Hours Mondays: 5 – 7PM to accommodate the working poor / Wednesdays: 9 AM to noon

We provide a helping hand to low–income Chester residents by distributing emergency or supplemental food and supplies.

We also offer educational, spiritual and advocacy programs to help clients build better lives for themselves, their families and communities.

All the ministries of the BernardineCenter are rooted in Franciscan hospitality and the social teachings of our Catholic Christian tradition.

The BernardineCenter is a 501c3 non profit organization, incorporated September 21, 1991.

The Bernardine Center was founded in February 1986 by the Bernardine Franciscan Sisters to help address the many challenges of low–income Chester residents.

Opened as an Emergency Food Cupboard, the Center designed the model Super Cupboard program in 1987. This program seeks to break the cycle of poverty and dependence for low–income mothers by providing weekly sessions that include nutrition education and life skills workshops. The Super Cupboard model has been copied extensively throughout Pennsylvania.

Throughout the years, the Center has provided targeted programming to address short–term needs, and help provide for the long–term needs of the families and individuals seeking our help.

The Center has been a member of The Greater Philadelphia Food Bank since its inception, and is a founding member of the Interfaith Coalition of Food Centers of Delaware County.

This facility is a member agency of the Philabundance Food Bank.
