Tennessee Baptist Disaster Relief Feeding Units Activated; Assessors and Chaplains to Begin Work Next Week
May 5, 2010

Tomorrow at 10:00 a.m. the Tennessee Baptist Disaster Relief (TBDR) State Feeding Unit will arrive at Judson Baptist Church, Nashville, Tennessee, to begin preparing meals in partnership with the American Red Cross. More than 10,000 meals will be distributed to different shelters from Franklin to Gallatin to victims of the torrential rainfall and flooding last weekend.

Hardeman County TBDR Feeding Unit has been deployed to Pocahontas, Tennessee, and has already begun preparing meals. Another West Tennessee group of TBDR volunteers, who is being recruited to set up their kitchen in Jackson, Tennessee, is expected to prepare more than 7,000 meals each day.

In addition, TBDR is recruiting chaplains and assessors to begin work in mud out and flood recovery next Monday. “This was a no respecter of persons, no respecter of homes type of flood. Assessments can begin once the water begins to recede,” states David Acres, TBDR State Director.

TBDR has 14 specially trained flood recovery units (commonly called mud–out units) in the state. These units have the trained volunteers and equipment to assist homeowners in cleaning and removing damaged walls, carpets and furnishings from houses flooded with contaminated water.

A special fund has been created to assist with Disaster Relief efforts in response to this past weekend’s events. Individuals may give online or by sending a check made payable to TBC, P.O. Box 728, Brentwood, TN 37024. Be sure to include the designation “TN Floods 2010” on your check. All funds so designated will be used for victim’s assistance as described in the TBDR Designated Gift policy.

Supplies: What can we send?
The people of Haiti need you to act on your compassion and donate now. We will make sure that donated items make it to the areas most affected in and around the Hands and Feet Village.

Items immediately needed in Haiti are:
Tents, tarps, ropes, flashlights, blankets, diapers, & formula

Other needed supplies are: clothing, shoes, toys, books, nonperishable food, medical supplies

If you have mass quantities of any of these items, please send them to our collection center at the following address:

The Hands And Feet Project
1704 Old Hillsboro Rd.
Franklin, TN 37069

Please include on the shipment a manila envelope listing the contents and items included in your shipment.

A catastrophic earthquake hit Haiti a few days ago, it resulted in unfathomable devastation and death. This said, we are happy to say that our chilren are unharmed, but shaken up. Our biggest issue is that we are without supplies or food. The town of Jacmel is in very bad condition and getting worst every day without medical help, any food or supplies. No RedCross or US Aid has reached us. We are making efforts to bring in our own chartered airplanes and supplies from Miami and Dominican Republic. We have raised money, but need more. Everything helps, thank you for those that have given so generously.
