Florida Association of Food Banks –

Treasure Coast Food Bank delivered ten thousand pounds of food and personal hygiene supplies to the St. Lucie County Airport as part of a Missionary Flight International shipment of requested items needed in Haiti. Items included sixty cases of Gatorade, three hundred pounds of cereal, over six thousand pounds of pre–packaged meals, and a pallet of personal hygiene products. Members of the public wanting to donate items needed in Haiti, can come to the Treasure Coast Food Bank between the hours of 8:00 AM and 4PM Monday through Friday. List of needed items at this time includes: Granola bars, Cereal, Peanut Butter, and Baby Diapers and other personal hygiene products.
Second Harvest Food Bank of Central Florida is delivering food to the Orlando airport where earthquake survivors are due to arrive.

Governor Crist Calls on Floridians to Contribute to Help Survivors of Disasters
~ Donations improve capability of disaster relief efforts ~

TALLAHASSEE – Governor Charlie Crist today announced he was activating "Neighbors to the Rescue" through the Florida Disaster Recovery Fund and asked Floridians to donate responsibly to survivors of disasters, including those in Haiti.

"Our thoughts and prayers are with Florida families impacted by the destructive Haiti earthquake," said Governor Crist. "I urge Floridians and neighbors across the country capable of contributing to contact a relief organization they trust. The people of Haiti desperately need our assistance during their dark hour."

The "Neighbors to the Rescue" through the Florida Disaster Recovery Fund is a Florida based fund that works with non–profit organizations to assist with long term recovery and unmet needs for Florida's regional neighbors victimized by disaster. "Neighbors to the Rescue" was created in 2005 following Hurricane Wilma.

"Floridians have time and again shown that they are good neighbors to those in need. Through the Florida Disaster Recovery Fund's 'Neighbors to the Rescue' Program, Floridians can make monetary donations and demonstrate their solidarity with the people of Haiti," said Marshall Criser III, president of AT&T Florida and chair of the Florida Disaster Recovery Fund's Advisory Council.

Floridians and neighbors across the country can contribute to "Neighbors to the Rescue" by going to www.FLADisasterRecoveryFund.org – or by calling 1–800–825–3786.

Together we can restore Florida.

Insurance, government and relief organizations are not equipped to cover all of the needs of Floridians impacted by natural disasters. The Florida Disaster Recovery Fund was formed to meet the long–term recovery needs of Floridians.

The Fund is managed by nonprofit Volunteer Florida Foundation, which manages the Governor's initiatives in community service and volunteerism. The Foundation is a nonprofit 501(c)(3) charitable organization (Florida registration number is CH8536) and your donations are tax–deductible.

Goals of the Recovery Fund
MAKE RECOVERY DOLLARS STRETCH – by providing needed financial assistance where insurance and government help leaves off
HELP REBUILD FLORIDA COMMUNITIES AND LIVES. Funds may be used to help rebuild communities by providing needs identified by local organizations working in recovery, and by helping nonprofits and faith–based organizations rebuild their own structures so they may continue to assist in rebuilding communities.
Guiding Principles

Money goes where it is most needed, with local decision–making. Determinations of need are made by long–term recovery organizations within the impacted communities. These organizations are composed of individuals from immediate recovery organizations, businesses, nonprofits and other representatives living and working in recovery within those communities, who best know the constantly changing needs of their communities. Direct grants may also be given to nonprofits and faith–based groups who need to rebuild their own infrastructure to serve their communities.

All donations are tax–deductible. A special account has been opened by the nonprofit Volunteer Florida Foundation to take donations. All donations designated for this purpose will be deposited in this special account and will be used for recovery efforts. (Registration number is CH8536). An audit and report of the use of funds is posted on this website.

Please give. Your donation is tax deductible.

To donate via the Internet, click here. For questions about this fund, or to donate by phone, call
