C.R.E.W. in Florida is still looking for Skilled Volunteers to help with roof repairs, flooring, drywall, some plumbing and framing. If you could get this information out we would appreciate the help. We are also in need of funds to purchase the materials

***

CREW is a caring network of Hendry and Glades Counties' civic, social services, faith–based groups and agencies, and organizations, along with concerned individuals and business, formed to address the physical, emotional, and spiritual needs of the community in the restoration and rebuilding of their lives and homes in times of natural or man–made disaster.

Hurricane recovery is tough and Wilma was devastating to our area. Our community is small and rural but proud and tough. It has been difficult to help so many victims in such a small area. We had over 600 victims in just our two counties.

In 2006 we had 237 volunteers from 8 states give a total of 5480 hours for an in kind donation of $101,380.00. We also were able to close 308 cases by either meeting their needs or finding other agencies that could. We have over another 300 cases that still need help.

You can donate to CREW as well, we survive totally on grants and donations, we really need funds for basic operating costs, as well as supplies and funds to make the repairs on homes destroyed by Hurricane Wilma and other natural and man made disasters.

Feel free to safely donate, we are registered with the Department of Consumer Services, Registration # CH22174.

We need office equipment, such as copier, desks, chairs and locking filing cabinets.

This is the MDS Update for September 2020

Early Response to Hurricane Laura
Project Director and two supporting Leadership Volunteers throughout the fall 2020 months. Specific dates, duties, and location are still developing.

We expect to begin scheduling Leadership Volunteers from our winter 2021 waitlist beginning in early October.

https://mds.mennonite.net/mds–response–to–hurricane–laura/

NOTE: Given the COVID–19 pandemic, MDS has put into place some requirements for how projects will operate in the coming months. These include some additional health & safety practices to ensure the health & safety of our volunteers, clients, and community partners. The specific practices will be put into place at each project and may be updated as recommendations and regulations change. Due to the closure of the U.S./Canadian border, the Canadian government travel advisory against travel to the U.S., and uncertainty about insurance coverage for COVID–19–related medical costs, MDS Canada is currently not sending or supporting volunteers serving in the U.S. We continue to evaluate this situation and look forward to the day when Canadians can again serve on U.S. projects.

This is the MDS Update for July 26, 2012

CURRENT NEEDS
Begin planning now for a short or long–term assignment this fall. Volunteers will be needed in Bastrop, TX, Birmingham, AL, Cordova, AL, Joplin, MO, Minot, ND and West Liberty, KY beginning in October.

Nationwide volunteer opportunities on this site in response to disaster

Ministry Regions
A Decentralized Approach
At the SBC of Virginia, we believe strongly that having a local missionary in the area, working hand–in–hand with God's people, will have a far more meaningful impact on the spread of the Gospel than we could hope to provide from a central location. Because of this, we've divided our state into five ministry regions, each having dedicated church planting strategists and church health strategists to assist local churches with their individual needs.

Our five ministry regions are as follows:

North
Serving the region
in and around the Shennandoah Valley, Northern Virginia, and Greater DC

Central–East
Serving the region
in and around Greater Richmond, the Piedmont, and the Northern Neck

Central–West
Serving the region
in and around the Roanoke Valley, Greater Lynchburg, and the Southside
~~~~~~~~~~~~~~~~~~~~~~

Southeast
Serving the region
in and around Hampton Roads and the Eastern Shore

Southwest
Serving the region
in and around Appalachia, the Highlands, and the New River Valley
The Southwest Region includes the following counties:

Bland, Buchanan, Bristol, Carroll, Dickenson, Floyd,
Galax, Giles, Grayson, Lee, Montgomery, Norton, Patrick, Pulaski,
Radford, Russell, Scott, Smyth, Tazewell, Washington, Wise, Wythe

Rebuilding the Gulf
There are many volunteer opportunities throughout the Gulf Region. Churches may contact the following numbers directly if they desire to serve. It is requested that if you take a long term rebuild trip, to please contact Mark Gauthier at mgauthier@sbcv.org upon your return to report that the good news might be shared.

Choose your state. Choose the button for whatever storm you are interested in. Note that it may be under "Emergency Declarations", the second set of declarations, or scroll down to see all lists. Then choose the button for "designated counties" to see if your county is there. Note the box on the right hand and choose the "tab" for "individual assistance" to see if your county is qualified to receive federal funds for individuals. Note that "Category B" declarations usually don't have any funds available for individuals. Only for towns and cities.

resources

Documents and photos that can be used to help plan a volunteer work trip, organize a long–term recovery committee, plan a church service and more. Some files come from our denominational disaster relief partners who are well–versed in the field. Others come from churches who have found themselves in the middle of a disaster recovery. In each case, the resources are given to be shared with as many people as possible in the hopes of helping anyone who might be thinking more about the disaster relief process and how they can be involved.

Note by virtual volunteer entering this data:

Subscribe so you are able to keep updated. In the past 1 1/2, since I myself subscribed to this service, I have been SHOCKED that disasters striking our communities, STILL need volunteers so long afterwards. It is an education!!

Being PREPARED is the BEST help~~ FIND your local emergency agency and ask about training in your area. You could be the one to make a difference for your family, neighbors & friends.
