverse areas as education, legal aid, health care, feeding programs, early childhood development, family counseling, housing, and domestic violence.

Back Bay Mission – Hurricane Katrina Disaster Work Teams
General Information

Current Reality
While losing its own facilities in the hurricane, Back Bay Mission staffs are using construction trailers as temporary offices. For the coming months the task of our work groups will consist of helping to rebuild homes damaged in the hurricane. Work sites will be in Biloxi and/or Gulfport. Because of the extent of the devastation from Katrina, it is important that groups come knowing there will be both hard work and heartache.

Work Group Housing and Meals
Housing will be in two large air–conditioned 80 foot mobile homes. Each mobile home has two full bathrooms and three sleeping areas with 7 bunk beds for a total capacity of 14 in each. While both are equipped with range, oven and dishwasher, one is set up for all cooking/eating and the second for lounging. Meals are the responsibility of the group.
When two groups are sharing the facilities we ask that the leaders be in contact beforehand to facilitate cooperation between the groups.

Work Activities/Schedule
Currently work may include such things as mold abatement, electrical/plumbing, insulation, drywall, painting, and roofing. This is important work in assisting neighborhoods to regain their sense of home. This is not a typical Back Bay Mission workcamp experience.

If possible, orientation will begin late Sunday afternoon with a visit to potential work sites. Work hours are normally from 7:30/8:00 – 12:00 and 1/1:30 until 4. Within this schedule there is flexibility, particularly during the heat of summer.

Minimum Age Requirements
Beginning with the fall of 2006 participants must be high school age. Because of the nature of the work no more than 10% of the group may be as young as 14. In so far as possible groups are asked to include adults skilled in home repair.

Costs and Reservation Process
Currently there is a $150 reservation fee and $50 per person for the week, please mail to Back Bay Mission prior to arrival or bring it into the office to Lori or Denise. The week fee may increase in 2007. We ask for a roster of all workcampers that will arrive at Back Bay Mission (name, address, email, etc.). For further information, please E-mail volunteer coordinator at bbvol@datasync.com or call 228-432-0301.

Back Bay Mission's offices are still located at 1012 Division St., Biloxi, MS 39530.

Services offered: Assistance, Referrals * General Information & Referral; Case Management, Hurricane Survivors; Case Management, * (Providers of ANY Type of Case Management); Community Outreach Programs; Construction, Home Repair, Volunteer Services; Documentarian, Video/Books Creation, Katrina; Documentary (Katrina Related); Facilities: Bathroom Facilities (For Volunteers); Housing, Volunteer Housing ($ NOT FREE); Housing, Volunteer Housing * (ANY/ALL Types); Kitchen, Kitchen Privileges (For Volunteers); Registry, Wish List Registry, Online Registry; Services, Emergency Services; Services, Homeless, Services for the Homeless; Volunteer Opportunities, In General * (ANY/ALL Types); Volunteers, Groups of Volunteers (This facility accomodates Groups of Volunteers); Volunteers, Teen Volunteers (This facility accomodates Teen Volunteers); Volunteers, Youth Volunteers (This facility accomodates Youth Volunteers)

Serves	Biloxi but will not turn anyone away

Bring Picture ID & Social Security Cards for each person living in the household
Service Permanent

This church operates a food pantry open to all residents of Mississippi Gulf Coast. Church staff can take walk–ins for food, but prefer that client calls first to make sure someone is there to assist them.

Food pantry is open on Tuesdays from 9am to 2pm, once a month up to four times a year.

Eligibility is determined on a case by case basis. Date of previous assistance is considered. Only one person per household may apply for food. A picture identification is required and the applicant must have Social Security Cards for each person living in the household.

Services offered: Cleanup, Disaster Debris Removal, Volunteer Services; Cleanup, House Gutting, Volunteer Services; Cleanup, Tree Cutting and Removal, Volunteer Services; Construction, Rebuilding, Volunteer Services; Counseling, Support Group * (ANY/ALL Types); Distribution, Supplies, Local Distribution of Supplies; Food Distribution, Food Pantry (Distributes to the Public); Housing, Volunteer Housing * (ANY/ALL Types); Services *0* (Choose this if You Provide or Need ANY Type of Social Services); Services, Women's Services; Volunteer Opportunities, In General * (ANY/ALL Types); Volunteers, Groups of Volunteers (This facility accomodates Groups of Volunteers); Volunteers, Individual Volunteers (This facility accomodates Individuals Volunteers)

Bethel Free Health Clinic, Inc.

Medical Facility · Open

Free Health Clinic, Inc.
1650 Carrol Drive, Biloxi, MS 39531

Phone	228–594–3640
Web	www.bethelfreeclinic.org
Hours	8:30 AM – 5:00 pm Monday thru Friday
Serves	Mississippi Coastal Counties
Eligibility	Uninsured or underinsured
Checks payable to	Bethel Free Health Clinic, Inc.
Service	Permanent

The Bethel Free Health Clinic, Inc. is a registered charity in the State of Mississippi. We are a 501(c) 3 nonprofit, founded within days of Hurricane Katrina to meet the medical needs of Coast residents.

Today the clinic continues to provide quality health care services, at no charge, to people without access to basic care.

Our new clinic is complete! We are leasing space from the Biloxi Housing Authority and located in the SunCoast Villa complex at 1650 Carrol Drive, just off Rodenberg Avenue in Biloxi (north of the railroad tracks and south of Pass Road).

The Bethel Free Health Clinic, Inc. is a member of the National Association of Free Clinics and the Mississippi Center for Nonprofits.

Clinic Hours:

Mondays through Fridays: 8:30 AM—Noon and 12:30 PM–5:00 PM
Saturday and evening hours announced per special event/project.

The clinic is open on the days/hours provided above; call for provider schedule as clinic hours are based upon the number of providers who join our team each week.

We ask for your prayers for those who volunteer at the Bethel Free Health Clinic, Inc. We also ask that you pray for Him to lead other volunteer providers to us. We especially need physicians, nurses, social workers, psychologists, and dentists.

Services:

We are a FREE walk–in clinic that provides health care for uninsured and underinsured Gulf Coast residents. We treat an average range of 30 patients a day. Patients are mainly adults, children are also seen.

We provide medicines that we have in–house.

We have developed relationships with other service providers to whom we refer patients for needed specialty health care.

HISTORY:

The Bethel Free Health Clinic, Inc. began in response to the dire need for health care immediately following Hurricane Katrina. One of the first volunteers to arrive at Bethel Lutheran Church was Cassie Brown from Northern Virginia. She was the first nurse to respond to the needs of the Katrina survivors at Bethel Lutheran Church.

The clinic provided care for those injured during the storm and those injured while trying to salvage their homes and belongings. Then the clinic treated those who suffered from the living conditions left by the storm – living out in the elements, living with black mold, etc. Then the clinic began treating the chronic illnesses. This because many reported not being able to locate their physicians and others reported not being able to get an appointment. With the loss of jobs and subsequent health insurance as well as the strained finances to replace items lost during the storm, many are in need of help with treatment and/or costly medications.

When Bethel opened their doors to the community following Hurricane Katrina, we didn't anticipate the on–going needs of the uninsured and underinsured.

The need for free medical services continues as many Coast residents still suffer gross socioeconomic hardships caused by financial downturn of our national economy.

For two and one–half years Bethel Lutheran Church provided a home for the Bethel Free Health Clinic. This wonderful church allowed their library, nursery, narthex and hallways to be used as a doctor's office, waiting room, exam room and a dispensary.

Our clinic was staffed with volunteer physicians and nurses who obtained temporary licenses through the Mississippi State Board of Medical Licensure and the Mississippi Board of Nursing. Because of the number of professionals willing to give of their time, talents, and skills, our clinic was open five days a week, 8–9 hours per day.

When Governor Haley Barbour did not renew the state of emergency on January 11, 2008, Mississippi State Board of Medical Licensure stopped issuing temporary licenses for physicians. Several local physicians responded to the call to volunteer in our clinic.

Our patients are Coastal residents who are uninsured or underinsured without financial resources to pay for medical care, medications, and/or medical supplies with post–disaster financial burdens. These low income and working poor continue to struggle to bring their lives and healthcare to pre–Katrina status. Because these needs are so strong, the Bethel Free Health Clinic, Inc. continues to offer free health care services to the Mississippi Gulf Coast community.

Through 2009, with the help of "at least" 267 providers , 568 nurses, 177 student nurses and 405 volunteers with other skills, our clinic has provided treatment for "at least" 26,500 clinic visits. "At least" is used because before we had a Clinic Director, clinic records were not routinely kept.

In July 2008, the clinic moved from the Bethel Lutheran Church location, so the congregation could resume use of their space for worship and fellowship.

The Biloxi Housing Authority offered the long term lease of space at its 1650 Carrol Drive location. We submitted a grant request and received funding from the Gulf Coast Community Foundation to renovate and add on to this space so that we can optimally serve our community. Fuller Center ReBuilders (formerly Project REHAB), from the Bethel Volunteer Ministry provided volunteer construction manpower.

Services offered: Assistance * (ANY Type of: Referrals or "How to" Assistance); Assistance, Referrals, Medical Resources Referral; Cleanup, * Volunteer Services (ANY/ALL Types); Counseling, Crisis Intervention Counseling; Counseling, Emotional; Demographic Served: Low Income Folks; Demographic Served: Survivors, Natural Disaster Impacted Communities; Financial Assistance, Medical, Prescription Assistance; Medical, Diagnostic, Diabetic Testing Supplies (Test Kit); Medical, Facility, Clinic, Free Clinic; Medical, Services, Medical Care * (ANY/ALL Types); Mental Health Services; Volunteer Opportunities, In General * (ANY/ALL Types); Volunteers, Elder/Senior Volunteers (This facility accomodates Elder Volunteers); Volunteers, Groups of Volunteers (This facility accomodates Groups of Volunteers); Volunteers, Individual Volunteers (This facility accomodates Individuals Volunteers)

Catholic Charities Biloxi Diocese

Volunteer Camp · Open

Faith–based Non–Profit Disaster Recovery
Biloxi, MS

Web	www.catholiccharitiesjackson.org/hurricanerelief/help.html
Checks payable to	Catholic Charities
Service	Temporary

Date: Mon, Nov. 19th, 2007
Subject: Biloxi Diocese Recovery Office Reopens

After a month of reorganization, the Diocesan
Office of Long Term Recovery has reopened with Kelly
Deschamps as the new director. The Biloxi Diocese opened
the recovery office after Hurricane Katrina, concentrating
on South Mississippi's immediate post–Katrina needs. With
reorganization, the work will center on houses.

"We have 20 homes ready to start construction," Deschamps said,
"and we'll be unveiling the first rebuilt home within weeks.
We have volunteers coming from all over the nation."

Deschamps, 26 and with a background in marketing–public relations,
moved to the Coast more than a month ago with her husband, Sea
Wolves defenseman Matt Deschamps.

"I have disaster experience from 9/11 and it's a different kind
of disaster but tragedy has the same effects," she said. "I have
a lot of respect and compassion for the Gulf Coast community for
what the people have been through and their resilience. DOLTR is
about creating hope and homes in the community."

http://www.sunherald.com/201/story/191043.html

If you would like to volunteer in the Biloxi region, please
contact our Biloxi diocese:

Deanne Misko, volunteer coordinator: (office) 228–897–2280
or (cell) 228–234–3901
Wayne Hardy, crew leader: (office) 228–222–1626
or (cell) 228–234–9903

Diocese is now able to accept both short–term and long–term
volunteers. They would still appreciate having folks who can
come for longer periods of time such as one/two weeks. Though
not limited to manual labor, manual labor will often be the
primary work of volunteers.

Volunteers:

Must have own transportation (For those who stay overnight,
the only housing available is 25 miles from work site)
Must have tetanus shot
Must be able to do manual labor
Must notify Diocese before coming so can be put on Team and can

be assured of housing. (There are very few available rooms any place in area. The Retreat House can accommodate 75 people at a given time.)

Volunteer Housing: Dedeaux Retreat Center in Pass Christian

Dormitory bunk beds
Breakfast and dinner available free of charge (donations are welcome. Large groups will need to make donation)
Men and Women have separate accommodations
Volunteers must provide own lunch
Washer/dryer available

Tools/masks/gloves are provided; however, it is helpful if worker(s) can bring own tools. Since masks and gloves are often in short supply on the coast, it would also be helpful if volunteers could supply these as well.

DONATIONS OF NON–PERISHABLE GOODS:
We can accept non–perishable goods only: water, toilet paper, toiletries, paper towels, cloth towels and wash cloths, baby food, packaged underwear and packaged socks, non–perishable foods, etc.
WE CANNOT ACCEPT UNDERGARMENTS.

Services offered: Case Management, Hurricane Survivors; Case Management, Long–Term Case Management; Case Management, * (Providers of ANY Type of Case Management); Construction, Rebuilding, Volunteer Services; Housing, Volunteer Housing ($ Donation Appreciated); Housing, Volunteer Housing ($ NOT FREE); Housing, Volunteer Housing * (ANY/ALL Types); Meals * (ANY/ALL Types) ; Meals, Volunteers, Meals for Volunteers; Volunteer Opportunities, In General * (ANY/ALL Types)

2010 GULF OIL SPILL

6/24/10 Sitrep report –

Biloxi:
Three case management sites in three counties (Hancock, Harrison, Jackson) are being operated. To date, services have been provided to 5,600 individuals, including case management, food provision, direct services related to utilities/rent/mortgage and medical needs and mental health assessments and counseling. Case management services have revealed increased requests for mental health counseling surrounding domestic violence. CC/Biloxi is also conducting a thorough assessment of the local populations and needs to seek funding and to align services.

* Need to make an appointment

Biloxi Area Volunteers Must Unite

The City of Biloxi has met with the heads of various volunteer organizations and has requested that all volunteers report to the Disaster Coordination and Relief Center at 618 Division Street before going out in the field and helping. They have set up a grid whereby volunteers can be sent to a location on the grid to help. This is the best way to spread out the help without overlapping efforts.

They would like more help going to the elderly, poor, disabled, and single moms in the area as a priority. Please check out the grid at the Relief Building by the Family Dollar Store.

Edgewater Cleaners

Info/Hotline · Open

Private
2575 Pass Rd # D, Biloxi, MS 39531

More information from the reporter:

Edgewater Cleaners continues to deliver coats to St. Vincent du Paul distribution center directly behind Our Lady of Fatima Church in Biloxi. They will be distributed Monday–Friday from 10:30–2:30. The number there is 388–1837.

In a message dated 12/4/2006 2:31:33 PM Eastern Standard Time, KatrinaCoalition writes:

Sent: Sunday, December 03, 2006 4:39 PM
To: Lucas, Jenny
Subject: Coats For Kids

I saw your article about Coats for Kids and was wondering how families could sign up for the service.

The coats will all be delivered to Edgewater Cleaners on Pass Road in Biloxi, MS by December 15th. The owner, David Blaine, will clean the coats for free and then distribute them to organizations such as the Salvation Army, etc.

If your organization would like to be a recipient, you may want to contact him directly.

Thank–you!
Jenny Lucas

Disaster Response Construction Training
FOR DETAILS
CLICK ON "Event Registration"

Past BACKGROUND:

Dale and Jeannie Peercy of Ohio have over 20 yrs. of construction experience, over 10 yrs. of disaster response training (including Katrina), and have trained more than 500 people for disaster response. They are currently facilitating training through Lutheran Disaster Response and have created a curriculum that is recognized by many of the disaster relief organizations including the Voluntary Organizations Active in Disaster (VOAD). The National VOAD is including the Peercy curriculum in their Long Term Recovery Training Manual. The Peercy's will be traveling on Monday, Feb. 26 but would entertain phone interviews at 937–393–6558.

Scroll down to TRAINING CLASSES below (in avails) and click on "SHOW" for the details!!!

Budget Workshops, Credit Counseling

From their website:

To provide safe, permanently affordable housing and security from displacement for low–moderate income residents and to build strong and stable communities through the empowerment of its residents by offering access to education, healthcare, training and other resources.

VISION

Community revitalization is a process of transforming declining low–income neighborhoods into healthy ones. A healthy community is one where residents are involved in decisions affecting community life, home investment, welfare of children, education, and social services. Impediments to community life––such as gangs, crime and drug activity––are actively battled and

replaced with ambition and vibrancy. Our organization strives to create and enhance wholesome communities where residents have hope and participate in community life.

The corporation promotes a comprehensive approach to neighborhood renewal––but also encompasses economic development, social service partnerships, development of educational opportunities and leadership. Through education, residents may overcome many barriers to homeownership and resourceful living. Therefore, residents are taught opportunities to save money for housing goals and are assisted in securing practical housing accomodations.

Vision and partnerships create tools for lasting positive change. The catalyst for positive change may derive from many sources, but the key to success is in the hands of RESIDENTS that want, envision and work for change to experience safer communities, renewal of opportunities and realization of dreams.

GOAL

Through partnership of government leaders, private sector representatives, residents and other not–for–profit organizations, we can all take pride in watching our neighborhoods flourish. Residents are taught homeownership paths as creative loan strategies are devised and specs are hammered for housing rehabilitation projects that will add blighted properties to the economic base. It is also our goal to see residents afforded other opportunities for education, financial growth and career instruction.

As neighborhoods improve, we target new partners to strengthen our organization as new challenges are embraced. We continue to explore housing development and advocate for housing–related needs.

Visions of Hope was meant to endure. As long as needs exist, our organization will be there to respond. We are committed to meeting the current and future needs of those we serve.

Services offered: Counseling, Consumer Credit Counseling; Training Classes, Financial Literacy; Training Classes, Financial, Money Management; Training Classes, Life Skills, Misc.

Hurricane Isaac – Volunteer Opportunities:
http://nechama.org/index.php/isaac

Hurricane Response Volunteer Opportunity
on 03 September 2012.

Hurricane Isaac's wind and floodwater battered communities in Mississippi and Louisiana over the course of multiple days. NECHAMA is on the scene helping people restore their homes. In some neighborhoods water is still receding and roads are just becoming accessible.

We are officially announcing the acceptance of volunteers and donations to support our important and time–sensitive work.

nitially we are focused on assisting Jackson County and other hurricane–affected communities in southern Mississippi with flood cleanup, clearing damaged trees, and temporary roof repairs. These volunteer services offered by NECHAMA will support ongoing recovery efforts across Southern Mississippi. NECHAMA continues to be in regular contact with our voluntary organization partners working in Louisiana and anticipates assisting communities there as well.

We are planning on working in Mississippi and Louisiana until Sept. 14, 2012. We have established a base of operations in Biloxi, MS, a coastal community with a history of welcoming

volunteers from across the country. If in the coming weeks there are still pressing needs to be addressed and if we are able to raise funds to stay longer, we will consider extending our deployment.

Fortunately Hurricane Isaac was no Katrina but for the hundreds of families that are displaced and have suffered damage to their homes as a result of Isaac's force, NECHAMA's comfort and aid is critical. Please support our response work by making a donation today.

VOLUNTEER DETAILS:
http://nechama.org/index.php/project–isaac

WORK SITES:

NECHAMA staff and team leaders will organize structured work and provide tools and site leadership Sunday – Friday. Saturdays off. We will be engaged in flood cleanup, tree removal and temporary roof repair tasks. Please bring clothing that you can dispose of if necessary and closed toed shoes. Boots with puncture resistant soles are recommended. Please bring heavy duty work gloves.

Remember that the late summer weather of Bayou of the Gulf Coast is no Mid–West and that temperatures and humidity are in the high 80's and 90's. Pack accordingly with moisture–wicking or light weight material like nylon.

MEALS:

We will provide basic cold breakfast and bag lunch options each day.

Dinner ingredients will be sourced locally and volunteers can take turns preparing dinner each night.

(Volunteers, please consider donating to help us offset the costs of providing meals)

TRANSPORTATION:

Nearest Airport:
Gulfport–Biloxi International Airport (GPT)

Nearest Bus Stations:
Biloxi Greyhound Station
820 Martin Luther King Jr Blvd
Biloxi, MS 39530

Gulfport Greyhound Station
2805 13th St
Gulfport, MS 39501

Volunteers are responsible for arranging and providing their own transportation to and from the deployment base of operations.

Once on site at our base we have a limited number of seats available in NECHAMA vehicles to shuttle volunteers to and from the local work sites. If you are able to provide your own local transportation please considering doing so.

Services offered: Cleanup, Ash & Fire Debris, Volunteer Services; Cleanup, Tree Cutting and Removal, Volunteer Services; Housing, Volunteer Housing (FREE); Meals, Volunteers, Meals for Volunteers; Tarping Homes, Volunteer Services; Volunteer Opportunities, In General * (ANY/ALL Types); Volunteers, Groups of Volunteers (This facility accomodates Groups of Volunteers); Volunteers, Individual Volunteers (This facility accomodates Individuals Volunteers); Volunteer, Volunteer Registry, Online

14 year old Christian relief agency that recruits groups from churches, faith–based organizations, mission agencies, youth groups, and colleges to work in disaster area, specifically hurricane relief for long term rebuilding and recovery.

Also run Disaster Relief Villages for other relief organizations i.e. The Salvation Army and Habitat for Humanity.

Run short term mission teams to Honduras, and sponsor special work team events.

Mission Statement:

Working together to share God's love through
Disaster Relief, Short Term Missions and
Holy Sweat Projects

Work with Project TeamWork's disaster relief team on Hurricane Katrina rebuilding and recovery in the Biloxi, Mississippi area. Volunteer groups MUST be 16 years of age and older, be part of a church or faith–based group, with a desire to work hard. No standing around – real work for real volunteers!

Excellent for skilled adult teams with a heart for missions – and older youth groups with strong leadership. Groups can mix construction/re–building work during day and outreach activities in the evening. Excellent opportunity for discipleship of small groups.

Accomodations are rated "excellent" in A/C/Heated Project TeamWork Volunteer Village – with three really good meals a day, comfortable dorm–like sleeping areas, and opportunity to mix with other groups.

Groups can number from 8 to 50.

Skills:

Must be physically able to work on a construction site. Skills could include construction workers, tradespeople of all kinds, handy–man type, women who can operate power tools! Other volunteers (who haven't done this before) must be willing to work hard and learn from supervisors.

Everything from framing, roofing, electric, plumbing, siding, painting, landscaping; anything to do with rebuilding a home.

FROM THE WEBSITE:

Volunteer Village For Disaster Relief Work Teams:

The Salvation Army operates a Volunteer Village which is available to all faith–based agencies working disaster relief in the Biloxi, Mississippi area.

The village, constructed under the bleachers of The Yankie Football Stadium, provides heated and air–conditioned dorm rooms for up to 100 volunteers. Each room sleeps 8 - 12, in oversized bunk–beds. Bathrooms are very conveniently located - indoors. And the showers provide plenty of hot water.

Three meals a day are served to all the volunteers; provided by Salvation Army cooks who are on staff full time. Salvation Army staff run the facility to provide a safe and comfortable environment that promotes interaction and new friendships between groups.

Recovery and build out following Hurricane Katrina, for the Gulf States, will take many years, and thousands upon thousands of volunteers. This is the hope for recovery. Your group can be a part of this hope.

Your church or faith–based relief team may be looking for an opportunity to serve. Project TeamWork could be the answer. Contact our Director of Disaster Relief, Jim Green, for more information.

For information on Gulf Coast Disaster Relief please contact Jim Green.

Email: jim@project–teamwork.org
Phone: 334–559–4565

Short–Term Mission Groups
The Village is designed for faith–based relief work groups only; sorry, no individuals.

All groups must have a responsible leader, and some skilled participants. Youth groups must have a 1 to 4 chaperone/student ratio. And volunteers must be 16 years of age or older. NO CHILDREN. Alcohol, drugs, smoking or tobacco use is prohibited.

Group leaders can book their team with Project TeamWork for a one or two week stay. With the basics taken care, leaders are free to focus on the mission out in the field. For more information about booking your group, our group leader's application has all the information you need and can be downloaded from the volunteer application page.

Every team member (including the group leader) must fill out a team member application and must register through their group leader.

Church groups, mission teams, youth groups, and faith–based disaster teams call the Salvation Army Volunteer Village one of the best ever. Come and see for yourself.

Project TeamWork partners with The Salvation Army to provide this unique mission experience. Because both are Christian organizations, the environment of the Volunteer Village supports those beliefs, values and behaviors. You may visit The Salvation Army website for information about serving directly with them.

(OPENED Sun. 6 pm 8/31/08 – Hurricane Gustav)

Harrison Co. Shelters Open Sunday

Published: Sat, August 30, 2008 – 9:35 pm
Last Updated: Saturday, August 30, 2008 – 9:39 pm

Harrison County - The County Emergency Management Agency (EMA) has announced nine sites for public shelters from Hurricane Gustav. Shelters will open to the public at 6:00 pm tomorrow (Sunday, August 31).

Shelters will be at:
• Saucier Elementary School, 24052 First Street in Saucier
• West Wortham K–8 School, 20199 West Wortham in Saucier
• North Woolmarket K–8 School, 16237 Old Woolmarket Road in Biloxi
• D'Iberville High School, 3320 Warrior Drive in D'Iberville
• Gulfport Central Elementary School , 1043 Pass Road in Gulfport
• Harrison Central High School , 15600 School Road in Gulfport
• Harrison Central Elementary School , 15451 Dedeaux Road in Gulfport
• Lizana Elementary School , 15341 Lizana School Road north of Gulfport
• North Bay Elementary School , 1825 Popps Ferry Road in Biloxi .

EMA director Rupert Lacy identified items shelter occupants should bring with them and items that are not allowed in a shelter. .

Water: Bring one gallon of water per person, per day.

Food: Bring non–perishable food that needs little or no cooking, such as ready–to–eat meats, fruits, vegetables, and canned juices. Also recommended are high energy foods such as peanut butter, jelly, crackers, granola bars, trail mix and other snack foods. Also bring any specialty foods required, such as for diabetics, people on low salt or liquid diets and baby food and formula. Bring a manual can opener and eating and drinking utensils including paper plates. Bring a portable ice chest with ice.

Clothing and bedding: Bring study shoes, rain gear and one complete change of clothing. Also bring a sleeping bag, blanket and pillow. For an elderly person, bring a cot. Shelters do not provide cots.

Personal items: Bring a washcloth, small towel, soap, toothbrush, toothpaste, sanitary napkins, tampons, paper towels, toilet paper and towelettes.
Medications, first–aid supplies: Bring your medications, clearly marked with your name, dosage, type of medication and prescribing physician. You must be able to take all medications by yourself. Also bring a first–aid kit in a waterproof box.

Baby supplies: Bring baby clothes, diapers, formula, bottles, nipples, food and blankets.

Important papers: Bring names and addresses for your doctors and your nearest relative not living in your area. Bring identification and valuable papers.

Miscellaneous: Bring games, cards, toys, battery powered radios, flashlights (no candles or lanterns), batteries and other reasonable items you may need. Please bathe and eat before you leave home. Register immediately upon entering the shelter. Obey shelter rules. Keep the building safe and sanitary.
Items not allowed: You may not bring to the shelter any pets, alcoholic drinks or weapons. Harrison County EMA will issue a separate news release about a pet shelter that will be provided.

Triple R Pets – Ben Waldman c/o HandsOnUSA

Welcome to Triple R Pets –– a grass roots effort of volunteers from across the country coming together to provide support for animals during crisis situations. The group was formed in the wake of Hurricane Katrina, when there was a need for ongoing support in the communities of Coastal Mississippi. Since then, Triple R Pets has helped countless animals survive by creating feeding stations, working with residents and volunteers to identify the community needs and meet those needs. Support has stretched into neighboring states and has grown into a national network of volunteers providing foster care, transportation, supplies and donations.

E–Mail: info@rrrpets.org

WISH LIST:

Our needs change every day, so if you would like to do a supply drive of sorts, please contact us for our latest needs!

You can ship items directly to Biloxi:

Triple R Pets – Ben Waldman
c/o HandsOnUSA Network
2113 Pass Road
Biloxi, MS 39531
708–738–1438

crates – especially medium and large crates
clean blankets and towels for bedding
bowls – paper and plastic
can openers ... they seem to disappear!
harnesses / collars
tie–outs (both stakes and lead lines)
dog and cat toys
cat litter (any type)
cat food (both dry and canned) – we have plenty of dog food right now!

We know this is asking a lot, but if you know of anyone who is looking to sell a gently used supply trailer, we are in desperate need for a "mobile warehouse".

ULM Relief Site Vandalized
October 29, 2009, 11:10 pm

Restoring hope – Rebuilding lives

At ULM Relief in Biloxi there have been many changes made to our accommodations . We can now house over 150 people in facilities with wood floors, bunks and electric. We have a great kitchen and dining room that can comfortably feed everyone. We provide wireless Internet, cable TV, a copy machine and office computer for volunteers to stay in touch with their work, friends and family back home. We even provide laundry facilities. We can also boast about an unparalleled view of the Gulf with a private walkway down to the beach.

We have streamlined our construction process utilizing over 10,000 Sq feet of on site warehouse space along with our fleet of vans, pick up trucks and flatbed delivery vehicles to keep our work crews supplied with the materials they need to keep construction progress moving efficiently.

The costs to stay with us here in Biloxi are only $10.00 per person per day. The satisfaction of seeing the faces of the people you'll come to help are priceless. Let's not ask the folks down here to wait any longer, contact us today and arrange your trip down to Biloxi.

NO LONGER Distributing any supplies.... being done by Our Lady of Fatima
#'s (228)388–3887 OR (228)388–1837

From the website:

The East Biloxi Coordination and Relief Center was established within days of Hurricane Katrina with a mission to meet the needs of local residents for
immediate relief and support.

Founded by William F. Stallworth, Biloxi Councilman for Ward 2, with a modest start–up grant from Oxfam America, the center immediately set out to serve as a de facto “town hall” for Wards 1 and 2.

EBCRC houses various outside voluntary organizations that had come to Biloxi
to assist the community and serves as a clearinghouse for information, relief supplies, and voluntary assistance including house cleaning, mud–outs, and legal services.

EBCRC is in the process of converting itself to become a Community Development
Corporation, and is currently focused on a comprehensive survey and data collection with local residents as input to a rebuilding plan for East Biloxi.

Holds meetings to coordinate the relief effort in east Biloxi.

Coordinates donations coming into the area & directs them to PODs still operating or in need of specific donations being delivered.

Conducts training at coordination center for relief agencies.

Holds Monday and Wednesday coordination meetings with organizations
& relief agencies at 9 am each week.

***Call for info.

Acts as supply POD for High demand items such as tents, blankets, sleeping bags, tarps, cleaning supplies, winter coats, etc.

Troubleshoot for the distribution sites East Biloxi & Relief teams needing supplies, equipment or other services found.

Coordinates the volunteer medical staff coming into the area & places them with medical clinics or mobile units.
Coordinate supplies to them.

Provides emergency Mental Health intervention services.
Establishing Mental Health services via site.

Establishing weekly Legal Aid services.

Training services for relief agencies.

FROM DNN BLOG 8/16/07

Hi, D'iberville Volunteer Foundation volunteers!

As we approach the 2nd anniversary of Hurricane Katrina, Ed and I would like to thank each of you for your continued support and caring for the recovery of the citizens of our town. With your help, we have completed the rehabbing of more than 650 properties and have 215 in progress and new ones come in almost weekly. We have built or are completing 24 new stick–built homes that our Mennonnite and Amish partners (CAM) and ROAR and teams from New Jersey, Maine, Ohio, and Kentucky framed for us! We continue to work each week on the homes as well as providing counseling, advocacy, food, and spiritual support to citizens weary with the recovery process. They are still smiling and keeping on...it's just with more effort!

We would like to let you know about our Fall 2007 Blitz planned for September through November. This is the "Have a Heart, Give

a Hand, Bring Them Home for Christmas" focus to complete the rehab homes so that our citizens can celebrate this Chrismas in their homes rather than in FEMA trailers and campers! We hope you will return to help us make this a reality for the residents of D'Iberville!

We also want to let you know about our Spring 2008 Blitz that is planned for February through April 2008. This is the "Leading the Way, Building with Strength, Making Them Safe before the Storms" focus to finish the new homes we will begin in the fall and winter and finish any damaged homes that come into the system during the winter and spring so that they are in substantial strucures prior to the beginning of the third hurricane season post–Katrina!

We will be open and working in December and January as we check and reassess to make sure no citizen falls through any cracks! We'll also be meeting holiday and other needs as well as continuing the construction and reconstruction work!

If God blesses us with no tropical storms or hurricanes this season, we plan to finish our work May 31, 2008. We will plan the "Come Home and Celebrate" event in June, 2008!

We would not be where we are now without each of you and your contributions! We hope to have time with many of you this next few months as you return to help us complete God's plan for D'Iberville's recovery!

In His Love and with our gratitude and prayers,

Irene and Ed
D'Iberville Volunteers Foundation

UPDATE emailed 4/8/07 from facility:

–Medical Clinic is no longer operated by this facility
–Capacity for volunteer housing = 150
–Project will run through 8/08
–They have a forklift to receive pallets

The Mission of the D'Iberville Volunteers Foundation

Our mission is to provide for the redevelopment and rebuilding of D'Iberville, Mississippi, and to assist in the provision for future growth and cultural enhancement of the citizens of D'Iberville, Mississippi, by providing for the education of the citizens in the history and culture of D'Iberville. In addition, the foundation seeks to assist in provision for the health and welfare of the citizens of D'Iberville.

The City is composed primarily of middle to lower income households. It is a diversified community with a Euro–American, African–American, Vietnamese and Hispanic population. There are no similar programs in the area. The only barriers to service are monetary. The devastation caused by Hurricane Katrina created a financial need of exorbitant proportions that have been exacerbated by the lack of insurance responsibility.

The primary goal is to establish a program to provide rebuilding assistance to the City's 8,000 residents devastated by Hurricane Katrina. A secondary goal is to establish fundraising projects to assist the Foundation in offsetting its non–profit endeavors. This effort was begun in September immediately following Hurricane Katrina with the establishment of emergency services. Over the next 6 months the process moved forward with the assessment of damages, repair and rebuilding and the establishment and running of a Volunteer Village to house and feed volunteers

from outside the Gulf Coast area. Daily reports are generated of work completed and in progress. Every 90 days an assessment is taken of the reconstruction needs and reconstruction progress of the entire City.

Of the 1906 homes that have been assessed or are being reassessed in D'berville, approximately 1250 have been damaged and more than 370 have been totally destroyed. As of May 1, 2006, 410 D'berville homes are in the process of being repaired or rebuilt and 405 have been completed. It is anticipated that this reconstruction project will require a 3 to 5 year time frame. Our objectives are measured by the number of homes worked and repaired and the number of families assisted and returned to their homes.

Post from July Blog at www.reelrelief.com

Tuesday, July 31, 2007
D'Iberville Volunteers Foundation, Inc.

As of July 31, 2007, more than 6,000 volunteers, individuals and families, have come from 44 states, 5 foreign countries, and more than 400 churches to D'Iberville, Mississippi, through the D'Iberville Volunteers Foundation to assist in the recovery process.

The volunteers have come to D'Iberville an average of three times to assist in the restoration and recovery of this Hurricane Katrina–ravaged community. The volunteers have invested more than 300,000 hours or 150 person years of effort.

Irene McIntosh, Ph.D., President Ed Cake, Ph.D., Vice–President
Director of Volunteers & Services Assoc. Director of Volunteers & Services

Website: www.dvolteam.org

Plans are in the works for a Fall Build Blitz! If you are ready to improve your life as you improve the lives of others, plan to come to D'Iberville to help.

(old note)
The group focuses on D'Iberville residents only. No income distinction.

7/5: moving into building, versus just rebuilding.

This site can take institutional sized food shipments.

To donate building supply donations, contact the Interfaith Task Force Warehouse. The warehouse acts as a staging area for the volunteer groups. Contact info to follow.

Old Info:

Focus is shifting to repair of homes and then rebuilding. Ramping up for system whereby volunteers to repairs and rebuilding under supevision of volunteer contractors with proper insurance. Using donated materials and some insurance–purchased items.

Not listing address at this time because they believe they will be moving in next few weeks. Call Irene for info in meantime.

Still operating:

Medical clinic, Monday thru Saturday, 9a–6p.Have been doanted double–wide trailer.

Kitchen, serving breakfast and lunch, and providing frozen meals for dinner.

Volunteer camp, with beds (in air–conditioned, heated tents), 18 hot showers, and a mess hall in the old concession stand for residents and volunteers.

Plan to close down POD. Eventually will ask that donations be sent directly to addresses of those who need donated household goods.

Irene keeps a database tracking all citizens of D'Iberville and their status. Tami told me 70% are in trailer (about 10% of which have had leaks or other problems). Remaining 30% are in hotels, a few in tents, or staying with others.

LEND A HAND
3040 Market Street, Ste. 1
Camp Hill, PA 17011
lendahand@lendahandmissions.com

Lend A Hand was founded in 1989 following Hurricane Hugo in South Carolina, and has since achieved national respect and recognition.

Lend A Hand coordinates reliable transportation, labor, housing and meals for volunteers who want to help those who have lost homes or are suffering extraordinary hardship as the result of a disaster.

Often one of the most valuable things Lend A Hand volunteers can do is to listen. Victims of disaster need to tell their stories of loss, hardship and recovery to a sympathetic listener.

The new friends you make with other volunteers and with those you're serving are just one of the many benefits of participating on a Lend A Hand work team.

Many (but not all) jobs require physical labor. Most volunteers eagerly jump in and take on any job which needs to be done, from demolition and rebuilding to general disaster clean–up.

For a complete history of the D'Iberville disaster relief project please visit:

http://www.lendahandmissions.com/forms/handbook.pdf

Thank you for you interest in participating in a Lend–A–Hand volunteer disaster relief effort in D'Iberville, Mississippi. Only 40 persons will be scheduled each month on the chartered bus.

At the midpoint of the ride to and from Mississippi, we stay overnight in a motel in the Knoxville, Tennessee area. In D'Iberville, we stay in a 'tent city' in which all tents are air conditioned and heated. There are hot water showers available but only portable toilets. Meals are in a mess tent. Volunteers are expected to assist in the meal preparation and cleanup.

The participation fee for this program is $250 per person. Upon receipt of a completed Application form, the Skills Inventory, and a check for full payment, volunteers are registered on a first come, first served basis.

There are no buses scheduled for July and August. Trips resume in September.

October 21 – 29, 2006
Twenty seats are guaranteed to the Derry Presbyterian Church. Of the remaining seats, approximately 3 seats are still available.

November 11 – 19, 2006
All seats are presently filled. A reserve list will be maintained to provide substitutes for any cancellations.

December 9 – 17, 2006
Presently, 35 seats are available.

January 6 – 13, 2007
Presently, 20 seats are guaranteed to Elizabethtown College. All other seats are available at this time.

If volunteer interest and adequate funds are available, the balance of the year's schedule is:

Feb. 17–25
March 17–25
April 14–22
May 17–27
June 2–13

(No Capacity or population listed)

(OPENED 6 pm Sun. 8/31/08 – Hurricane Gustav)

Harrison Co. Shelters Open Sunday

Published: Sat, August 30, 2008 – 9:35 pm
Last Updated: Saturday, August 30, 2008 – 9:39 pm

Harrison County – The County Emergency Management Agency (EMA) has announced nine sites for public shelters from Hurricane Gustav. Shelters will open to the public at 6:00 pm tomorrow (Sunday, August 31).

Shelters will be at:
• Saucier Elementary School, 24052 First Street in Saucier
• West Wortham K–8 School, 20199 West Wortham in Saucier
• North Woolmarket K–8 School, 16237 Old Woolmarket Road in Biloxi
• D'Iberville High School, 3320 Warrior Drive in D'Iberville
• Gulfport Central Elementary School , 1043 Pass Road in Gulfport
• Harrison Central High School , 15600 School Road in Gulfport
• Harrison Central Elementary School , 15451 Dedeaux Road in Gulfport
• Lizana Elementary School , 15341 Lizana School Road north of Gulfport
• North Bay Elementary School , 1825 Popps Ferry Road in Biloxi .

EMA director Rupert Lacy identified items shelter occupants should bring with them and items that are not allowed in a shelter. .

Water: Bring one gallon of water per person, per day.

Food: Bring non–perishable food that needs little or no cooking, such as ready–to–eat meats, fruits, vegetables, and canned juices. Also recommended are high energy foods such as peanut butter, jelly, crackers, granola bars, trail mix and other snack foods. Also bring any specialty foods required, such as for diabetics, people on low salt or liquid diets and baby food and formula. Bring a manual can opener and eating and drinking utensils including paper plates. Bring a portable ice chest with ice.

Clothing and bedding: Bring study shoes, rain gear and one complete change of clothing. Also bring a sleeping bag, blanket and pillow. For an elderly person, bring a cot. Shelters do not provide cots.

Personal items: Bring a washcloth, small towel, soap, toothbrush, toothpaste, sanitary napkins, tampons, paper towels, toilet paper and towelettes.
Medications, first–aid supplies: Bring your medications, clearly marked with your name, dosage, type of medication and prescribing physician. You must be able to take all medications by yourself. Also bring a first–aid kit in a waterproof box.

Baby supplies: Bring baby clothes, diapers, formula, bottles, nipples, food and blankets.

Important papers: Bring names and addresses for your doctors and your nearest relative not living in your area. Bring identification and valuable papers.

Miscellaneous: Bring games, cards, toys, battery powered radios, flashlights (no candles or lanterns), batteries and other reasonable items you may need. Please bathe and eat before you leave home. Register immediately upon entering the shelter. Obey shelter rules. Keep the building safe and sanitary.
Items not allowed: You may not bring to the shelter any pets, alcoholic drinks or weapons. Harrison County EMA will issue a separate news release about a pet shelter that will be provided.

Services offered: School, High School; Shelter * (ANY/ALL Types); Shelter, Evacuation Shelter; Support for "All" Disasters

old notes:

Preparedness – Online
http://www.jerseycoast-redcross.org/Portals/0/twp16.swf

The RC process for getting aid has changed. These Financial Assistance Centers no longer hand out money. They take applications. After RC officials determine that aid has not been given, the workers go to the client's home to assess damage and provide assistance.

NOTE: reportedly this location no longer takes applications.

From the site LTel 9/9/12:

9/7/12 – For the past several days, our team has been hard at work on the ground in Gulfport, MS, continuing assessments and doing field work to repair damage to homes in the area. It has been HOT! That's an improvement, though, over the torrential rains and flooding that accompanied Hurricane Isaac. With the help of local volunteers and our partner NECHAMA, we are making good progress toward helping residents restore their homes and lives.

During this rapid response phase, All Hands is making use of volunteers provided through local resources. We will post any request for additional volunteers if the need arises.

Serves Gulfport, Wiggins & Biloxi
Service Temporary

from website: (2012 HURRICANE ISAAC)
http://mssite.brickriver.com/blogs/detail/414

There are lodging options available in the area for volunteers. Please contact the locations directly to coordinate group housing.

$15 per day/per volunteer includes meals and lodging

History:

Camp Love is currently located at the property of Nugent United Methodist Church, 13183 John Clark Road, also in North Gulfport. When completed, it will be one of our newer mission sites, constructed not only to meet the continued needs of this recovery, but also to meet needs of future disasters in both Mississippi and the neighboring states.

Facilities:

Camp Love is located within Gateway UMC, and takes up a large part of the building. Sunday school rooms, meeting rooms, fellowship hall, and kitchen have all been graciously offered by this congregation, and volunteers use it extensively. Sleeping quarters are setup in Sunday classrooms and other unfinished areas of the building. Sleeping bags, cots and air mattresses are suggested for the finished areas. But bunk beds are available in the unfinished area. A limited number of cots and air mattresses are available but we encourage you to bring your own if you are staying in the finished area. Bathrooms and showers are available in the building.

Meals:

Food and necessary items for meals will be provided by your Host Site Coordinators, using the facilities of Gateway UMC. Teams will be asked to provide help in preparation, set up and clean–up of meals. If your team wishes to provide a 'cook team' please contact the Host Site Coordinator to make arrangements. Lunches will be packed lunches prepared and packed by team members before leaving for work sites.

Services offered: Cleanup, * Volunteer Services (ANY/ALL Types); Construction, Home Repair, Volunteer Services; Construction, Rebuilding, Volunteer Services; Facilities: Bathroom Facilities (For Volunteers); Facilities: Shower Facilities * (ANY/ALL Types); Facilities: Shower Facilities for Volunteers; Housing, Volunteer Housing ($ NOT FREE); Housing, Volunteer Housing * (ANY/ALL Types); Kitchen, Kitchen Privileges (For Volunteers); Meals * (ANY/ALL Types) ; Meals, Volunteers, Meals for Volunteers; Services, Disaster Recovery ; Training * (ANY/ALL Types of Instruction) ; Training Classes, Volunteer Orientation & Training; Volunteer Opportunities, In General * (ANY/ALL Types); Volunteers, Groups of Volunteers (This facility accomodates Groups of Volunteers); Volunteers, Individual Volunteers (This facility accomodates Individuals Volunteers); Volunteers, Teen Volunteers (This facility accomodates Teen Volunteers); Volunteer Work Orders/Projects (provided by this facility)

NVOAD Sitrep 6/16/10

Feed the Children, Inc has partnered with Catholic Charities USA to deliver and help distribute 5 truckloads of food, personal care and other items to in–need families impacted by the oil spill along the coastal areas of Louisiana. Feed the Children, Inc is also assessing the opportunities for similar types of product deliveries in and around the area of Gulfport, Mississippi.

Catholic Charities, Diocese of Camden will work with the Diocesan Office of Long Term Recovery (DOLTR) in Gulfport, MS to coordinate volunteer efforts in Mississippi.

The information below was compiled by the Diocesan Office of Long Term Recovery, DOLTR, in Gulfport in order to give you a brief overview of what you can expect if you decide to volunteer to assist the Hurricane Recovery Efforts in Mississippi. Unlike New Orleans, which is still very much in need of volunteers to gut and clean homes, Mississippi has moved into the rebuilding phase and is in need of skilled volunteers to hang drywall as well as to do electrical and plumbing work.

The Diocesan Office of Long Term Recovery leases the Dedeaux Retreat House from Sacred Heart Parish to house our volunteers.

See:

https://reliefdb.org/shelters/517

Your help in this area is greatly appreciated. The people of Mississippi are so thankful and amazed at the help and donations we have received from so many volunteers across the country. We have over 65,000 homes destroyed or severely damaged with so many of our clients are in FEMA trailers. Our Diocesan Office Of Long Term Recovery has over 2700 active case files. With the help of volunteers like you, we have worked on over 900 homes.

Services offered: Case Management, Hurricane Survivors; Case Management, * (Providers of ANY Type of Case Management)

Hurricane recovery slows as funds dwindle Grass–roots fund seeks national support to `Finish the Job' of rebuilding in Katrina–damaged Mississippi.

GULFPORT, MS?A newly formed non–profit, Finish the Job, is seeking
financial support from private and corporate donors nationwide in a grass–roots attempt to place all of Mississippi's Katrina survivors in safe, secure homes of their own.

Fostered by area long term recovery organizations, Finish the Job seeks
to generate a new funding resource for Mississippians who may otherwise be left without help as donated funds from national agencies begin to run low. Tens of thousands of families still need help as they continue living in cramped travel trailers or damaged structures while the second anniversary of Hurricane Katrina approaches.

"This is a way we can help our neighbors, even if some sources of
funding are running out," said Michelle Wilson, executive director of Rebuild Jackson County.

Finish the Job was established as a fund of the Gulf Coast Community
Foundation, a 501(c)3 nonprofit organization. United Way, many faith–based agencies, and individuals from several national relief organizations are also supporting the effort.

Asking every American to give $1 is Finish the Job's simple approach to raising the millions necessary to continue the recovery effort. Rebuilding from a storm of Katrina's magnitude is predicted to take at least five years. Both home owners and renters will be eligible for Finish the Job assistance.

The grass–roots fund raising effort is drawing enthusiastic support from
volunteers, representing agencies from the Mississippi coast to the state capital, who are giving their talents and time to planning the project. Finish the Job fund will be promoted nationwide.

Hours Wednesday, 12 to 3pm

The M.L. Tootle Mission is a community mission center whose aim it is to care for those in need. The mission provides food and clothing to those who call on them. Members of the community and of the church donate food, clothes, toys, home goods and other items to the mission for free distribution to people who stop by. The children of the church give an offering every Sunday called "Pennies from Heaven." Each Sunday when the children run to the alter during the offering and throw their "spare change" in the bucket it allows the Mission to help more people. A bulletin board is posted in the church foyer which states the needs of the mission. Currently, the Mission needs donations of any non–perishable items, children's clothing, & household items.

Services offered: Clothing, All Sizes, New or Gently Used * (ANY/ALL Types) ; Food Distribution, Food Pantry (Distributes to the Public); Household Items (small) * (ANY/ALL Types)

This facility does not provide onsite housing for volunteers but can assist in placing volunteers in housing. They provide work orders and are working on rebuilding 30 homes in the MS Gulf. Urgent needs are for skilled, semi–skilled and unskilled construction volunteers. They need folks to volunteer from a few days to a bi–weekly or monthly committment. They'd like to see church groups commit and 'adopt' projects.

Courses to be Offered in 2009:

Feeding – Proper techniques in food handling for mass feeding units.
Mudout – Proper techniques and safety procedures in removing materials, etc. from flooded homes.
Chain Saw – Proper techniques and safety procedures for felling trees after a storm.
Intro to Southern Baptist Disaster Relief – An overview of the history and functions of Southern Baptist Disaster Relief.
Shower Trailer Maintenance – Proper maintenance and cleaning procedures for shower trailers while on site.
Blue Roof – Proper procedures in covering a roof damged in a storm

IMPORTANT NOTE: To be properly certified and to receive your MBC Disaster Relief credentials, you MUST take Introduction to Southern Baptist Disaster Relief plus the specialized area of your choice. Introduction to Southern Baptist Relief will be taught at each training event in 2009.

6/20/06: They are an association of churches. She referred us to the West Gulfport Baptist church that's currently acing as the Supply POD for that region.

Services offered: Construction, Home Repair, Volunteer Services; Construction, Rebuilding, Volunteer Services; Training * (ANY/ALL Types of Instruction) ; Training Classes, Disaster Recovery; Training Classes, Disaster Response; Volunteer Opportunities, In General * (ANY/ALL Types); Volunteers, Individual Volunteers (This facility accomodates Individuals Volunteers); Volunteer Work Orders/Projects (provided by this facility)

Where ALL Children are Special

The Gulfport School District offers a full continuum of services for students with disabilities in these areas: specific learning disability, educable mentally retarded, trainable mentally retarded, severely/profoundly retarded, emotional disability, specific learning disability, deaf–blind, hearing impaired, visually impaired, physical disability, multiple disabilities language/speech impaired, other health impaired, developmentally delayed, autistic, and traumatic brain injury. Qualified teachers, therapists, and trained support personnel strive to offer the most appropriate programs for each student.

Our mission is to inspire each student to become a problem solver, lifelong learner, and productive member of society. By offering extensive opportunities to each student in their least restrictive environment, we are able to fulfill this goal as outlined in each eligible student's Individualized Education Plan.

Our school district participates in an ongoing statewide effort to identify, locate, and evaluate children through age twenty–one who are physically, mentally, communicatively, and/or emotionally disabled.

Further information can be obtained by contacting the Special Education office Monday through Friday between the hours of 7:30AM and 4:00 PM at 228.865.4694.

If you need assistance with clean up, roof tarping, mud out/muck out for your Isaac damaged home in the Biloxi or Woolmarket area of Mississippi, call or email Holly Gibbs to register at:

228–697–3714 ~ hgibbs @ handsongulfcoast.org

Update 9/5 11:48 am

Hello all,

I have just received a request for Volunteers to assist in debris removal, water extraction, and general house and yard cleaning up in Biloxi, Woolmarket, and surrounding areas.

We ask that people commit to working at least a half day but prefer a full day for planning purposes.

Individuals or groups welcome and no prior experience necessary.

Anyone under 18 needs to have a parent or guardian with them. You must be 13 or older to volunteer with us.

Volunteers will be given instruction on site prior to work beginning.

If you can help please call Holly at 228–697–3714

Post Hurricane Isaac Update!

Eligibility Requirements: Serves all Harrison County Schools, School districts have to make a referral, evaluation and testing

Documents Required: Proof of residency, Evaluation and Testing, Immunizations, Referral from School.

Description of Services: Structured education for children who are handicapped aged birth – 21

FROM THE WEBSITE:

The Harrison County Child Development Center holds the mark of a quality educational program which includes a broadly based series of opportunities for children who require individualized learning materials and specially trained teachers.

Students who meet the criteria for this center are provided with a program of educational opportunities and social development to help him/her reach their highest potential. Students are accepted ages 6 weeks to 21 years.

Each class is directed by a state certified Special Education Teacher and a teacher's aide. This provides a teacher/student ratio of 1–5.

Special services offered to the students of the Harrison County Child Development Center include: parent counseling, psychological evaluation, speech/language therapy, physical therapy, occupational therapy, and audiological evaluations. Special education classrooms are designed to meet individual student's developmental needs and long range post–school goals.

Services offered: Case Management, Disabled/Handicapped; Mental Health, Counselors/Psychologists; Services, Disabled, Services for the Disabled (See also Senior Services); Training Classes, Education, Parenting

Web co.harrison.ms.us/departments/humanres/index.asp
Hours 9 am – 5 pm M–Fri.

Eligibility Requirements: 60 years of age and older

Documents Required: Social Security Card

Description of Services: Senior Centers, home delivered meals, congregate meals, information and referral, outreach, adult day care center, transportation, RSVP

Harrison County manages (5) senior citizens centers to assist older citizens on the coast. In addition, we have an information network to provide valid current facts to older individuals or a person inquiring on behalf of an older person of the available resources, services or programs in the community. Transportation may be provided to eligible individuals to and from community services, medical appointments, groceries, and recreation activities.

The Retired Senior Volunteer Program (R.S.V.P.) offers men and women 55 years and older exciting opportunities for personal development and satisfaction by providing volunteer programs that offer outlets for their energy and creativity while serving their community.

Senior Citizens Centers
Many older individuals exist on a fixed income with limited opportunities to socialize. They experience isolation and lack of a community base. Senior centers will enhance the dignity and independence of every individual. There are (5) senior centers administered by the Human Resources Agency.

Lyman Senior Citizens Center
14592 County Farm Road Gulfport, Ms 39503
Phone: (228) 832-2606 / Fax: (228) 831-3369

North Gulfport Senior Citizens Center
3312 Martin Luther King Drive Gulfport, Ms 39501
Phone: (228) 863-1548 / Fax: (228) 864-2026

Saucier Senior Citizens Center
24006 1st Street Saucier, Ms 39574
Phone: (228) 832-5835 / Fax: (228) 831-9638

Information & Referral
Information is the process of providing valid current data/facts to older individuals or a person inquiring on behalf of an older person of available resources, services, or programs in the community.

Referrals is the process of linking, directing, or connecting older individuals with appropriate agencies or community resources to obtain needed help and assistance.

Home Delivered Meals
We deliver approximately 2,875 meals each week. These meals provide a nutritionally balanced meal delivered to the home of the frail and disabled elderly who are in most need of this service. Home delivered meals will enhance the quality of life and support the maintenance of self-sufficiency, allowing the elderly person to remain at home.

Transportation
Transportation is arranging and providing the transport of eligible seniors to and from community services, medical appointments, groceries, and recreational activities. This service helps to maintain the independence of older adults as long as possible.

Retired & Senior Volunteer Program (RSVP)
RSVP offers men and women age (55) and older exciting opportunities for personal development and satisfaction by providing volunteer programs that offer outlets for their energy and creativity while serving in their communities.

Volunteers In Service To America (VISTA) America Reads Program
This program aids "at risk" children Kindergarten through 3rd grade, to learn to read well.

Adult Day Care
Adult Day Care services the older population of Harrison County. These seniors exist on a fixed income and have an array of health problems. Day Care serves clients that are frail, disabled, and those with physical and mental disabilities, which place the aging client at risk.

Congregate Meals
Congregate meal services are offered to eligible seniors to help

insure a proper diet that will aid in promoting good health, well being, independence, and socialization.

Services offered: Facilities: Senior Center; Meals, Congregate Feeding, Meals; Services, Senior/Elderly Services; Services, Senior Programs; Transportation Assistance (To Receive Medical Care); Transportation, For Seniors/Elders
Campaigns: RSVP (Retired & Senior Volunteer Program)

U.S. Gulf Coast — September 12, 2008 — As Hurricane Ike bears down on the Gulf Coast, IRD is preparing to provide case management and other assistance to those in its path. Staff from IRD's Gulfport–based Gulf Coast Community Service Center is already in Baton Rouge to assist with Gustav response. drawing on the experience from providing case management services to victims of Hurricane Katrina for the past three years.

Your donation will help us bring emergency relief to the victims of this disaster.

The IRD Gulf Coast Community Service Center (GCCSC) has been rebuilding the lives of the citizens of the Mississippi Gulf Coast since October 2005, opening its doors a little more than one month following the devastation of Hurricane Katrina. The goal of the Center is to reach out to the community and assist in the organization and facilitation of an often–difficult recovery process. Located in West Gulfport, the Center serves the entire Mississippi Gulf Coast, representing most of the Coastal cities as well as the three Coastal counties.

The GCCSC began it work on the Gulf Coast by administering emergency relief, but has transitioned its services to focus on sustainable, long–term recovery. The Center was one of the first agencies in the area administering needs assessments and mapping the most affected areas. The goal of the multi–faceted needs assessment and community mapping process conducted by the Center was to identify potential applicants for assistance following the hurricane. As the recovery cycle progressed from assessing needs to managing needs on an individual basis, the GCCSC has changed its focus to assisting citizens in need through case management. Case managers facilitate the recovery process for survivors by identifying ways to maximize their access to community resources.

The Center hosts a walk–in center for assessments administered by the Harrison County Long Term Recovery Coalition (LTRC), and has developed a resource guide printed by Federal Emergency Management Agency (FEMA) to provide to other relief agencies as a reference.

The Center also provides financial counseling to hurricane victims and MDA Phase II grant recipients seeking to purchase or rebuild homes through funding from the Enterprise Corporation of the Delta. This counseling not only prepares beneficiaries for homeownership, but gives them tools for long–term financial security. And in partnership with the Mennonite Economic Development Association (MEDA), the Center will create and manage a micro–enterprise capital fund which will finance start–up businesses along the Mississippi Gulf Coast. Additionally, the GCCSC will support the development of an open–air market in its Gulfport neighborhood.

IRD also participates in YouthBuild, a program that provides comprehensive programs for vocational development, workforce training and career counseling with Gulf Coast youth. YouthBuild teaches local at–risk high school students how to assist in rebuilding homes while helping them get their GED.

Helping people rebuild their lives, their relationships, and their sense of self–sufficiency, is equally as important to their long–term recovery and that of their communities as their physical needs. It is the human side of recovery that the GCCSC addresses, for thousands of Katrina survivors.

Services:

1)Case management for Katrina survivors. Eligibility: affected by the hurricane and still have unmet needs

2) Fincancial Counseling. Eligibility: Open to everyone

3) Housing Counseling. Eligibility: Open to everyone

4) Youth Build Program will start in January. Eligibility: youth ages 16 to 24 who do not have a high school diploma/GED

Applications are still being accepted for Katrina survivors and programs. To obtain an application: Monday – Thursday 9:00 – 3:00

Description of Services: Conducts initial needs assessments for Harrison County, coordinates cases and prioritizes for case manager assignment, facilitates case management roundtable and unmet needs roundtable

FROM GULFCOAST NEWS:

FEMA Recovery Report – Year 2
Harrison County
Population: 171,875 (2006 U.S. Census Bureau estimate)
Major Communities: Gulfport, Biloxi, Long Beach

Approximately 54,527 Harrison County residents have received FEMA Rental Assistance. The funds allow eligible families to find more permanent housing solutions. FEMA's Corporate Lodging Consultants Direct Pay program also assists families who are renting property by paying landlords directly.

· In Aug. 2006, approximately 12,251 temporary housing units were occupied in Harrison County. That number has decreased by 47 percent.

· The Mississippi Emergency Management Agency (MEMA) disburses Public Assistance funds.

· A project worksheet is a dynamic record of each project and is used to collect information and provide justification for the project. A project worksheet describes the eligible work, the scope of the proposed project and provides estimates of the costs to repair damage.

Volunteer Activities

· FEMA Voluntary Agency Liaisons work with Mary Ellen Calvert and the Harrison County Long Term Disaster Recovery Coalition or Rick Weaver and the Harrison County Unmet Needs Task Force.

Hazard Mitigation Grant Program

· Harrison County will receive a grant from FEMA's Hazard Mitigation Grant Program (HMGP) as part of Mississippi's statewide generator initiative. The program will provide generators to critical facilities in the county.

· The city of Biloxi received a $101,250 HMGP grant to assist them in updating their 2003 hazard mitigation plan and implementing recommendations to address hazards and flooding. Biloxi was the first community in Mississippi to have a FEMA–and MEMA–approved hazard mitigation plan.

· The city of Gulfport also received a $101,250 grant to assist the city in developing a new hazard mitigation plan. MEMA and FEMA approved the plan.

· FEMA and MEMA authorized two HMGP grants for about $19 million for West Harrison and D'Iberville high schools to build state–of–the–art storm shelters on campus. The schools will be built in an area where very few, if any, hardened structures existed prior to Hurricane Katrina and will be constructed to withstand 200 mph wind gusts and debris impact. The combined school shelters will provide shelter for more than 5,000 people.

· Fire Station #2 in Long Beach was the first partnered mitigation project after Katrina. FEMA provided funds from two programs for this project: a $127,985 Public Assistance grant and a $524,538 HMGP grant. When FEMA Public Assistance funds are obligated to repair or replace buildings or other infrastructure, HMPG funds may be used to enhance the work with techniques that are designed to mitigate damage from future storms—a partnered mitigation project.

· Gulf Coast Community College, Harrison County branch, will receive a HMGP grant as a participant in Mississippi's statewide siren initiative. The warning systems will be installed on school campuses throughout the state to allow students, staff and community residents enough warning to seek shelter in the event of a natural disaster or man–made emergency.

· MEMA, as designated by the Governor of Mississippi, administers the HMGP.

Affordable housing creation combined with historical preservation and environmental protection.

nglandtrust@gmail.com

The North Gulfport Community Land Trust was formed in 2004 in an effort to address the environmental degradation, wetlands filling, land speculation and potential gentrification of the North Gulfport community. This African American neighborhood, once a vibrant place where children were safe to walk at night and homeowners were proud of their simple, clean homes had fallen into disrepair, and had been regularly flooded due to the filling of nearby wetlands.

Historically this community was self–reliant. Community members lived off the land fishing in the Turkey Creek, hunting wildlife in the nearby forests and tending to their gardens. As industry moved to the area locals took jobs at the nearby Creosote plant. Later, when men left the community to seek better opportunities their wives worked together by taking care of each others children, sharing food stores and working communally on agricultural plots.

As the city of Gulfport moved through the 20th century this community remained underrepresented and underdeveloped; basic services like sewage and trash removal were almost non–existent and today remain absent in many parts of the community. Over the past twenty years urban land parcels in the North Gulfport community have become vacant and overgrown while nearby development is rapidly filling the surrounding wetlands. A significant number of developable lots exist within the neighborhoods, but developers prefer to cut forests and fill wetlands rather than address any potential infill constraints like scattered–site development.

In 2005 this community, like the rest of the Gulf Coast, received devastating blows from Hurricane Katrina. While some regions of the Gulf Coast were flooded by tidal surge, others sustained damage from the breaching of levees or wind forces and heavy rainfall. Hurricane Katrina raised the waters in the Turkey Creek flooding North Gulfport. Heavy winds and rainfall, coupled with the deep financial poverty embedded in the region finalized the destructive effects of the storm. Homes that were barely standing before the hurricane were laid to rest during and soon after the forces; families who had very little to begin with, soon had nothing.

When Rose Johnson and other community members formed the North Gulfport Community Land Trust they intended to focus on revitalizing the community and protecting the neighborhood from land speculation and gentrification, while combating the filling of nearby wetlands.

Rose, a local community leader, had been organizing the North Gulfport Community for years. Prior to Hurricane Katrina, Rose was elected state representative for the Sierra Club solidifying her efforts toward opposing the fill of surrounding wetlands. Results of her efforts include the halting of a 500–acre wetland fill bordering North Gulfport, as well as forcing the City of Gulfport to produce a Cease and Desist order on its own wetlands fill project.

FEMA Press Release (4/09) about Pastor Elijah Mitchell, from H.A. Brown United Methodist Church in Wiggins, and his work with the Open Door folks.
http://www.fema.gov/news/newsrelease.fema?id=48054

Per Sue Weishar, MS Center for Non–Profits, 11/8/07:

The Open Door Homeless Coalition (ODHC) for the lower 6 counties is in the process of reforming. As you may know, all emergency shelters in Harrison County (none existed in Hancock County) were destroyed in the storm and have yet to rebuild. Homeless service provides and churches are overwhelmed trying to help people without a roof over their heads. We all know the numbers of homeless people is growing (see Kathleen?s latest post) but no one has a firm handle on the actual numbers. The ODHC is now writing a grant to gather irrefutable data that we have a crisis on hands, this data will be critical in developing a coordinated community response to the crisis.
But until that data is collected, we need some information from those of you on the front lines which illustrates the magnitude of the post–Katrina homeless crisis on the MS Gulf Coast.

(OPENS 6 pm Sun. 8/31/08 – Hurricane Gustav)

Harrison Co. Shelters Open Sunday

Published: Sat, August 30, 2008 – 9:35 pm
Last Updated: Saturday, August 30, 2008 – 9:39 pm

Harrison County – The County Emergency Management Agency (EMA) has announced nine sites for public shelters from Hurricane Gustav. Shelters will open to the public at 6:00 pm tomorrow (Sunday, August 31).

Shelters will be at:
• Saucier Elementary School, 24052 First Street in Saucier
• West Wortham K–8 School, 20199 West Wortham in Saucier
• North Woolmarket K–8 School, 16237 Old Woolmarket Road in Biloxi
• D'Iberville High School, 3320 Warrior Drive in D'Iberville
• Gulfport Central Elementary School , 1043 Pass Road in Gulfport
• Harrison Central High School , 15600 School Road in Gulfport

• Harrison Central Elementary School , 15451 Dedeaux Road in Gulfport
• Lizana Elementary School , 15341 Lizana School Road north of Gulfport
• North Bay Elementary School , 1825 Popps Ferry Road in Biloxi .

EMA director Rupert Lacy identified items shelter occupants should bring with them and items that are not allowed in a shelter. .

Water: Bring one gallon of water per person, per day.

Food: Bring non–perishable food that needs little or no cooking, such as ready–to–eat meats, fruits, vegetables, and canned juices. Also recommended are high energy foods such as peanut butter, jelly, crackers, granola bars, trail mix and other snack foods. Also bring any specialty foods required, such as for diabetics, people on low salt or liquid diets and baby food and formula. Bring a manual can opener and eating and drinking utensils including paper plates. Bring a portable ice chest with ice.

Clothing and bedding: Bring study shoes, rain gear and one complete change of clothing. Also bring a sleeping bag, blanket and pillow. For an elderly person, bring a cot. Shelters do not provide cots.

Personal items: Bring a washcloth, small towel, soap, toothbrush, toothpaste, sanitary napkins, tampons, paper towels, toilet paper and towelettes.
Medications, first–aid supplies: Bring your medications, clearly marked with your name, dosage, type of medication and prescribing physician. You must be able to take all medications by yourself. Also bring a first–aid kit in a waterproof box.

Baby supplies: Bring baby clothes, diapers, formula, bottles, nipples, food and blankets.

Important papers: Bring names and addresses for your doctors and your nearest relative not living in your area. Bring identification and valuable papers.

Miscellaneous: Bring games, cards, toys, battery powered radios, flashlights (no candles or lanterns), batteries and other reasonable items you may need. Please bathe and eat before you leave home. Register immediately upon entering the shelter. Obey shelter rules. Keep the building safe and sanitary.
Items not allowed: You may not bring to the shelter any pets, alcoholic drinks or weapons. Harrison County EMA will issue a separate news release about a pet shelter that will be provided.

Water: Bring one gallon of water per person, per day.

Food: Bring non–perishable food that needs little or no cooking, such as ready–to–eat meats, fruits, vegetables, and canned juices. Also recommended are high energy foods such as peanut butter, jelly, crackers, granola bars, trail mix and other snack foods. Also bring any specialty foods required, such as for diabetics, people on low salt or liquid diets and baby food and formula. Bring a manual can opener and eating and drinking utensils including paper plates. Bring a portable ice chest with ice.

Clothing and bedding: Bring study shoes, rain gear and one complete change of clothing. Also bring a sleeping bag, blanket and pillow. For an elderly person, bring a cot. Shelters do not provide cots.

Personal items: Bring a washcloth, small towel, soap, toothbrush, toothpaste, sanitary napkins, tampons, paper towels, toilet paper and towelettes.
Medications, first–aid supplies: Bring your medications, clearly marked with your name, dosage, type of medication and prescribing physician. You must be able to take all medications by yourself. Also bring a first–aid kit in a waterproof box.

Baby supplies: Bring baby clothes, diapers, formula, bottles, nipples, food and blankets.

Important papers: Bring names and addresses for your doctors and your nearest relative not living in your area. Bring identification and valuable papers.

Miscellaneous: Bring games, cards, toys, battery powered radios, flashlights (no candles or lanterns), batteries and other reasonable items you may need. Please bathe and eat before you leave home. Register immediately upon entering the shelter. Obey shelter rules. Keep the building safe and sanitary.
Items not allowed: You may not bring to the shelter any pets, alcoholic drinks or weapons. Harrison County EMA will issue a separate news release about a pet shelter that will be provided.

Hurricane Shelter For Pets: Harrison County
By Harrison County Emergency Management Agency
Published: Sat, August 30, 2008 – 10:06 pm
Harrison County, Miss. – The Humane Society of South Mississippi will provide a shelter from Hurricane Gustav for domesticated pets on the grounds of Harrison Central High School, at 15600 School Road north of Gulfport, starting at 6:00 pm tomorrow (Sunday, 8/31/08). The school will open a shelter for humans at the same time.

A society spokesman said pet owners who use the storm shelter for animals must

• stay at the shelter for people inside the high school
• bring the pet in a kennel or crate
• provide the pet's medical record
• provide enough food and water for each pet to last three days
• bring and use plastic bags for the pet's waste
• bring a photo of the pet with the owner or some other proof that the pet belongs to the person
• provide the pet some attention and exercise while the owner and pet are in their shelters
• bring the pet's microchip file, if available.

Pet owners will not be able to bring their pets into the high school.

The society also recommends bringing the pet's toy or a favorite object.

Owners should follow signs on the high school grounds to reach the pet shelter and check with in with a representative of the humane society.

Hancock County Airport: EOC HQ. On Airport Rd, at the Hancock ounty airport, there is an EOC Headquarters, where people can apply for aid. At the site there is a big white tent, where they serve sack lunches and some hot meals. Figure it opens near lunch time. This site is reportedly being moved to Kiln/Delisle at the "end of the week", which the warehouse figures is Friday, maybe Saturday. There's a chance that the site could stay, but it's day by day. The Red Cross has been notified that this site will no longer provide meals after Friday, and hopefully a mobile food truck will at least make a stop at the EOC warehouse once a day to feed the 15–20 people that work there.

unconfirmed, Marth Lee said she thought they were still doing it.

8/22/06 Removed need/avail of volunteers...

OLD NOTES:

These folks take requests for workers and match up volunteers. If someone needs help pulling out carpet or cutting brush, call them. They'll put you on the list and when volunteers come in wanting to work, they will send them to you. There's a pretty steady supply of volunteers.

The location of their operation varies, as they move around as buildings become available. The government offices aren't habitable, so they were in the Church of Kings, and are now somewhere else temporarily.

Sheila from the Pastor's Resource Council is working with her. Sheila is coordinating where to send trucks of supplies. She says hold off on supplies right now until they catch up and figure out what to do with all the stuff. Week of 10/10 they'll start knowing what they need.

Terra's comment: seems like they've got too much stuff. Move on either into rural or poorer areas of Gulfport or choose another county to work on. Amy says, "Gulfport's pretty OK for now...areas worse off are East Buluxi and Long Beach and Pass Christian (sp?).

FROM THE WEBSITE:

1/9/07 Newsflash: Trinity will continue to house, feed, and work volunteers until early December 07. We are moving forward in our relief efforts. Please contact us if you are interested in continuing to meet the needs of this community!

Trinity United Methodist Church of Gulfport has been deeply involved in the recovery effort in the wake of Hurricane Katrina. Since the storm we have served 35,000 meals, provided lodging for over 4,644 volunteers, and our volunteers from across the country have logged almost 500,000 hours. What began as a cleanup effort has now transitioned into a rebuilding effort. We have worked on rebuilding either in part or completely 570 homes as of April 2007 and there will be many more to come.

In this exciting rebuilding phase we use volunteer labor to begin installing new insulation and sheetrock as well as paint in homes damaged by the storm. As we get further into the rebuilding process we need skilled labor who can do plumbing, electrical, and finish carpentry work. Trinity forms a partnership with homeowners to provide labor assistance as well as building materials if necessary. Additionally, Trinity UMC provides some financial support to homeowners whose homes were damaged by flooding.

You can support this rebuilding effort through a monetary donation or by volunteering to be a part of a work team. Work teams will need to bring tools appropriate for the work they will be engaged in (insulation, sheetrock, paint,

etc), although we have acquired a number of tools over the past year.

If you are interested in being a part of this important work and ministry on the Mississippi Gulf Coast, please contact Courtney Allen via email callen@trinityumc.com or at 228–863–2717 ext. 21. If you are interested in scheduling specific dates to volunteer, please email Regina Brown at rbb532@bellsouth.net

Checks payable to	TCCI

EMAIL: tccivolunteers@yahoo.com

Due to Hurricane Katrina's devastating landfall on August 29, 2005, TCCI's recent activities have included hurricane relief as well as ongoing efforts related to cultural and environmental conservation, restoration, education and community planning. In addition to distributing over $20,000 of relief to residents of the Turkey Creek basin and nearby communities, TCCI is working to protect our watershed's cultural, environmental and housing resources from additional harm during the redevelop–ment process. Like nothing else before it, Hurricane Katrina has dramatized and heightened the need for such work across the gulf coast. Emboldened rather than redirected, TCCI's mission and goals for comprehensive revitalization remain steadfast – with resource stewardship and community values at the core.

TCCI has recently completed constructing a temporary camp facility to accommodate volunteers (groups or individuals) interested in helping in the Turkey Creek–North Gulfport area. Most of the many thousands of volunteers who have aided gulf coast communities since Katrina have slept (and worked) where facilities have been available to house them. This has left North Gulfport comparatively unassisted, even though it has long been the City of Gulfport's most disinvested and marginalized community.

Established in partnership with Harrison County and volunteers from Virginia Tech, the newly finished camp includes two 35–person sea–huts, six outdoor showers, two bathrooms, a kitchen facility, and even wi–fi access. Please contact TCCI's Administrator, Alex Mercedes at (228)863–0099 or email her at: TCCIadmin@gmail.com

Get Involved:
Whether you live in the Turkey Creek community/watershed, or across the globe, TCCI is always in need of volunteers. We are currently looking for volunteers to assist with:

Cleaning and repairing neighborhood homes
Preservation of historic structures and sites
Restoring and enhancing environmental resources
Donating materials for repairs and restoration
Conducting historical or environmental research
Fundraising/Grantwriting for projects

Volunteer Coordination
Kitchen Cook (For Volunteer Camp)
Spreading the word

Twelve Baskets Food Bank (Subsidiary of Bay Area Food Bank)

Warehouse · Open

Non–Profit Food Bank
Old address – 29th Ave.; 39501; NEW –; 16364 Highway 67, Gulfport, MS 39532
Phone (228) 863–1759
Web www.biloxidiocese.org

The search for a new home for Twelve Baskets Food Bank, our affiliate in Gulfport, Mississippi, has come to an end. During Hurricane Katrina, the building housing Twelve Baskets sustained damage that hindered the response to recovery efforts on the Mississippi Gulf Coast.

It is with great pleasure and pride that Jennifer Keegan, executive director, and the staff at Twelve Baskets Food Bank announce their new facility located at 16364 Highway 67, Biloxi, MS 39532. They have a new freezer and a new cooler measuring 24' x 24' and a significantly larger warehouse that will allow them to expand product line and service to the many organizations in the eight south Mississippi counties they serve. We, along with Twelve Baskets, invite you to give them a call at (228) 863–1759 to set up an appointment and see the facility for yourself.

Twelve Baskets is a subsidiary of the Bay Area Food Bank. The Twelve Baskets warehouse is located in Gulfport, Mississippi.

At the Bay Area Food Bank, we like to say we're not just a warehouse. We offer many hunger relief programs to help our communities. From child nutrition to community food assistance, we offer programs for every population, for every food and nutrition need. Please explore our different programs and learn why the Bay Area Food Bank is not just a warehouse.

There are many ways that people can become a part of the food bank family. You can donate money online or using one of our direct mail pieces if one is mailed to you. You or your company can donate food, or organize a food drive. You can raise money by organizing a fundraiser or helping us with one of ours. You can volunteer, either as a long term permanent volunteer who comes in a few days a week, or you can organize a group of people to come volunteer during the day, sorting food and doing other important work at the food bank. Please check the sections on volunteering, raising money, donating money, donating food, and organizing a food drive for more information.

One very important and easy way you can help the food bank is by using your voice. You can write to legislators about hunger–related issues, you can make phone calls or write emails. You can become a hunger advocate for your community by checking our Use Your Voice section and finding out what needs to be said, and who needs to hear it.

Caring Kits Needed ...

Volunteers of America Southeast continues to aid victims of disasters such as the recent hurricane. We continue to collect items to create "Caring Kits" to aid those displaced due to the current flooding and any other storm-related event. Before the storm, Volunteers of America Southeast staged hundreds of caring kits at churches and other facilities along the Gulf Coast. Most of these kits have been distributed and we need to replenish the supply for future disasters. We welcome any individual or group who would like to help gather items to create the caring kits.

Each kit will consist of a 2-gallon zip-lock bag filled with the following items:

•6 oz toothpaste
•Tooth Brushes
•Wash Cloths
•Bar Soap
•Small Shampoos
•Hand Sanitizer
•Combs or Brushes
•Travel-size Facial Tissue
•Travel-size Wet Wipes
•Band Aids
•Anti-bacterial Ointment
•Deodorant

Donations of these items can be made at Volunteers of America Southeast, 600 Azalea Road, Mobile, AL 36609. For more information, please contact Paul McLendon at 251-422-7729.

Mississippi Volunteer Lawyers Project

Walk–in Resource · Open

Legal Assistance for Low Income Families
643 North State Street, Jackson, MS 39202

Phone 601-960-9577 or 1-800-682-0047
Web www.mvlp.net
Hours 8 a.m. – 5 p.m. M-Fri.
Service Temporary

Eligibility Requirements: Must meet financial guidelines (same as legal services) and other regulations

Documents Required: Proof of income, documents pertaining to legal matter requesting assistance for.

Description of Services: Agency matches private attorneys who donate their time to assist low-income citizens with civic legal problems (Prohibited from handling cases that are criminal, fee generating, and drug related - cannot represent prisoners in any legal matters)

If you have any questions about how the Project works or are interested in volunteering your services through our program, please feel free to contact our office. Specific inquires can be directed to:

Mississippi Volunteer Lawyers Project
P.O. Box 2168
Jackson, MS 39225-2168

Phone: 601-960-9577 or 1-800-682-0047
Fax: 601-944-9678
E-mail: mvlp@msbar.org

Also, please note that if you are in need of general legal information, you can contact our Legal Line which operates on Monday-Friday from 12pm-2pm at 601-960-9572 or 1-800-682-6423.

Clinics:

The MVLP hosts several different clinics, which are seminars aimed at helping the public with their various legal needs. Information about upcoming clinics will be posted online.

Homeless Legal Clinic
The Homeless Legal clinic operates every Tuesday afternoon at Stewpot Community Services. Those in need of legal advice attend the Clinic which is staffed for a month at a time by attorneys from Jackson-area law firms.

Pro Se Divorce Clinic
One of the options given to clients in need of no-fault divorces is attending a Pro Se Divorce Clinic. One attorney guides those clients through their paperwork and any legalese they may encounter in filling out their divorce papers.

Wills & Estates Clinic
In an effort to address the needs of the elderly, this clinic provides an attorney to clients for the preparation of Wills and Advanced Healthcare Directives (formerly Living Wills).

Guardianship Clinic
The Guardianship Clinic takes place annually to help families get past any custody-related roadblocks that may interfere with enrolling children in school.

Access & Visitation Clinic
A significant portion of the cases handled by the MVLP, in some way, have to do with child custody. The purpose of the clinic is to inform parents of their rights to their children once a child custody has been put in place, and to introduce them to the legal system as a means to uphold those rights.

Hancock County Residents: Must go through Legal Services first. 228-896-9196 or 228-896-9148

Services offered: Services, Legal Assistance (For Low-Income Families)

Latest News (November 15, 2006):
Recovery Efforts Recently, PHC has focused its efforts on those who have "slipped through the cracks" of other hurricane relief attempts. There are still many families who have been frustrated in their attempts to regain their basic needs, including shelter. Many are still living in inadequate housing and even in tents. PHC is still working diligently on the Mississippi Gulf Coast to address those basic needs. Demolition and debris removal is largely (although not completely) completed. The more pressing need now is for reconstruction. The Mississippi Gulf Coast needs skilled workers (framers, carpenters, plumbers, roofers, electricians, drywallers, painters, landscapers, etc.) and their helpers of any skill level to join PHC in helping Hurricane Katrina's victims.

Volunteer Need is Still Great

We have lots of occupancy dates available for volunteers. The list of those who need help continues to grow.

Mission:

To bring immediate, compassionate Christian relief and hope directly to the victims of hurricane Katrina, primarily in the Gulfport, Mississippi region.

Current Goals:

1. Provide a base of operations for volunteers to receive housing, meals and rest as they engage in work projects in communities along the Mississippi Gulf coast.

2. Connect volunteers with work projects suited to their interests and skills.

3. Assist in maintaining St. Ann Church and Camp Hope in order to insure continued use of the facilities for volunteers.

Services offered: Camping, Camp Sites * (ANY/ALL Types of Camping Services/Sites); Facilities: Bathroom Facilities (For Volunteers); Facilities: Shower Facilities for Volunteers; Housing, Volunteer Housing ($ NOT FREE); Housing, Volunteer Housing * (ANY/ALL Types); Management, Volunteer Coordination Services; Meals, Volunteers, Meals for Volunteers; RV Parking for Volunteers; Tool Lending; Volunteers, Groups of Volunteers (This facility accomodates Groups of Volunteers); Volunteers,

Individual Volunteers (This facility accomodates Individuals Volunteers); Volunteers, Teen Volunteers (This facility accomodates Teen Volunteers)

Rebuild & Restore
Lives + Homes + Communities
Spiritually, Emotionally, and Physically

Michael Magargel: Volunteer Coordinator
(228) 234–5193
michael@campcoastcare.com

Gerry Sharik: Site Manager
gerry@campcoastcare.com

Camp Coast Care is a Christian community of faith that provides welcome and hospitality to any volunteer wishing to serve in the Hurricane Katrina recovery effort. Camp Coast Care operates a recovery and reconstruction mission for those in need on the Mississippi Gulf Coast.

Camp Coast Care is located on the campus of Coast Episcopal School at 5065 Espy Avenue, Long Beach, MS. Since the first days after Hurricane Katrina, we have offered help to survivors in the from of a distribution center for food, cleaning supplies, personal hygiene products, clothing, and free medical services. Camp Coast Care has also hosted thousands of volunteers from all over the world that have come to clean out and rebuild lives, homes, and communities.

We continue to adapt the needs of the people affected by Hurricane Katrina. Our focus has settled to the construction and rebuilding needs of the community. Volunteer work crews composed of all levels in skilled labor in the areas of sheetrock installers, carpenters, roofers, plumbers, electricians as well as unskilled labor are organized daily to go out into the communities to help residents. There are also on–campus jobs for volunteers that are vital to camp campus life. These include social work intake, kitchen and dining room assistants, facility and grounds maintenance, data entry, and general office work.

Camp Coast Care is a mission point of the Lutheran and Episcopal Disaster Response (LEDR), an outreach of the Lutheran and Episcopal Services in Mississippi (LESM).

Lutheran and Episcopal Services in Mississippi (LESM), a faith–based initiative, 501(c)3, serves as an instrument seeking to bring dignity, healing, justice, hope, and encouragement to all people. LESM manages and conducts numerous programs in children's education, restorative justice, and disaster response.

FROM DNN:

Speciality: Recovery & Reconstruction from 2005 Hurricane Katrina

Description of volunteer needs: All trade skills needed to asst with reconstruction. Unskilled volunteers also welcome

Skills volunteers are required to have: Willingness to work, and a flexible attitude

Useful Skills: General knowledge of construction, any and all trade skills

Tools or supplies volunteers should bring: Any specialty trade tools, if possible. Hand and power tools are provided by the Camp.

Will volunteers need to bring any money or material, such as for housing: Personal spending money. Donations are accepted for housing and food.

Length of time volunteer can help: 1 day to longer, 7 days preferred

Size of volunteer team: 1 to 80

Are individual volunteers welcome? Yes

Age restriction, if any: 16 and above

Denomination/affiliation, if any: Lutheran/Episcopal – all are welcome

If yes, must volunteer be a member: No

Any other restrictions: No

Housing provided for volunteers, if any: Yes. Air conditioned and heated dormitory with bunk beds; private showers and commodes.

Meals provided for volunteers, if any: Yes, 3 per day except Saturday & Sunday. Gourmet chef on staff. Full kitchen facilities

Any additional notes: Camp has housed over 11,000 volunteers since Katrina – from all across North America and 16 different countries,. We need your help now more than ever. Skilled volunteers are urgently needed and unskilled volunteers are needed as much as ever.

Approximate date the project started: Aug–29–2005
Estimated date the project will end: Sep–01–2010
Information Updated: Oct–02–2007

Checks payable to	First United Methodist Church of Long Beach

FROM THE WEBSITE/NOTE FROM THE RELIEF COORDINATOR:

January 2007 has been a quiet month for volunteer teams staying here at the church, but that doesn't mean work is not getting done. We have been working with other organizations to schedule teams to work on our project list. Just one example, an Amish team from Indiana contacted us and we were able to use them to do some construction for one of our church members. Our next team, Sugarcreek UMC from Chatham, IL is scheduled to com in on February 25th.

I also would like to let you know that I have accepted a position with the Annual Conference as Recovery Coordinator for the Easter region (Jackson & George Counties) effective immediately and while my primary duties will be there, I will still be coordinating and scheduling the teams coming to work here in Long Beach. It has been a true blessing to serve God and you in this position.

If you need assistance recovering from storm related damage, please call me at (228) 343–7490 (cell) or email me at bmclarry@aol.com

Thank you for your continued prayers and support.

In His Service,

Larry Davis

DONATIONS:

We appreciate any and all support, no matter how big or small. If you wish to volunteer your services, please feel free to contact Mr. Larry Davis, our Relief Coordinator through our church office at (228) 863–9619, or by submitting the form on the website.

Financial contributions can be mailed to:

First United Methodist Church of Long Beach
P.O. Box 375
Long Beach, MS 39560

Thank You!

Rebuilding. Sending out 1–2 work teams/week.

Checks payable to Friends of the Long Beach Public Library

Per email from the Reference Librarian at the Long Beach Public Library 8/2/07:

"We have been in a FEMA trailer for the past two years, but we are moving back home in September. We are over run with books, but we still have specific needs for certain genres (large print, sci fi, biographies). I am sure we can use office supplies as well."

IF YOU'D LIKE TO MAKE A DONATION:

Checks can be mailed to the following address:

Friends of the Long Beach Public Library
C/O Peter Psikogios
120 Shady Grove, Long Beach, MS 39560

FROM THE WEBSITE:

On August 29, 2005, Category 4 Hurricane Katrina made landfall along the Central Gulf Coast near Bay St. Louis, Mississippi, but the devastation she caused would span three states and cost over $200 billion. Every city along the Gulf Coast of Mississippi would be affected by this storm. Most people would compare what they saw, or what they no longer saw to a "war zone".

In Long Beach, where the majority of all businesses were located south of the railroad tracks that run through the neighboring towns, the tracks acted as a barrier to the wind and water, but they could not protect the majority of the homes and businesses closest to the beach. The Long Beach Public Library was just one of the many of these businesses who took a beating from the wrath of Katrina. When the south wall caved in from the pressure of the winds and water, the building received 3 1/2 feet of the Gulf's water throughout the first floor of the main wing and adjoining children's wing. Damage to the roof on the second floor of the main wing was fortunately slight as well as the only damage done to the second floor, and so the reference and non–fiction collection remained salvagable. But downstairs, aside from the tops shelves of the fiction section and some of the top shelves in the children's wing, all was lost.

In late December, a librarian by the name of Cynthia Terwiliger from Polk County Library, North Carolina arrived with over 1000 books for the Long Beach Public Library. This campaign, orginally an idea of Long Beach evacuee, Jean Sneed, and the town librarian of Polk County, was designed to remake history ("The Long Beach Public Library traces it beginning to 1895 when a library was named for Mrs. Garland Ferguson, who donated 250 books to help start it."), preceeded all expectations and was a huge success for the library and its community. It was also the start of an out pouring of support from coast to coast in order to help the Long Beach Public Library.

Although we are a long way from being where we were days before Hurricane Katrina, the Polk County Library and Lanier Library System of North Carolina placed a book plate in most of the books that they donated that reminds us that it will all be all right, because...

"IT IS NEVER TOO LATE TO BEGIN RIGHT WHERE YOU ARE."

Type of work:
(Know that as progress is made, the work description will change)

Drywalling
Debris removal
Warehouse support
Reconstruction projects (tentative at this point; may need specialized trade skills)
Office and clerical work

NOTE: We require that you have a current Tetanus shot before you arrive.
What you need to bring with you:

Bedding (sheets, pillow, blanket) and towels
Personal hygiene products
Thick soled footwear
Work clothes

Accommodations
You have the option of staying at the Dedeaux Retreat House in Pass Christian, MS, free of charge during your volunteer stay.

Volunteers can only stay for three weeks per visit
Breakfast and dinner provided (lunch is on your own)
Separate male and female dormitories (bay style with bunk beds)
Showers and a washer/dryer
Chapel

While on Dedeaux Retreat House property

BE ADVISED:

We respect you and your needs as volunteers.
No alcohol or drugs allowed on property
Doors are secured from 10:45 pm until 6:00 am every night

PLEASE READ CAREFULLY:

We are happy to report that we are receiving a huge response to our request for volunteers from all over the country. It would be extremely helpful to us and beneficial to you as volunteers to provide the following information before you call:

Definite arrival and departure dates
Definite male/female ratio
Definite number of people in your party

The sooner you can furnish us with this information the sooner your visit can be confirmed. We cannot hold a spot for long without confirmation. Thank you so much for your cooperation.

Disaster Description
Pass Christian is on Mississippi's coast and is one of the communities most devastated by Katrina. The 30–foot storm surge killed 22 people, destroyed nearly all business property, and damaged or destroyed 90 percent of the town's homes. Initially about 25 percent of Pass Christian's 6,500 residents remained.

Like virtually all of its residents, city leaders suffered immense personal loss. City Hall is now in a doublewide trailer. The library is in a small trailer. The storm set back the city 150 years, to its early days as a rustic resort area. But many new houses are springing up and the city is being rebuilt.

MDS Response
MDS purchased property in Pass Christian and set up a long–term project with three mobile homes and a storage shed. Together with the local recovery committee and readily available funds, MDS has completed 24 new builds, 15 major repairs and 42 minor repairs. Over the summer Pass Christian will be visited by youth groups from all over the US and Canada. MDS will continue it's work in Pass Christian this winter.

THIS SITE IS FULL UNTIL May, 2008. Occasionally there are cancellations. If you would like to be called about volunteer needs on short–notice (1–3 weeks), please call Sarah Yoder at (800) 241–8111 in advance.

ALL denominations (or non affiliated) volunteer groups are welcome! There is no fee for volunteer accomodations and meals are included. Donations are appreciated ("but never asked for").

All short–term and US long–term volunteers call (800) 241–8111 . Canadian long–term volunteers call (866) 261–1274 .

Persevere is not currently not in any disaster areas. If you are intersted in volunteer opportunities please visit our friends at www.hodr.org

If you have any questions please contact us at: info@perseverevolunteers.org

Persevere is a 501(c)3 which organizes jobs for volunteers and provides the tools and skilled leadership to complete them. We do not house or feed volunteers but work with nearby organizations to do so. We have a work order system and will complete any job we have the tools and know-how to do. Persevere serves residents of any economic background, churches and other non-profit businesses. We focus our efforts in Pass Christian, Bay St. Louis, Waveland and East Biloxi, but will help out anywhere along the Gulf Coast. We also run a small tool bank available to volunteers and local residents
rebuilding.

Persevere Disaster Relief is a Massachusetts based nonprofit organization committed to assisting communities in the wake of extensive disaster. Through implementing various initiatives and projects that address changing and unmet needs, Persevere aims to both restore a sense of normalcy and improve the quality of life in the areas it serves. Those affected by disaster are faced with a seemingly insurmountable and overwhelming task of picking up the pieces and rebuilding. The focus of Persevere is to provide small solutions for each community member it comes into contact with, and in turn, give them hope for the future and a foundation to help them persevere.

Persevere has responded to three disasters since its inception in February 2006. While continuing our long term Katrina recovery project in Mississippi volunteers from Persevere assisted the communities of Lady Lake, Florida and Enterprise, Alabama clean-up after devastating tornados ripped through their cities. Both tornado response projects were short term but produced big results for the survivors we helped.

If you are interested in partnering with Persevere Disaster Relief, please contact: info@perseverevolunteers.org for more information.

Rebuild the Pass .org

Info/Hotline · Open

Community
328 E. Second, Pass Christian, MS

Phone The Grey Hut: 228 452 7270
Web www.rebuildthepass.org

Rebuild the Pass is an online community that tracks the needs and status of the Pass Christian recovery. Here is what they say on their website www.rebuildthepass.org: (for needs lists and volunteer ops, call the number above)

Pass Christian was one of the communities on the Mississippi Gulf coast hardest hit by Hurricane Katrina. A storm surge of over 30 ft hit the town and destroyed over 90% of the town's businesses and 75-80% of residential structures.

As with elsewhere on the coast, reconstruction is a long, hard process. The town's government buildings are now located in temporary trailers along the War Memorial Park and next to the old municipal baseball fields. The town library and many of the town's businesses are located in temporary trailers in the same area. Of the pre-storm population of around 7,000, nobody knows exactly how many residents have stayed or returned.

A great deal of reconstruction has been done. Over the past year thousands of volunteers have served hundreds of thousands of hours in the Pass Christian area. Many homes have been cleared out and are in the process of being rebuilt-- many have already been rebuilt and businesses are slowly returning to the town. However, as one travels through the town, one notices empty lots where there used to be houses, businesses and the town's buildings. Debris still litters the beach and trees in the area still show signs of the hurricane-- as they will for the next decades.

The Grey Hut
The Grey Hut serves as Pass Christian's volunteer coordination center. They match residents' needs with volunteers' skills, and

they can match individual volunteers or large groups with skilled construction volunteers and the various volunteer organizations in Pass Christian. If you are interested in giving time to Rebuild the Pass, the Grey Hut will help make your time in Pass Christian productive. Through the city of Pass Christian, AmeriCorps St Louis runs the volunteer village, housing individuals and groups of volunteers in central accomadations in downtown Pass Christian.

The Grey Hut is located at 328 E Second Street, Pass Christian, MS 39571–4515. If you are interested in volunteering but you don't know what you can do to help, or if you know when you will come to The Pass, call the Grey Hut with any questions. Their phone number is (228) 452–7270 and their fax is 228–452–7275. In order to get in touch with the Housing Manager at the volunteer village, email housingmanager@gmail.com, or call 314–226–8945

Run4Relief
Jonathon Prince from his organization, Run 4 Relief, arrived on schedule in the Pass Christian War Memorial Park on Friday the 24th of November. After running across the Nation, Jonathon sprinted in to donate over $110,000 to the city of Pass Christian. Mayor Chipper McDermott was there along with the City Aldermen to accept this gift as well as to present their appreciation along with a key to the city. Jonathon Prince was able to raise funds as he ran through rain and shine all to bring awareness and relief to the gulf coast.
Signs of Re–building
The Bay St. Louis ferry has recommenced its operations, a sign that The Pass and the Mississippi Gulf Coast are coming back. The ferry runs between Henderson Point near Pass Christian and Bay St Louis.
Gardening in the Pass
The Charleston Horticultural Society came down the weekend of November 3/5, 2005 in order to donate and plant a large number of perennial shrubs and trees. They generously brought a semi–trailer full of donated plants that they planted in War Memorial Park (in the town center) and around the Pass Christian Public High School. This planting was organized by Pass Road to the Future under the auspices of their Re–Leafing The Pass project. They were helped by members of the community and students at the Pass Christian High School and Elementary School as well as The Delaware Beach Brigade from Rehobeth Beach Delaware, AmeriCorps St Louis, AmeriCorps NCCC Charleston and AmeriCorps NCCC Sacramento.

The next Re–Leafing The Pass weekend will be December 9.
Thanksgiving
This Thanksgiving, according to KLOX News, over 99,000 families along the Gulf Coast were in FEMA trailers. This statistic serves to highlight the great amount of work that remains to be done, over 14 months after Hurricane Katrina hit. While residents of southern Mississippi gave thanks for the work that has already been done, holidays like Thanksgiving and Christmas serve as reminders of how much has changed, and how much work remains.

http://www.restorationpoint.org/ (12/09 – no longer works)
Last post on blog for Sept. 08

Restoration Point is continuing to pursue the mission of restoring and rebuilding 1,000 homes from the Katrina disaster. We continue to need volunteer support, and financial contributions. Together, we can make a difference within this devastated area. Restoration Point is seeking skilled and semi–skilled volunteers to work on homes of families in great need. Please contact us at: info@restorationpoint.org for information about volunteering, donating, or otherwise supporter our efforts.

Mission Statement
Restoration Point Foundation is dedicated to helping those impacted by and responding to disaster with excellent coordination and training, applied science and technology, and great energy.

We are currently a disaster recovery organization working with a caseload of families and restoring their homes using volunteer labor. When volunteers arrive, we conduct a thorough

orientation about the area, local environmental hazards including weather, and job site safety concerns. We monitor local safety hazards and weather and alert fellow recovery organizations of the latest information. Our unique awareness of all safety concerns better equips our volunteers with adequate information to ensure a safer volunteer experience.

We develop our direct assistance caseload through members of the community, local church congregations, and Long–Term Recovery Committees, who provide advice on the needs of the community and individuals in the community. Once a need is determined, Restoration Point Foundation conducts an assessment, including a physical assessment and construction estimate to determine the amount of materials and labor necessary to repair or rebuild the home damaged or destroyed by the disaster. This allows for the homeowner and the organization to understand the scope of the repair or rebuild and the finances needed to complete the restoration. The project then moves forward and volunteer labor and organizational collaboration is sought to complete the project. We encourage direct adoption of projects and families by churches, organizations, corporations, businesses, and individuals. We seek skilled labor to oversee unskilled labor to ensure proper completion of the job so that the final product is solid, sustainable, safe, and meets all building codes.

Our website is still in the final development stages. You can support us with a donation through Network for Good (www.networkforgood.org) or PO Box 327, Pass Christian, MS 39571

This organization has made a 5 year commitment for recovery and rebuilding in Pass Christian. Their objectives are to help restore the community and to help residents rebuild their homes. There is a great need in this city. Homes along the beach as well as several miles inland were destroyed. The infrastructure in this town was virtually nonexistent after the storm. Progress is being made but it is very slow and the need for assistance from volunteers is great. Housing and meals are provided for a fee of $15.00 per day to defray operation costs. You must have your own transportation. This is a county–wide requirement. If you would like to help this devastated gulf coast community recover contact us at:

volunteer@unitedpeacerelief.org

(OPENED 6 pm Sun. 8/31/08 – Hurricane Gustav)

Harrison Co. Shelters Open Sunday

Published: Sat, August 30, 2008 – 9:35 pm
Last Updated: Saturday, August 30, 2008 – 9:39 pm

Harrison County - The County Emergency Management Agency (EMA) has announced nine sites for public shelters from Hurricane Gustav. Shelters will open to the public at 6:00 pm tomorrow (Sunday, August 31).

Shelters will be at:
• Saucier Elementary School, 24052 First Street in Saucier
• West Wortham K–8 School, 20199 West Wortham in Saucier
• North Woolmarket K–8 School, 16237 Old Woolmarket Road in Biloxi
• D'Iberville High School, 3320 Warrior Drive in D'Iberville
• Gulfport Central Elementary School , 1043 Pass Road in Gulfport
• Harrison Central High School , 15600 School Road in Gulfport
• Harrison Central Elementary School , 15451 Dedeaux Road in Gulfport
• Lizana Elementary School , 15341 Lizana School Road north of Gulfport
• North Bay Elementary School , 1825 Popps Ferry Road in Biloxi .

EMA director Rupert Lacy identified items shelter occupants should bring with them and items that are not allowed in a shelter. .

Water: Bring one gallon of water per person, per day.

Food: Bring non–perishable food that needs little or no cooking, such as ready–to–eat meats, fruits, vegetables, and canned juices. Also recommended are high energy foods such as peanut butter, jelly, crackers, granola bars, trail mix and other snack

foods. Also bring any specialty foods required, such as for diabetics, people on low salt or liquid diets and baby food and formula. Bring a manual can opener and eating and drinking utensils including paper plates. Bring a portable ice chest with ice.

Clothing and bedding: Bring study shoes, rain gear and one complete change of clothing. Also bring a sleeping bag, blanket and pillow. For an elderly person, bring a cot. Shelters do not provide cots.

Personal items: Bring a washcloth, small towel, soap, toothbrush, toothpaste, sanitary napkins, tampons, paper towels, toilet paper and towelettes.
Medications, first–aid supplies: Bring your medications, clearly marked with your name, dosage, type of medication and prescribing physician. You must be able to take all medications by yourself. Also bring a first–aid kit in a waterproof box.

Baby supplies: Bring baby clothes, diapers, formula, bottles, nipples, food and blankets.

Important papers: Bring names and addresses for your doctors and your nearest relative not living in your area. Bring identification and valuable papers.

Miscellaneous: Bring games, cards, toys, battery powered radios, flashlights (no candles or lanterns), batteries and other reasonable items you may need. Please bathe and eat before you leave home. Register immediately upon entering the shelter. Obey shelter rules. Keep the building safe and sanitary.
Items not allowed: You may not bring to the shelter any pets, alcoholic drinks or weapons. Harrison County EMA will issue a separate news release about a pet shelter that will be provided.

Services offered: School, Elementary; School, Jr High, Middle School; Shelter * (ANY/ALL Types); Shelter, Evacuation Shelter; Support for "All" Disasters
