Fuel Relief Fund had to leave Haiti when supportive funds ran dry. They worked long and hard to secure grants to be able to return to continue their urgently needed disaster relief and recovery efforts with fuel, but ultimately it was not to be. They served a vital and life saving purpose for several months after the 1/12/10 Earthquake in Port–au–Prince and its surrounding neighborhoods, such as Croix–des–Bouquets, Grantier, Petion–Ville, Carrefour, Fontamarra, Bel–Air, all of Delmas, Bon–Repos, Cite Militaire delivering fuel for generators and ambulances and so much more.

1. Send money directly to Black women in South Florida via Cash.Me app or PayPal. Open the #SupportBlackWomenMIA list and pick more than one woman on the list to PayPal or Cash app. Suggestion for choosing from the list: pick the first person whose name begins with the same letter as yours, then pick another person whose name begins with the same letter as your mother's first name. Be GENEROUS. (Think of what you spend on coffee or alcohol, then double it.) Share the above graphic and link. (Credit: Dr. Roni Dean-Burren via Leslie Mac.)

2. $upport and PLEASE SHARE the Coalition's YouCaring Irma Fund that will go directly to Black communities in South Miami. This fund is for long-term needs like helping folks pay rent, pay utility bills, repairs, etc. Donate here. (Landlords still make you pay in a natural disaster.)

DEPLOYMENTS
West Coast Wildfires 2020
What: Immediate Emergency Supply Distribution
When: September 2020
Why: West Coast Wildfires

West Coast Wildfires 2020
ROWW is responding to the unprecedented wildfires that are scorching the west coast and is currently in

Phase 1: Immediate Emergency Supply Distribution. We have partnered with Direct Relief and Lowe's Home Improvement to distribute hygiene kits, first aid and emergency preparedness kits, wildfire kits, tarps, EZ ups, pet cages, generators, medical supplies, PPE, and more to the thousands of displaced people all across the State of Oregon.

As active fires die down and recovery needs shift, ROWW will transition to
Phase 2: Response Kits (generators, fuel, tarps, portable heaters, shovels, chainsaw oil, clean up supplies, etc). We hope to send in teams and potentially heavy equipment to help with physical debris removal and clean up.

Our Phase 3: Long Term Recovery may include rehabilitation projects, appliance packages, shed construction, and more to be determined as we assess individual needs.

If you or someone you know are displaced due to the fire and have immediate needs, please contact us for information on how to access these resources from our current Phase 1 response.

RESOURCES FOR POTENTIAL VOLUNTEERS
To apply to volunteer, email responders@roww.org and ask for our volunteer application.

FACEBOOK:
https://www.facebook.com/reachoutworldwide

Reach Out WorldWide is constantly looking for great new volunteers to add to Team ROWW. We recruit all sorts of volunteers, from day volunteers for local events to specialized personnel to lead our teams responding to natural disasters.

We are primarily recruiting chainsaw operators, doctors, nurses, EMTs, paramedics, firefighters, contractors/construction workers, and heavy equipment operators.

Some experience with disaster relief, EMS, military and/or construction is preferred depending on the type of deployment.

Alabama Tornado
If you do not have any relevant experience, that's ok, too! When we travel, we are always looking to recruit local volunteers. You never know when a disaster may strike near you.

We've arrived! The @directrelief supplies are being flown in and our team of volunteers is transporting them to various distribution centers from Eugene to Southern Oregon for victims of the ongoing wildfires. Our teams have also loaded up tons of supplies from @loweshomeimprovement to get people back on their feet. As more and more planes arrive we'll be continue caravanning the loads to those who need it the most. Stay strong everyone!

To find an Open DRC, got to the website above, or go directly to FEMA's very useful "DRC Locator" and enter your location to find an open DRC:

2011 Note: This appears to be a VERY ACCURATE and up to date tool/database. We'll still keep listing separate entries, if only to provide local news that's not listed in the FEMA locator.

Open DRCs – CHECK WEBSITE FOR Current Status!!!

Please note that we are updating this page on a weekly basis as new DRCs are opened and existing DRCs are closed. We recommend that you tune–in to your local media for the most up–to–date information on area openings and closings.
About DRCs

A Disaster Recovery Center (DRC) is a readily accessible facility or mobile office where applicants may go for information about FEMA or other disaster assistance programs, or for questions related to your case.

NOTE: You can register for assistance at a DRC or you can register online or by calling 1 (800) 621–FEMA (3362). The TTY number is 1 (800) 462–7585 for those who are speech– or hearing–impaired.

Some of the services that a DRC may provide:

* Guidance regarding disaster recovery
* Clarification of any written correspondence received
* Housing Assistance and Rental Resource information
* Answers to questions, resolution to problems and referrals to agencies that may provide further assistance
* Status of applications being processed by FEMA.
* SBA program information if there is a SBA Representative at the Disaster Recovery Center site.

To find out if you qualify for assistance:

http://www.fema.gov/news/disaster_totals_annual.fema

Choose your state. Choose the button for whatever storm you are interested in. Note that it may be under "Emergency Declarations", the second set of declarations, or scroll down to see all lists. Then choose the button for "designated counties" to see if your county is there. Note the box on the right hand and choose the "tab" for "individual assistance" to see if your county is qualified to receive federal funds for individuals. Note that "Category B" declarations usually don't have any funds available for individuals. Only for towns and cities.

Go to the link above to find RED CROSS sponsored shelters. (there are usually MANY MORE shelters other than "Red Cross sponsored" shelters...run by local gov't, run by private groups)

[Editor's NOTE: we've noticed lately that the link DOES NOT WORK for people who don't allow cookies and other surveillance apps on their devices. The Red Cross is a great org, providing badly needed first response. However, we do not like that the link doesn't work on ANY device, and fear that this is a trend that's related to the "need" for large non–profits to gather a ton of personal info before they will help you. If that's the case, shame on you Red Cross. If it's not the case, please excuse our ignorance]

See the map at the link for open shelters. Below that is a list of openshelters.

You can also search by state/address.

Open Shelters are flagged. Put your mouse over a flag to get more info, click on it, and give it a moment and you'll see the address of the shelter and a capacity (number of people), if the information is available.

Here's the old address, that doesn't work as well, but for reference purposes: http://app.redcross.org/nss–app/
