Church Aid to Help Brazilians in Wake of Floods and Landslides

Incessant rain over the past two weeks has triggered fatal landslides and flooding in areas around Rio de Janeiro and São Paulo. Leaders of The Church of Jesus Christ of Latter-day Saints have approved funds to purchase large quantities of tarps, blankets, basic food, hygiene kits and especially clean drinking water for those affected by the devastating floods in Brazil.

...
The Church of Jesus Christ of Latter-day Saints reports that all its missionaries serving in the affected regions are safe and accounted for. At least 125 Church members have lost their homes; 75 of these are being sheltered in the Teresópolis meetinghouse.

Church leaders are attending to the needs of displaced members, coordinating community response efforts with the Civil Defense and the Red Cross and are monitoring the changing situation.

Service Temporary

This tool is amazing for weather watchers. Very good mapping resource, with alerts posted for tornado touchdowns. Includes Ham Radio reports, etc. Now includes streamed loop so you can see the storms move across time.

Pan by holding your mouse button down. Click twice to zoom to street level and see specific reporting data.
