Samaritan's Purse Disaster Relief Unit deployed to the Trussville area.

FROM THE SITE:

April 29, 2011
Alabama Tornado Response

Samaritan’s Purse is helping victims of the violent storms that ripped through the state

Samaritan’s Purse has workers and equipment in Alabama to help victims of a series of violent tornadoes that pummeled the state Wednesday.

We have deployed two of our Disaster Relief Units, tractor–trailers fully stocked with emergency tools and supplies, to serve as command posts for staff and volunteers in the hardest hit areas. One unit is based at Garywood Assembly of God in Bessemer, about 12 miles southwest of Birmingham, and another is being set up in Tuscaloosa today.

“Authorities here have opened the doors and given us the ability to do what we've been called here to do, and to get volunteers in here and allow them to bless people and give them hope in what looks like a hopeless situation to them,” said Rick Cobb, who is leading our team in the Birmingham area.

Our staff is mobilizing volunteers to begin removing debris, making emergency repairs on houses, and demonstrating God’s care and concern to tornado victims.

“There were blocks and blocks wiped out, trees just snapped off and stripped,” Cobb said. “It's just total devastation. People will have to completely start over.”

The severe storms Wednesday spawned tornadoes and winds that wiped out homes and businesses across Mississippi, Alabama, Tennessee, Georgia, and Virginia. Entire towns were leveled, and hundreds of thousands of people were without power. At least 297 people were killed, including 210 in Alabama.

The National Weather Service received reports of more than 150 tornadoes around the regions, including 66 in Alabama and 38 in Mississippi. The worst tornado outbreak in U.S. history occurred in April 1974, when 148 twisters touched down in 13 states over a 16–hour period.

The loss of life is the greatest from an outbreak of U.S. tornadoes since April 1974, when the weather service said 315 people were killed by a storm that swept across 13 Southern and Midwestern states.

WAYS YOU CAN HELP
PRAY:

For the people affected by the storms.
That God would direct our staff to where we are most needed.
That God would be glorified through our work.

GIVE:

Go to the site to help provide the resources needed to help families whose homes have been damaged or destroyed.

GET INVOLVED:

Samaritan's Purse will schedule volunteers to help with this response. More details will be made available as we determine where to work.

Services offered: Cleanup, Disaster Debris Removal, Volunteer Services; Donations, Disaster Fund; First Response Supplies/ Items * (ANY/ALL Types); Heavy Equipment, Skid Steers; Tarps; Tools * (ANY/ALL Types)

Web www.maranathachapel.org
Service Temporary

FROM THE WEBSITE:

Maranatha Chapel Volunteers are teaming up with
Samaritan's Purse and Billy Graham Rapid Response
team to offer assistance to those in need.

If you or someone you know has suffered a loss in
the recent fires, we can help:

DISASTER SITE CLEANUP:

1). Samaritan's Purse Work Crews offer no–red–tape assistance to help homeowners sift through ash, recover belongings, clean up debris along with tree removal and chipping. Also they can supply homeowners with shovels, rakes, masks, garbage bags, safety glasses and metal garbage containers, etc.

If you are need of this sort of help, please call the homeowner hotline 858–244–2961

PROCESSING CENTER:

2). For assistance from federal, state, local, and non–profit agencies, along with several insurance companies, you can visit them all at one location in Rancho Bernardo:

Glassman Recreation Center
18448 W.Bernardo Drive
San Diego, CA 92127

If you would like to volunteer as a Fire Relief Worker with Samaritan's Purse, please go to:

http://www.maranathachapel.org/ministries/for_all/2007_fire_relief/fire_relief_volunteers.html

Many families in North County San Diego have lost their homes in the recent fires, and some have contacted us looking for potential homes to rent. We would like to help connect people who need to rent a home while they are rebuilding, with homeowners who have houses to rent.

For example, we know of at least one family who needs a five bedroom home. If you are a homeowner with an available house, please contact us with the following information:

~Size and location of home
~Type of dwelling (house, condo, duplex, etc.)
~Duration of availability (six months, one year, or?)
~Approximate amount of monthly rent

We will not give out your name and number to anyone until we have contacted you.

If you are someone in need of a home, please contact us with the following information:

~Size needed (how many bedrooms, etc.)
~How many people will live in the home, and their ages
~If you have pets and what kind
~Range of rent you can afford
~Preferred area
~How long you will need the home, if you know
~During this difficult time, people who have already suffered loss are facing price gouging and unethical business practices as some try to take advantage of a dire situation. Our desire is to help those in need find housing at fair prices to both parties involved.

Pastor Ray and the entire Maranatha Chapel staff would like to extend our concern for those in need and our condolences for those suffering loss. We are here to help!

You can contact us at: jessica.hawkins@maranathachapel.org

God bless you!

OLD NOTES from 2007 Storms:

Billy Graham Avangestic has a table at the ARC DRC with applications and they can help people fill them out.
So people can apply for aid with the other groups (ARC, FEMA, etc) and can also apply for assistance with Samaritan's Purse.

Website:

Samaritans Purse was on the ground immediately after the storm, working with state emergency management officials, the mayor of Americus, and local authorities to assess

the damage and coordinate an effective response. We have mobilized one of our Disaster Relief Units, a tractor–trailer filled with supplies such as plastic sheeting, construction equipment, and building materials. Our team is also bringing three front–end loaders to remove trees and other debris from affected areas.

Samaritan's purse was requested and did respond to Americus, Georgia on March 1st. Mayor Barry Blount requested our assistance and described the needs as being great. The majority of work needing to be done will involve tarping homes, cutting trees and debris removal. We have local volunteers from Americus and Albany ready to assist and our volunteers from GA and FL are on standby. Once the base is established we will begin receiving the volunteers. We have already received work orders from families requesting assistance.

Luther's report, as of 3/6: 93 volunteers in 2 days. 26 jobs completed. 69 pending jobs.

Douglas Disaster Recovery Community Partner
Meeting Notes Wednesday– September 30, 2009
9:00–11:00am United Way in Douglas County

Billy Graham: Emotional/Spiritual Care can call 678–202–5974

September 29 — They are trained to listen with sensitivity and help with practical needs. Along the way, Rapid Response Team chaplains end up showing the love of Christ and, many times, lives touched by tragedy are forever changed.

This week, for example, Billy Graham Rapid Response Team (RRT) chaplains are ministering in suburbs west of Atlanta that were hard hit by recent flooding. Walking from home to home, they will stop and just listen to a homeowner in pain. Or, they will simply sit next to someone who has lost everything. Then they ask the person if they can pray.

Sometimes, a person will pray to accept Christ, but that is not a goal. The chaplains will share the Gospel if and when it is appropriate, but never in a manner or a time that would add to the person's stress. The chaplains learn that compassion must precede evangelism.

And that is the case in Georgia. Serving alongside volunteers from Samaritan's Purse they are now meeting with people and listening. Already, chaplains have prayed with 45 people.

Services offered: Counseling (Free or Sliding Scale) * (ANY/ALL Types of Counseling); Counseling, Post Disaster Counseling; Counseling, Spiritual

Serves Bellevue La Montagne Zone, Siloe Region (between Delmas 22 and 75), Kenscoff, Aux Cadets

Service Temporary

FROM THE SITE:
Shelter is Top Priority as Haiti's Rainy Season Nears

The establishment of temporary shelter in earthquake–affected communities remains a high priority for Food for the Hungry (FH), as the rainy season nears. Without adequate shelter, rain brings significant risks for the spread of diseases, especially among children.

Additionally, the United Nations reports that 18,000 latrines are currently needed in Port au Prince to support 900,000 people. FH is ramping up efforts to meet latrine and other sanitation needs to mitigate the spread of disease in target communities.

The communities of focus for FH's relief work are: Bellevue La Montagne, Siloe, Kenscoff and Aux Cadets. There are more than 50,000 displaced people in these communities, and more than 120,000 people are affected.

A primary goal of FH's relief work is to enable affected people to remain in their home communities as they recover from this disaster. In addition to temporary shelter and sanitation, FH efforts are focused on clean water, rubble removal, reestablishment of medical clinics and distribution of food and supplies.

FH is putting top priority on creation of "child–friendly spaces" in target communities to serve at–risk children. These spaces are designed to provide safe, structured areas for play, learning and trauma therapy.

The next six months are focused to lay the foundation for Food for the Hungry's long–term rebuilding and rehabilitation efforts in Haiti.

Food for the Hungry (FH) staff have selected two communities that were highly affected by the earthquake where they will focus their relief responses –the Bellevue La Montagne Zone where 90,000 individuals live and Siloe Region (between Delmas 22 and 75) where 20,000 individuals live. Staff members are conducting an assessment in these targeted communities today to determine the greatest area of need. FH has partnered with Samaritan's Purse to bring in some GIK provisions, which include water, community water filters, jerry cans, hygiene kits, and water purification kits. There may be a possible partnership with Global Aid Network to bring in a shipment of water purification units. FH is also in touch with its Global Relief Alliance (GRA) partners: CRWRC, World Relief, World Concern, MAP, and MTI as well as others to see if a coordinated response is appropriate.

FH is interested in hearing about other organizations doing relief WASH activities in the same communities. Please contact Julie Hettinger at jhettinger @fh.org or the FH emergency staff on the ground directly – Sara Sywulka (ssywulka @fh.org) and Leena Samuel (lsamuel @fh.org).

To read a daily blog by Tom Davis, FH's Director of Health Programs, in Haiti please go to http://fhrelief.wordpress.com.

Tom Wood
TEWood @ samaritan.org

Betsy Hall:
BLHall @ samaritan.org

11/19/10 email from Tom Wood/Sam's Purse: Bed Capacity is now 185 & we are at capacity

Email from Tom Wood: 11/11/10
Increased beds to 75 because of need.

Posted on HEAS 11/10/10

For addition to the register of available CTC's,
Samaritan's Purse has a 40 bed CTC in full operation in Bercy, Haiti. All beds full and adding more. Patients presenting for treatment are predominately children. We would like to get this facility added to the CTC list. Also, in addition to the 100 bed facility in Cite Soleil that is already registered, we opened a rehydration center on Ruelle Odiede, Pont Rouge, Cite Soleil Commune today. This facility will receive and rehydrate patients transferring those requiring treatment beyond one day on IV's on to a local CTC.

Facility TYPE/NAME: Centre Sante de la Grace de Bon Samaritain, Cazale or Cazale Cholera House

Principal Contacts (Name, Email & Phone #): Lori Moise, RN, lori @ realhopeforhaiti.org, 3782–7316

On the ground contact (Name, Email & Phone#): same as above
(Languages spoken by ground contact):english, kreyol

Supporting Organization(s)& their contact (eg. MSPP, MSF, MTI? etc.): Real Hope For Haiti

Facility Location:

Department:Ouest
Commune: Cabaret
Village/Town:Cazale
Street Address and/or directions/GPS coordinates: by the Catholic church

Days per week clinic/hosp. is open? 24/7

If you have not seen any cholera patients, do you have:

a) Educational Materials: yes
b) ORS or ingredients to make your own: yes
c) IV Ringers and supplies yes

Has your staff received any training for Cholera?: yes (from me and Samaritain's Purse)

Is your community receiving education on Cholera prevention?: yes

If you are not a CTC, how will patients get access to the nearest CTC? Bercy, by tap–tap, moto How far away is it? 45 min drive

Date began treating Cholera patients?: Nov 9, 2010
Total number of patients since that date: 1285
Total number of fatalities since that date: 5 inpt, 2 DOA
Number of Cholera patients in the last week?:79
Number of fatalities in the last week? 0
Has number of Cholera patients stabilized or is it fluctuating?: fluctuating
Number of non–cholera patients last week? 500

Bed Capacity for the entire hospital? Nutrition center – 70
Bed Capacity for Cholera patients?: 25
Bed Capacity for non–Cholera patients? Nutrition center – 70
Have you established an Isolation Unit for Cholera patients? Please describe it (indoor/outdoor, tent, cots, patients on floor, etc): all cholera ptsall in one house

What is the population of the area your facility serves: have served 109,000+ pts since opening in 1998

How many patients did you normally average in a month, BEFORE Cholera patients started arriving:clinic 3500, nutrition center – 65

Closest CTC or CTU to your facility (Please provide location): Samaritan's Purse, Bercy

How far do Cholera patients have to travel to receive treatment at your facility?: up to 6 hr walk

Average number of Cholera patients that require inpatient treatment/IV Fluids?: not sure, would have to calculate, under 60%

Medical Staffing (How many Doctors, Nurses, Non Medical Staff on hand)?: nurses (or ppl smart enough to put in IVs/give meds, not nurses, but I trained them for cholera) - 5
Education – 1
Helpers - 6
Wash - 1
Runner btwn clinic/depot and cholera house - 2
Gate/security – 3
12 hour shifts

Medical Staffing needs?:I like to hire staff from the area. Education of staff or new staff that will be hired in the future would be helpful.

Does your Facility provide Mobile Medical Clinics to the community?: no
How often?

Describe accessibility to your site (e.g. Passable roads? Helicopter Landing Pad or spot? Airstrip for small planes? Please provide conditions for air landings and GPS coordinates): have road - about 20 min from Cabaret, not sure of coordinates

What is your water source?: river, capped source
Is your water purified?yes
If so, through a holding tank or through buckets?Tanks (10,000gal/day)

Can you pick up supplies?: yes

Medical Supply needs (List by PRIORITY please): diapers (child and adult), 24angiocaths,zithromaxsusp, hygiene kits, gloves,bleach or HTH

Additional comments: We get lots of supplies from Christian Aid Ministries. They will be bringing IV fluid and other supplies on Tues. We are pushing our limits right now, but I'm not panicked or nervous. The only thing that we are totally out of is kid's diaper, but cutting adult ones and pinning them. Our 24g angios are getting low too.

7:10 PM PST from Real Hope for Haiti's facebook page:

Cholera: final count for the day was 20 new pts. 26 spending the night here. Please pray for strength for our staff, quick healing for our patients, and open ears for education for everyone.

10:40 a.m. from Real Hope for Haiti's facebook page:

"no more room in cholera house. setting up extra cots. kids sharing cots with adults. starting to refer incoming pts to a larger cholera hospital in another town"

LTEL emailed Lori Moise and Dr. Jen Halverson for update to see if any supplies are needed at this time.

Community Based Survey: Centre d'hebergement off Beudet 61 suffers water shortages, food shortages, and various public health issues.

Location
North of Carrefour Beudet and Route Lillavois
Date
Mar 31 2010

Incident Report Description
Statistics on the IDP Camp:
Population: 902 Families quantity: 150 Children Quantity: 405 Babies quantity: 26 Pregnant women quantity: 8
Affected Houses: 100 Destroyed Houses: 10

Immediate Needs and Concerns:
1–Water shortage: drinking water is contaminated, causing vaginal infections
2–Infectious disease(sore eyes, vaginal infections, diarrhea, vomit, fever
3–Mental health: people are having difficulty communicating and are otherwise behaving oddly –– "acting a fool" in response to questions.
3–food shortages

Infrastructure:
Their is need for proper piping infrastructure for the population to water their gardens. The water pump needs to be fixed.
They think they should find a way to use solar energy to make the pump work, since fuel is expensive.

Survey administered by Quartier par Quartier.

Ruelle Odiede, Pont Rouge; 18°35’18.14” N 72°19’31.81”W; GPS Coord. Confirmed by Samaritan's Purse; 18°33.770' N 72°20.294' W, Cite Soleil

Hours 12 Hours Daily
Service Temporary

On 1/6/11 Sam's Purse posted an update on their Cholera facilities correcting the PAHO list documentation on the HEAS. This site is a CTU/UTC (not a "CRO"), has a bed capacity of 20, and is called "Nazarene Clinic". The corrected GPS coordinates were also added.

ON THE PAHO/HEALTH CLUSTER 11/19/10 LIST AS A 'CRO':

CRO DEFINITION:

A center of oral rehydration (CRO) with staff non–medical in a neighborhood or camp : made the rehydrating oral and decontamination. Need for staff minimum 3 persons, including one for ensuring decontamination. Need to organise the home visit of the sick and the IEC to the community.

CONTACT:

Betsy Hall:
BLHall @ samaritan.org

SOURCE: 11/27/10 Health Cluster Bulletin #5

Samaritan’s Purse's Nazarene Rehydration Center in Cite Soleil is also serving as a training center for medical staff. At least 110 Haitian doctors and nurses have been trained in cholera treatment at the center. Construction of a new 200–bed CTC in Cite Soleil has been completed. Medical and administrative staff are preparing to begin receiving patients early next week.

Email dated 11/19/10 from Tom Wood/Sam's Purse:

* Name of facility for your CRO Pont Rouge?
Nazarene Cholera Treatment Unit, Pont Rouge Open with
20 IV beds and 80 ORS stations
* Address or GPS Coords if available? 18°35'18.14" N 72°19'31.81"W

Per Samaritan's Purse 11/11/10:

The Rehydration Center designation used by Samaritan's Purse is for those centers not in operation overnight. Rehydration is started IV and/or ORS and the patient observed. When rehydration is adequate to assure the safe discharge of the patient, they are provided a supply of ORS and released. Those patients requiring continuing care overnight are then transported to a full CTC for admission. The Rehydration Center is open 12 hours daily.

A Cholera patients care is provided under the supervision of a medical provider. One physician over 5–6 nurses who each supervise 2 medical assistants.

For now we have adequate staff and a JIT supply line.

HEAS Post 11/11/10

For addition to the register of available CTC's, Samaritan's Purse has a 40 bed CTC in full operation in Bercy, Haiti. All beds full and adding more. Patients presenting for treatment are predominately children. We would like to get this facility added to the CTC list. Also, in addition to the 100 bed facility in Cite Soleil that is already registered, we opened a rehydration center on Ruelle Odiede, Pont Rouge, Cite Soleil Commune today. This facility will receive and rehydrate patients transferring those requiring treatment beyond one day on IV's on to a local CTC.
In Him, Tom Wood

Why U.S. aid workers refuse to give up
January 13, 2011
http://edition.cnn.com/2011/LIVING/01/12/aid.workers.haiti/index.html

Excerpt –

Samaritan's Purse has also issued an urgent call for medical professionals to volunteer in Haiti.

In addition to volunteers, the group needs financial support to continue to provide medical supplies. It has sent 10 planeloads full of these supplies, but the supplies are barely keeping pace with the need.

"It can take 24 bags of IV solution, eight bags a day for three days, per person. If you then look at thousands of people affected, you can see the overwhelming need." said Melissa Strickland of Samaritan's Purse.

January 26, 2010

Helping in Unreached Areas

Samaritan’s Purse teams are beginning to deliver relief supplies to communities that have received little or no help

Samaritan's Purse teams bringing relief to earthquake victims in Haiti are beginning to work in remote areas outside Port–au–Prince where the need is tremendous, but no help has yet arrived.

After assessing needs and meeting with church leaders, we are providing emergency supplies in areas devastated by the earthquake between Leogane and Petit Goave.

We sent program managers and water engineers to set up a base of operations in Petit Goave, a small town five miles from the epicenter of the earthquake where at least 500 people died. We sent in an initial truck load of shelter materials, blankets, and hygiene kits, and distributed the materials through 30 local churches to people with the greatest needs.

A 76–year–old pastor named Lys Beauge is helping coordinate the effort. He said there are also pastors from isolated mountain communities coming to get materials. Many of them travel for hours or even days to reach Petit Goave.

“This is a wonderful thing you are doing,” Pastor Beauge said. “You are the first ones who came to help us.”

Leogane was the epicenter of the earthquake. Just about every building was flattened. There’s a large tent camp there where about 4,500 families are crammed together in makeshift shelters made out of scraps of whatever they could salvage from the wreckage. Samaritan’s Purse is distributing heavy–duty plastic and warm blankets, and gearing up to coordinate clean water, sanitation, and hygiene efforts at the camp.

Our water engineers installed a water treatment system at the Blue Ridge Children’s Home in Leogane, and we left some bags of rice, beans, and corn for the children.

In Port–au–Prince, we have established a working relationship with a large church in Cite Soleil, the poorest area of Haiti. It is also known to be the most violent place in the country, but our team was able to walk through to assess needs and meet residents without any problem.

With volunteers from our church partner, we are planning to distribute food, plastic, and other relief items to 1,000 families there on Friday.

Medical professionals working with Samaritan's Purse at Baptist Haiti Mission report that they have treated thousands of patients. We expect to continue to staff this hospital for at least the next three to four weeks. We are also assessing the need for medical brigades in remote communities.

It has been two full weeks since the earthquake, and our team reports that the situation on the ground is still desperate.

“Everybody is hungry,” said our team leader. News reports indicate that there may be as many as 300,000 children under two years of age who are suffering from malnutrition.

The latest official death toll stands at 112,250. This number is considered to be a low estimate because of the number of people still missing.

Relief items distributed by Samaritan's Purse to date include:
• 889 Hygiene Kits
• 480 Solar Flashlights
• 1,421 Blankets
• 617 Shelter Kits
• 102 Water Purification Kits
• 550 Pounds of Food to Orphanages

More flights with relief supplies continue to arrive. Also on the way is a barge loaded with heavy equipment and relief supplies that left Fort Pierce, Florida, Monday evening.

January 16, 2010
Help Arrives in Haiti

Several Samaritan’s Purse cargo planes have arrived in Haiti, and more are on the way with critically–needed relief supplies for victims of the massive earthquake that rocked the country on Tuesday.

“We’ve got more planes coming in each and every day with medicine, with equipment on board, with personnel on board,” Samaritan's Purse President Franklin Graham said. “We will have three to four flights a day now for the remainder of this week and we’ll have more next week. We’re going to have enough material for 6,000 temporary shelters by the end of next week. Water is a tremendous issue. By the end of next week we’ll be able to produce close to a half–million gallons of fresh water a day.”

The initial shipment that arrived Wednesday included shelter material, hygiene kits, and water purification kits, as well as members of our disaster response team. Three more flights with personnel and critically needed relief supplies landed Friday. Staff arriving included our team leader, two water engineers, and eight medical personnel.

Our team is comprised of veterans of many disaster responses, but even they were shocked by what they encountered when they arrived.

“The streets are full of people that have no home to go back to,” said Dr. David Gettle, medical advisor. “They’re running out of food, fuel, and water. The situation is desperate and tense, and there is tremendous suffering.”

Samaritan’s Purse deployed a disaster response team just hours after one of the strongest earthquakes to hit the Caribbean in decades to help with water, shelter, medical care, and other emergency needs.

“The damage is staggering in a nation where three out of four people live on less than $2 a day,” Graham said. “The people of Haiti need our help like never before. It is desperate. We pray for the people of Haiti, that God would comfort those that have lost so much.”

We are partnering with HCJB Global, a medical ministry out of Ecuador that has sent doctors and nurses to join our medical advisor. The Billy Graham Evangelistic Association has deployed chaplains from its Rapid Response Team to help our team meet spiritual needs.

January 13, 2010
Catastrophic Quake Hits Haiti

Samaritan’s Purse sends team, resources to help disaster victims

Samaritan’s Purse is sending a disaster assistance team to Haiti after the poorest nation in the Western Hemisphere was rocked by one of the strongest earthquakes to hit the Caribbean in decades.

Samaritan’s Purse dispatched a team just hours after the quake to help with water, shelter, medical care, and other emergency needs. We will focus on medical help, shelter, clean water, and hygiene supplies.

An initial shipment of emergency relief items including rolls of plastic shelter material, hygiene kits, and water purification kits are being loaded onto a DC–3 cargo plane to fly to Port Au Prince Wednesday.

REPORT FROM THE FIELD Go to their website to listen to a report from
our partner in the field

Staff with Baptist Haiti Mission, our local partner, report severe damage throughout the area. Power is out, and there is no water.

"It's overwhelming," said Kyrk Baker, director of operations for Baptist Haiti Mission. "We have a 100–bed hospital, and right now patients are lining the floor. There are big box vans coming in with people to see a doctor. It's just unbelievable the amount of people that are lined up trying to get basic medical care."

Baptist Haiti Mission is located in the mountains outside Port Au Prince, about 20 miles from the epicenter. The hospital and other buildings are operating on generators.

The massive 7.0 magnitude earthquake was the strongest to hit the country in 200 years and was felt as far away as Cuba. The tremor sparked widespread panic as it brought down buildings including the presidential palace, hotels, a hospital, and the UN headquarters in the capital of Haiti, Port–au–Prince

“It's really a catastrophe of major proportions,” Haiti's ambassador to the United States, Raymond Alcide Joseph, told CNN.

Thousands of people gathered in public squares late into the night, singing hymns and weeping. Many gravely injured people sat in the streets, pleading for doctors.

The death toll was expected to climb into the hundreds, but no official figure has been released so far.

“Everybody is just totally, totally freaked out and shaken,” Henry Bahn, a U.S. Department of Agriculture official visiting Haiti told the Associated Press. “The sky is just gray with dust.”

The earthquake was centered about 10 miles west of Port–au–Prince, the U.S. Geological Survey said. The quake was felt in the Dominican Republic, which shares a border with Haiti on the island of Hispaniola. Some panicked residents in the capital of Santo Domingo fled from their shaking homes.

Samaritan's Purse responded in Haiti with emergency food and shelter material in September 2008, when four major storms including Hurricane Ike slammed the Caribbean nation. We worked with Baptist Haiti Mission for that response also.

"Being able to help people in a time of need demonstrates Christ's love," Baker said.

WAYS YOU CAN HELP

PRAY:

For victims of the earthquake, and for rescue crews and other emergency workers.

For the Samaritan's Purse team that is on its way to Haiti.

For wisdom as we decide where to work.

GIVE:

Please visit our donation page to help us meet the needs of earthquake victims in Haiti.

7/19/11 Posted on HEAS from Dr. Bell
Received a call from a contact point in Mawiotie Bouret (South of Kenscoff) that a cholera outbreak has hit the remote river valley once again. This will effect many in the downstream villages of Grand Rivie and Belle Fontaine.

HEAS RESPONSE TEAM UPDATE 12/11/10:

We are moving quickly now to intercept and evaluate reporting we discovered in the Obleon – Furcy corridor by multiple locals of roughly ten fatalities each in the communities of Bel Fountaine and Mohotiere Brouette. Infection believed to have been acquired after travel to the Sequin area as opposed to PaP, however we will investigate this further. Brief stop at the Baptist Mission located between Kenscoff and Fermante indicates they've seen 8 patients total, none from these communities, no fatalities with two discharges. No patient surge noted, and the staff had not heard about the abovementioned communities.

We have teamed up with MMRC Global's Paul Sebring and the good folks from Open Hands to get on–site quickly. It is a long off–road drive with possible on–foot hiking into these areas. We have been told by locals there is zero medical support. If true, we expect to see a very bad situation, and one for which we may not be prepared with our recon team. With the multiple days of lockdown we've all experienced thanks to the demonstrations, we believe the disruption in NGO activity has contributed to a bad situation. We hope we are wrong.

I am copying PAHO ARO for their awareness of the possibility we may need immediate assistance for rapid mobilization of a CTC/CTU capability. We estimate we will be able to last 24–48 hrs on–site without support, however there is a great deal of uncertainly what we will truly find. All helo's are grounded last time we checked, so again we hope the situation is not as bad as what the locals claim.

Cheers,
Jim

FROM THE WEBSITE:

Cholera Outbreak Affects Local Churches
The recent Cholera outbreak in Haiti has brought national attention to Port–au–Prince, where more than 3,300 cases have been confirmed. Reports have come in from the rural districts where BHM serves, and cholera has struck several of our partner churches.

Local pastors reported that between 10 and 15 people have died from Cholera in their congregations, and they are seeking help to prevent more deaths.

We have already assembled basic hygiene supplies and disinfectants to help stem the spread of the disease in the affected districts.

Though international news agencies are reporting that the spread of Cholera is slowing, local pastors indicate that the rural areas where we serve are still under siege, and we are preparing for the worst.

This is the first Cholera outbreak Haiti has experienced in over 100 years, and it has left many health officials scrambling to control the spread of the disease. Basic hygiene plays a crucial role in preventing Cholera, but many impoversiehd communities, especially in the rural areas where we serve, simply don't have dependable access to supplies like bleach and other disinfectants.

We need your help to respond effectively to the Cholera outbreak and prevent needless deaths.

You'll help save lives when you contribute to our Cholera relief fund.

Hi everyone,

Please take note that we have already spoken to MSPP officials who have investigated these suspicious deaths and they have confirmed that it was caused by methanol poisoning. Unfortunately, some young children are among the 20 reported deceased.

Just wanted to advise you as we had also been following this situation closely.

Thanks for the monitoring efforts!

We just received this from the Samaritan's Purse team:

SP just did an assessment in Luly near Archaie. 4 people had died with sudden onset of blindness. We interviewed all of the family members. All victims were male adults with known alcohol problems, they all consumed homemade brews. No fever, all with vomiting, spinal and head myalgia.

Preliminary assessment is consistent with methanol.

Just to avoid chasing the same thing and duplicating valuable resources...

Samaritan's Purse works closely with the Cabaret community and Cazale and will send a team including the MSPP doctor from Cabaret to Arcahaie and Fond Baptiste to investigate this problem and report to the HEAS community. If you have further info or are already pursuing this to a definitive end please let us know as a community ASAP and offline for further discussion.

Re: 12 fatalities reported in Fond Baptiste
Wednesday, January 26, 2011 10:28 AM
From: "Jim Wilson, MD"
To: "Haiti Epidemic Advisory System" <haiti–epidemic–advisory–system@googlegroups.com>

I am in Cazale, which is up the mountain from Cabaret. The judge from Cazale just came by to discuss these rumors. He said that the people in Fond Baptiste are reporting eye pain, headache, neck pain, then blindness, and also feeling like their bones are breaking and feeling weak. They're not reporting paralysis specifically (per what he's heard). They are not reporting any vomiting or diarrhea. He stated

that at least one of the patients from Fond Baptiste was transported to the hospital in Archaiae (not sure which one) where she died. I'm not sure about any other patients (where they died).

He is rightfully worried about what the response will be in the community, both in Cazale and elsewhere. People are tired, they are scared. Cholera presented as an unknown illness that could kill within hours, and now they potentially have a new unknown illness to worry about. Per the rumors the judge is hearing, these patients are sick for about 2 days before they die.

The judge in Cazale was asking specifically about how the corpses should be handled. We advised handling them the same way they have handled people who've died from cholera.

Jen Halverson, M.D.
(currently working with Real Hope for Haiti in Cazale)

I should probably note that Caberet is unhappy with Parliament elections and there have been protests and rumored road blocks, thus getting between Archaie and Port–au–Prince on Rt 1 is well, not easy.

I don't know what secondary road options are available going to Fond Baptist from PauP...

Subject: Re: 12 fatalities reported in Fond Baptiste

There's no medical care up there. They see our docs twice a year and our community health agents frequently but they have no other support in that regard. Not good at all.

Hi Jim I just recieved a call from friends of 12 deaths of unkown causes symtoms are blindness and back pain before death

Re: 12 fatalities reported in Fond Baptiste
Wednesday, January 26, 2011 7:43 AM
From: "jesson.d
To: haiti–epidemic–advisory–system@googlegroups.com

We have reports of sudden onset of blindness, headache, and fatigue with 12 cases

Re: 12 fatalities reported in Fond Baptiste
Wednesday, January 26, 2011 7:20 AM
From: "Patrice Talleyrand"
To: haiti–epidemic–advisory–system@googlegroups.com, "Jim Wilson"

I have confirmation of this from my people there and there are currently
7 more cases with following symptoms:
Deaf and mute with pain at kidney level

Reporting is all over the map– people saying 12 fatalities, blindness,
AFP... not clear what is going on.
Jim

per the Give Love Away (Georgia, US) website: http://www.xroadschurch.net/#/outreach/give-love-away

Hands and Feet Project Orphanage
For our next give love away endeavor we want to help the children of Haiti. We are partnering with the Hands and Feet Project, an orphanage in Jacmel, Haiti. This was an area, like many, devastated by the earthquake. The Hands and Feet orphanage was established in 2005 and houses 50 children and that number grows weekly. We are collecting donations starting at $15. Donations of $25 or more will receive a free Least of These tee designed by the folks at wethekingdom.org. Give today and help change a life in Haiti!

Help for Haiti
We are partnering with two incredible organizations that are mobilizing aid and relief in the aftermath of the devistating 7.0 earthquake.

Please support our efforts at:
- Compassion International http://www.compassion.com/contribution/giving/disasterrelief.htm?referer=105910
- Samaritans Purse

WINTER JAM 2010 featuring Third Day, Newsboys, Newsong, Fireflight, Tenth Avenue North, Sidewalk Prophets, Revive & Robert Pierre To Benefit The HANDS AND FEET PROJECT in HAITI

WHEN: This Sunday, Feb. 21, 2010

TIME: 6:15pm Eastern/3:15pm Pacific

WHERE: LIVE from Sommet Center in Nashville, TN
Webcast hosted at hearitfirst.com

HOW MUCH: The stream will be FREE with a suggested donation of $5 to benefit The Hands and Feet Project

Please stand with us and send the Event Facebook Invite to your friends, email lists, Twitter followers, and Facebook fans. Let's make history

http://www.facebook.com/event.php?eid=315157546295&ref=mf

Despite these generous donations, the people of Jacmel remain in desperate need! Please consider a donation to the Hands & Feet Project going to the website and using the DONATE button. 100% of funds received during this time will be directed towards community earthquake relief.

--

IF YOU ARE HAVING DIFFICULTY DONATING ONLINE...
We are experiencing an overload on our servers due to high volume (in such a short time period)... what an AMAZING "problem" to have!

If you are having problems using our donation form, PLEASE utilize one of the following solutions:

A) Try reloading the donation page (www.hafproject.org/donate.php) in your browser.
B) Wait for a short period and then try again... or try during a less busy time -- either before 3pm or after 9pm.
C) Try donating via www.paypal.com -- click "send money" directly to info@hafproject. org
D) Use the old-fashioned route and send a check (or M.O.) to:

H&FP Earthquake Relief
PO Box 682105
Franklin, TN 37068

Haiti can use every single dollar!!

SIGN UP FOR EMAILS & UPDATES

Supplies: What can we send?
The people of Haiti need you to act on your compassion and donate now. We will make sure that donated items make it to the areas most affected in and around the Hands and Feet Village.

Items immediately needed in Haiti are:
Tents, tarps, ropes, flashlights, blankets, diapers, & formula

Other needed supplies are: clothing, shoes, toys, books, nonperishable food, medical supplies

If you have mass quantities of any of these items, please send them to our collection center at the following address:

The Hands And Feet Project
1704 Old Hillsboro Rd.
Franklin, TN 37069

Please include on the shipment a manila envelope listing the contents and items included in your shipment.

SUPPLIES ARE BEING COORDINATED via contacts in USA

WE ARE STILL SAFE!!

What a wake up call this morning!!!! Waking up to another earthquake this morning was NOT fun. We are all ok though... on edge, but ok. The 6.1 earthquake today was definitely felt here at the village. We don't know about how the town (of Jacmel) is yet. Drex has just taken some men to the airport so I am sure we will hear soon how things are.

Renee (at Grand–Goâve) wants everyone to know that "we survived the biggie again today. The office is still standing. The medical team is here and working in St. Etienne. Kevin and I are running around trying to coordinate things."

The H&FP is still bringing in relief to Jacmel!

The H&FP remains the primary organization bringing relief to our town of 50,000 people! We continue to coordinate relief flights of supplies from the States via Miami and Santo Domingo. Yesterday we received many plane–loads of vital supplies of medical and shelter supplies, as well as diapers and formula. We also received a water purification system that is capable of providing water for up to 5,000 people DAILY! Additionally, we are receiving over 10,000 packaged meals from Kids Against Hunger! (http://www.kidsagainsthunger.org/)

Services offered: Baby, Baby Formula (ANY/ALL Types); Demographic Served: Children; Demographic Served: Survivors, Natural Disaster Impacted Communities; Demographic Served: Vulnerable & Marginalized Populations; Diapers * (ANY/ALL Types/Sizes); Distribution * (ANY/ALL Types); Distribution, Supplies, Local Distribution of Supplies; Donations, Disaster Fund; Food * (ANY/ALL Types); Food Distribution, Emergency/Disaster Food Distribution; Medical, Supplies * (ANY/ALL Types) ; Sanitation, Supplies, Water Treatment/Purification/Filtration Supplies/Equipment * (ANY/ALL Types); Shelter, Supplies * (ANY/ALL Types); Water, * Bottles (ANY/ALL Types of Bottled Water)

Hospital Centre of Haitian Academy – "CHOLERA TREATEMENT CENTER – CTC"

Medical Facility · Open

GPS Coordinates: 18°41′32″N 72°21′14″W, Lafiteau
Service Temporary

Regarding question about lafiteau...Samaritan's Purse has set up a CTC in conjunction with the Haitian academy that is ready when cases appear. So far it has only been used for cases from Bercy down the road until the land for a CTC in that area could be secured. There are currently CTCs in the following areas to serve the Haitian people, staffed largely by Haitian doctors and nurses. Samaritan's Purse is trying to supply them but donations greatly welcome.

Bercy (serving Cabaret and Bercy): currently keeping 17 people it's first night. Total cases of acute, watery diarrhea in Bercy (approx 38 and 2 deaths pre–CTC). MSPP medical director of Cabaret Centre de Sante collaborating to run CTC. Samples taken but unable to be received by National Lab bc of closure Friday and weekend.

Titanyen (serving Sous Matelas, Titanyen, Lafiteau and Minotrie): ready with room for expansion – currently empty.

Two reported Cholera related deaths in Laifteau

The Centre Hospitalier de l'Academie Haitienne/Hospital Center of the Haitian Academy is on the national highway north from Port–au–Prince just before the market at Titanyen. It is easy to spot because it is right there on the highway, across from the entrance to the village of Lafiteau, near the Moulins d'Haiti.

Services offered: Medical, Facility, Cholera, Cholera Treatment Center (CTC); Medical, Facility, Hospital, Acute Care Hospital

1/23/11 PAHO/MSPP lists commune as "Bourdet" – Verification of commune needed please

1/29/11 added MSF NL as supporting org to facility name

This site is designated as a 'CTU' per the PAHO listed dated 12/6/10

CTU DEFINITION: Unit for the/Cholera (UTC): a health center, mobile clinic or hospital alone which has built a space to be able treat patients cholera, or in a tent or ente or in a house of the structure. THE UTC is able to make oral rehydration and intravenous use. Capacity 2–20 beds. Opening: at least during 12 hours. Staff : doctor, nurses, agent sanitation, health worker.

SITE POC: Mike Dockrey mdockrey @internationalmedicalcorps.org 3650 9068

12/6/10 Email from Tom Wood:

Just a note to highlight a cooperative effort to respond to this Cholera Epidemic! Yesterday, Samaritan's Purse answered a call from IMC in Les Cayes and responded by using the Samaritan's Purse helicopter for emergency resupply of IMC's cholera relief effort in that city. The helicopter payload of 750 pounds of supplies included critically needed Ringer's Lactate, IV Sets and catheters, ORS and doxycycline.

From: Paul Rudenberg
Subject: Les Cayes CTU
To: leslie@ citizenactionteam.org, "Judy Foster"
Date: Saturday, December 4, 2010, 7:07 PM

Dear Leslie,

Les Cayes has a CTU at the general hospital. It has 25 beds. Today they had about 35 people according to IOM, (however this may be before the 22 arrived from Cavaillon). The CTU is operated by International Medical Corps. Dr. Jojo was here until today. The program is directed by Chandra Gilmore – cgilmore @ internationalmedicalcorps.org . Space is very limited and the organization is assessing alternate sites. MSF Holland visited to assess the situation but to my understanding will put a treatment unit or center in another town. However there apparently has been much resistance from the community towards this. Les Cayes also does not yet have a waste disposal location or a burial site (the cemetery in town floods).

MEDICAL SUPPLY NEEDS LIST FROM HIC (by way of Cosy Joseph direct from hosp.) 12/3/10:

1000 – Ringers Lactate – 1000
500 – Intracath Pour Les Moins De 5 Ans / Intracath for children under 5 years old
500 – Intracath Pour Les Plus De 5 Ans / Intracath for Adults and children over 5 yrs old
1 – Glucometre Et Bandelettes Appropriees / Glucometre and appropriate bandages 20 – Ampoules De Glucose Concentree (15%, 30%) / vials of concentrated Glucose (15%, 30%)
1000 – Sparadrap Ou Adhesive / Adhesive tape – 1000 / Blouses Pour Le Personnel Scrubs
1000 – Masques–Masks
10,000 – Gants Disposables / Gloves
1000 – Gants Steriles / Sterile Gloves
50– Chlore / Chlorine
10 – Paravent / Folding Screen
20Baril Ou Drum Pour Les Dejection Des Patients / Barrels or Containers for Patients' excrement/vomiting and contaminated fluids
30 – Pour Accompagnateur Par Malade / Chairs or folding stools for patient's accompanying adult – 30

RE: Haiti – Cholera Epidemic : Les Cayes, dramatic situation
Friday, December 3, 2010 6:16 AM
From: "Cosy C. Joseph"
To: haiti–epidemic–advisory–system@googlegroups.com

For personnel, GCF (www.gaskov.org) has not yet decided to deploy any team under the leadership of the organization. We do not have the financial means to sustain rotating teams on the ground at this point. So far, we have opted to deploy our volunteers with JP/HRO and Konbit for Haiti is helping defray some volunteer costs. At the beginning of this crisis, we decided to spend our resources on providing a potable water distribution center in Roche–a–Bateau and to share whatever supplies we raise. So our available financial resources are allotted to that project not on leading medical teams on the ground. We thought it would be more effective to supplement another organization by sending them the volunteers that we've recruited so far. Les Cayes is GCF's home base. If the situation is really as bad as TDH reports in Les Cayes, I am willing to change our approach and send our volunteers to them instead of JP/HRO .

For supplies, HIC in Les Cayes needs supplies. See their needs list in French/English. We provided HIC with some gloves and syringes that we had in Haiti. I do have some supplies that I am expecting here next week, but they were already promised to other organizations before I received this list. Anything you can do to help would be most certainly appreciated.

I've been leading Mobile clinic teams in Les Cayes since 2000. Currently I am deploying my volunteers to JP/HRO. If the situation deteriorates in Les Cayes, I will divert our resources to Les Cayes and would welcome joining forces with HEAS.

Regards,

Cosy C. Joseph

On Dec 1, 2010, at 10:26 AM, Leslie Teltoe – Citizen Action Team Relief Database <leslie@citizenactionteam.org> wrote:

Hello Cosy,

I am entering the information based on your comments and the article into the CAT dbase as well as our new Google Spreadsheet Watchgroup which documents all the sites we are giving attention to. I have a few questions if you don't mind that you might be able to provide clarity on.

I scanned the article carefully, and find no direct information on the Hopital Immaculee Conception. Can you verify if that site is the one that is referenced being run by MSF & TDH?

> HIC is operated by MSPP – with some support from the Cubans and recently MSF for the Cholera crisis. At some point TDH did have a unit at HIC for malnourished children.

–Did the MSPP director indicate any truth to MSF withdrawing?

>We did not discuss that. But TDH is an excellent and reputable ONG that has been doing a lot of great work in Les Cayes. I think their call for help should be seriously considered.

–Is the report yesterday from Paul Rudenberg on the HEAS correct in stating that the Les Cayes General Hospital is in fact an officially designated "CTC"?

> What's stated in the article is true. According to the MSPP director, HIC is the officially designated CTU. They are working on establishing a CTC. So far they have not found a property large enough to host the CTC.

–Can you tell me if Les Cayes General Hospital & Hopital Imaculee Conception are run by MSPP?

> Yes! General Hospital and Hopital Immaculee Conception (HIC) are the same institution. Yes it is operated by MSPP

–Are MSPP's resources solid enough to respond, or are they officially reaching out to equipped NGO's to fill gaps? If so, is there any word on response by a particular organization to respond immediately?

> Needs to research this one. Karen Carr's team held some training there two weeks ago. I can talk to her to get her teams feedback on the resources that were trained.

HEAS POST 11–30–10:

Re: leiderman–heas: usaid ctc/ctu map, south doesn't exist
Tuesday, November 30, 2010 12:23 PM
From: "Paulhaiti"
To: "Haiti Epidemic Advisory System" <haiti–epidemic–advisory–system@googlegroups.com>

There is a Cholera treatment center at General Hospital in Les Cayes
that is seeing some suspected cases (apparently 27 on Nov 29).

Paul Rudenberg
Les Cayes

HEAS POST 11–8–10:

Suspect death in Cayes
Monday, November 8, 2010 7:50 PM
From: Mustard Seed Missions

Jim, I just posted about a case at the General Hospital in Cayes, but
the man I'm texting with in Haiti said there's also been a death
there. The fatality was from Grande Riviere.

POST ON HEAS:

On Nov 8, 2010, at 8:12 AM, David Doherty wrote:

Family of four from Gran Riviere (near St. Louis du Sud) had been transported to HIC in Les Cayes. They were sent based on clinical presentation but the lab has sent samples to the National Lab in Port–au–Prince for confirmation.

This case was handled well by MSPP. The family was first referred to Le Charite in Les Cayes which immediately notified the departmental director, Dr. Louissaint. He had the patients transferred to the departmental hospital which has been doing the work up.

According to my people on the ground in the South, the family had not
traveled to any of area previously affected by the cholera outbreak.

Haiti Earthquake 2010

Following the tragic earthquake which struck Haiti on January 12, 2010, MAF's 23–year history in Haiti and knowledge of the land, culture, and language are proving invaluable to outside groups providing aid.

MAF has established a satellite communications center at the Port–au–Prince airport, allowing relief agencies to effectively communicate with those in and outside of Haiti. The MAF hangar has become a logistics point for aid organizations bringing food,

water, medicines, and other relief supplies into this devastated country. MAF relief flights transport teams of medical and relief workers to remote areas

---

UPDATES –

Ministry Response Transitions to Rebuilding
PORT–AU–PRINCE, Haiti— 03–10–10
http://www.maf.org/news/maf–news/maf–playing–critical–role–in–haiti–food–distribution

Nearly two months following the Jan. 12 earthquake that devastated the poorest country in the Western Hemisphere, MAF (Mission Aviation Fellowship) must continually redefine its role in Haiti. What began as crisis management shifted to food distribution to the Haitian people.

Now the aviation ministry is gearing up for the next phase: to assist with rebuilding the nation's shattered infrastructure and partner with ministries serving in the most remote areas of Haiti.

While these steps trace the usual path following a crisis, each disaster presents its own challenges, according to John Woodberry, MAF Disaster Response manager.

"Disaster response always throws something new at you, so you have to adapt. You can't just respond based on the needs following a previous disaster," said Woodberry, who has led MAF responses to other parts of the world, including efforts after Cyclone Sidr hit Bangladesh (2007).

(Read more on website)...

Transition to Rebuilding, Long–Term Needs
Most of the food now being distributed will become part of food–for–work projects. "Due to the disaster, countless Haitian people have lost their home, job and income. That's where the search comes in for sustainable solutions. "Haitians will be able to work, whether it's building a road, sanitation system or whatever, in exchange for food," Woodberry commented. Schools, clinics and other infrastructure must be rebuilt as well

As road conditions in Haiti improve, "more and more aid is being transported by truck," Woodberry said. This allows the focus of MAF flights to turn from delivering food to transporting missionaries and humanitarian workers to where they're most needed around the country. MAF will likely add more staff and aircraft to its Haiti flight program in order to address the long–term needs.

http://www.maf.org/news/maf–news/maf–assists–harrison–ford–humanitarian–trip

MAF Pilots Brief Acclaimed Actor, Provide Airstrip Chart
PORT–AU–PRINCE, Haiti—02–18–10
MAF pilots recently provided acclaimed actor Harrison Ford with an airstrip chart of the Port–au–Prince airport and offered him a personal briefing at the MAF hangar.

Ford told MAF the information its pilots provided helped him in his humanitarian mission to relieve suffering following the Haiti earthquake. Ford flew from Los Angeles into the capital city's airport in his own aircraft loaded with medical volunteers and supplies to help earthquake–stricken Haiti.

Ramping Up to Meet Overwhelming Need
'Full disaster response mode' in Haiti

January 18, 2010 — As the massive humanitarian efforts continue in the earthquake–stricken nation of Haiti, the Mission Aviation Fellowship (MAF) reports its members are in "full disaster response mode," working with the international relief agency, Samaritan's Purse, and others to provide relief to thousands of suffering people. Smaller GA aircraft like those operated by MAF are still not allowed to fly out of Port–au–Prince International Airport, which is under command of the U.S. military, but the organization continues to ready its fleet aircraft based in Haiti to contribute to the mammoth relief efforts in the weeks and months to come.

MAF is ramping up to aid agencies by coordinating the storage, distribution, and transportation of food, water and medical supplies, as well as tarps and water purification systems. A GATR Technologies inflatable satellite terminal at the Port–au–Prince airport will provide reliable Internet and wireless data connectivity, including VOIP (Internet telephone service) to aid organizations.

John Boyd, MAF president, stated in a news release, "MAF has been ministering in Haiti since 1986. We know the country, the culture and the language. This experience and knowledge will be invaluable to groups coming to Haiti to help. What's more, MAF will continue to minister here in the months and years following this disaster."

MAF was one of the dozens of mission aviation and public benefit flying organizations participating in EAA's "Fly for Life" program at AirVenture Oshkosh 2009. Fly For Life shined some much–deserved light on benevolent flying by general aviation with a series of presentations and displays describing those who serve others around the world through flight.

MAF has received many inquiries about volunteering to assist in the relief efforts. Currently, MAF is unable to bring volunteers into Haiti. There may be a later need for those with specific technical skills in logistics and communications, coupled with disaster response experience, so officials ask tha they monitor the MAF website, www.MAF.org, for updates.

How You Can Help:
MAF has set up the "Haiti Disaster and Recovery Fund."
** You can donate here at: http://www.maf.org/donatecart?goMotiv=VVJ0U100&desig_4932=10
** Those in Canada, can go to:
https://mafc.org/donate/haitiearthquake.htm
for donation information.

NBAA Organizes Business Fliers
The National Business Aviation Association (NBAA), in response to its members who want to volunteer aircraft, supplies and personnel to support earthquake relief efforts, created www.nbaa.org/haiti. NBAA will continually update the site to provide the latest operational information and help match available assets with people and organizations involved in coordinating missions into Haiti.

Air Care Alliance
The Air Care Alliance, a nationwide league of humanitarian flying organizations, has posted Haiti GA response information on its Relief information page, including links to several organizations' information. Visit www.aircareall.org/relief–info.htm.

EXECUTIVES WITHOUT BORDERS
Executives Without Borders is an innovative 501(c)(3) non–profit organization dedicated to engaging business professionals in solving the world's greatest humanitarian challenges. As an organization, we provide opportunities for executives and companies to improve the effectiveness and efficiency of global humanitarian programs with a focus on sustainability.

In the wake of the 2010 earthquake, we assisted NGOs with delivery of safe water and procurement of temporary shelter materials.

Executives Without Borders identified numerous opportunities for sustainable job creation in Haiti. Together with our corporate partners and other organizations we identified this specific opportunity to create new, well–paying jobs engaged in plastic recycling. This program aligns with our core value of leveraging business skills and talents to strengthen development programs worldwide. Learn more at www.execwb.org!

CSS HAITI
CSS provides critical construction, fabrication, logistics, supply and other support services for the NGO community and governments worldwide in emerging and post–disaster environments. CSS seeks to leverage the talents and skills of the people and businesses in the markets where it operates, involving the fewest foreigners possible and maximizing the positive local impact of its operations.

CSS supports sustainable job creation projects in all its markets, from restarting clothing factories and fabricating heavy equipment in the Middle East to supporting programs like Ramase Lajan here in Haiti.

CSS partners with NGOs to find and implement the ideal program to accomplish important mission goals in any environment. Learn more about the CSS family of companies at www.gocss.com.

HAITI RECYCLING S.A.
Haiti Recycling S.A. (also known as G.S. Industries) is a diverse family business founded by Mr. Gary Sajous Sr. in 1976.

G.S. Industries is the largest mattress manufacturing plant in Haiti and makes all components locally, including the springs, foam, sisal pads, as well as wooden box frames.

In 1986, the Sajous family looked to recycling as a potential supplemental line of business. In the beginning, they recycled only non–ferrous metals like aluminum cans. Slowly and with years of practice and more knowledge and expertise, they started recycling ferrous metals as well as plastics, paper and cardboard.

In 2005, the family realized that their recycling operations had grown significantly larger than the mattress operation and renamed the recycling part of the operation "Haiti Recycling."

Today, Mr. Sajous functions as CEO of the group and remains highly active in all aspects of the business. He is also the inventor of the patent–pending manual bottle crusher machinery at the heart of the community collection centers.

Stephan Sajous, Vice President of Marketing and Operations, oversees all aspects of recycling operations including buying materials, setting standards and prices, quality control and finding buyers for the various different recyclable waste streams.

Other senior leadership of the company include Mrs. Alyette Sajous, CFO and Mrs. Wendy Sajous, President, Carribean Cosmetics manufacturing high quality soaps for domestic use and export.

The family believes in creating sustainable businesses in Haiti that benefit all parties involved. Haiti Recycling's continued investments in infrastructure and economies of scale for plastic processing are what make this program possible.

SAMARITAN'S PURSE
Samaritan's Purse has been working in Cite Soleil since January, of 2010. While working in Cite Soleil, Samaritan's Purse saw a need for a program that would help to clean and promote hygiene in the Cite Soleil area. To meet the recognized needs, to help provide better sanitation conditions, and create small business opportunity in the Cite Soleil community, Samaritan's Purse created the Livelihoods Recycling Program.

The Samaritan's Purse Livelihoods Recycling Programs objectives are:

1.To decrease the amount of plastic in and around Cite Soleil. The project will specifically focus around the canal areas to decrease the blockage caused by plastic; therefore, promoting healthy living conditions through a decrease in flooding in the Cite Soleil area.
2.To promote livelihoods through job creation. Through the partnership of Haiti Recycling, CSS Haiti S.A., Executives without Borders and Samaritan's Purse, all hope to directly create jobs through the recycling franchise centers and increase the jobs in the plastic peddler/collector market.
3.To provide sound business training and mentoring with the business person chosen for franchise ownership and the local business community.

PRESS RELEASE: Thursday, January 28, 2010

Earthquake Victims Need Continued Medical Attention

Global Outreach continues to move medical supplies, food, tents, and medical teams into Haiti. Wednesday night, shortly after 10 PM, a medical team out of Mississippi and Kentucky returned as a medical team out of Chattanooga, Tennessee, went in.

David Vance, nurse–anesthetist of Tupelo, Mississippi, returned today after two weeks in Haiti. David shared that the extreme urgent care seems to be slightly diminishing; however, there remains a considerable need for follow up medical care to treat patients who had amputation of limbs, open wounds, treat infectious disease, and they continue to see large numbers of burn victims.

Volunteer teams continue to share, as we've seen on news outlets, that there is a tremendous job ahead to rebuild Haiti. Our Global Outreach Haiti missionaries have begun to see some shops opening, food shops, markets, and hardware.

Our newest missionaries to Haiti, Joe and Linda Sullivan, arrived in Haiti this week and immediately immersed themselves in the ministry. Our staff asked that we pray that they will be able to get donated goods through Haitian customs clearance without too much delay.

Message from Judy Heady The days continue to be long and busy on the "Oasis in the Desert" compound. Many of the ministries that are staging out of our compound are beginning to receive the equipment and supplies to minister to the needs of the people. I heard the other day that 300,000 rolls of plastic have been given out. Lots of food is being distributed. Yesterday David located a few warehouses that had food supplies for sale. He has also been able to take a filming crew out to film much of the devastation. The branch bank that we use is finally open and we are able to do our normal banking transactions. Haitian people are so resilient. They have the ability to pick up and go on with their lives . . . even with the little that they have. Please continue to pray for them. Pray for our staff on the ground in Haiti. They are growing weary with the heavy load they've carried for the last few weeks.

From the Brumley's . . . Hi Everyone, It's hard to know where to start with this update – so much has happened in the last week. We are so thankful for all your prayers and encouragement. It means so much to us. We are tired, and at times frustrated by so many logistical details, but we are encouraged by the progress we are making and, prayerfully, the difference we are making in our community here. The aftershocks have greatly diminished. We don't think we have felt one now in 3 days or so. That is a wonderful blessing!! Please pray that none return again – it strikes so much fear in everyone when they happen. We attended a church service a short ways from us this morning and it was standing room only. So many are coming to churches and people want to hear about hope and they are open to the gospel now more than ever. Our church in Ti Tanyen did their service outdoors again at 6 this morning and they said the whole area was full of people, many more than they could fit inside the church. The Lord is using their fear to return inside a building in His favor. We do pray that we can at some point soon start repairing these buildings, so the church and school facilities will be used again. We are still awaiting a structural engineer to check out all our buildings, so we know what work will need to be done both on our own compound and also our buildings off the compound. We are continuing with the medical care at the clinic and it is manageable now with cases usually done by 11 or 11:30 each day. There are 4 of us working in there every morning (Susan Bruns and Sheryl, one Haitian nurse, and Mme. Frank, our helper) and occasionally other doctors/allied health people join us as well. We are still treating the 5 men burned from the flour mill and they are all improving. We are starting to treat skin infections, eye irritations, coughs and colds now from everyone sleeping outside on the ground and the wind blowing dust every night. We have hygiene kits that we are giving out to each family (soap, toothpaste, toothbrushes, shampoo, etc.) to help them with cleanliness. While we are not doing food distribution directly from the clinic (more about that later), we are keeping stashes of granola bars, peanut butter, etc, so we can give at least a little to those who come because they are hungry, not sick. We have been able to set up a system of food distribution in our village of Ti Tanyen, whereby the community has been divided into 4 quadrants and we have 3 people responsible in each quadrant plus people helping them and we have taken the big sacks of rice, beans, and cornmeal over to the Kindergarten and some of our teachers and leaders in the church bagged up everything we sent and distributed it to as many families as possible in each quadrant. David Heady had our school director and some others do an informal census of Ti Tanyen before we started this, and we have come up with about 6000 people that now live there. (When we moved here 7 years ago, it was about 2000 or so.) We will work with Samaritan's Purse to continue this distribution so we can keep feeding them for some time to come. We will also be able to do another large tarp distribution to several communities to replace the sheets that people have used to build shelters. Some organizations are passing out tents (mostly in Port–au–Prince where the damage is much worse) and we wish we had some, but tarps are the next best thing. The basketball court that was almost completed is now a helicopter pad and hanger for the Samaritan's Purse

helicopter. Some day it will be completely finished and used to play basketball, but for now it's a helipad. Chris and his crew will finish the one last section on Tuesday to complete the cement base of the court, so the helicopter can be wheeled in and out of the hanger with ease. Our campus is home to
several displaced Haitian families, about 60 members of Samaritan's Purse, a group of Friendship International people that will be setting up tents and camping here, a missionary group out of the Dominican that are also camping here and using our space as a drop–off and storage area for fuel and food distribution to ministries in Port–au–Prince, two different medical organizations that are coming in for 7 to10–day stays and both groups are committed long–term. As one in each group rotates out, another rotates in. Josh says it feels like we are on an extended mission trip and in one sense we have lost that "Oasis in the Desert" that we had here, but we know the compound is being used to fulfill His purpose

Catastrophe in Japan

Samaritan’s Purse is sending in staff and supplies in response to Japan’s devastating earthquake and tsunami

At the request of Japanese Christians, Samaritan's Purse has deployed a team to provide emergency aid to people affected by the deadly earthquake and massive tsunami that hit the northeastern coast of the country on March 11.

Staff members are on their way to the affected area. We will be working with local churches to distribute food, water, blankets, hygiene supplies, and other aid to people who have lost virtually everything.

“The people of Japan need help, and we are going to help them however we can,” said Ken Isaacs, Samaritan’s Purse International’s vice president of projects, who is directing our response. “Our partners there called us to ask us to bring our expertise, and it is our privilege to serve alongside them.”

We are organizing a 747 cargo jet to airlift emergency relief materials such as hygiene kits, blankets, plastic, and water filtration systems. Our Japanese church partners have secured trucks to distribute relief supplies and obtained permission for us to enter the disaster zone. Local Christian volunteers are being mobilized to help with the response.

Samaritan’s Purse President Franklin Graham has conducted evangelistic Festivals in the Japanese cities of Osaka and Okinawa. The events were organized by the Billy Graham Evangelistic Association, which is working with us for this response.

Pastor Yoshikazu Takada, who was chairman of the Osaka Festival committee, requested our assistance. “Please come. We need your help,” he said.

The massive tsunami was triggered by an 8.9–magnitude earthquake, one of the most powerful in recorded history. Giant waves engulfed coastal towns and swept away houses, cars, boats, and trains.

The quake has been followed by dozens of strong aftershocks. Japan's prime minister called the crisis the most severe challenge the nation has faced since World War II. Officials have declared a state of emergency for a nation grieving the loss of so many lives while gripped by fear of more quakes and possible radiation leaks from damaged nuclear reactors at two power plants.

The twin disasters have devastated hundreds of towns and villages in northeast Japan. The official death toll reached 1,833 on Monday, but is expected to soar to more than 10,000. Hundreds of thousands of survivors have been left without adequate food, water, shelter, or heat as overnight temperatures drop below freezing.

Please pray for the people affected by this catastrophe, and for God to grant wisdom and direct our steps as we respond.

UPDATE 5/17/07:

Per a contact at the Church of Christ in Mullinville, KS
Tyson Chicken pulled out this week and left their food prep white tent. I don't know if anyone is going to claim it.

Red Cross at the Grammer School in Mullinville is getting ready to pull out of the Gymnasium. Church of Christ in Mullinville, KS will take over the Gym to use for storage and volunteer housing purposes.

Leslie Teltoe

Kiowa County/Greensburg Public Information Update
As of 5/17/07, 9 a.m.

(This information is being transmitted to Greensburg area residents on 1610 AM information)

CONTRACTORS MUST REGISTER: at Greensburg City Hall located at the Southeast corner of the courthouse between 9:00 a.m. and 5:00 p.m. No contract work will be performed without registration and/or license. Contractors are responsible to hauling the debris from the jobsite.

DEBRIS REMOVAL: Residents are responsible for removal of debris from their property. Government haulers will not remove debris from private property. Debris also should not be placed on or near utilities. Call Greensburg City Hall if you have questions related to debris removal at 620–723–2751. Residents can also call the United Way at 211 if you need assistance in cleaning up your property or removing debris.

JOBS AVAILABLE: FEMA is hiring locally for the Greensburg recovery operations. Currently only Greensburg residents are being considered. However, applications are being accepted from all who wish to apply. Call 770–216–3156 or 417–234–3798. You can also visit Jim Tumser at the Haviland Disaster Recovery Center at Barclay College.

WATER SERVICE RESUMING SOON: Officials will be turning on and testing the water lines North of Florida Street today.

Do NOT drink, shower or bathe with the water until officials announce that it is safe to drink.

Contact City Hall at 620–723–2751 to report leaks

In order to speed up the process of getting potable water restored please do not pile debris on top of water meters
FARM FIELD DEBRIS: Those needing their farm fields cleared of debris should call 314–313–4779 or visit the Volunteer Reception Center at Davis Park.

PROGRESS REPORT:

1,600 loads of debris were taken to the landfill today bringing the total to nearly 8,300

The EMEDS hospital opened today. It is located on US 54 across from the John Deere dealership

Firefighters are making temporary street signs

Electrical power is being restored as quickly as possible

Volunteer Reception Center has processed over 1,215 volunteers who have worked 8,600 hours

There will be increased police patrols in Haviland and Mullinville
Offices for county government are being installed on the west side of the courthouse

PLACARDS REQUIRED IN VEHICLES: Police will be issuing placards that are required to be visible in the windshield for all citizen, volunteer and contractor vehicles. All vehicles must stop and check–in with police at checkpoints to be issued a placard.

SAFETY UPDATE:

Curfew remains in effect from 8:00 p.m. to 8:00 a.m.

You must obey all traffic laws. Law enforcement officers will be strictly enforcing speed limit and other violations.
Be cautious of downed power lines, and treat them as if they were live.

When parking on the roadway, leave room for emergency vehicles and large military vehicles.

While working take frequent breaks in shaded areas and drink plenty of water.

If you feel dizzy, nauseated or experience vomiting you may have heat exhaustion and should seek immediate medical attention.

Due to a lack of shelter in Greensburg, all residents will be asked to evacuate the town to seek shelter if hazardous weather approaches.

Burning is prohibited in the City of Greensburg and highly discouraged in rural areas during times of high winds.

If you witness any arcing power lines, immediately dial 911 or contact the nearest emergency worker

If you find an item that may be dangerous, leave it where it is and notify the nearest law enforcement officer.
Do not enter any building that appears unsafe

Those working in dusty conditions must wear respiratory protection. These masks are available at the Kiowa County Health Department
AVAILABLE FUEL: The fuel point in Greensburg off US 54 is for first responders only. Fuel at this location is not available for any other use.

COMMUNITY EVENTS:

Greensburg Graduation will be held Saturday May, 19 at 10:30 a.m. for 8th Graders and 11:00 a.m. for seniors at the Golf Course. For more information call the Greensburg School District at 620-675-8836 or e-mail Greensburg@swprsc.org

There will be a funeral service for Harold Schmidt Thursday at 2:30 p.m. at the Haviland Friends Church followed by a burial at Fairview Cemetery in Greensburg.

Attorney General Paul Morrison will be visiting Greensburg today. He will hold a press conference to address potential scams and price gouging.

Kiowa County Commission will be meeting every Monday and Thursday at 10:00 a.m. at the Mullinville High School.
Haviland schools will be hosting a “fun day” for Kiowa County students and staff May 23rd from 9:00 a.m. to 2:00 p.m. at the Haviland High School football field.

There will be free fencing and fence posts available for those that sustained damage to these items due to the storm Friday at 7:30 a.m. at Pratt Livestock

There are several items of livestock food available for free. If you are interested call 620-723-2897.

All residents that were being housed at the Mullinville shelter have relocated to the shelter in Buckland.

VEHICLE REMOVAL: Damaged or destroyed vehicles in Greensburg that were tagged are being moved to the south landfill.

Owners are NOT responsible for the tow fee to the landfill.
Owners need to coordinate with their insurance company for removal of vehicle from the landfill.

To inquire about a vehicle that was moved call law enforcement command at 785-243-0852.

HAZARDOUS MATERIALS: Separate hazardous materials and white goods from debris and leave at the curb for removal. This includes appliances, air conditioners, batteries, paint, pesticides, aerosol cans, propane and compressed gas cylinders. These items will be removed by the EPA.

HAZARDOUS SPILLS: Call 911 if you encounter a hazardous spill or leak. If containers are damaged or leaking, do not handle. You can also contact the EPA Spill Line at 913-281-0991.

WASTE FOOD: Place waste food items in trash bags and leave at the curb. Garbage trucks will be picking up and removing this waste.

GARBAGE BAGS: Garbage bags for putting waste food in for pick-up are available at the Convoy of Hope, the Scientology tent and the Salvation Army on the east side of the County Courthouse.

MENTAL HEALTH: To reach a mental health professional call 785-313-6359

INSURANCE COMPLAINTS: To file a complaint against a private insurance company with the Kansas Insurance Commissioner call 1-800-432-2484.

CHILD SAFETY SEATS: Contact the Kiowa County Health Department for Child Safety Seats at 620-338-4544.

KIOWA COUNTY OFFICES: are set up at Mullinville High School from 9:00 a.m. to 4 p.m. daily.

GREENSBURG CITY OFFICES: Are located in trailers southeast of the County Courthouse. They will be open from 8:00 a.m. to 5:00 p.m. daily.

STRAY ANIMALS: To report a stray or dead animal or to inquire about a missing pet, call 620-723-2897. All found animals will be at the Pratt County Humane Society, where they will be held for 30 days. For animal boarding needs call 620-672-6777.

VOLUNTEERS: Individuals to volunteer must call 211 (in state) or 1–888–413–4327 (out of state) prior to arrival. Ameri Corp is organizing groups wishing to volunteer. Group leaders must call 314–313–4779.

LOST GUNS: The gun trailer at the KDOT building in Greensburg will be open from 10:00 a.m. to 4:00 p.m. Monday through Friday. Individuals wanting to claim firearms should bring a photo ID, address information and description of the firearm. Serial numbers are preferred and criminal histories will be run on all persons claiming firearms.

LOST AND FOUND: Lost and found items can be turned in and picked up at the Temporary City Hall located southeast of the Kiowa County Courthouse.

AIRSPACE OVER GREENSBURG: is restricted to official aircraft only. Please report unauthorized aircraft to the nearest law enforcement officer and obtain the tail number if possible.

GREENSBURG MAIL: All Greensburg mail is being forwarded to the Pratt Post Office. Residents and businesses in Greensburg may register for a free post office box at the Pratt Post Office.

DISASTER ASSISTANCE: If you have been affected by the disaster in any way, call 1–800–621–FEMA and visit the Disaster Recovery Center known as “the one stop shop,” set up at Barclay College in Haviland. Visit the center or call 620–862–7750 for assistance from: The Kansas Department of Revenue, Department of Health and Environment, SRS, Department of Labor, Veterans Administration, SBA, FEMA, Salvation Army and Red Cross.

Please note: You do not have to wait for insurance payments before contacting these agencies or visiting the center.

Examples of assistance available:

Free legal assistance
Tax Credits
Food Stamps
Cash Assistance
Crisis Counseling
Disaster Unemployment
Drivers’ licenses and vehicle registration
Copies of vital documents such as birth or marriage certificates
A Salvation Army Store

FEMA ASSISTANCE: To register for FEMA assistance call 1–800–621–FEMA or go online to www.fema.gov, or apply in person at the FEMA trailer by the Kiowa County Courthouse in Greensburg. Edwards, Pratt and Stafford counties are approved for individual assistance. These counties’ residents may use the Disaster Recovery Center located in Haviland.

HOUSING OFFERED BY USDA: Individuals interested in learning more about the USDA Rural Development’s Housing program should contact 785–628–3081 or 1–800–338–5546.

SBA DISASTER ASSISTANCE: Offers low–interest disaster loans to homeowners, renters, businesses and private non–profit organizations. Call 1–800–659–2955.

DISABLED AMERICAN VETERANS: Will be providing transportation to and from the VA Medical Center in Wichita for those needing prescription refills or medical care. Disaster recovery relief for disabled veterans is also available. For more information call 316–688–6722.

CLOTHING AND PERSONAL ITEMS: Are available at the Mullinville and Haviland United Methodist Churches between 9:00 a.m. and 6:00 p.m.

FREE PHONES: AT&T has set up free phones on the west side of the courthouse for residents and responders to use.

Housing assistance:
USDA Rural Development will offer housing to eligible Kansans impacted by the tornado. The housing assistance, subject to availability, will utilize USDA–financed rental housing facilities in rural communities across Kansas. Maximum income limits in Kiowa County for a family of two range from $37,400 to $38,900 and for a family of four from $45,350 to $47,250. Call the Hays office at 785–628–3081, the Iola office at 620–365–2901 or the Manhattan office at 785–776–7582.

Peoples Bank customers:
Greensburg customers can contact The Peoples Bank in Pratt at: 620–672–5611, 1–800–362–2625 or on the internet at: BelleBank.com.

Telephone service:
AT&T has made arrangements for Greensburg storm victims to receive call forwarding at no charge. Request by calling 1–800–464–7928. Eight public phones have been installed west

of the courthouse where anyone can make local or long distance calls in the United States without charge.

SHELTERS/RED CROSS/KIOWA COUNTY, KS:

Greensburg originally set up a shelter at Barclay College, but it became so crowded they have been moving those people to a shelter at Haviland High School.

The Macksville shelter set up at St. John Oddfellow Lodge at 700 West 1st St. has been closed due to lack of residents. Those rescue efforts have been moved to Haviland to help with the shelter there.

Another shelter has been set up at the Mullinville High School in Mullinville.

MESSAGE FROM GREENSBURG SCHOOL STAFF/USD422:

by STAFF
May 05, 2007

THE AMERICAN RED CROSS HAS SET UP RELIEF STATIONS IN MULLINVILLE AND HAVILAND TO AID THOSE AFFECTED BY THE TORNADO THAT DEVASTATED GREENSBURG, KANSAS ON MAY 4, 2007. IF YOU ARE ATTEMPING TO REACH A LOVED, PLEASE CALL HAVILAND HIGH SCHOOL AT 620–862–9890.

PLEASE CONTINUE TO PRAY FOR ALL OF THOSE WHO LOST THEIR LIVES, THEIR HOMES AND THEIR FAMILY MEMBERS.

The administration of GHS would like to send the message of hope and perseverance. In the spirit of not dropping our heads and letting this tragedy get us down, GHS would like to encourage the Ranger student athletes to continue to compete in their respective sports. We would also like to relay to seniors that we will hold a graduation ceremony. Details about graduation will be posted as soon as we get everything arranged.

Due to the fact that everyone is scattered, we will attempt to keep as many people up to date right here on usd422.org. We will be posting leave times and a place of meeting as soon as we know something concrete. Here is what we know as of Sunday night (5/6/07):

–the softball game scheduled for Monday has been cancelled

–the league golf tournament scheduled for Monday has been moved to Thursday, May 17. Departure TBA.

–the league track meet scheduled for Friday is still on. Every attempt will be made to contact as many track athletes as possible. Departure TBA.

We are also in contact with a sporting goods chain and other possible assistance for those athletes needing items such as shoes, clubs, clothes, etc.

Any questions may be sent or called to Marshall Ballard at marshallballard@usd422.org, 620–862–5621, or 620–388–2880.

Golf team can contact Coach Roe at 620–532–1043.

Track team can contact Coach Hoover at 620–324–5455. Again,

I will do my best to keep the site updated as new information becomes available.

Contact Marshall Ballard at:
marshallballard@usd422.org
620–862–5621, or 620–388–2880 to donate sports equipment and uniforms for students who lost everything and are still participating in school sports events.

NOTE: Greensburg Schools are shut down for the remainder of this '07 school session. Graduation Ceremony details to be announced.

BRINGING RELIEF AFTER HURRICANE ISAAC

Samaritan’s Purse is helping people affected by the storm in Louisiana

Samaritan's Purse is responding to Hurricane Isaac by helping storm victims in two of the hardest–hit areas in Louisiana.

We have set up bases at First Baptist Church in LaPlace and Journey Fellowship in Lacombe. Staff and volunteers are cleaning debris and muck from flooded houses, removing downed trees, and tarping damaged roofs.

LaPlace is located in St. John the Baptist Parish, about 25 miles west of New Orleans. Hundreds of houses were flooded or damaged in the area. Lacombe is situated on the northeast shore of Lake Pontchartrain in St. Tammany Parish.

Isaac was a Category 1 hurricane when it made landfall in southeast Louisiana with maximum sustained winds of 80 mph on Aug. 28. It dumped more than 20 inches of rain in some areas across Louisiana, Mississippi, and in parts of Arkansas, Alabama, and Florida. When the sea breached a levee outside of New Orleans, many homes flooded up to their attics. A third of Louisiana’s households were without power, and the rain continued to pummel the state days later.

The storm made initial landfall one day before the seventh anniversary of Hurricane Katrina, the huge storm that devastated the area in 2005. Hurricane warnings were in effect from the New Orleans metro area to the Florida Panhandle.

VOLUNTEER IN LA TO CLEAN UP HURRICANE ISAAC DAMAGE:

REGISTER ONLINE:
HURRICANE ISAAC RESPONSE
Project: Hurricane Isaac Response

Locations: Lacombe, Louisiana and LaPlace, Louisiana

Length of Stay: There is no required length of stay for this response.

Maximum Team Size: Fifteen people.

Skills Needed: Volunteers of all skill levels are needed. Volunteers will assist with debris clean up and mud outs.

Minimum Age: Volunteers must be at least 14 years old. Youth under 18 years old must comply with our youth policy.

Forest Park Baptist Church (DISTRIBUTION/VOLUNTEER SIGN UP & TRAINING)

Walk–in Resource · Open

Forest Park warehouse at 8th and Highview (just west of 7th and Range Line), Joplin, MO
Web www.fpbc.net
Serves Joplin, Jasper County, MO
Service Temporary

Per VOAD:

Resource space, food, diapers, sending food to volunteers in the field

FROM THE SITE:

* Pray!
* Give blood at local centers.
* Due to the overwhelming response of generous people around the country, our warehouses are currently too full to accept any more donations. We will let you know if more space becomes available for us to resume accepting donations.
* If you are looking for water, food, clothes, or baby supplies, go to the Forest Park warehouse at 8th and Highview in Joplin (just west of 7th and Range Line).
* Samaritan's Purse offers volunteer training at the Joplin Campus (7th and Range Line) each day at 7:30 am and 1:00 pm. You must go through this training, fill out a few forms, and sign a release to go out into the field.
* If you are looking for opportunities to volunteer, please come to Forest Park at 7th and Range Line in Joplin and register in the lobby. Food preparation, food distribution, yard and home clean–up, loading and unloading trucks, organizing donated goods.
* Give a monetary donation here. One–hundred percent of your donation will go to the relief efforts.
* Pray!

Check this page (http://fpbc.net/what_can_i_do) and our campus Facebook pages throughout the week for more ways you can help.

U.S. Gulf Coast — September 12, 2008 — As Hurricane Ike bears down on the Gulf Coast, IRD is preparing to provide case management and other assistance to those in its path. Staff from IRD's Gulfport–based Gulf Coast Community Service Center is already in Baton Rouge to assist with Gustav response. drawing on the experience from providing case management services to victims of Hurricane Katrina for the past three years.

Your donation will help us bring emergency relief to the victims of this disaster.

The IRD Gulf Coast Community Service Center (GCCSC) has been rebuilding the lives of the citizens of the Mississippi Gulf Coast since October 2005, opening its doors a little more than one month following the devastation of Hurricane Katrina. The goal of the Center is to reach out to the community and assist in the organization and facilitation of an often–difficult recovery process. Located in West Gulfport, the Center serves the entire Mississippi Gulf Coast, representing most of the Coastal cities as well as the three Coastal counties.

The GCCSC began it work on the Gulf Coast by administering emergency relief, but has transitioned its services to focus on sustainable, long–term recovery. The Center was one of the first agencies in the area administering needs assessments and mapping the most affected areas. The goal of the multi–faceted needs assessment and community mapping process conducted by the Center was to identify potential applicants for assistance following the hurricane. As the recovery cycle progressed from assessing needs to managing needs on an individual basis, the GCCSC has changed its focus to assisting citizens in need through case management. Case managers facilitate the recovery process for survivors by identifying ways to maximize their access to community resources.

The Center hosts a walk–in center for assessments administered by the Harrison County Long Term Recovery Coalition (LTRC), and has developed a resource guide printed by Federal Emergency Management Agency (FEMA) to provide to other relief agencies as a reference.

The Center also provides financial counseling to hurricane victims and MDA Phase II grant recipients seeking to purchase or rebuild homes through funding from the Enterprise Corporation of the Delta. This counseling not only prepares beneficiaries for homeownership, but gives them tools for long–term financial security. And in partnership with the Mennonite Economic Development Association (MEDA), the Center will create and manage a micro–enterprise capital fund which will finance start–up

businesses along the Mississippi Gulf Coast. Additionally, the GCCSC will support the development of an open–air market in its Gulfport neighborhood.

IRD also participates in YouthBuild, a program that provides comprehensive programs for vocational development, workforce training and career counseling with Gulf Coast youth. YouthBuild teaches local at–risk high school students how to assist in rebuilding homes while helping them get their GED.

Helping people rebuild their lives, their relationships, and their sense of self–sufficiency, is equally as important to their long–term recovery and that of their communities as their physical needs. It is the human side of recovery that the GCCSC addresses, for thousands of Katrina survivors.

Services:

1)Case management for Katrina survivors. Eligibility: affected by the hurricane and still have unmet needs

2) Fincancial Counseling. Eligibility: Open to everyone

3) Housing Counseling. Eligibility: Open to everyone

4) Youth Build Program will start in January. Eligibility: youth ages 16 to 24 who do not have a high school diploma/GED

Applications are still being accepted for Katrina survivors and programs. To obtain an application: Monday – Thursday 9:00 – 3:00

Responding to Hurricane Irene

Samaritan’s Purse is sending help in the aftermath of the powerful storm

Samaritan's Purse staff and equipment are on their way to eastern North Carolina to help victims of Hurricane Irene. A Disaster Relief Unit, which will serve as a base to house volunteers and equip them with tools and supplies, was dispatched on Sunday morning
SEE WEBSITE FOR FULL STORY!!

Helping Tornado Victims
April 17, 2011
http://www.samaritanspurse.org/index.php/articles/helping_nc_tornado_victims/

http://spvolunteernetwork.org/projects/north–carolina–tornado–response–.aspx

Project: Tornado Response
Location: Central and Eastern North Carolina
Length of Project: Approx. 10–14 Days
Length of Stay: No Minimum Stay Required (Day/local volunteers are welcome.)
Maximum Team Size: There is no limit on team size for this response.
Skills Needed: Chainsaw skills are helpful but not required.

Project Description: Samaritan's Purse is responding to the most devastating outbreak of tornadoes in the state in more than 20 years. According to news reports, the storms killed at least 23 people statewide including 14 people in Bertie County. The state of emergency management director described the storms as "the most severe, wide–spread tornadoes we have seen since the mid–1980s." Governor Beverly Perdue declared a state of emergency for the entire state. Samaritan's Purse will set up in three locations in Central and Eastern North Carolina. Volunteers are needed for all three sites.

For volunteer project opportunities go to:

http://spvolunteernetwork.org/

NOTE – URGENCY NEEDS were pre–set to Tornado response! Items added for Hurricane Irene/Lee needs!!!

http://www.billygraham.org/RapidResponse_VolunteerInfo.asp

The Billy Graham Rapid Response Team exists to provide emotional and spiritual care to those who are walking through their darkest days. We have a nationwide database of trained chaplains who are ready to deploy at a moment's notice in response to natural and man–made disaster. We also offer training to those who wish to bring comfort to their own communities.

Chaplains and Ministry Volunteers Needed
We are accepting applications for future deployments (dates and locations to be determined). Volunteers will serve in these capacities:

Chaplain — An experienced FBI, police, fire, or military chaplain or a Christian counselor, hospice worker, pastor, or ministry leader trained in crisis intervention or chaplaincy training

Ministry Volunteer — A ministry leader with a heart and compassion for people

How to Get Involved
Fill out the Volunteer Chaplain Application online now
Download the Volunteer Chaplain Application*, fill it out completely, and fax it to 704–401–3003

Frequently Asked Questions

Will I work with a team?
Yes, you will be assigned to a team of 2–5 people. Ministry each day would include:

Pray for one another each day
Visit families in follow–up to work Samaritan's Purse has done
Listen to the stories of people who have lost everything
Pray, encourage, and share the comfort and hope of Jesus Christ
Encourage and minister to first responders such as pastors, police officers, and firemen
Keep records of your contacts and ministry opportunities

Tornado Disaster Relief Effort In North Carolina
By admin, on April 19th, 2011

Prayers are needed for the many people whose lives have been seriously affected by the recent tornadoes in North Carolina. The Weather Channel noted that one of the poorest counties in the U.S. got hit the hardest. Monetary support is desperately needed.

Mark Ebert, Director of Volunteer Ministry for the Moravian Board of World Mission, is helping to coordinate the relief effort. If you are interested in contributing, checks made payable to “MVR Disaster Relief” can be sent to:

MVR Disaster Relief, Moravian Board of World Mission, 500 S. Church Street, Winston Salem, NC 27101.

For inquiries about volunteering in person, log on to www.samaritanspurse.org.

Hurricane Irene
August 31, 2011
FEMA–4019–DR–NC
North Carolina received a major disaster declaration for Hurricane Irene today that includes Individual Assistance for Beaufort, Carteret, Craven, Dare, Hyde, Pamlico, and Tyrrell Counties (7), and HMGP statewide.
Working with clients from Tropical Storm Nicole (fall 2010) and Spring Tornado event (April 2011), NC VOAD responds to Hurricane Irene. The twelve long term recovery groups established or energized following the tornadoes will provide a mentoring capability as new groups are established following Irene.

Thurs. 11/1/12 – Hurricane Sandy NJ Operations Update:

For Superstorm Sandy relief, we will be stationed in three areas of New Jersey. DAYTIME volunteers will likely begin

work Saturday. Overnight volunteers are not scheduled to start yet, so that our church partners can prepare. If you would like to volunteer on a daily basis, contact our church partners beginning Friday, giving a 24–hour notice of your arrival if possible.

In Bergen County, contact North Jersey Vineyard Church in Teterboro, N.J. at 201.288.0010

In Ocean County contact The Church of Grace and Peace in Tom's River, N.J. at 732.349.1550

In Atlantic County, contact Linwood Community Church at 609.927.2950

VOLUNTEERS NEEDED – 2012 OKLAHOMA WILDFIRES – INDEX

Volunteer Camp · Open

213 North Cleveland Avenue, Cushing, OK 74023
Phone (918) 225–0973
Service Temporary

This is an index of Volunteer Opportunities offered to community members to assist with disaster relief and recovery as a result of the August 2012 Oklahoma Wildfires.

Information will be updated as details change and become available. We do the best we can to keep data up in real time based on time our ability to verify and receive this resource.

CREEK COUNTY, OK VOLUNTEER OPPORTUNITIES:

DRUMRIGHT ACTIVITY CENTER –
Want to help Fire Victims today? The Drumright Activity Center is being converted currently into a Central Resource Unit, in which donations can be accepted and distributed. Physical labor volunteers & Sorters/Distribution volunteers are needed at this time. Report to Pastor Kevin Vogle or Pam Scott. Questions? Call Jamey at 918~352~3255. This resource center will be active for the next 6 mos. at minimum for the Drumright community.

The new location is at the Drumright Public Schools' Activity Center. It is located on Hwy 16 just south of the 33–99–16 intersection on the east side of Drumright. It is the first driveway on the east side of the highway past the intersection. We have combined the resources formerly located at the Assembly of God and the First Baptist churches.

Activity Center Bldg.
Hwy 16E & Hwy 33
Drumright, OK

(VERIFIED 8/9/12 by direct call from LTel)

PAYNE COUNTY, OK VOLUNTEER OPPORTUNITIES:

(UNVERIFIED CALL AHEAD)

LOVEINC –
LoveINC is requesting volunteers to sort clothing and donated goods! Even if you can only donate an hour of your time to help, it would make a huge difference.

Also, LoveINC would like to thank everyone for their clothing donations, but requests NO MORE clothing donations be made at this time. They have plenty of clothes for fire victims. However, they are in need of these items: shampoo/conditioner, razors, body soap, toothpaste/toothbrushes, shaving soap, lotion, deoderant, diapers, wipes, feminine pads, advil/ibuprofen, allergy meds, pet food, and pet taxis.

LoveINC is also collecting items for the fire department. These items include: towels, paper towels, men's boxers, tube socks, under shirts, wet wipes, ice chests, water, gatorade, snacks, talcum powder (gold bond), eye drops, contact solution, advil, allergy meds, ibuprofen, and ice.

Thank You Cushing for all you do to help our police and fire department and for eachother every day! So many of you are so quick to help your fellow neighbors in need. It makes it easy for us to enjoy serving this community!

Love Inc. of Greater Cushing, OK
213 North Cleveland Avenue
Cushing, OK 74023
(918) 225–0973

CLEVELAND COUNTY, OK VOLUNTEER OPPORTUNITIES:

NOBLE RELIEF CENTER:
Volunteers – We need volunteer runners to go between the store and the command center (across the street). If you all know of anyone that wants to help, please pass on the message. For more information, call the center 405–308–1734 – Kathy Holsonbake

(UPDATED BY AMBER/ADMIN TEAM OF OK WILDFIRE INFO 8/11/12 BY PHONE)

Christmas Connection:
Click on the Volunteer Icon for details at:
www.christmasconnection.org
or call: 405–634–2006

The Christmas Connection is a volunteer operated organization. Whatever your talent, schedule or age, the children and families of central Oklahoma need your help. We have volunteer opportunities available throughout the year.

Thanks to the community for the tremendous outpouring of support for those affected by the recent fires. Donations at the Oklahoma County service barns were delivered to Christmas Connection and are now available and being distributed. If you would like to volunteer at Christmas Connection to help process the donations to benefit the families, please go to the Volunteer icon and let us know. We welcome your help.

Call Valerie Finely to schedule a time to volunteer.
Volunteers are needed daily between the hours of 9 a.m. and 1 p.m.

Volunteers will assist with:

Assisting shoppers
Sorting incoming donations
Stocking shelves
Picking up donations
Delivering collection boxes
Preforming clerical duties including data entry and answering the phone

Texas Baptist Men volunteers respond to Oklahoma wildfires
By John Hall, Texas Baptist Communications
Published: August 16, 2012

MANNFORD, Okla.—Three Texas Baptist Men teams have been cleaning up lots and helping victims sift through ash in the wake of wildfires that affected more than 300 homes in northeastern Oklahoma.

In order to help complete so many tasks so quickly, the Baptist General Convention of Texas, TBM and the Baptist General Convention of Oklahoma called for church groups— trained and untrained—who can work under the supervision of trained Baptist volunteers. For more information about volunteering, contact Cookie Slate at VolunteerDR@texasbaptistmen.org or call 972–754–4734

Many homes affected by the wildfires are completely lost, said Gary Smith, who is coordinating Texas Baptist Men's efforts in Oklahoma. Volunteers largely are separating scrap metal from ash in an effort to begin the clean up process. In some cases, volunteers are sifting through the ash for remnants of people's belongings.

"Mostly, everything is completely ash," Smith said of the devastation.

Smith asked Texas Baptists to pray for the survivors of the fires and for the volunteers who are helping them. The early stages of relief in these situations can be dangerous. In Oklahoma, a TBM team happened upon a live electrical wire. At another house, volunteers discovered a potentially hazardous propane tank.

Fire survivors have welcomed TBM's help, Smith said. Organizers expect the number of project requests to increase this week as people discover help is available.

"They're very thankful," he said. "They're very responsive. They're thrilled to see us."

TBM disaster relief efforts are financed entirely by designated gifts. To give directly to TBM, visit www.texasbaptistmen.org or mail a check to Texas Baptist Men, 5351 Catron, Dallas, 75227. Designate it for Oklahoma relief in the memo line.

VERIFIED UPDATE 8/20/12 by AW – OK Strong:

URGENT DONATION NEED: Any type of Animal Food & Canned Meat/Meals

URGENT NEED FOR CLEAN UP VOLUNTEERS – Sign up with Samaritan's Purse

Grocery needs at the relief center at Olive Baptist Church:

Canned meat (ie: Spam)
Vienna sausages
Canned chicken (round cans like tuna)
Macaroni and cheese mix (ie: Kraft)
Assorted breakfast cereal (family boxes, not the small individual portions)

Samaritan's Purse has set up at this church and is sending out clean up crews. More information to follow once their Volunteer Coordinator is reached on 8/6/12 on how folks from the community can sign up to help.

At this time, the Olive Baptist Church states that they are mainly in need of clean up items such as:

Shovels
Extension cords
Heavy duty trash bags
Rakes
Shovels
Leather Work Gloves

They have an abundance of clothes for any of the victims that are in need. They also stated any gift cards that could be used for gas would be fantastic! They do have someone on hand from the Red Cross at this time to help answer questions. If you know of anyone that needs assistance or if you would like to contribute please contact:

The Olive Baptist Church
9372 S. 433rd W. Ave
Drumright, OK

Volunteer with Compassion First
Vernonia Outreach

Compassion First has partnered with Medical Teams International (formerly Northwest Medical Teams) to help rebuild and restore the community of Vernonia. If you are available and interested in volunteering, following are the areas of immediate need (Download the Volunteer Forms):

Field–based in Vernonia:

* Phase 1 - immediate need: Stabilization and gut outs
* Phase 2 - following stabilization: restoration and rebuilding

Office–based in Beaverton:

* Receptionist and light office work - 1/2 day to full day shifts
* Accountant and/or numbers–minded resource

Tools and Materials:

If you have a resource for tools or other rebuilding materials that could be utilized for this relief effort, please contact Michael Do via the information below.

Financial Support:

If you would like to provide financial support, checks should be
made payable to Compassion First and sent to the address below.
Funds will be utilized for field–based work such as fuel, volunteer incidentals and sustenance (food/water) and any tools or materials
unavailable via Medical Teams International or other relief sources.
