Washington Interfaith Disaster Recovery Organization (WIDRO) is a network of faith–based groups committed to collaboratively maximizing the deployment of our respective resources when responding to Washington State disasters.

WIDRO provides an essential and primary link for communicating key information and guidance among faith–based groups/ individuals/communities following a disaster event. WIDRO also engages in disaster related education, preparation and mitigation efforts between disaster events.

WIDRO maintains a network of people and organizations from faith based and secular organizations willing to share information, experiences, resources and strategies.

During an active disaster event and recovery activities, WIDRO will contact network partners providing services within impacted area and assess their potential capacity to respond.
