Anaheim Disaster Recovery Center Transitions to SBA Disaster Loan Outreach Center

Release Date: December 8, 2008
Release Number: 1810–022

PASADENA, Calif. –– Adalberto Quijada, district director of the U.S. Small Business Administration (SBA) Santa Ana, Calif., announced the federal–state Disaster Recovery Center (DRC) in Anaheim will transition to an SBA Disaster Loan Outreach Center (DLOC) at 9 a.m. on Saturday, December 13, 2008.

The Anaheim DRC at East Anaheim Community Center, 8201 East Santa Ana Canyon Road ceases operations on Friday, December 12, at 6 p.m. The SBA DLOC opens Saturday in the same location with operations Monday through Friday, 9 a.m. to 6 p.m., and Saturdays, 9 a.m. to 1 p.m., until further notice.

The California Office of Emergency Services (OES) and the Federal Emergency Management Agency (FEMA), along with SBA, opened the DRC to provide personal assistance and disaster information to individuals and businesses that suffered damage in the California wildfires of November 13 through November 28.

"At this stage of the recovery, the assistance emphasis is on the long–term needs of survivors. We believe the transition of the Anaheim DRC to an SBA DLOC will meet those needs," said Quijada.

SBA customer service representatives will continue to be available at the DRC until it closes and at the DLOC to issue loan applications, answer questions about SBA's disaster loan program, explain the application process, help each individual complete his or her application, and close his or her approved disaster loan. FEMA will have an Individual Assistance program specialist at the DLOC, too.

Low–interest SBA disaster loans are offered to homeowners, renters, businesses of all sizes and private nonprofit organizations to repair or replace property damaged or destroyed by the disaster. So far, SBA has approved more than $5.3 million in low–interest disaster loans to residents and businesses hurt by the November wildfires.

SBA disaster loans up to $200,000 are available to homeowners to repair or replace damaged or destroyed real estate. Homeowners and renters are eligible for up to $40,000 to repair or replace damaged or destroyed personal property.

Businesses of any size and private nonprofit organizations may borrow up to $2 million to repair or replace damaged or destroyed real estate, machinery and equipment, inventory, and other business assets. SBA also can lend additional funds to help with the cost of making improvements that protect, prevent or minimize the same type of damage from future like–disasters.

For small businesses, small agricultural cooperatives and most private nonprofit organizations of all sizes, SBA offers Economic Injury Disaster Loans (EIDLs) to help meet working capital needs caused by the disaster. EIDL assistance is available regardless of whether the business suffered any property damage.

To be considered for all forms of disaster assistance, survivors should first call the FEMA registration number 1–800–621–3362 (FEMA) (TTY 1–800–462–7585) or go online at www.fema.gov.

For additional SBA disaster assistance information, call SBA's Customer Service Center at (800) 659–2955, or visit SBA's website at www.sba.gov/services/disasterassistance.

The SBA filing deadline to return applications for property damage is January 21, 2009. The EIDL deadline is August 18, 2009.

Product Available for Disaster Relief Teams
For relief teams preparing to respond to the recent disasters in Japan, Giving Children Hope has disaster relief product available.

Items vary from first aid supplies to medicines, medical supplies, water, food, blankets and much more. Please contact Ken Hicks or Sean Lawrence for more information or to receive supplies for your team's relief efforts.

Giving Children Hope is privileged to work with diverse individuals and communities both locally and around the world, supplying projects that address and focus on the needs of children.

GCH works to promote family sustainability, economic independence, and self–sufficiency so that children may grow in stable environments. GCH also plays a role in the redevelopment and rehabilitation of under resourced schools, hospitals, and orphanages. Our programs mobilize organizations so that they can provide a bridge between the sources of aid and those with the greatest need, this empowers individuals to reach children caught in hopelessness.

Domestic
Giving Children Hope has a variety of activities to serve area children who are impacted by poverty, homelessness, and broken homes. GCH programs supply some of the most basic needs for ensuring a context of hope and health for children. These programs include:

–Job–skills training in warehousing, truck driving, and office skills to enable adults to sustain their families
–Distribution headquarters to over 50 local agencies to bring relief aid to the areas poor children and their families
–Partnerships with national domestic agencies to bring aid to needy children and their families in the United States

International
Giving Children Hope operates on a global level, working with other non–governmental organizations (NGOs) to implement relief and development programs in under resourced and marginalized communities around the world. GCH especially focuses on the needs of women, children, and families. International programs include:

–Relief aid for children and their families living in crisis zones, including Afghanistan, Bosnia, Iraq, Serbia, and Tajikistan
–Development projects bringing self–sufficiency to the poor
–Establishing medical clinics and supplying hospitals with needed equipment
–Rehabilitating hospitals, orphanages, and schools

California Wildfires

The devastating October wildfires in California forced more than 500,000 people to leave their homes and resulted in the largest evacuation in the history of the state of California. Islamic Relief is asking supporters to donate towards the Natural Disasters Fund to help the victims.

Islamic Relief Response

On Wednesday, October 24, Islamic Relief dispatched experienced staff to the San Diego area to assess the fire damage and discover what assistance is needed. Islamic Relief's team included two staff members with over two years of experience of responding to natural disasters from Hurricane Katrina.

The assessment was conducted through three teams, led by Islamic Relief staff and also compromising of local volunteers. The assessment included meeting with the Islamic Center of San Diego, which was housing evacuees, and also visiting shelters and other sites to see how Islamic Relief could best use its experience and resources to provide urgent aid.

Following the meeting with the community members in San Diego and the field assessment, Islamic Relief has taken the following actions to assist those affected by the fires:
• Cover housing and food costs of evacuees
• Assemble "Care Packages:" hygiene kits consisting of toothbrushes/toothpastes, hand sanitizers, hand towels, and other items.
• Redirect hygiene packages from our Hurricane Katrina efforts in Louisiana for distribution to those in need

Islamic Relief is continuing to collaborate with communities in the affected areas of San Diego to provide help to those in need.

FROM THE WEBSITE:

For over 40 years the Community Action Partnership of Orange County has worked towards enhancing the quality of life in Orange County by eliminating and preventing the causes and effects of poverty.

We have remained true to our mission “to enhance the quality of life within Orange County by eliminating and preventing the causes and effects of poverty by mobilizing and directing resources to programs that assist, educate, and promote self sufficiency.” The men and women of Community Action Partnership of Orange County are committed to serving the communities where they work and live. They come from all walks of life rallying to support those in need, ending poverty and building stronger communities. Our agency is celebrating 40 years of caring, upholding the values of human dignity and the integrity of compassion.

The Partnership brings together both private and public resources to solve community problems and improve communities by bringing hope and services to the poor. The Partnership provides a variety of emergency services and capacity building programs that enable the poor to meet basic needs and develop the knowledge and skills to move out of poverty. The Partnership believes that poverty in all its forms and manifestations is degrading to the individual and represents a clear threat to the continued health and prosperity of our nation.

Today, we are proud of our staff of over 100 employees and a budget of over $18,000,000 that helps people and changes lives. Each year we serve over 950,000 persons at or below the federal poverty level.

The Surf City Animal Response Team (SCART) officially became a non–profit corporation at the end of 2005; however, the members began working toward this goal in 2004. The founding members have worked many hours to research and put together information so that you, your family, and your neighborhood can be prepared to care for your pets before, during, and after a disaster or crisis. As you should know, in California the most prevalent disasters are earthquakes, fires, and floods.

Do not forget, at the very least, to have food, water, and kennels for each pet for two weeks. This will allow you, your family, and neighborhood to be better prepared and to avoid the devastating results with the abandoned and stray animals that occurred in Louisiana and Mississippi after Hurricanes Katrina and Rita.

SCART was founded by a group of animal–loving citizens dedicated to the goal that all pets, whether they have fur, feathers, scales, shells, whatever, are taken care of and saved from the horrors of being abandoned or left behind after a disaster or crisis. They have also pledged their assistance to help animals in need during these trying times. Since SCART is non–profit, its members are all volunteers and it is dependent on donations of funds and supplies in order to fulfill the purposes for which it was established (see the Mission Statement). This team was created to be open to all those interested in becoming animal responders in a disaster. We include therapy–trained dogs and crisis–trained dogs as part of our team. We offer training from experienced team members as well as from outside animal organizations.

The members who produced this information used their research, experience, and training. Some of this training and experience consists of Disaster Animal Response Team (DART) and Emergency Animal Sheltering (EAS) from the Humane Society of the United States; Pet First Aid/CPR; training with Delta Society in animal–assisted therapy; training with HOPE Animal–Assisted Crisis Response; training in sheltering, first aid/CPR, search and rescue, hazard mitigation, communications, the Incident Command System, and the National Incident Management System through their local Community Emergency Response Team organizations; Red Cross training; participation in disaster drills, volunteering at the Lamar–Dixon pet shelter in Louisiana, and rescuing animals with the Louisiana SPCA after Hurricanes Katrina and Rita.

Please take a few minutes to review this information, get your family and neighbors together, and put your plan in place before a disaster strikes. Remember, planning ahead is the key to keeping both yourself and your companion animals safe during a disaster

Irvine Animal Care Center Travels
to Escondido to help a local shelter!

For the past several days, we've been in close contact with the Escondido Humane Society. This shelter has been overwhelmed with the amount of animals that have been turned in by families in the local communities that have had to evacuate the area.

Yesterday, the Escondido Humane Society contacted the shelter and requested help. Escondido Humane Society asked the Irvine Animal Care Shelter to take in some of their strays and adoptable dogs since they are stretched for kennels, resources and staff.

Today, four staff members from the Irvine Animal Shelter traveled to Escondido. We have taken in 20 great dogs of all sizes and breeds and these dogs are currently available for adoption at our shelter.

We're desperate for foster homes! Dogs displaced by fires need your help!:

The fires raging through Southern California are causing homeowners and animal shelters to evacuate their animals to keep them safe. GSROC has been asked to help alleviate the pressure on the animal shelters by bringing in as many shepherds as we can. We are also getting many calls about dogs founds stray, displaced by the fires. In a crisis like this, we want to be able to help as many dogs as possible but we need your help too.

Foster homes are desperately needed to take in dogs that are waiting for their forever homes so that we can make room for more of the "fire dogs." German Shepherd Rescue of OC pays for food, toys and approved veterinary care. You provide a safe haven, love and leadership. Fostering is a wonderful way for you to make a difference for a dog, for our rescue, and right now, for the local community. Please contact Debbie at Berrysheetmetal@aol.com to learn how you can be a part of our dedicated team.

You can complete a Foster Home Application at the website.

MISSION
We are working to eliminate hunger in Orange County.

STRATEGY STATEMENT
We solicit and coordinate donations, grants, fundraising, food drives, food rescue, gleaning and volunteers to supply food, education and advocacy for the hungry through non–profit partners and direct feeding programs. We constantly seek innovative and cost–effective ways to reach more people.

ST. VINCENT DE PAUL
Under the guidance of the Council of Orange, Society of St. Vincent de Paul, the Food Bank began providing food for the hungry in October 1983. Since 1983, the Food Bank has provided more than 217 million pounds of donated and surplus food to local charities.

MEMBER AGENCIES
The Food Bank currently serves 390 member charities that reach the hungry, including church pantries, shelters, senior centers, rehabilitation centers, homes for abused women and children and many other emergency assistance organizations.

CLIENTS
In partnership with 390 member charities, the Food Bank helps feed an average of 200,000 individuals each month. Those served include the working poor, children, seniors on fixed incomes, single parents, the disabled, the homeless and individuals experiencing medical emergencies or recent job layoffs.

FOOD SOURCES
The primary work of the Food Bank is acquiring and distributing donated and surplus food. Food sources include local grocery stores and supermarket chains, food manufacturers and distributors, the government, restaurants, trade shows, gleaning efforts, food drives and private individuals. Need food? Email us at agency@FeedOC.org or call toll free 888–449–FOOD(3663). We will need your address in order to direct you to a nearby agency.

EFFICIENCY
Each dollar donated provides about $12 worth of food to the hungry in our community.*

Second Havest Food Bank is a 501[c]3 nonprofit organization. Our Board of Directors, Advisory Board and Event Committee members volunteer their time to serve the needs of Second Harvest and the hungry in Orange County without pay.

The Associates Group for Affordable Housing, Inc. is very pleased to have been asked to establish the Oakridge Fire Victim's Fund for the victims of last month's devastating Sayre Fire in Sylmar, California. The fund has been established with donations from local churches and individuals, and seeks to help those victims living in the Oakridge Mobile Home Park. If you wish to make donations to the fund, please contact The Associates Group for Affordable Housing, Inc. at (949) 492–9970.

The Associates Group for Affordable Housing, Inc. (TAG) was formed in 1988. The initial purpose of the corporation was to educate mobilehome park residents as to how they might purchase the parks in which they reside. TAG actively participated with many hundreds of resident groups, providing training and advice as to the potential for a park purchase. More recently, TAG has bee involved with the acquisition of several manufactured housing communities to be held and in some cases subdivided and sold to the residents to preserve affordable housing stock.

TAG has surronded itself with a number of very competent people, both on its board of directors as well as its advisory board, and is dedicated to the preservation of affordable housing through the use of factory constructed housing.

If you would like to apply for assistance from the Oakridge Fire Victims Fund, please download and print out this form and fax it back to The Associates Group for Affordable Housing at 949–492–3697. Alternatively, you can can fill out the online form and submit your application immediately.

Release No. 19

Summary of Orange County Red Cross Response to Recent Fires

Santa Ana, Calif. – Following is a recap of American Red Cross services provided by the Orange County Chapter during the recent fires:

Four shelters were opened in three locations (Lakeview Senior Center, El Toro High School, El Modena High School)
Our remaining shelter (El Modena) was closed on Nov. 3 after the Orange County Fire Authority lifted evacuation orders for canyon areas
1,250 overnight stays were provided to displaced residents
4,800 meals were served (many of which were generously donated from restaurants in Orange County)
More than 300 volunteers participated in relief efforts
Orange County Social Services Agency provided some workers to help staff our shelters
Grainger and Standard Pacific Homes, partners in the Red Cross ?Ready When the Time Comes? program, provided volunteers to complete our disaster assessment.
The Chapter emergency operations center operated almost continually from Oct. 23 through Nov. 3
More than $1 million towards wildfire relief was raised by the Orange County Chapter, including $333,000 at a Honda Center fundraiser
The American Red Cross of Orange County continues to provide assistance to those who were affected by the fire.

For those Orange County families with homes damagedor destroyed by the Santiago fire, Red Cross client services are available from 9:00 a.m. to 5:00 p.m. at the Orange County Red Cross (601 N. Golden Circle Dr., Santa Ana , CA 92705 ? George Chitty Building.) Those affected are requested to call prior to coming in at 714/481–5300 (M–F, 8:30 a.m.–5:00 p.m.)

For more information, visit www.oc–redcross.org or contact the Orange County Red Cross at 714/481–5300.

On October 29, OperationOC opened three Local Response Centers. We are providing food, clothing, gas cards, food vouchers and case management for as long as our resources last.

The stories of need from the evacuees are many. Today, two self–employed handy men who came in for assistance had to leave their work trucks and tools behind in the fire as they were evacuated without notice and thus had their work interrupted and pay stopped.

A young woman came in yesterday with her baby. She had been living at her boyfriend's home in the canyon at the time of the evacuation. Through the stress of the fires her boyfriend left her and the baby to fend for themselves. She came to us in need of baby supplies, clothes for herself (she was wearing men's clothes someone gave her) and food. When the fires are out and people are able to go home, she will still be without a home. We will continue to work with her at OperationOC.

We continue to be in need of funding to provide these services to our evacuees. We are asking for help from our funding partners. If you can help with funding, please call Jim Palmer at (714) 247–4301.

OperationOC is Orange County's collaborative private/public partnership which has been re–activated to meet the needs of the Evacuees of the Fires Ravaging Southern California, involving more than twenty fires throughout the Counties of Orange, Los Angeles, San Diego, and the Inland Empire.

Led by the Orange County Rescue Mission, OperationOC has these non–profits as its partners.

Our current needs are non–perishable food items, grocery gift certificates, fast food certificates and gas cards. Please drop these items off at the Orange County Rescue Mission between 8:00 AM to 6:00 PM Monday through Friday, at One Hope Drive, Tustin, California, 92782. Additional information is available by calling (714) 247–4300.

If you are in need of help, please contact us at 714.455.4209 or email us at tanyam@ylfc.org.

IMMEDIATE NEED

Sand Bag Project – Volunteers Needed!
Saturday, November 22nd from 8:00 am to Noon
Corner of San Antonio and Yorba Linda Blvd.

The City of Yorba Linda has asked that anyone who is available between the hours of 8:00 am and Noon please report to the corner of Yorba Linda Blvd and San Antonio to help sand bag the steep slope that to protect the houses as we expect rain by Wednesday. You just have to show up with work clothes and gloves!

CAN YOU PROVIDE HELP?

As we seek to come around the victims of this weekend's fires, we as a church, are banding together to provide support to those in need. If you are able to assist in any of the following ways, please contact Tanya Modica at tanyam@ylfc.org immediately:
Provide housing for displaced families

Providing supplies such as new clothing, food (only accepting gift cards) or financial assistance. You can make checks payable to "Friends Church" and put in the memo section: "Community Impact: Disaster Relief" and send those "Attention Tanya Modica."

–Provide Legal, Insurance, Counseling assistance
–Volunteer your time
–Provide us with information on families who have lost their homes

Gift Cards: Many victims need clothing, food, etc. We are accepting any type of gift card to help those in need. You can mail or drop gift cards off at the Church Office and send them "Attention: Tanya Modica."

Thanksgiving Dinner at the Summit House: We have had an overwhelming response of those of you who have offered to help with this dinner. THANK YOU! We are no longer in need of additional helpers in this area.

Putting Yard Signs around the city and at actual homes that have been lost. Here are the different ways you can be involved:

Groups: We would like to have people go out in groups with those who are able to help assess needs and console family members if they are on site, those who can put up the yard signs, and if possible, those who can take photos.

Individuals: We need people who can go out and place yard signs on corners and along streets to help get the word out to the community. **Those signs can be picked up at the church office (you will need a hammer and a staple gun). Please let us know by emailing us back the days/times you are available, your name, and contact information.

Flyers: We would like people to take a hand full of flyers and go to some of the surrounding Hotels/Motels and see if if they can hand them out to those families that might be staying there. The biggest part to emphasize would be the Thanksgiving Dinner we will be hosting next Wednesday, November 26th from 4:00–6:00pm on our church campus.

IMMEDIATE NEED: We are assembling Care Packages with the following stuff to be taken to homes:

Shovels
Gloves
Water
Box sifters
Masks
Snack bars

If you are aware of any individuals or families in need of counseling, please have them contact Ken Schemmer at kens@ylfc.org.

These are difficult times for everyone, with some devastated by the effects. It is in these times that it is so important for us to turn to our Father for the comfort, direction and peace so many are desperately seeking. We will all continue to lift this situation up in prayer and trust in the sovereignty of our Lord!

Canyon Watch

Canyon Watch consists of 63 volunteers from Silverado, Modjeska and Trabuco canyons who patrol their neighborhoods during high risk circumstances, such as Santa Ana winds or dangerous fire conditions. Easily identifiable by their green vests and marked vehicles, Canyon Watch volunteers patrol in pairs on two–hour shifts. They look for arsonists, people smoking, and other potential hazards. They also help during incidents such as power outages and car accidents. They patrol every Fourth of July.

Canyon Watch members communicate via GMRS radios; volunteers who receive two hours of training can use the radios. Signals are transmitted by repeaters in each of the canyons. Non–Canyon Watch members can find out what's happening during patrols by tuning into Channel 16 or 20 on a hand–held radio (FRS or Family Radio Service). Canyon Watch also helps with parking at large community events such as the Treehuggers Ball and the annual Country Fair.

Wildfire Volunteer Information

Many people want to volunteer in response to the fires burning in Orange County. The most important thing you can do is not self–deploy to a fire–affected area, shelter or other area where fire response or recovery is taking place. Trained first–responders are handling the first wave of need. The best way for you to help is to sign up for our email alerts and if the call goes out for volunteers, we will notify you.
