The Operations Section is ADEM's disaster mitigation and emergency response arm. Its three work groups are: 1) the Continuity of Operations Planning (COOP) & Public/Private Partnership Group; 2) the Emergency Response Group and 3) the Mitigation Group.

Special programs group
The Continuity of Operations Planning (COOP) Unit leads a multi-agency task force to protect 130 state entities' critical business functions while the Public/Private Partnership Unit strengthens the state's emergency response capacity through cooperative training, exercises, and resource sharing with private sector entities.

THE EMERGENCY RESPONSE GROUP
Conducts all-hazards analysis and intelligence sharing to identify threats and consequences at the earliest possible opportunity. In large-scale emergencies, multi-agency coordination (MAC) functions are conducted in the State Emergency Operations Center (SEOC). The Search & Rescue (SAR) Unit supports Arizona's fifteen county sheriffs and coordinates SAR missions with federal entities such as the Air Force Rescue Coordination Center, military rescue units, and the United States National Park Service. In a cooperative effort with the Arizona State Forestry Division, an all-hazard Incident Management Team responds to manage on-scene incidents that exceed a local jurisdiction's capacity.

THE MITIGATION GROUP
Reduces and/or eliminates the impact of future disasters by administering five pre- and post-disaster mitigation grant programs which provide funding for projects with a good benefit-cost ratio. The Mitigation Group coordinates and assists state, local, and tribal governments, along with communities across the border (with hazards which affect Arizona), in developing multi-hazard mitigation plans. These plans identify the hazards, vulnerabilities and risks in a community and assist in developing strategies to mitigate those risks. The plans are a requirement in order to remain eligible to receive specific disaster assistance under the Stafford Act. The Mitigation Group also provides education and outreach to local officials, emergency managers, and others.

North County Fire – C.E.R.T.

Info/Hotline · Open

Fallbrook, CA

Web northcountycert.com
Serves Fallbrook, Palomar, Rainbow Areas
Eligibility Impacted by the 2007 SoCal Wildfires
Service Temporary

FROM THE WEBSITE:

CERT volunteers are contributing to the post–fire relief effort by going into the neighborhoods handing out donated items like rakes, shovels, brooms, and sifters. Prior to clean–up CERT members cooked meals for firefighters and law enforcement still fighting fires and manning roadblocks. North County Fire Protection District spokesman, John Buchanan, said the volunteer team has been particularly helpful in assisting fire victims, the American Red Cross, and other emergency relief agencies.

The recent Santa Ana–driven fires, which forced nearly the entire town of Fallbrook to evacuate, fanned across the community so fast and became so dangerous that team members could not be officially activated. Many team members themselves were subject to the mandatory evacuation orders.

To Volunteer and/or Contribute contact:

Mike Crain – Section Chief Planning
Phone: (760) 723–7293 or (760) 803–6550

Hansen Dam Park & Rec. Area – Station Wildfire Incident Command Center

Info/Hotline · Standby

Various
11770 Foothill Blvd., Lake View Terrace, CA 91342

Serves La Canada–Flintridge, Alta Dena, Angeles National Forest, Los Angeles County, California
Eligibility Station Wildfire Incident
Service Temporary

This is the same site utilized as the Incident Command Center for the Sayre and Marek Wildfires and is now being used for the Station Wildfire 8/09.

Local County Fire Departments and firefighters from all over the state of California, Los Angeles County Sherriff's, L.A. County Animal Services, Dept. of Forestry, Utility companies, Conservation Corp., OES, Disaster Communications and many more entities are present and efficiently established.

It's an impressive and orderly sight to see. State of the art technology and equipment is in place to support fire fighting efforts, several hand washing stations and showers are set up. A large kitchen is available with covered eating area, plenty of outdoor bathrooms and small tents are in place.

The mood is calm and deliberate.

CURE (Christians United to Respond in Emergencies – A Division of Christians in 1 Accord)

Info/Hotline · Open

Faith–Based, Non–Profit, Disaster Preparedness & Response
CA

Web www.christiansin1accord.org/chaplains.htm
Checks payable to CHRISTIANS IN 1 ACCORD or Follow Your Heart Fundraising
Service Temporary

Purpose of the Organization
CURE is a part of a 501c3 (Trinity Believing Christians) formed to unite churches, with the appropriate (currently accepted) training, bring awareness to their congregation and their surrounding communities and to be an integral part of the current emergency system.

We will help to take the burden off Pastors to facilitate and make available training that is already in place for disaster preparedness and participation and make sure your building is disaster ready. (NKJ Galatians 6:10 therefore, as we have opportunity, let us do good to all, especially to those who are of the household of faith).

Why CURE?

1. Your congregation will be informed and prepared and given free literature for their safety and that of their families. NKJ Phil 2: 1–4

2. Use some of these training programs as a means of outreach in your neighborhood by inviting the people to classes and distributing free literature to them showing a concern for their safety. (The Grace, Mercy and Love of God)

3. Open doors for those in the congregation to walk in their purpose as God leads––NKJ–– Ephesians 4: 2–12 for the equipping of the saints for the work of the ministry, for the edifying of the body of Christ

4. Help you be a church that is working in conjunction (more access) with the system to be used during a disaster in your area. (A viable entity for the city, county and state)

5. To be seen as unified: NKJ– Psalm 133, Acts2:1, Acts 2:24, Acts 2:46–47, Acts 1:14, Acts 5:12–14, Acts 8:6, Joshua 9:1–2, Hebrews 10–25, Matthew 12:25&30, ECC 4:9–12

6. Help you become a church that can be dispatched through the system to other regions if you desire and have the training.

7. Be part of a data base so our country will see the multitudes that we already are. We will be connected to the EOC for dispatching and information. Much more!!

Facilitate training in:

Preparedness
Awareness
Communications
CERT2/CERT3
Mass feeding
Kids in Disaster
Canteen
Sheltering Animals in Disaster
Suicide Intervention Chaplaincy credentialing
CISM (Critical Incident Stress management)
CERT
PTSD (Post Traumatic Stress Disorder)
CPR
..... and more

Community Emergency Response Team (CERT)
Colorado CERT's

Name of Program: Fremont County CERT
Geographic Area: Fremont County
Point of Contact: Steve Morrisey
Phone Number: 7192767300
E-mail address: smorr@fremontco.com
Website address: http://www.fremontco.com
Brief Description: Our mission is to raise public awareness about disaster and terrorism preparedness. Respond in time of need to request by local agencies, train citizens to help themselves and others in the event disaster strikes and help the community recover. We will offer CERT training to the community with an emphasis on the most vulnerable population such as schools and seniors.

Name of Program: Adams County CERT Program
Geographic Area: Adams County
Point of Contact: Jessica Schwarz
Phone Number: 7203221401
E-mail address: jschwarz@co.adams.co.us
Website address: http://www.co.adams.co.us/
Brief Description: Adams CERT program is sponsored by surrounding jurisdictions to teach the fundamentals of community response efforts. Jointly, our group has developed a training session that will allow our citizens the basics of emergency response and how they can assist local government during emergency situations and to become more prepared to ensure safety for themselves and their communities.

Name of Program: Federal Heights CERT Team
Geographic Area: Adams County, Federal Heights
Point of Contact: Andy Marsh
Phone Number: 3034123560
E-mail address: amarsh@ci.federal-heights.co.us
Website address: http://departments.firehouse.com/dept/FederalHeightsCO
Brief Description: The City of Federal Heights has received a grant for the establishment of a CERT team within our community during the 2003 budget year. We are presently working in concert with the Adams County Office of Emergency Management to recruit and train interested citizens. Anyone interested in applying to become a member of the Federal Heights CERT team, or seeking additional information, should contact the Federal Heights Fire Department at 303-428-3526 ext 302.

Name of Program: Brookfield Properties/Denver Community College CERT Program
Geographic Area: Denver, Downtown Denver
Point of Contact: Advantage Security
Title: n/a
Phone Number: 3035957029
E-mail address: info@advantagesecurityinc.com
Brief Description: Brookfield Properties and Denver Community College have collaberated to organize a CERT team to provide basic emergency prepraedness, disaster response, evacuation and triage for high-rise office properties in Downtown Denver. Although a new team, we have trained and graduated 50 team members during 9 weeks of training and a 2 1/2 hour disaster exercise. We are preparing to conduct a second training class for approxiamtely 30-40 members in early 2004 and a thrid class in Fall, 2004.

Name of Program: City of Colorado Springs CERT
Geographic Area: Colorado Springs, CO
Point of Contact: Pauline Nelson
Phone Number: 7193855957
E–mail address: pnelson@springsgov.com
Website address: http://www.springsgov.com
Brief Description: The City of Colorado Springs Office of Emergency Management provides CERT training for citizens. Through classroom learning, hands–on training and a simulated disaster exercise, participants will learn how to help themselves, their families and their neighbors during and immediately following an emergency or disaster. For additional information,please contact our office at 719–385–5957 or cert@springsgov.com.

Name of Program: El Paso County Citizen Emergency Response Training & Community Emergency Response Team
Geographic Area: El Paso County – Colorado Springs Area
Point of Contact: Jim Reid
Title: n/a
Phone Number: 7195758400
E–mail address: cert@elpasoco.com
Website address: http://shr.elpasoco.com/NR/exeres/C520BEC4–189B–4BB9–AFA2–C457D2935918,frameless.htm
Brief Description: The El Paso County Sheriff's Office CERT program is offered as basic emergency preparedness training for citizen awareness (citizen emergency response training) and a formal response team (Community Emergency Response Team). The team members are approved volunteers with the Sheriff's Office and most are certified Train–the–Trainers. Teen CERT is also supported by the Emergency Services Division of the Sheriff's Office. Teen CERT is based on the formal CERT curriculum taught to high school students. For more information, please contact Haley Rich, Emergency Preparedness Planner at (719) 575–8418.

Name of Program: Englewood CERT
Geographic Area: Englewood
Point of Contact: Willie Ortiz
Phone Number: 3037622479
E–mail address: wortiz@englewoodgov.org
Brief Description: The Englewood CERT program provides education and response training designed to give citizens the knowledge, skill, and experience necessary to help themselves and their community followed a major emergency or disaster until emergency responders are able to assist. The program is also part of the local vocational school curriculum for students in the Medical Preparation Program (grades 11&12). This program emphasizes personal skills development.

Name of Program: Logan County CERT
Geographic Area: Logan County, Sterling City
Point of Contact: Jon Rosenlund
Phone Number: 9705229700
E–mail address: rosenlund@sterlingcolo.com
Brief Description: We are a brand new team consisting of citizens, educators, and businesses working together to form this area's first CERT team.

Name of Program: Mesa County RSVP – CERT
Geographic Area: Mesa County, Grand Junction
Point of Contact:
Title: n/a
Phone Number: 9702439839
E–mail address: hd_project@rsvpgrandjunction.org
Brief Description: The Community Emergency Response Teams that are sponsored by the Mesa County Retired And Senior Volunteer Program are comprised of men and women age 55 and older. These teams are known locally as the "Senior CERTS." They have all received 24 hours of initial training; and they meet for three hours each month to maintain skills, take advanced training and execute special projects. The Senior CERTS are trying to fill niches that are not being filled by other emergency personnel. Senior CERTS have been tentatively assigned to work with patient transport and tracking in local hospitals during a disaster. CERT volunteers have also developed specific plans to help with the organization of spontaneous volunteers during a disaster. Senior CERT volunteers, in cooperation with the Childcare Coalition, have developed a curriculum and emergency preparedness kits and are currently training childcare providers in emergency preparedness. In cooperation with the Center for Independence, Senior CERTS are developing specific plans to aid people with special needs during a disaster. Senior CERTS are also developing a procedure to teach seniors who are living independently emergency preparedness skills and to help supply these seniors with the materials they need to survive for 72 hours during a disaster situation.

Name of Program: Arapahoe County CERT
Geographic Area: Arapahoe County
Point of Contact: Brian McKnight
Phone Number: 7208743750
E–mail address: bmcknight@co.arapahoe.co.us

Website address: http://www.co.arapahoe.co.us
Brief Description: The Arapahoe County Sheriff's Office was recently awarded a 2003 CERT Grant. The sheriff's office is committed to educating and working with the citizens, preparing for any disaster. If you are interested in joining this elite group of volunteers, please contact the Emergency Management Coordinator.

Name of Program: City of Aurora CERT
Geographic Area: Arapahoe County, City of Aurora
Point of Contact: Stephanie Hackett
Phone Number: 3033268964
E-mail address: shackett@auroragov.org
Brief Description: The City of Aurora CERT program started in 1995. This was done in conjunction with the Aurora Fire Department Citizen's Academy. With the recent CERT grants the City's program will be offered two times a year and through special appointments for our citizens. Training will include CPR and First Aid, fire safety, and other topics relating to disaster preparedness.

Name of Program: Sugar Loaf CERT
Geographic Area: Boulder County, Sugar Loaf Fire Protection District
Point of Contact: Sally Stoffel
Title: n/a
Phone Number: 3034421050
E-mail address: chief@slfpd.org
Website address: http://www.slfpd.org
Brief Description: New CERT in the process of being organized. The Sugar Loaf community is located west of the city of Boulder in a rural mountain fire district covering 19 square miles of forested wildland interfacing with pockets of residential areas.

Name of Program: Custer County CERT
Geographic Area: South Central Region
Point of Contact: Christe Feldemann
Phone Number: 7193714212
E-mail address: ccoem@centurytel.net
Website address: http://www.custercountygov.com/
Brief Description: We are a small group in rural Colorado that would like to be involved in keeping our community safe and be informed on how to react in the case of an emergency situation.

Name of Program: Clear Creek County CERT
Geographic Area: Clear Creek County
Point of Contact: Jane Thomas
Phone Number: 3036792300
E-mail address: jthomas@co.clear-creek.co.us
Brief Description: 26 active members meet on a monthly basis and are on standby to be activated by our sponsoring agency – Clear Creek Office of Emergency Management. The team's members have completed background checks, ICS 100, 200, 700, and First Aid/CPR.

Name of Program: Kit Carson County CERT Organization
Geographic Area: North East Colorado
Point of Contact: Melody Maskus
Phone Number: 7193468538
E-mail address: melody.maskus@kitcarsoncounty.org
Website address: http://epr@kitcarsoncounty.org
Brief Description: Kit Carson County CERT has 17 members, and is a part of the Kit Carson County County Health and Human Services, is being developed to help Kit Carson County, a sparsely populated county located 170 miles from Denver and bordering Kansas along I-70. Kit Carson County CERT deals with surge capacity in a local disaster, including assisting mass prophylaxis/vaccination clinics or other major public health needs. The unit is partnered with the Red Cross, VOAD, County mental health services, OEM, Citizen Corps, RSVP, MRC, and other County resources to develop a coordinated response to a disaster. It is limiting recruitment to licensed health and medical personnel, including nurses, nurse practitioners, veterinarians, pharmacists, doctors, chiropractors, physician assistants, and dentists, and other community resources in the county. This unit is recruiting members for its CERT by making presentations and/or delivering brochures to its 3 medical clinics, 1 county hospital, 1 sattelite of Morgan Community College, Citizen Corps meetings, meetings of professional organizations, mailings, health fairs, and other community gatherings. The unit has a core of about 100 volunteers and has developed a core curriculum based on the suggested CERT core competencies. These MRC volunteers will be included in exercises being planned by the Kit Carson County Health and Human Services.

Name of Program: City and County of Denver CERT
Geographic Area: Denver
Point of Contact: Caroyln Bluhm
Phone Number: 7208657698
E-mail address: carolyn.bluhm@ci.dever.co.us

Website address: http://www.denvergov.org/Default.aspx?alias=www.denvergov.org/oem
Brief Description: The Federal Emergency Management Agency, using the model created by the Los Angeles Fire Department (LAFD), the Community Emergency Response Team (CERT) concept in 1986. Since then, hundreds of communities across the United States have established their own CERT programs. The City and County of Denver, Mayor's Office of Emergency Management is using the LAFD model to develop Citizen Emergency Response Training as a partnering effort between emergency services and the people they serve. The goal is for emergency personnel to train citizens of our community in basic preparedness and skills. If a disastrous event overwhelms or delays the community's professional response, citizens can better protect themselves by applying the preparedness skills that they learned during training. These skills can help save and sustain their lives following a disaster until help arrives. CERT skills also apply to daily emergencies.

Name of Program: Pueblo Teen SERT
Geographic Area: Pueblo West High School
Point of Contact: Pat Smith
Phone Number: 7195478050
E-mail address: psmith@district70.org
Brief Description: Required School based CERT program with expanded training and volunteer participation. 45 hour course with a full scale exercise at completion.

Name of Program: Heritage Eagle Bend Incident Command System
Geographic Area: 80016
Point of Contact: Bill Lane
Phone Number: 3034009474
E-mail address: twobadgers48@comcast.net
Website address: http://www.heritageeaglebend.com
Brief Description: The private community of Heritage Eagle Bend(HEB)in Aurora, Colorado, has 3 CERT teams as an integral part of their Incident Command System (ICS). Each team is comprised of 4-5 CERT trained volunteers with a team lead and an assigned nurse, all residents of the community. Each team is supervised by a member of HEB's Emergency Preparedness Committee.

Name of Program: Washington County CERT
Geographic Area: Washington County
Point of Contact: Michael McCaleb
Phone Number: 9705542008
E-mail address: mmccaleb@co.washington.co.us
Brief Description: We are a county based CERT program under the auspices of the OEM. We have members throughout our county. We are active in several annual planned county activities throughout the year.

Name of Program: Park County CERT
Geographic Area: Park County
Point of Contact: Brian Foltz
Phone Number: 7198364372
E-mail address: bfoltz@parkco.us
Brief Description: County wide Citizens Emergency Response Team

Name of Program: San Luis Valley CERT
Geographic Area: San Luis Valley
Point of Contact: Sue Davis
Phone Number: 7197543692
E-mail address: suedavis@gojade.org
Website address: http://www.slvcitizencorps.org
Brief Description: The San Luis Valley Citizen Corps sponsors four CERT programs in our region. They are: Forbes Park, Crestone, Saguache County, Monte Vista. These programs cover about half of our region. Our goal is to train a CERT team in each of the six counties of the region. We have three counties covered currently.

Name of Program: Regional Transportation District – Denver
Geographic Area: Metro Denver
Point of Contact: John Tarbert
Phone Number: 3032992379
E-mail address: john.tarbert@rtd-denver.com
Website address: http://www.rtd-denver.com
Brief Description: The Denver Regional Transportation District (RTD) CERT volunteers are trained for hazards that may impact the RTD transit system and its ridership. This is accomplished through training in basic response skills, such as fire safety, search and rescue, team organization, and disaster medical operations. Additional training includes how to assist law enforcement agencies in preventing terrorist attacks by being observant, recognizing suspicious and dangerous activity, and reacting to it in a safe and timely manner. RTD services an area population of 2.7 million which includes 40 municipalities in 6 counties plus 2 city/ county jurisdictions. Our goal is to train and equip a force of 500 citizens from Denver and the surrounding municipalities.

Name of Program: Quail Hollow Neighborhood CERT
Geographic Area: City of Fort Collins
Point of Contact: Heather Maloney
Phone Number: 9704162878
E–mail address: maloneyheather@yahoo.com
Website address: http://www.fcgov.com
Brief Description: CERT group which is centered in the Southwest area (Quail Hollow Neighborhood) of Fort Collins.

Name of Program: Brighton CERT
Geographic Area: Brighton Area including the Greater Brighton Fire Protection District including parts of Weld Count
Point of Contact: Rebecca Martinez
Phone Number: 3036552316
E–mail address: rmartinez@brightonco.gov
Website address: http:// www.brightonco.gov
Brief Description: The Brighton CERT team mission is to prepare, train, and coordinate individuals and communities and to integrate with Planning, Response and Recovery efforts in the local and regional area. http://www.brightoncert.org

Name of Program: Littleton CERT
Geographic Area: Littleton
Point of Contact: Mickey Kempf
Phone Number: 3038866032
E–mail address: mickey@bradfordauto.com
Website address: http://littletongov.org/police/hopProgram.asp
Brief Description: This is a yearly training program designed to ensure that Littleton citizens are safe, secure and able to respond to unforeseen incidents that could impair or diable our community.

Name of Program: City of Fort Collins
Geographic Area: Rolland Moore/Quail Hollow Neighborhoods
Point of Contact: Michael Gavin
Phone Number: 9704162878
E–mail address: migavin@poudre–fire.org
Website address: https://www.fcgov.com
Brief Description: Neighborhood CERT's

Name of Program: Rolland Moore Neighborhood CERT
Geographic Area: City of Fort Collins
Point of Contact: Howard Lauren
Phone Number: 9704162878
E–mail address: h2lauren@msn.com
Brief Description: Rolland Moore CERT is centered in the Rolland Moore Neighborhood to assist citizens and responders in that area of the community.

Name of Program: Canon City High School Teen SERT
Geographic Area: Fremont County
Point of Contact: Steve Morrisey
Phone Number: 7192767422
E–mail address: steve.morrisey@fremontco.com
Brief Description: Following the core CERT curriculum (45 hours), the Teen SERT program has three main goals: (1) to provide students with a knowledge base on the effects of disasters and their emotional, social, and economic impacts; (2) to build decision–making and problem–solving skills and strategies to help students make informed decisions regarding readiness, response and recovery and mitigation efforts to reduce loss of life and property; and (3) to provide students with hands–on training using reality–driven drills and exercises. This course also introduces students to many career options available in the service professions.

Name of Program: Douglas County CERT
Geographic Area: Douglas County
Point of Contact: Cherie Abbott
Phone Number: 3036607589
E–mail address: cabbott@dcsheriff.net

Name of Program: Belmont Emergency Response
Geographic Area: Pueblo County, COLO
Point of Contact: Hubert Johnson
Phone Number: 7194043731
E–mail address: hubertjohnson@wildblue.net

Name of Program: City of Lone Tree CERT
Geographic Area: City of Lone Tree

Point of Contact: Ted Bathauer
Phone Number: 3033398159
E–mail address: ted.bathauer@cityoflonetree.com
Website address: http://www.cityoflonetree.com/CERT
Brief Description: The City of Lone Tree Community Emergency Response Team (CERT) Program educates people about disaster preparedness for hazards that may impact their area and trains them in basic disaster response skills, such as fire safety, light search and rescue, team organization, and disaster medical operations. Using the training learned in the classroom and during exercises, CERT members can assist others in their neighborhood, workplace or other areas following an event when professional responders are not immediately available to help. CERT members also support the Lone Tree Police Department in emergency response by taking a more active role in emergency preparedness projects in the Lone Tree community.

Name of Program: Ft Lupton CERT
Geographic Area: City of Ft Lupton Co/ Weld County
Point of Contact: Maria Moll
Phone Number: 3038574011
E–mail address: mmoll@ftluptonco.gov
Brief Description: Volunteer Program for CERT members in Ft Lupton, Co.

Name of Program: Montezuma County CERT
Geographic Area: Montezuma County and Ute Mountain Ute reservation
Point of Contact: Doug Parker
Phone Number: 9705652568
E–mail address: dparker@so.montezuma.co.us
Website address: http://www.co.montezuma.co.us\emergency preparedness
Brief Description: Montezuma County CERT was organized in 2006, consisting of approximately 20 members who completed the basic CERT training. There are currently 15 active members. In 2010 we will be recruiting and training at least 10 new members. The mission statement of Montezuma County CERT: The Mission of the Montezuma County CERT is summed up as "Neighbor Helping Neighbor." Our goal is to save lives and ease the suffering that accompanies times of disaster. During a man–made or natural emergency CERT members will provide assistance to First Responders, Fire Departments, Law Enforcement agencies and the broader community. We are committed to education, training and practice to prepare ourselves and our community for such emergencies.

FROM THE WEBSITE:

BRACE – the Be Ready Alliance Coordinating For Emergencies – is a local network for linking organizations active during disasters and interested persons. BRACE brings the community together to address emergency management issues and thus helps reduce loss of life, injury, property damage, environmental impact and economic loss due to disasters. Through fostering communication, cooperation, collaboration and coordination among a partnership of private, public and non-profit organizations, BRACE will help our community become more prepared, resilient and self-sufficient.

Who We Are

BRACE launched on March 31, 2006 with more than 200 present at Pensacola Junior College when Craig Fugate, director of the Florida Division of Emergency Management, addressed a "Culture of Preparedness" and subject matter experts presented information about preparedness, response, recovery and mitigation. Recognizing that recovery from Hurricane Ivan was delayed because of the absence of an organization focused on disaster preparedness and response, the leadership of the Long Term Recovery Committee served as a catalyst for the establishment of BRACE.

Former Gov. Jeb Bush set a budgetary priority to establish a "Culture of Preparedness" to ensure Floridians and their local governments take the necessary safety measures in preparation for hurricanes.

WHO WE ARE

"BRACE's first priority is promoting personal responsibility and self-sufficiency in times of emergency," said Greg Strader, interim executive director. "This is especially critical due to the National Hurricane Center's prediction of a decade or more of frequent and intense hurricanes."

Disaster planning and preparedness enhances the effectiveness of response and speeds recovery. Engaging all sectors of the community will provide additional resources for disaster preparedness, response, recovery and mitigation.

The Mission of BRACE is to have every individual, church, business, nonprofit and civic organization involved in ensuring that our community is able to respond to and quickly recover from any type of disaster. The Escambia County Office of Emergency Management is responsible for managing emergencies, but they cannot do it alone. There are many critical services needed to address the impacts of disaster that require the involvement of community based organizations. In partnership with Escambia County Office of Emergency Management, BRACE coordinates that involvement.

The current BRACE Program of Work includes services such as promoting personal responsibility and self-sufficiency during disasters, providing childcare to first responders (emergency management personnel) and continuing life-saving services to the homebound (persons with disabilites and frail elderly) during and after a disaster.

Become a Partner with BRACE today and find out how you can make a difference. Email us at BRACE@BeReadyAlliance.org or call 850-444-7135 for more information.

DEMA offers their C.E.R.T. training course three(3) times per year. The course is free to residents of, as well as those who work within DeKalb County. The classes run nine(9) consecutive weeks and are held one night per week from 7:00 PM till 9:30 PM. The "Final Exam" is a mock disaster drill held on the Saturday following the final class date.

Our CERT course is 9 weeks in length and meets on Wednesday nights 7:00–9:30PM at the DeKalb County Fire Rescue Headquarters. Upon completion of the course, students participate in a full scale exercise where they use the skills they have learned in class. Contact Capt. Burgess for an appliction packet

New Volunteer team coming in 11/4 & first part of 12/10.

6/24/10 LTel:

Per Michelle Crombie, Vol. Coord. for ACTS World Relief they are on hiatus in Haiti until 7/17/10 when a team of 25 volunteers will arrive and be present through 8/14/10. Their final current team of 2 volunteers leaves 6/25/10.

GLOBAL: PROJECT HAITI

We are scheduling teams throughout the summer and into fall. Teams of 5–7 people for 2–4 weeks are ideal however larger groups may be accommodated with prior approval. Doctors/PAs, Nurses, Dentists, Dental Ass't, Security/EMT/Fire/ Paramedics, Psychologists, Mental Health/Social Workers, General Labor, Emotional & Spiritual, Educational and Disaster Relief Education providers are all desired and appreciated.

MISSION FEE:
Covers lodging for entire trip, two meals a day (breakfast/dinner), transportation to/from airport and in–country transportation.

* $100/person non–refundable deposit must be submitted online to secure your registration and date.
* $395/person fee paid in cash to Haiti Basecamp Director upon arrival.
* $295/person fee paid in cash to Haiti Basecamp Director upon arrival for groups of 10 or more.

For additional information on volunteering, please go to:

http://www.actswr.org/volunteer

4/10/10: ACTS World Relief chose the Citizen Action Team Relief Database to partner with to provide coordination and direction on orphanage needs in Haiti. CAT is sharing recommendations on proper orphanage assessment and preliminary phone assessment details to provide to ACTS Volunteer teams that will visit the physical sites.

Our Dedication to Haiti Continues...

* Phase I:
First two weeks: Initial deployment/disaster relief at Hopitale Adventiste and implemented feeding program for patients, volunteers and families in need.
* Phase II:
First three months: Set up community medical clinics. Sent out mobile medical teams to disaster areas & orphanages, continued the feeding program and set up dental clinic.
* Phase III:
Moved to new location. Collaboration with partners to set up Pediatric Rehabilitation & Prosthetic Training Center. Continue with mobile teams to schools and orphanages to assess medical, emotional & spiritual and structural needs. Continue hot meal program to schools and orphanges. Operate current free community medical clinic x 1–2 days/week.

Wednesday, February 10
ACTS and Operation Hope for Children of Haiti are continually amazed how things are coming together and networks and bonds are forming. We are so fortunate to work with so many teams/relief groups that we'll have to mention in a seperate post to thank them all! Here are some stats and how all of our volunteers have made a difference. Thank you!

Monday, February 1 – FROM THE WEBLOG:

ACTS and Operation Hope, an NGO of Haiti, have united in serving together. Dr. Eddy is the brother of Dr. Archer, the hospital medical director, where we began. ACTS, a long–time partner has fed 20,000 hot meals for hospital patients and refugees to date. We have helped 11,000 patients so far. Mainly mothers and children.

We are witnessing God provide the urgent medicine we need one day at a time. ACTS is averaging dispensing $300,000 in medicine per week. We distributed five truckloads of water and four truckloads of food. We have been able to save the hospital $100,000 in food costs and donated 3,500 gallons of diesel fuel for the generator. Today we provided the hospital with new badly needed ventilator. God is good! The best is yet to come.

ACTS is donating two 180x330 circus tents worth over 1 million dollars in partnership with the YMCA to create a new village for refugees. We will supply medical teams and ACTS partnership with Haitian government to provide location and logistical support for the new village.

The medical camp at Carrfour and the outpost team has treated 2200 patients in the last two days. In our partnership with Operation Hope we are serving over 1100 patients per day from all sites. We received stories from our teams in our debrief last night.

Tuesday, January 26

On January 26, 2010 ACTS World Relief began Phase II, transitioning into community outreach in Port–au–Prince, Haiti. As a part of Phase II, ACTS is helping to establish and support 50 orphanages and 5 medical clinics.

In Phase I ACTS flew in 100 medical, emotional/spiritual, search and rescue, and safety volunteers into Port–au–Prince for the purpose of identifying, assisting and stabilizing 1200 patients in need of acute medical care. Our medical professionals performed 156 orthopedic procedures and amputations. With the acute needs diminishing, Loma Linda University and Florida Hospital will take over organizing and providing long–term care for the Port–au–Prince hospital.

Many from the hospital commented “I’m truly amazed at how ACTS is able to deploy so quickly and operate with such professionalism. Our people cannot thank you enough for saving so many lives.”

Phase II includes establishing teams of general medical professionals, including PTs, those trained in spiritual/emotional care, health educators and security staff. They will provide care and support for the orphanages and medical clinics.

posted here on 1/16/10

ACTS World Relief News Flash!
ACTS World Relief is responding to the devastation in Haiti by sending in an immediate response team consisting of Physicians, Public Health, Construction, Spiritual and Emotional Care and Logistics Team Leaders on Monday January 18. A smaller team will arrive on January 16. We are scheduled to meet with the President and lay out plans for both immediate and long– term recovery. ACTS is collaborating with key leaders in World Vision. Medical supplies are urgently needed for our teams, as well as financial donations. These donations will provide life support both physically and spiritually. Call Marcia Trott for more information if you would like to become a part of a volunteer response teams 864 578–2515 or David Canther 407 625–4655, or sign up here. Please use our online donation page or send donations to:

The impending threat of Hurricane Irene to the eastern coast of North Carolina and the Eastern US Seaboard has caused Hearts With Hands™ to alert all volunteers to contact Hearts With Hands™ immediately at (855) 435–7494 in preparation for possible mobilization. Due to responses to tornadoes throughout the country, Hearts with Hands™ is critically low on food and relief supplies and is collecting these supplies to send to hurricane victims as well. Bill Bradley, Executive Director of Hearts With Hands stated, “We are requesting that all of our volunteers call the office and let us know of their availability for the next couple of weeks or so. We are also activating all of our teams throughout North Carolina, South Carolina, and Florida for possible deployment. We have also extended our hours of operation at the warehouse on Sand Hill Road to accommodate those who may want to drop off supplies after work to 7:00 pm, Wednesday, Thursday, and Friday. We will make a determination later as to weekend hours.
Hearts With Hands™ needs the following items:

• Non–perishable Food Items/Convenience Foods
• Flashlights/Batteries
• Bottled Water

Info/Hotline · Open

Community Emergency Response Team
Hillsboro, OR

Phone Mitch at 503–681–5266
Web www.hillsborocert.org
Service Temporary

CERT is taught by Hillsboro firefighters. The training is free to anyone who lives or works in the City of Hillsboro.

Get CERTified!
Register for CERT by contacting Mitch at 681–5266. Classes are held at the Ronler Acres Fire Station on NW 229th and Evergreen Pkwy. Children 14 years of age and older are welcome when accompanied by an adult.

Disaster Communications
CERT members are also encouraged to get their amateur radio license to assist in disaster communications. Good news – amateur radio is not just for nerds anymore! There is no Morse Code requirement for an entry–level "ham" license – just a multiple–choice test on basic electronics, FCC rules, and radio operations.

Our CERT program has developed its own 501(c)(3)status whose funds are to be used exclusively for training. Our group participates in numerous civic activities such as preparedness fairs, safety meetings, community gatherings, county fair, city fairs, etc. They have instituted a community outreach program focused on Map Your Neighborhood. We meet monthly for additional training and have a Spring barbecue and a Fall Awards Banquet to recognize achievements.

Details of program:
http://www.citizencorps.gov/cc/showCert.do?cert&id=43708

Supplemental Training
Supplemental training conducted, recommended, and/or required for CERT members:
•IS–100.a Introduction to Incident Command System (ICS)
•IS–200.a ICS for Single Resources
•IS–700.a National Incident Management System (NIMS), An Introduction
•Amateur radio operation
•Cardio–Pulmonary Resuscitation (CPR)
•Basic first aid
•Shelter operations/management
•Additional Search & Rescue
•Wildland/Urban interface issues

Name of Program: Yamhill County Citizen Corps
Geographic Area: Yamhill County
Point of Contact: Doug McGillivray
Phone Number: 503–434–7340
E–mail address: mcgillivrayd@ co.yamhill.or.us

Brief Description: The CERT program in Yamhill is designed to provide area residents with an opportunity to make a contribution to their community by being part of a legitimate and needed community service organization. The intent of the organization is to provide preparedness training to individuals and form those trained individuals into neighborhood teams. It is anticipated that during and immediately following a major emergency or disaster these trained individuals will look after and care for their families, evaluate the status of their neighborhood, and then if possible, be available to offer assistance to professional responders. Our members understand the value of citizen preparedness and wish to share that knowledge and expertise with others.

Our program is consistent with the National CERT program and is open to all residents over the age of 14, at no charge. Graduates are provided a modest set of equipment and an indentification card. Regional emergency service agencies are being made aware of these teams and their abilities, and the fact that they can be a vital asset in responding to a real–world event. Our program covers the entire county and our goal is to train and develop multiple teams in each of our ten cities. Once developed we will retain the teams through a program of on–going training and community involvement.

Communities under this CERT is:
Newberg/Dundee CERT

National:
The Community Emergency Response Team (CERT) program helps train people to be better prepared to respond to emergency situations in their communities. When emergencies happen, CERT members can give critical support to first responders, provide immediate assistance to victims, and organize spontaneous volunteers at a disaster site. CERT members can also help with non–emergency projects that help improve the safety of the community.

The CERT course is taught in the community by a trained team of first responders who have completed a CERT Train–the–Trainer course conducted by their state training office for emergency management, or FEMA's Emergency Management Institute (EMI), located in Emmitsburg, Maryland. CERT training includes disaster preparedness, disaster fire suppression, basic disaster medical operations, and light search and rescue operations.

Over the next two years, the CERT program aims to double the number of participants, with over 400,000 individuals completing the 20 plus hours of training. Train–the–Trainer sessions will be held in all 56 states and territories over the next year to expand the program throughout the United States.

Old History:

http://www.citizencorps.gov/cc/CertIndex.do?reportsForState&cert=&state=OR

Conclusion

CERT is about readiness, people helping people, rescuer safety, and doing the greatest good for the greatest number. CERT is a positive and realistic approach to emergency and disaster situations where citizens will be initially on their own and their actions can make a difference. Through training, citizens can manage utilities and put out small fires; treat the three killers by opening airways, controlling bleeding, and treating for shock; provide basic medical aid; search for and rescue victims safely; and organize themselves and spontaneous volunteers to be effective.

Jan. 2009: Building and Planning Department
Announcement

The Cowlitz County Department of Building and Planning is offering courtesy building inspections to property owners outside city limits that have been subjected to flood damage from the recent storm. This inspection is being offered in an effort to help people in determining if any possible health or life/fire safety issues exist before re–occupying their homes and other structures. Please contact the building department at 577–3052 with a request for an inspection or for any other questions related to wells, septic systems or structures.

About Cowlitz County:

Cowlitz County is home to approximately 94,000 residents. Roughly 56% of those live in the incorporated cities of Castle Rock, Kelso, Longview, Kalama, and Woodland. The remaining 44% live in rural, unincorporated communities such as Ryderwood, Toutle, Yale, Silver Lake, Lexington, Ariel and Cougar. The county covers 1,144 square miles within the southwestern region of Washington. Once known as the “Timber Capital of the World,” Cowlitz County is home to Douglas fir, hemlock and western cedar trees which cover much of its rugged terrain. Cowlitz County still produces a large supply of logs and finished lumber for domestic and international markets, but has become more diversified. Adjacent transportation corridors including Interstate 5, the Columbia River and a major rail line have allowed Cowlitz County to access major markets throughout the world. Recently, Cowlitz County has become known for its tourist attractions and tourism has become a growing industry. The May 18, 1980 eruption of nearby Mount St. Helens forever changed the landscape and the role tourism plays as an industry in Cowlitz County

Community Emergency Response Teams (CERT)

The Community Emergency Response Team (CERT) Program educates people about disaster preparedness for hazards that may impact their area and trains them in basic disaster response skills, such as fire safety, light search and rescue, team organization, and disaster medical operations. Using the training learned in the classroom and during exercises, CERT members can assist others in their neighborhood or workplace following an event when professional responders are not immediately available to help. CERT members also are encouraged to support emergency response agencies by taking a more active role in emergency preparedness projects in their community.

Locate a CERT Program in your community using our State Directory:
