15.03.2011 Emergency Press Release
Transportation of emergency relief foods and materials to Kesennuma, Miyagi continues

Two helicopters loaded with PWJ relief foods and materials (emergency tents, fruits, telecommunication equipment, kerosene, etc) arrived in Kesennuma City, Miyagi Prefecture. Our land transportation team of 4, loading additional relief foods and materials (balloon shelters, fruits, breads, etc), left Niigata today and is now on the way to Kesennuma.

Transportation of relief foods and materials to Kesennuma is increasingly becoming difficult due to the shortage of fuels. There are also safety concerns on the road. PWJ is making every effort to make necessary arrangements so that we can continue to provide assistance to the people in need.

Updates on PWJfs emergency disaster relief are available at the PWJ official Twitter and Facebook pages:

15.03.2011 Emergency Press Release
PWJ Disaster Response Team together with Emergency Relief Foods and Materials Arrived in Kesennuma

Peace–Winds Japan (PWJ), an international non–governmental organization specialized in disaster relief and currently active in countries like Iraq, Sudan, Haiti (Head Office: Minato Ward, Tokyo; CEO: Kensuke Onishi), is providing disaster relief to the victims of the 2011 Earthquake off the Pacific Coast of Tohoku which shook Japan in the afternoon of 11.03.2011. PWJ will be providing large emergency disaster shelters (Balloon Shelters) to accommodate the evacuees in Kesennuma City of Miyagi Prefecture, one of the most severely affected areas in the Tohoku region.

[Emergency relief foods and materials arrived in Kesennuma]
Emergency disaster shelters (Balloon Shelters and Emergency Tents), blankets, blue tarpaulins, pregelatinized rice, and breads

Heavy winds blowing in the area are posing a difficult challenge to us in setting up the balloon shelters. However, PWJ will strive to do whatever it takes to urgently provide relief foods and materials to the people in need. PWJ is now collecting information through making a visit to the school buildings in the affected areas which have been converted into temporary shelters for the evacuees, working in close coordination with the headquarters for disaster control in Kesennuma City, in order to effectively and promptly provide relief foods and materials to the people in need.

PWJ has also started land transportation of relief foods and materials. At 16:30 today, three of our staff departed Ibaragi Prefecture on a truck loaded with emergency relief foods and materials and are now heading to Kesennuma, Miyagi.

PWJs assessment in the affected areas has identified the shortage of food, water, blankets and medicines. Accordingly, PWJ is planning to procure and transport these items as well. From 15th March and onwards, PWJ will continue to transport relief foods and materials to the affected areas by air and by road, while closely monitoring the situations in order to identify priority areas of assistance.

14.03.2011 Emergency Press Release
PWJ disaster response team of 3, together with the relief foods and materials, arriving in Kesennuma, Miyagi

PWJ is providing emergency disaster relief in Kesennuma City of Miyagi Prefecture through provisions of large emergency disaster relief shelters (balloon shelters and emergency tents) and relief foods and materials.

As of 5pm on 14.03.2011, three of our staff, together with relief foods and materials, have arrived in Kesennuma City.

[Materials arrived in Kesennuma]
Balloon shelters
Emergency tents
Blankets
Kerosene

Petrol (gasoline)
Blue tarpaulins
Pregelatinized rice
Breads

Devastating damages have been reported from the disaster–stricken areas, and the heavy wind poses a difficult challenge to us in setting up the balloon shelters in the site. However, PWJ will strive to do whatever it takes to urgently provide relief foods and materials to the people in need. PWJ is now collecting information through making a visit to the school buildings in the affected areas which have been converted into temporary shelters for the evacuees, working in close coordination with the headquarters for disaster control in Kesennuma City, in order to effectively and promptly provide relief foods and materials to the people in need.

PWJ is also preparing to transport relief materials by road.

13.03.2011 Emergency Press Release
PWJ Setting Up Disaster Relief Shelters in Kesennuma, Miyagi. Accepting emergency donation.

Peace–Winds Japan (PWJ), an international non–governmental organization specialized in disaster relief and currently active in countries like Iraq, Sudan, Haiti (Head Office: Minato Ward, Tokyo; CEO: Kensuke Onishi), is providing disaster relief to the victims of The 2011 off the Pacific Coast of Tohoku Earthquake which shook Japan in the afternoon of 11.03.2011. PWJ will be setting up large emergency disaster relief shelters (balloon shelters) in Kesennuma City of Miyagi Prefecture where the immense damage has been identified. From 14th March and onwards, PWJ will be transporting shelters, machinery and staff to the disaster area.

On 13.03.2011, PWJ conducted a helicopter assessment in the Cities of Ishimaki and Kesennuma of Miyagi Prefecture and identified the shortage of disaster relief shelters for the evacuees in Kesennuma City. To fill that gap, PWJ will be setting up balloon shelters to accommodate these people.

PWJ also identified the shortage of food, water, blanket and medicines in the affected areas and is planning to transport these items as well. PWJ is now requesting kind donations from the public to support our relief activities.

13.03.2011 Press Coverage
PWJ disaster relief covered by the evening edition of the Asahi

PWJ continues to respond to The 2011 off the Pacific coast of Tohoku Earthquake which shook Japan in the afternoon of 11.03.2011. PWJ has conducted a needs assessment in the disaster–stricken areas and dispatched its disaster response teams as well as relief goods and materials to the sites. PWJ will be conducting disaster relief operations in the affected areas, including setting up temporary shelters for the evacuees.

PWJ is now accepting donations from the public, which was taken up by the evening edition of the Asahi on 12.03.2011.

12.03.2011 Emergency Press Release
Pacific Coast of Tohoku Earthquake Peace–Winds Japan and 4 other NGOs heading (by helicopter) to the disaster–stricken areas

In response to he massive damages caused by The 11.03.2011 Pacific Coast of Tohoku Earthquake, Peace Winds Japan (PWJ) (Head Office: Minato Ward, Tokyo; CEO: Kensuke Onishi) on 12.03.2011 dispatched its emergency assessment team, along with the teams of 4 other NGOs, by helicopter to the disaster–stricken areas in the Tohoku region. The team is heading to the City of Natori, Miyagi Prefecture, one of the hardest hit areas in the region.

On 12.03.2011, PWJfs emergency assessment team, along with the teams of 4 other NGOs (Civic Force, ADRA Japan, Japan Platform and Charity Platform), took off the heliport in Tokyo Metropolitan area to reach the City of Natori, Miyagi Prefecture and its surrounding areas where emergency relief is most anticipated.

PWJ will be conducting the needs assessments in the affected areas in order to conduct effective emergency relief operations. Your kind donation will be greatly appreciated!

Pacific Coast of Tohoku Earthquake – how you can help

Peace–Winds Japan dispatching its emergency response team to the disaster–stricken areas

The 11.03.2011 Pacific Coast of Tohoku Earthquake has caused devastating damages to the Tohoku region of Japan. Peace–Winds Japan (PWJ) (Head Office: Minami Aoyama, Minato Ward, Tokyo) immediately responded by dispatching its first emergency response team of four to Natori City of Miyagi Prefecture, one of the hardest–stricken areas of the Tohoku region.

PWJ, in close cooperation with the Civic Force (Head Office: Minatoku, Tokyo; Representative Director: Kensuke Onishi), a civil organization specialized in national disaster management, as well as the City of Fukuroi, Shizuoka Prefecture, is currently planning to set up 6 gballoon sheltersh (which can accommodate up to 600 people) and 50 emergency camps (which can accommodate up to 250 people) as temporary shelters in the affected areas. The relief plan, however, may change depending on the actual needs and the conditions in the affected areas.

MercyCorps is gathering donations for its overseas partner, Peace Winds Japan, which currently has personnel on the ground distributing emergency relief in Japan.

The Lower Ninth Ward Neighborhood Empowerment Network Association (NENA) was established in the aftermath of Katrina to play a lead role in rebuilding New Orleans' Lower 9th Ward.

Organized and controlled by residents of the Lower Ninth Ward, NENA addresses not only the immediate recovery needs created by the storm's destruction, but also the institutional neglect and disinvestment that plagued the neighborhood long before Katrina. NENA works with current Lower Ninth Ward residents, displaced residents living in other parts of New Orleans, and the broader diaspora who want to return to the neighborhood.

NENA utilizes an innovative resident–based approach to the comprehensive rebuilding of the Lower Ninth Ward, providing services and implementing sustainable programs in community outreach, case management, design and construction administration, home and school rebuilding, and economic development.

NENA has eleven staff members, in the areas of management and administration, outreach, case management, economic development, and the Design Studio. Its Board of Directors includes seven members, all of whom live, work, or worship in the Lower Ninth Ward.

In addition, NENA has ongoing partnerships with Warnke Community Consulting, a community development consulting firm that provides organizational and property development assistance; the Loyola School of Law; and numerous local organizations. NENA is the lead facilitator of the Lower 9th Ward Stakeholders Coalition, and is a member of the Greater New Orleans Disaster Recovery Partnership.

There are currently more than 50 agencies that are members of the Coalition. There is NO FEE to belong to the Coalition.

The Six Goals of the Jackson County Community Services Coalition:

1. Assist in coordinating community groups, volunteer groups, religious groups, educational institutions and public agencies to address the unmet needs of individuals and families in the Mississippi Gulf Coast.

2. Identify and locate existing gaps in service in the gulf coast communities and to assist in developing the necessary services within those gaps.

3. Educate the public and private sectors regarding issues affecting the communities in the Mississippi Gulf Coast.

4. Educate people on the dangers of illicit drug use in the 13 sectors of the Mississippi Gulf Coast.

5. Coordinate existing services more efficiently among Coalition partners.

6. Assist individuals and families in restoring their lives from a natural disaster, and/or other crisis along the Mississippi Gulf Coast.

Pre-earthquake work recommended by ReliefWeb. In our experience, groups that are listed on ReliefWeb to this extent are worth supporting. Note the link below for Yemen puts MedGlobal in good company of other groups we've vetted. See the list below of the different groups that MegGlobal is aligned with. However, we are a volunteer staff and we can you guarantee anything. Since we aren't perfect, we always recommend that people do their own research.

Once long ago, we all were children, simple, loving and caring. We chose to care about our world, our families and everyone around us. Somewhere along the way, we became mad; we lost our way as humanity. We began destroying and consuming our world and our hearts. We chose events and things as more important – than each others lives. The Raise Your Hand and Open Your Heart Foundation chooses to change that, to get people to help one another, no matter the crisis, the problem, or the effort. A world united for ONE single common goal. HOPE. HOPE for each other, for our children, for our animals and for our environment.

You can be a part of this organization, by registering through the website, donating cash, time, your talents, volunteer or participate directly with the charities, people and organizations listed there. You can load new charities and even load your own problems. This way, we intend helping each other, as ONE family. Participate today by searching and navigating through the various regions and causes and taking a few hours each day to help heal the world through the website by using your talents, things and time. Thank You for being a part of the change.

HOW ARE WE KEPT ACCOUNTABLE?

The donor is notified, thanked and praised for making a donation, immediately upon payment. They are also automatically provided with a tax certificate. They remain anonymous on the system, but are progressed to the regional list of real donors.

They are explained that their funds are kept in trust, either for direct release for urgent need, or until a project comes up that is needed for and will NOT be used for anything else.

Once the payment is, the donor is informed that the payment is made to the charity, or cause. With a proof of payment attached in the system and a track able reference to verify that this has been done.

100% of the donation will be done, unless under extreme circumstance a charge or fee is incurred. In this instance, they will also be provided with proof of these charges.

Now, most organizations end here, but where Raise Your Hand will be different is that we will not only 'pay' the 100% donation over to the organization, we will require them to provide us with faxes or scanned emails of the use of this money and exactly what every cent is used for.

They will only receive an immediate 20% of the donation and until they prove that they can provide the proof that it is used what it is used for, we will not release the money.

If it is an ambassador or representative of the charity, and the entire donation is needed now, they will immediately be paid over, once they provide letters from where they will be purchasing goods, or provide direct invoices for us to pay on their behalf.

Let us say, as an example, The Red Cross needs $850000 (yes, they asked me for this), for fuel and the means to get aid across Pakistan. Now, what would be best is to find a Shell Petrol Depot there and pay them directly, with this proof of invoice and payment, our donors will feel that their money has gone to the right place.

If, we can, we will also provide them with photos of the delivery of their aid.

All of this allows our donors to know their money goes to the correct place at any given time, with proof and contactable verification of delivery of the aid money.
