Birth–To–Five is a service organization dedicated to maximizing the social–emotional, intellectual, language, and physical development of young children in Wayne County.

We focus on:

Teaching families about how children develop
Helping adults prepare their children for school
Detecting developmental delays in children

Increasing parents' participation in children's learning experiences
Our programs are free and voluntary. We provide them throughout Wayne County.

Our programs take place in schools, churches, community centers and homes in Wayne County.

Programs:

Families receive one–to–one support and information from the Birth–to–Five staff. We focus on adults whose children are between birth and age five.

Birth–to–Five houses three early childhood programs:

Parents As Teachers
Supporting Care Providers
Healthy Families

We realize parents may be busy, so we make it easy to get our help. We visit families in their homes! We also hold some events in group settings outside the home.

Our Team:
Birth–to–Five serves families with skill and enthusiasm. Staff members teach parenting skills, stage fun group activities, and visit families' homes to encourage a healthy and fun learning environment. Board members provide overall direction for the organization. Volunteers lend their talent and energy to our programs throughout the year.

Participate:
Join us at an event! Birth–to–Five hosts playgroups, Book Buddies, Kindergarten Readiness Workshops, parent discussions, and other activities throughout the year.

We also offer occasional volunteer opportunities.

Contact us at (765) 966–6080 or info@mybirthtofive.org to learn about events and volunteer opportunities.

WELCOME to the Boys & Girls Clubs of Wayne County! Since 1957 we have served the youth in Wayne County and its surrounding areas by providing a Positive Place for kids ages 6–18 to go after school. Currently we serve over 2400 youth annually at two year–round locations, the Jeffers and Central Units and during the summer at our 168–acre Camp Guy located on the Whitewater River.

There are an abundance of programs and activities available for boys and girls of all ages to participate in at the Club on a daily basis. We offer programs and activities in 5 Core Program Areas: Character & Leadership Development, Education and Career Development, Health & Life Skills, The Arts and Sports, Fitness and Recreation.

We also operate an extension of Morrison–Reeves Library at our Jeffers Unit, provide the Positive Alternatives Program for suspended or expelled students in all of the Wayne County School Districts, partner with other local youth organizations to run "Club vs.Club" and serve as a Youth Service Bureau for the State of Indiana.

Petra Project is the Outreach organization that works within Rock Solid Ministries.

The Petra Project Board is shifting business to the formation and foundation of the Petra House Recovery Center. This will be a long term, residential rehab center that will be Christ centered and Spirit filled. We will begin with a men’s program and expand to a

women's program later. Our first need is a house or building to open in. If you know of a property, call us at the church.

Petra House Recovery Center:

Our area is in need of a Christ–based addiction program that provides intensive care and instruction in living that will give men with addiction problems a clean living base to build their lives on. Petra House will be a live–in program with 24 hour assistance that will provide that base. Powered by 'Turning Point' ministry curriculum and Teen Challenge training courses, trained personnel will administer the program along with on sight living skill training in a structured 24/7 format. This program is due to open in spring of 2009.

Madison's Mission's food pantry serves the Richmond, Indiana area. We established our food pantry in February 2006 as an outreach ministry of Gateway Vineyard Fellowship. With the tough economic times, we've seen an explosion in the number of families using our food pantry. We currently serve over 900 families per week. Many of these families have told us that they do not know what they would do without the help we've been able to give them. Our food pantry is open every Saturday from 7:00am to 11:00am. We are glad to help anyone needing groceries. The only requirements are 1) you can only get one bag of groceries per address, and 2) the first time you come you must register by showing something that verifies your address (ID, license, utility bill or rent receipt, etc.). In 2008 we have helped over 2,600 different families.

Every month Madison's Mission sponsors a Truckload Food Give-away in the parking lot of Gateway Vineyard Fellowship. Doors open at 8:00am with the truck arriving about 9:30am. The giveaway is over at 11:00am. Anyone and everyone is welcome to come and get food. The only requirements are 1) you can only get one bag of food per address, and 2) the first time you come you must register by showing something that verifies your address (ID, license, utility bill or rent receipt, etc.). We ask that you bring a box or some other type of container (such as a laundry basket) to put your food in. For the date of the next Truckload Food Give-away go to:
