FROM THE SITE 10/27/12 (LTel)

From the Desk of:
Gary LeBlanc, Mercy Chefs

Dear Facebok Friends,

A quick update to let you know that our Mercy Chefs team is closely monitoring Hurricane Sandy which is now expected to make landfall along the I-95 Northeast corridor.

The storm could impact 65-70 million people, with millions losing power. Throughout the weekend, I will be in close contact with state emergency management officials as well as our ministry partners to ensure that Mercy Chefs can provide relief as needed to the hardest hit areas.

Tomorrow, we will begin moving Mercy Chefs resources into Virginia. This will allow us to respond to the earliest

possible impact while putting us within hours of reaching almost anywhere along the northeast corridor.

If this storm takes the track now projected, we could witness a very serious emergency event impacting the most densely populated region in the entire nation. There is even the possibility of heavy snow on the back side of the storm. This could result in massive power outages inland as well as in coastal regions.

BE PREPARED!

If you live along the northeast corridor, I cannot emphasize enough how important it is to be prepared. Storms of this magnitude can be extremely dangerous. And once power is lost, the world changes dramatically. FEMA has many useful resources posted, including emergency kit checklists. Go here:

http://www.ready.gov/hurricanes

I will be sending you email updates as events warrant. The fastest way to get the latest information from Mercy Chefs is to through our Facebook page.

Finally, thank you so much for your prayers and support. I am so grateful for friends like you who make it possible for our team to provide the comfort of a hot meal to those whose lives have been turned upside down by disasters.

May God bless you.

Gary LeBlanc
Founder/President
Mercy Chefs Inc.

P.S. As I noted, we are moving our kitchen resources into position and will be staged in Virginia so we can respond as quickly as possible as events warrant. Much of our expenses occur prior to deployment as we stage and equip our Mercy Chefs facilities. If you would like to make a tax–deductible gift today to help us prepare, please visit our website: www.mercychefs.com/donate
