Our Mission

Welcome Hall Mission is a non–profit community service organization, with a history of more than 114 years. It provides a variety of community services throughout Montreal and has a commitment to empower people in need by responding to their spiritual, emotional and physical needs.

Welcome Hall Mission offers a second chance, a brighter tomorrow, respect and care to each of the men, women, youth, and children who come through its doors. Based on a Judeo–Christian tradition of charity, the Mission's work caters to everyone regardless of their origins or beliefs.

Montreal is Canada’s second largest city. Tragically, there is no likelihood that the demands for social services will diminish. In an attempt to meet the individual needs of Montreal’s diverse population, Welcome Hall Mission provides services from several locations throughout the city and works closely with other agencies to reach out to those in need.
